Aloha Chair Kama and Members of the Affordable Housing Committee,

My name is Jade Chihara and I am born and raised in Lahaina. I am writing my testimony in opposition to the Lihau'ula Development. These development projects and their subsidiaries occurring in West Maui simultaneously without proper environmental/archeological assessments and cultural oversight to preserve the fabric of Lahaina tarnish the trust in the County's policies and practices. Please do not approve this project and protect the natural and open space facets of Lahaina.

Mahalo,  
Jade Chihara
