Aloha Planning and Sustainable Land Use Committee Members.

I am a Realtor and I support RAM's proposal regarding transient vacation rental use. RAM would like to modify your point 2. In Maui County Code 19.12.020 (G) to read as follows: 2. Transient vacation rental use was conducted in any lawfully existing dwelling unit within the building or structure prior to January 1, 2021, as determined by real property tax class or payment of transient accommodation tax.
