Subject: WE SUPPORT OLOWALU HOUSING FOR OWNER OCCUPANTS

To the Members of the Affordable Housing Committee,

I want to throw my support behind the Lihau'ula Workforce Housing project. Our church, Valley Isle Fellowship, worked with West Maui Land as they purchased 10 acres that we owned and turned into the affordable housing subdivision, Waiale Elua. Now that it is almost complete, I can report to you that the nearly 70 families that now occupy this subdivision feel truly blessed that their dreams of owning a home here on Maui has now come to fruition. This project is adjacent to our church and we are privileged to see all of these families on nearly a daily basis. I am so appreciative that West Maui Land proved to be a developer that could be depended on to bring about all of these dreams. I believe that the Lihau'ul Workforce Housing project has the potential to fulfill similar dreams of those future homeowners. Therefore, I heartily throw my support behind this project.

Sincerely,

Stephen Kaneshiro
