## A BILL FOR AN ACT

RELATING TO THE STATE HIGHWAY ENFORCEMENT PROGRAM.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that there are many areas  
2 along state highways that are unsafe and hazardous due to  
3 illegally parked vehicles blocking traffic lanes.

4           The legislature further finds that many of the State's  
5 popular scenic areas that draw thousands of daily visitors are  
6 seeing an increase in illegally parked vehicles along nearby  
7 state highways, causing traffic gridlock and drawing community  
8 complaints. Some of these popular scenic areas are serviced by  
9 a two-lane state highway and are in areas where state highway  
10 widening is not possible due to the lack of public right-of-way  
11 and topographic, environmental, or cultural resource  
12 limitations.

13           The legislature further finds that the state department of  
14 transportation, highways division, and the department of public  
15 safety, law enforcement division, do not have sufficient staff  
16 to enforce parking violations and patrol remote portions of each  
17 island where many of the parking violations occur, respectively.

1           The legislature further finds that while county police  
2 departments play a vital role in enforcing parking violations on  
3 state highways, these departments have limited resources and  
4 issuing parking citations on a state highway for violations  
5 stemming from visitor attractions on state lands has not been a  
6 priority.

7           The purpose of this Act is to establish the state highway  
8 enforcement program, which adds an illegal parking surcharge to  
9 existing penalties for violations of the statewide traffic code  
10 that involve stopping, standing, or parking on state highways.  
11 The surcharge shall be deposited into the state highway  
12 enforcement program fund. A percentage of the surcharge shall  
13 be distributed to the department of transportation for  
14 administrative costs of the program and parking management-  
15 related improvements, while the remaining balance shall be  
16 distributed to the respective police departments of the county  
17 from which the surcharge was collected and shall be used to  
18 enforce illegal parking laws and ordinances.

19           SECTION 2. Chapter 291C, Hawaii Revised Statutes, is  
20 amended by adding two new sections to part XI to be  
21 appropriately designated and to read as follows:

# H.B. NO. 333

1        "§291C-A State highway enforcement program; establishment;

19 convening of each regular session. The report shall also  
20 include county expenditures pursuant to section 291C-B.

4 deposited the state highway enforcement program surcharges  
5 collected in accordance with section 291C-111(c).  
6        (b) The state highway enforcement program fund moneys  
7 shall be allocated as follows:

9        for:  
10        (A) Administrative costs of the program; and  
11        (B) Parking management-related improvements in

18        (c) Funds allocated to the counties pursuant to subsection

12 ordinance, regardless of whether established under this or any  
13 other section, prohibiting or restricting the stopping,  
14 standing, or parking of vehicles shall constitute a traffic  
15 infraction. The counties shall not provide any other penalty,  
16 civil or criminal, or any other charge, in the form of rental or  
17 otherwise, in place of or in addition to the fine to be imposed  
18 by the district court for any violation of any ordinance  
19 prohibiting or restricting the stopping, standing, or parking of  
20 vehicles.

1           This section shall not be construed as prohibiting the  
2 authority of the director of transportation or the counties to  
3 allow the stopping, standing, or parking of motor vehicles at a  
4 "T-shaped" intersection on highways under their respective  
5 jurisdictions; provided that such stopping, standing, or parking
