Letter of Support

From: South Maui Advisory Committee

Re: Proposed Project: Liloa Hale

The development team for Liloa Hale came before the South Maui Advisory Committee on July 23, 2020. The Committee received a presentation and was able to make inquiries. The subject project made several revisions in response to feedback from community groups to include their prior presentation before this Committee.

Changes included: Project density, landscaped open space, air conditioning to all units, allotted parking and sidewalk connectivity between this project, the adjacent senior housing project and Hope Chapel.

The Committee unanimously supports this project moving forward to entitlements and construction.

Max Tsai

Chair, South Maui Advisory Committee
