Subject: Lihau'ula Workforce Housing project.

Aloha my name is Neil-Lowell Keahi. I am sending this email in support of this project. I believe we need affordable housing,. I believe everyone deserves to have an opportunity to own a home. Meaning a home with a front and backyard. There may be a lot of people who prefer affordable condominiums, but I'm not a fan of condominiums.

1. Being no yard for my children to enjoy.
2. Rules and fees.
3. A condo, is not a house.
4. Crowded.

And that's a short list.

What upsets me is we have some councilmen and women deciding for us, what is best for us, condo instead of a house, but that decision should be left to the person buying a home.

Please put this in to consideration. Mahalo
