Subject: PSLU-56 CHANGE IN ZONING FOR THE PROPOSED KILOHANA MAKAI WORKFORCE HOUSING PROJECT

To whom it may concern,

I have spoken during public testimony on this project approximately a year and a half ago. My stance remains the same. I am in favor of the change in zoning for this project. We are a product of workforce housing, and without it, I believe we would not be in our own home today.

We have been blessed with a beautiful home to call our own, and not be a prisoner to it. The cost of living is high enough here, and with home prices so high, lots of friends and family are moving away, away from our roots.

It is essential that we keep providing these opportunities for others to be blessed as we have.

Again, respectfully, we are in favor of this change in zoning to provide workforce housing to our Community.

Mahalo,
