Dear Chair King:

SUBJECT: SOLICITATION FOR COMMUNITY PLAN DISTRICT LIAISONS
FOR THE 2020 MAUI COUNTY HAZARD MITIGATION PLAN

I am writing to the Maui County Council for recommendations of individuals from each of your respective districts to serve as liaisons between their fellow community members and the hazard mitigation plan update team. This year the Maui County Hazard Mitigation team has planned to emphasize community involvement in helping steer future hazard mitigation on the local level. Ideally, the liaison would be a respected leader in the community, such as local kupuna or religious leader, and work closely with the Maui Emergency Management Agency to help spread information about local meetings. More importantly, the liaison will represent the community by being the voice of the people.

The Maui Emergency Management Agency appreciates your time and recommendations. Please send recommendations to Dr. Anthony Joyce - Hazard Mitigation Specialist via email at Anthony.joyce@mauicounty.gov or by phone at (808) 270-7286.

Sincerely,

Herman Andaya
