**Subject:** FW: Aloha House Presentation Slides  
**Attachments:** Aloha House Presentation AH & H Committee V2.pptx

Hello AH Team,

Attached is the powerpoint that Aloha House will use for their presentation in the next AH Committee meeting. Let me know if I need to do anything else.

Warmly,

Keisa

**Subject:** Re: Aloha House Presentation Slides

Hi all,

After talking with Kate I made a change to the first section - in the nuances of homelessness - please use this revised, updated presentation, labeled V2.

Thank you,  
Malia

**Subject:** Aloha House Presentation Slides

Hi all,

Attached are our slides for the Aloha House presentation for the Affordable Housing Committee meeting on Monday.

I'm sorry I don't have Alison's email, but I can also send them to her directly if you can provide it.

Thank you, and if you have questions please feel free to call or email.

Malia

# The Nuances of Homelessness

---

- Those with financial challenges: the working poor; recently laid off; escaping domestic violence; recently divorced; or other life changes.
- Those that with substance abuse and/or behavioral health issues.
- Those that want to live outdoors/unencumbered.
- Those that move to Maui; were previously homeless or close to homeless elsewhere.

# How we impact Those with substance abuse and/or behavioral health issues.

---

- Provide immediate housing.
- Provide detox services.
- Provide crises support services.
- Provide substance abuse treatment and behavioral health counseling.
- Address issues that may lend themselves to homelessness.
- Address issues that may be generated by homelessness.
- Provided extended housing options through Sober Living Programs.

# How We Work

---

- Client may be approached by a Crisis Mobile Outreach staff member.
- Client may be referred by MMMC staff or MCCC staff.
- Client may come in to Detox or LCRS Crisis Program.
- Client may then move in to Residential Treatment.
- Client may be self-referred to Residential Treatment.
- Client may go on to live in Sober Living Program home.

As a client progresses through these steps we are able to provide a continuum of care over a period of time.

# How We Work

---

During this period client will receive appropriate treatment and support:

Detox support.

Crisis intervention and support.

Substance abuse treatment.

Behavioral health treatment.

Support services.

Skill building.

Food and housing.

This support can last from a week to a year, and longer.

# Numbers & Dollars

---

- Collectively in our three partner agencies we serve 8,000 individuals per year, with a budget of \$16,900,000.
- This is an average of \$2,113 per person.
- Comparatively:
  - One night in the hospital \$2,644
  - One year in jail \$29,425

# What We Need to Better Address Homelessness

---

- Improve and expand our Sober Living Program by adding a specific behavioral health approach and qualified staff person ~\$100,000/year.
- To fully utilize our existing services without generating debt to other programs ~\$250,000/year
- Expand our Residential Treatment Program by adding an additional dorm facility
  - ~\$205,000 design & consulting
  - ~\$950,000 construction, permitting, sitework, etc.

# Our Partner Agencies
