Re: Letter of Support for Lihau'ula Workforce Housing Project

Dear Members of the Affordable Housing Committee:

On behalf of myself and Walker Industries Ltd, I want to express my strong support for the Lihau'ula affordable housing project in Olowalu. We desperately need affordable housing for our Maui Families. It is nearly impossible for young adults growing up on Maui with dreams of future home ownership. They are either relying on parents or grandparents to provide a home or are looking to move away to realize their dreams of home ownership. I ask for your help by approving this much needed project. Thank you in advance for your consideration.

Thank you,
