Attention: AFFORDABLE HOUSING COMMITTEE
Re: Letter of Support for Lihau'ula Workforce Housing Project

To the Honorable Members of the Affordable Housing Committee:

On behalf of myself and Hawaiian Cement, Maui Concrete & Aggregate Division, I wish to express my strong support for the Lihau'ula affordable housing project in Olowalu. Maui desperately needs affordable housing for our local people. Our keiki are growing up on Maui without hope for future home ownership. They are either relying on parents, or grandparents, to provide a home or are looking to move away to realize their dreams of home ownership. I ask for your help by approving this much needed project. Thank you in advance for your consideration.

Mahalo,

Ed McCary
Concrete & Quality Control Manager
Hawaiian Cement - Maui Concrete & Aggregate Division
