Subject: Opposition to proposed Olowalu development

To whom it may concern,

Please accept this email as my vehement opposition to the preposterous development plan for historically significant Olowalu. As someone born and raised here on maui with no financial interest in the overdevelopment of our island or in this case Olowalu, I can safely say that the overwhelming majority of Hawaiians and Kama'aina, people actually from this land do not want this! We will not benefit from more overpriced homes, from more shopping areas, more schools for the children of parents from the mainland planning on relocating here and bringing with them there own ideas of how to further change maui to their own liking. We have enough Starbucks, enough hotels, enough golf courses, enough new housing developments built under the guise of "affordable housing"! Enough is enough....you people have the power to do the right thing. I sincerely hope that you will choose to vote for the will of the people over greed and profits!

Mahalo,

Gavin Kamealoha Campbell
