Aloha,

Below is a link to the C&C Climate Action Plan info. I will be asking you to send the link to committee members when we get into the presentation by Makalea about the Mayor's new office of CCSR. The report contains info about the CAP they are working on as well as the Resilience Strategy adopted by the C&C Council last year (Oct. 2019). If it's easier to put it into a pdf and then email it to everyone, feel free if you can do that before the meeting. I'll be on at 8:30 to do any necessary testing, unless you'd like to start earlier.
