8	GRANT AGREEMENT
9	
10	This grant agreement ("Grant Agreement") is made by and between the United States
11	Department of Housing and Urban Development ("HUD") and the Grantee. The Grantee
12	received a FY2020 Family Self-Sufficiency Grant from fiscal year 2020, for the operation of a
13	Family Self-Sufficiency Program ("FSS Program") that is the subject of this Grant Agreement
14	and that is identified on the award obligation document (Notice of Award).
15	HUD agrees, subject to the terms of this Grant Agreement, to provide grant funds to the
16	Grantee, in the total amount listed on the Notice of Award, for the activities described in the
17	FY2020 Family Self-Sufficiency Notice of Funds Availability (NOFA) and as defined in Articles
18	II and III. The Grantee will be provided with access to the electronic Line of Credit Control
19	System (e-LOCCS) payment system to draw down these funds.
20	The assistance that is the subject of this Grant Agreement is authorized by and required to
21	be used in accordance with Section 23 of the United States Housing Act of 1937. Funding for
22	this program is authorized by the Further Consolidated Appropriations Act, 2020 (Public Law
23	116-94, enacted December 20, 2019). The Notice of Award and the Exhibits are incorporated
24	into and subject to the terms of this Grant Agreement.
25	HUD and the Grantee hereby agree to be bound by the following terms and conditions of
26	this Grant Agreement:
27	
28	ARTICLE I: BASIC GRANT INFORMATION AND REQUIREMENTS
29	
30	The Family Self-Sufficiency (FSS) program supports the Department's strategic goal of
31	increasing economic opportunity for HUD-assisted families. FSS provides grants to Public
32	Housing Authorities (PHAs) to support the salaries of FSS Program Coordinators who assist
33	participating families receiving housing assistance through the Housing Choice Voucher
34	(HCV/PBV) and Public Housing (PH) programs, and RAD-affected Project Based Rental
35	Assistance (PBRA). FSS Program Coordinators develop local strategies to connect participating
36	families to public and private resources to increase their earned income and financial
37	empowerment, reduce or eliminate the need for welfare assistance, and make progress toward
38	economic independence and self-sufficiency. In the context of the Self Sufficiency account,
39	"self-sufficiency" is defined as a household's ability to maintain financial, housing, and
40	personal/family stability.
41	
42 43	The Grantee agrees to conduct all activities to be assisted with funds provided under this Grant Agreement in accordance with the following requirements, as such requirements now exist or as

1	C	Unexpended Funds. FSS grant funds that remain unexpended by the end of the
	.	grant period (e.g., due to FSS coordinator turnover or prolonged absence) will be
2 3		recaptured and used to make future grants. See Article I-4 to ensure same
4		language for unexpended funds by FY2021 go into effect.
5	6 Grante	the sees must adhere to the Program Administration provisions on p. 20-23 of the FY2020
6		A. This includes instructions on PCCs, MTW agencies, portability, and the following:
7		FSS Program Termination Due to Reduced Funding. There are no statutory or
8	••••	regulatory provisions that allow for the wholesale termination of an existing FSS
9		program. Loss of funding for the FSS coordinator position does not relieve a
10		participating PHA of its contractual obligation to families already under an FSS
11		contract.
12	b .	"30% Rule". Please note that HUD's Office of General Counsel has determined
13		that 24 CFR 984.303(g)(2), regarding the second method of graduation, wherein 30
14		percent of the monthly adjusted income of the FSS family equals or exceeds the
15		published existing housing fair market rent for the size of the unit for which the FSS
16		family qualifies based on the PHA's occupancy standards, was not intended to pertain
17		to PH residents, but is only applicable to HCV residents. PLEASE NOTE this
18		clarification: the PHA's FMR or Small Area Fair Market Rent (SAFMR), if applicable, is
19		established yearly by HUD, and the PHA uses that FMR or SAFMR determination to
20		adjust its rent calculation. Once they are established and unless the PHA appeals, the
21		PHA must follow the established FMR or SAFMR in its rental calculations, including in
22 23		its determination of whether to graduate an FSS family. Thus, if a PHA has an established SAEMP, then that PHA must use the SAEMP.
23 24	0	established SAFMR, then that PHA must use the SAFMR. Homeownership. To be consistent with current practice, the Office of General
25	U.	Counsel has determined that participants in the Section 8 Homeownership program
26		are ineligible to participate in FSS. To clarify, families moving toward
27		homeownership may be in FSS, but they should be exited from the FSS program
28		(graduation or other exit) once the voucher is being used for homeownership
29		payments (once the home has been purchased). However, be reminded of 24 CFR
30		984.303(j): Transitional supportive service assistance. A PHA may continue to offer
31		to a former FSS family who has completed its contract of participation and whose
32		head of family is employed, appropriate FSS supportive services in becoming self-
33		sufficient (if the family still resides in public housing, or Section 8-assisted housing),
34		or in remaining self-sufficient (if the family no longer resides in public, Section 8-
35		assisted housing, or other assisted housing).
36		i. Please note that while HCV homeownership families are not eligible to
37		participate in FSS, the PHA can incorporate the homeownership goal into the
38		family's FSS contract and any FSS escrow could be advanced for the purchase
39		of a home, including through the HCV homeownership program. Essentially,
40		residents may use FSS as a springboard for the HCV homeownership option.
41 42		ii. If you currently have families that are using the HCV Homeownership option and are enrolled in the FSS Program, those PHAs may continue to serve those
42 43		families in FSS until the family's FSS participation ends (through graduation

2	homeownership families into FSS.
3 4	d. 120-Day Rule: In an effort to ease barriers to participation for new families enrolling in the FSS Program pursuant to the FY2020 NOFA and going forward, the income
5	and rent amounts to be used in the "Program Contract of Participation" shall be
6	taken from the amounts on the last certification, reexamination or interim
7	determination before the family's initial participation in the FSS program. Note that
8	HUD is removing the requirement to do a new rental re-exam if more than 120 days
9	have elapsed between the last reexam and the effective date of the contract of
10	participation. This requirement is found in the instructions for the FSS Contract of
11	Participation, form HUD-52650.

26	7. Grantees must request prior approvals from HUD consistent with 2 CFR 200.308(c). In
27	addition, should any of the following conditions arise, Grantees are required to submit in
28	writing any changes to the previously approved grant to the local HUD field office:
29	a. Any change in the scope, objective, or conditions of the program.
30	b. Changes in any subcontracting, or otherwise obtaining the services of a third party
31	to perform activities that are central to the purposes.
32	c. Other changes that may adversely affect the program.
33 34	8. Extensions will be granted within the full discretion of HUD. If a grantee wishes to request an extension, a written justification explaining why the extension is needed must be
34 35	submitted to the field office for review and approval. The justification must include a
35 36	narrative justification explaining why the extension is needed, how much additional time will
30 37	be required, and the circumstances that require the proposed extension. The local HUD field
38	office may request additional information or documentation to clarify or verify the items
39	included in the written narrative submitted by the Grantee to support the extension.
40	
41	Grantees should be aware that any extensions may result in a negative impact on the
42	Past Performance review in future grant applications.

1 2 3 4 5 6	9.	Any changes requested by the Grantee must be in writing (emails are acceptable). HUD will approve/reject requested changes as appropriate. Generally, HUD will approve such requests within 30 calendar days of submission. Approved changes will be reflected by an amendment to the Notice of Award and any other documentation as directed by HUD. Amendments will become effective when the Grantee has electronically signed the amending documents.
7 8		SUB-ARTICLE B: FINANCIAL RESPONSIBILITIES
9		
10	1.	Prior to initial drawdown of funds, all Grantees must have secured online access to the
11		Internet as a means to communicate with HUD on grant matters. Applicants shall draw down
12	_	funds using the electronic Line of Credit Control System (e-LOCCS)
13	2.	The Grantee agrees to comply with the organizational audit requirements of OMB at 2 CFR
14		Part 200 including audit requirements. The final audit report must cover the entire period of
15		the grant. The Grantee must submit the audit to HUD no later than 90 calendar days after
16 17		the grant is closed, covering the entire award period originally approved or amended. All other requirements of 2 CFR Part 200 shall apply. For Grantees where an audit is required, a
18		single audit or a program-specific audit is acceptable. If a Grantee chooses a single audit, the
19		final audit report that includes this grant is due no later than 30 calendar days after the
20		single audit is completed. According to 2 CFR 200.501, Grantees that expend less than
21		\$750,000 in federal awards are exempt from the audit requirement, but records must be
22		available for review or audit.
23	3.	The Grantee shall minimize the time elapsing between the transfer of funds from HUD and
24		the disbursement of funds. The HUD funds are to be made available based on actual need.
25		The Grantee must make a drawdown only for incurred costs. Drawdowns in excess of need
26		may result in special procedures for payments, or termination of the grant when there are
27		persistent violations. Funds requisitioned through e-LOCCS must be disbursed within three
28		calendar days after receipt of funds drawdown.
29		
30		SUB-ARTICLE C: METHOD OF PAYMENT [FUNDS DRAWDOWN]
31 32	1	The Grantee may not draw down grant funds until all pre-conditions listed in the Notice of
33	1.	Award, this Grant Agreement, the NOFA or in the award letter, are completed by the Grantee
34		and verified by HUD.
35	2	Payments of grant funds shall be through electronic funds transfer using e-LOCCS (Line of
36		Credit Control System). Initial drawdown cannot be earlier than the start date of the grant
37		term.
38	3.	E-LOCCS Program Edits.
39		a. E-LOCCS will automatically perform a series of review edits (both generic and
40		program specific) of each payment request. Failure of one of the program edits will
41		cause the payment request to be referred to the HUD field office for review.
42		b. The HUD field office will complete the review. The request will remain in the
43		system and further drawdowns will not be allowed until that review is complete and
44		the drawdowns approved or rejected.

1		The Country shall be a fit to be a start of a 111D field of the start
1		c. The Grantee shall immediately contact the HUD field office when there is a question
2		regarding the request or when the request has been referred to the HUD program
3		office for review. A request will be referred to the program office for review when:
4		i. There are requests for over 10% of total grant funds per calendar month.
5		ii. Failure to submit an annual HUD form SF-425 - Financial Status Report, as
6		defined by this agreement and 2 CFR part 200. E-LOCCS shall not accept a
7		request for funds if required reports from the Grantee are ten or more days
8		overdue and will not accept future requests until the HUD field office
9		confirms receipt and approval of the reports in e-LOCCS.
10		iii. If the Grantee repeatedly fails to submit required forms, e-LOCCS will be
11		converted to a system in which the HUD Field Office will manually review
12		each drawdown request prior to releasing funds to the Grantee.

20		SUB-ARTICLE E: REPORTING REQUIREMENTS (§ 984.401)
21		SOD MATCHED D. ALL ONTING ADQUINDATIO (3)04441)
22		Grantees must submit a SF-425 to your local HUD field office no later than 90 calendar
23		days after the end of the performance period. The reporting period will cover the
24		performance period of the grant (see Article I, Number 4 above). Grantees must also ensure
25		that reporting on Section 17 of the HUD-50058 (Section 23 of HUD-50058-MTW for
25 26		
20 27		Moving to Work PHAs) is correct and up to date within the PIC system. If the total Federal
27		share of your Federal award includes more than \$500,000 over the period of performance, you
		may be subject to post award reporting requirements reflected in Appendix XII to Part 200-
29		Award Term and Condition for Recipient Integrity and Performance Matters.
30	1	Presente Data in the UKID I II data in the Original to the second s

33	~	as compliance with financial and reporting requirements.
34	2.	Record Management. The HUD field office shall maintain official records on Grantees'
35		performance measures and progress reports. However, Grantees must also maintain such
36	•	records, including the SF-425, HUD review, and/or evaluations.
37	3.	Documentation. You shall maintain documentation in participant files (paper or electronic)
38		that corroborate the achievement of each interim and final goal in the Contract of
39		Participation such that an outside auditor could verify the fulfillment of the Contract of
40		Participation. This could include certificates of completion, test scores, pay stubs, receipts,
41		or other third-party verification as available or personal certifications if third-party
42		verification is not available.
43	4.	Additional Information Requests. You shall comply with all other reporting requirements
44		from time to time established by HUD, in its sole discretion, in connection with FSS. HUD

1		has the authority and total discretion to request the Grantee to report information or produce
2		documents to HUD related to or involving the administration of the grant at any time and
3		without need to establish cause. Failure to comply with such a request may serve as a basis
4		for default and grant termination. You also agree you will:
5		a. fully cooperate with all information gathering requests made by HUD or contractors
6		of HUD in the course of authorized evaluations of FSS; and
7		b. if requested, submit any post-closeout reports, in the forms prescribed by HUD, for
8		up to three years from the date of the submission of the annual financial report, per 2
9		CFR 200.334 "Retention requirements for records."
10	5.	HUD has the authority and total discretion to request the Grantee to report information or
11		produce documents to HUD related to or involving the administration of the grant at any time

13		basis for default and grant termination.
14		
15		SUB-ARTICLE F: ADMINISTRATIVE REQUIREMENTS
16		
17	1.	Grantees must comply with all current HUD program rules and regulations.
18	2.	Grantees shall maintain, and have access to, copies of documents relating to the award and
19		administration of this grant for at least three years after final closeout date of the grant for
20		inspection by HUD, the General Accounting Office, or their duly authorized representatives.
21	3.	Grantees' accounting systems must ensure that HUD funds are not co-mingled with funds
22		from other Federal, State, or local government agencies or other HUD program funds. Funds
23		specifically budgeted and/or received for one program may not be used to support or
24		reimburse another. Where your accounting system cannot comply with this requirement, you
25		must establish a system to provide adequate fund accountability for each program for which
26		you have been awarded funds. Your selection of depository facility (such as a bank for
27		example) shall be compliant with Federal regulations and have insurance from the Federal
28		Deposit Insurance Corporation or the National Credit Union Share Insurance Fund to insure
29		the established account.
30	4.	Grantees agree to comply with the following requirements for which HUD has enforcement
31		responsibility 2 CFR part 200, including procurement requirements and cost principles set

18		
19		SUB-ARTICLE G: GRANT CLOSEOUT
20		
21	1.	2 CFR 200.343 Closeout prescribes uniform closeout procedures for recipients of Federal
22		grants. It is the Grantee's responsibility to comply in full with all closeout reporting
23	_	requirements and to submit closeout reports in a timely manner.
24	2.	The Grantee shall initiate project closeout within 90 calendar days of the grant's termination
25		date. At HUD's option, the Grantee may delay initiation of project closeout until the
26		resolution of any HUD monitoring findings. If HUD exercises this option, the Grantee must
27 28	2	promptly resolve the findings.
29	э.	The Grantee recognizes that the closeout process may entail review by HUD to determine compliance with the grant agreement. The Grantee shall cooperate with any and all reviews
30		which may include making available records requested for on-site HUD inspection.
	4.	Within 90 calendar days after the Period of Performance End Date the grant or any
32		approved extension (revised end-date), you must submit the following documents to the
33		HUD field office:
34 35		a. A certification of project completion, which is a statement written and signed by you
36		b. A certification of compliance with all requirements of the grant agreement, which is a statement written and signed by you
37		c. <u>Financial Report (SF-425) (see Sub-Article E)</u> . Grantees must submit an SF-425
38		for the 12-month period of the grant. This submission also serves as the Grantee's
39		final report which is a cumulative summary of expenditures to date and must indicate
40		the exact balance of unexpended funds. (The report shall cover the grant start date to
41		the end of grant).
	5.	The HUD local field office will review Preliminary Close-Out Materials to confirm that:
43		a. The amounts on the final FSS Budget and SF-425 agree as to funds approved,
44		obligated, and expended.

.

.

1 2		 b. The amount of funds approved and disbursed on the SF-425 agrees with HUD records in e-LOCCS.
3		c. If HUD disbursed more funds than the Grantee expended, the Grantee will
4		immediately remit to HUD the excess funds, without waiting for completion of the
5		final audit.
6	6.	When the final HUD form SF-425 is approved, the HUD field office will establish the
7		amount due to HUD or recapture any unused grant funds as applicable.
8	7.	When the HUD field office has determined to its satisfaction that the grant activities were
9		completed and all Federal requirements were satisfied, the HUD field office will execute a
10		closeout amendment to the Grant Agreement with the Grantee.
11	8.	The Closeout Agreement or clause will include the Grantee's agreement to abide by any
12		continuing Federal requirements.
13	9.	Failure to submit the required financial report or any required audit report; or to resolve
14		program, financial or audit issues, may result in a suspension or termination of any and/or all
15		HUD grant payments.
16		
17		SUB-ARTICLE H: DEFAULT
18		
19		Unsatisfactory Performance/Default
20	_	
21	1.	Default. A default under this Agreement shall consist of any failure to comply with Federal
22		statutes, regulations, or the terms and conditions of the FSS grant or any material
23		misrepresentation in the application submissions. If HUD determines that the Grantee has
24		defaulted under this Agreement, HUD may take any remedial action legally available,
25		including remedial actions outlined in 2 CFR part 200. Actions that may constitute a default
26		under this Agreement include, but are not limited to:
27		a. use of funds provided under this Grant Agreement for any purpose, in any manner or at
28		any time, other than as authorized by this Grant Agreement;
29		b. failure to comply with the FSS Program Requirements or any other Federal, State, or local laws, regulations, or requirements applicable in operating the FSS Program;
30 31		c. failure to make any submission under Article II, perform any obligation, or otherwise
32		fail to proceed in a manner consistent with the NOFA application;
33		d. any material misrepresentation in any of the required submissions, including, without
34		limit, any misrepresentations in any of the submissions required by Article II); or
35		e. failure to comply with, or any material breach of, any other requirements, conditions,
36		or terms of this Grant Agreement.
37	1.	Additional Conditions. If a Grantee defaults under this Agreement, HUD may impose
38	••	additional conditions, as described in 2 CFR 200.208. Additional conditions will be
39		imposed in compliance with 2 CFR 200.208(c). Additional conditions HUD may impose
40		may include, but are not limited to:
41		a. Requiring additional, more detailed financial reports;
42		b. Requiring additional grant monitoring;
43		c. Requiring the Grantee to obtain technical or management assistance;

44 d. Establishing additional prior approvals;

1		e. Requiring the Grantee to follow a HUD-approved detailed schedule of grant
23		activities;
4	c	f. Requiring HUD manual review and approval of every drawdown request.
5	2.	<u>Other Remedies</u> . If HUD determines that a default cannot be remedied by imposing additional conditions, HUD may, pursuant to 2 CFR 200.339, take one or more of the
6		following actions, as a proportional response:
7		a. Temporarily withhold cash payments pending correction of the deficiency by the
8		Grantee or more severe enforcement action by HUD.
9		b. Disallow (that is, deny both use of funds and any applicable matching credit for) all
10		or part of the cost of the activity or action not in compliance.
11		c. Wholly or partly suspend or terminate the grant.
12		d. Initiate suspension or debarment proceedings as authorized under 2 CFR part 180
13		and HUD regulations.
14		e. Withhold further grant awards for the program.
15		f. Reduce the FSS Program Grant in the amount affected by the default.
16		g. Recapture any FSS Program Grant funds not obligated by the Grantee.
17		h. Take action against the Grantee under 2 CFR part 2424 and Executive Order 12549
18		with respect to future HUD or Federal grant awards.
19		i. Take other remedies that may be legally available, including requiring
20		reimbursement by the Grantee for grant amounts used improperly.
21	3.	Notice of Termination and Opportunity to Object. If the Grantee materially defaults
22		under this Agreement, HUD may terminate the grant. Furthermore, per 2 CFR
23		200.340(a)(1), the grant may be terminated in whole or in part by HUD if the grantee fails
24		to comply with the terms and conditions of this agreement. Additionally, pursuant to 2
25		CFR 200.340(a)(2), this grant may be terminated in whole or in part by HUD, to the
26		greatest extent authorized by law, if an award no longer effectuates the program goals or
27		agency priorities. Any findings regarding a Grantee's failure to abide by the terms of this
28		grant that would support a termination of funding shall be exclusively within HUD's
29		discretion. If HUD pursues termination of the grant, HUD will follow the termination
30		process established in 2 CFR part 200, including providing notice of termination pursuant
31		to 2 CFR 200.341. Pursuant to 2 CFR 200.342, HUD will also provide the Grantee an
32		opportunity to object and provide information and documentation challenging a
33		termination.
34	4.	Delinquent Federal Debts. Consistent with the purposes and intent of 31 U.S.C. 3720B
35		and 28 U.S.C. 3201(e), Grantees with an outstanding federal debt must provide to HUD a
36		negotiated repayment schedule which is not delinquent or have made other arrangements
37		satisfactory to HUD. If arrangements satisfactory to HUD cannot be completed within 90
38		days of notification of selection, HUD will not make an award of funds to the Grantee but
39		offer the award to the next eligible Grantee. Applicants selected for funding, or awarded
40 41		funds, must report to HUD changes in status of current agreements covering federal debt. If
41		a previously agreed-upon payment schedule has not been adhered to or a new agreement with the federal agency to which the debt is owed has not been gigned the Greentee will be

2	SUB-ARTICLE I: GRANT MODIFICATION OR TERMINATION
3	BY AGREEMENT BETWEEN HUD AND GRANTEE
4	
5	1. HUD and the Grantee may mutually agree to modify this agreement as to time, cost, or
6	activity by using the Notice of Award and/or grant agreement in whole or in part, at any time.
7	2. Pursuant to 2 CFR 200.340(a)(3), HUD and the Grantee may mutually agree to terminate the
8	agreement, including for convenience; if HUD and the Grantee agree to terminate the
9	Agreement, the two parties must agree upon the termination conditions, including the
10	effective date and, in the case of partial termination, the portion to be terminated. Pursuant to
11	2 CFR 200.340(a)(4), the Grantee may terminate the Agreement upon sending to HUD
12	written notification setting forth the reasons for such termination, the effective date, and, in
13	the case of partial termination, the portion to be terminated. If the Grantee seeks to terminate
14	this agreement, it must provide at least 30 days' advance written notice to HUD.
15	
16	SUB-ARTICLE J: DISPUTES
17	
18	Disputes between the Grantee and HUD shall, to the maximum extent possible, be
19	resolved by mutual agreement between the Grantee and the Public Housing Director in the Field
20	Office (Grant Officer). If agreement cannot be reached, the Grantee can submit, in writing, a
21	disputed issue to the Grant Officer. The Grant Officer will consider the disputed issue and
22	prepare a written decision. The Grantee may appeal the Grant Officer's decision within 30 days
23	after receipt of notification. Appeals will be reviewed by the Director of Community and
24	Supportive Services, Office of Public Housing Investments, 451 7th Street, SW, Room 4130,
25	Washington, D.C. 20410. The decision of the Director of Community and Supportive Services
26	shall be final. However, the Grantee does not waive any legal remedy by agreeing to this
27	provision.
28	
29	SUBARTICLE K: MONEY DAMAGES
30	
31	This grant agreement does not contemplate money damages for breach of the agreement
32	by HUD. The Grantee is entitled to any relief against HUD for breach of the agreement that is
33	provided by the Administrative Procedure Act.
34	
35	ARTICLE III: GRANTEE PERFORMANCE
36	
37	HUD will judge performance based upon whether the Grantee achieves the agreed upon
38	activities within grant time limits and within budget and whether the Grantee has produced
39	tangible results through the implementation of grant activities.
40	
41	Program Coordinator. See the FY2020 FSS NOFA for a sample position description of an
42	FSS Program Coordinator.

1 Public Housing Information Center (PIC). All FSS programs must report activities of their FSS 2 enrollment, progress, and exit activities of their FSS program participants through required 3 submissions of the form HUD-50058 at least annually. HUD's assessment of the accomplishments 4 of the FSS programs of PHAs funded under this NOFA will be based primarily on PIC system data 5 obtained from forms HUD-50058 and HUD-50058-MTW. HUD requires submission of racial and 6 ethnic data and form (HUD-27061-H) that is often used for that purpose. The HUD-50058 and 7 HUD-50058-MTW forms, which provide racial and ethnic data to HUD's PIC data system, are 8 comparable program forms that must be submitted annually instead of the HUD-27061-H by PHAs 9 for reporting racial and ethnic data for FSS program participants. See Notice PIH 2016-08, and any 10 subsequent amendments to the notice, for information on FSS reporting requirements in PIC. A 11 webcast training on the provisions of PIH 2016-08 was published on August 12, 2016. Also note that 12 as of May 2015, HUD established a set of warnings and fatal edits related to FSS PIC reporting. All 13 of the preceding documents and information can be found on the FSS webpage at the following 14 address: https://www.hud.gov/program_offices/public_indian_housing/programs/hcv/fss 15 16 Voucher Management System (VMS). PHAs must continue to report HCV FSS coordinator 17 expenses into VMS for any HCV FSS funds made available under the FY 2013 (or earlier) HCV FSS 18 NOFA. However, due to the combined funding streams starting with the FY 2014 FSS NOFA, 19 PHAs will no longer use VMS to report HCV FSS coordinator expenses for funds made available 20 under this NOFA. Note that PHAs must continue to enter the amount of HCV FSS escrow deposits 21 and HCV FSS escrow forfeitures into VMS for all funds made available. Also note that amounts 22 expended in excess of the FSS grant for costs associated with the administration of the FSS program 23 which are allocated to the HCV program including the FSS coordinator's salary and benefits as well 24 as additional eligible costs such as office space, computer costs, office supplies, etc. must be reported 25 in VMS as administrative expenses. PHAs with an FSS program serving both PH and HCV families 26 with costs not chargeable to funds awarded under this NOFA will be required to develop a cost

allocation method that allocates these expenses fairly between the two programs. See REAC
 Accounting Brief #23 and any subsequent revisions for more information on how to record and
 account for FSS expenses.
