With respect , I shall be sending several emails with photos etc
re: proposed Maui County ordinance for controlling ziplines , re: 256 800 080

on the screen shot below:
the 2 houses on the left are our houses: 280. W.Waipio Rd. Haiku HI 96708.
immediately to the right of that, is a rectangle , which is one of the "landing pads"
of the Jungle zip.
Our houses have permits.
The Jungle zip does not.
It is less than 50 feet from our kitchen window !
The screaming is horrific.
We are on agg land , and actively farm.
...more to follow.
