I am a graduate of the Ka Ipu Kukul Fellows program, class of 2017. This program taught me about some of the issues facing Maui and the importance of getting involved as a future leader to support solutions and to be a part of the process. Through the program we met with leaders in government, business, tourism, sustainability, environmental, housing and more for a holistic view of some of the challenges and opportunities that the citizens of Maui face now and looking ahead. With the current challenges of COVID19, I feel that it is imperative to get involved and to help this place I love in any way that I can.
