Aloha,

My name is Molly O'Riordan, and I am writing this email in opposition of Lihau'ula development. There is nothing affordable about this project: 70% of these homes will be over \$600,000, as the cheapest home is still listed above \$500,000.

Calling this project "affordable" is dishonest and misleading. Please vote against this destructive and harmful project.

Bes,
Molly O'Riordan

My name is Kahikilani Niles. I am a lineal descendant of Keahi, Haia and Liili. I am a resident of Lahaina, Maui for 35yrs.

I oppose to any development in the Olowalu area. My reasons being that land titles are not clear and the overwhelming amounts of desecration of cultural and historical sites that follows with any urban development on conservation land.

Mahalo for your time,

Kahikilani Niles

I OPPOSE!!

Aloha, my name is Hailani Keahi-Ng. I'm born and raised Lahaina. I am a lineal descendant of KEAHI-HAIA. I oppose to this Lihau'Ula Project in Olowalu or any project in Olowalu! The reason being is because it is a desecration to culture and historical sites on conservation land.

Mahalo For Your Time!

Sincerely,
Hailani Keahi-Ng

I wanted to follow up on the testimony, on behalf of the Libertarian Party, I sent in by email a couple of days ago in support of the workforce housing project proposed for Olowalu. It may have been late as my first email bounced due to a wrong address. (My cataracts are playing havoc with everything I do on the computer). I also left a phone message a couple of minutes ago. In watching parts of the Wednesday hearings online I do see there are outstanding questions the council want to review before moving forward on this. Please do go over them and work with the developer to ensure this project can become a reality.

Thank you.

RE: Proposed Lihau'ula Workforce Housing Project in Olowalu, to be heard Wednesday,
September 23, at 1:30PM
To the members of the Maui County Council, Affordable Housing Committee

Strong Support

Dear Council Members:

The Libertarian Party supports the efforts of private developers to address our critical shortage of affordable and workforce housing by means such as those proposed here. I am not a resident of Maui. However, I am aware of the very high average home owning costs and how limited inventory of more affordable dwellings can adversely affect the important balance of housing choices. Such choices, particularly those that allow for home ownership, are needed to allow less affluent workers the ability to reside and work in Maui County. Please do support this proposal.

Aloha

Subject: Opposed to Olowalu development Lhau'ula

Aloha,

Please Oppose the Olowalu development. True affordable housing should be on a part of the island with more resources, more water and closer to shopping and schools. The traffic between Lahaina and Maalaea is already beyond capacity and the road is too close to the encroaching ocean and needs to be moved. Too many issues with a new development in that area, not to mention the extensive reef system that would be negatively impacted by a development.
