Subject: Affordable Housing Projects (Chapter 201H, HRS), Lihau'ula Workforce Housing Project (Olowalu)

Dear Committee Members,

Regarding your upcoming September 23, 2020 Committee meeting, I am in full support of the Lihau'ula Workforce Housing project. We need more affordable housing for our island residents, and this project will provide expedited affordable housing for owner-occupants in the West side community.

Respectfully,
Brook Starr
Maui resident, born and raised.
