Aloha Maui County Council Environmental, Agricultural and Cultural Preservation Committee,

Please accept this written testimony in support of reducing pesticides in Maui County, A BILL FOR AN ORDINANCE ESTABLISHING CHAPTER 2.50, MAUI COUNTY CODE, RELATING TO PESTICIDE AND FERTILIZER USE ON COUNTY PROPERTY. I understand the Maui County Council Environmental, Agricultural and Cultural Preservation Committee will hear item EACP-1: INTEGRATED PEST AND ENVIRONMENTAL MANAGEMENT ON COUNTY PROPERTY, introduced by Council Member Shane Sinenci. This bill would prohibit the County's purchase or use of certain pesticides and fertilizers on County-owned parks, playing fields and roadways.

Mahalo to each committee member who takes leadership in returning the community to a standard of health and safety which will assist our entire community.

With appreciation,

Lisa Darcy
