Subject: Testimony: EACP-1: INTEGRATED PEST AND ENVIRONMENTAL MANAGEMENT ON COUNTY PROPERTY

Aloha,

I am writing in full support of EACP-1: INTEGRATED PEST AND ENVIRONMENTAL MANAGEMENT ON COUNTY PROPERTY, introduced by Council Member Shane Sinenci. This bill would prohibit the County's purchase or use of certain pesticides and fertilizers on County-owned parks, playing fields and roadways.

I fully support the adoption of this measure. Please do your part to protect our residents by voting to pass this bill.

This is awesome and exactly the kind of work I admire from the County Council.

Mahalo for your time,

Lantana Hoke
