**Subject:** Testimony for 201H project

Aloha,

I urge the county council to deny approval of the proposed 201-H housing development in Olowalu for the following reasons:

- inadequate infrastructure, walkability, and access to schools, markets, medical facilities
- fire prone area. Places residents at risk.
- the state hasn't identified location of realignment of Honoapi'ilani. This area is one of the proposed routes
- runoff from development could severely impact Maui's "mother reef"
- lottery is a way for recent transplants to take homes away from generational families after receiving residency after one year.
- this area has significant cultural history that needs proper review
- this project is UNAFFORDABLE, especially as many of our locals are currently unemployed during the covid-19 tourism shutdown.

Please do not entertain this development.

Mahalo
