Maui County Council  
Planning and Sustainable Land Use Committee  
Chair Councilmember Tamara Paltin

Aloha Chair Paltin & Committee Members,

I am writing to **express support for** the Moratorium on Transient Accommodation Permits on Lana'i, **item PSLU-72**. It is clear that our special small sister islands have good reason to do all that is necessary to protect their precious places. I look forward to Moloka'i island considerations.

I am writing in **support of proposed bill, PSLU-59**, preventing the conversion of long-term use dwelling units into transient vacation rentals in the apartment, light industrial, and heavy industrial districts, and to prohibit new stand-alone apartment units in the light industrial and heavy industrial districts.

In closing I would like to express gratitude for the discussion and the piercing questions that has brought about a solid plan moving forward. In particular I am pleased to hear the request to use the GIS technology in helping with classifications and the greater ability to identify at quick glance the variations necessary to make accurate decisions and determinations.

Mahalo Chair for your efficiency in conducting such a subject meeting that has been long awaited, I appreciate your consistent decorum.

Sincerely,

*Faith Chase*
