

BUDGET PROPOSAL FY 2022

MICHAEL P. VICTORINO

*Mayor
County of Maui*

★ This page has been intentionally left blank. ★

ON THE COVER:

Lokahi – to unify. Kokua – to help and support. Ohana – our families, our communities, our Maui Nui.

This past year, we have seen in unprecedented fashion – families, businesses, and community groups come together across our County to weather against the storms and challenges brought on by the pandemic. Fiscally responding to the immediate needs of our islands, thinking forward with present-day investments is key to ensuring a thriving Maui community for both keiki and kupuna, including future generations to come.

Making sure Maui families have a roof over their head, food on their table and in their pantries, or that our keiki are adequately supported as they grow to become future leaders of Maui Nui. The investments into social programs and community initiatives are essential to maintaining stability and resiliency in Maui Nui.

Our newly constructed roads, parks, playgrounds, and county facilities will help foster a stronger, more unified Maui Ohana. The newly opened: County Service Center, will provide increased access to government for Maui residents; Kula Park Playground provides open spaces for our keiki to grow and play; and the Maui Lani Roundabout, in relieving traffic congestion and meeting the needs of a growing Maui community.

These programs, projects, and initiatives are provided to our community to gather, to hope, and to dream; fostering a sense of belonging to the Maui Ohana while pushing forward to what lies ahead.

ACKNOWLEDGEMENTS:

Mayor

OFFICE OF THE MAYOR
COUNTY OF MAUI
200 S. HIGH STREET
WAILUKU, MAUI, HAWAII 96793
www.mauicounty.gov

March 25, 2021

Honorable Alice L. Lee, Chair
and Members of the Maui County Council
200 South High Street
Wailuku, Hawaii 96793

Dear Chair Lee and Members:

To support the future of our children, families, and seniors throughout the County of Maui, we spent many hours planning, analyzing, and developing a fiscally responsible budget for Fiscal Year 2022.

When we proposed the FY 2021 budget last year, we were faced with great uncertainty due to the international COVID-19 pandemic reaching our islands. It was difficult to estimate the extent of economic impacts to our State and County, as the situation evolved quickly.

A year later, we are still facing many uncertainties as we enter the post-pandemic economic recovery phase. Challenges and delays in recovery may occur and as such, we have taken a conservative approach to the FY 2022 proposed budget. Even with American Rescue Plan Act funds dedicated to State and County governments, budgets will still be stretched. We anticipate the County will be receiving approximately \$32 million however; the details and logistics are still unclear and forthcoming.

As we continue to deal with the impacts of the pandemic, we must remain focused and work toward a brighter tomorrow. Above all else, the well-being of the people of the County of Maui is the top priority. As I have said many times, our residents are our greatest assets. We must be cognizant of what they have gone through, are going through, and will continue to go through as they adjust to a "new normal."

We remain focused on taking care of our families as they recover from the financial burden resulting from the pandemic. Therefore, this budget takes into

consideration the hardship many of our families are facing. To assist our hardworking families, I have proposed adjustments to the real property tax rates for various classifications.

As an organization, we remain committed to maintaining vital County services for our community. Once again, \$10 million in Countywide Costs is set aside specifically for recovery and relief efforts for COVID-19. We are also allocating \$3 million to our Emergency Fund, to ensure we are ready to mitigate and respond to any emergency without affecting funding for other services. Planning responsibly during these times of uncertainty will ensure we are able to provide for our community now and for future generations. Recent events, such as the flooding in the Haiku area, highlight the importance of sound investments today, to ensure a safe County tomorrow.

Our residents depend on County services for health and safety, recreation, and daily necessities such as transportation, meals, and other services. We continue to touch the lives of all of our residents so that we can align our direction based on the community's needs. This carefully considered budget maintains all necessary County services. Even when faced with unprecedented challenges, our County departments and my administration envision a future where our children, grandchildren, and seniors can afford to live and thrive in Maui County, while fostering and preserving our unique island culture.

Housing

Although we are mandated to set aside three percent of real property tax revenue for the Affordable Housing Fund, we reaffirm our commitment to ensuring our working families can fulfill homeownership dreams through a \$14,856,093 appropriation or four percent. We have committed \$1 million for the First Time Home Buyers Program to provide down payment assistance in the amount of \$30,000 for new homeowners. As we continue to support attainable housing, we enable generations to live and raise their families in Maui County, and carry on our culture and way of life. This is the driving force for our FY 2022 attainable housing investments.

Through the Affordable Housing Fund, we continue to support rental housing such as the Kaiaulu O Halelea Project, the Hale O Piikea II Project, and the Waiehu Apartments. These units will be available to our residents and these housing complexes will remain affordable for over 60 years.

We have collaborated with the Hawaii Community Foundation, and State and Federal partners, to complete the planning for attainable housing, rental housing, infrastructure, and multi-modal transportation for future walkable and bikeable communities throughout Maui County.

Culture and Arts

I have proposed \$200,000 of grant funding for Halau Kealaokamaile. As we continue to support a capital campaign to construct an innovative, first-of-its-kind educational and community facility. Here, we will preserve Hawaiian heritage, culture, and tradition through lessons learned through hula and land-based cultural education. We also continue to support our community through the Maui Arts and Cultural Center and the Hui Noeau Visual Art Center, to perpetuate events for our residents.

Culture and historic preservation is important for our community. Rather than allowing the Economic Development Revolving fund to expire on June 30, 2021, I am proposing to expand the purpose of the fund. I have submitted a proposed bill to amend Chapter 3.81, Maui County Code, to add cultural programs, including the restoration of the historic sites.

This is only the beginning. Preserving historic sites is essential in perpetuating our culture and we look forward to working hand-in-hand with community organizations to restore valuable and historic sites. As such, it saddens me to see the deterioration of the Kaahumanu Church that was built in 1876 in honor of Queen Kaahumanu. Included in my proposal is an appropriation for \$150,000 for the restoration of the Kaahumanu Church so future generations may enjoy this beautiful piece of history.

The restoration of Mokuula and Mokuhinia is of importance to our culture and history, therefore, I am proposing \$400,000 for the creation and implementation of a master plan and management strategy. I am also proposing to amend Section 3.38.020, Maui County Code, to expand the use of the Hawaiian Cultural Restoration and Revolving Fund to include Kamehameha Iki Park. This Park represents an important piece of history alongside Mokuula and Mokuhinia.

Parks and Recreation Facilities

Our Parks has a special place in my heart. I have seen first-hand the

benefits of having well-maintained facilities for our children. Maui County has made its mark on the national stage, whether it be in Williamsport for the Little League World Series or in Tampa Bay for the NFL Flag Bowl, our children have excelled and captured national titles.

Our youth will continue to develop valuable life-skills through teamwork learned on the courts of the War Memorial Gym, where a \$15 million investment will repair the structure, replace gym flooring and bleachers, and, most importantly, install air conditioning. The keiki of Lanai will have a well-maintained place for afterschool programs for many years to come with a \$4 million appropriation to construct a new Lanai Youth Center and Skate Park. Future generations will be able to throw their baby luaus and family celebrations at our renovated community centers such as the Lahaina Civic Center, Helene Hall, and Velma McWayne Santos Community Center, which will be rehabilitated through funding from FY 22.

Funding from the Park Assessment Fund will allow our keiki and families on the West Side to continue to enjoy playgrounds at Honokowai Park and Napili Park. Batting cages and other amenities are also being planned at Napili Park.

Infrastructure

Continued investment in the Countywide Traffic and Safety Program will ensure our roadways are accessible and safe for motorists, bicyclists, and pedestrians alike, which further supports our Vision Zero initiative. We continue to maintain our roadways, through rehabilitation and resurfacing.

The FY 2022 budget proposes to appropriate \$12,150,000 to prevent safety hazards and potential road closures by stabilizing the eroding slopes in Haiku and Kahakuloa, and to prevent future rock fall at Kalepa Point. Funds are also proposed to begin reconstruction of pavement at Makawao Avenue and Onehee Avenue; design for the Lower Honoapiilani Road from Honoapiilani Highway to Hoohui Road; and the design of the North South Collector Road from Waipuiani Street to Kaonoulou Street. The development of the North South Collector Road is well overdue and my Administration will pursue a BUILD grant to assist in making this corridor a reality.

Water and Wastewater are critical infrastructure for our County. This budget includes \$14 million to address the West Maui Reliable Capacity, \$13 million for the West Maui Recycled Water Expansion, and \$10.5 million for the

Lahaina Wastewater Reclamation Facility R-1 Process Expansion. Also included for FY 2022 funding are pump station modification and force main replacements.

The FY 2022 Budget includes a \$2 million request for the acquisition of the Wailuku Water Company Water System and another \$900,000 for its maintenance. By acquiring this system, it will assure the Central Maui region will have an adequate supply and reliable source of water.

When we upgrade infrastructure, support well-planned development, and renovate our park facilities, we create communities that future generations will be proud to call home.

Public Safety

Our Fire and Public Safety Department, along with our Police Department and Emergency Management Agency, have kept our community safe. We continue to support these Departments with the equipment and apparatus they need to protect the well-being of our community, make our roads safer, prevent future tragedies, and be prepared to address any emergency situation that may arise.

Climate Change, Resiliency, and Sustainability

Our dreams for future generations cannot be assured unless we take action now to mitigate the impacts of climate change. To ensure collaborative action, the Climate Change, Resiliency, and Sustainability Office will continue to coordinate and assess the climate action plans of each department. I have proposed that \$1 million be used to implement the recommendations from various studies and plans that we have worked on this past year.

Recent droughts and flash floods demonstrate our need to mitigate and plan for the impacts of climate change. The global pandemic has revealed our need to become much more self-sufficient in the energy we use and the food we need.

This proposed budget funds our future based on the Maui County General Plan, the Countywide Policy Plan, Maui Island Plan, and Community Plans. Through our FY 2022 budget, we strive for an affordable, healthy, and thriving community; a strong, diversified economy; an environmentally

responsible and sustainable community; well-planned public infrastructure; and a prepared, safe, and livable County.

Financial Overview

Maui County's strong fiscal management has maintained its highest ratings of AA+ and Aa1 from the three qualified bond rating agencies: Standard and Poor's; Moody's; and Fitch. Through the leadership of the Finance Department, combined with the high bond rating, Maui County issued General Obligation Bonds at an all-time low of 1.99 percent "all-in" rate. The proposed budget for FY 2022 totals \$979.1 million, including revolving and special funds, transfers between funds within the County, expected grant revenue, and other revenue from sources outside the County.

In comparing the FY 2022 budget with the FY 2021 adopted budget, total estimated revenues from county sources, including Bond/Lapsed Bond Funds, is proposed at \$828.9 million, an increase of \$6.3 million.

The proposed revenues from County funds of \$828.9 million will fund an operating budget of \$669.6 million and capital improvement budget of \$159.3 million. In comparison, the FY 2021 adopted budget revenues from County funds of \$822.6 million funded an operating budget of \$682.8 million and a capital program of \$139.8 million.

Bond financing allows our County government to invest in infrastructure to serve our community for the long-term. This year, the amount required to service our debt payments amounts to \$50.4 million, which is 6.1 percent of County Fund operating expenditures, well below our self-imposed limit of ten percent of expenditures of County funds. This responsible fiscal management has earned us one of the best ratings in the State, and provides stability for future infrastructure investments.

Part of planning for a sound future means fulfilling our mandated obligations. We propose to fulfill our obligations to the Employee's Retirement System (ERS), Employer Union Trust Fund (EUTF), and provided an additional \$3.0 million for Other Post-Employment Benefits (OPEB).

Key Operation Highlights

Given the seriousness of the ongoing COVID-19 public health emergency, the proposed budget focuses on maintaining operations without significant

operational expansions. The total appropriation of County funds for the proposed FY 2022 operations budget is \$669.6 million. This is a decrease of \$13.2 million or 1.9 percent, from the current fiscal year.

The proposed budget shows an overall decrease of 0.1 percent, or 1.5 in equivalent personnel, from all sources of funds. A detailed summary of organizational changes and equivalent personnel can be found in the Budget Overview section of this program budget document. Our Departments will be tasked with “doing more with less” while being creative to accomplish the needs of our community.

The opening of the new County Service Center in Kahului signified the start of a new age of County services, with a focus on accessibility and customer satisfaction for our residents with a “one-stop-shop”. For many years to come, our residents may visit the Service Center for bill payments, driver licensing test, vehicle registration, and permits for their family homes. For those looking for more convenient services, the ability to pay by phone, online, and at kiosks will be expanded.

Accessibility and convenience will be extended to our East Maui Community as we appropriate \$3 million for the Old Hana School improvements. Once this project is complete, our Parks Department and other agencies, including non-profit organizations will have a newly renovated facility to provide necessary services to the community.

In early 2022, we look forward to the opening of the new Central Maui Bus Hub which will accommodate those who rely upon public transportation. This facility will be centrally located near housing, shopping, and other essential services.

Given the impacts of the COVID-19 outbreak, it is more vital than ever that we provide funds to diversify our economy. While we still recognize that our main economic engine, the visitor industry, is providing livelihoods for our residents and tax revenue to help fund essential services, we must look to our future and support other economic engines.

As we look to our future, we must also learn from our past. The sugar industry played a big role in the agricultural sector in Maui County and the State of Hawaii and has taught our residents basic farming skills. We have also learned from the pandemic that we should start to build a foundation to become more self-sustaining. Therefore, as we continue to support the Maui County

Visitor Association with \$1.5 million, I am committed to supporting diversified agriculture in Maui County with \$1.5 million for the agricultural micro grants program, \$400,000 each for the Maui Farm Bureau and the Hawaii Farmers Union United, \$100,000 for an Upcountry cooling plant, \$185,000 for the Molokai Livestock Cooperative, and \$2 million for a Lanai Agricultural Park.

I have also included in this year's budget an appropriation for \$360,000 for the Hawaii Taro Farm LLC. These funds will lay the groundwork for the future in agricultural development through capacity building, education, training, and cultural preservation.

We also look to diversify our economy through technology and business development. The Maui Economic Development Board plays an integral part in our community to train and prepare our youth and expand our workforce. They have paved the way for adding agri-tech, energy, and health sectors into our community. Maui Economic Opportunity, University of Hawaii Maui College, and Ma Ka Hana Ka Ike have also provided much needed training programs for our residents.

Capital Improvement Program Overview

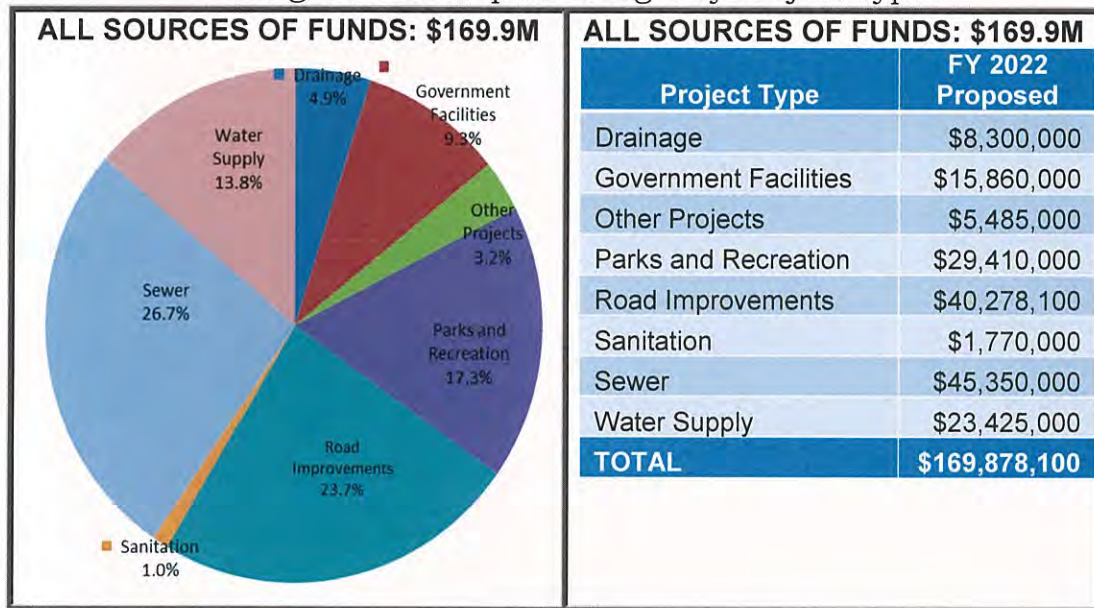

Capital Improvement Projects are tangible investments for the future of our community. The Fiscal Year 2022 proposed Capital Improvement Budget is \$159.3 million. This total includes capital projects funded through the county, grants, and other revenue funds. The FY 2022 CIP budget includes \$87.5 million of projects funded through bond funding, or 54.9 percent of capital projects. In comparison, 45.8 percent of capital projects were funded through general obligation bonds in FY 2021.

The FY 2022 budget emphasizes the importance of investing in a diverse range of infrastructure and facilities projects to provide for a well-rounded, well-maintained future for our community. The health and wellbeing of our residents stem from a healthy environment. With that said, Water and Wastewater projects totaling \$68.8 million, continue to be a priority for Maui County.

Outdoor activities and recreation is also a key factor to a healthy community, and this year we are proposing over \$32 million in projects to improve our facilities and recreational areas. The chart and table below outline the FY 2022 capital improvement projects by project type. Further details and

a full list of projects can be found in the capital budget portion of this document.

Figure 1-1a Capital Budget by Project Type

Revenue Overview

The County's FY 2022 estimated revenues and expenditures from all sources of funds total \$979.1 million. The estimated revenue from real property tax is \$375.5 million (net of circuit breaker tax credit), which represents 75 percent of the total estimated General Fund revenue, and 47.9 percent of estimated total county revenue.

Real property tax revenue is based on valuations of real property with tax rates assigned to each classification. For FY 2022, real property tax rates have been reduced for the owner-occupied classification with a valuation less than \$1.5 million. This budget also proposes to reduce the minimum tax by \$50, from \$400 to \$350. This past year, our short-term rentals have felt the impact because of the travel restrictions. Meanwhile, they have experienced an increase in their valuation therefore, I have proposed a slight rate decrease for this classification.

While we still experience uncertainty of our State's economy, the FY 2022 Budget does not recognize Transient Accommodations Tax revenue. Although there has been uptick in visitors to our state, it is unknown at this time whether the distribution of TAT will be remitted to each County.

A comparison of estimated revenues from the FY 2021 Adopted Budget to the FY 2022 proposed budget is listed below:

Figure 1-1b Projected Revenue by Source

REVENUE SOURCE	FY 2021 ADOPTED	FY 2022 PROPOSED	CHANGE AMOUNT	CHANGE PERCENT
Real Property Taxes	\$376,419,651	\$371,893,010	-\$4,526,641	-1.2%
Circuit Breaker Tax Credit	(494,410)	(490,677)	\$3,733	-0.8%
Charges for Current Services	\$138,466,202	\$151,362,496	\$12,896,294	9.3%
Transient Accommodation Tax	\$0	\$0	\$0	n/a
Public Service Company Tax	\$7,000,000	\$7,500,000	\$500,000	7.1%
Licenses and Permits	\$34,610,252	\$36,466,500	\$1,856,248	5.4%
Fuel	\$11,600,000	\$15,400,000	\$3,800,000	32.8%
Franchise Taxes	\$9,600,000	\$9,600,000	\$0	n/a
Special Assessments	\$4,458,329	\$7,415,000	\$2,956,671	66.3%
Other Intergovernmental	\$14,270,000	\$17,200,000	\$2,930,000	20.5%
Fines, Forfeitures, Penalties	\$2,000,000	\$1,500,000	-\$500,000	-25.0%
Use of Money & Property	\$2,720,000	\$2,919,302	\$199,302	7.3%
Miscellaneous	\$863,000	\$669,794	-\$193,206	-22.4%
Bonds	\$80,305,321	\$85,580,900	\$5,275,579	6.6%
Lapsed Bond Proceeds	\$1,577,679	\$1,872,000	\$294,321	18.7%
Carryover Savings	\$96,216,351	\$84,490,089	-\$11,726,262	-12.2%
Grant Revenue	\$97,473,239	\$119,688,676	\$22,215,437	22.8%
Sub-Total	\$877,085,614	\$913,067,090	\$35,981,476	4.1%
Interfund Transfers	\$43,001,438	\$37,062,827	-\$5,938,611	-13.8%
Total Estimated Gross Revenues*	\$920,087,052	\$950,129,917	\$30,042,865	3.3%

* The Revolving Fund is not presented in the above figure. However, the FY 2022 Mayor's Proposed amount for Revolving Fund is \$30,482,632, which total the County of Maui Budget by \$979,112,549.

I look forward to working with all of you in the upcoming weeks as you deliberate the FY 2022 budget. Through continued collaboration and a commitment to fiscal responsibility, we will move our community forward. I strongly believe that with responsible planning and the right investments, together we can provide essential services to our residents today, while laying the foundation for a healthy, thriving community for generations to come.

Sincerely,

MICHAEL P. VICTORINO
 Maui County Mayor

Distinguished Budget Presentation Award

GOVERNMENT FINANCE OFFICERS ASSOCIATION

*Distinguished
Budget Presentation
Award*

PRESENTED TO

**County of Maui
Hawaii**

For the Fiscal Year Beginning

July 1, 2020

Executive Director

The Government Finance Officers Association (GFOA) of the United States and Canada presented a Distinguished Budget Presentation Award to the County of Maui, Hawaii for its annual budget for the fiscal year beginning July 1, 2020.

In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan and as a communication device.

The County of Maui follows recommended budget practices set forth by the GFOA and the National Advisory Council on State and Local Budgeting (NACSLB). The County of Maui has received the GFOA's Distinguished Budget Presentation Award for the past 28 years. Our goal is to continue to produce a document that is useful and worthy of this award.

Reader's Guide to the Budget

The following pages detail the County of Maui's Proposed Budget for Fiscal Year ("FY") 2022, which begins on July 1, 2021 and ends on June 30, 2022. This document has been prepared to help you, the reader, learn about the issues affecting the Maui County community, and how Mayor Victorino and the County departments plan to meet the communities' needs.

The budget document is organized into several sections. Each section and its contents are described below:

Introduction – The introduction includes the Mayor's Budget Message, which outlines the administration's priorities and highlights major changes and key initiatives included in the FY 2022 budget. This section also includes a list of various departmental objectives and capital improvement projects which align with the Mayor's broader goals for Maui County, the Long-Term Financial Plan, Directory of County Officials, the organization chart, and County Profile.

Budget Overview – The Budget Overview section provides a broad overview of the FY 2022 Proposed Budget and a summary of organization changes.

Budget and Financial Policies – This section highlights the budget guidelines and financial policies of the County of Maui. This section includes information on the budget process, fund balance policy, capital budget process and policy, debt policy, and investment policy.

Financial Summaries – This section includes summaries of historical and proposed revenues and expenditures for County funds, including operating budgets by department, changes in fund balance, summaries of major revenue sources, and a summary of equivalent personnel.

Department Program Summaries of each department are presented in alphabetical order. This section includes the Department's organizational chart, Summary and Program Narratives, Goals and Objectives, and Performance Measurements. Each Department also provides information on grant subsidies, grant revenues, and revolving funds.

Capital Improvement Program (CIP) - This section outlines the County's planned expenditures for capital projects including descriptions, justifications for projects, and future anticipated operations and maintenance costs. Project sheets are provided, by Department, for all FY 2022 requests. The project sheets also include a five-year projection for additional funds.

Glossary and Abbreviations - This section contains a glossary of budget-related terms, an acronym table, and an index.

The County's budget is comprised of different funds, with the General Fund being the most notable. The General Fund includes the operating funds for the majority of county departments including, Fire and Public Safety, Housing and Human Concerns, Police, Parks and Recreation, and a portion of Public Works. This fund also provides for capital projects and supplemental transfers to special funds.

The following pages explain the layout of a department's operating budget overview, in Section 5, Department Program Summaries, and a capital project page in Section 6, Capital Improvement Program ("CIP").

Presented within the County of Maui operating budget are details of each department budget and program summaries. The program summary for each department includes the department summary and program narratives, as detailed in the following paragraphs.

Reader's Guide to the Budget

Department Summary: Includes an organizational chart, strategies to accomplish the department/agency's mission or purpose and the links to each countywide outcome, description of the department/agency's purpose, charts of ensuing fiscal year expenditures and equivalent personnel, summary of equivalent personnel by program, strategies to accomplish the department/agency's mission or purpose, and a description of the external factors impacting the department/agency's operations.

- **Program Narratives:** Includes a brief statement of the program's purpose or function, countywide outcome(s), population served, services provided, key activity goals and measures, detailed expenditures summary by character and object, equivalent personnel summary by position title, significant funding changes from the current fiscal year's budget, and grant subsidy detail, if applicable. A program may be funded by more than one type of fund, including Grant Revenue and Revolving Funds. The type of funding for the program described is indicated in the titles of the summaries.

Continuation Budget Changes from FY 2021 Adopted Budget: Includes a brief explanation of changes for items with increases and/or decreases of \$10,000 or more from the FY 2021 Adopted Budget, at the object level. The **Continuation Budget Changes** table includes the Mayor's allowable adjustments that are generally categorized as either inflationary adjustments or other allowable budget adjustments for the following purposes:

1. **Personnel Related Items** – Funds required for longevity pay based on the most current bargaining unit contracts.
2. **Annualization of Programs and New Facilities** – Increases to annualize programs or new facilities that were funded only for a portion of FY 2021.
3. **Operating Reserves** – Operating costs to make facilities operational and functional are allowed in the continuation budget for authorized capital projects scheduled for completion during FY 2022.
4. **Nonrecurring Items** – Nonrecurring or one-time items approved by the County Council that may be removed from the continuation budget, including equipment and vehicle purchases included in the FY 2021 Adopted Budget.
5. **Statutorily Established Salary Increases** – Salary increases required by statute for specified position classifications.
6. **Equipment – On-Going Lease** – Increases relating to on-going leased equipment such as copy machines.
7. **Salary Adjustments** – Salary related amounts based on the authorized budget for FY 2021 plus any necessary annualizing of positions.
8. **Allowable Inflationary Adjustments** - Departmental proposals to change a program by redirecting funds from one program to another are also reflected as part of the Continuation Budget Request.

Expansion Budget Requests from FY 2021 Adopted Budget - Includes the following items: increase in salaries, premium pay and equivalent personnel; additional operating funds above those allowed in the continuation budget, including new and/or pilot programs; equipment purchases; funds to replace grant awards no longer provided to the county; and any expansion request related to information technology.

County Grant Subsidy Detail – When applicable, includes the name of grantee/program, prior fiscal years' actual amounts, current fiscal year's appropriation amount, and ensuing fiscal year's proposed amount for each line item grant. It also includes a description of each county grant subsidy program.

Reader's Guide to the Budget

Examples of the detailed expenditures summary by character and object; equivalent personnel summary by position title; continuation and expansion budget changes from current fiscal year's budget; and county grant subsidy detail are presented on the next few pages.

Expenditures Summary by Character & Object

Represents the different types of account codes within the County's budget. *See table below for detailed descriptions of Character Types and Object Descriptions.*

Actual expenditures recorded in the Integrated Financial Accounting System (IFAS) for FY 2019 and FY 2020.

Budget adopted by the Council for FY 2021.

Mayor's Proposed Budget for FY 2022.

CHARACTER/ OBJECT DESCRIPTION	2019 ACTUAL	2020 ACTUAL	2021 ADOPTED	2022 PROPOSED	CHANGE AMOUNT	CHANGE PERCENT
Salaries and Wages						
OTHER PREMIUM PAY	\$72,385	\$63,177	\$50,150	\$50,000	-\$150	-0.3%

County Grant Subsidy Program Description University of Hawaii Maui College Sea Grant

Provides a description of the grant award program.

Grant funding provides 80% of the salary, 35% employee fringe and nominal indirect costs (3.5%) for the University of Hawaii Maui College Sea Grant extension agent on Maui, who essentially works full-time with the Planning Department's shoreline planners and assists with the county's compliance with State Coastal Zone Management Law (Chapter 205A, HRS).

Reader's Guide to the Budget

Guidelines to the Capital Project Sheet

Listed below are the terminologies and abbreviations used in capital project sheets. Project sheets provide detailed information about the adopted capital project, its relevance to strategic plans, and financial information.

Each project sheet contains the following components:

Project Name: This is a descriptive name that provides the reader with some basic information about the project.

CBS No.: This is a unique identification number assigned to the project for tracking and Capital Budget System (CBS) purposes.

Department Name: Name of the department responsible for managing the capital project.

District: One of eight community districts within Maui County: Hana, Paia-Haiku, Makawao-Pukalani-Kula, Wailuku-Kahului, Kihei-Makena, West Maui, Lanai, and Molokai. A designation of Countywide indicates the project benefits or is used in more than one district.

Project Type: Maui County has eight different project types:

1. **Drainage:** Projects include, but not limited to road drainage, gulch improvements, and drainage master plans.
2. **Government Facilities:** Projects include, but not limited to construction, improvements, renovations, or repairs to facilities such as fire and police stations, youth centers, base yards, historic sites and other general government facilities.
3. **Other Project:** Includes capital projects for the county that are not classified project types and for capital equipment related projects.

County of Maui
Fiscal Year 2022-2026 Capital Improvement Program

CBS No: CBS-1117

Project Name: Countywide Parks ADA Improvements
Department: Department of Parks and Recreation
District: Countywide
Project Type: Parks and Recreation
Anticipated Life: 20 Years

Prior Years	Appr	Ensuing	Subsequent Years					Total
Expend/Encl	FY 2021	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	FY 2027	6-Year
3,898,612	250,000	500,000	4,000,000	4,000,000	4,000,000	4,000,000	4,000,000	20,500,000

PROJECT DESCRIPTION
Planning, design, and construction for accessibility improvements following the Department's Accessibility Transition Plan. (ATP), and DCAB fees.

PROJECT JUSTIFICATION
The implementation of these accessibility improvements is to accomplish compliance with the Department's ATP, which is inclusive of requests for access to sites by person with standing and mandated retroactive code revisions or additions relating to 2010 ADAAG, in a priority order.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan	Countywide Priority Results
To respond to the needs of a community by acquiring, developing, and maintaining safe, quality recreational facilities.	A Suitable Public Infrastructure An Efficient, Effective, and Responsive Government A Prepared, Safe, and Livable County A Healthy and Sustainable Community

Operating Impact Narrative
These projects are not anticipated to have any effect on facility operating expenses.

Reader's Guide to the Budget

4. **Parks and Recreation:** Projects include, but not limited to playing fields and playground construction, gym improvements, swimming pool construction and repair, community center renovations, and court resurfacing.
5. **Road Improvements:** Projects include, but not limited to construction, resurfacing and rehabilitation, safety improvements, bikeways, sidewalks, and bridge repair and maintenance.
6. **Sanitation:** Projects include, but not limited to landfill facility expansion, closure and composting/recycling projects.
7. **Wastewater:** Projects include, but not limited to pump station improvements, facility upgrades and transmission system improvements.
8. **Water Supply:** Projects include, but not limited to construction, repair and maintenance of facilities and infrastructure of water utility systems.

Anticipated Life Cycle: The projected useful life (number of years) of a capital project.

Project Description: Briefly describes the capital project, type, and scope of work that will be done and other relevant information regarding the project.

Project Justification: Justifies need and describes the major benefits or reasons why this project is required. It may include information such as addressing current inadequacies, meeting new and/or increased service demands, benefits to the environment, and health and safety issues.

Strategic Plan Alignment: Identifies the capital project's relevance to the department's strategic plan, the Countywide Priority Results, and the County's General Plan or Island Plans.

Operating Impact Narrative: Defines the project's impact on the annual operating budget for the departments. It includes items such as changes in staffing levels, anticipated expenses for salaries, operations, maintenance, and utility.

Start/End Date: Dates each project phase is anticipated to start and be completed.

Project Phase: Each capital project includes estimated project costs in the following phases:

1. **Acquisition-Land or Building:** Covers all aspects of the project associated with the acquisition of any interest in land or building, in connection with the project, including necessary appraisal.
2. **Planning:** Includes feasibility studies, environmental assessments/impact statements, and permitting.
3. **Design:** Includes topographic surveys, development of plans and specifications, and preparation of cost estimates.
4. **New Construction:** A new construction project is a single undertaking involving construction of one or more facilities. Included in the project are: 1) all work necessary to accomplish a specific purpose and produce a complete and usable new structure; 2) the equipment installed and made part of the facility; and 3) site development.
 - Construction of or site work for a new plant, including erection, installation, or assembly of a new building, structure, or utility system.
 - Any addition, expansion, or extension to a structure that adds to its overall exterior dimensions.

Reader's Guide to the Budget

- Complete replacement of a facility that, because of age, hazardous conditions, obsolescence, structural and building safety conditions or other causes, can no longer be used for its designated purpose and is beyond the point of repair or renovation.
5. **Renovations:**
- Alteration of interior space arrangement and other physical characteristics, such as utilities, so that a structure may be more effectively used for its designated functional purpose.
 - Conversion of interior arrangement and other physical characteristics, such as utilities and fixed equipment installed and made a part of the facility or structure, so that an existing structure may be effectively utilized for a new functional purpose.
 - Renovation of most or all of a facility, structure or an existing mechanical system, to comply with current building code requirements or to modernize for effective use for its designated functional purpose.
 - Restoration of a facility or structure to the maximum extent possible to its former or original state (historic property).
 - Relocation from one site to another of a facility or structure either by moving it intact or by disassembling it and subsequently reassembling it.
 - Major repair to restore a facility, mechanical system, or utility system to a condition that allows it to continue to be appropriately used, including the reprocessing or replacement of parts or materials that have deteriorated by action of the elements or "wear and tear" in use.
6. **Furniture, Fixture, and Equipment:** Equipment is a tangible resource of a permanent or long-term nature used in an operation or activity.
7. **Other:** Any additional costs such as construction management services that may be associated with the project, and do not fit one of the preceding categories.

Funding Code: Project funding is identified as sources for capital projects. The source codes on each project sheet indicates the following²:

AH	Affordable Housing Fund
BW	Bikeway Fund
GB	General Obligation Bond Fund
GF	General Fund
FD	Federal Funds
HF	Highway Fund
LBF	Lapsed Bond Fund
LF	Liquor Control Fund
OG	Other Grant Funds
PA	Park Assessment Fund
SRF	State Revolving Loan Fund
ST	State Funds
SW	Solid Waste Management Fund
WF	Sewer (Wastewater) Fund
WR	Restricted Water Fund
WU	Unrestricted Water Fund

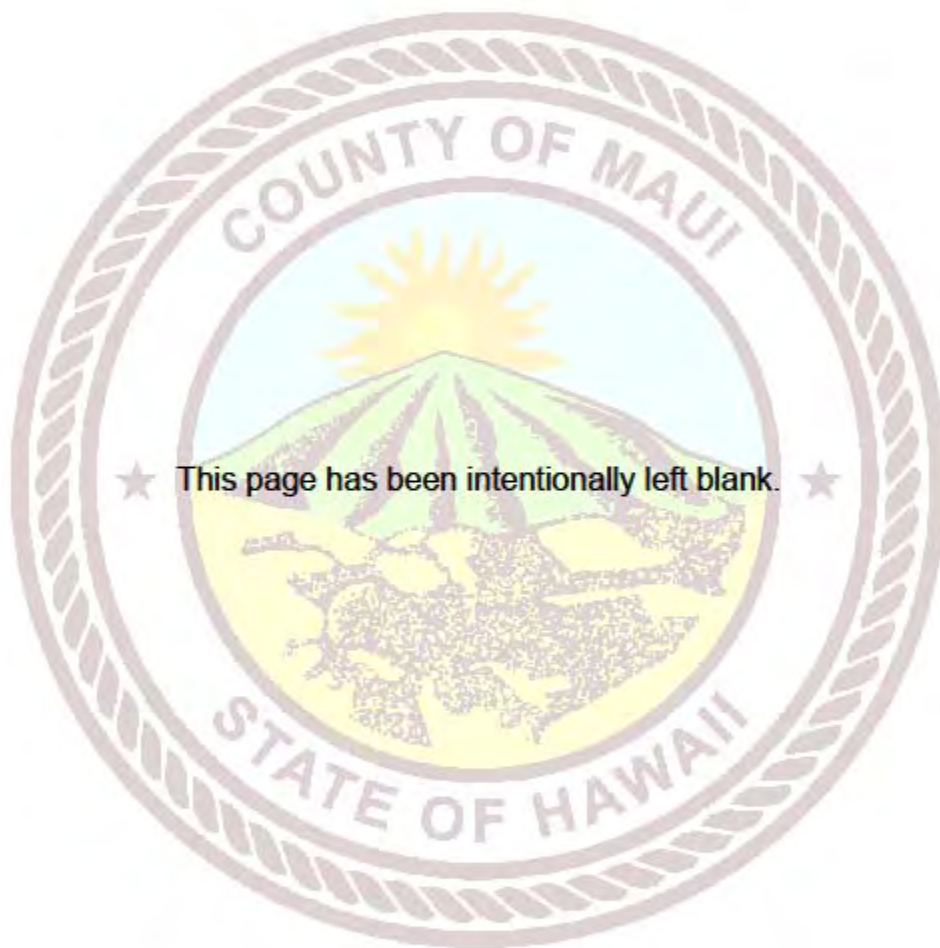

² See Budget and Financial Policies for detailed fund descriptions and uses.

Introduction

Mayor's Proposed Budget
FY 2022

★ This page has been intentionally left blank. ★

The Strategic Vision of the County of Maui was developed with the unique needs of residents and visitors of Maui, Molokai and Lanai in mind. Maui County government works for the public by providing outstanding customer service and anticipating future needs as detailed in the Maui County General Plan, Countywide Policy Plan, Maui Island Plan and Community Plans.

Countywide outcomes comprise a five-part strategic vision, including: **an affordable, healthy, and thriving community; a strong, diversified economy; an environmentally responsible and sustainable community; well-planned public infrastructure; and a prepared, safe, and livable County.**

The Revised Charter of the County of Maui (1983), as amended, establishes the structure and organization of Maui County government. It is a constitutional document, drafted in accordance with the will of the people, which defines local government responsibilities. The Charter is available at www.mauicounty.gov/charter.

Pursuant to Section 3-9 of the Charter, the policy of the County is “to promote economy, efficiency and improved service in the transaction of the public business in the legislative and executive branches of the County by:

1. Limiting expenditures to the lowest amount consistent with the efficient performance of essential services, activities, and functions.
2. Eliminating duplication and overlapping of services, activities, and functions.
3. Consolidating services, activities, and functions of a similar nature.
4. Abolishing services, activities, and functions not necessary to the efficient conduct of government.”

The Countywide Policy Plan, adopted by Ordinance 3732 (2010), provides broad goals, objectives, policies, and implementing actions to guide the course of the County’s future. It includes, in part, identification of guiding principles and a list of countywide goals, objectives, policies, and implementing actions related to the following core themes:

- Protect the natural environment
- Preserve local cultures and traditions
- Improve education
- Strengthen social and healthcare services
- Expand housing opportunities for residents
- Strengthen the local economy
- Improve parks and public facilities
- Diversify transportation options
- Improve physical infrastructure
- Promote sustainable land use and growth management
- Strive for good governance

The Countywide Policy Plan provided the policy framework for the development of the Maui Island Plan adopted December 28, 2012, and guidance for Community Plans, as updated after 2010. The Countywide Policy Plan is available at www.mauicounty.gov/index.aspx?NID=420.

The development of each Department’s vision and mission stems from the Charter, Countywide Policy Plan, and five-part Strategic Vision. The goals, objectives and strategies of each program help the County achieve the desired outcomes.

An Affordable, Healthy, and Thriving Community

Collaborative efforts and innovative planning continue to lead to action and progress in addressing Maui's lack of attainable housing for working families. Additionally, the Administration prioritizes the need for quality recreational opportunities to support a healthy and thriving community. Building, rehabilitating, and maintaining facilities for programs for our youth and seniors are a top priority.

Related Department/Program Goals:

- Supporting responsible development of attainable housing
- Improving parks and public facilities
- Supporting programs for youth, including recreational facilities
- Supporting transit-oriented development and responsible, sustainable planning

A Strong, Diversified Economy

Maui County's main economic engine is tourism and we continue ongoing efforts in managing its growth and impacts. The County supports diversifying the economy through supporting existing businesses and being innovative in a global, hyper-connected global community. Due to the COVID-19 pandemic, it was realized that although tourism is still a major economic driver in our County, we are well aware that we must dilute and shift the focus to other economic sectors, such as technology and agriculture.

Related Department/Program Goals:

- Fostering job creation within Maui County through new and expanding businesses, especially local businesses
- Supporting innovative and technology-related industries
- Prioritizing growth in the agricultural sector

An Environmentally Responsible & Sustainable Community

Mayor Victorino's vision guides stewardship of Maui County for our residents and visitors – and for future generations to come. Protecting our environment and planning for a sustainable future promotes and health and well-being of residents and the economy.

Related Department/Program Goals:

- Committing to energy efficiency and renewable energy
- Maximizing use of County-owned lands through effective land management
- Supporting climate action, sustainability, and resiliency action plans and related efforts

Well-planned Public Infrastructure

Infrastructure owned and/or managed by the County must be built and maintained to effectively serve future generations. Systems such as water, sewer and drainage, roadways, government facilities, parks, and other facilities must be planned, rehabilitated, and maintained with long-term usage in mind. The Administration effectively prioritizes infrastructure improvements to be forward-thinking and fiscally responsible.

Related Department/Program Goals:

- Economically producing the highest quality potable water that meets or exceeds all State and Federal water quality standards in sufficient quantity to meet the needs of the customers
- Operating and maintaining infrastructure in an efficient manner to ensure maximum useful life
- Ensuring facilities and systems meet future needs

A Prepared, Safe, and Livable County

The County has committed to being “prepared, safe, and livable.” Hardworking leadership and employees, including public works, police, fire, and emergency management, continue to uphold this commitment. Whether it is responding to a natural disaster, creating policies and plans for the future, or providing guidance and information to the public, Maui County is committed to ensuring the safety and well-being of its citizens.

Related Department/Program Goals:

- Enhancing the County’s response capacity and capabilities
- Supporting traffic safety and Vision-Zero efforts
- Reducing crime and increasing public safety through prevention methods
- Maintaining and enhancing safety in County beach parks and coastal waters

★ This page has been intentionally left blank. ★

The Government Finance Officers Association (“GFOA”) states that long-term financial planning is used to identify future financial challenges and opportunities through financial forecasting and analysis, and then, based on that information, to devise strategies to achieve financial sustainability.

The County utilizes portions of GFOA’s budgeting for outcomes (“BFO”) method to fully integrate budgets and programs. BFO communicates why county government departments exist, what work is performed and how well, and the amount of resources that are devoted to services. During preparation of this budget, departments first performed analysis of the efficiency and effectiveness of their operations, to strengthen subsequent budgetary decision-making. Guided by BFO, the Administration continuously works with departments to enhance strategic plans, key activities, goals and measures. Allocating resources based on what was done in the past is not adequate justification for budgetary decisions; these decisions must be fully aligned with forward-looking, strategic direction.

In consideration of the County’s current and future needs, strategic and long-range plans continue to be reviewed, modified and developed. Many factors are evaluated in development of the long-range plans, including revenue forecasting, historical trends, economic growth, inflationary factors, debt levels and cost, aging infrastructure replacement and community needs.

The County has a history of being financially sound with a price of government lower than many comparable municipalities. In an effort to maintain financial stability in times of natural, man-made or economic emergencies, an Emergency Fund has been diligently funded. In 2012, a policy was established to increase the Emergency Fund to 20% of General Fund operating expenditures as a part of a prudent reserve strategy. This is based on the Government Finance Officers Association’s best practice recommendation to have at least 2 months’ worth of funds available in reserves. The County continues to approach this goal through prudent management of our fiscal resources and annual appropriations, including \$6.5 million in Fiscal Year (“FY”) 2020, \$6.0 million in FY 2021, and \$3.0 million in FY 2022 as proposed by the Mayor.

The County’s recent bond ratings from Moody’s, Standard, & Poor’s and Fitch of Aa1/AA+/AA+ also reflect the prudent financial plan. The plan requires a review of economic conditions and forecasts, which guides the Administration in its decision-making process. The County’s long-term financial plan is detailed further on the following pages.

Long Term Financial Plan Outline:

1. *To optimize cash flow*

A. Short Term

- i. Plan for and obtain funds (revenue includes taxes, fees, grant, etc.) in a fair and timely manner.
- ii. Manage the use of funds (operating expenditures) through internal control policies and procedures.

B. Long Term

- i. Provide policies for managing revenues and maximizing credit.
- ii. Understand and account for the effect of new capital improvements on the operating budget and debt.

C. Minimize general fund subsidies to special revenues and enterprise funds.

D. Maximize funding leverage through grants.

Long Term Financial Plan Outline (cont'd):**2. To provide sound general management**

- A. Maximize the organization's value.
- B. Maintain an optimal organization size.
- C. Maintain optimal growth of the organization.
- D. Operate efficiently and effectively.
- E. Balance risk and reward.

3. To assure a sound reporting system

- A. Maintain good internal controls.
- B. Provide timely accounting reports including the audited Comprehensive Annual Financial Report.
- C. Ensure the financial management personnel are technically trained and qualified.

4. To manage assets and liabilities

- A. Be conservative in all projections of revenues so that slight changes in these estimates will not trigger budgetary emergencies.
- B. Present a budget in which recurring operating costs are within recurring revenues.
- C. Present a budget in which debt service is fully funded.
- D. Develop and update a six-year capital improvement program on an annual basis.
- E. Integrate planning of capital improvements and debt structure.
- F. Coordinate operating costs associated with new capital improvements and the development of the operating budget.
- G. Forecast future operating costs associated with new capital improvements to show their impact on future operating budgets.

Revenue Forecast

The Department of Finance and the Budget Office work to provide limited scope forecasts for certain revenue streams. Information provided is meant to assist in reviewing historical data in relation to possible trends in revenue. These forecasts are estimates and are subject to variation and change. These and other forecasts are used for long-range financial planning. Real property assessment gross assessed value and property tax revenue forecasts are provided by the County's Real Property Assessment (RPA) Division of the Department of Finance.

The Mayor's Proposed FY 2022 estimated revenues took upon a conservative approach by factoring historical trends, economic indicators and forecasts. Current economic forecasts by the federal government and economists project that the U.S. economy is recovering "rapidly" to level pre-COVID-19 pandemic. Fiscal Year 2021 estimated revenues as revised and Fiscal Year 2022 proposed revenues were used as base for projecting FY 2023 - FY 2027 revenues. Forecasted revenues (except for Real Property Tax) for FY 2023 - FY 2027 were calculated using Excel's FORECAST function and do not factor any economic indicators. The FORECAST function calculates future value predictions using exponential smoothing, which is based on smoothing past data trends. This algorithm performs smoothing by detecting seasonality patterns and confidence intervals. The confidence interval used is 95%, which means that 95% of the future values will be in the specified range. The range is calculated using normal distribution.

Real Property Tax

The data below was derived using Real Property Assessment (RPA) gross assessed values from fiscal years 1986-2022. Years 2023-2030 were derived using a linear regression. Based on the historical data and Figure 1-2 below, parcel count is expected to increase 12.6% from 2021 to 2030, or 1.4% per year and gross assessed values are expected to increase 20.2% from 2021 to 2030, or 2.22% per year.

Figure 1-2

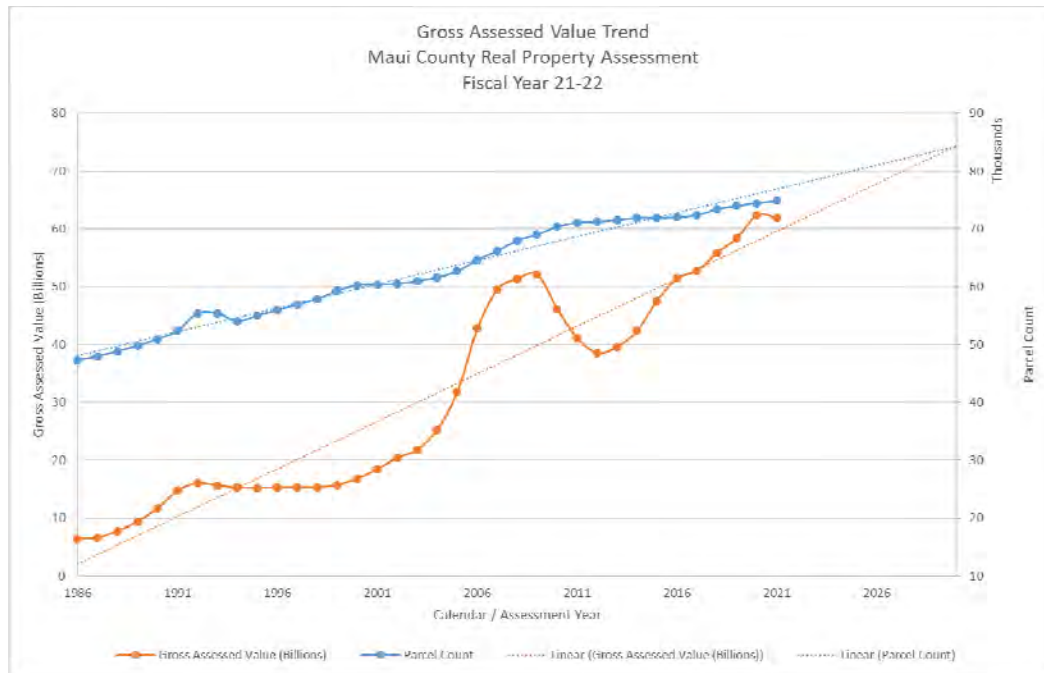

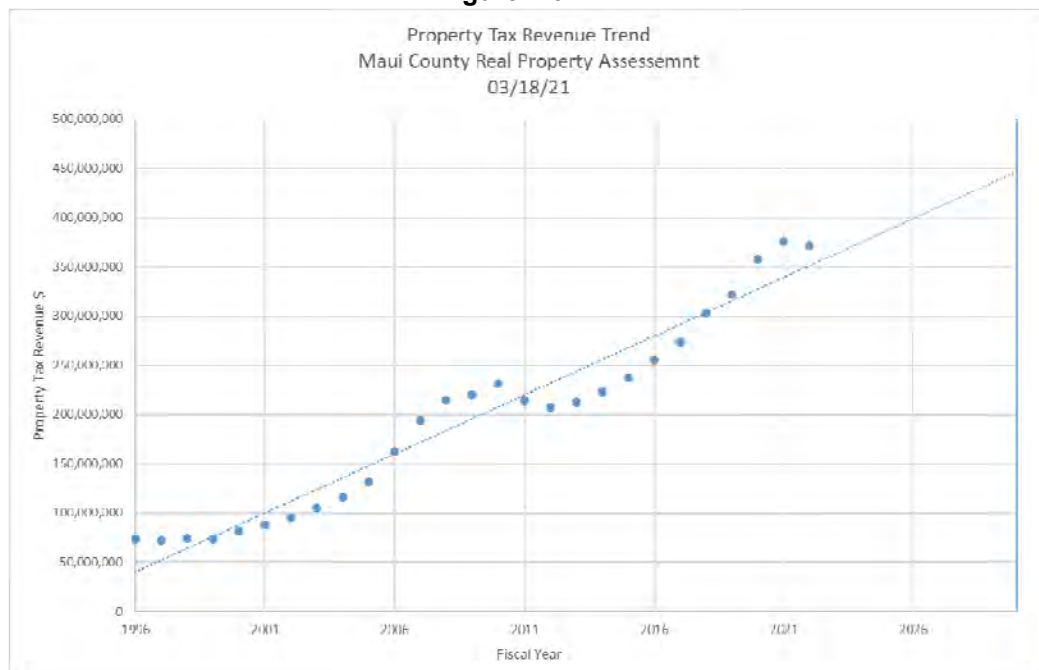

Figure 1-3

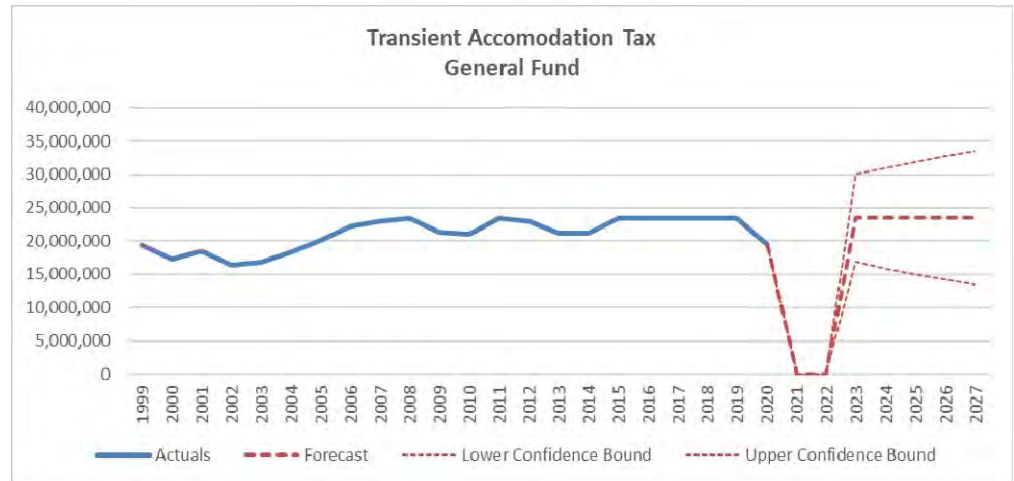

Data was derived using RPA revenues from fiscal years 1996-2022. Years 2023-2030 were derived using linear regression. Figure 1-3, gross assessed values are expected to increase by 20.3% from 2022 to 2030, or 2.5% per year.

Transient Accommodations Tax

Figure 1-4

The Transient Accommodation Tax (TAT) is charged and collected by the state on transient accommodations like hotels. Through legislation, the state has capped the portion of the tax provided to the counties at \$103 million. Maui County receives 22.8% or \$23.4 million. The County does not anticipate any future growth in this revenue

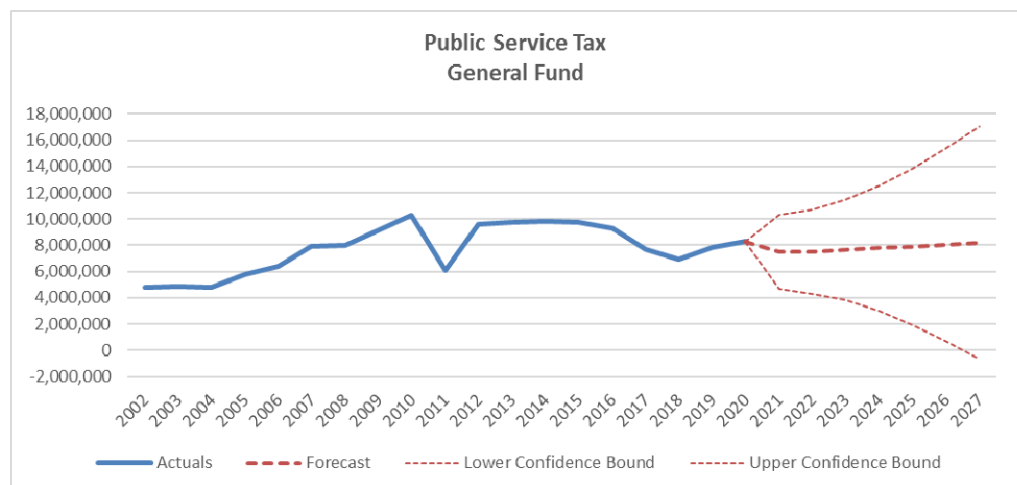

unless the legislation changes. In response to the COVID-19 pandemic, Governor Ige's Emergency Proclamation issued in March 2020 suspended section 237D-6.5(b) of the Hawaii Revised Statutes relating to the distribution of the TAT. In FY 2020, the County realized a shortfall in TAT revenues by 16.7% and did not anticipate any revenues from this funding source in FY 2021. Although tourism activities in the Maui County show some signs of economic recovery, the Mayor's Proposed TAT Revenues for FY 2022 is estimated at zero, as there have been no indication that Governor Ige's COVID-19 emergency proclamation will be cancelled in the near-term.

Public Service Tax

The counties within the State of Hawaii receive a portion of the public service company tax levied on public service utilities operating within the county in lieu of assessing real property tax. During the 2011 U.S. and global stock markets crash, revenues declined sharply but immediately rebounded in 2012 and flattened in the next two years. In 2017, a sharp decline in revenues

Figure 1-5

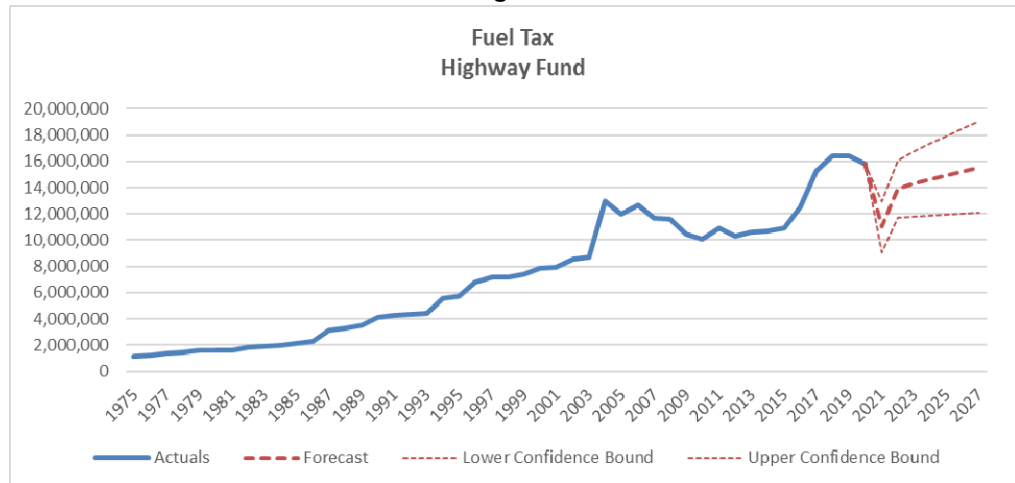

derived from this tax was experienced by 17.3% from prior year, due to the increased number of rooftop solar permits issued. Then, rebounded in 2019 but not at the level pre-2017. The revenues collected in FY 2020 was an additional increase of 5.9% from the 12.4% growth seen in FY 2019. The long-term FORECAST model shows continuous year-over-year growth at an average rate of 1.8%.

Fuel Tax

County fuel tax is a levy on gas, diesel, ethanol, methanol, liquid petroleum, and bio-diesel. In 2006, the revenues peaked due to increase in fuel consumption. Since then, as shown in Figure 1-6, actual revenue has declined slightly at an average rate of 1.5%. Then, it bounced back in 2016 and continued to

Figure 1-6

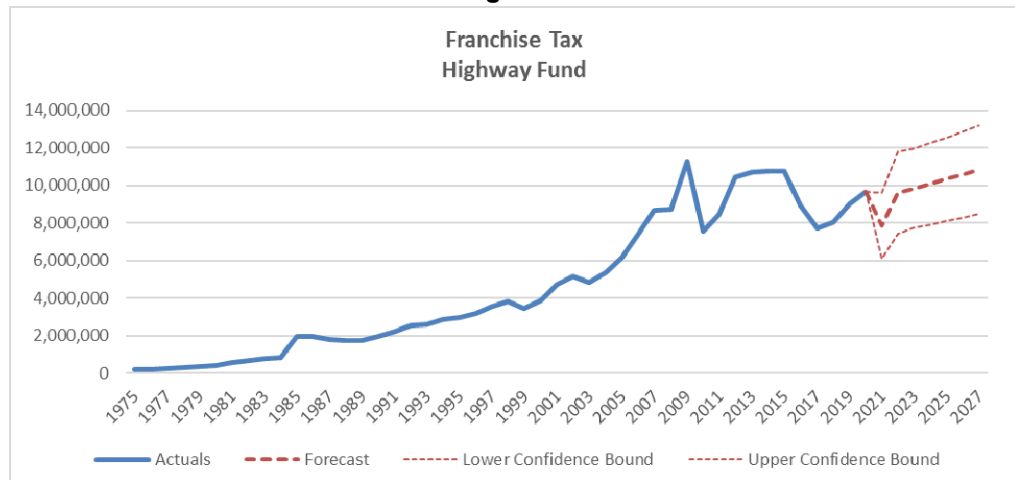

increase at an average rate of 11.1% from 2016-2019. In FY 2020, revenues collected from fuel tax declined by 3.6% from 2019. The proposed increase in revenue for FY 2022 is based on the U.S. Energy Information Administration's (EIA) forecasted increase in fuel consumption. The FORECAST model for fuel tax revenues beyond FY 2022 shows an annual steady growth, at an average rate of 2.3%. The FORECAST model does consider EIA's outlook on fuel prices and consumption.

Franchise Tax

For the exclusive ability to provide electricity to the public, a franchise tax of 2.5% of the gross receipts of the electric company for Maui County, is imposed by HRS 240. Gross receipts include fuel surcharges on electricity bills and with a decrease in fuel prices in 2016, revenues have correspondingly decreased the following

Figure 1-7

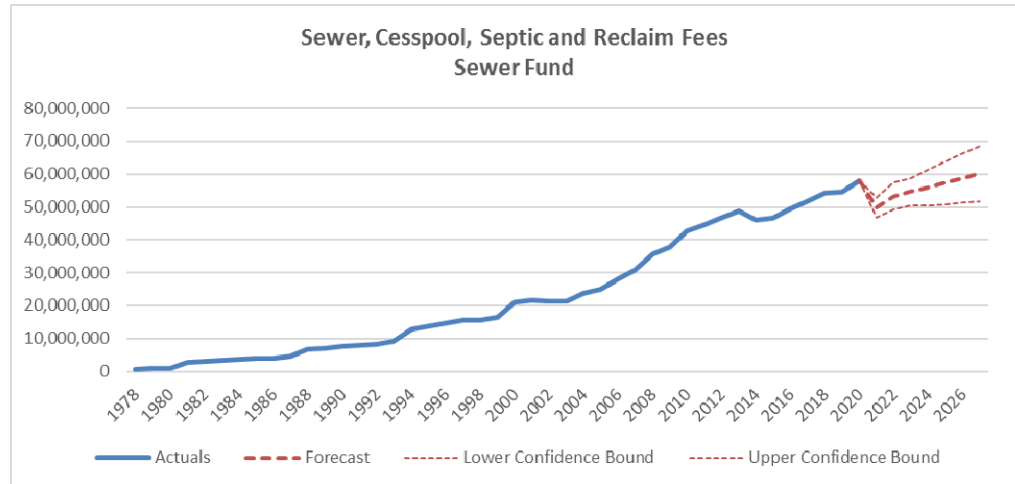

year. Revenue from the franchise tax is expected to rebound in 2022 and stable increase year-over-year at an average rate of 2.4%. This is due to the expected steady growth of electricity generation from natural gas-fired power plants and the continued rise of electricity generation from renewable energy sources. The tax rate has not changed since 1985.

Sewer, Cesspool, Septic and Reclaim Fees

The sewer fund revenue is made up of fees charged to customers connected to the county's sewer system, fees for users of reclaimed water and other fees related to septic system and cesspool pumping. The increase in revenue is related to an increase in customers and an increase in rates. For FY 2022, the proposed increased revenue is based on a 3.0% rate increase and anticipated growth in consumption. The FORECAST model shows a relative growth in 2023 and beyond, at an average rate of 2.5%.

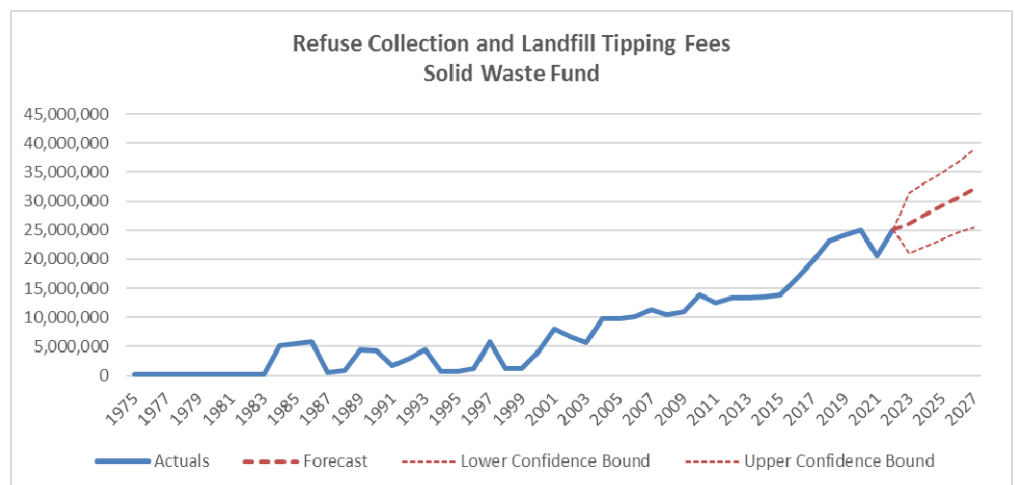

Figure 1-8

Refuse Collection and Landfill Tipping Fees

Majority of the revenue in the solid waste fund comes from landfill tipping and related fees and residential refuse collection accounts. Historically, the fees collected were insufficient to pay for the operations of the solid waste division and are supplemented by General Funds. In FY 2021, the Council implemented a \$1 increase to both refuse collection and landfill tipping fees in the adopted budget. The increase had a minimal effect to the overall revenues collected in the Solid Waste Fund. As the COVID-19 pandemic continues, estimated revenues for FY 2021 as revised is showing slightly lower than budgeted revenues because of reduced tonnage collected at the County Landfills and closure, or delinquent, residential refuse accounts. However, FY 2022 is projected to bounce back similar to 2019 and 2020 levels, an increase of 22.0% from revised FY 2021 forecast. The FORECAST model projects that the refuse collection and landfill tipping fees' long-term revenues will increase year-over-year at an average of 5.10%.

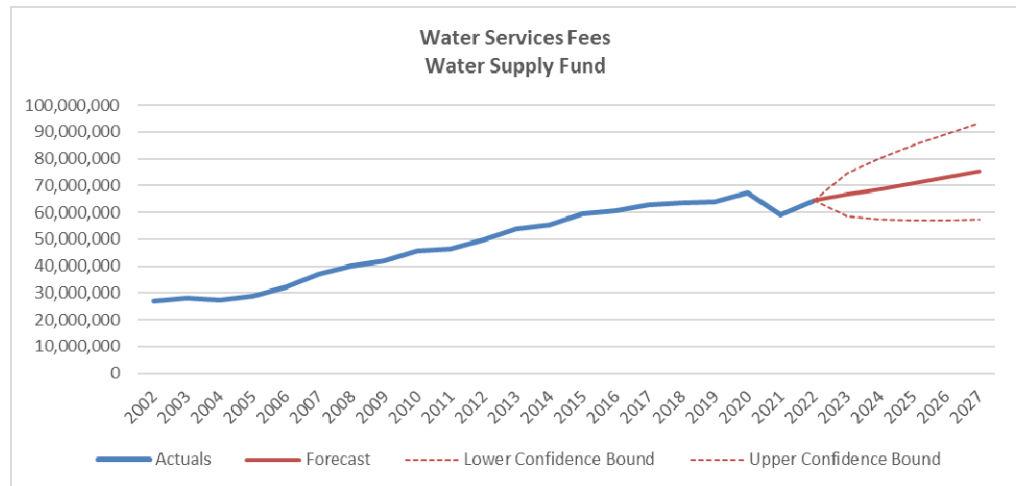

Figure 1-9

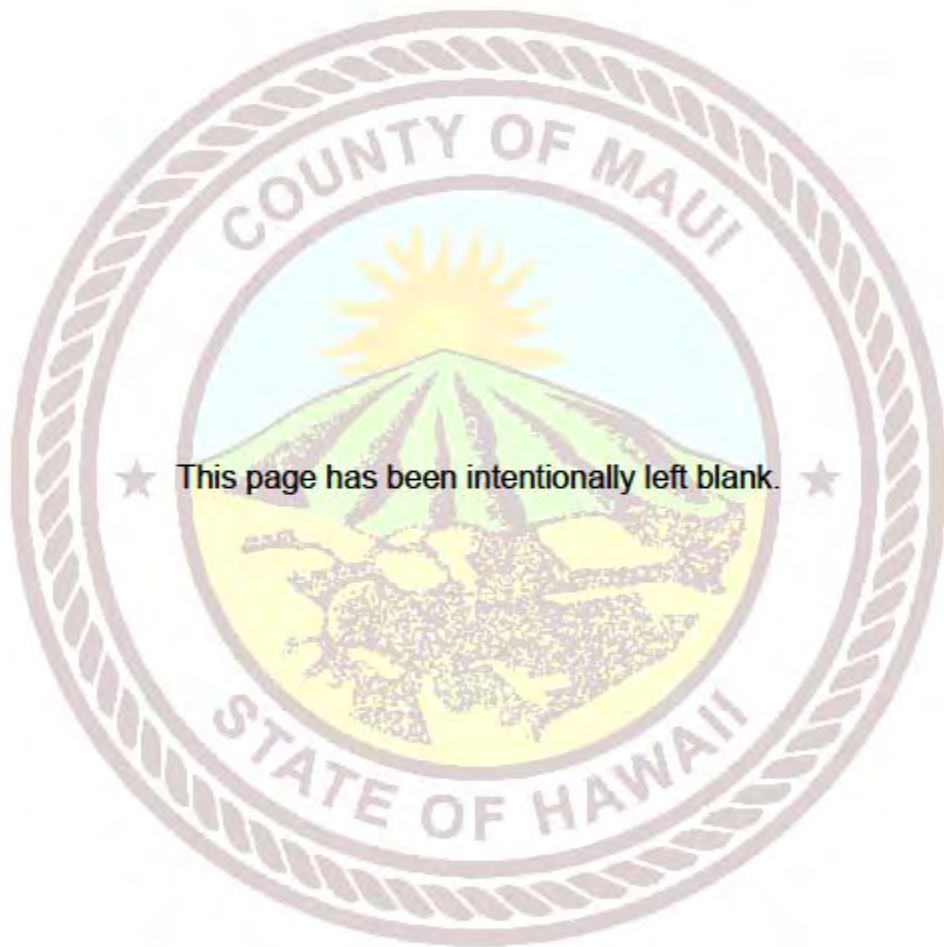

Water Service Fees

The majority of water service fees are generated by charging the county's water department customers based on their use. In FY 2020, revenues collected for the water service fees peaked at \$67.3 million, which is an increase of 5.4% from prior year despite the economic downturn due to COVID-19 pandemic. This is a relatively strong indicator that revenues

from water services fees is not solely tied to economic activities. The FY 2022 estimated revenues as proposed by Mayor do not include any rate increase for water service fees. The FORECAST model shows a year-over-year growth in FY 2023 and beyond, at an average rate of 3.2%.

COUNTY OF MAUI

Figure 1-11

Demographic Characteristics Sources: U.S. Census Bureau; State of Hawaii Dept. of Labor & Industrial Relations; Realtors Association of Maui, Inc. (Median home prices, Dec. 2020 YTD); County Map Source: Arc GIS

GEOGRAPHY

The County of Maui is the second largest county by land area in the State of Hawai'i. It consists of four main islands: Maui, Moloka'i, Lana'i, and Kaho'olawe. The combined area of these islands is 1,171 square miles, including over 9 square miles of inland water. The island of Maui is the largest, with 734.5 square miles. The islands have a total coastline of 210 statute miles.

The island of Kaho'olawe is uninhabited and was transferred from the Federal Government in 1994. The island was previously used as a military practice site and restoration efforts for a cultural reserve are ongoing.

The island of Maui, known as the "Valley Isle," is 48 miles long, 26 miles wide and has a land area of 735 square miles. It is the economic center and home to a large portion of the County's residents and businesses. The town of Wailuku is the seat of County government and the contiguous town of Kahului is the primary commercial center.

The island of Lana'i was known for many years for pineapple production on most of its 141 square miles, however, cultivation of the crop has since been phased out. Currently, 98 percent of the land on Lana'i is owned by a single land owner.

The island of Moloka'i is the fifth largest island and includes 263 square miles. Kalawao County, or the portion of the island of Moloka'i known as Kalaupapa, is managed by the State of Hawaii.

GOVERNMENT

Uniquely, counties in the State of Hawai'i are legally established by the State Constitution and there are no subordinate or separate municipal entities. The State government administers the school system, airports, harbors, hospitals, judicial system, and the state highway system. Most non-federal taxes are administered and collected by the State of Hawai'i. Major sources of state revenue include corporate and personal income taxes, the General Excise Tax ("GET"), and the Transient Accommodations Tax ("TAT"). The Counties exercise exclusive authority over Real Property Tax ("RPT").

Maui County is governed by the Revised Charter of the County of Maui (1983), as amended. The Charter was originally adopted by the electorate in September 1967. Like the other counties in Hawai'i, the County of Maui operates under the Mayor-County Council form of government. All elections for county office are non-partisan, at-large elections.

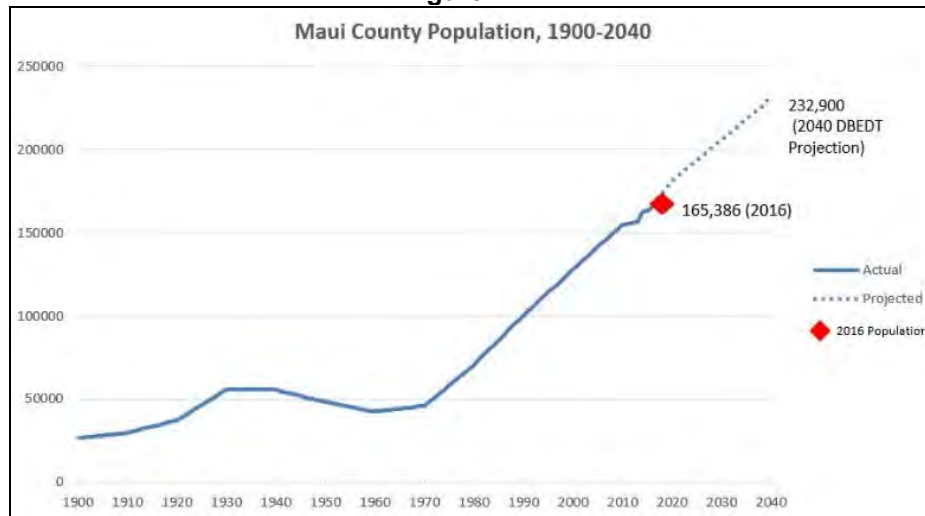

Beginning March 2021, the Charter Commission, composed of eleven members, will convene to study and review the operation of the government of the County and may propose amendments to the County Charter. This commission convenes every 10 years and its members are selected by the Mayor and County Council.

The County of Maui is responsible for a broad range of services including public safety (including police and fire services), sanitation, social services, culture and recreation, transportation, planning and zoning, and the construction and maintenance of streets and highways.

The executive branch of the County is headed by the Mayor, who is elected for a four-year term. As the chief executive officer of the County, the Mayor is responsible for appointing heads of the 11 executive County Departments, subject to confirmation by the County Council. The respective Commissions are responsible for appointing the head of the Department of Personnel Services, Fire and Public Safety, Police, and Liquor Control. The Mayor establishes and directs management and strategic planning guidelines for the Departments and serves as a liaison between the County Council, Departments, and agencies.

The legislative branch is comprised of nine County Council members who serve two-year terms. As the policy-making body, the County Council appoints the County Clerk, County Auditor, and staff of the Office of Council Services. Each of the nine council members have residency requirements, one each from Lana'i and Moloka'i, and one from seven districts, including East Maui, West Maui, Wailuku-Waihee-Waikapu, Kahului, Makawao-Haiku-Paia, South Maui and Upcountry (Pukalani-Kula-Ulupalakua). The Council legislates taxes, rates, fees, assessments, borrowing, and appropriations for County purposes by ordinance (County budget).

Figure 1-12

GENERAL ECONOMIC BACKGROUND

For more than a century, dating back to the mid-1800s, large-scale plantation agriculture – sugarcane, together with pineapple starting in the 1920s – dominated the economy of Maui County. Shortly after Hawai'i became the 50th State in 1959, the first Boeing 707 jet landed in Honolulu, signaling the advent of large-scale tourism and resort development. In the early 1960s, Ka'anapali in West Maui was developed as the first premier, master-planned resort in the State and tourism began to supplant agriculture as the dominant economic force in the islands. With development and the influx of supporting industries and services, the County's population grew from 42,000 in 1960 to 70,000 by 1980, 128,000 by 2000, and to 167,417 by 2019.

By the 1980s, Maui's traditional agricultural economic driver was in serious decline as falling global prices, the high cost of equipment and labor, and periodic droughts adversely affected sugar profitability.

Business and community leaders and elected officials recognized the need to diversify the economy in order to minimize the uncertainties of external economic conditions and events. A direct outcome was the founding of the Maui Economic Development Board (MEDB), charged with a mission of broadening the economic base of the County and encouraging a wider spectrum of economic opportunities for residents.

As the COVID-19 pandemic continues to impact Maui County's economy, the need to diversify the economy has become a more pressing goal. Support of our small businesses, agriculture industry, health and wellness sector, and the high technology industry continue through various programs. Entrepreneurial workshops offer assistance to individuals striving to start their own business. This is accomplished through partnerships in the community. Strengthening our workforce is a key element in supporting these sectors during these trying times.

JOBS

The percent of individuals unemployed in Maui County was 2.6% in 2019, remaining consistent with unemployment numbers from 2017 (2.6%) and a slight uptick from 2018 (2.4%). These are the lowest unemployment numbers in the County since 2006. Just a year later, the unemployment rate for Maui County fluctuated from over 30% (during the shut-down) to 16.3% in November of 2020. Maui County now has the highest unemployment rate in the United States.

Per capita income in Maui decreased over 12 months, from \$47,226 in 2018 to \$35,241 in 2019. Median household income had a slight increase of 3% from \$80,241 in 2019 to \$82,641 in 2020. These figures indicate mixed purchasing power statistics for Maui County residents.

Over the 2019-2020 period, jobs in the statewide non-agricultural private sector showed a decrease of 11.0% percent with over 8,800 jobs lost from April of 2020 to December of 2020 due to the COVID-19 pandemic. Visitor arrivals had a decrease of 68% from December of 2019 to December of 2020.

Detailed information on current trends can be found in the Maui County Office of Economic Development Economic Indicators Reports in partnership with the Hawaii Business Research Library. Per Capita Income was retrieved from QuickFacts, Maui County, from the U.S. Census Bureau.

Through efforts to match unemployed individuals with jobs and new career paths, the Workforce Innovation and Opportunity Act Grant Funding (WIOA), the USDOL Disaster and Employment Grant Funding, and the additional support from our partnerships at the Maui American Job Center, unemployed individuals may receive assessments, individual career planning, formal education and training, transitional employment, subsidized and unsubsidized work experience, support services, and on-the-job training opportunities. The Maui American Job Center will be relocated to the Maui County Service Center and also offers a variety of virtual tools including its websites; mauiamericanjobcenter.com and mauicountyvirtualjobfair.com.

ECONOMIC OVERVIEW

As counties throughout the State mitigate the effects of the COVID-19 pandemic, it continues to impact our local communities and the economy. The sharp decrease in Maui County's top economic driver, the visitor industry, has had a devastating ripple effect as tens of thousands of jobs have been lost. The slowdown in the visitor industry had a widespread effect throughout the County, including agriculture, ranching, retail, restaurant, and recreational activities. Many of these businesses endured the slowdown with much needed assistance from the government. Maui County is facing complex decisions in which protecting the health of our residents must be balanced with the health of our economy.

The County is taking the opportunity to work with the State and Federal governments on programs to support these sectors and the community as a whole. New partnerships have been established and others nurtured for the betterment of our economy. The Maui Nui Destination Management Action Plan has been developed by the Hawaii Tourism Authority, the County of Maui, and community stakeholders to best manage our visitor industry for our three islands that comprise Maui County. Posed with opportunities as we look to refocus on our priorities for our future.

VISITOR INDUSTRY

The tourism sector continued to be impacted by the COVID-19 pandemic in 2020 with 806,366 visitor arrivals, a 74.1% decrease from 2019. Total visitor days were 7.5 million, a decrease of 68.9%. The number of visitors from U.S. West decreased by 73.3% and visitors from the U.S. East decreased by 72.5%.

Statewide, it is forecasted that spending from visitors was \$5.1 billion in 2020, a decrease of 71% from 2019. This spending contributed to the \$6.4 billion in State tax revenue that was generated, a decrease of 12% in 2019. The State collected \$282 million in TAT revenue in 2020, a decrease of 55.8%, of which Maui County receives a fixed amount of approximately \$23.5 million, pursuant to State law.

Counties statewide recognize the visitor industry is susceptible to downturns based on outside factors such as weather and public health threats. Organizations such as the Maui Visitors and Convention Bureau help to mitigate potential downturns through tourism promotion and education.

The COVID-19 pandemic continues to have a staggering effect on the visitor industry. In January 2021, visitor arrivals are still significantly down, -72.5% compared to January 2020.

AGRICULTURE

While the December 2016 closure of the 36,000-acre Hawaiian Commercial & Sugar Company's operations added uncertainty to Maui's economy, the company sold approximately 41,000 acres of agricultural farmland to Mahi Pono, LLC. In 2020, Mahi Pono reported planting nearly 2,100 acres of crops including potatoes, onions, papaya, citrus, avocado trees, macadamia nuts and coffee trees. Mahi Pono has also devoted 2,000 acres to pasturelands.

The County is optimistic that the repurposing of agricultural lands will facilitate a variety of uses including energy crops, food crops, and grazing lands to support the local cattle industry. There is consensus that these developments will be important in increasing Maui's sustainability and resilience.

The County continues to support farming efforts with the leasing of farm lands at the Kula Agricultural Park. The Upcountry Maui Agricultural Park is in its initial planning phase to prepare the property for future leasing to farmers.

CONSTRUCTION

In 2019, a total of \$483 million valued permits were issued in Maui County, which accounts for 14.9% of permits issued statewide. Growth in the construction sector is largely due to the expansion of residential construction, but also benefitted from improving numbers in the commercial sector. In 2019, 45 percent of permit value in Maui County was for residential construction. In 2018, out of 838 authorized housing units, 378 were for new single family units, and 460 were for new multi-family units.

Continued growth in the construction industry is projected in 2020, and third quarter 2019 figures show private building authorizations increased 5.2% compared with the third quarter of 2018. According to the University of Hawaii Economic Research Organization, a mix of public-sector, resort, and residential projects will maintain industry activity near current levels for the next several years.

After a turbulent year of adjusting forecasts and changing expectations, 2021 will be a year of reemergence and growth in the construction industry. Rising construction costs and labor shortages persist, challenging the industry to innovate competitive new ideas, while stricter regulations contribute to a reduced margin for error and waste.

The COVID-19 pandemic has affected the construction industry's business operations, from scheduling projects to hiring workers to meeting with clients. New technology continues to modify the construction industry, improving the ability to expand jobs, and increasing efficiency.

TECHNOLOGY

"Enormous potential exists for the high technology industry in Maui due to the intellectually stimulating atmosphere created by Maui's beauty and lifestyle, Hawaii's vast and growing high-technology support infrastructure, and the state's geographic position, making it a natural portal between the US and Asian high technology markets." - Lynn Gordon Butterfield, Chief Operations Officer of the Wayne Brown Institute.

Investment in Technology to diversify the economy and further develop the technology sector has been a key focus for the Office of Economic Development and the Maui Economic Development Board. Science, Technology, Engineering, and Math (STEM) initiatives prepare residents to compete for 21st century careers by improving Maui County's capacity to educate, train, and provide skill-based experiences, and to improve the quality of life by encouraging our keiki to enter higher-paying technology occupations. MEDB's High Tech Maui program has been a driving force in attracting business technology to Maui.

ENERGY

Energy is an important and growing cluster in Maui County, and the County is a national leader in renewable energy grid penetration. According to Hawaiian Electric, in 2020 Maui County registered one of the highest percentage of renewable energy use Statewide, with 50.8% of power coming from renewable energy sources. Renewable energy rapidly emerged as a growth sector with great potential

in Maui County over the last decade with the implementation of a number of renewable energy projects, most notably wind and solar. Lana'i led the county in utility-scale solar, with a facility that opened in 2011. A large-scale project also opened in Lahaina in January 2018. Other large utility-scale solar energy projects are already approved to move forward in Kihei and Kahului, with estimated completion in 2022. Three additional utility-scale solar projects are planned for Kihei, Pulehu, and Kahana, all targeting to be online by 2023. Combined, these projects will significantly accelerate the County's goal of achieving 100% renewable energy by 2045, which is also a Statewide goal. The electrification of transportation and energy efficiency are additional growth areas of the County's energy sector.

REAL ESTATE

According to the Realtors Association of Maui, total sales of single family homes in Maui County as of December 2020 increased by \$30.7 million over the year-to-date sales figures for 2019. Total value as of December 2020 reached \$1.24 billion, a 2.5% increase. Year-to-date sales volume decreased by 65 units to 1,055 units with the average selling price increasing \$95,147 over the average price for 2019. The 2020 average selling price grew to \$1,175,950; and, the median single family home price increased \$54,398 to \$795,575. The inventory of single-family homes for sale also decreased by 17.1% and sellers continued to receive, on average, 97.0% of list price. The average length of time a home was offered for sale in 2020 increased by 2 days to 135 days. These statistics indicate that the market continues to be favorable for sellers, and single-family homes continue to be in high-demand.

As of December 2020, Maui County's condominium total sales were \$40 million less than in 2019, a 3.6% decrease, and sales totaled \$1.09 billion. Mirroring the decline in sales dollars was the number of units sold, which decreased 17.0% for a total of 1,336 sales. Average selling price increased 16.1% to \$813,762. The median price increased \$54,400 or 10.5% to \$570,000 per condo.

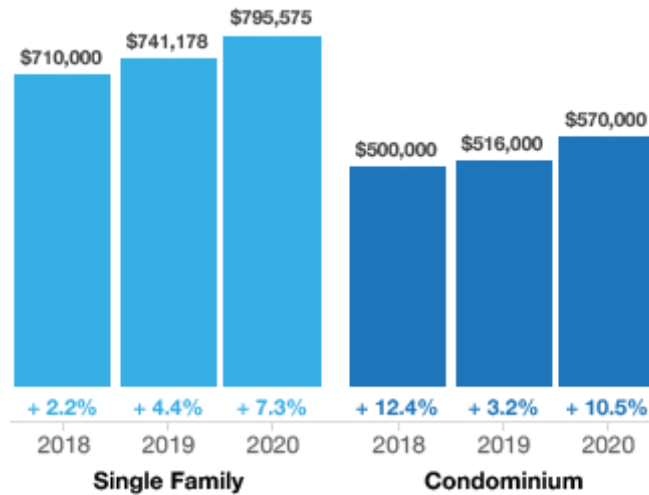

ATTAINABLE HOUSING

State and County analyses indicate Maui County will need to produce approximately 10,404 housing units by 2025 to meet the needs of the Maui County's workforce. Beginning in FY 2022 the County will appropriate a minimum of 3 percent of the annual revenue from real property taxes to address Maui County's housing shortage. This is up from a 2 percent minimum in prior years. The County has also supported the First-Time Home Buyers program, since FY 2019 continued to expand this program through FY 2021. Through attainable housing programs and supporting the development of affordable housing, the County continues to take action and make strides toward increasing housing inventory.

Budget Overview

Mayor's Proposed Budget
FY 2022

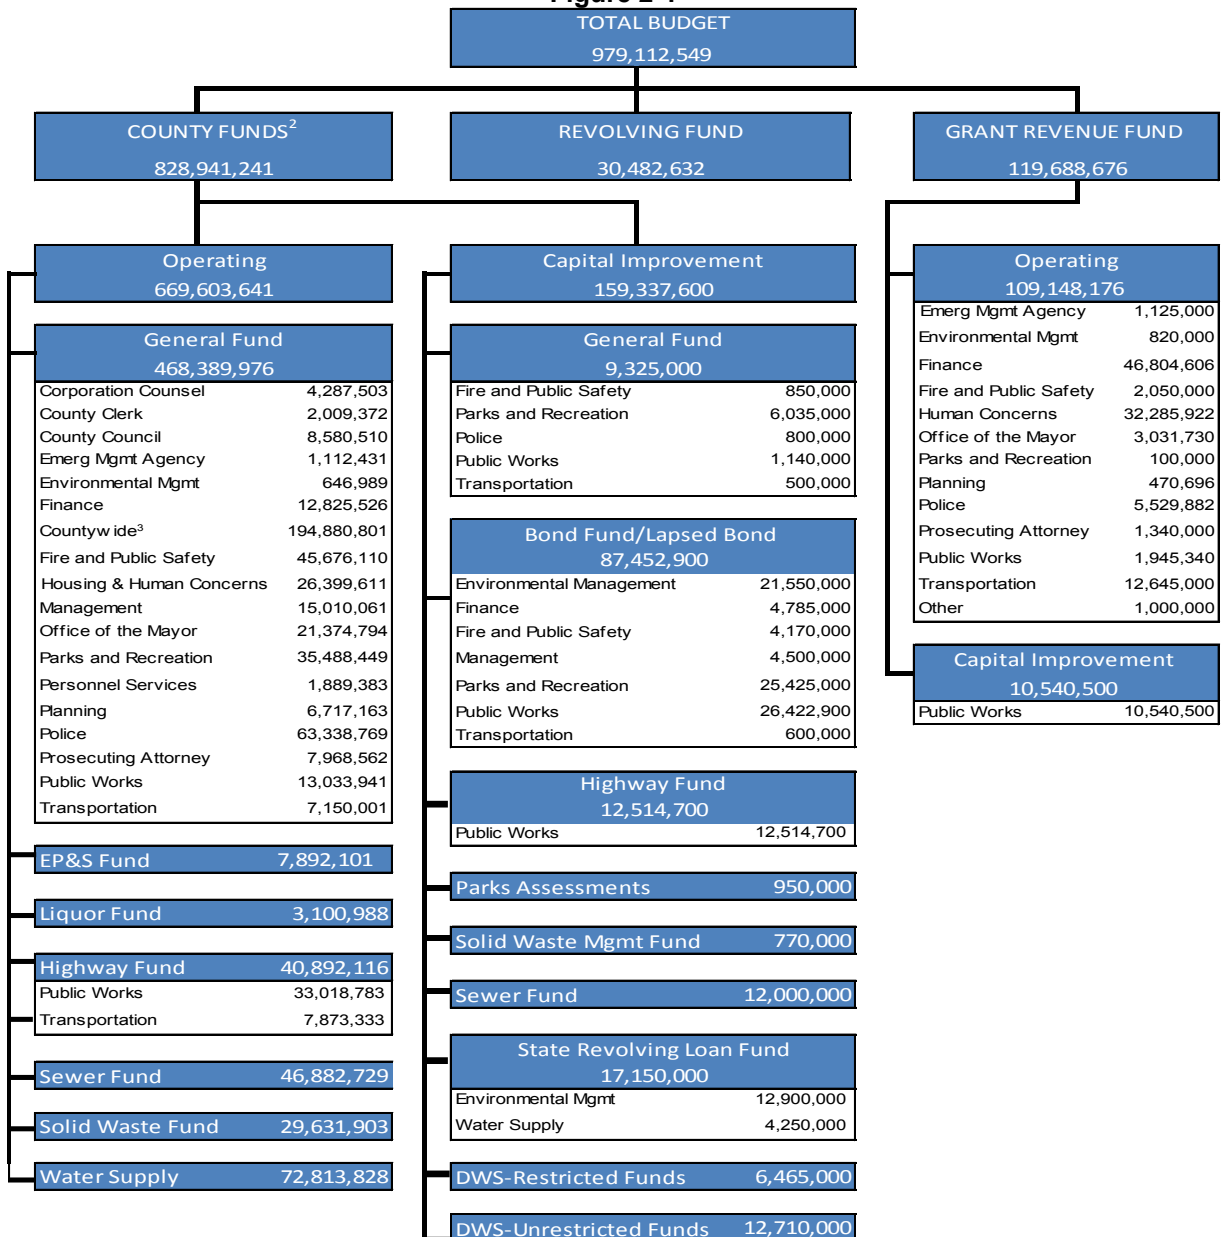

★ This page has been intentionally left blank. ★

Budget Overview

This section provides a broad overview of the FY 2022 Mayor's Proposed Budget. County Fund sources include General, Special Revenues and Enterprise Funds. The General Fund is of particular importance to our residents as it provides for many basic services, such as human services, police, fire, and parks. Special Revenue Funds include Liquor; Highway; Environmental Protection and Sustainability; Sewer; and Solid Waste, and are restricted to specific uses. Water Supply is an enterprise fund supported by fees charged for the services provided. Detailed presentations of the county's historical and adopted revenues, expenditures, and equivalent personnel can be found in the Financial Summaries section of this book.

FY 2022 Budget Organization Chart¹
Figure 2-1

¹ The Revolving fund is not presented in CAFR but included in this budget to provide an overview of the total funds from all sources.

² True sum may be different due to rounding.

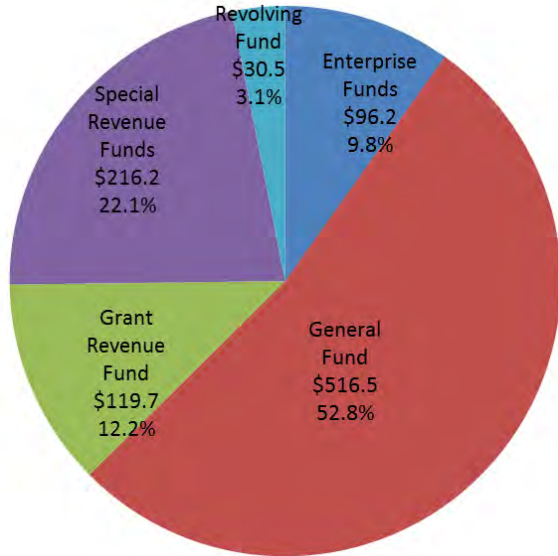

³ The budget for Countywide includes insurance, debt service payments, interdepartmental transfers and unreimbursed employee benefits.

Budget Overview

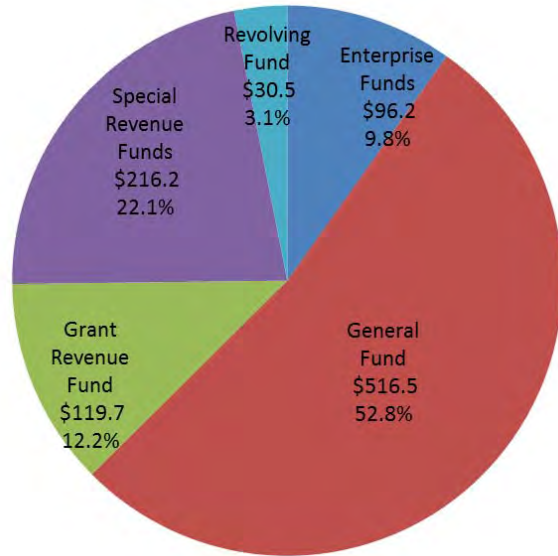

FY 2022 Revenues and Expenditures

The County of Maui's FY 2022 revenues and expenditures from all sources of funds total \$979.1 million. The charts below demonstrate that the FY 2022 budget proposed by the Mayor is balanced as required by the County Charter, defined as "estimated revenues, proposed expenditures and total appropriations for the ensuing fiscal year shall be equal in amount."²

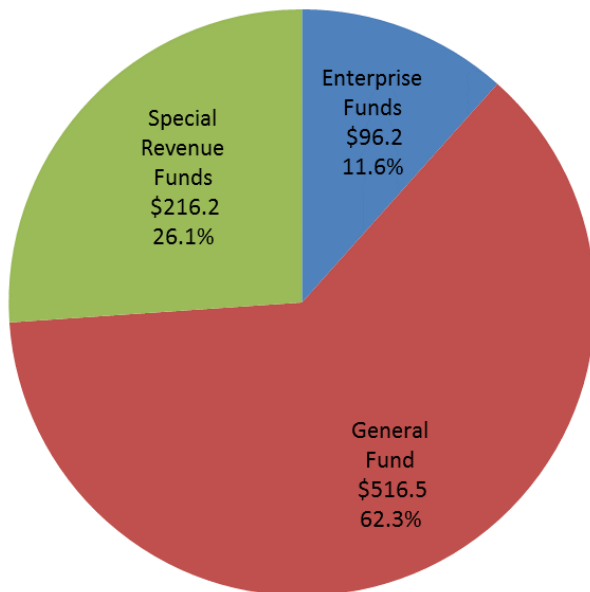

ALL SOURCES OF FUNDS: \$979.1M

COUNTY SOURCES OF FUNDS: \$828.9M
Total Resources by Revenue Source
Figure 2-5 (in Millions)

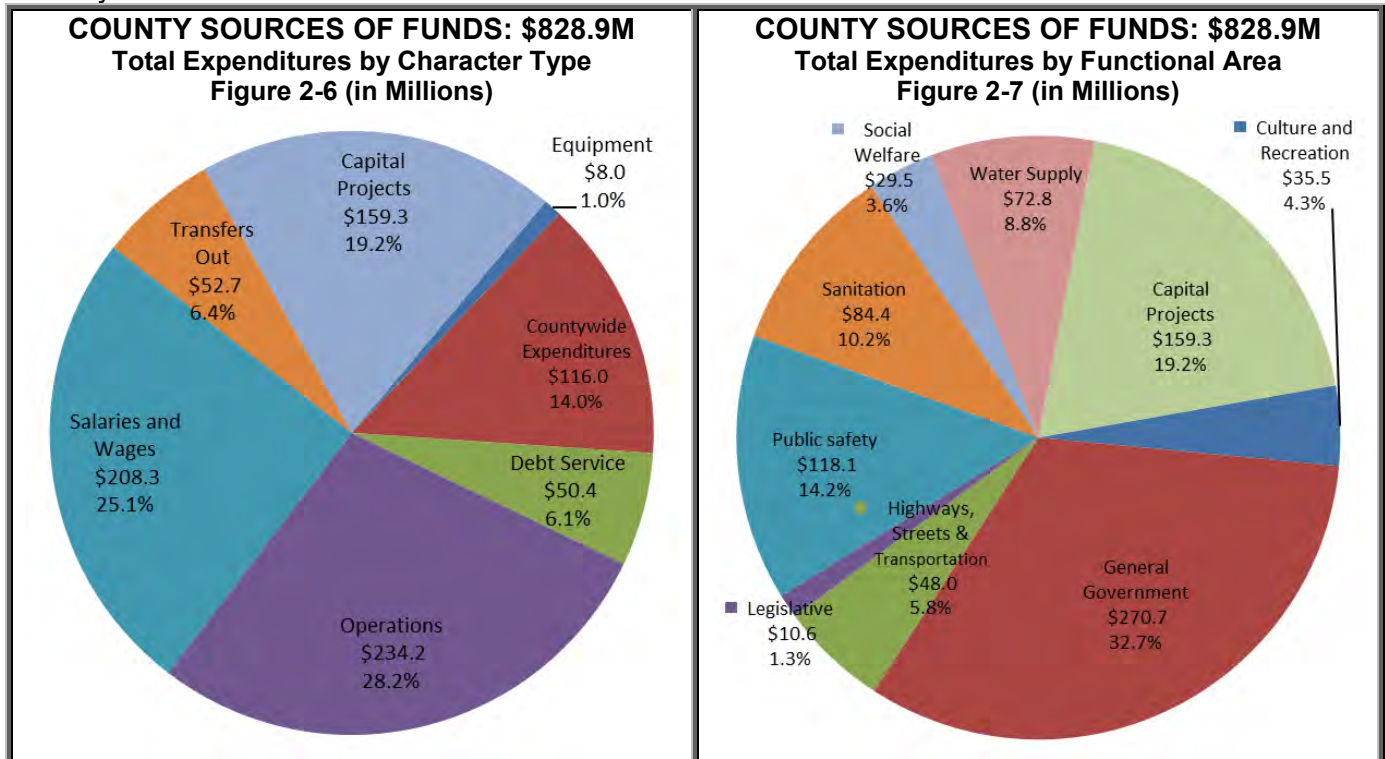

² Due to the accounting of the Grant and Revolving Fund, revenues reflect the expected expenditures for the ensuing fiscal year. Anticipated revenues shown in the Budget Ordinance, Appendix A may be different from estimates presented on the charts/tables in this budget book.

Budget Overview

FY 2022 Revenues and Expenditures (Cont'd)

On the prior page, Figure 2-5, Total Resources by Revenue Source, illustrates the four largest sources of the county's revenue are derived from Real Property Taxes (RPT) at 44.8%, Charges for Current Services at 18.3%, Bond/Lapsed Bond at 10.5%, and Carryover Savings at 10.2%. For detailed discussion on revenues, please refer to the Revenue Overview in the Financial Summaries section of this budget book.

The pie charts below outline the County's Sources of Fund for Total Expenditures by Character Type and by Functional Area.

As shown in Figure 2-6, Operations, Salaries and Wages, and Capital Improvement Projects make up the largest portions of the county's total budget at 28.2%, 25.1%, and 19.2% of the total, respectively. These categories represent ongoing costs of delivering county services throughout the County. Countywide Expenditures, Debt Service and Transfers Out are categorized as part of special operations costs. The table on the next page provides the Operating Expenditures by Character Type, at the department level.

The Total Expenditures by Functional Area, Figure 2-7, shows the largest expenditures are from General Government, Capital Improvement Projects, and Public Safety functional areas at 32.7%, 19.2%, and 14.2%, respectively. The General Government functional area includes the following departments: Corporation Counsel; Environmental Management's Administration; Finance; Management; Office of the Mayor; Personnel; Planning; and Public Works' Administration, Engineering, Special Maintenance, and Development Services Administration programs. The Public Safety functional area includes the following departments: Emergency Management Agency; Fire and Public Safety; Police; and Prosecuting Attorney. For an explanation of other functional areas, please refer to the Financial Summaries section of this book. Some departments and agencies encompass programs and activities that could be assigned to more than one functional area. Therefore, some of the assignments do not follow strict budget schedule groupings but instead reflect primary mission or purpose of a department or agency.

NOTES:

¹ The budget for Countywide Costs includes insurance, debt service payments including Water Supply, inter-departmental transfers and unreimbursed employee benefits.

² Total amount does not include budgeted expenditures for the Capital Projects, Grant Revenues, and Revolving Fund.

FY 2022 Equivalent Personnel ("E/P")³

The County of Maui's FY 2022 proposed E/P from all sources of funds totals 2,822.9. As shown in Figure 2-9 on the next page, the total E/P by major fund type is detailed as follows: General Fund 72.8%; Special Revenue Fund 14.8%; Enterprise Fund 7.9%; Grant Revenue Fund 3.3%; and Revolving Fund 1.2%. The proposed E/P count of 2,822.9 is a decrease of 1.5 or 0.1% from the FY 2021 adopted E/P count of 2,824.4.

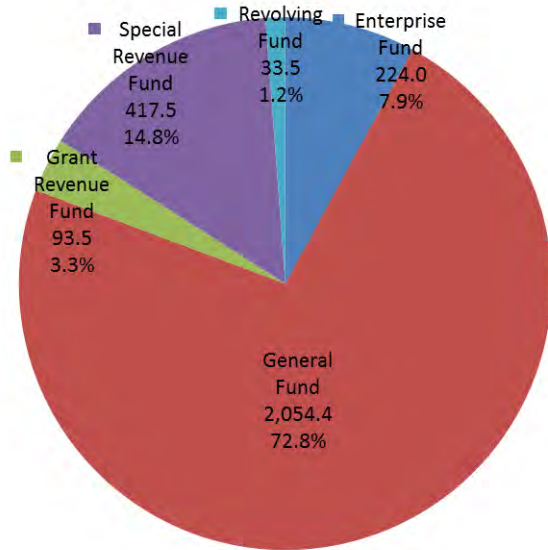

The FY 2022 proposed total E/P from County Fund sources is 2,695.9. As shown in Figure 2-10 on the next page, the General Fund makes up 76.2% of the total County Fund E/P; the Special Revenue Fund 15.5%; and the Enterprise Fund 8.3% of the total. The total E/P count funded by County Fund sources for FY 2022 as proposed is an increase of 10.3 or 0.4% from the FY 2021 adopted E/P of 2,685.6. Please refer to the FY 2022 Summary of Organizational Changes section starting on the next page for brief explanations of the changes in the E/P count by department.

³ Total does not include Council Services, County Clerk, and Office of the Mayor as these departments do not report equivalent personnel. Disbursement for salaries and premium pay is not restricted by Section 5 of the County's General Budget Provision.

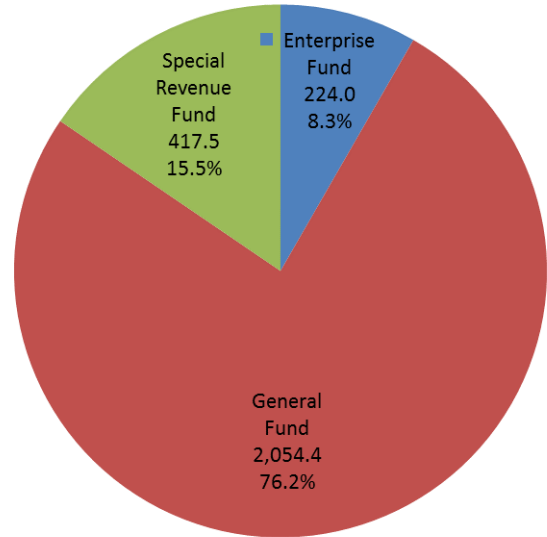

Budget Overview

Summary of Organization Changes

As part of continued efforts to improve services to our residents and visitors, the Mayor proposes a modest number of changes in the County's organizational structure beginning in FY 2022. These changes and implementation of identified key service improvements are anticipated to assist the County in accomplishing the goal of providing the highest possible level of services in the most efficient and cost-effective manner.

Furthermore, these additional changes are anticipated to occur as part of the current administration's ongoing management review process to provide efficient delivery of service, reduce duplication of efforts, and meet additional or expanded needs.

Explanation of Organization Changes Related to Personnel

Figure 2-13

DEPARTMENT	FY 2021 ADOPTED	FY 2022 PROPOSED	CHANGE NO. OF E/P	EXPLANATION OF CHANGES
Environmental Management	244.0	244.0	0.0	Transfers of 1.0 Recycling Specialist III and 0.5 Account Clerk III from Environmental Protection and Sustainability (EP&S) Program - EP&S Fund to EP&S Program - Revolving Fund.
Finance	173.8	176.8	3.0	Proposed expansion position for 1.0 Tax Clerk under Administration Program, 1.0 Property Valuation Analyst I under the newly created Real Property Assessment Program, and 1.0 Storekeeper I under Purchasing Program.
Fire and Public Safety	400.5	390.0	-10.5	The suspension of the State of Hawaii Makena Lifeguard Services grant by the Department of Land and Natural Resources resulted in of -9.5 Ocean Safety Officer II positions and -1.0 Ocean Safety Officer IV position.
Parks and Recreation	431.4	432.4	1.0	Proposed expansion position for 1.0 Park Security Officer under the Administration Program.
Planning	79.5	80.0	0.5	Proposed 0.5 E/P increase for Planner III under Administration and Planning Program, HT to FT Status.
Police	558.7	560.2	1.5	Proposed expansion positions for 1.0 Public Safety Aide and 1.0 Police Evidence Custodian I under Uniformed Patrol Services Program; -0.5 adjustment in E/P for positions partially funded by COPS grant and partially funded by the General Fund.
Prosecuting Attorney	92.5	91.5	-1.0	State grant funds for the Victim/Witness Assistance and Career Criminal Programs will not be available in FY 2022, resulting in -1.0 Victim/Witness Counselor II position and the transfer of 1.0 Deputy Prosecuting Attorney to the general fund.
Public Works	299.3	303.3	4.0	Proposed expansion positions for 4.0 Park Caretaker I under Engineering Program for facilities/groundskeeping maintenance at new County facilities.
TOTAL¹	2,279.7	2,278.2	-1.5	

NOTE:

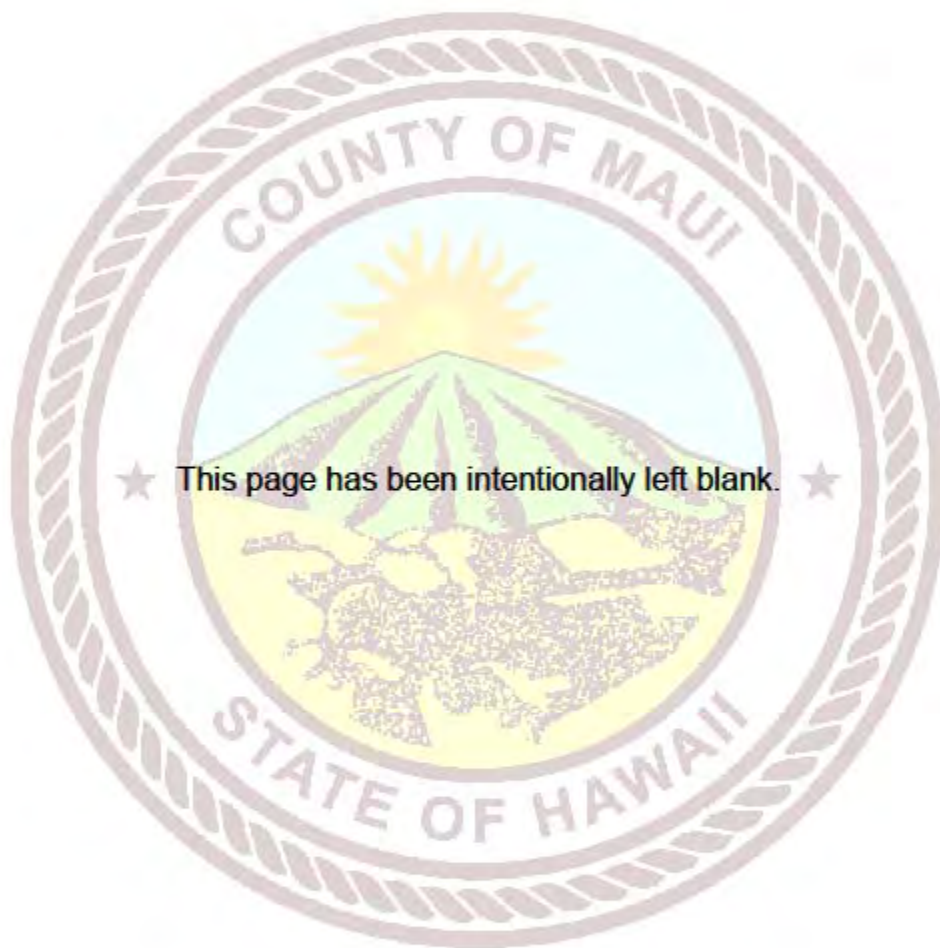

¹ Totals reflect those departments with organizational changes only, including Grant Revenue and Revolving Funds. For detailed summaries relating to E/P by department, please refer to the Financial Summaries section of this budget book.

Budget and Financial Policies

Mayor's Proposed Budget
FY 2022

★ This page has been intentionally left blank. ★

Budget and Financial Policies

The Declaration of Policy, pursuant to Section 3-9 of the Revised Charter of the County of Maui (1983), as amended, along with the following laws and standards, govern the County of Maui's budget formation and reporting:

- Generally Accepted Accounting Principles ("GAAP")
- Government Finance Officers Association ("GFOA")
- Criteria for Distinguished Budget Award
- GFOA's Best Practices
- Constitution of the State of Hawaii
- Hawaii Revised Statutes ("HRS")
- Revised Charter of the County of Maui (1983), as amended ("Charter")
- Maui County Code ("MCC")

Budget Guidelines

The development of the FY 2022 Operating and Capital Budgets was guided by four core principles:

- Public Involvement
- Long-Range Planning for Operations and Capital Improvements
- Efficient and Effective Operations
- Public-Private Partnerships

The Administration involved the public in the development of budget priorities through countywide public budget meetings held in October 2020 to discuss funding priorities.

The County of Maui's long range planning decisions are based on each of the eight community plans and the County of Maui 2030 General Plan, Countywide Policy Plan, as adopted by Ordinance 3732 (2010).

The FY 2022 budget continues to focus on performance measures and the alignment of department strategies and program activities with the Strategic Vision. The objectives and measures outlined in the department's program descriptions state the specific contributions each department will make toward accomplishing its mission and goals for the ensuing fiscal year. Program goals and objectives are reviewed and updated annually by departments, in consultation with the Department of Management, in response to changing community needs and the availability of resources.

The Administration continues to maximize limited resources through partnerships with public agencies and private organizations. The County has a long history of partnering with non-profit and community organizations to provide essential services to its citizens. This is not only cost-effective, but also promotes cooperative functionality and leveraging of resources between the County, non-profit, and community partners.

Supporting capital improvement projects ("CIP") with the County's future in mind was a guide in developing the FY 2022 Budget. The County CIP Coordinator, Budget Director and Department personnel reviewed the various projects and rated them on various criteria including: long-term community benefit; alignment with strategic plan; critical replacement or needed expansion; expected useful life; effect on operating and maintenance costs; effect on revenue; department priority schedules; availability of non-county funds; and the ability to be completed before lapsing of appropriated funds.

Budget and Financial Policies

Budgetary Process

The fundamental purpose of the County's budget is to link the County's goals for the community with the resources necessary to accomplish them. The budget process also establishes objectives, reasonable timeframes, organizational responsibility for achieving them, and resource allocation for programs and projects. To this end, the budget serves four roles:

- Policy Document
- Fiscal Plan
- Operational Plan
- Communication Tool

The fiscal year begins on the first day of July and ends on the thirtieth day of June, but the budget process is a year-round continual process. The Budget Office prepares and submits instructions for development of the next fiscal year's department proposed budgets shortly after the beginning of the current fiscal year. Budget hearings are conducted throughout the county to garner input from the public during the administration's preparation of the budget. County Departments review program priorities and submit their proposed program budgets to the Mayor.

The Budget Office is responsible for reviewing, analyzing, coordinating all departmental budgetary requests, and presenting these requests to the Mayor for final decisions. By Charter, the Mayor's budget proposal must be submitted to the County Council on or before the twenty-fifth day of March.

Section 9-3 of the Charter provides, in part, that "the budget shall present a complete financial plan for the operations of the County and its departments for the ensuing fiscal year, showing all County funds on hand whether encumbered or unencumbered and estimated reserves and revenues. It shall be set up as provided by the Council after consultation with the Mayor. The estimated revenues, proposed expenditures and total appropriations for the ensuing fiscal year shall be equal in amount." The Charter also outlines specific requirements for the Mayor's accompanying budget message.

The Charter also provides that "a public hearing must be held by the County Council on the proposed budget and Capital Improvement Program no sooner than the first day of April and no later than the thirtieth day of April of the year of submission. At this hearing, all attendees interested in testifying shall have an opportunity to be heard. At least two weeks before the hearing, the County Council must publish in a newspaper of general circulation in the county general summaries of the budget and Capital Improvement Program and a notice setting out the time and place for public hearing."

Pursuant to the Charter, after the public hearing, the County Council may pass the budget with or without an amendment. If amending, it may add new items or increase items in the budget. It may decrease or delete items, except for appropriations required by law and appropriations to pay any indebtedness. In all cases, the estimated revenues, proposed expenditures and total appropriations for the ensuing fiscal year must be equal in amount.

Budget and Financial Policies

Budget Process Calendar

The County Charter provides that the Council must pass the budget on or before the tenth day of June of the fiscal year currently ending. If it fails to do so, the budget submitted by the Mayor will be deemed enacted as the budget for the ensuing fiscal year. The enacted budget will be in effect on and after the first day of the fiscal year to which it applies. By virtue of the adoption of the budget, including a budget ordinance and capital improvement program, amounts listed as appropriations must be allocated to the specified departments and programs.

¹ NOTE: Calendar is based on prior years and requirements pursuant to the Revised Charter of the County of Maui (1983), as amended. On March 4, 2020, the Mayor of the County of Maui, and the Governor of the State of Hawaii, issued Emergency Proclamations. These proclamations and the COVID-19 outbreak in the State of Hawaii may impact the noted budget calendar and timeline.

Budget and Financial Policies

A Balanced Budget is Required

As required by County Charter, the Mayor must submit and the County Council must adopt, a balanced budget. The County Charter defines a balanced budget as “the total estimated revenues (from taxes, fees and assessments, and other sources) shall equal the total appropriations (operating and capital expenditures).”

Budget Control

Budgets are monitored at varying levels of classification detail. However, as a budgetary control policy, expenditures cannot exceed total appropriations at the program and category levels for budgeted funds. The budget is controlled at the following levels:

- Unless otherwise provided by the General Budget Provisions, appropriations for each program are disbursed for the following categories of use: (a) salaries, premium pay, or reallocation pay; (b) operations or services; and (c) equipment.
- County Council must authorize by resolution any transfer of appropriations from one category to another and/or one program to another within the department.
- County Council must authorize all budget amendments that alter the total appropriations of a particular program or line-item, by ordinance.

By Charter, every appropriation, except an appropriation for capital improvement, lapses at the close of the fiscal year unless it is expended or encumbered by a written contract. Appropriations for capital improvements lapse six months after the close of the fiscal year to the extent that they have not been expended or encumbered by a written contract.

Various controls are in place to assure adherence to budgetary limitations. These include approval requirements from the Mayor, Managing Director, and Budget Director on various requests from Departments/Agencies. Stricter monitoring and approvals are in place for expenditures in the areas of travel, unbudgeted equipment purchases over \$1,000, grant subsidies, and personnel actions such as recruiting for vacant positions and reallocation of existing positions.

Budgetary Basis of Accounting

The basis of budgeting is the method used to determine when revenues and expenditures are recognized for budgetary purposes.

The County of Maui’s budget is adopted on a modified accrual basis consistent with GAAP, except that encumbrances are treated as budgeted expenditures in the year commitments are made. Accordingly, the actual expenditures on a non-GAAP budgetary basis presented in the fund financial statements represent the current year’s expenditures as recorded using the modified accrual basis, plus encumbrances at the year-end, less expenditure related to amounts encumbered in the prior year. With the modified accrual basis of accounting, revenues are recognized when they become available and measurable and expenditures as they are made. In comparison, the government-wide and proprietary fund type financial statements in the Comprehensive Annual Financial Report (“CAFR”) must be recorded on a full accrual basis. Under this method, revenues are recognized when earned and expenses are recognized when goods or services have been received or a liability has been incurred.

Budget and Financial Policies

Amending the Budget

The adopted budget may be amended at any time within a fiscal year. The Mayor or the Council may initiate changes to their respective operating budgets. Sections 9-9 and 9-10 of the Charter control the amendment procedures.

The Mayor may propose to amend the budget for that year as follows:

➤ Supplemental Appropriation

A supplemental appropriation may be submitted up to the amount of the additional certified revenues. The Mayor must certify that there are available revenues/funds for appropriation: (a) revenues received from sources not anticipated in the budget for that year; or (b) revenues received from anticipated sources but in excess of the budget estimates; or (c) estimated revenue to be reimbursed by federal or state agencies to the county.

➤ Reduction of Appropriation

If it appears probable that the revenues available will be insufficient to meet the amount appropriated, a bill must be passed to reduce one or more appropriations; but no appropriation to pay any indebtedness may be reduced, and no appropriation may be reduced by more than the amount of the unencumbered balance or below any amount required by law to be appropriated.

➤ Transfer of Appropriation

Unencumbered appropriation balances may be transferred within a department by resolution or from one department to another by ordinance. No transfer will be made from an appropriation to pay any indebtedness, and no appropriation may be reduced below any amount required by law to be appropriated.

➤ Permission to Exceed Budget

An emergency appropriation may be passed in cases of public emergency threatening life, health, or property. If there are no available unappropriated revenues, the county may authorize the issuance of emergency notes, which must be paid not later than the last day of the fiscal year next succeeding in which the appropriation was made. The total of emergency appropriations in any fiscal year must not exceed one percent (1%) of the total operating appropriations (excluding the debt service) made in the operating budget for that year.

Budget Implementation Reports

A budget implementation report must be transmitted for each county agency/department within thirty days after the end of each quarter of the fiscal year. The implementation report must include: a report of each position vacant for ninety days or more as of the end of the report period; a status report of each agency/department's program objectives and performance measures; and a status report of all active capital improvement projects. The budget implementation reports were overhauled in Fiscal Year 2013 and are now transmitted to the Maui County Council on a quarterly basis separate from the quarterly reports submitted by the Department of Finance.

Surplus and Reserves

Any unappropriated surplus and any unencumbered balances of any appropriations in any fund at the end of any fiscal year will be available for appropriation for the succeeding fiscal years. All or a portion of the surplus may be transferred to any emergency fund or to a capital improvement reserve fund. No amounts transferred into an emergency reserve fund or a capital improvement reserve fund shall be deducted from amounts to be raised by taxes for ensuing years.

Budget and Financial Policies

Fund Balance Policy

Fund balance is the difference between assets and liabilities reported in a governmental fund at the end of the fiscal year. Governmental entities seek to maintain adequate levels to mitigate current and future risks, to ensure stable tax rates and for long-term planning. Bond-rating agencies carefully monitor levels of reserved and unreserved fund balances in a government's general fund to evaluate the entity's creditworthiness.

The County of Maui shall strive to maintain certain fund balances at 5% - 15% of fund revenues to provide financial stability to county operations. These funds make-up the unassigned fund balance which combined with the Emergency Fund, provide a prudent level of financial resources to protect against the need to reduce service levels or raise taxes and fees due to temporary revenue shortfalls or unpredicted one-time expenditures.

The Emergency Fund was initially established in Fiscal Year 2005 with a \$4 million appropriation from the General Fund. The purpose of the Fund is for to provide for public emergency threatening life, health, or property. The Emergency Fund Balance does not lapse and can be appropriated by County Council through an ordinance pursuant to Section 9-9 of the County of Maui Charter. In 2012, a policy to increase the Emergency Fund to 20% of General Fund revenue was implemented as a part of a prudent reserve strategy. This is based on GFOA's best practice recommendation to have at least two months' worth of funds available in reserves.

The County defines the Reserved Balances in accordance with GASB 54 as follows:

- **Restricted Reserves:** These reserves are not available for spending and are legally restricted by outside parties for a specific purpose. These may be contractual obligations, prepaid expenses, debt reserve requirements, or statutory restrictions.
- **Committed Reserves:** Amounts that can only be used for specific purposes pursuant to constraints imposed by formal County Council action. These may include an authorization to use certain revenues for a specific purpose.
- **Assigned Reserves:** Amounts intended to be used for a specific purpose. These reserves may be released by either Council action or by results of operations.
- **Unrestricted or Unassigned:** Amounts may be used for expenditures as appropriated by Council.

Audit of Accounts

Within six months after the beginning of each fiscal year, the County Council shall provide for an independent audit of the accounts and other evidences of financial transactions of the county and of all operations for which the county is responsible. In 2020, licensed independent auditors from the Oahu-based firm, N&K CPAs, Inc. audited the financial statements and found that they "present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the County of Maui as of June 30, 2020, and the respective changes in financial position and, where applicable, cash flows thereof for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America."

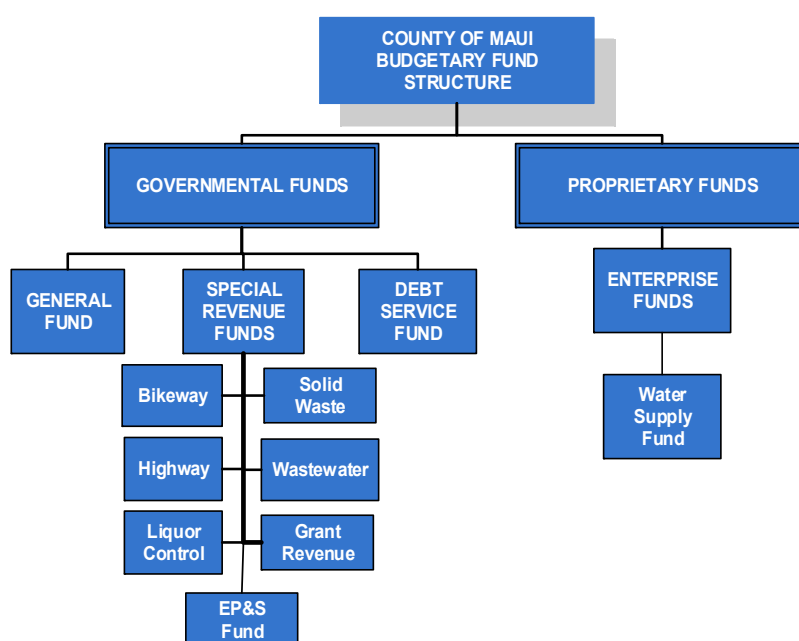

Budget and Financial Policies

Budgetary Fund Structure

A fund is a grouping of related accounts, used to maintain control over resources that have been segregated for specific activities or objectives. The County's funds can be divided into three categories: Governmental, Proprietary, and Fiduciary. The County's budget and financial statements do not reflect the use of Fiduciary Funds. As such, the County's budget presented is categorized into two fund groups and planned uses for these fund types are subject to appropriation in the annual budget.

1. *Governmental*
2. *Proprietary*

Figure 3-2

Governmental Funds

Governmental Funds are those through which most governmental functions of the county are financed. This is accounted for using a current financial resources measurement focus. The primary revenue sources are real property tax, Transient Accommodations Tax ("TAT"), public service company tax, fuel and franchise taxes, rents and concessions, sewer charges, landfill usage charges, grants, and interest from investments. The following is a brief summary of the county's Governmental Funds, by fund types: General and Special Revenue Funds.

- **GENERAL FUND** The General Fund is the largest of the county's funds. The following is a brief summary of the county's General Fund:
 - **General Fund** – The General Fund accounts for all financial resources except those required to be accounted for in another fund. These revenues come from four major sources: Real Property Taxes; TAT; Public Service Company Taxes; intergovernmental revenue; and other revenues. General funds are used to provide resources for the County, including police, fire, parks, golf, culture, economic development, and general government.

Budget and Financial Policies

- **SPECIAL REVENUE FUNDS** The Special Revenue Funds were established to account for the proceeds of specific revenue sources that are legally restricted or committed to expenditure for specified purposes. The following is a brief summary of the county's Special Revenue Funds:
 - ***Highway Fund*** – The Highway Fund was established for fuel tax, public utility franchise tax, public transit fares, and motor vehicle weight tax. These revenues are used for acquisition, design, construction, improvement, repair, and maintenance of county roadways; streets, street lights, public transit, and storm drains and bridges. Revenues are also used for purposes and functions connected with mass transit.
 - ***Sewer Fund*** – The Sewer Fund was established to receive all revenue derived from the monthly sewer charges, assessments, and service charges for pumping of cesspools, septic tanks, etc. Revenue is expended for the repair, operation, and maintenance of the wastewater facilities/sewer systems, including debt service.
 - ***Grant Revenue Fund*** – The Grant Revenue Fund is legally restricted to expenditures for specific purposes and provides a cost-sharing alternative for programs and projects. The major programs for this fund include Community Development Block Grant funds, Section 8 Rental Subsidy Program, other public housing funds, human services funds, and various other smaller grant allocations. Although this fund is not part of the appropriation, the County recognizes the amount of resources that this fund provides. As such, a separate section is presented in this budget document for this fund.
 - ***Liquor Control Fund*** – The Liquor Control Fund receives revenue from all liquor license fees. Fund revenues are expended for the operation and administration of the Liquor Control Commission, Liquor Control Adjudication Board, and the Department of Liquor Control. The county's Integrated Financial Accounting System reports this fund type as part of the General Fund. However, for budgetary purposes, the practice has always been that this fund type is included as part of the Special Revenue Funds.
 - ***Bikeway Fund*** – The Bikeway Fund was established to collect revenue from bicycle licenses. The revenue is expended for bikeway construction and maintenance.
 - ***Solid Waste Management Fund*** – The Solid Waste Management Fund was established to receive all refuse collection fees and landfill disposal charges. The fund is used for the operation and maintenance of the county's collections and disposal program.
 - ***Environmental Protection and Sustainability ("EP&S") Fund*** - The EP&S Fund was established for the purpose of funding efforts of the Department of Environmental Management, EP&S Program, to optimize opportunities for environmental and natural resource protection, sustainability, conservation, and restoration.
- **DEBT SERVICE FUND** The Debt Service Fund accounts for the accumulation of resources necessary to pay principal and interest payments on general long-term debt obligations and is shown in the county's financial statements.
- **COUNTY FUND** The County Fund or Revolving Fund, except for the Housing, Interim Financing, and Buy-Back Revolving Fund, is not presented as part of the financial statements but is shown in this budget document for informational purposes. See the General Budget Provisions for more information. The balance remaining in each revolving fund is included in Appendix A, Part II, Special Purpose Revenues in the budget ordinance.

Budget and Financial Policies

Proprietary Funds

Proprietary Funds are accounted for using the “economic resources” measurement focus and the accrual basis of accounting. Operating revenue in the Proprietary Fund are those revenues that are generated from the primary operations of the fund. The principal operating revenues of the County’s enterprise funds are charges to customers for sales and services, while operating expenses for enterprise fund includes the cost of sales and services, administrative expenses, and depreciation on capital assets. The following is a brief summary of the County’s major proprietary funds:

- **Department of Water Supply** - This fund is an Enterprise Fund, which was established to receive revenue for water sources collected by the Department of Water Supply. The Department was created to develop adequate water sources, storage, and transmission for both general consumer and agricultural uses for the County. The revenue is expended for the operation, maintenance, and capital improvement projects of the Department of Water Supply.
- **Housing, Interim Financing, and Buy-Back Revolving Fund** – This fund was established to account for the developing and selling of housing units on land acquired by the County to moderate and low-income residents, and to account for financing and operation of low-income rental projects developed by the County.

Fiduciary Funds

Fiduciary Funds account for money received, held, and disbursed in a trustee capacity or as an agent for individuals, other governmental units, and other funds. As mentioned earlier, Fiduciary Funds are not reflected in the county’s budget and financial statements, however, this type of fund is discussed in this section for informational purposes only.

The County’s Fiduciary Funds represent Refundable Deposits Fund and Agency Funds. Agency Funds are custodial in nature (assets equal liabilities) and do not involve measurement of results or operations. Agency Funds are accounted for under the accrual basis of accounting. Also, reserves and expenditures for Fiduciary Funds are not presented in the CAFR. However, the year-end balances held in Fiduciary Funds are provided in the CAFR. Fiduciary Funds of the county include the following:

- *Refundable Deposits Fund* – This fund is used to account for the bid bond, performance and payment bond, and subdivision bond monies held by the County until the purpose for which the bond was posted is completed.
- *Agency Funds* – These funds are used to account for other monies collected in an agency capacity and include motor vehicle registration fees collected on behalf of the State of Hawaii and taxes withheld from employee pay.

Capital Budget Policy

The capital program includes detailed budget requests for the ensuing fiscal year and a plan of projects for the subsequent five years. The capital budget includes the estimated cost of each improvement and the anticipated method of financing. Each capital improvement project shall include a forecast of the effect the project will have on future year’s operating budgets, in terms of staffing and maintenance costs. The Capital Improvement Program is reviewed by the Department of Planning to ensure coordination with the County’s community plans.

1. Section 9-6 of the Charter, requires that the capital program contain at least the following:

Budget and Financial Policies

- a. A simple, clear general summary of the detailed contents of the program.
 - b. The capital improvements pending or proposed to be undertaken within the ensuing fiscal year, together with the estimated cost of each improvement and the pending or proposed method of financing it.
 - c. The capital improvements proposed for the five (5) years next succeeding the ensuing fiscal year, together with the estimated cost of each improvement and the proposed method of financing it.
2. Capital expenditures to be financed from current revenues in the ensuing fiscal year shall be included in the budget as well as in the capital program. Appropriations for such expenditures shall be included in the budget.
3. After the public hearing on the capital program, the Council may pass the program with or without amendment.
4. The Council shall pass the capital program on or before the tenth day of June of the fiscal year currently ending. If it fails to do so, the program submitted by the Mayor shall be deemed enacted as the program for the ensuing fiscal year. The enacted program shall be in effect on and after the first day of that fiscal year.
5. At any time during a fiscal year the capital program may be amended by ordinance.

Capital Budget Process

The baseline for the department's FY 2022 capital budget requests was the FY 2021 – FY 2026 CIP plan as adopted by the County Council. Capital projects proposed by the departments with appropriation requests in FY 2022 and not approved by the Mayor or County Council may be re-evaluated and included in future budgets requests.

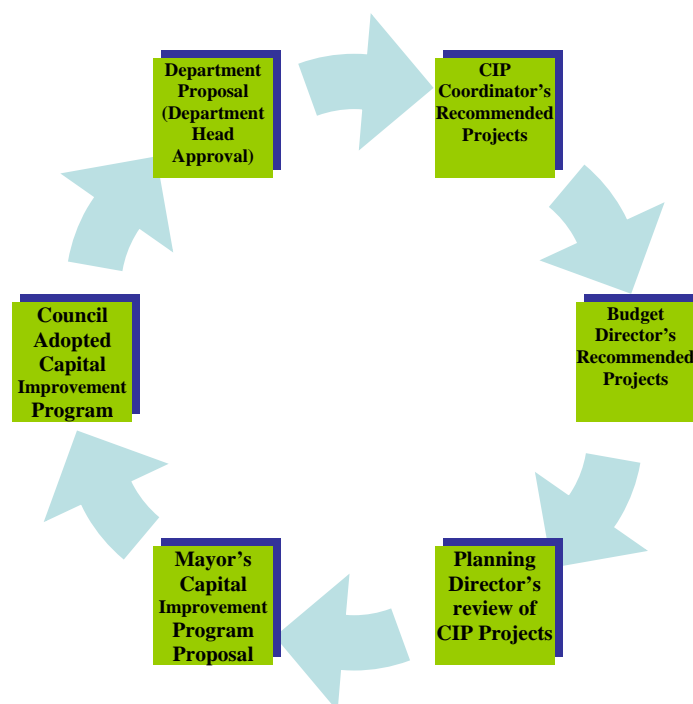

County departments collected and updated relevant information pertaining to the current CIP plan. Community meetings were held in October 2020 to gather public input regarding the County's capital needs. Any capital projects with appropriations in the FY 2020 budget and anticipated to be unexpended, unencumbered, or not completed prior to December 30, 2020 were reported to the Budget Office. Capital projects that no longer needed to be included in the FY 2022 – FY 2027 CIP plan were not promoted to the next approval level and remain at the department level for historical purposes.

Capital Budget Review and Approval Process

The Countywide CIP Coordinator and Budget Director review all capital projects requested for funding in the ensuing fiscal year and next five years succeeding the ensuing year. The CIP Coordinator and Budget Director, along with the applicable Department Directors, meet to prioritize the proposed projects based on need, safety, readiness, and time frames. The list is then submitted to the Budget Office where the projects are reviewed and prioritized based on funding requirement and constraints. Once completed, the Planning Director, as required by the Charter, reviews the list of proposed capital improvement projects contemplated and recommends the order of their priority to the Mayor for approval.

Budget and Financial Policies

Capital Budget Cycle
Figure 3-3

Financing/Source of Funds

Capital projects are usually funded by sources specifically set aside for capital purposes, such as Highway and other dedicated funds, the proceeds of bond sales, or other long-term financing contracts. Unencumbered appropriations for capital improvement projects lapse six months after the close of the fiscal year.

The capital budget requests are submitted with the amount to be expended from each source (general, special revenues or bond funds) for each fiscal year. The total funding in each fiscal year from the various sources is equal to the planned costs to be incurred in that fiscal year. A single capital project can have multiple funding sources. The following are the sources of funds that can be used for each capital project. The funding source is assigned based on the criteria described.

1. **Bikeway Fund:** All fees collected under HRS 249-14 and 249-14.5 are used for the following purposes:
 - a. Acquisition, design, construction, improvement, repair and maintenance of bikeways, including the installation and repair of storm drains and bridges;
 - b. Installation, maintenance and repair of bikeway lights and power, including replacement of old bikeway lights;
 - c. Purposes and functions connected with traffic control and bikeway safety;
 - d. Payment of interest on and redemption of bonds issued to finance bikeway construction and improvements; and

Budget and Financial Policies

- e. Promotion of bicycling transportation and recreation.
- 2. **General Obligation Bond Fund:** A traditional form of government debt financing for major construction projects. General obligation bonds are subject to the County's debt limit.
- 3. **General Fund:** Also known as Cash CIP, derived from General Fund revenues.
- 4. **Federal Funds:** Usually related to highway and public transportation system projects. Generally, federal funds are provided at the rate of \$4 to \$1 county match for the construction portion of qualifying projects.
- 5. **Highway Fund:** Funding is provided by the County's fuel tax, public utility franchise tax, the motor vehicle weight tax, and public transit fares. These taxes may be used for highway or public transportation-related projects and/or operating expenditures.
- 6. **Lapsed Bond Fund:** Proceeds from the issuance of general obligation bonds that have lapsed. Normally, this type of fund is assigned by the Budget Office based on the calculations from Department of Finance on the bonds that were issued but not completely expended.
- 7. **Other Grant Fund:** Other grant fund sources not identified in other funding sources.
- 8. **Park Assessment Fund:** Derived from park assessment in lieu of land, that is dedicated or paid to the County as a condition of the approval of a subdivision. The funds may be used for the purpose of providing parks and playgrounds to the specific community district that the fund derived from.
- 9. **State Revolving Loan Fund:** Funding available from the State Revolving Fund ("SRF") program administered by the State of Hawaii Department of Health. The SRF program provides low-interest loans to fund construction of drinking water and wastewater infrastructure projects to achieve or maintain compliance.
- 10. **State Fund:** Funding received from state agencies as grant awards.
- 11. **Solid Waste Management Fund:** Funding is provided by fees associated with landfill disposal and refuse collection and can only be used for Solid Waste operations and/or capital projects.
- 12. **Sewer Fund:** All revenues, including but not limited to, service charges, surcharges, and other charges set forth in the annual budget is deposited into the sewer fund and can only be used for Wastewater system operations and/or capital projects.
- 13. **Restricted Water Fund:** This fund was established for the water system development fees collected from new users. This is a fee imposed on applicants for new services to fund a portion of costs to construct water system improvements or to recover the cost of existing water systems made in anticipation of additional demand on the systems. The fees collected are used for projects which will provide additional source capacity, additional transmission pipeline capacity, or additional storage tank capacity for any of the county's water systems.

Budget and Financial Policies

14. **Unrestricted Water Fund:** This fund was established to set aside water revenues for services provided to fund system repairs, maintenance, and facility replacements.

Capital Projects Long-Term Financial Plan

The CIP budget considers the Maui County General Plan, Maui Island Plan, and Community Plans. A capital project must be linked to both the County and department's strategic plans. These linkages are identified in the individual project sheets. Additionally, the CIP implements the General Plan of the County of Maui to the extent practicable. The General Plan is a term for a series of planning documents that will guide future growth and policy creation in the county.

- The Countywide Policy Plan acts as an over-arching values statement and is an umbrella policy document for the Island and Community Plans.
- The Maui Island Plan includes significant and far-reaching policy directives specific to Maui Island and includes a directed growth strategy to focus future urban land uses towards appropriate areas of Maui.
- The Community Plans reflect the unique characteristics of each Community Plan area and enable residents and stakeholders within those areas to address location-specific challenges. These plans are more detailed than the Maui Island Plan, and will include a form-based strategy to define the scope and type of development that will occur in each of these areas.

Debt Policy

The debt management policy includes guidelines and restrictions that affect the amount and type of debt issued by the county, the issuance process, and the management of a debt portfolio. The debt management policy improves the quality of decisions, provides justification for the structure of debt issuance, identifies policy goals, and demonstrates a commitment to long-term financial planning, including a multi-year capital plan. Adherence to the debt management policy signals to rating agencies and the capital markets that a government is well-managed and should meet its obligations in a timely manner. Debt levels and their related annual costs are important long-term obligations that must be managed within available resources.

The creation of general debt by the counties in the State of Hawaii is governed by the Constitution of the State of Hawaii, the applicable provisions of the Hawaii Revised Statutes, and the County Charter. Chapter 47, Hawaii Revised Statutes, is the general law for the issuance of general obligation bonds of counties, and sets forth the provisions relating to the issuance and sale of general obligation bonds, inclusive of details such as method of authorization, maximum maturities, maximum interest rates, denominations, method of sale, form and execution of such bonds, prior redemptions, refunding, and other matters.

General Intent of Debt Policy

Debt is only to be incurred when necessary. The county will confine long-term borrowing to capital assets or equipment that cannot be financed from current financial resources. In an effort to conserve debt capacity, the county shall borrow only when necessary and utilize pay-as-you go financing to the extent possible. Debt is not to be used for operational needs.

Debt financing can include general obligation bonds, revenue bonds, lease/purchase agreements, special obligation bonds, or any other financing instrument allowed under Hawaii Statutes. The county will seek to utilize the least costly and most appropriate form of financing for its capital project needs.

Budget and Financial Policies

Debt Limit

Financial limits: The County will use an objective, analytical approach to determine the amount of debt to be considered for authorization and issuance through the use of key debt ratios. This process involves the comparison of generally accepted standards of affordability to the current County values.

- **Ratio of Annual Debt Service to Operational Expenditures of County Funds** is desired not to exceed 10% of County Fund operating expenditures.
- **Ratio of Net Bonded Debt to Assessed Property Value** shall not exceed 15% of real property value in accordance with state law. The assessment roll for the fiscal year ended June 30, 2020 was at \$51.2 billion giving the county a legal debt margin of approximately \$7.3 billion. With an outstanding debt as of June 30, 2020 of \$384.5 million, the county is significantly below its legal debt limit.
- **Net Bonded Debt Per Capita** should not exceed \$2,500 per capita. The current net bonded debt per capital is \$2,296.

Debt Structuring Practices

The Constitution of the State provides that all general obligation bonds shall be in serial form maturing in substantially equal installments of principal, or maturing in substantially equal installments of both principal and interest. The first installment of principal must mature no later than five years from the date of issue of such series, and the last installment must mature no later than twenty-five years from the date of such issue; except that the last installment on general obligation bonds sold to the federal government on reimbursable general obligation bonds and on bonds constituting instruments of indebtedness under which a county incurs a contingent liability as a guarantor, must mature no later than thirty-five years from the date of issue of such bonds.

The time of the sale will be determined based on legal requirements, existing cash balances from previous financings, acquisition and construction cash draw down requirements, and expectations of needs for new projects to be funded by the financing.

Debt Issuance Practices

➤ Method of Sale

The county shall select a method of sale that shall maximize the financial benefit to the county. Such sales can be competitive or negotiated unless otherwise limited by state law, depending upon the project and market conditions. The selected method of sale shall be the option which is expected to result in the lowest cost and most favorable terms given the financial structure used, market conditions, and prior experience. The County used the negotiated method for the most recent bond sale in September 2020. For the prior two bond sales, the County used the competitive method.

➤ Refunding of Outstanding Debt

The County may consider refunding outstanding debt when financially feasible and consistent with all applicable laws and statutes. A net present value debt savings of at least 3% or greater must be realized before a refunding process begins.

Budget and Financial Policies

➤ **Selection and Use of Professional Service Providers**

The County will provide for a solicitation and selection process for securing all professional services required in connection with any debt issues. This selection will be done on an issue-by-issue basis, will focus on the particular experience and expertise necessary for that issue, and will be made in order to secure such services at competitive prices to the County.

➤ **Use of Bond Ratings and Credit Enhancements**

The County shall maintain good communications with bond rating agencies to ensure complete and clear understanding of the credit worthiness of the County and will follow a policy of full disclosure on every financial report and offering statement. The County strives to maintain an AA+ or better bond rating and does not use credit enhancements such as municipal bond insurance.

Debt Management Practices

This section of the policy provides guidance for ongoing administrative activities including:

Investment of Bond Proceeds - The County will invest bond proceeds in accordance with the Hawaii Revised Statutes 46-50. Funds will be invested in instruments that will provide the liquidity required to meet the cash flow needs of each project funded.

Arbitrage Rebate and Secondary Market Disclosure Requirements - The County will comply with all arbitrage rebate requirements as established by the Internal Revenue Service and all secondary market disclosure requirements established by the Securities and Exchange Commission.

Maintaining and Investor Relations Program - The County will provide annual financial, operating and other significant information in a timely manner consistent with federal and state.

Reporting, Monitoring, and Assessment of Policy Implementation - The Director of Finance is responsible for the administration and issuance of debt including the completion of specific tasks and responsibilities included in this policy.

The Department of Finance, Treasury Division will prepare and release an Annual Debt Report no later than May 31 of each year. Such report will pertain to the prior fiscal year and will include the following elements:

- Calculations of the appropriate ratios and measurements necessary to evaluate the county's credit, and that of its various Enterprise Systems, as compared with acceptable municipal rating agency standards (those identified in the Debt Policy and any other such ratios and measurements as management shall deem appropriate).
- Information related to any significant events affecting outstanding debt.
- An evaluation of savings related to any refinancing activity.
- A summary of any changes in federal or state laws affecting the county's debt program.
- A summary statement as to the overall status of the county's debt obligations and debt management activities.

Debt Administration

General Obligation Bonds payable and State Revolving Fund Loans payable for the County of Maui and the Department of Water Supply ("DWS") at June 30, 2020 are comprised of the following:

Budget and Financial Policies

Legal Debt Margin as of June 30, 2020

As stated earlier, the Constitution of the State of Hawaii sets the debt limit of the County at 15% of the net taxable assessed valuation of real property in the County of Maui. The assessment roll for the fiscal year ended June 30, 2020 was at \$51.2 billion giving the county a legal debt margin of approximately \$7.3 billion. With an outstanding debt, as of June 30, 2020, \$384.5 million, the county is significantly below its legal debt limit.

Budget and Financial Policies

Investment Policy

Significant portions of the County's Investment Policy are provided herein. A copy of the complete policy is available upon request to the Budget Office.

The purpose of the Investment Policy is to establish cash management and investment guidelines for the County Treasurer, who is responsible for the stewardship of Maui County's Investment Fund. Each transaction and the entire portfolio must comply with HRS Chapter 46 Section 50 and this policy. All portfolio activities will be judged by the standards of the policy and ranking of objectives.

The Investment Policy applies to all financial assets of the County of Maui. These funds are accounted for in the County's Comprehensive Annual Financial Report and include:

- General Fund
- Special Revenue Funds
- Capital Improvement Project Funds
- Enterprise Funds
- Trust and Agency Funds
- Debt Service Funds
- Any new fund unless specifically exempted

The Investment Policy applies to all transactions involving financial assets and related activity of all the foregoing funds. It does not apply to the Employee Retirement System nor employee deferred compensation funds which are organized and administered separately by the State of Hawaii. Except for cash in certain restricted and special funds, the County of Maui will consolidate cash balances from all funds to maximize earnings. Investment income will be allocated to the various funds based on their respective participation and in accordance with generally accepted accounting principles.

Investment Policy Objectives

The primary objectives, in priority order, of investment activities shall be safety, liquidity, and yield:

Safety

Safety of principal is the foremost objective of the County. Investments shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio. The objective will be to mitigate credit risk and interest rate risk.

Credit risk, the risk of loss due to the failure of the security issuer, will be minimized by:

- Limiting investments to the safest types of securities.
- Prequalifying the financial institutions, broker/dealers, intermediaries, and advisors.
- Limiting the concentration of investments of individual issuers so that potential losses on individual securities will be minimized.

Interest rate risk, the risk that market value securities in the portfolio will fall due to changes in general interest rates, by:

- Structuring the investment portfolio so that securities mature to meet cash requirements for ongoing operations and capital projects, thereby minimizing the need to sell securities on the open market prior to maturity.

Budget and Financial Policies

Liquidity

The investment portfolio shall maintain sufficient liquidity, in cash or cash equivalents, to meet all operating requirements that may be reasonably anticipated. This is accomplished by structuring the portfolio so that securities mature concurrent with cash needs to meet anticipated demands (static liquidity). Furthermore, since all possible cash demands cannot be anticipated, the portfolio should consist largely of securities with active secondary or resale markets (dynamic liquidity). Cash flow projections designating funds available for short-term liquidity (maturities of less than one year) and for longer-term investment (maturities of less than 5 years) shall be maintained and evaluated to ensure sufficient liquidity to meet the County's ongoing cash requirements.

The targeted liquidity of the portfolio shall require that a minimum 10% of portfolio investments shall have maturities of one year or less.

Yield

The investment portfolio shall be designed with the objective of attaining a market rate of return throughout budgetary and economic cycles, taking into account the investment risks constraints and liquidity needs. Return on investment is of secondary importance compared to the safety and liquidity objectives described above. The core of investments is limited to relatively low risk securities in anticipation of earning a fair return relative to the risk being assumed. Securities shall not be sold prior to maturity with the following exceptions:

- A security with declining credit may be sold early to minimize loss of principal.
- A security swap would improve the quality, yield, or target duration in the portfolio.
- Liquidity needs of the portfolio require that the security be sold.

Performance Evaluation

Portfolio performance is monitored monthly and evaluated quarterly in comparison to the movement of a selected benchmark or index as established by the Investment Committee from time to time. Over time, the rate of return attained by the investment portfolio should be at or near the selected benchmark or index. The investment program shall seek to augment returns above these thresholds consistent with risk limitations identified herein and prudent investment principles. Regular meetings are to be conducted with the investment staff and/or the Investment Advisor to review the portfolio's performance and current market conditions.

Interim and Annual Reporting

The Treasurer prepares investment reports at least quarterly for the Investment Committee and monthly for internal review, including a summary of the current investment portfolio and transactions made over the previous quarter. The investment report must be detailed and comprehensive and considers the following:

1. Security description: Committee on uniform securities identification procedures (CUSIP), issuer, par amount, cost, purchase price, market value, rating, maturity date, yield to maturity, yield to call, and accrued interest;
2. Securities purchased, sold, and matured during the period;
3. Realized and unrealized gains and losses during the period;
4. Portfolio performance statistics;
5. Portfolio duration and weighted average maturing, and;
6. Changes in the County's cash position and liquidity from the prior quarter in comparison to projected cash and liquidity required.

Budget and Financial Policies

The quarterly report is provided to the Investment Committee members and the County Council within 30 days of the quarter end. In addition, an annual summary report which consolidates the quarterly report is provided.

At least annually, the Treasurer provides the Investment Committee members with economic reports available from investment publications or investment advisory services. The Investment Committee evaluates these economic reports to make portfolio adjustments or to determine an appropriate investment strategy for the County.

Investment Committee

The County's Investment Committee is composed of the Director of Finance, the Deputy Director of Finance, the Managing Director, the Budget Director, and the Accounting System Administrator. The Investment Committee shall meet at least quarterly to recommend general strategies and monitor investment results. The Investment Committee shall include in its deliberations such topics as: review of investment advisor performance to include portfolio yield; economic outlook; portfolio diversification and maturity structure; liquidity needs; any unique or potential risks to the County of Maui and its portfolio; authorized depositories; brokers and dealers; and the benchmark rate of return on the investment portfolio.

The committee members shall review quarterly investment reports. Any two members of the committee may request a special meeting, and three members shall constitute a quorum. The Director of Finance shall chair the Investment Committee meetings. The Treasurer or his/her representative, shall produce agendas, minutes, any necessary reports, and shall act as the Committee Secretary and perform other duties as directed.

The Investment Committee must approve:

- 1) Changes to asset size and issuer limitations as outlined in this Policy.
- 2) Additions or deletions to the approved Securities Broker Dealers.
- 3) Additional Services including information services such as Bloomberg.
- 4) Retention or removal of a qualified and SEC registered Investment Advisor.
- 5) Retention or removal of a registered Municipal Advisor as may be required with respect to the investment of bond proceeds.
- 6) Changes in service or procedures for securities custodial safe keeping practices and procedures.
- 7) Targeted liquidity of the portfolio.

Delegation and Authority, Prudence and Ethics

In accordance with the Maui County Charter Section 8-4.3 and HRS 46-50, the responsibility and authority for maintaining and managing the County treasury and depositing monies in depositories and instruments authorized by law resides with the Director of Finance.

In accordance with Maui County Code 3.08.040, the Finance Director shall procure the services of an independent third-party investment advisor, registered and licensed with the Securities and Exchange Commission, to make recommendations and execute the investment of available County funds in accordance with this Policy and as approved by the Investment Committee and as authorized by law.

Budget and Financial Policies

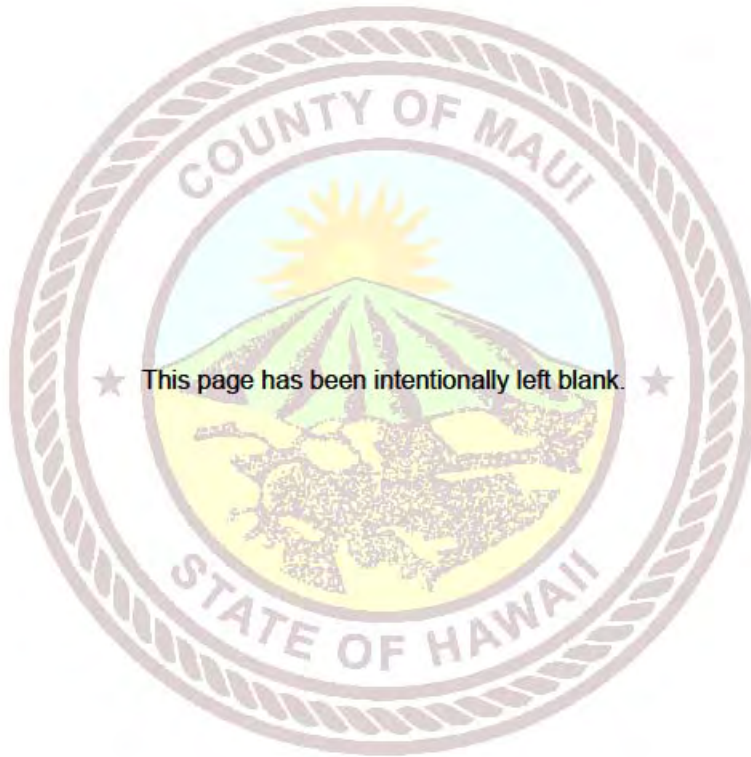

The Director of Finance and Treasurer shall work with the third-party investment advisor in developing and maintaining a detailed twelve-month cash flow forecast identifying funds available for investment while assuring the County has adequate cash reserves and liquidity to fund ongoing County operational expenses.

In an emergency or other event where the County investment advisor is unavailable, the Director of Finance and Treasurer are responsible for and authorized to make investments and oversee the order, receipt, and delivery of investment securities among the custodial security clearance accounts as the County's investment custodian. The Director of Finance may also provide additional investment authorizations.

All officers and employees involved in the investment process shall act responsibly as custodians of the public trust and refrain from personal business activity that could conflict with proper execution of the investment program or which could impair the ability to make impartial investment decisions. Officers, employees, and investment officials shall disclose to the Investment Committee any material financial interest in financial institutions that conduct business within this jurisdiction.

Sections of the investment policy not included but available are:

- Reporting: Interim and Annual
- Diversification, and Risk
- Accountably and Control
- Authorized Financial Dealers and Institutions
- Limits on Honoraria, Gifts, and Gratuities
- Security Custody and Deliveries
- Hawaii Revised Statute – Chapter 46-50 Short term investment of county moneys

Explanation of Budget Functional Areas¹

Figure 4-8

Functional Area	Department/Agency
Culture and Recreation	Parks and Recreation including Waiehu Golf Course
General Government	Corporation Counsel; Environmental Management (Administration Program); Finance; Management; Office of the Mayor; Personnel; Planning; and Public Works (Administration, Engineering, Special Maintenance, Garage Services, and Development Services Administration Programs)
Highways, Streets, and Transportation	Environmental Management (Highway Beautification and Disposal of Abandoned Vehicles Revolving Fund); Public Works (Highways Administration, Road, Bridge, and Drainage Maintenance, and Traffic Management Programs); and Transportation
Legislative	County Council; County Auditor; and Office of the County Clerk
Public Safety	Emergency Management Agency; Fire and Public Safety; Police; and Prosecuting Attorney
Sanitation	Environmental Management (Wastewater Administration, Wastewater Operations, Solid Waste Administration, Solid Waste Operations, and Environmental Protection and Sustainability Programs)
Social Welfare	Housing and Human Concerns; and Liquor Control
Water Supply	Water Supply

¹ The functional area is assigned in the County's financial system when an index code is created. However, for budgetary purposes, there are some departments/programs/activities that have been re-assigned with different functional areas to be consistent with prior years' budget reports.

Carryover Savings Comparative Analysis

For purposes of this analysis, carryover savings available for the ensuing budget year represents the unassigned fund balance as identified in the Consolidated Annual Financial Report (CAFR) from the prior fiscal year (as of June 30th) less any prior appropriation. Unassigned Fund Balances and the Emergency Fund provide necessary reserves that are part of a sound financial position as reviewed by the bond rating agencies to maintain our high ratings.

4-Year Comparison: Carryover Savings Chart by Sub-Fund
(in Thousands)

Figure 4-14

★ This page has been intentionally left blank. ★

There are a multitude of factors used to assess and monitor financial condition. One of the primary factors influencing financial condition is revenue. The following provides a part of the financial picture for determining the County of Maui's overall financial condition. Under ideal conditions, revenues grow at a rate equal to or greater than the combined effects of inflation and expenditures, and should be flexible to allow for adjustments to changing conditions.

The FY 2022 total estimated revenues from county sources, including Bond/Lapsed Bond funds, is \$828.9 million, an increase of \$6.3 million from FY 2021. The total estimated revenues, excluding Bond/Lapsed Bonds funds, is \$741.5 million, an increase of \$0.8 million from the prior year. Numbers presented in the following sections of this document exclude the revenues derived from Bond/Lapsed Bond Funds and may vary from other charts/tables presented in other sections of this document. Estimated revenues provide the funds for government's operations and capital improvement projects. The major source of the County's FY 2022 proposed operating revenue comes from taxes including Real Property Tax, Public Service Tax, Fuel Tax, Franchise Tax, and Vehicle Weight Tax. It also includes charges for services for Sewer and Cesspool, Landfill Disposal, Refuse Collection, Public Transit, and Water Services. The estimated revenues for these major sources are collected by the General Fund, Highway Fund, Sewer Fund, Solid Waste Management Fund, and Water Fund.

General Fund

The estimated revenues in FY 2022 for the General Fund are estimated at \$478.7 million, which comprises approximately 64.6% of the total estimated revenues from County Funds. General Fund revenue is estimated to increase slightly by \$0.8 million or 0.2% from the FY 2021 Adopted Budget. The increase in General Fund revenue for Fiscal Year 2022 is mainly due to anticipated increases in two categories: Carryover Savings; and Licenses, Permits and Others.

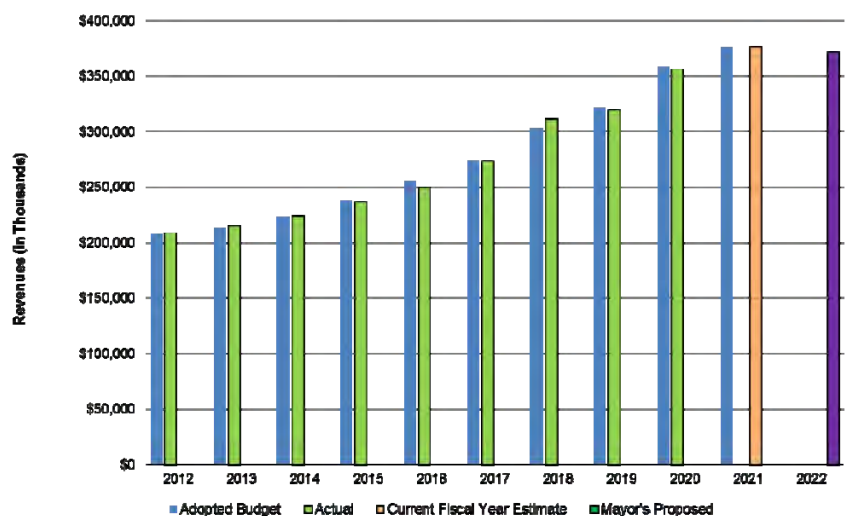

The FY 2022 estimated revenues for the General Fund consist of the following major revenue sources: Real Property Tax; Public Service Company Tax; Building Permit Review Fees; and Motor Vehicles License Fees. Prior to FY 2021, the Transient Accommodations Tax (TAT) was a major revenue source for the General Fund. However, because of COVID-19, the Governor's emergency proclamation suspended distribution of the counties' share of the TAT levied on hotel room charges and other visitor accommodations. For the FY 2022 Proposed Budget, TAT revenues was not included in the revenue estimates.

Real Property Tax

Real Property Tax revenue is the most significant revenue source for the county and is the largest revenue component of the General Fund. Unlike many other states, Hawai'i State law allows for the counties to retain 100% of the real property tax levied in their jurisdiction. Real Property Tax revenue is based on valuations applied to real property with tax rates assigned to each of the eleven classifications.

The estimated real property tax revenue for FY 2022 is based on the projected certified values of real

Figure 4-15
Real Property Tax

Real Property Tax (Cont'd)

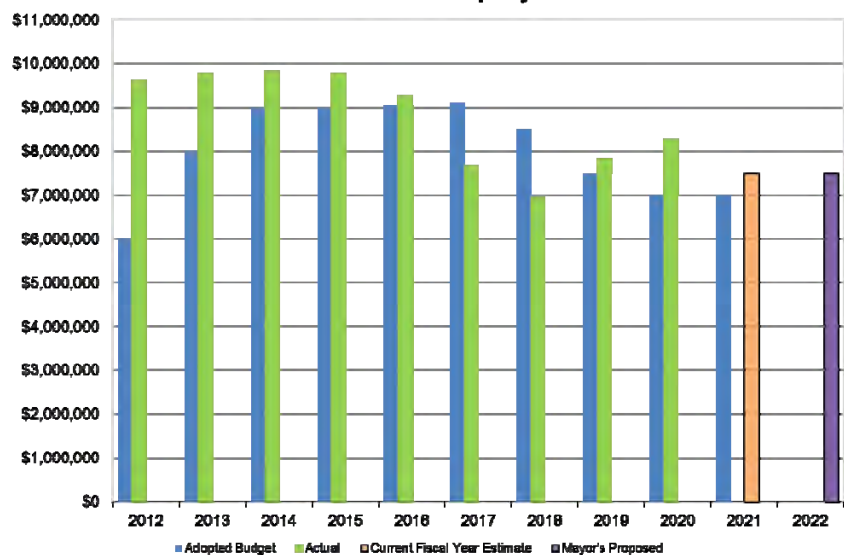

property of approximately \$53.6 billion. Real Property Tax revenue is projected to decline slightly from last fiscal year due to the delayed impacts of the global pandemic on tourism. Sales of residential properties and new construction offset some of the declines in the hotel and time share classifications. In 2020, Ordinance No. 5160 was adopted, which amended section Maui County Code 3.48.305.C. This resulted in the reclassification of resort condominium second homes from non-owner-occupied to short-term rental. This reclassification further offset revenue declines resulting from the decrease in property values in the commercial resort sectors. Values were established by analyzing sales and market data that occurred through June 30, 2020.

For FY 2022, the estimated revenue on real property taxes is \$371.4 million, which represents 77.6% of all General Fund revenues, and 50.1% of all county revenues. The estimated real property tax revenues (net of estimated Circuit Breaker credits) reflects a decrease of \$4.5 million or 1.2% from the FY 2021 Adopted Budget of \$376.0 million. Overall, net taxable assessed values decreased slightly by 2%. This is a result of a strong residential market offset by declines in the shopping center, hotel, and time share markets. The FY 2022 estimated revenue is based on a partial tiered rate structure for the short-term rental, owner occupied, and non-owner-occupied classifications. Tax rates were reduced for the owner-occupied classification with an assessed value of \$1,500,000 or less, non-owner occupied classification below \$800,000, and short-term rental classification. Tax rates for the timeshare, commercialized residential, apartment, commercial, industrial, agriculture, conservation, and hotel and resort classifications are proposed to remain unchanged. The Mayor's proposed estimated real property tax revenues also include a reduction for the minimum real property tax, from \$400 to \$350. The Circuit Breaker Tax Credit Program provides qualified homeowners a credit to their real property tax bill equal to the amount their bill exceeds 2.0% of their adjusted gross income. The circuit breaker program is anticipated to reduce real property tax revenues by approximately \$490,677 in FY 2022.

Public Service Company Tax

Included in the taxes category for the General Fund is the Public Service Company ("PSC") Tax established by state statute. This tax, which is levied against public utilities, provides for a tax of 1.885% of the gross income in lieu of real property tax. Collections of the PSC tax started in FY 2002.

The estimated revenue is \$7.5 million for FY 2022, an increase of \$0.5 million or 7.1% from the FY 2021 Adopted Budget. This is based on Energy Information Administration's (EIA) projections that electricity consumption in the United States will increase by 1.4% from the 2021 increase of 2.1%. This increase is anticipated despite the continued uncertainty due to the COVID-19 pandemic. The PSC tax contributes 1.6% of the General Fund revenues, and 1.0% of the total county revenues.

Figure 4-16**Public Service Company Tax**

Licenses, Permits & Others

Businesses or services requiring licenses or permits to operate in the County pay a fee as set by State and County laws. For FY 2022, estimated revenues for the General Fund for Licenses, Permits, & Others is \$12.9 million, an increase of \$0.8 million or 6.5% from the FY 2021 Adopted Budget. This revenue source represents 2.7% of the total General Fund revenues, or 1.7% of the total County revenues. The Building Permit Review Fees and Motor Vehicles License Fees are the major sources of revenues for this category.

Building Permit Review Fees

Included in the Licenses, Fees & Others category for the General Fund are the fees for subdivision construction plan review; permits for building and construction; electrical, plumbing, driveway and grading inspections, and other filing fees.

The estimated revenues of \$4.0 million for FY 2022 is an increase of \$0.5 million or 14.3% from the FY 2021 Adopted Budget. Despite the pandemic the construction industry remains one of the strongest sectors of the County's economy, due in part to historically low interest rates and strong local and offshore demand. Building permit valuations in FY 2020 was \$561.3 million, compared to \$466.1 million in the FY 2021 Adopted Budget.

Motor Vehicles License Fees

The revenues collected for the motor vehicle license fees includes license plates, decals, registration of motor vehicles, transfer fees and penalties, certificate of registration, and other vehicle permits. The collection of these fees are established in HRS Section 249, and Chapter 3.25, Maui County Code.

The estimated revenues of \$4.5 million for FY 2022, is an increase of

Figure 4-17

Building Permit Review Fees

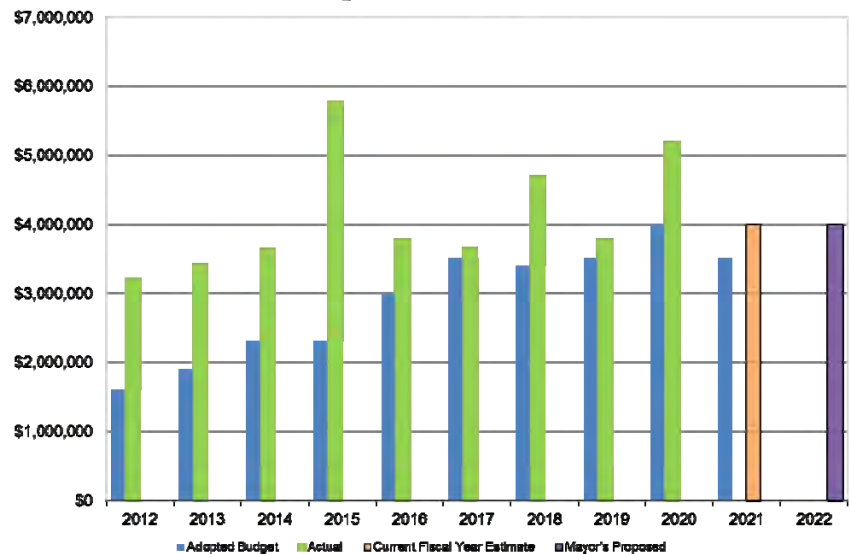

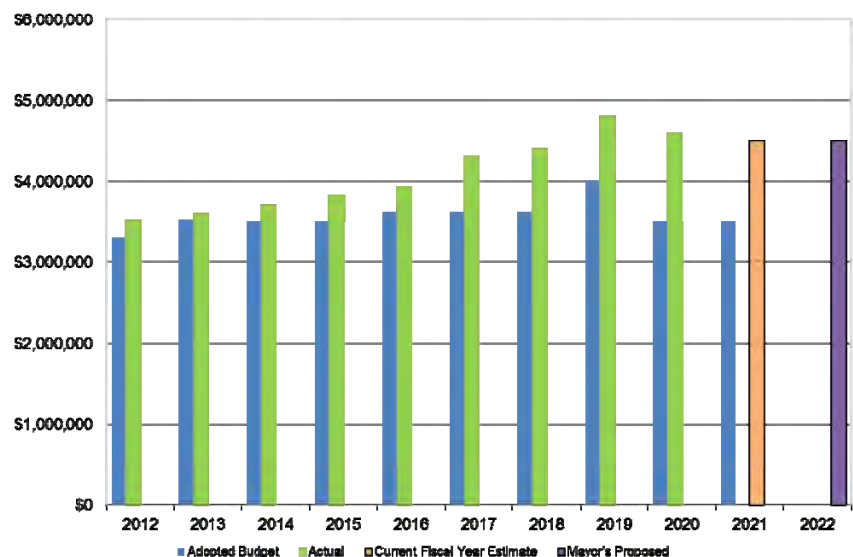

Figure 4-18

Motor Vehicles License Fees

Motor Vehicles License Fees (Cont'd)

\$1.0 million or 28.6% from the FY 2021 Adopted Budget. The proposed revenue for this category is based on the average actual collection for the last 4 years.

Highway Fund

The estimated \$53.4 million in revenue for the Highway Fund for FY 2022 is a decrease of \$5.8 million or 9.9% from the prior year, mainly due to a decrease in carryover savings. The decrease is offset by an anticipated increase in fuel tax revenues. The Highway Fund represents 7.2% of the estimated revenues from County sources. Revenue for the Highway Fund is derived from fuel, vehicle weight, and franchise taxes, as well as public transit fares.

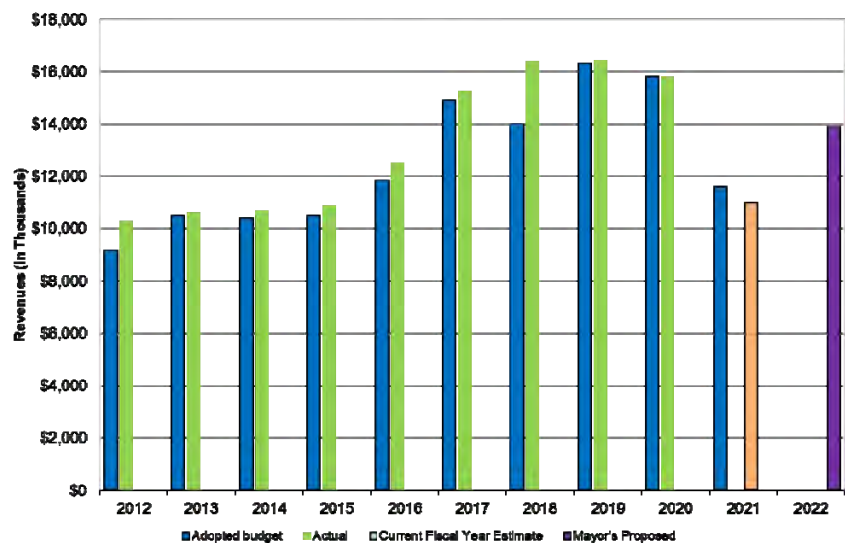

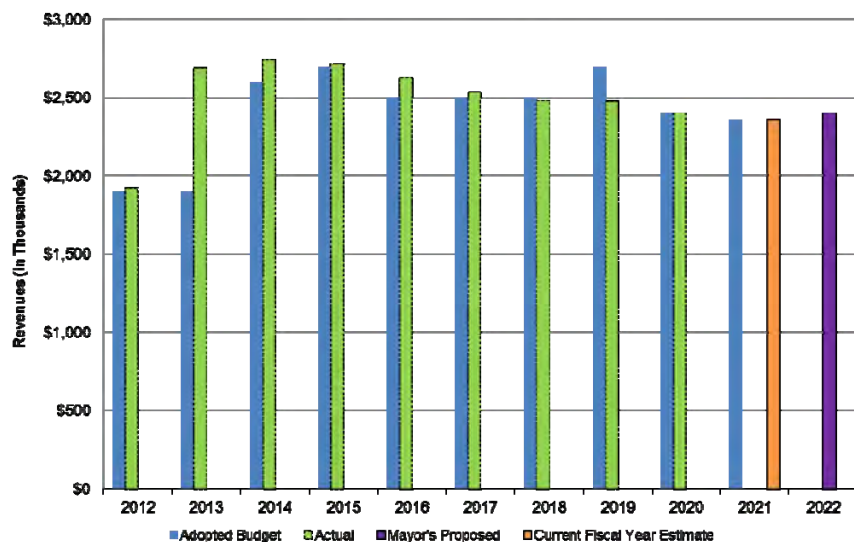

Fuel Tax

The Fuel Tax is based on the number of gallons of fuel purchased. In FY 2021, the fuel tax increased from \$0.23 to \$0.24 per gallon. Even with the recent rate increase, revised forecast for the fuel tax revenue is slightly lower than the adopted budget by \$0.6 million due to the impact of the pandemic. However, the second half of FY 2021 saw an increase in fuel tax revenue.

In FY 2022, the estimated Fuel tax collection is \$13.9 million in revenue to the Highway Fund. This is an increase of \$2.3 million or 19.8% compared to the FY 2021 Adopted Budget and making up 26.0% of all Highway Fund revenue or 1.9% of all County sources. The projected increase in the fuel tax revenues is aligned with EIA's forecasted increase in consumption by another 3.8 million barrel per day (b/d) in 2022 to an average 101.3 million b/d. EIA expects that the oil market will be more balanced in 2022 with the forecast of crude oil prices depending heavily on production, the response of tight oil production to higher oil prices, and the pace of growth for oil demand and other factors.

Public Transit Fare

Public transit fare collection is estimated to contribute \$2.4 million

Figure 4-19**Fuel Tax****Figure 4-20****Public Transit Bus Fares**

Public Transit Fare (Cont'd)

to the Highway Fund in FY 2022. The Department is setting forth revised rates for FY 2022 based on the recommendations from a recent fare study funded by the Council.

There will be two types of monthly passes available to the public: general boarding at \$45 per month for fixed and commuter routes; and a reduced monthly pass at \$25 per month on fixed routes for passengers 55 years and older, paratransit eligible and person with a physician certified disability fixed route card, Medicare Card holders, and students ages 24 and below with valid identification. In addition to monthly passes, daily passes for all routes are available for \$4, one-way rates are \$2 per boarding, and one-way rates for seniors/disabled/Medicare passengers are \$1. The Department will be implementing a ticket book concept for paratransit routes, in lieu of a monthly pass, which will allow for 12 one-way trips for \$20.

The estimated revenue of \$2.4 million from public transit bus fare collection is nearly flat from the FY 2021 Adopted Budget of \$2.35 million. The Public Transit Fare is anticipated to contribute 4.5% in revenue to the Highway Fund.

Franchise Tax

The Franchise Tax is a tax on 2.5% of annual gross receipts from electric and gas companies operating as public utilities in the County of Maui. Similar to the Public Service Company Tax, fluctuations in Franchise Tax collections may be due to the increased cost of fuel and energy conservation measures.

The estimated revenue from the Franchise Tax for FY 2022 is \$9.6 million, flat from the FY 2021 Adopted Budget. The Franchise Tax represents 18.0% of the total Highway Fund revenues.

Weight Tax

The FY 2022 estimated revenue of \$25.5 million for the Weight Tax is an increase of \$0.3 million or 1.1% from the FY 2021 Adopted Budget. At this level, the Weight Tax will contribute approximately 47.8% of the estimated FY 2022 Highway Fund revenue or 3.4% of the total county revenues.

Figure 4-21
Franchise Tax

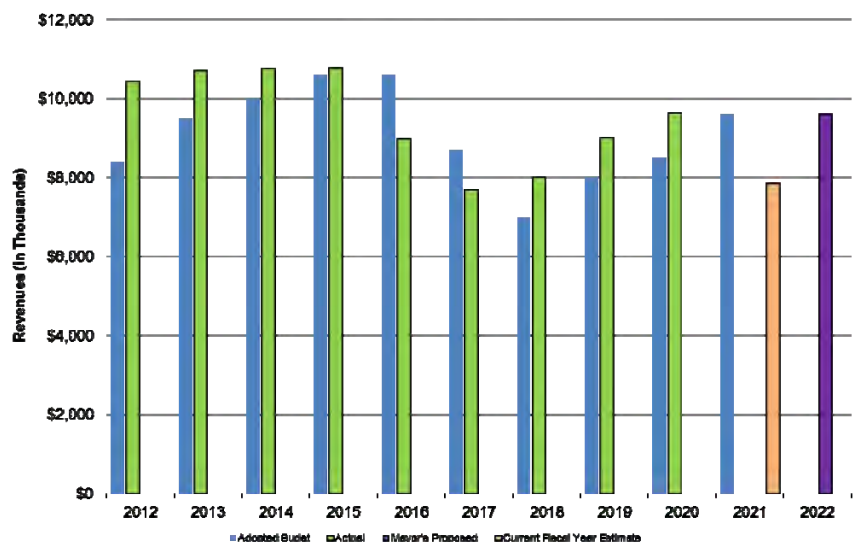

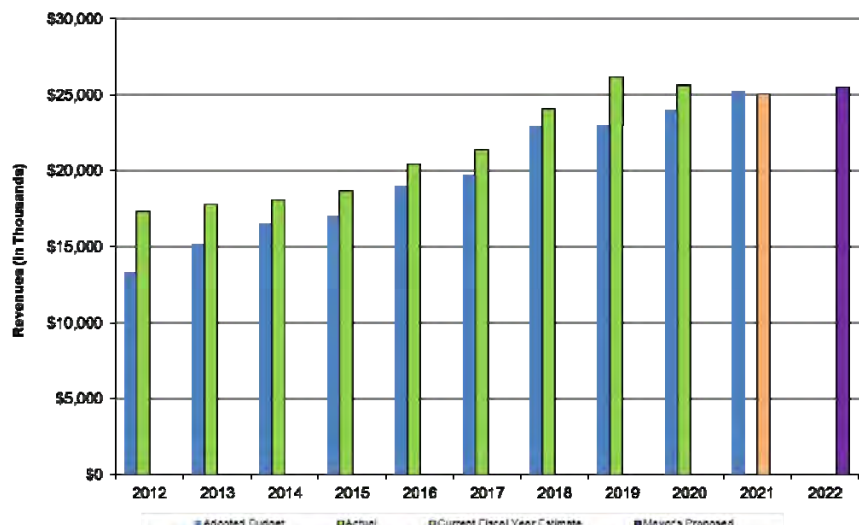

Figure 4-22
Street Use Weight Tax

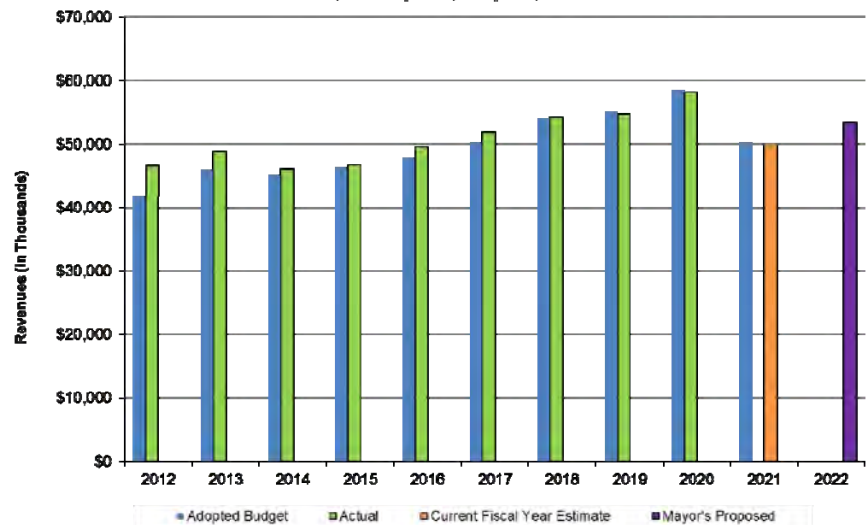

Sewer Fund

Estimated revenue for the Sewer Fund is \$75.5 million, an increase of \$7.0 million from the FY 2021 Adopted Budget. This fund represents 10.2% of the county's total estimated revenues. This fund's main source of revenue is derived from sewer and recycled water fees. Wastewater billing is directly tied to Water Supply billing.

Sewer fees are collected as charges for current services, and used to fund the operations and capital improvement projects of the Department of Environmental Management, Wastewater Division. Residential users are charged a monthly base charge and a water usage charge per dwelling unit in accordance with amounts set in the annual budget. Non-residential wastewater system service charges are also charged a monthly base charge, plus a variable charge based on the total amount of water used each billing period.

Figure 4-23
Sewer, Cesspool, Septic, & Reclaim Fees

The \$53.3 million in estimated revenue from sewer user fees for FY 2022 is an increase of \$3.1 million or 6.2% from the FY 2021 Adopted Budget and includes a 3% rate increase. The sewer user fees will contribute to approximately 70.6% of the estimated FY 2022 Sewer Fund revenue and 7.2% of the county's total revenue.

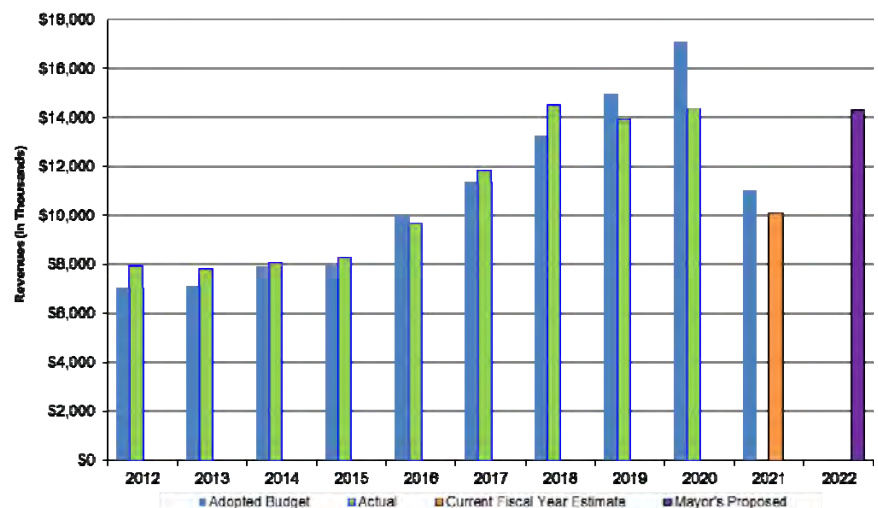

Solid Waste Management Fund

The FY 2022 estimated revenue for the Solid Waste Management Fund is \$30.4 million, a slight decrease of \$0.3 million or 1.1% from the FY 2021 Adopted Budget. The Solid Waste Fund represents 4.1% of the county's total estimated revenues. Fees associated with landfill disposal and refuse collection are the major sources of revenue for this fund.

Landfill Disposal Fees

Landfill disposal fees (landfill tipping and permit fees) are collected as charges for current services. Estimated revenue of \$14.3 million in FY 2022 for landfill disposal fees, is an increase of \$3.3 million or a 29.6% from the FY 2021 Adopted Budget. The projected increase is based on the last 3-year historical average and aligned with the economic outlook by the Department of Business, Economic Development & Tourism (DBEDT), where Hawaii

Figure 4-24
Landfill Tipping and Permit Fees

Landfill Disposal Fees (Cont'd)

visitor arrivals in 2022 is anticipated to increase (in addition to the anticipated 102.9% incline in 2021 from the 2020 level), as the State continues to welcome back its visitors.

The FY 2022 landfill disposal fees represent 47.0% of the total Solid Waste Management Fund, or 1.9% of the total county revenues.

Refuse Collection Fees

Refuse collection fees are collected as charges for current services.

This service is projected to generate \$10.8 million in annual revenue in FY 2022, which is flat from the FY2021 Adopted Budget.

The refuse collection fees generate 35.5% of the total Solid Waste Management Fund's revenue and 1.5% of the total county revenues.

Water Supply Fund

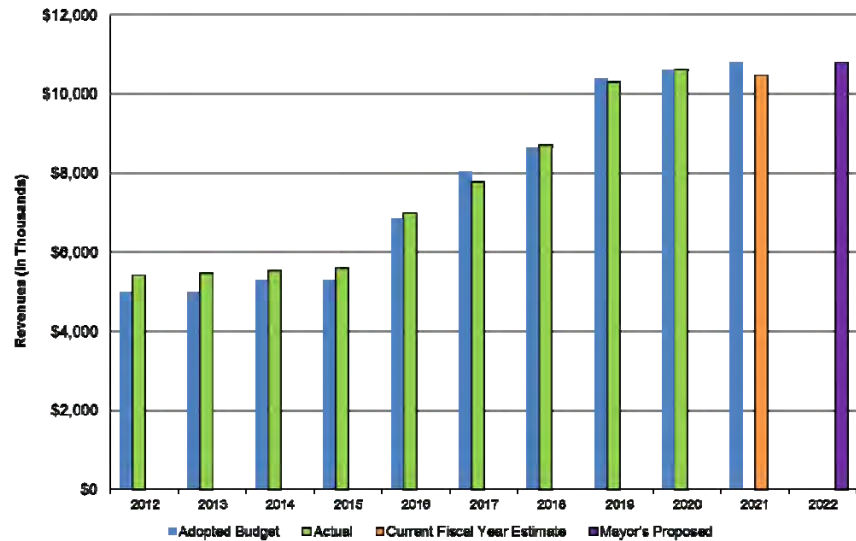

The estimated revenue for the Water Supply Fund from all sources for FY 2022 is \$96.2 million, an increase of \$6.4 million or 7.2% from the FY 2021 Adopted Budget, and funds Water Supply operations and capital improvement projects. This represents 13.0% of the county's total estimated revenues for FY 2022 as proposed by the Mayor.

Water Service Fees

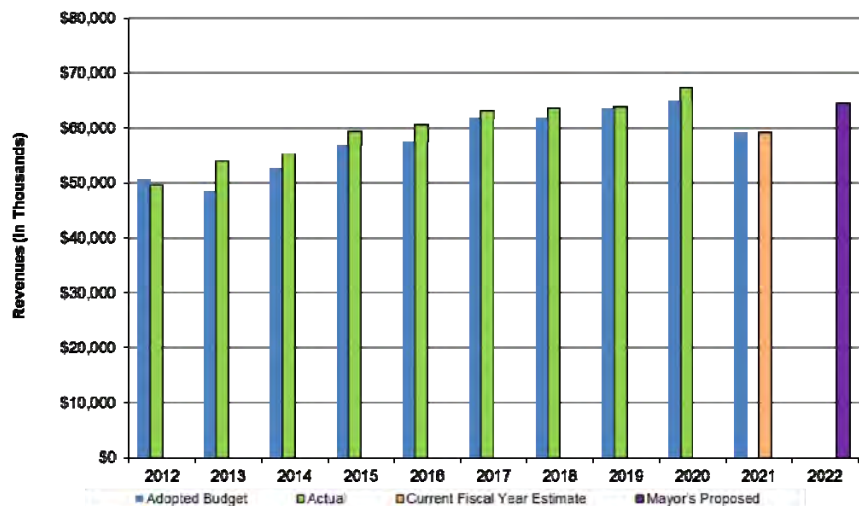

Water service fees are the primary source of revenue for the Department of Water Supply. The fee is charged to customers on a monthly basis (formerly bi-monthly) for water usage. An accrual for unbilled water revenue is made based on the estimated usage from the meter reading date nearest June 30th to the end of the fiscal period.

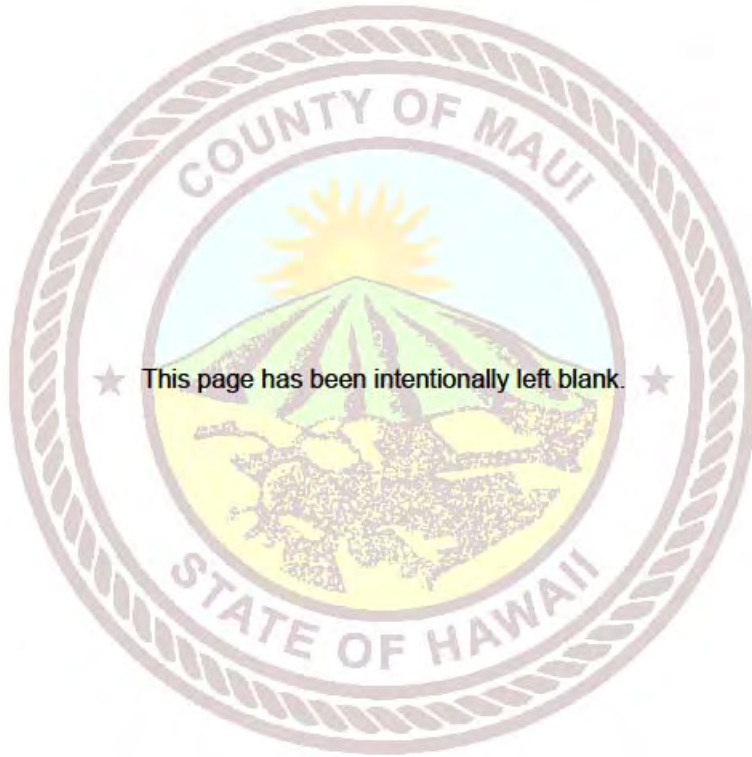

Water service fees are estimated to generate \$64.4 million for FY 2022, an increase of \$5.3 million or 8.9% from the FY 2021 Adopted Budget. No rate increase in the water service fee is proposed for FY 2022.

**Figure 4-25
Refuse Collection Fees**

**Figure 4-26
Water Service Fees**

Financial Summaries

Equivalent Personnel Summary

Equivalent personnel (E/P) is the decimal equivalent of a full-time position, which is equal to 2,080 scheduled work hours in a year. The County of Maui's FY 2022 proposed E/P of 2,822.9 from all sources of funds is a decrease of 1.5 E/P or 0.1% from the FY 2021 Adopted Budget. The FY 2022 proposed E/P count from County Funds is 2,695.9, an increase of 10.3 E/P or 0.4% from the FY 2021 Adopted Budget.

The tables below provide the number of E/Ps by fund type for the last three fiscal years as adopted by the County Council and the ensuing fiscal year, as proposed for All Sources of Funds and County Funds.

Equivalent Personnel Summary (All Sources of Funds)

Figure 4-27a

FUND	FY 2019 ADOPTED	FY 2020 ADOPTED	FY 2021 ADOPTED	FY 2022 PROPOSED	CHANGE AMOUNT	CHANGE PERCENT

NOTE:

True sum may be different due to rounding.

Equivalent Personnel Summary (County Sources of Funds)

Figure 4-27b

FUND	FY 2019 ADOPTED	FY 2020 ADOPTED	FY 2021 ADOPTED	FY 2022 PROPOSED	CHANGE AMOUNT	CHANGE PERCENT
Enterprise Fund	240.9	223.0	224.0	224.0	0.0	0.0%
General Fund	1,927.0	2,010.6	2,042.6	2,054.4	11.8	0.6%
Special Revenue Fund	393.0	416.0	419.0	417.5	-1.5	-0.4%
Grand Total	2,560.9	2,649.6	2,685.6	2,695.9	10.3	0.4%

NOTE:

True sum may be different due to rounding.

The FY 2022 Mayor's Budget proposal includes an overall increase of 11.8 E/P under the General Fund, which includes the following changes: 3.0 E/P for the Department of Finance; 1.0 E/P for the Department of Parks and Recreation; 0.5 E/P for the Department of Planning; 2.25 E/P for the Department of Police; 1.0 E/P for the Department of Prosecuting Attorney; and 4.0 E/P for the Department of Public Works.

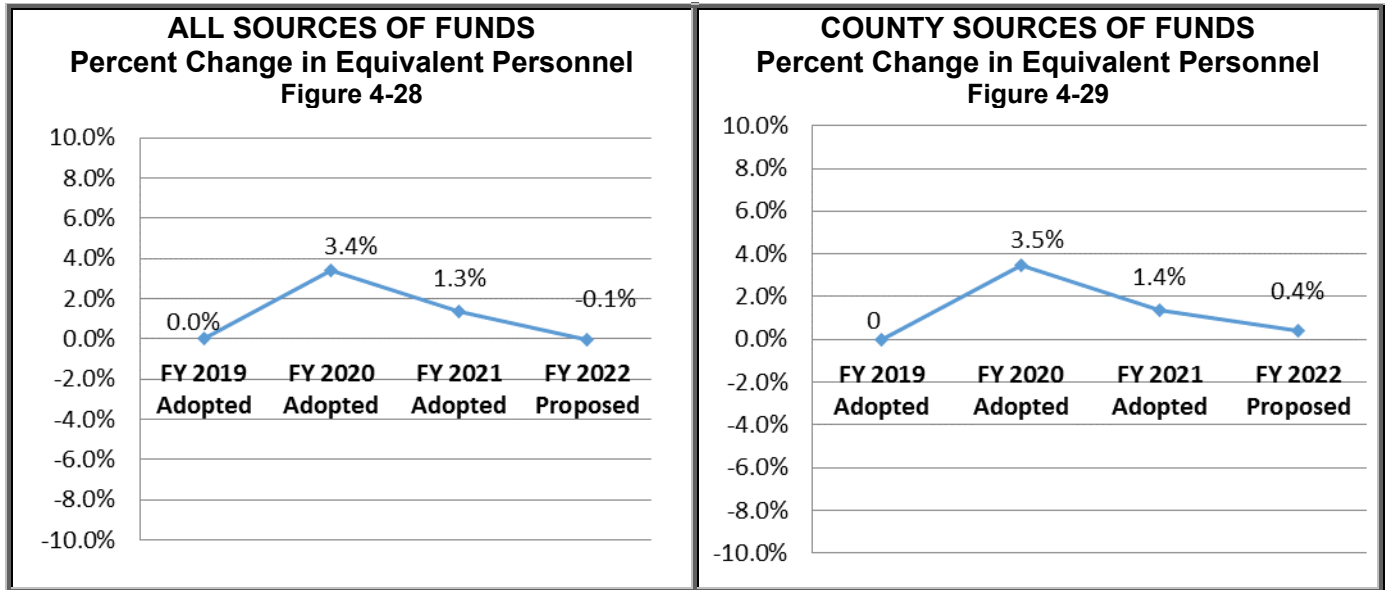

The 1.5 E/P decrease for the Special Revenue Fund is because of a transfer of positions from the EP&S Fund to a Revolving Fund.

There is no E/P change for the Enterprise Fund.

Department Summary**Mission**

The Department of the Corporation Counsel supports County government as its chief legal advisor and legal representative for the County of Maui, the Council, Mayor, all departments, boards, commissions, officers, and employees in matters relating to their official duties.

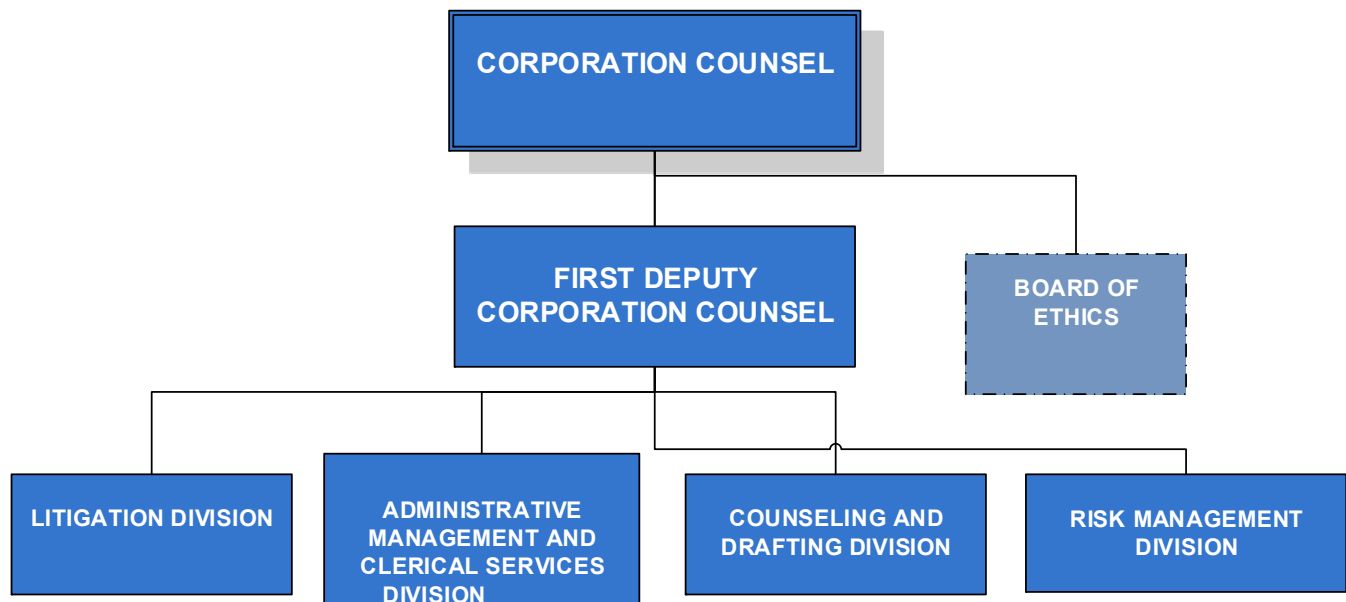

Countywide Outcome(s)

The Department of the Corporation Counsel supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- A Strong, Diversified Economy
- An Environmentally Responsible and Sustainable Community
- Well-planned Public Infrastructure
- A Prepared, Safe, and Livable County

The Department provides legal advice and support to assist with achieving key strategies and principles of the Countywide Policy Plan, as follows:

- Protect the natural environment and cultural resources through appropriate training and legal advice related to implementation of County ordinances and statutory requirements.
- Ensure that laws, policies, and regulations are internally consistent and effectuate the intent of the Charter, implementing ordinances, and other legal requirements.
- Support the departments' compliance with, and enforcement of, county, state, and federal laws.
- Provide efficient, effective, and responsive legal services.

Organization Chart

Department Summary

Strategies

The Department is committed to serving the County of Maui by providing sound legal advice, representation, and education to the clients it serves. The Department strives to foster working relationships with its clients to guide, promote, and strengthen the overall countywide strategic priorities.

Operations

The Department is the County's general practice civil law firm with the task of providing quality legal services and representation in a timely, knowledgeable, and professional manner. The Department is divided into four divisions: Counseling and Drafting, Litigation, Risk Management, and Administrative Management and Clerical Services. The Corporation Counsel oversees all divisions.

Since March 2020, the Department has assisted the Administration with researching, drafting, and implementing the emergency proclamations and public health emergency rules related to the COVID-19 pandemic. Additionally, the Department has provided updated guidance as it is received from the Centers for Disease Control (CDC) and Prevention and the Hawaii Department of Health (DOH), as well as from the Occupational Safety and Health Administration (OSHA) and the Hawaii Occupational Safety and Health Division (HIOSH) in relation to worker safety and reporting/recordkeeping requirements. Further, the Department developed the protocol and has processed thousands of requests for limited quarantine in conjunction with the modifications to the State and County emergency rules.

An upside of the pandemic response, spearheaded by the Department, has been the County's adoption of electronic signatures and electronic processing of the majority of legal requests, including procurement. Additionally, the Deputies in the Counseling & Drafting Division have been instrumental in assisting the departments with training and conducting of public hearings, and board and commission meetings via virtual meeting platforms. These changes have resulted in the continuation of County essential functions during the state of emergency. Anecdotally, virtual meetings have allowed for greater public participation in the regulatory process.

The Counseling and Drafting Division is staffed by nine deputy corporation counsel positions, including the First Deputy Corporation Counsel. This division provides a variety of legal counseling and drafting services to the Council, Mayor, County employees, departments, commissions, and boards related to their official duties, including:

- Services relating to planning, land use, public works, environmental management, water, and public infrastructure.
- Services relating to finance, public safety, human resources, and other matters.

The Litigation Division consist of eight deputy corporation counsels, two legal assistants, and one investigator. These positions handle claims and representation in litigation matters for the Council, Mayor, County employees, departments, commissions and boards, relating to their official duties, including:

- Labor-related and tort litigation, as well as land, water, environmental, and complex litigation.
- Conducting complex internal personnel and employment-related investigations.

The Risk Management Division includes a Risk Management Officer, a Loss Control Specialist, three Safety Specialists III, and an Insurance and Claims Assistant II. Risk Management assists in the

Department Summary

Operations (cont'd)

protection of the County's personnel and physical assets through a mix of loss control, risk retention, and risk-financing activities that cost-effectively respond to exposures identified, ranked, and analyzed in the risk management process. Risk services include:

- Employee training in health, wellness, safety best practices, regulatory compliance, and emergency management.
- Administration of worker's compensation, third-party general liability claims, and temporary disability insurance (TDI) claims.
- Insurance procurement/portfolio management in accordance with Chapter 3.64, Maui County Code.

The Administrative Management and Clerical Services Division, is staffed by an Administrative Assistant II, two Law Technicians II, six Law Technicians I, and one Legal Clerk III.

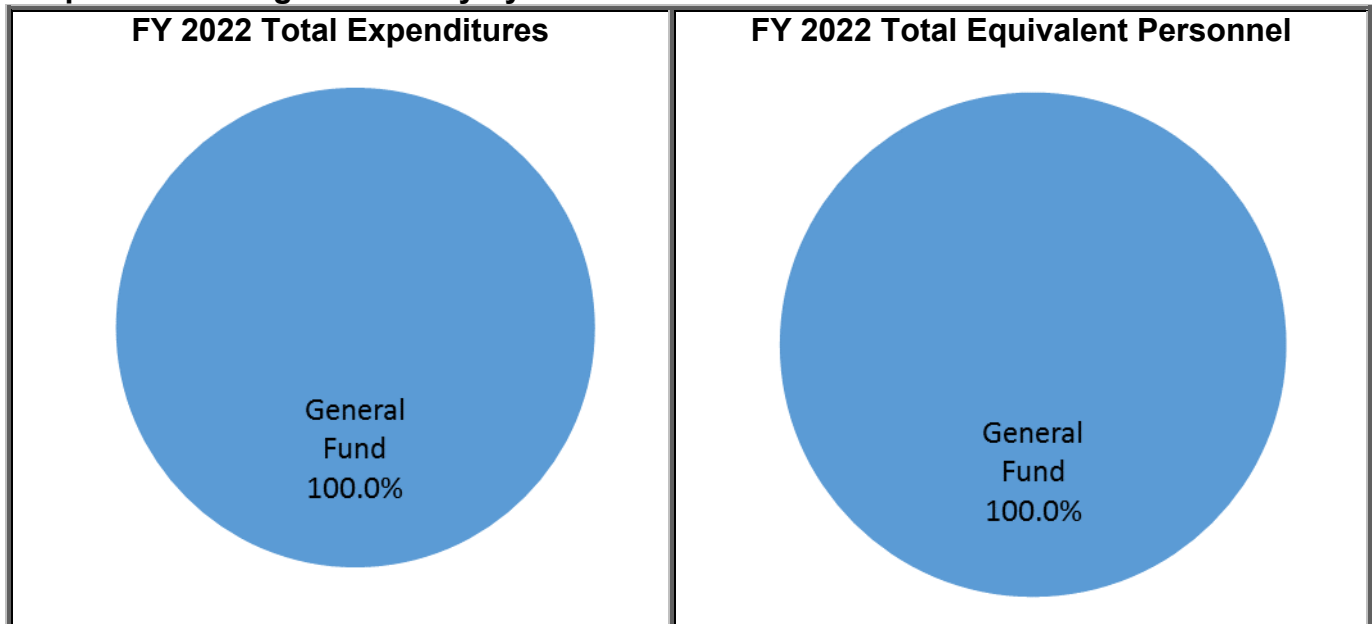

Services include:

- Management of departmental clerical support operations.
- Budget formulation and implementation.
- Clerical support for 17 deputies representing the Litigation and Counseling and Drafting divisions.

External Factors Description

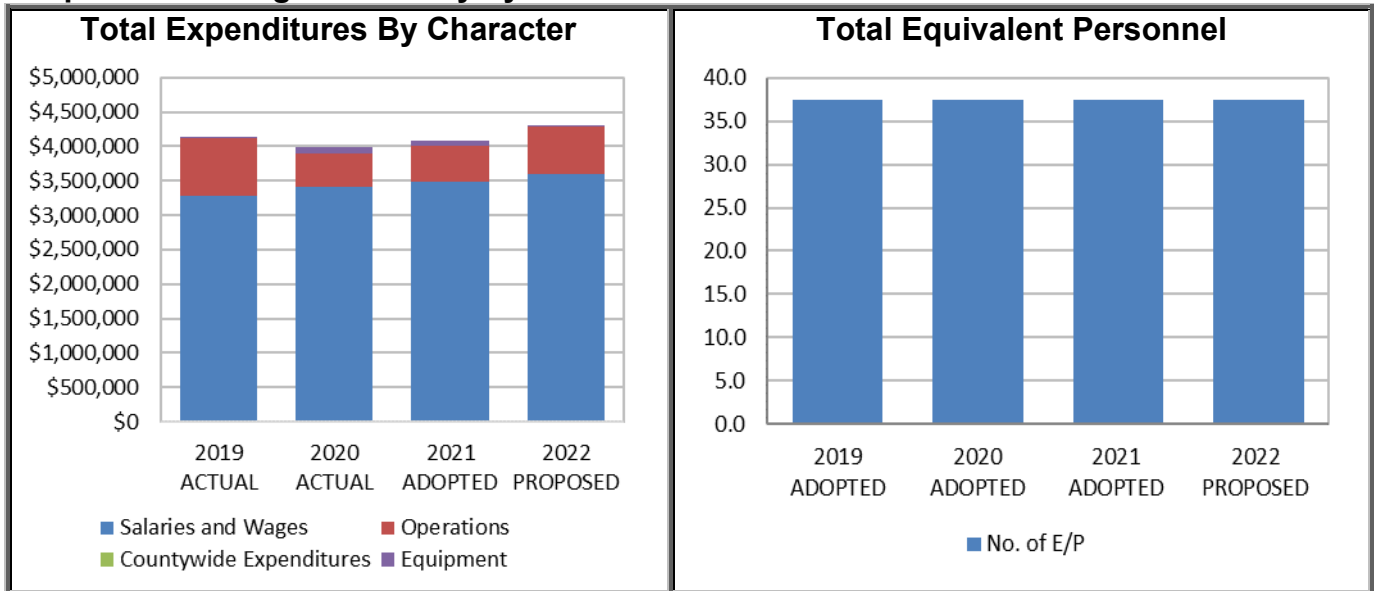

Demand for legal services continues to steadily increase. While unable to control the quantity or complexity of legal requests, claims, and/or lawsuits, the Department's attorneys and staff are knowledgeable in the wide variety of legal matters involving the County. Education and training are a vital means of ensuring the best possible legal representation in the protection of the County's interests, as the legal landscape continues to evolve through case law and legislation.

Legal Services Program

Program Description

The Corporation Counsel serves as legal adviser and legal representative for the County of Maui, the Council, the Mayor, all departments, all boards and commissions, and all County officials and employees in matters relating to their official duties. The Risk Management Division works in tandem with both the Counseling and Drafting Division and the Litigation Division to provide technical advice and assistance to all departments with the goal of protecting assets, reviewing and procuring insurance against predictable risks and occurrences, and lowering the County's exposure to risk and liability.

Key Activity Goals & Measures

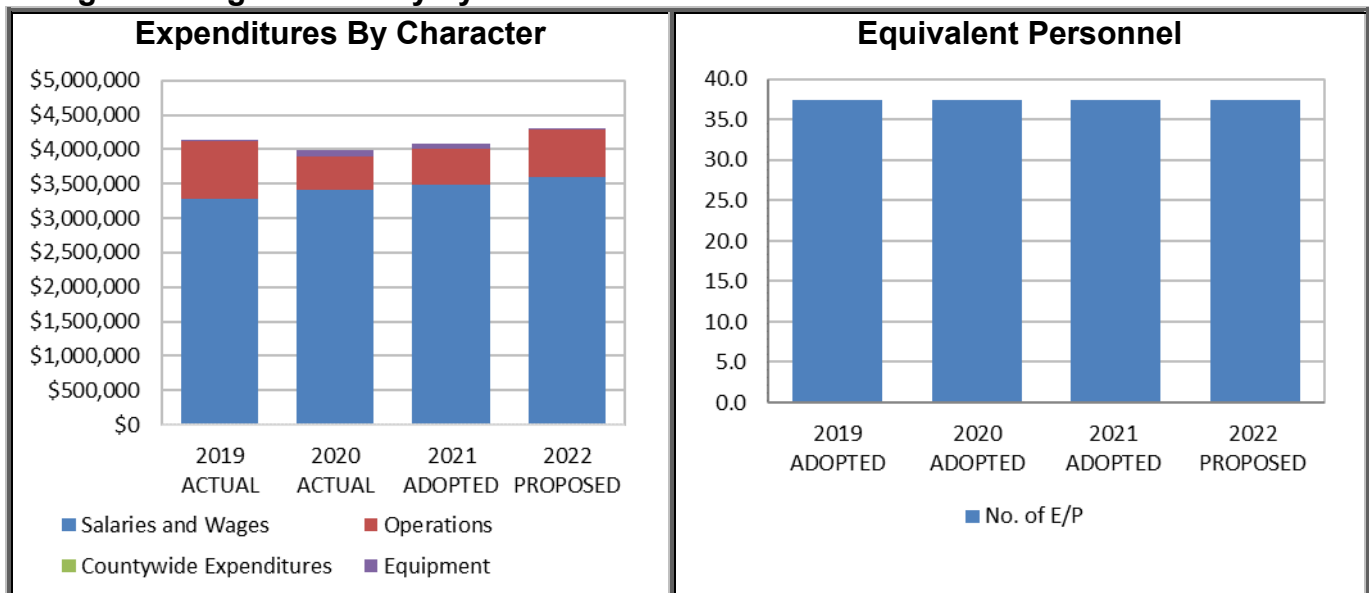

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Effectively manage, control, and insure against the County's total risk exposure.</i>				
1. Raise safety awareness by providing annual training and education to personnel countywide	% of all employees trained by Risk Management Division annually	19%	10%	5%
2. Close a minimum of one claim for every new claim filed; ratio of 1:1 or better	# of closed claims equal to or greater than # of new claims filed in period	1.07 to 1.0	1:4	1.5 to 1.0
3. Lower the median duration of General Liability (GL) and Auto Liability (AU) claims	GL reduction in median days open	144 days	30 days	120 days
	AU reduction in median days open	118 days	30 days	120 days
4. Validate Savings of FAST TRACK (F/T) on General Liability (GL) and Auto Liability (AU) program fees	GL/AU reduction in program fees with F/T compared to without F/T	\$26,951	\$5,000	\$25,000
<i>Goal #2: Provide statistics relating to counseling and drafting and litigation services accurately, and in a timely manner, to track the workload and performance of these divisions.</i>				
1. Complete responses to requests for legal services submitted to the Counseling and Drafting section within 30 days	# of requests for legal services received	4,494	4,000	4,000
	# of requests for legal services completed	4,190	4,000	4,000
	# of requests for legal services closed within 30 days	3,878	3,500	3,500
2. Actively defend and attempt to settle in County's best interest a minimum of 2% of civil and administrative litigated actions pending	# of litigation actions (civil/administrative) pending against the County	407	340	390
	% of civil/administrative litigated actions closed	14%	10%	10%

Legal Services Program

Key Activity Goals & Measures (Cont'd)

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #3: Increase online accessibility to legal opinions and information with the goal of establishing a robust online presence providing value to the County and the public.</i>				
1. Publish Board of Ethics opinions beginning with 2019	% of opinions published and available online	N/A	100%	100%
2. Publish Board of Ethics opinions prior to 2019	% of opinions published and available online	N/A	20%	50%

County Clerk

The image displays two promotional banners for Maui County's 2020 mail-in voting initiative. The top banner has an orange background and features a blue mailbox with a red flag. A ballot is shown emerging from the mailbox, labeled "2020 BALLOT" with checkboxes for "CANDIDATE 1", "CANDIDATE 2", "CANDIDATE 3", and "CANDIDATE 4". The text "HEADS UP, MAUI COUNTY!" is written in a red banner at the top left. The main text reads "STARTING IN 2020: ALL REGISTERED VOTERS WILL VOTE BY MAIL". Below this, it says "Learn more at www.elections.hawaii.gov". On the right side, there is a green vertical section with the Maui County seal, the text "OFFICE OF THE COUNTY CLERK", and a quote from Act 136 (2019) regarding mail-in ballots. The phone number "(808) 270-7749" is also listed. The bottom banner has a green background and features a silver "OFFICIAL BALLOT DROP BOX" on the left. To its right is a white map of Maui with several red location pins. The text "GENERAL ELECTION 2020: MAUI COUNTY VOTES BY MAIL" is displayed above the map. On the right side, it says "OFFICE OF THE COUNTY CLERK" and "(808) 270-7749".

Department Summary

Mission

The purpose of the Office of the County Clerk (“OCC”) is to undertake legislative and election functions in a lawful, fair, open, and efficient manner on behalf of the people of the County of Maui (“County”).

Organization Chart

Strategies

- Legislative Function: The OCC provides services that enable the County Council (“Council”) to consider and enact legislative proposals through a lawful, reasonable, and efficient process.
- Election Function: The OCC provides election services to the public that are governed by applicable provisions of Federal, State and County law.

Operations

- The OCC prepares Council meeting and public hearing agendas, staffs Council meetings and public hearings, codifies ordinances, and maintains the County Council’s legislative history.
- Provides election services to the public which include candidate filing and voter registration activities and conducts vote by mail services pursuant to Act 136 (SLH 2019), including voter service center and Places of Deposit, aka ballot drop box operations.

External Factors Description

The start of 2020 marked the expansion of voting by mail in Hawaii via the implementation of Act 136 (SLH 2019) – Statewide Elections By Mail. This election process provides for the establishment of voter service centers and places of deposit, the cost of which to operate and maintain is borne by the Counties. Based on the number of registered voters of each County, a two-year implementation grant from the State was provided for the Fiscal Year (“FY”) 20 and FY 21 periods, totaling approximately \$106,000 per year.

On March 12, 2020 a public health emergency was declared in the County and State of Hawaii with preventive measures put in place to minimize the spread of COVID-19 within the County. While the

Department Summary**External Factors Description (Cont'd)**

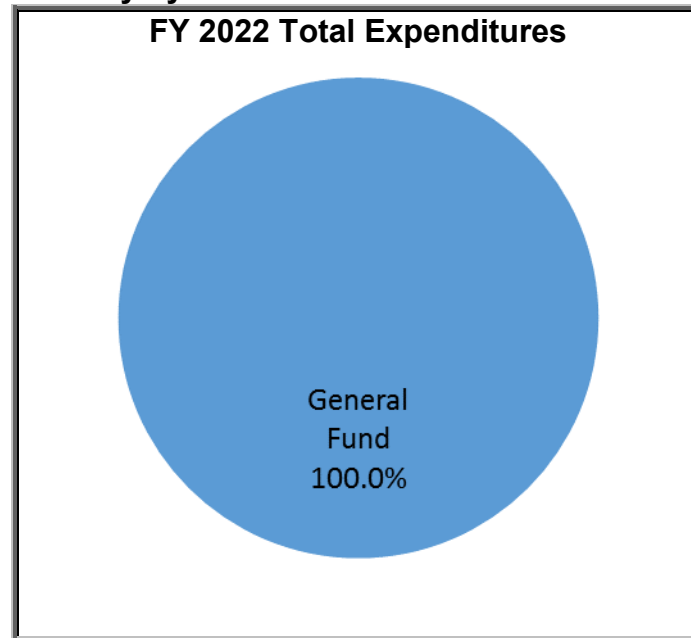

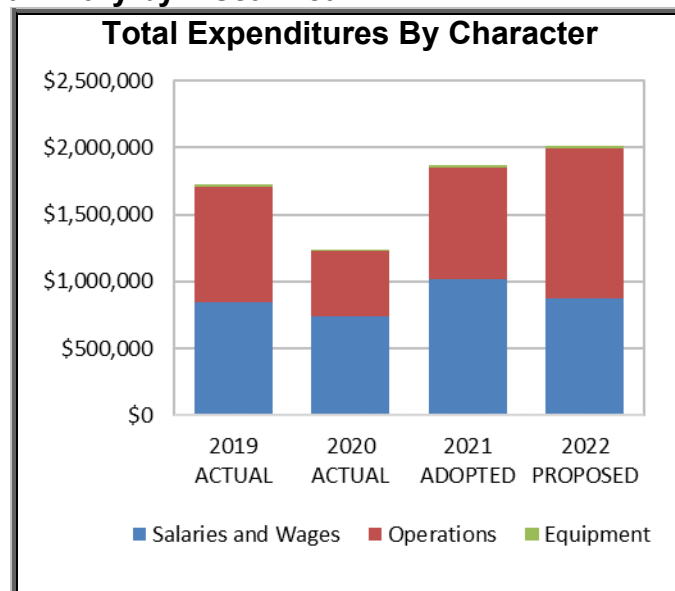

OCC remained open to accommodate on-going candidate filing, voter registration assistance, and essential legislative duties, many of the offices OCC deals with on a daily basis closed and turned to telecommuting and/or extremely limited face-to-face interaction.

The pandemic affected the scheduling of election-related trainings with the Office of Elections on Oahu; site inspections of our direct mailing elections service provider - Cardinal Mailing Service's facility on Oahu; and training on the new mail sorting equipment in advance of the elections. With PPE supplies hard to access in the early months of COVID, the office took what protective measures available, such as the installation of an intercom system at the front entrance for better crowd control within the lobby space of the office, and the installation of plexiglass workstation barriers, as well as blue tape to mark distancing and signage reminders on recommended protocols.

Federal and state laws, along with County Charter provisions, constitute the legal framework for elections and the numerous operations related to elections. Changes in federal and state laws continue to result in additional cost to be borne by the County.

For example, the Help America Vote Act of 2002 established standards for all voting systems. The requirements include, but are not limited to, voting systems that allow a voter, before casting his or her ballot, to verify the votes selected; that allow a voter to change his or her ballot before casting a ballot; and that notify voters that they have over-voted a contest. Act 5 (2006), Hawaii State Legislature, (see Hawaii Revised Statutes §§ 16-41 and 16-42), requires that electronic voting systems used in the State of Hawaii generate a voter-verifiable paper audit trail that a voter can review before casting his or her ballot. These features and others have increased the cost of voting systems used by the state and the counties.

County Clerk Program

Program Description

The program budget for the OCC includes funds for legislative and elections functions, as well as other duties assigned by law or the Council.

Population Served

The Legislative Division of the OCC performs tasks for the Maui County Council relative to the conduct of Council meetings and public hearings, and the adoption of legislation.

The Election Division of the OCC serves the general population of Maui County by offering voter registration, candidate filing, and other election related services to the general public.

Services Provided

The Legislative Division of the OCC: Supports the legislative activities of the Council; assists the Chair of the Council in the management of the Council's meeting schedule and calendar; prepares Council meeting and public hearing agendas and the relevant legislative materials to be considered at each meeting or public hearing and prepares Council meeting and public hearing minutes and appropriate follow-up correspondence; procures services and administers the codification of ordinances and the publication of the Maui County Code; and indexes, retains, and retrieves official documents of the County as required by law.

The Election Division of the OCC: Registers voters in the County; in partnership with the State, administers and operates all Federal, State, and County elections conducted within the County; oversees the maintenance, storage, and operation of voting equipment; resolves questions related to the election process; processes, indexes, and retains all voter registration affidavits; conducts programs and activities to increase voter registration; issues vote by mail ballots for Primary, General, and Special elections; and issues certificates of elections.

County Council

Mayor's Proposed Budget
FY 2022

★ This page has been intentionally left blank. ★

Department Summary

Mission (County Council)

The purpose of the County Council is to make legislative decisions in a fair and efficient manner, on behalf of the people of the County of Maui.

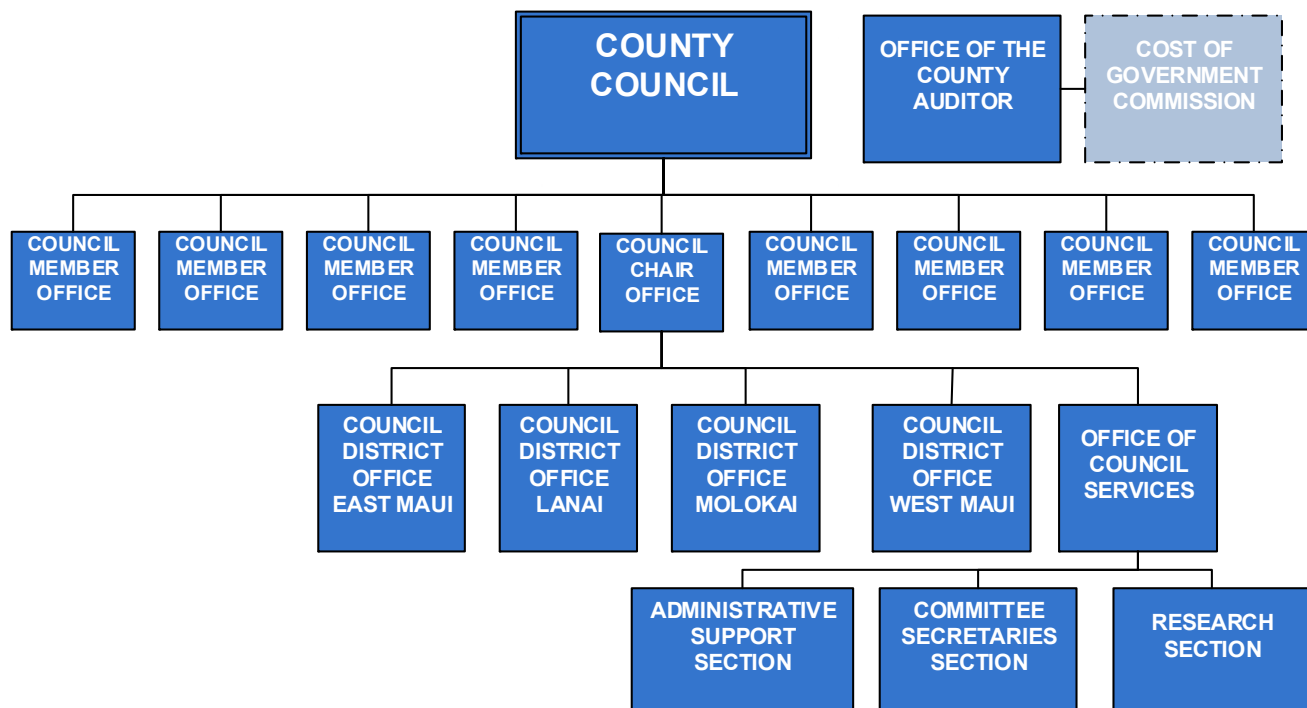

Mission (Office of Council Services or “OCS”)

To provide the best public service and promote the public good, by assisting the policy-making process as a hard-working team striving for consistency, accuracy and the quality that comes with excellence.

Mission (Office of the County Auditor or “OCA”)

Improve government accountability through independent analysis.

Organization Chart

Strategies

- The County Council consists of nine Councilmembers. Each Councilmember's office focuses on that Councilmember's legislative priorities and constituencies.
- The OCS focuses on providing services that enable the Council to decide legislative issues through a process that is lawful, reasonable, and efficient.
- The OCA will:
 - Serve as a catalyst for positive change in County government through focused independent audits and examination;
 - Advocate for the efficient and appropriate use of public resources; and
 - Increase government transparency for the purpose of bringing a higher quality of life to the citizens of Maui County.

Department Summary

Operations

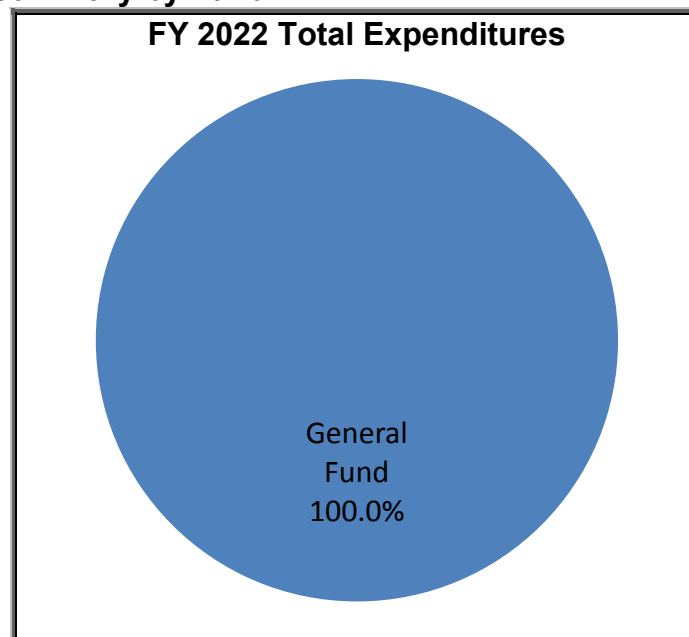

County Council:

- The Councilmembers are provided flexibility in staffing and managing their offices. Their offices have equal annual allocations, and their operations are subject to pertinent legal and ethical requirements.
- The district offices in East Maui, Lanai, Molokai, and West Maui, give residents of those areas access to the legislative process and provide district-related assistance to Councilmembers, the Council, and other legislative agencies.
- The OCS functions as a central support agency providing research, clerical, and logistical support to the Council's committees and Councilmembers in the performance of their official legislative duties.

The OCA is administratively divided into two functions: Administrative Support, and Audit and Analysis.

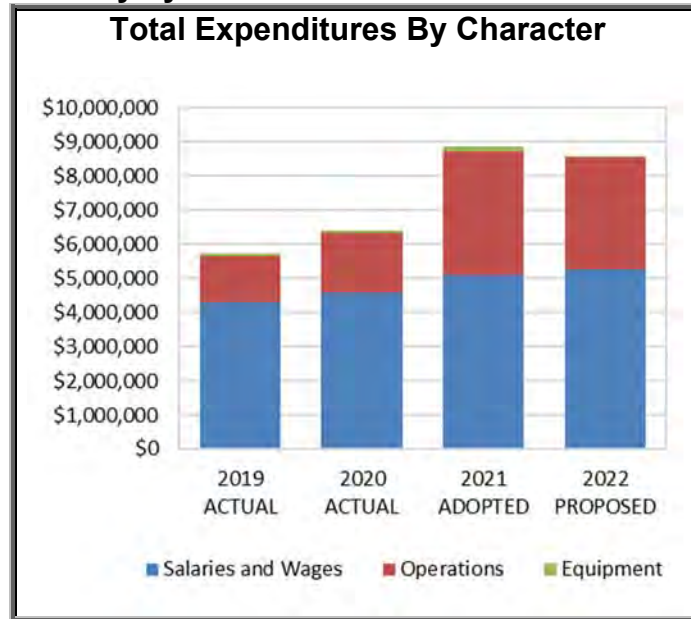

- **Administrative Support** - Work in coordination with others to carry out the functions of the OCA. Responsible for the day-to-day administrative services of the office, with some delegated authority to act for the County Auditor in select administrative matters. Provide administrative support in matters relating to personnel management, budget administration, financial records, audit report compilation, and general correspondence. Coordinates staff travel, training, and procurement of office equipment when required.
- **Audit and Analysis** - To the extent practicable, audits shall be conducted in accordance with generally accepted government auditing standards ("GAGAS") issued by the Comptroller General of the United States, Government Accountability Office. The application of GAGAS will provide OCA with a framework for conducting high-quality audits with competency, integrity, objectivity, and independence. As a requirement of GAGAS, audit staff shall maintain high levels of professional competency and skepticism through the completion of 80-hours continuing professional education every two years. In addition, the quality of the work product of OCA shall be examined through an external quality control "peer review" by an entity independent of the County of Maui at least once every three years.

Council Services Program

Program Description

The program budget for the OCS includes funds for centralized legislative costs, as well as the nine Councilmembers' offices and the four district offices of the County Council located in East Maui, Lanai, Molokai, and West Maui.

Generally, OCS provides research, clerical, and logistical support to the committees of the County Council and to Councilmembers in the performance of their official legislative duties. Each Councilmember's office is assigned an equal portion of the budget in an effort to provide all Councilmembers with enough flexibility and independence to pursue their own legislative priorities.

The district offices are managed by the Council Chair on behalf of all Councilmembers, and are intended to provide residents of these areas – which are geographically remote from the Council seat of Wailuku – with better access to Councilmembers and to legislative services in general.

Population Served

Each Councilmember represents and is accountable for all residents of the entire county, regardless of the Councilmember's residency area. Other personnel in the legislative branch serve the community indirectly by enabling the County Council, its committees, and its members to undertake their legislative responsibilities.

Services Provided

Councilmembers make legislative decisions for the community. As legislative officials, they are selected by majority vote and are directly accountable to the electorate. The legislative process is subject to many stringent and complex legal requirements. Councilmembers also spend considerable time meeting with advocates, gathering and evaluating information on issues, and considering the community's long-term needs.

Councilmembers have flexibility in staffing and operating their offices within an annual allotment so they can pursue their legislative priorities independently. Their offices work on constituent requests and legislative research, especially on matters requiring privacy and confidentiality. The offices also assist Councilmembers with scheduling, communications, and documents.

The OCS primarily supports the legislative activities of the County Council and its committees. The office provides the services necessary to enable Councilmembers to consider legislative issues in committee meetings. The office also provides or coordinates the legislative branch's general operations such as facilities, equipment, supplies, office technology, payroll, benefits, accounting, and workforce policies.

County Auditor Program**Program Description**

Pursuant to Section 3-9 of the Charter, it is declared to be the policy of the County to promote economic efficiency and improved service in the transaction of public business, in the legislative and executive branches of the County by:

1. Limiting expenditures to the lowest amount consistent with the efficient performance of essential services, activities, and functions;
2. Eliminating duplication and overlapping of services, activities, and functions;
3. Consolidating services, activities, and functions of a similar nature; and
4. Abolishing services, activities, and functions not necessary to the efficient conduct of government.

Pursuant to Section 3-9.3 of the Charter, the Cost of Government Commission shall be advisory to the County Auditor.

Population Served

The OCA serves the citizens of the county by promoting economic efficiency and improved service in the transaction of public business in the legislative and executive branches.

Services Provided

1. The County Auditor shall have the duty and power to conduct or cause to be conducted:
 - a) The independent annual financial audit of the county, as authorized by Section 9-13 of the Charter;
 - b) Other program, financial, or performance audits or evaluations regarding county organizations, operations, and regulations; and
 - c) Performance or financial audits of the funds, programs or activities of any agency or function of the county as the County Auditor deems warranted provided that before each fiscal year, the auditor shall transmit a plan of audits proposed to be conducted during the fiscal year to the Mayor and the Council for review and comment, but not approval.
2. Audit findings and recommendations shall be set forth in written reports of the County Auditor, a copy of which shall be transmitted to the Mayor and to the Council. Such copy shall be public records, except as provided by law.
3. For the purposes of carrying out any audit, the County Auditor shall have full, free, and unrestricted access to any county officer or employee; shall be authorized to examine and inspect any record of any agency or operation of the county; to administer oaths and subpoena witnesses; and compel the production of records pertinent thereto. If any person subpoenaed as a witness or compelled to produce records shall fail or refuse to respond thereto, the proper court, upon request of the County Auditor, shall have the power to compel obedience to any process of the County Auditor and to punish, as contempt of the court, any refusal to comply therewith without good cause. Notwithstanding Section 3-6.6 of the Charter, the County Auditor may, without Council approval, retain special counsel to represent the County Auditor in implementing these powers.
4. The County Auditor shall submit its budget to the Council, and its budget shall include the Cost of Government Commission's budget subject to Article 9, Section 9-2.1 of the Charter.

County Auditor Program

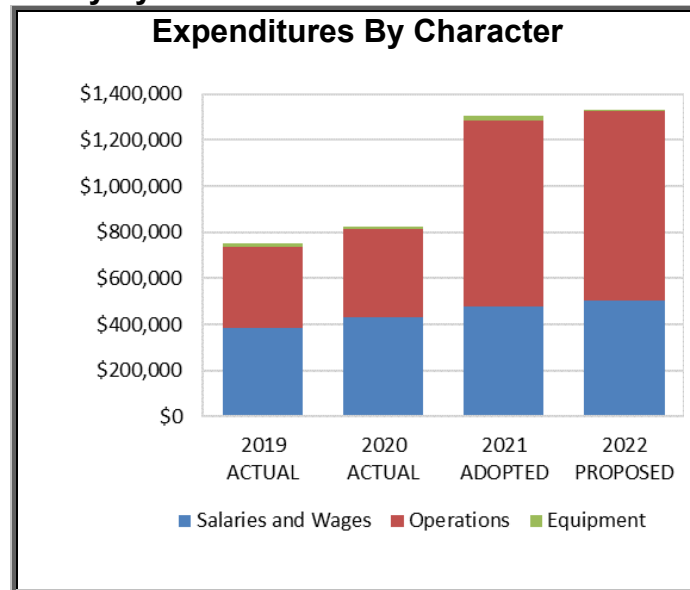

Key Activity Goals & Measures

GOALS/ OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: To perform the duties of the Office of the County Auditor as required by the Charter in an effective, efficient, and legally proper manner.</i>				
1. Procure and oversee Charter-mandated independent financial audits of the county	# of financial audits completed	4	3	3

Maui County Emergency Management Agency

Mayor's Proposed Budget
FY 2022

★ This page has been intentionally left blank. ★

Department Summary

Mission

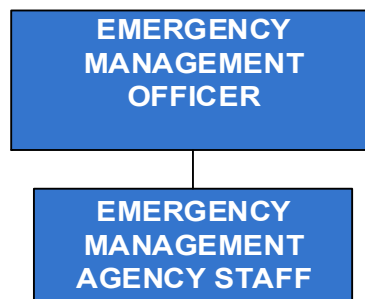

Utilizing emergency management principles, we protect all persons within the County of Maui to achieve whole community resiliency.

Countywide Outcome(s)

The Maui County Emergency Management Agency supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- An Environmentally Responsible and Sustainable Community
- Well-planned Public Infrastructure
- A Prepared, Safe, and Livable County

Organization Chart

Strategies

The Maui County Emergency Management Agency (“MEMA”) staff promotes readiness through training aimed at familiarization with Emergency Management (“EM”) concepts and testing our capabilities through exercises, including:

- Training opportunities to staff, Emergency Operation Center (“EOC”) partners, and Non-Government Organizations (“NGO”);
- Overseeing the training and exercise program to validate and update standard operating guidelines, plans, and procedures;
- Strengthening the EOCs functionality and efficiency in managing emergencies through situational awareness leading to a common operating picture for all agencies involved; and
- Fostering community resiliency through public engagements and assists in coordinating recovery efforts after an emergency.

Operations

MEMA is the local coordinating agency for administering and operating various local, State, and Federal emergency management programs for the County. This includes planning, preparing, and coordinating emergency management operations in meeting disaster situations and coordinating post-disaster recovery operations. To accomplish this, MEMA will:

- Develop a well-trained and responsive staff;
- Enhance the County’s capabilities and response capacity for All-Hazards;
- Utilize a Whole Community Approach to engage individuals and the private sector in emergency planning and preparedness;
- Identify and implement the use of appropriate technology during all phases of emergency management; and

Department Summary**Operations (Cont'd)**

- Enhance community resilience through the implementation of a coordinated and sustainable mitigation program.

External Factors Description

In March 2020, the County of Maui was faced with the news of the coronavirus and began to prepare for the upcoming challenges of what we now know as the COVID-19 pandemic. Although MEMA prepared itself as an All-Hazards Agency, this pandemic event stretched the resources and capabilities of this Agency and the County of Maui. The County's response was in alignment with the County of Maui's pandemic plan which designated the State of Hawaii Department of Health as the lead agency and MEMA as a supporting and coordinating element. MEMA's response to this pandemic hampered the daily operations of the Agency.

The EOC relies heavily on the participation of our partners from the County, State and Federal governments and non-governmental organizations. COVID-19 limited meetings in the EOC with all of our partners due to physical distancing requirements. Although we utilized video conferencing capabilities to conduct meetings with our EOC partners, this format is not the most optimal to foster collaboration.

Training remains an essential component in ensuring the readiness of our Agency in confronting emergencies. The Mayor and Maui County Council approved the creation of a position to assist in coordinating trainings for our departments and partners. This Agency will continue to provide training opportunities to fire, police, and County of Maui employees on the incident management system and on various topics relating to emergencies.

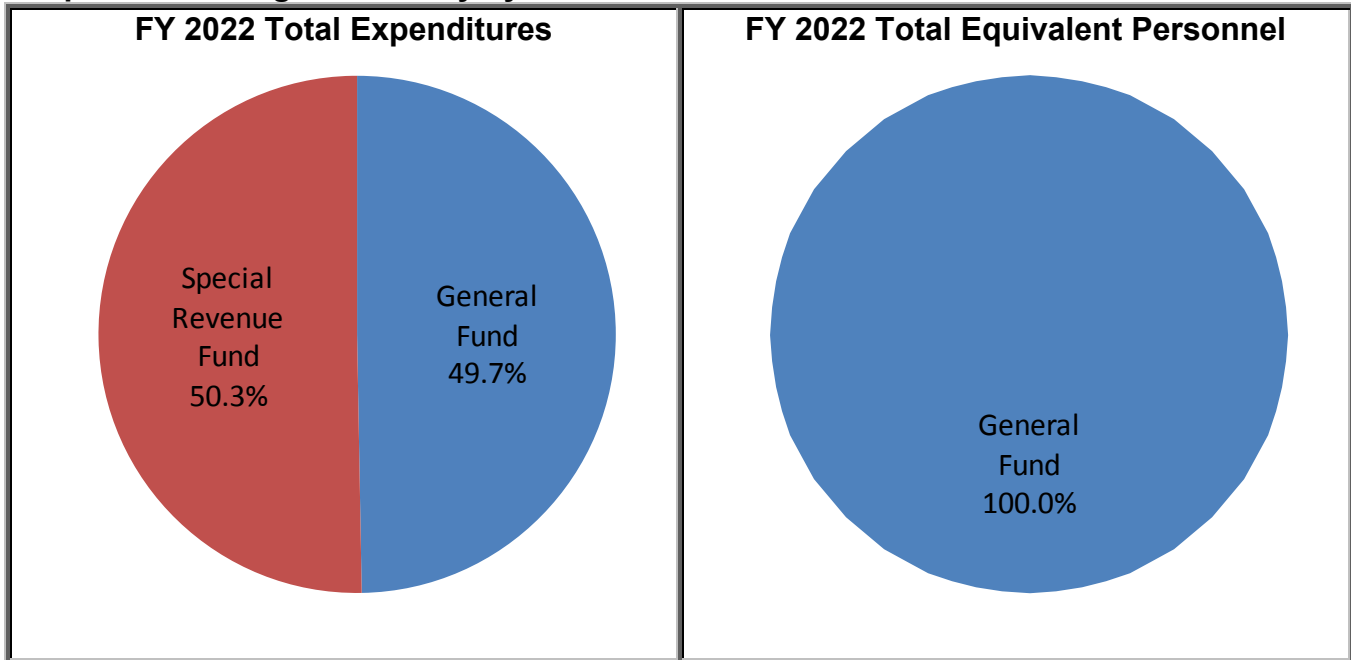

The County of Maui continues to receive grants from the Department of Homeland Security (DHS). MEMA administers the DHS and provides grant opportunities to various agencies including the Maui Fire Department and Maui Police Department. MEMA also administers the Emergency Management Performance Grant ("EMPG") which is used to fund a variety of activities including training expenses for individuals from various partner agencies.

MEMA supports the "whole community approach" and "community resilience" which serve to empower communities to prepare for emergencies. The strengthening and resiliency of the local community to handle both natural and man-made disasters starts at the individual level, continues through to the family, and then to the larger community.

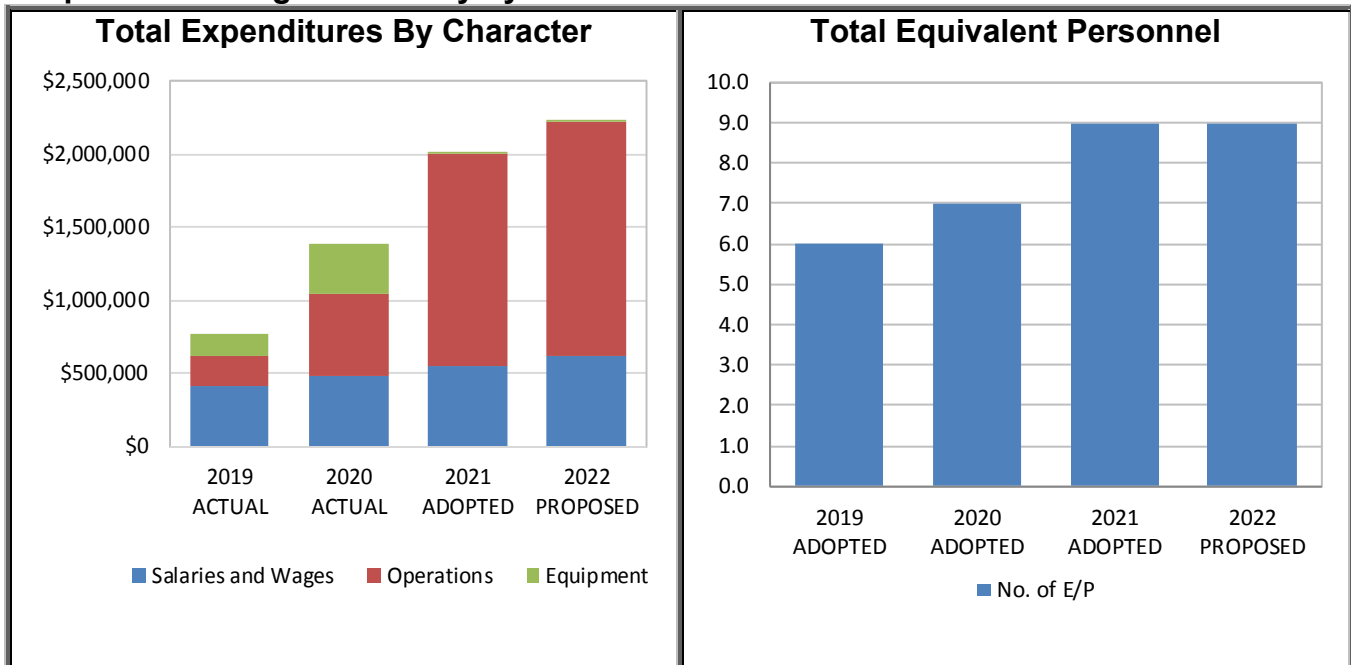

Limited infrastructure suitable for evacuation during various events continues to pose a challenge to the mission of the Agency. This, coupled with an increasing population, will strain the ability of the County to sustain long-term support for persons displaced from their homes during a large-scale event. As more residents relocate to Maui, the collective knowledge of local hazards, as well as local civil defense and emergency management programs, become diluted and creates an increasing challenge.

Grant Award Description

Emergency Management Performance Grant Program

Emergency Management Performance Grant Program is a Federal Emergency Management Agency ("FEMA") grant to sustain and enhance All-Hazards emergency management capabilities at the State and local government level.

State Homeland Security Grant Program

The Homeland Security Grant Program (HSGP) provides a primary funding mechanism for building and sustaining national preparedness capabilities. The County of Maui receives funds from two of the five interconnected grant programs that comprise the HSGP: State Homeland Security Program and the Citizen Corps Program.

Department Summary

Mission

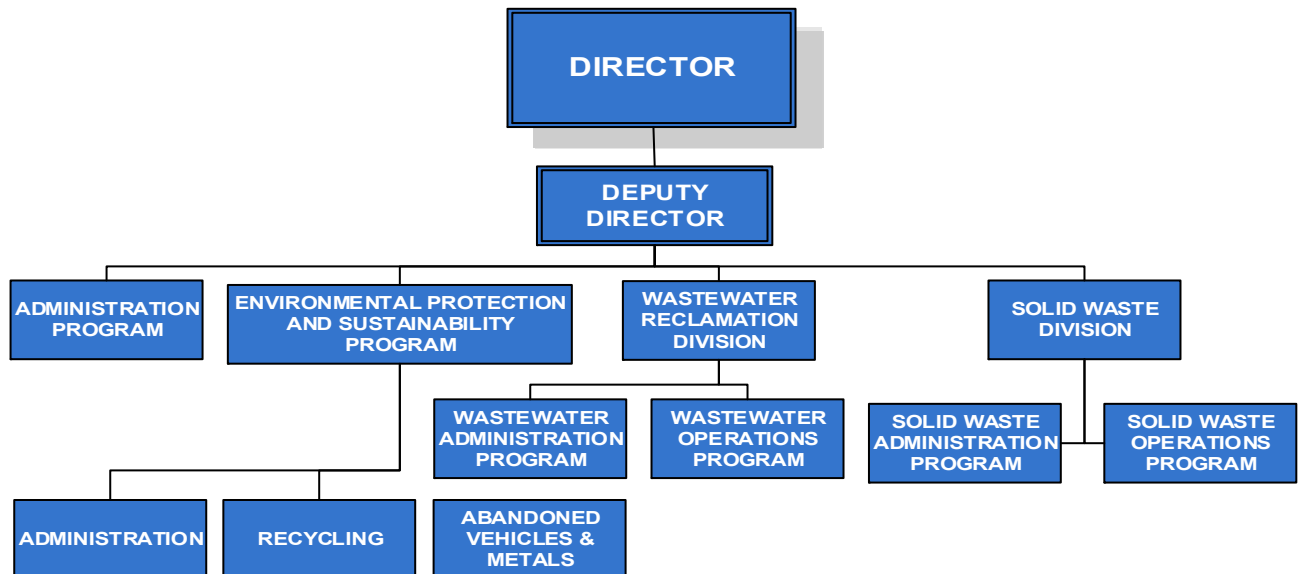

The Department of Environmental Management (“DEM”) directs and oversees three operating divisions: Environmental Protection and Sustainability; Solid Waste Management; and Wastewater Reclamation. These divisions provide direct service to the public and also protect the environment. DEM’s mission is to ensure public health and safety, and environmental sustainability. This is accomplished by providing support and guidance to our divisions to continue effective, efficient, and compliant operations.

Countywide Outcome(s)

The DEM supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- An Environmentally Responsible and Sustainable Community
- Well-planned Public Infrastructure
- A Prepared, Safe, and Livable County

Organization Chart

Strategies

- Plan and implement the necessary infrastructure investments to support a healthy and sustainable community.
- Review and modify procedures to deliver services to the public that meet the expectations and demands of a livable community.

Operations

The Administration Program meets with the Department’s divisions to plan and implement their capital improvement program, discuss daily activities, assures compliance, and handle personnel matters.

The Mission Statement of the Solid Waste (“SW”) Division is “To Provide Public Health, Safety and Environmental Protection of Maui County’s Air, Land, and Water through Effective and Sustainable Solid

Department Summary**Operations (Cont'd)**

Waste Management Practices, Resources, and Dedicated Team". The SW Division is responsible for the overall management and support of the Residential Refuse Collection and Landfill Operations sections. In addition, the Administration section of this Program manages capital improvement projects, operations engineering, regulatory compliance support, permit review processing, all fiscal activities, billing and collection of residential and commercial refuse accounts, and the Division's safety and training objectives.

The Environmental Protection and Sustainability ("EP&S") Division manages programs that guide efforts to optimize opportunities for environmental initiatives, natural resource protection, sustainability, conservation, and restoration. Existing programs include waste reduction and diversion of waste that would otherwise be landfilled including general recyclables, scrap metals, electronics, household hazardous waste, and abandoned vehicles, as well as litter control and other waste reduction programs. Program expansions include an environmental grant program, sustainability education, and partnerships with environmental agencies and organizations. EP&S also administers the abandoned and derelict vehicle program.

The Wastewater Reclamation ("WWR") Division operates and maintains the County's wastewater and recycled water assets. This includes five (5) treatment facilities, 42 pump stations, over 265 miles of gravity and force main pipelines, and two (2) recycled water distribution networks consisting of two (2) tanks and over nine (9) miles of pipeline. These systems process over 14 million gallons a day of wastewater and distributes over four (4) million gallons a day of recycled water. The Construction Section handles all capital improvement design and construction projects. The Pretreatment Program issues wastewater hauler and discharge permits, monitors and enforces discharges into the system by requiring grease interceptors for restaurants and food services and other devices for industrial users. The Planning and Permitting section reviews construction plans, building and other permit applications, certificate of occupancy requests, monitors system capacities, performs construction inspection and maintains a GIS asset database. The recycled water section performs design and construction functions, reviews, inspects, and issues user permits; provides public education; and supports our reuse customers.

External Factors Description

The SW and WWR Divisions are heavily regulated by both State and Federal agencies. State and Federal agencies' rules and regulations dictate how the Divisions operate their facilities. The Department continues to work with those agencies to weigh the impacts of these rules and regulations on the operational costs.

Public perception impacts the Divisions' ability to operate facilities. Despite being in compliance with all applicable requirements, negative assumptions often are made as to the manner in which facilities are being operated. This forces the Divisions to operate their facilities above and beyond applicable requirements to combat any negative perception.

The COVID-19 pandemic left indelible marks on the Department's divisions. Since March 2020, the SW Division continues to have various impacts due to the COVID-19 pandemic. This includes: decreased user fee revenue due to less commercial tonnage brought to the landfill, more than 2,000 lost man-hours due to quarantining, and Family Cares Act from June 2020 – December 2020. We have also implemented additional required safety modifications and procedures to our baseyards, break rooms, schedules, and customer service windows to help reduce contact risks. We have made necessary Personal Protective Equipment (PPE) and sanitizing expenditures, increased public education for refuse billing online payment options, and fostered physical distancing and safety Division-wide.

Department Summary

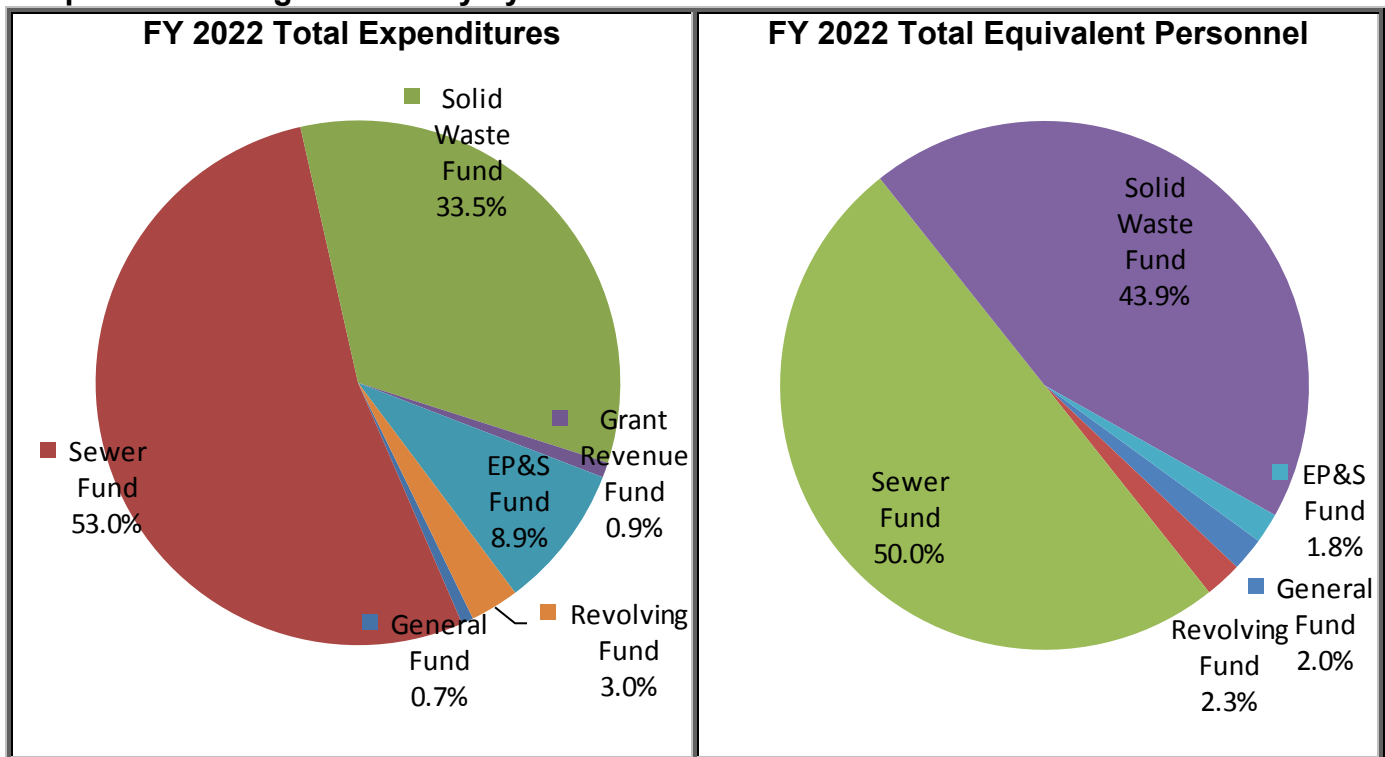

External Factors Description (Cont'd)

To help address unplanned expenditures and lost revenue, we have reduced other expenditures and delayed purchases where possible. Our FY 2022 Operations Budget has maintained reductions made in FY 2021, with zero overall increases submitted. In addition, we have delayed several CIP projects in our FY 2022 CIP, with a 60% reduction from FY 2021.

For our EP&S Division, the COVID-19 pandemic affected operations and budgets in a number of ways. Budgets were affected by decreased revenues coupled with increased expenditures to provide for safety measures during collection events and recycling activities. Operations were affected by increased workloads, the need to update emergency/pandemic plans, development of new procedures for workflow and accountability, and delays and interruptions at all levels of operation. Staff and contractors have also experienced potential exposure due to daily direct interface with the public. While overall solid waste tonnages decreased, we witnessed a sharp increase in single-use plastic waste while preparing for implementation of Ordinance No. 5084, a ban on disposable plastic foodware.

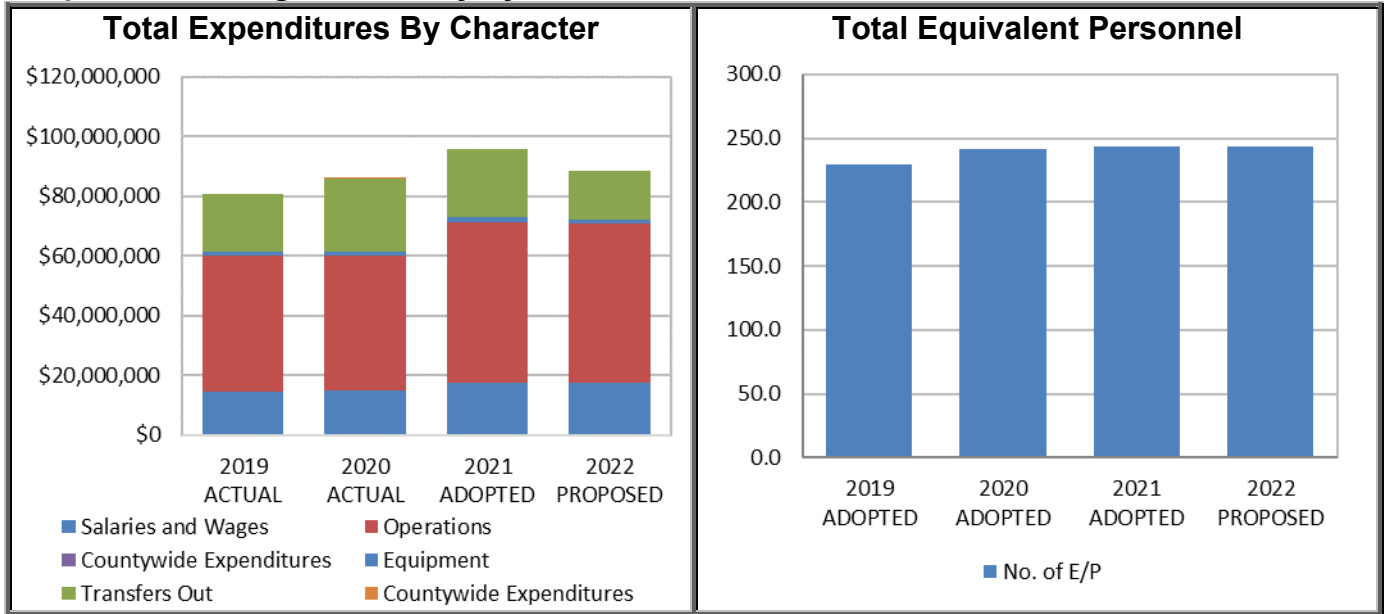

For our WWR Division, vastly reduced tourism to the County (Kihei and Lahaina areas in particular) and related or ordered business closures, resulted in WWR facilities processing about 2.8 million gallons or 20% less wastewater per day than normal by summertime 2020. Lower flows also contributed to reduced sludge production for disposal at the landfill. Workspace modifications, meeting and working policies, availability of staff to assist the public and personal protection equipment requirements were all affected. Ultimately, all of these factors resulted in lower revenues while costs remained close to normal, fewer work hours for staff as many had to care for family members or were in quarantine, longer plan/permit review times and difficulty in filling open positions.

Administration Program**Program Description**

The Administration Program meets with the Department's three Divisions to plan and implement the Departments' capital improvement program, discuss daily activities, and personnel matters. Based on Section 8-15.3 of the County Charter, the budget includes the additional responsibilities of the Department to "guide efforts to optimize opportunities for environmental, natural resource protection, sustainability, conservation, and restoration." The three Divisions under the Department include:

The WWR Division operates and maintains the County's wastewater and recycled water systems across the three (3) islands. This includes seven (7) sewer service collection areas, five (5) treatment facilities, and two (2) recycled water distribution networks. The Division supports administration, environmental compliance, planning, engineering, construction, permit reviews, training, safety, and accounting/fiscal matters. The Division's 122 employees endeavor to run these systems in an economical and environmental conscious manner to provide service to more than 23,000 wastewater accounts, and nearly 50 recycled water customers.

The SWD supports administration, compliance, planning, engineering, fiscal matters, refuse collections, landfill operations, safety and training programs, 108 employees, capital improvement projects, and permit reviews. The Division operates four (4) County-owned landfills and, six (6) closed landfill; provides residential refuse collection to more than 26,800 accounts and 2,700 routes/year; manages 17 land use and environmental permits, conducts associated environmental monitoring, reporting, and related regulatory compliance countywide; landfills 208,100 tons/year; and currently processes 29,000 tons/year of construction and demolition (C&D) material.

The EP&S Division fulfills the 2012 Charter mandate that the Department "guide efforts to optimize opportunities for environmental, natural resource protection, sustainability, conservation, and restoration." Existing programs include waste reduction and diversion of waste that would otherwise be landfilled, including general recyclables, scrap metals, household hazardous waste, and abandoned vehicles, as well as litter control and other waste reduction programs.

Countywide Outcome(s)

The Administration Program supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- An Environmentally Responsible and Sustainable Community
- Well-planned Public Infrastructure
- A Prepared, Safe, and Livable County

Population Served

The Administration Program oversees the EP&S, WWR, and SW Divisions. The WWR Division serves sewer and water reuse customers in the County of Maui.

Services Provided

The Administration Program provides management services to the SW, WWR, and EP&S Divisions.

Wastewater Administration Program

Program Description

The WWR Division is composed of two major organizational elements - Administration and Operations. These two elements work in unison with overlapping responsibilities but shared objectives. The Wastewater Administration is responsible for managing the overall objectives of the Division, expenditures and revenues, and administering the wastewater user charge system. It monitors compliance with County, State, and Federal regulations regarding treatment, quality, and discharges; provides permitting, monitoring, and enforcement support for regulated discharges from commercial and industrial users; issues food service, industrial user, and hauler discharge permits; and maintains the countywide database relating to these permits. The program also identifies, plans, and constructs wastewater and recycled water infrastructure to support community plans.

Countywide Outcome(s)

The Wastewater Administration Program ("Program") supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- An Environmentally Responsible and Sustainable Community
- Well-planned Public Infrastructure
- A Prepared, Safe, and Livable County

Population Served

The Program serves sewer and water reuse customers in the County of Maui. The Wastewater Reclamation Division serves sewer and water reuse customers in the County of Maui. There are over 45,000 residential units and 1,700 non-residential customers.

Services Provided

The Program provides: Wastewater reclamation services in Central, South, and West Maui; Kaunakakai, Molokai; and Lanai City; wastewater collection services in Haliimaile, Maui and Kualapuu, Molokai; and recycled water services in Central, South, and West Maui.

Key Activity Goals & Measures

TOTAL			\$104,000	\$3,439,703	\$2,421,710	\$0

Grant Award Description

West Maui Recycled Water System Expansion – Intrawest, Hyatt and Starwood Resorts

Intrawest, Hyatt and Starwood Resorts were required as a condition of development to contribute their “fair share” to the recycled water system improvements in West Maui.

Wastewater Operations Program

Program Description

The Wastewater Operations Program is responsible for the management, operation, and repair of County wastewater collection, transportation, processing infrastructure, and related facilities. Activities include process control, safety and training, solids management, production of high quality effluent for recycling, regulatory reporting and compliance, laboratory analysis, preventive maintenance, and efficient operation. The Central Maintenance Section within the Wastewater Operations Program prioritizes and allocates the necessary resources to maintain, rehabilitate, and/or replace equipment required for a reliable and efficient wastewater system.

This program also operates and maintains the Naval Air Station Kahului Airport (NASKA) wastewater pump station for the State of Hawaii Department of Transportation. A revolving repair account is funded by the State for the repair of the pump station. The budget summaries for the NASKA Wastewater Pump Station Revolving Fund are not presented in this document due to the nature of this revolving account. There are no budget appropriations in FY 2022 for this revolving fund.

Countywide Outcome(s)

The Wastewater Operations Program supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- An Environmentally Responsible and Sustainable Community
- Well-planned Public Infrastructure
- A Prepared, Safe, and Livable County

Population Served

The Wastewater Operations Program serves sewer and water reuse customers in the County of Maui.

Services Provided

The Wastewater Administration Program provides wastewater reclamation services in Central, South and West Maui; Kaunakakai, Molokai; and Lanai City.

Key Activity Goals & Measures

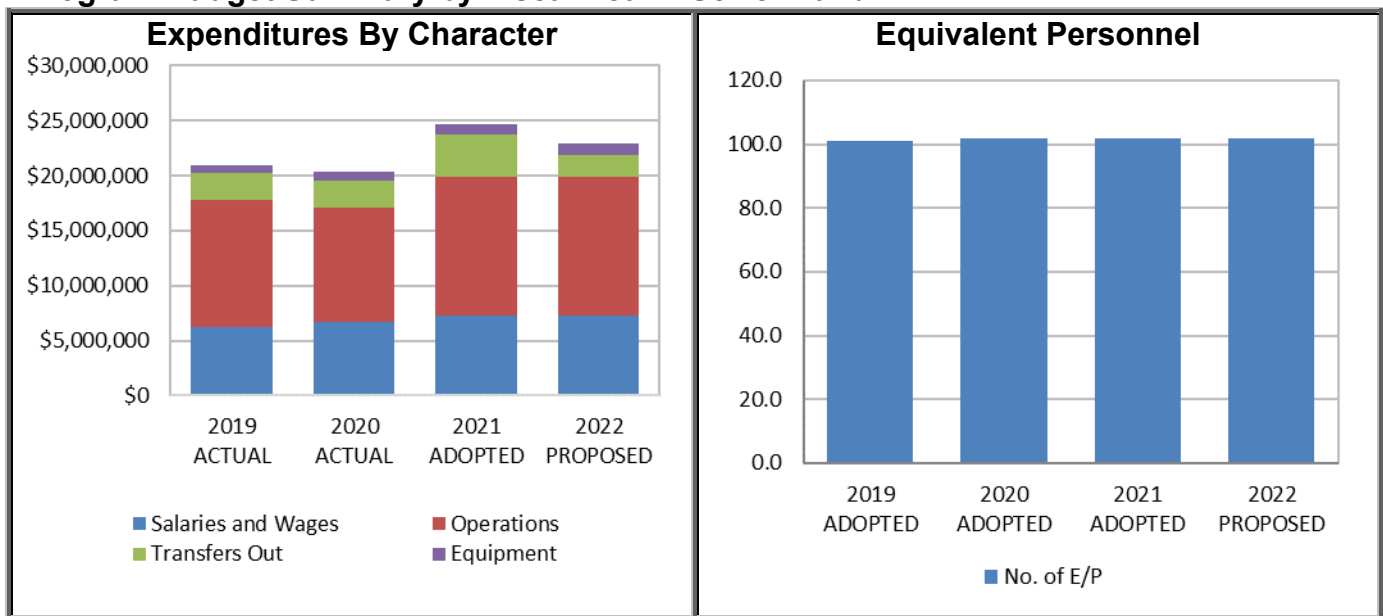

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Provide reliable wastewater service.</i>				
1. Minimize wastewater impacts to the environment by minimizing the # of non-compliant regulatory days	% of wastewater successfully transported to the treatment plants	100%	99.99%	99.99%
2. Satisfy regulatory requirements for treatment plants	# of non-compliance days	56	12	11
3. Satisfy regulatory requirements for reclaimed water	% of R-1 compliance days	93%	96%	96%

Wastewater Operations Program

Key Activity Goals & Measures (Cont'd)

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #2: Provide timely maintenance of facilities and equipment for long-term efficiency.</i>				
1. Complete on-time maintenance of existing mechanical equipment	% of preventive mechanical maintenance activities completed on-time	90%	100%	100%
2. Complete on-time maintenance of existing electrical equipment	% of preventive electrical maintenance activities completed on-time	95%	100%	100%
3. Complete on-time maintenance of existing collection system	% of preventive maintenance completed on-time	100%	100%	100%
<i>Goal #3: Encourage employee productivity and morale by developing employee skills and abilities and minimizing workplace injuries.</i>				
1. Conduct professional development sessions for each employee annually	# of professional development sessions per employee annually	0.942	12	12
2. Conduct safety training classes to each employee annually	# of safety training classes per employee annually	2.02	12	12

Solid Waste Administration Program**Program Description**

Our mission is “To Provide Public Health, Safety and Environmental Protection of Maui County’s Air, Land, and Water through Effective and Sustainable Solid Waste Management Practices, Resources and Dedicated Team”.

SW Division utilizes the following priorities for management of allotted resources:

1st Safety

- Employee safety
- Public and environmental safety
- Facility, equipment, and infrastructure safety

2nd Regulatory Compliance/Environmental Protection

- Meet all State, Federal, and County regulatory requirements, permits, mandates, and procedures

3rd Resource Management

- Meet resource management needs for personnel, budget, equipment, and infrastructure to build and maintain reliability, sustainability, and efficiency

4th Non-Safety, Non-Compliant Related Services/Programs

- Expansion of services and programs, refuse collections on non-county roads, non-critical programs, beautification, landscaping, etc.

Countywide Outcome(s)

The Solid Waste Administration Program supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- An Environmentally Responsible and Sustainable Community
- Well-planned Public Infrastructure
- A Prepared, Safe, and Livable County

Population Served

The Solid Waste Administration Program serves division personnel and all residents of Maui County.

Services Provided

The SW Division supports administration, compliance, planning, engineering, fiscal, refuse collections, landfill operations, safety and training programs, 108 employees, capital improvement projects, and permit reviews. The Division operates four (4) county owned landfills and six (6) closed landfills; provides residential refuse collection to more than 26,800 accounts and 2,700 routes/year; manages 17 land use and environmental permits, conducts associated environmental monitoring, reporting, and related regulatory compliance countywide; landfills 208,100 tons/year; and currently processes 29,000 tons/yr of construction and demolition (C&D) material.

Solid Waste Administration Program

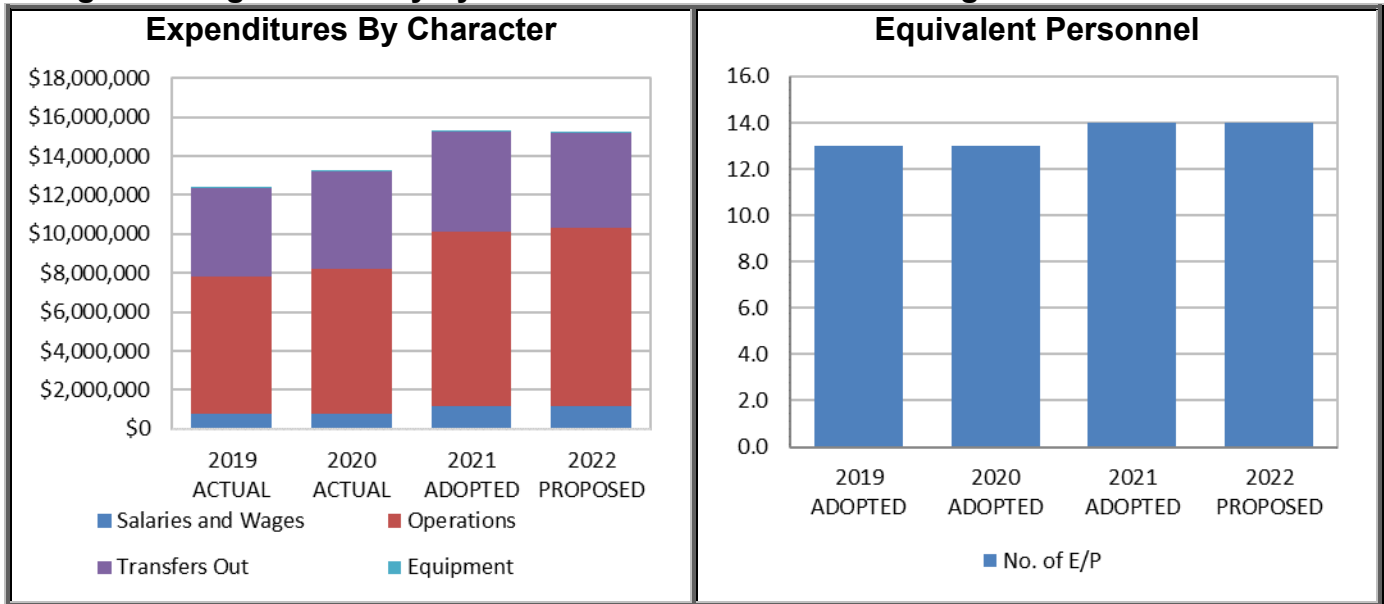

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Provide cost effective Division management.</i>				
1. Maintain efficient fiscal management ¹	Total cost per ton processed at each landfill (Tonnage data utilized includes landfilled tonnages that are not charged a tipping fee, such as residential self-haul, County residential collection, landfill waivers, and other County entities)	CML: \$54	\$55	\$56
		HLF: \$1,581	\$1,605	\$1,630
		MLF: \$529	\$537	\$545
		LLF: \$216	\$219	\$222
	Weighted average cost of all landfills	\$75	\$76	\$77
	Cost/month for refuse collection only, per account	\$26	\$27	\$27
	Total cost/month for refuse collection and associated landfilling (1.8 tons/account/year)	\$38	\$39	\$39
<i>Goal #2: Provide sustainable Solid Waste Division (SWD) infrastructure.</i>				
1. Maintain and adhere to the SWD CIP plan	% of CIP design and construction projects on schedule	100%	100%	100%
<i>Goal #3: Provide a safe workplace environment.</i>				
1. Provide safety training to Division employees annually	# of safety training classes per employee annually	50	56	60

FY 2022 Goals are based upon 1.56% inflation factor provided by US Bureau of Labor Statistics- FY 2020

Solid Waste Operations Program

Program Description

The DEM, SWD, Operations Program is responsible for residential refuse collection, the management and operation of four (4) active sanitary landfills (Hana, Molokai, Lanai and Central Maui), one (1) convenience center (refuse/recycling transfer station) in Olowalu, one (1) convenience center at the Hana landfill, one (1) convenience center at the Central Maui landfill, and six (6) closed landfills (Kalamaula, Olowalu, Waikapu, Makani, and CML Phase I & II).

Countywide Outcome(s)

The Solid Waste Operations Program supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- An Environmentally Responsible and Sustainable Community
- Well-planned Public Infrastructure
- A Prepared, Safe, and Livable County

Population Served

The Solid Waste Operations Program serves all residents and commercial entities within Maui County.

Services Provided

Solid Waste Operations supports 94 employees, operates four (4) county owned landfills and six (6) closed landfills; provides residential refuse collection to more than 26,800 accounts and 2,700 routes/year; manages 17 land use and environmental permits; conducts associated environmental monitoring, reporting, and related regulatory compliance countywide; landfills 208,100 tons/year; and currently processes 29,000 tons/year of construction and demolition (C&D) material.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Maintain a minimum landfill capacity and ensure that all landfills are maintained and operated in accordance with local, State, and Federal solid waste regulations.</i>				
1. Maintain capacity for disposal	Total tons landfilled/ year (not including C&D tons listed below)	208,100	206,000	208,000
	Total C&D tonnage estimated to be added to CML	29,000	22,000	26,500
2. Perform annual landfill surveys and capacity studies	Central remaining years	1.3	2.3 *	1.3 ****
	Hana remaining years (Est. 8 years conversion to transfer station)	28.0	39.8**	38.8
	Molokai remaining years	2.0	7.3***	6.3
	Lanai remaining years	14.0	13.0	12.0

* 2 years of additional landfill capacity est. to be constructed in FY 2021. (Phase IIIA)

** Previous years included additional airspace and tonnage from completed Hana Makai Berm Cleanup. Current incoming tonnage and airspace consumed reflects landfill disposal totals only.

*** 6 years of additional landfill capacity est. to be constructed in FY 2021. (Phase V)

**** 7 years of additional landfill capacity est. to be constructed in FY 2023 (Phase IIIB)

Solid Waste Operations Program

Key Activity Goals & Measures (Cont'd)

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Maintain a minimum landfill capacity and ensure that all landfills are maintained and operated in accordance with local, State, and Federal solid waste regulations (Cont'd).</i>				
3. Maintain acceptable levels of regulatory compliance within approved resources	# of Department of Health (DOH) notices of violation due to non-compliance	0	0	0
4. Maintain an acceptable # of days the landfills are open. Goal is to remain open 98% of the time	# of days where any of the 4 landfills experience a full day closure	0	0	0
	# of days where any of the 4 landfills experience a partial day closure ¹	1	10	10
<i>Goal #2: Generate and utilize renewable energy at all active landfills.</i>				
1. Maintain existing and develop new renewable energy facilities at the SWD landfills	Total # of alternative energy and PV lighting installed	5	5	6
<i>Goal #3: Collect and landfill residential solid waste safely & efficiently, and provide responsive service to all residents.</i>				
1. Provide responsive service and customer satisfaction by maintaining scheduled pickups of 2,700 routes per year. (Goal is 98% on scheduled collections) ² Re-scheduling or cancelling route causes include: <ul style="list-style-type: none"> • Trucks / equipment outages • Labor Shortages • Emergencies, storms, hurricanes, flooding, road closures, etc. 	% of on-time routes completed as scheduled.	99.4% ³	98.3%	98.3%

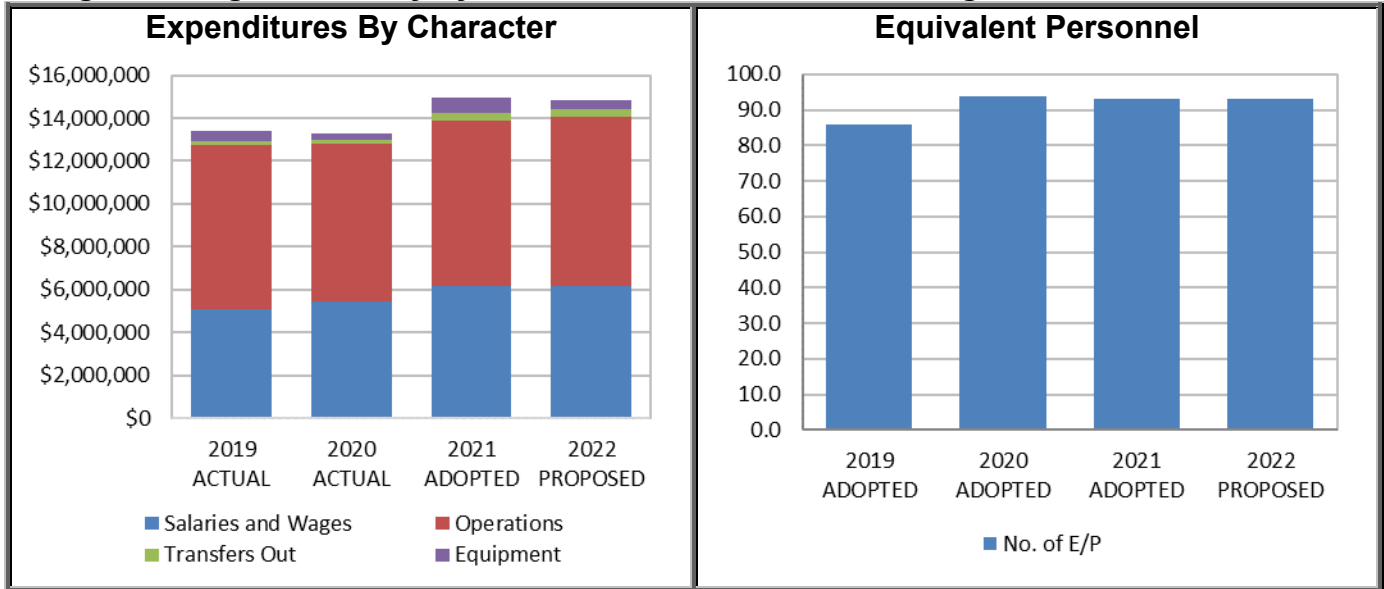

¹ Based on 4 open landfills, the County has 1,058 normally scheduled open days per year (2% x 1,058=21 days). Most partial closures are at Molokai, Lanai and Hana and are for 1.5 hours only.

² National average of on-time collection is ~95%.

³ The calculation for 2020 actual % was based on 2020 routes/year of 2,600.

Environmental Protection and Sustainability Program

Program Description

The Environmental Protection and Sustainability (“EP&S”) Division is responsible for programs that foster environmental protection and promote sustainability throughout the County. The Division manages programs to reduce sources of waste and promote the highest and best use of waste resources in order to divert waste from the landfill. The Division also administers the abandoned vehicles program and other litter control programs. Expanded programing shall guide efforts to optimize opportunities for environmental initiatives, natural resource protection, sustainability, conservation, and restoration through environmental grants, sustainability education, and partnerships with environmental agencies and organizations.

Countywide Outcome(s)

The Sustainability Program supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- An Environmentally Responsible and Sustainable Community
- Well-planned Public Infrastructure
- A Prepared, Safe, and Livable County

Population Served

The EP&S Division serves the entire population of Maui County through its promotion of environmental protection and sustainability.

Services Provided

The EP&S Division currently supports waste reduction, litter control, and various methods of materials recycling and diversion of waste that would otherwise be landfilled such as plastics, glass, newspaper, cardboard, metals, green waste, abandoned vehicles, and household hazardous waste. Intended expansions include development and management of programs which shall include promotion of environmental issues, sustainability education, a community sustainability initiatives grant program, and partnerships with other governmental agencies and organizations.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Provide cost effective Division management.</i>				
1. Maintain efficient fiscal management	Total tons diverted/ recycled per year under County funded projects	64,120	15,000	50,000
	Estimated total tons diverted/recycled per year under non-County funded projects	50,000	50,000	50,000
	Diversion rate (diversion rate dependent upon FY 2021 funding availability)	32%	8%	25%

County Grant Subsidy Program Description

Malama Maui Nui/Community Work Day, Keep Maui Beautiful Grant

Grant to fund general and operational expenses, including a portion of administrative staff salaries, as well as IT, office supplies, and equipment maintenance.

Malama Maui Nui/Community Work Day, Go Green West Maui Recycling Grant

This grant provides for a monthly comprehensive recycling event for the community of West Maui. The event, held at the Lahaina Cannery Mall, provides collection of a large range of recyclable items, from glass, plastics, and paper, to appliances, bicycles, electronics, tires (for a fee), and scrap metal. The organization leverages several community partnerships to be able to conduct these events at a low cost.

Community Work Day/Malama Maui Nui, Keep Maui Beautiful Grant

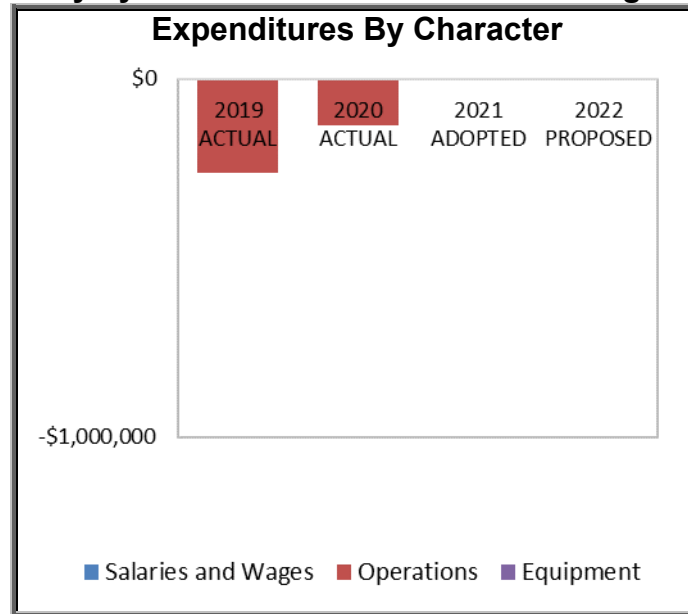

This grant funds educational and outreach work to create behavioral change, as well as a portion of salaries for administrative staff and field crew. This includes school and community presentations, plastics reduction initiatives, community beautification events such as beach clean-ups, litter prevention outreach such as the "Uncovered Truck Law" educational event at the Central Maui landfill.

Green Grants Program/West Maui Green Cycle Pilot

This program supports innovative sustainability projects on Maui, Molokai, and Lanai.

Grant Award Description

Electronic Program

The State of Hawaii passed the Electronic Device Recycling Act SB 2843 in 2008. The purpose of this Act is to encourage recycling of electronic devices sold within the State. Manufacturers of covered electronic devices (CED's) and televisions (CTV's) are required to register and pay an annual fee of \$5,000 to the Department of Health. The intent of the law is to support County electronic recycling programs, and Maui County receives approximately \$160,000 per year from the State Department of Health to provide the Maui, Molokai, and Lanai communities with electronics collection and recycling services.

Glass Recovery Program

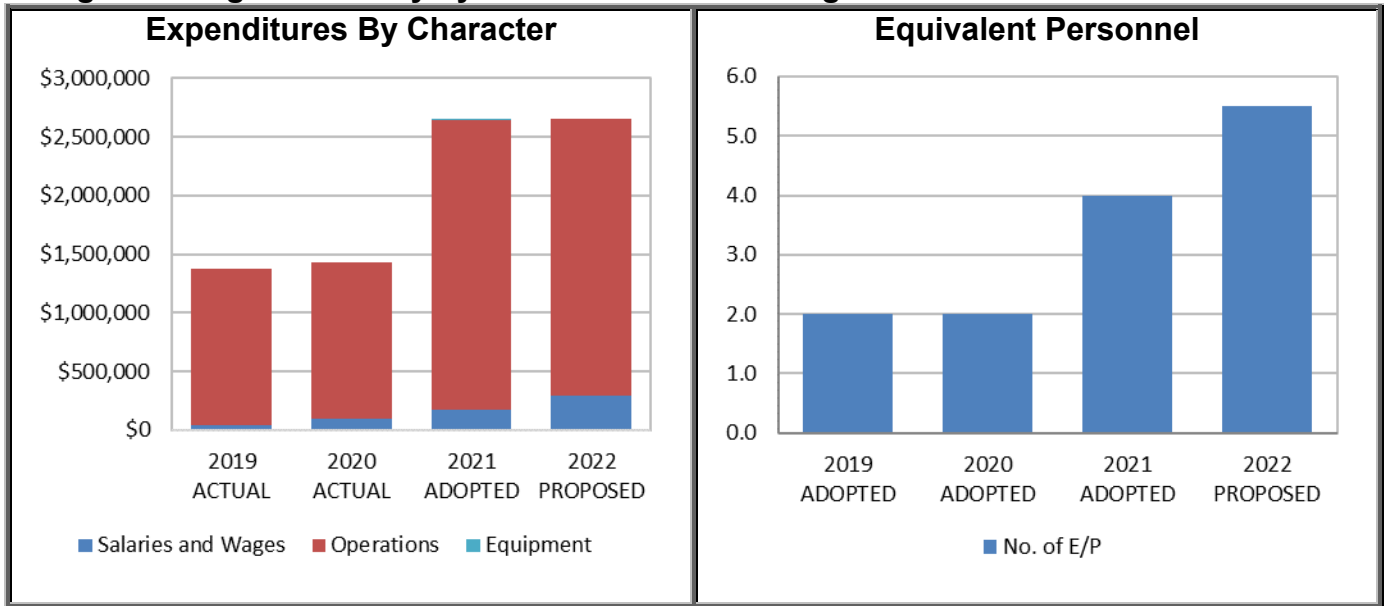

Act 201-94 of the State of Hawaii Revised Statutes imposes an Advance Disposal Fee (ADF) of 1 ½ cents per container on all non HI5 glass containers imported into the State which is collected and put into a fund. The money collected is distributed to the counties to implement a glass recovery program to divert glass from the landfill.

Recycling Program - Landfill Diversion

Grant funds that may be provided by the State of Hawaii for potential programs such as tire disposal.

Finance

Mayor's Proposed Budget
FY 2022

★ This page has been intentionally left blank. ★

Department Summary

Mission

The Department of Finance developed its vision, mission, and values statement to reflect its organizational strategy and way of working with its stakeholders.

Our mission is as follows:

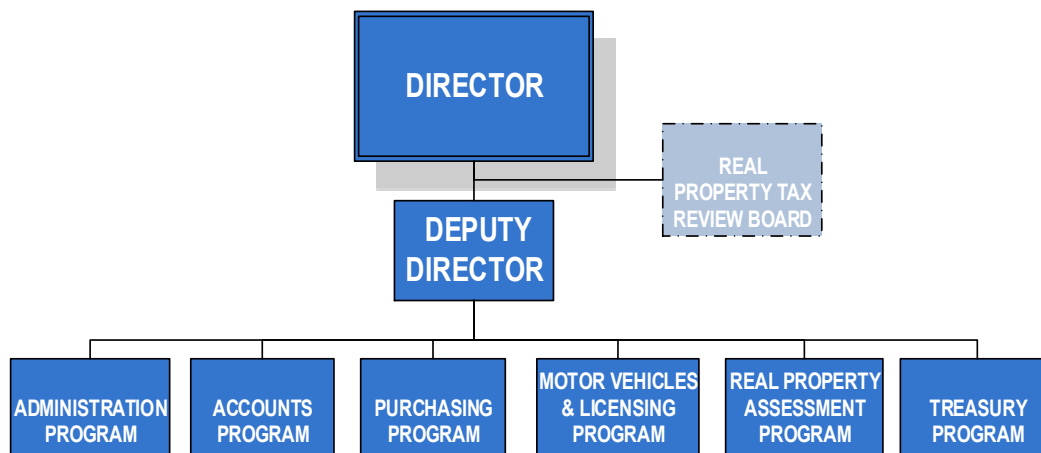

- ▶ To preserve the County's strong financial position by creating and implementing responsible financial and service delivery strategies
- ▶ To effectively manage the County's financial resources and obligations and provide timely analyses, reports, and recommendations that ensure optimal economic solutions
- ▶ To deliver superior customer service in the purchasing, motor vehicle and licensing, and real property assessment and tax collection program areas

Countywide Outcome(s)

The Department of Finance supports the following countywide outcome(s):

- A Strong, Diversified Economy
- A Prepared, Safe, and Livable County

Organization Chart

Strategies

The Department of Finance's strategic goals include:

- To provide timely, accurate and comprehensive financial reporting
- To promote the professionalism and skills of our employees
- To protect county assets and maintain effective internal controls
- To improve efficiency throughout the Department

Department Summary

Operations

The Department of Finance's operations include the following:

- Office of the Director under the Administration Program establishes policy and provides oversight, direction, and support for the implementation and review of policies and procedures for all of the five operating divisions. It also provides a wide range of other types of interdepartmental support, including: fiscal control, budgeting, economic and strategic planning, internal auditing, internal controls, and financial analysis.
- Accounts Program provides the centralized accounting and financial reporting for all County operations. Additionally, this program administers the county's accounts payable, fixed assets, and payroll responsibilities.
- Motor Vehicles and Licensing Program, formerly under the Financial Services Program, issues new and renewal driver licenses and commercial drivers licenses; new and renewal State IDs motor vehicle registrations; various county business licenses; disabled parking placards; taxi drivers permits; and dog and bicycle licenses. The Program also administers the Periodic Motor Vehicle Inspections, or safety checks to ensure vehicle compliance. The Division of Motor Vehicles & Licensing (DMVL) has seven service centers located throughout the County.
- Real Property Assessment (RPA) Program, formerly under the Financial Services Program, is the Division under the Department that is responsible for appraising and assessing all real properties in the county. The Division also maintains property ownership records, administers various exemption programs, maintains the county's Geographic Information Systems (GIS) base map, and establishes Tax Map Keys (TMK) for parcels that are designated on the GIS maps. The Department of Planning relies on this information for zoning and permit planning purposes. The Division has two service locations in the County.
- Purchasing Program administers all purchasing and contracting activities for goods and services for the County. In addition, this program provides the County departments with technical assistance and advice relating to purchasing and contracting, adheres to all procurement rules. Proposed for FY 2022, the Purchasing Division will be tasked with inventory control for Personal Protective Equipment (PPE) and other items deemed necessary for emergency purposes.
- Treasury Program is comprised of two sections: Cash, Banking, Investments, and Debt Service and Accounts Receivables and Tax Relief. The Treasury Division is charged with the design of an effective cash management, investment, and debt management program. Other activities include preparing, mailing, and collecting real property tax bills.

External Factors

The COVID-19 pandemic had a significant impact on the Department's operations across all divisions, including but not limited to the following:

On March 20, 2020, the County Council approved a budget amendment appropriating \$4.0 million from the Emergency Fund for immediate assistance to address the pandemic. Subsequently, the Federal government enacted the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"), which created the Coronavirus Relief Fund for State and local Governments.

Department Summary

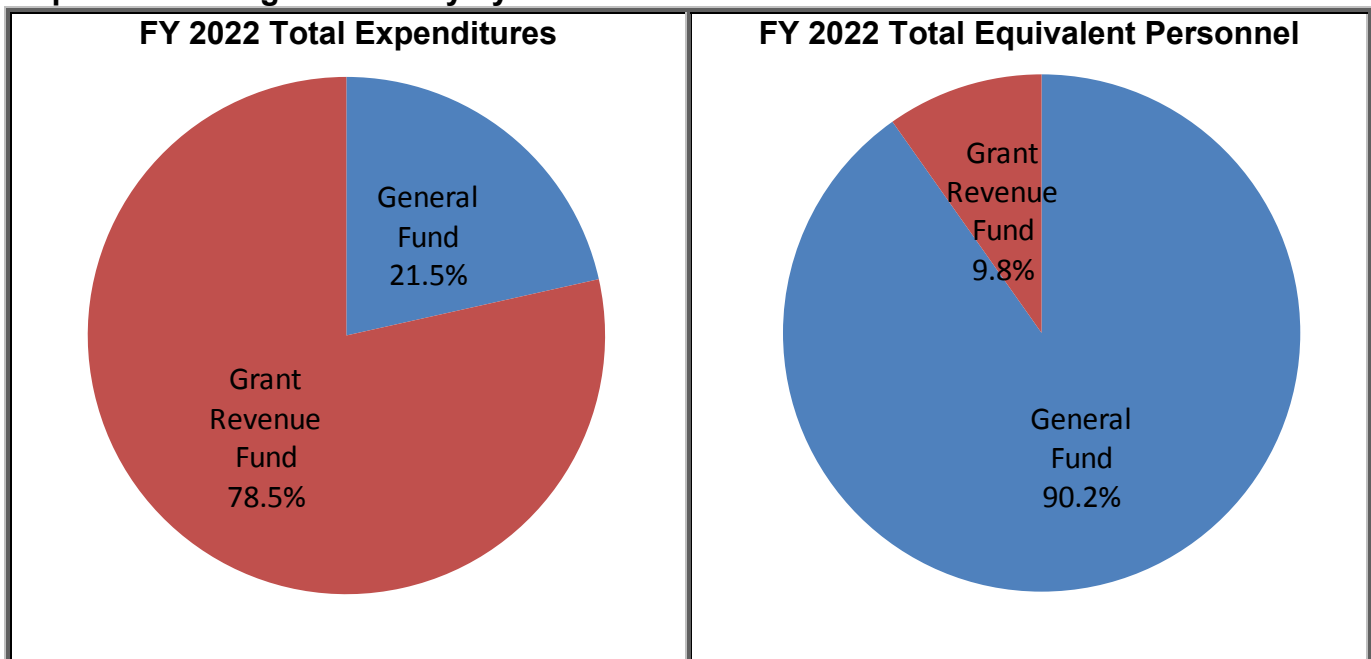

External Factors (Cont'd)

The County was allocated and received \$67.0 million under the CARES Act. The Department of Finance administered the expenditures for both appropriations County's Emergency Fund and CARES Act. As of February 28, 2021, the Department of Finance processed nearly 440 departmental requests to utilize the CARES Act fund, with a total authorized amount of \$65.2 million. The Finance Department's processes include authorization of the expenditures, requisitioning purchase orders, issuing request for proposals, executing grants and contracts, paying vendors, and reporting requirements. With the increased workload, the Department utilized every resource available to assist its Administration, Accounts, and Purchasing Programs

Governor David Y. Ige's First Supplementary Rules Proclamation signed on March 16, 2020, temporarily suspended specific Hawaii Revised Statutes and Hawaii Department of Transportation (HDOT) Administrative Rules. For vehicle licensing and safety check programs, a 90-day waiver on all driver's license and State Identification cards that expired between March 23, 2020 to May 15, 2020 was enacted. The 90-day waiver also applied to Commercial Driver's License (CDL) holders. Additionally, the HDOT allowed extension of the Medical Examiners Certificate (MEC) and hazardous materials endorsement expiration for motor carriers through the period of the Governor's emergency proclamation from March 4, 2020 through May 15, 2020. All in-person drivers license transactions and in-vehicle testing were also suspended by HDOT. On August 17, 2020, Maui County began administering the "Basic Vehicle Control Skills Test", an exam in lieu of a road test, where the examiners stand outside of the vehicle and scores the driver. The exam consist of four maneuvers including parallel parking, three-point turnabout, reverse two-point turnabout, and forward two-point turnabout.. Lastly, the October 1, 2020 REAL ID deadline has been extended until October 1, 2021.

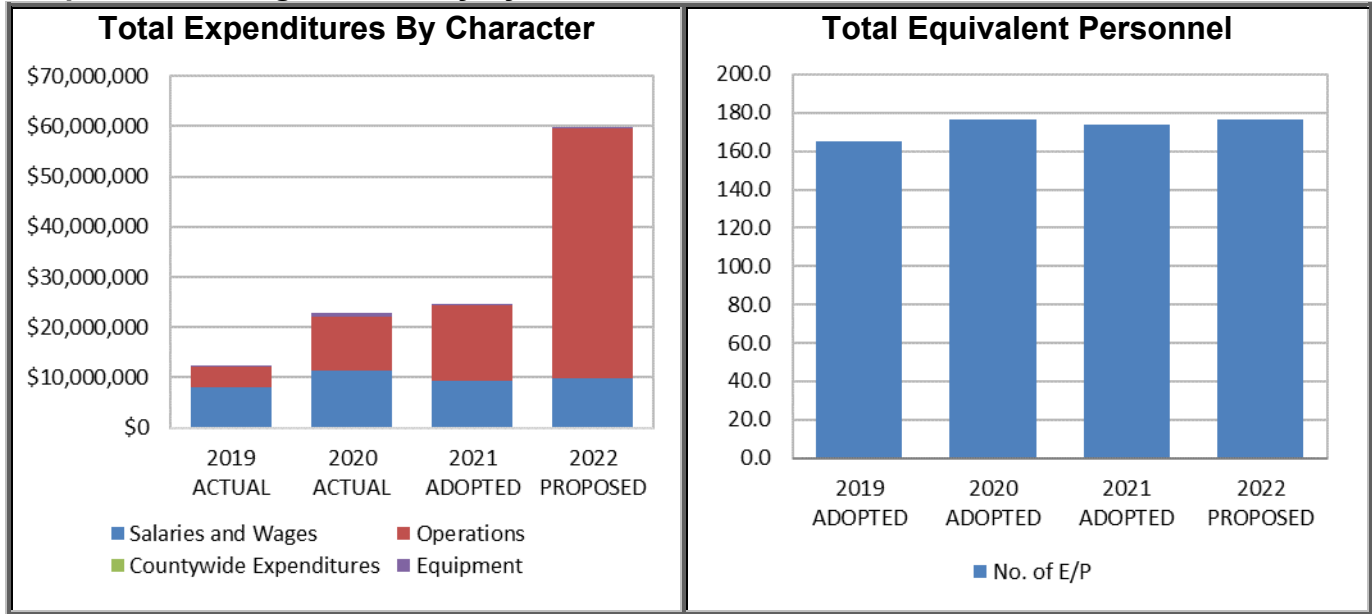

The Real Property Assessment Division transitioned its Board of Review to conduct its hearings virtually and to be paperless. The Division's appraisers transitioned from the hardcopy blue prints to paperless permit processing.

Administration Program

Program Description

The Administration Program includes the Office of the Director and is responsible for the overall financial administration of all county operations and has financial oversight responsibilities. It provides a wide range of countywide support activities designed to ensure fiscal responsibility. Activities include internal audits and monitoring the adequacy of internal controls. In FY 2021, with the creation of a Land Management Administrator, the Administration Program provides an oversight and assistance to other county departments in regards to land management. It also provides both administrative and personnel support to the department.

Countywide Outcome(s)

The Administration Program supports the following countywide outcome(s):

- A Strong, Diversified Economy
- A Prepared, Safe, and Livable County

Population Served

The Administration Program serves the citizens and employees of Maui County.

Services Provided

Services provided by the Administration Program include the following:

- Comprehensive financial reporting;
- Accountability for county assets;
- Implementation of countywide fiscal controls;
- Internal audits and reviews of internal controls;
- Countywide financial strategic planning;
- Countywide support for mailroom services, and;
- Countywide support for land management.

TOTAL			\$0	\$0	\$10,000,000	\$45,000,000

Grant Award Description

COVID-19 Response Funds

To allow the County to appropriate funds received from various sources relating to COVID-19 response.

American Rescue Plan Act of 2021

A \$1.9 trillion economic stimulus bill passed by the 117th United States Congress and signed into law by President Biden on March 11, 2021. Its purpose is to speed up the United States' recovery from the economic and health effect of the COVID-19 pandemic and the ongoing recession.

Accounts Program

Program Description

The Accounts Division is primarily responsible for the maintenance and management of the financial reporting functions of the County, including accounts payable and payroll processing. In addition, the Accounts Division is responsible for the preparation of the Comprehensive Annual Financial Report ("CAFR") and Single Audit Report.

Countywide Outcome(s)

The Accounts Program supports the following countywide outcome(s):

- A Strong, Diversified Economy
- A Prepared, Safe, and Livable County

Population Served

The Accounts Program serves County vendors, employees, citizens of the County of Maui, County bondholders, and banking institutions.

Services Provided

The Accounts Program provides centralized accounting and financial reporting for all County operations, accounts payable, fixed assets, and payroll processing and administration.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Using appropriate accounting procedures, prepare timely, reliable, accurate, and user-friendly financial reports/documents employing best-recognized accounting principles and standards.</i>				
1. Prepare the CAFR consistent with the criteria established by the GFOA for its Certificate of Achievement for Excellence in Financial Reporting Program	Receive the Certification of Achievement for Excellence in Financial Reporting	Yes	Yes	Yes
	Complete annual CAFR by December 31 st	Yes	Yes	Yes
2. Ensure that the CAFR accurately reports the financial condition of the County of Maui	Receive a "clean" auditor opinion on the CAFR	Yes	Yes	Yes
	# of findings of "material weakness" in the annual CAFR	1	0	0
3. Timely completion of the Single Audit Report	Single Audit Report completed by March 31 st	Yes	Yes	Yes
4. No "material weaknesses" found in the Auditor's findings on the Single Audit Report	# of "material weaknesses" found in the Single Audit Report	0	0	0

Financial Services Program – RPA

Program Description

The Real Property Assessment (“RPA”) Division is funded under the Financial Services Program. The RPA Division is responsible for assessing all real property in the County of Maui. The RPA Division also maintains property ownership records, administers various exemptions and use programs, maintains the county’s GIS base map, and establishes TMK for parcels that are designated on the county’s GIS maps. The Department of Planning relies on information from RPA for zoning and permit planning purposes. The RPA has two service locations in the County of Maui.

Countywide Outcome(s)

The Financial Services Program – RPT supports the following countywide outcome(s):

- A Strong, Diversified Economy
- A Prepared, Safe, and Livable County

Population Served

The RPA Division serves approximately 155,000 residents and non-residents of Maui County.

Services Provided

The RPA Division provides property assessments, exemptions, and GIS base layer and mapping.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Increase public awareness by providing educational seminars and enhanced notices.</i>				
1. Conduct at least four public sessions annually to educate the public about services provided	# of public sessions conducted annually	16	4	N/A
2. Provide excellent customer service at the Service Center	% of satisfaction survey results returned as useful	N/A	100%	N/A
<i>Goal #2: Improve the efficiency and accuracy of assessments.</i>				
1. Meet IAAO standard for assessment accuracy by maintaining a median ratio between 90% - 110%.	Annual sales ratio study median ratio = assessed value to sales price	Yes	Yes	N/A
2. Complete residential sales comparison approach models for the 2020 assessment	Posted values meet IAAO standards for accuracy (median ratio between 90% and 110%) and uniformity (coefficient of dispersion of less than 16)	Yes	4	N/A
<i>Goal #3: Strengthen and support the professionalism and skills of our workforce by providing educational and training opportunities.</i>				
1. Provide staff with IAAO continuing education classes	% who complete IAAO continuing education classes	53%	100%	N/A

Financial Services Program - DMVL

Program Description

The Division of Motor Vehicle and Licensing (“DMVL”) is funded under the Financial Services Program. DMVL provides direct service to the citizens of Maui County by issuing new and renewal driver licenses, motor vehicle registrations, various county business licenses, disabled parking placards, taxi drivers’ permits, and dog and bicycle licenses. DMVL collects payments on behalf of the Department of Water Supply and Department of Environmental Management for water and sewer fees, respectively. Administered on behalf of the State of Hawaii are commercial driver licensing, periodic motor vehicle inspection, state identification issuance, issuance of disabled person’s parking placards, and the collection of motor vehicle registration fees and weight taxes.

Countywide Outcome(s)

The Financial Services Program – DMVL supports the following countywide outcome(s):

- A Strong, Diversified Economy
- A Prepared, Safe, and Livable County

Population Served

The DMVL serves the general and driving public, vehicle dealerships, bicycle and moped dealers, car rental agencies, various federal agencies, and other state and local government entities.

Services Provided

The DMVL administers motor vehicle and licensing laws.

Key Activity Goals & Measures

Real Property Assessment Program

Program Description

The Real Property Assessment Program ("RPAP") was previously under the Financial Services Program. The RPAP administers the recovery, listing, and valuation of all real property in the County of Maui for real property tax purposes. In addition, the RPAP assists the Real Property Board of Review in reviewing and processing appeals. The RPAP maintains the county's geographic information system (GIS) cadastral maps such as the parcel layer. The RPAP operates out of two service locations in the County of Maui, the new Service Center in Kahului and Mitchell Pauole Center on Molokai. In 2018 the RPAP was awarded the Certificate of Excellence in Assessment Administration (CEAA) from the International Association of Assessing Officers (IAAO) which recognizes jurisdictions that integrate best practices in the workplace. The IAAO is the preeminent source of standards and professional development in assessment administration.

Countywide Outcome(s)

The Real Property Assessment Program supports the following countywide outcome(s):

- A Strong, Diversified Economy
- A Prepared, Safe, and Livable County

Population Served

The RPAP serves approximately 167,000 residents and 66,400 non-residents, annually. The County's real property records include 80,188 parcels with 87,827 owner records, of which 53,090 parcels or 66% has a Hawaii mailing address.

Services Provided

The RPAP provides a real property characteristics database (land and improvements), annual ad valorem real property assessments, tax relief program as it relates to homeowner exemption, and GIS cadastral maps.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Increase public awareness regarding RPAP assessments, programs, and deadlines.</i>				
1. Conduct at least four public sessions annually to educate the public about services provided	# of public sessions conducted annually	16	4	4
<i>Goal #2: Produce accurate and uniform assessments.</i>				
1. Meet IAAO standard for assessment accuracy by maintaining a median ratio between 90% - 110%.	Median assessed value to sales price ratios between 90% and 110%.	N/A	N/A	Yes
2. Meet IAAO standards for assessment uniformity as measured by the coefficient of dispersion (COD) and price related differential (PRD).	COD between 5 and 15 (uniformity between and within groups of similar properties)	N/A	N/A	Yes
	PRD between .98 and 1.03 (uniformity between high and low value properties)	N/A	N/A	Yes

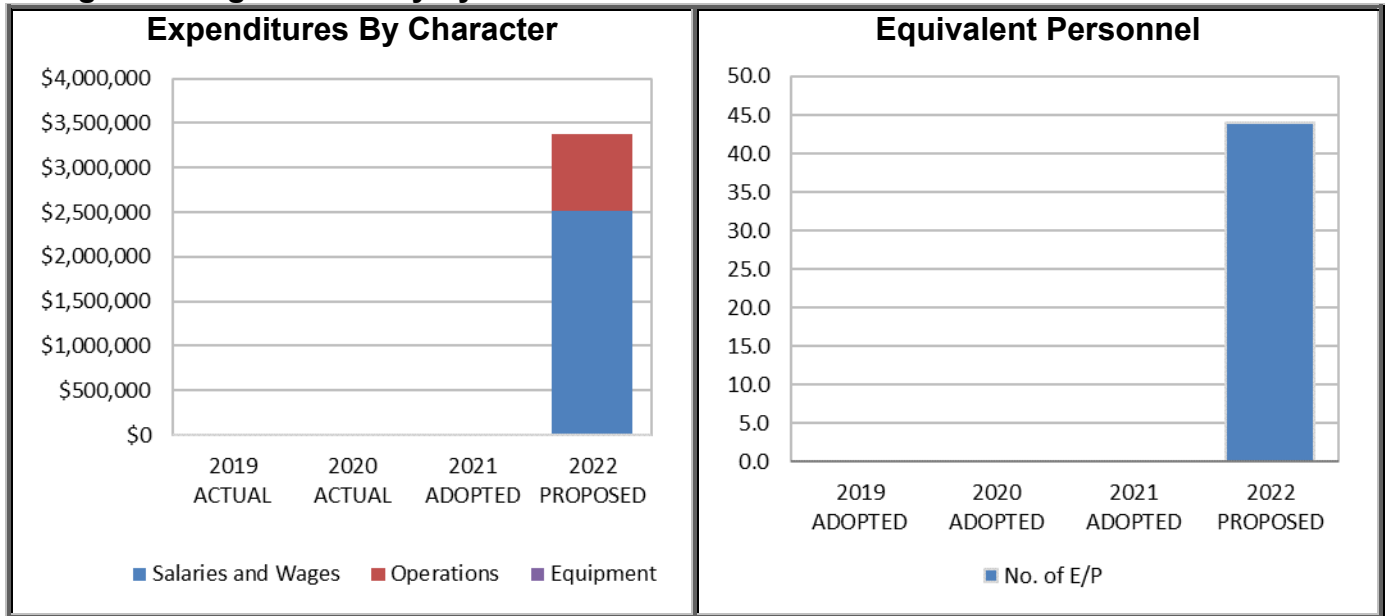

Real Property Assessment Program

Key Activity Goals & Measures (Cont'd)

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #3: Strengthen and support the professionalism and skills of our workforce by providing educational and training opportunities.</i>				
1. Provide staff with continuing education class	% who complete 14 hours of continuing education class per year	53%	100%	100%
2. Provide staff with at least eight (8) "in-house" training sessions annually	# of training sessions completed	21	12	12
<i>Goal #4: Maintain assessment uniformity by continuing enforcement and compliance efforts for the home exemption, agricultural dedication, and agricultural use programs.</i>				
1. Review home exemptions for compliance	Compare applicants to State of Hawaii income tax filing lists	N/A	N/A	Yes
	Compare applicants to lists made available by the Department of Health	N/A	N/A	Yes
1. Meet IAAO standard for property characteristics verification of agricultural parcels that receive "agricultural use" which is at least once every six (6) years	Review 406 agriculture dedicated parcels	N/A	N/A	100%
	Review 515 non-dedicated agriculture use parcels	N/A	N/A	100%
<i>Goal #5: GIS maps are accurate for all internal and external users.</i>				
1. Improve COGO (coordinate geometry) for tax parcel, lot, encumbrance, and right of way line work within RPAD GIS layers.	Classify 10,000 polygons as either verified or needs to be verified in the parcel fabric	N/A	N/A	100%

Motor Vehicles & Licensing Program

Program Description

The Division of Motor Vehicle and Licensing (“DMVL”) was previously under the Financial Services Program in the prior fiscal years and is proposed to have its own program called Motor Vehicles & Licensing Program. DMVL provides direct service to the citizens of Maui County by issuing new and renewal driver licenses, motor vehicle registrations, various county business licenses, disabled parking placards, taxi drivers’ permits, and dog and bicycle licenses. The DMVL offices have the ability to collect payments on behalf of the Department of Water Supply and Department of Environmental Management for water and sewer fees, respectively. Administered on behalf of the State of Hawaii are commercial driver licensing, periodic motor vehicle inspection, state identification issuance, issuance of disabled person’s parking placards, and the collection of motor vehicle registration fees and weight taxes.

Countywide Outcome(s)

The Financial Services Program – DMVL supports the following countywide outcome(s):

- A Strong, Diversified Economy
- A Prepared, Safe, and Livable County

Population Served

The DMVL serves the general and driving public, vehicle dealerships, bicycle and moped dealers, car rental agencies, various federal agencies, and other state and local government entities.

Services Provided

The DMVL administers motor vehicle and licensing laws.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Strengthen and support the professionalism and skills of our workforce.</i>				
1. Increase the rate of trainings conducted annually	% of supervisory developmental training plans completed	100%	100%	100%
	% of employees developmental training plans completed	100%	100%	100%
<i>Goal #2: Improve services to major population centers by efficiently allocating the provisioning of DMVL services between the main and other satellite offices, and providing convenient portals for citizens to access DMVL services.</i>				
1. Efficiently allocate the provisioning of DMVL services between the main and satellite offices to improve service to major population centers	% of total customers served by the main office	54%	45%	45%
	% of total customers served by satellite offices	46%	55%	55%
2. Increase the rate of vehicle registrations completed through alternative service portals	% of vehicle registrations completed using self-service terminals	16%	30%	21%
	% of online vehicle registration transactions	21%	15%	18%

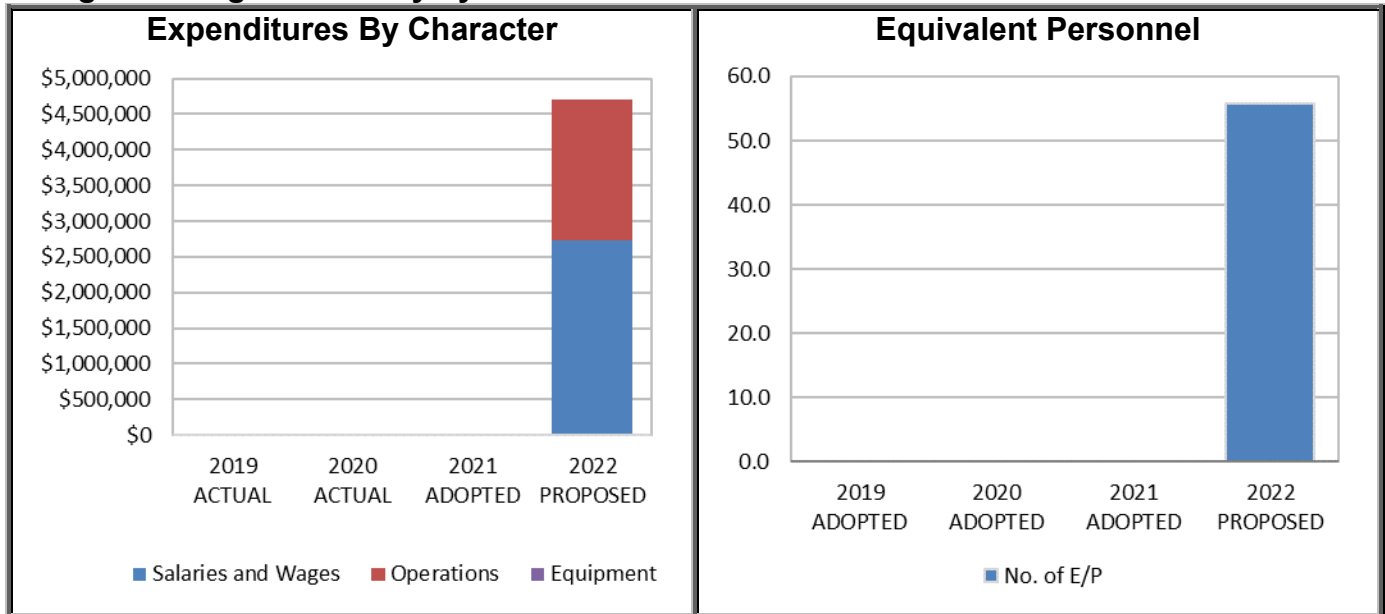

Motor Vehicles & Licensing Program

Key Activity Goals & Measures (Cont'd)

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #3: Ensure that vehicle documents and driver credentials are issued in an accurate, secure, and efficient manner through proper verification of applicant identities, authentication of documents, and employees completion of annual fraudulent document recognition training.</i>				
1. Increase the # of applicant identities verified through the Identity Management System (IMS) annually	# of applicant identities verified through the Identity Management System (IMS)	83,034	75,000	70,000
2. Maintain the rate of employees who completed the annual fraudulent document recognition training at 100%	% of employees who completed the annual fraudulent document recognition training	100%	100%	100%
<i>Goal #4: Enhance the delivery of services to our customers.</i>				
1. Reduce customer wait times	Achieve the proper balance of force & process efficiency to load to implement a 30-minute average wait time ("AWT") standard at all DMVL locations			
	Service Center	43 min AWT	45 min AWT	35 min AWT
	Kihei	34 min AWT	35 min AWT	35 min AWT
	Lahaina	16 min AWT	25 min AWT	25 min AWT
	Pukalani	25 min AWT	40 min AWT	25 min AWT
<i>Goal #5: Strengthen security and safety measures at all DMVL offices through safety awareness training and compliance with the Social Security Administration (SSA) and privacy requirements and safeguards.</i>				
1. Complete Safety Awareness training annually	% of employees who completed the annual Safety Awareness training	100%	100%	100%
2. Comply with Department of Transportation (DOT) "Access Control Standards"	% of offices in compliance with DOT "Access Control Standards"	100%	100%	100%
<i>Goal #6: Promote traffic safety by ensuring new drivers are qualified and competent to operate motor vehicles on public roadways.</i>				
1. Increase the # of new driver licenses issued annually based on knowledge and road skills tests	# of new driver licenses issued annually	6,934	9,500	9,500

Grant Award Description

Commercial Driver's License (CDL) Program

The CDL Program is funded by the State Department of Transportation (DOT) to provide assistance to CDL applicants and to administer required proficiency tests for the operation of commercial motor vehicles (large trucks and buses) in conformance with federal standards.

Periodic Motor Vehicle Inspection (PMVI) Program

The PMVI Program is funded by the State DOT to provide supervision and oversight of the passenger motor vehicle inspection stations.

State Disability and Communications Access Board (DCAB) Program

Reimbursement received from the State of Hawaii, Department of Health, DCAB for the Statewide Program on Parking for Persons with Disabilities. A fee is not charged to the customer for a long-term parking placard.

State Identification (SID) Program

The SID Program is funded by the State DOT to provide assistance to applicants wishing to obtain civil identification.

State Motor Vehicle Registration Program

The State Motor Vehicle Registration Program provides state-mandated services and assistance in the collection of state funds.

Purchasing Program

Program Description

The Purchasing Program provides a centralized system for administering bidding and procurement of goods, services, and construction in compliance with State and County procurement law. This Program monitors and maintains the use of Purchasing Cards (pCard) issued to each department and serves as a credit card, with highly restricted use, for the County.

Countywide Outcome(s)

The Purchasing Program supports the following Countywide Outcome(s):

- A Strong, Diversified Economy
- A Prepared, Safe, and Livable County

Population Served

The Purchasing Program serves all County departments and contractors interested in submitting bids and procurement of goods and services.

Services Provided

The Purchasing Program provides procurement services to all County departments.

Treasury Program

Program Description

The Treasury Division consists of two sections: (a) Cash, Banking, Investment, and Debt Service Management section that provides the centralized management & investment of the County's cash, ensures the County's investments are secure and adequately collateralized, responsible debt management, and billing and collecting for various county charges; and (b) Accounts Receivables section, which collects all real property taxes and fees, administers the tax relief program, and oversees the tax sale of properties with delinquent taxes. Treasury serves as the administrator of the County-wide cashing system called iNovah. This platform enables taxpayers to pay invoices from multiple departments in any County payment center. iNovah allows for real-time payment updates and inquiries, as well as integration with the department's host system and County's financial accounting system.

Countywide Outcome(s)

The Treasury Program supports the following Countrywide Outcome(s):

- A Strong, Diversified Economy
- A Prepared, Safe, and Livable County

Population Served

The Treasury Program serves the County departments and the citizens of the County of Maui.

Services Provided

The Treasury Program manages county funds by providing banking, debt management, non-RPT revenue collection, real property taxes and fees collection, processing of circuit breaker credit applications, and management of delinquent property tax sales.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Manage the County's investments to ensure safety, liquidity, and yield in conformance with the County's Investment Policy.</i>

Fire and Public Safety

Mayor's Proposed Budget
FY 2022

★ This page has been intentionally left blank. ★

Department Summary

Mission

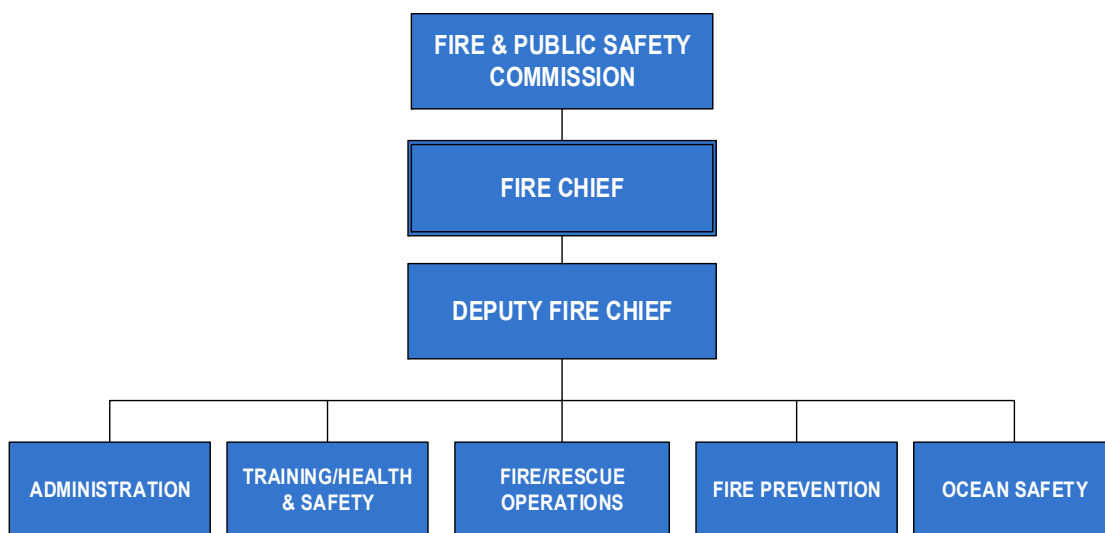

The Department of Fire and Public Safety ("Department") is dedicated to protect and preserve life, environment, and property.

Countywide Outcome(s)

The Department of Fire and Public Safety supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- An Environmentally Responsible and Sustainable Community
- A Prepared, Safe, and Livable County

Organization Chart

Strategies

The Department uses its core values as a guide to accomplish its mission. The pursuit of excellence and demonstrating high professional standards are critical to ensure the best possible service for the community. There is a commitment to be involved in the community and be accountable for honest and ethical behavior. Providing effective and responsive means of communication throughout the organization and the community is essential. The best health and safety programs are provided for the employees' well-being and operational readiness. Teamwork and shared leadership are integral to this organization. Seeking out and implementing innovative and progressive thinking to address change effectively will benefit those that are served by this department.

Operations

The Department has ten fire stations on Maui, three on Molokai, and one on Lanai. In addition, there are twelve Ocean Safety lifeguard towers on various beaches throughout Maui. These fire stations and lifeguard towers; along with the Fire Prevention, Training, and Health and Safety Bureaus; Mechanic Shop; and Administrative Services, all work together to provide the necessary services for the residents and visitors of Maui County. The Fire and Public Safety Commission reviews the operations of the Department and makes recommendations for changes.

Department Summary**External Factors Description**

Departmental opportunities include the following:

- Grant funding;
- Guidance by the fire accreditation process;
- Promote collaborative relationships with collective bargaining;
- Build positive community relations;
- Develop large pool of in-house trainers;
- Develop a collaborative relationship with the Fire and Public Safety Commission and other government entities; and
- Instill cooperation from private businesses and other County Departments during large brushfires.

Departmental threats include the following:

- Risk of lawsuits and legal liabilities as a result of Departmental actions (negligence, variance from professional standards, negligent supervision, personnel practice liability, etc.);
- Community growth that exceeds the Department's service delivery capabilities;
- Effect of natural and man-made disasters and threats (loss of infrastructure, staffing shortages, terrorism, etc.) and other environmental factors;
- Economic shortfalls that affect the Department's budget resources;
- Cost of living outpacing worker income; and
- Substance abuse, stress and personal relationships that distract from job performance.

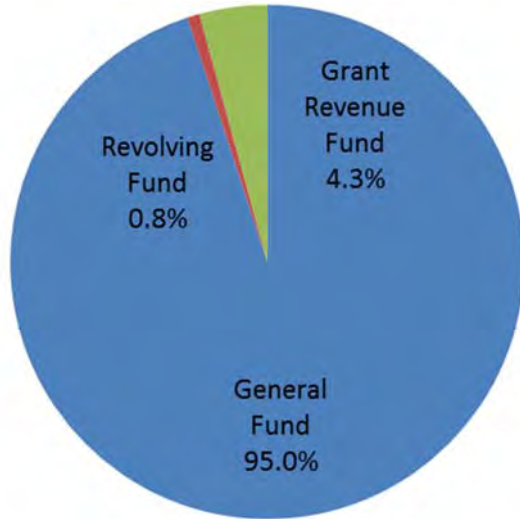

COVID-19 has had an immense effect on Department operations. Between adjusting work shifts, and modifying training locations and methodologies to meet CDC guidelines, the Department also faced unprecedented personal protective equipment (PPE) challenges. The increase in PPE usage created a management issue due to high rising costs and drastic shortfalls to the supply chain. With 14 fire stations and 10 lifeguard towers, additional sanitation policies were implemented to keep everyone safe and healthy. Some of the effects of COVID-19 on operations include:

- Developing COVID-19 specific decontamination procedures of personnel, equipment, and facilities
- Dedicating personnel to be liaison(s) with the Department of Health
- Modifying emergency response procedures
- Adjusting work schedules and managing overtime to ensure proper coverage, particularly when personnel are under quarantine

Administration Program

Program Description

The Administration Program includes the Chief's office, Fiscal, and Human Resources sections. It reviews recommendations and comments from the Fire and Public Safety Commission.

Countywide Outcome(s)

The Administration/Maintenance Program supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- An Environmentally Responsible and Sustainable Community
- A Prepared, Safe, and Livable County

Population Served

This program provides services to Department personnel and the Fire and Public Safety Commission.

Services Provided

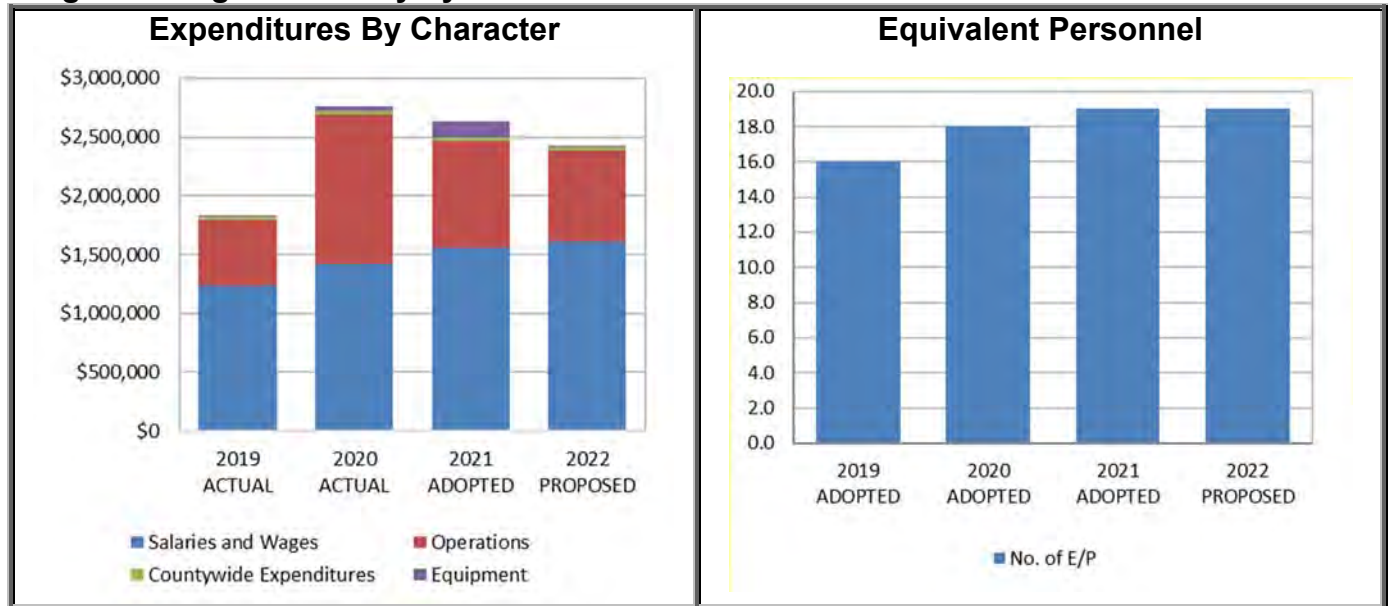

The program provides administrative assistance for all Department programs, maintains the supplies and equipment inventories, ensures that all personnel matters are addressed, and that all Department rules and regulations are enforced. It also develops and manages the Department's annual budget.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Provide the Department with the resources & policies needed for success.</i>				
1. Identify alternative revenue sources	Dollar value of grants applied for	N/A	300,000	300,000
	Dollar value of grants awarded	N/A	50%	150,000
2. Ensure compliance with legally mandated policies, procedures, and programs	% of compliance	N/A	90%	90%
<i>Goal #2: Identify and obtain essential equipment based on national standards where applicable.</i>				
1. Utilize a Research & Development Committee	# of items changed or implemented	N/A	2	2

Training Program – Training Bureau

Program Description

The Training Bureau's main purpose is to coordinate all training activities for the Department, from new recruits to Chief Officers. Training programs focus on emergency response preparation for suppression, technical rescue, emergency medical service, and hazardous material incidents, as well as support and promotion of professional development for all personnel.

Population Served

The Training Bureau serves Department personnel, other County and State departments, and agencies.

Services Provided

The Training Bureau provides training for firefighting, emergency medical response, technical rescue, and hazardous materials emergency response; researches and evaluates tools and equipment for effectiveness; certifies personnel at appropriate levels; conducts command and control training; provides facilities, apparatus, and props for realistic training; and evaluates the effectiveness of each.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Provide training to increase competencies for task, tactical and strategic positions within all emergency response capabilities.</i>				
1. Complete quarterly task level (drill schedule) training for all emergency response disciplines for a total of 11,000 employee hours	# of employee hours completed of drill schedule	12,066	11,000	11,000
2. Conduct multi-company incident drills.	# of drills conducted annually	10	1	1
3. Conduct realistic training opportunities by providing access to facilities and props via 250 training sessions annually	# of training sessions utilizing training facility and props	35	250	250
<i>Goal #2: Standardize training levels department-wide for suppression, hazardous materials, and technical rescue.</i>				
1. Maintain proficiency and consistency in firefighting and rescue disciplines by conducting topic-specific cadre-led trainings annually	# of trainings annually	11	10	10

Training Program – Training Bureau

Key Activity Goals & Measures (Cont'd)

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #3: Provide appropriate position-specific certification for suppression, hazardous materials, and technical rescue response.</i>				
1. Promote Professional Development for incumbents by conducting certification classes annually.	# of classes annually	N/A	4	4
<i>Goal #4: Ensure that employees provide an appropriate standard of care (within their defined scope of practice) to ill and/or injured members of our community calling for our assistance while protecting their own health and safety.</i>				
1. Complete certification of the Emergency Medical Responder (EMR) level through the National Registry of Emergency Medical Technicians (NREMT), including a valid Basic Life Support (BLS) level for healthcare providers including Cardiopulmonary Resuscitation (CPR) certificate from the American Heart Association (AHA) for all uniformed personnel	% of uniformed personnel achieving or maintaining NREMT certification at the EMR level or above	47%	50%	53%

Training Program – Health and Safety Bureau

Program Description

The Health and Safety Bureau is responsible for the well-being of Department personnel, along with the purchase and distribution of emergency medical service supplies.

Population Served

The Health and Safety Bureau serves the Department's personnel.

Services Provided

The Health and Safety Bureau provides the supplies necessary to perform emergency medical functions effectively and safely; issues, maintains, and provides training for respiratory and other personal protective equipment; manages the fitness program; provides rehabilitation and medical monitoring during large and/or prolonged incidents; and administers critical incident stress management.

Key Activity Goals & Measures

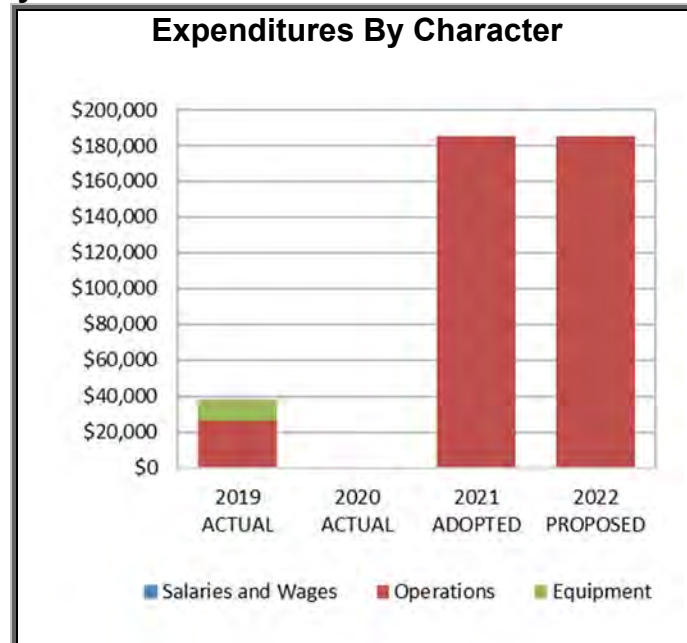

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Ensure compliance with Occupational Safety and Health Administration (OSHA) Respiratory Protection Standard.</i>				
1. Maintain Hawaii Occupational Safety and Health (HIOSH) compliance with respirator fit testing	% of uniformed personnel completing fit testing	40%	98%	98%
2. Complete annual flow testing of all Self Contained Breathing Apparatus (SCBA) units	% of SCBA units in service for which flow testing was performed, per year	100%	100%	100%
3. Provide quality compressed breathing air for Firefighters by conducting required air sample tests annually	# of required air sample tests completed	12	24	24
<i>Goal #2: Enhance the overall health and wellness of all Department staff.</i>				
1. Offer annual physical exam to all Fire Fighters, Ocean Safety Officers, Building Maintenance Repairer, and Mechanics	# of personnel completing physical exams annually	96	387	311
2. Provide four articles annually to keep all members up-to-date on relevant health/fitness education	# of articles made available to personnel	3	4	4
3. Provide rehab at qualifying incidents	# of overtime hours spent	N/A	240	240

Training Program – Health and Safety Bureau

Key Activity Goals & Measures (Cont'd)

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #3: Reduce the incidence/likelihood of occupational injuries and deaths due to poor fitness, while enhancing the efficiency of our members in the performance of physically demanding job tasks to provide more effective and safe emergency services to the public.</i>				
1. Track work-related injuries to incorporate applicable exercises into the fitness routine	# of personnel incurring work comp injuries	26	35	35
2. Provide personnel with fitness equipment necessary to maintain fitness while on duty	% of identified equipment available at each station	N/A	100%	100%

Training Program – Health and Safety Bureau**Grant Award Description****Hazardous Materials Emergency Preparedness (“HMEP”) Program**

The purpose of this grant program is to increase local effectiveness in handling hazardous material accidents and incidents safely and efficiently, and to encourage a comprehensive approach to emergency training and planning by incorporating the unique challenges of responses to transportation situations.

National Fire Academy Training Program

Grant revenue funds are utilized for reimbursement of airfare and lodging expenses to send fire personnel to the National Fire Academy for training.

United States Department of Homeland Security (“DHS”) Federal Emergency Management Agency (“FEMA”) Assistance to Firefighters Grant (“AFG”) Program- Operations and Safety Program

The purpose of the U.S. DHS FEMA AFG Program is to protect the health and safety of the public and firefighting personnel against fire and fire-related hazards.

Hawaii Medical Service Association (“HMSA”) Foundation Grant

This program promotes healthy lifestyles and disease prevention through safety/injury prevention, clinical prevention services, quality improvement programs, physical activity promotion, and nutrition education.

Fire/Rescue Operations Program

Program Description

The Fire/Rescue Operations Program includes all uniformed personnel that are assigned to line positions at the fire stations.

Countywide Outcome(s)

The Fire/Rescue Operations Program supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- An Environmentally Responsible and Sustainable Community
- A Prepared, Safe, and Livable County

Population Served

This program serves the residents and visitors of Maui County.

Services Provided

This program provides firefighting, rescue, and first-responder emergency services in order to save lives and property from fires and other emergencies arising on land, sea, and hazardous terrain, including the mitigation and stabilization of hazardous materials and incidents relating to the same.

Key Activity Goals & Measures

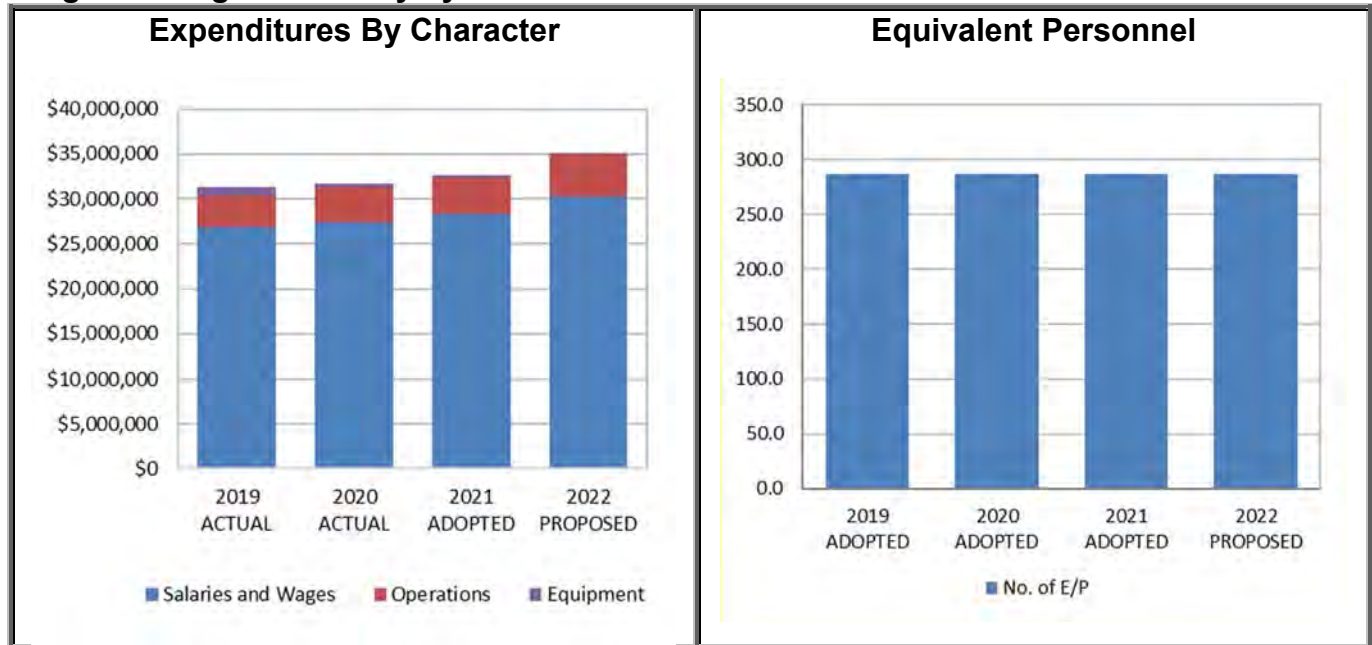

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Manage the tracking system effectively and efficiently to provide accurate data on Department calls for services and responses to emergencies.</i>				
1. Provide data and stats on helicopter usage for fires, ocean rescues, mountain rescues, residents, and visitors	# of helicopter hours for incidents	N/A	285	285
	# of helicopter incidents for residents	63	65	65
	# of helicopter incidents for visitors	59	60	60
2. Provide accurate statistical breakdown of total incidents by category	# of fire emergencies	652	800	800
	# of medical emergencies	7,094	8,000	8,000
	# of other emergencies	4,163	4,500	4,000
	# of deaths	0	0	0
3. Provide accurate statistical data of the % of incidents involving residents vs. visitors	% of residents vs. % of visitors involved in incidents	98% vs 2%	82% vs 18%	82% vs 18%
4. Provide effective fire-fighting tactics and strategies	% of fires confined to building and/or area of origin	N/A	90%	90%
5. Ability of the first in fire truck to respond to incidents in their district	% of calls responded to by other than the first in district fire truck	N/A	10%	10%

Fire/Rescue Operations Program

Key Activity Goals & Measures (Cont'd)

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #2: Reduce the risk and vulnerability of the community and first responders.</i>				
1. Conduct and document district community risk and vulnerability assessment	% of districts that identified their high, medium, and low hazard occupancies	N/A	100%	100%
<i>Goal #3: Provide the Department with safe and operational vehicles and equipment.</i>				
1. Ensure that the Department's fleet has high availability and repairs are made in a timely manner	Total # of vehicles in fleet	213	205	205
	# of vehicles in service per technician	50	45	45
	% of vehicles available	95%	93%	93%

Fire/Rescue Operations Program**Grant Award Description****Federal Emergency Management Agency (“FEMA”) Fire Management Assistance Grant**

This grant is a reimbursement of funds expended for responses to major fire incidents that meet the criteria for Federal and State disaster declaration. This is a 75% reimbursement of all related expenses that includes equipment use, premium and overtime pay, contractual services, materials, meals, and damaged equipment.

Federal Emergency Management Agency (“FEMA”) Public Assistance Grant

This grant is a reimbursement of funds expended for responses to major disasters and any facility damage repair expenses as a result of such disasters.

Local Emergency Planning Committee (“LEPC”)

A LEPC has been established to obtain chemical inventory reports from private industry and government agencies that store, use, or manufacture hazardous or extremely hazardous substances. The LEPC also maintains and reviews the local hazardous materials emergency response plan and serves as a forum for government and private industry to address matters regarding the use, storage, manufacture, and transportation of hazardous substances.

Private Donations

Throughout the year, the Department often receives private contributions from the general public for the special services provided by the firefighters at an incident. Donations are sometimes received as equipment for fire personnel at a particular station. Other donations are received from charitable foundations.

State of Hawaii Department of Transportation Highway Safety Grants

This grant allows the department to purchase specialized vehicle extrication equipment to assist with saving the lives of those involved in motor vehicle accidents.

United States Department of Homeland Security (DHS) Federal Emergency Management Agency (“FEMA”) Assistance to Firefighters Fire Prevention and Safety Grant

The Fire Prevention and Safety (“FP&S”) grants are part of the Assistance to Firefighters Grants (“AFG”) and support projects that enhance the safety of the public and firefighters from fire and related hazards. The primary goal is to reduce injury and prevent death among high-risk populations. In 2005, Congress reauthorized funding for FP&S and expanded the eligible uses of funds to include Firefighter Safety Research and Development.

United States Department of Homeland Security (“DHS”) Federal Emergency Management Agency (“FEMA”) Assistance to Firefighters Grant (“AFG”) Program - Operations and Safety Program

The purpose of the AFG Program is to protect the health and safety of the public and firefighting personnel against fire and fire-related hazards.

Verizon Foundation Grant

The goal of this grant program is to improve lives and give back to communities through areas such as education, healthcare and energy management.

Fire/Rescue Operations Program**Grant Award Description (Cont'd)****Hazardous Materials Emergency Preparedness ("HMEP") Planning & Training Grant**

This State of Hawaii funded grant is used to assist in training members of the Department in becoming Hazardous Material Technicians. The educational classes include chemistry and hands-on training.

Fire Prevention Program

Program Description

The Fire Prevention Program is essential to abate fires and life-safety hazards before they can cause injury and property damage.

Countywide Outcome(s)

The Fire Prevention Program supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- An Environmentally Responsible and Sustainable Community
- A Prepared, Safe, and Livable County

Population Served

This program serves the residents and visitors of Maui County.

Services Provided

Inspect all schools, hospitals, and commercial buildings and seek the correction of any hazards found; educate residents in fire prevention practices; review plans for commercial buildings to ensure all fire safety features are included before the building is built; review, update and enforce the State and County Fire Code; investigate fires to determine their origin and cause, use the information for future fire hazard awareness, and for the prosecution of arson cases; and maintain inspection records and reports to measure results.

Key Activity Goals & Measures

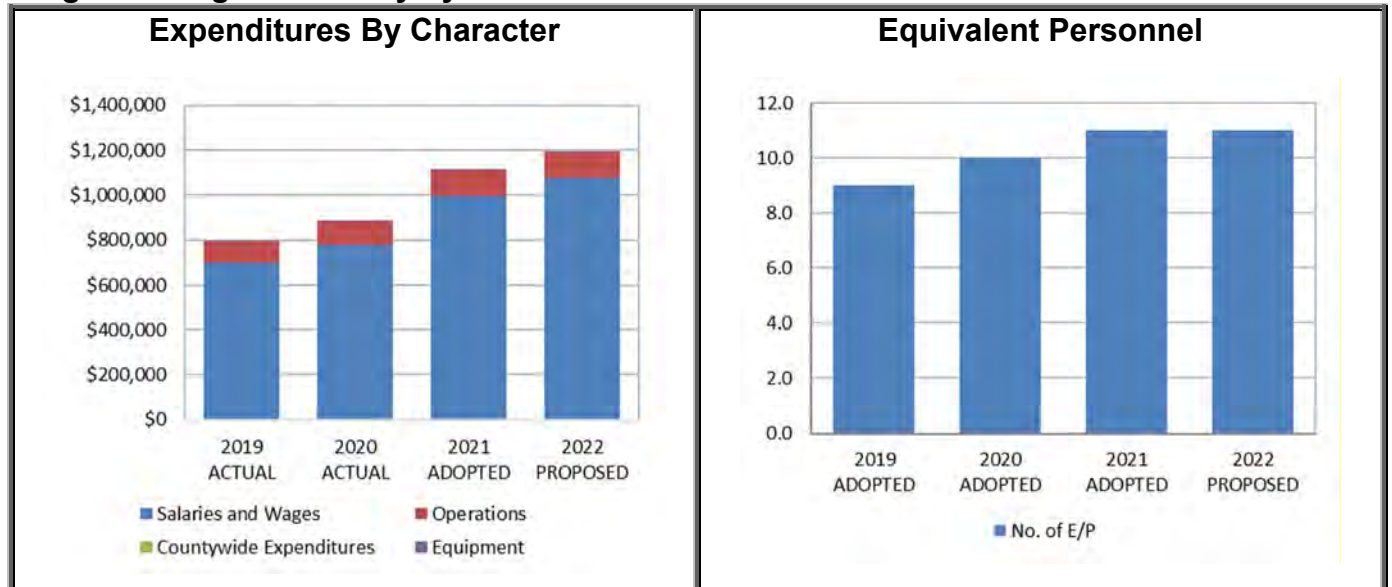

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Reduce the threat of fire, injury and property loss by conducting fire inspections at intervals consistent with applicable laws and department policies.</i>				
1. Complete inspection of establishments and facilities	# of establishments or facilities inspected	410	1,000	1,000
2. Complete brush and weed abatement inspections	# of brush and weed abatement inspections completed annually	115	300	300

Fire Prevention Program

Program Description

The Plan Review, Processing, and Inspection Revolving Fund was established and created for the collection of fees for the review of plans and specifications submitted under section 132-9, Hawaii Revised Statutes. Funds may be expended for salaries (no more than two plan reviewers), contracts, materials, supplies, equipment, payment of overtime, travel expenses, and training that will facilitate plan review, public education, fire investigation, permit processing, and inspections.

The Fire Hazard Removal Revolving Fund is appropriated annually during the budget process, which provides funding to pay for the clearing of brush and debris from parcels that have been deemed as a fire hazard. The costs are recoverable against the owner or occupant of the property.

Countywide Outcome(s)

The Fire Prevention Program supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- An Environmentally Responsible and Sustainable Community
- A Prepared, Safe, and Livable County

Population Served

This program serves the residents and businesses of Maui County.

Services Provided

Review plans for new construction and renovation projects quickly and efficiently. Ensure that required fire and life safety provisions are met for the public as well as first responders. Provide fire and life safety comments for special-use permits.

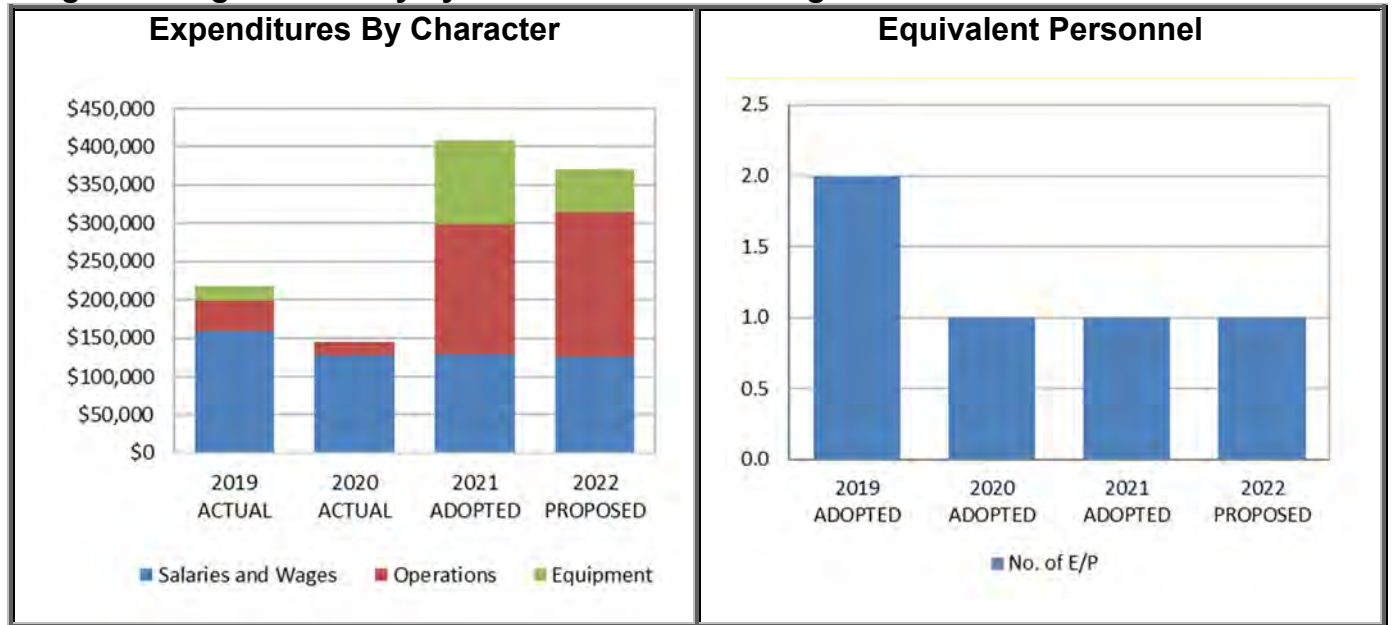

The Fire Hazard Removal Revolving Fund also provides services to deal with overgrown parcels. If no corrections are made to address the fire hazard situation after proper notification of the owners, this fund is used by the Fire Chief to clear the hazard.

Key Activity Goals & Measures

Ocean Safety Program

Program Description

This program provides lifeguard services such as responding to rescues, providing first aid, and providing water safety educational outreach programs countywide. The program also conducts in-service training for Ocean Safety Officers to keep water safety skills and certifications up-to-date. The Ocean Safety Program was transferred to the Department of Fire and Public Safety from the Department of Parks and Recreation in FY 2017 due to the 2012 amendment to Section 8-7.4 of the County Charter.

ACT 031 Session Laws of Hawaii 2020 established Bargaining Unit 15 ("BU-15") for Ocean & Water Safety Officers under the Hawaii Government Employees Association ("HGEA"). The creation of BU-15 allows for bargaining and negotiations related to Ocean & Water Safety Officers. It removes them from their current bargaining unit 14, which was established in 2013 and included the State Law Enforcement Officers.

Countywide Outcome(s)

The Ocean Safety Program supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- An Environmentally Responsible and Sustainable Community
- A Prepared, Safe, and Livable County

Population Served

This program serves the residents and visitors of Maui County.

Services Provided

This program provides lifeguard services at eight county beaches and offshore coastal waters as needed, for 911 emergencies. Prevention and education outreach and training are high priorities in keeping residents and visitors safe in the aquatic environment.

Key Activity Goals & Measures

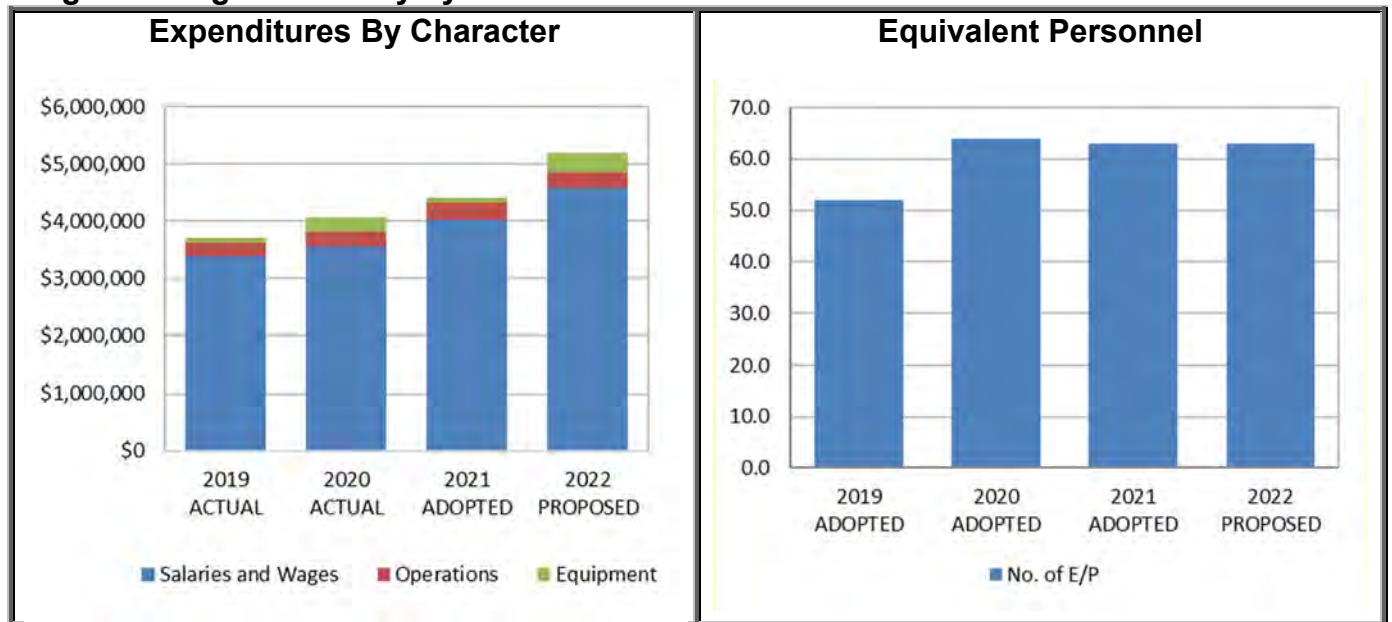

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE

Grant Award Description

State of Hawaii Makena Lifeguard Services

This State of Hawaii grant that was previously awarded to the Department of Parks and Recreation will continue to provide funding for lifeguard services at the Makena State Beach Park. The 10.5 E/P Ocean Safety Officers will provide daily lifeguard services to Makena's "Big Beach," including weekends and holidays. The hours of operation will be consistent with the current lifeguard operational services provided to County of Maui beach parks. This grant has been suspended by the Department of Land and Natural Resources.

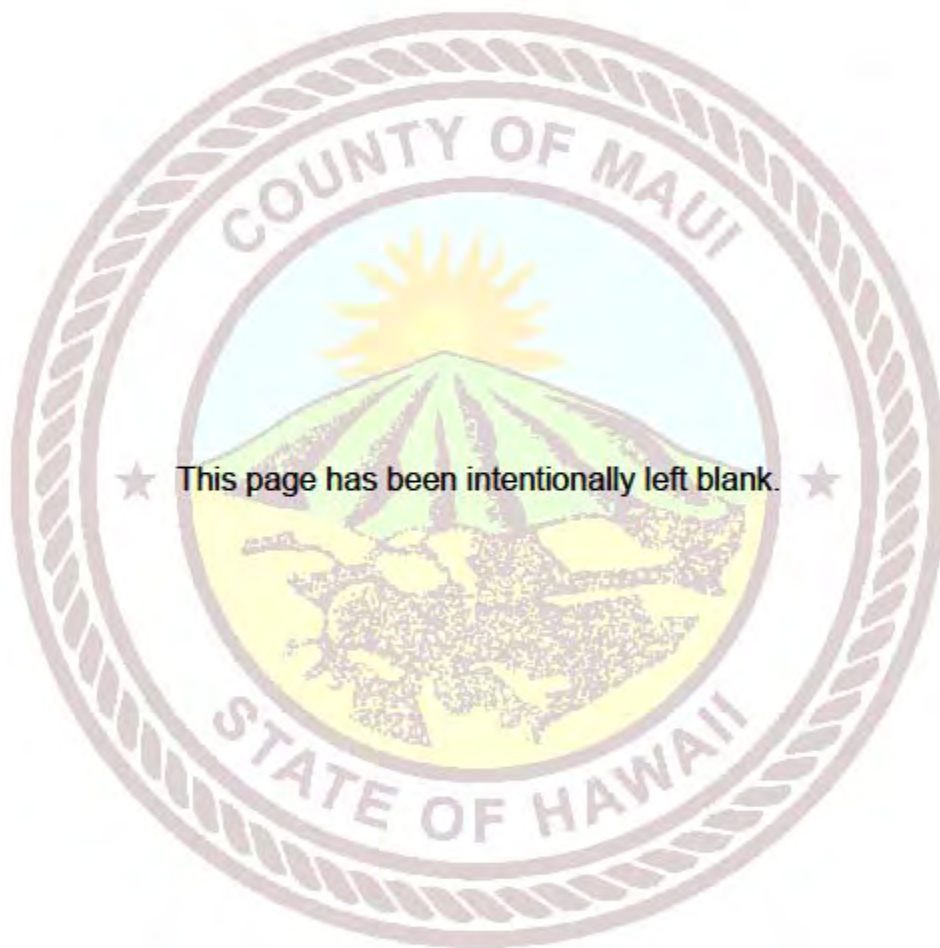

Housing and Human Concerns

Mayor's Proposed Budget
FY 2022

★ This page has been intentionally left blank. ★

Department Summary

Mission

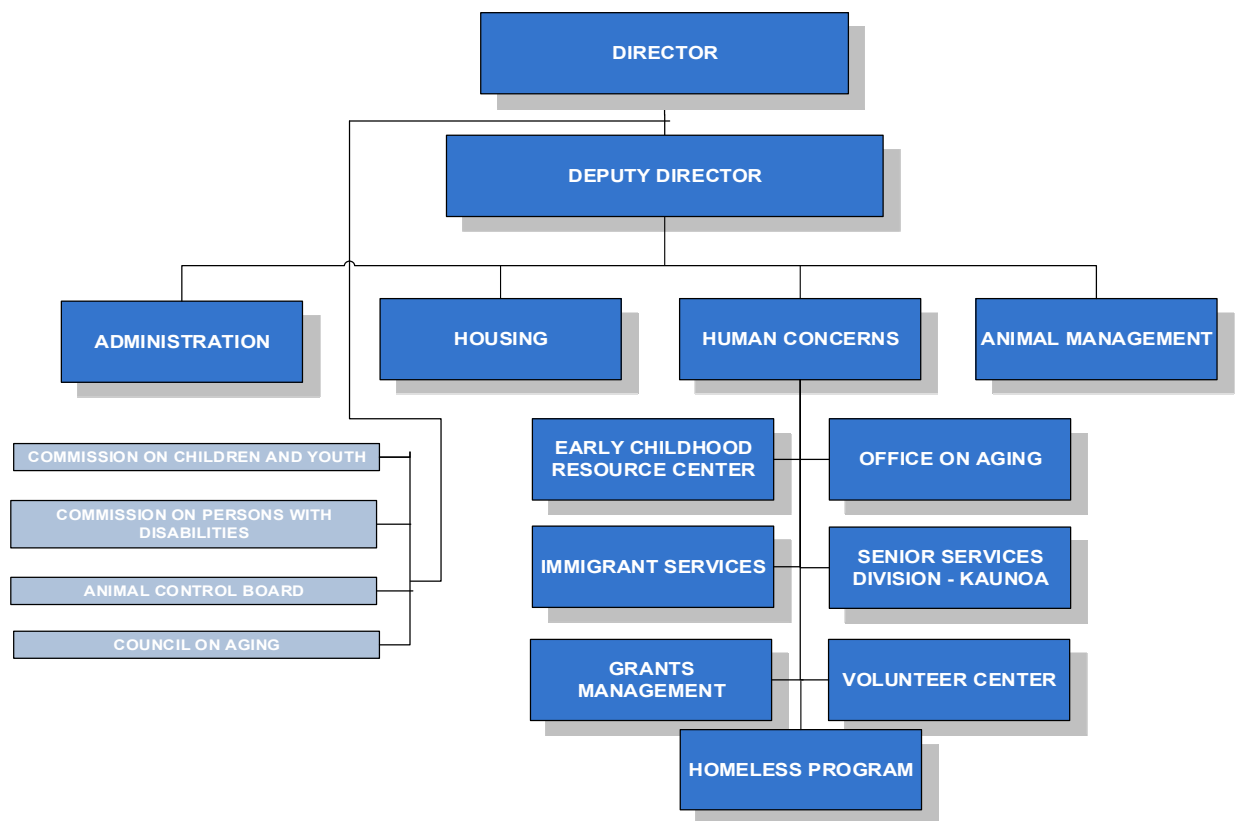

To support and enhance the social well-being of the citizens of Maui County.

Countywide Outcome(s)

The Department of Housing and Human Concerns ("DHHC") supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- A Strong, Diversified Economy
- An Environmentally Responsible and Sustainable Community
- A Prepared, Safe, and Livable County

Organization Chart

Strategies

The DHHC is highly cognizant of the fiscal accountability and program compliance of County-funded programs. As such, it insures fiscal responsibility to the citizens of Maui County. DHHC continually improves and promotes opportunities that support families, service providers, businesses, policy makers, and the general public. In addition, DHHC provides housing assistance to the residents of Maui County by facilitating the development of affordable housing, homeownership assistance, and

Department Summary**Strategies (Cont'd)**

affordable rental programs. DHHC assists immigrants with the necessary tools needed to become tax-paying citizens of the United States of America. DHHC has been instrumental in compassionate responses and in assisting homeless individuals and families connect with agencies to house them and provide wrap-around services. DHHC is also able to facilitate a roadmap for community volunteerism.

As part of Hawaii's Aging and Disability Resource Center ("ADRC"), DHHC is able to provide services to all persons, regardless of age, income, or disability, at a highly visible place where they will be able to find information on the full range of long-term support options. The Older Americans Act of 1965, through the Office on Aging/ADRC, supports programs such as Meals on Wheels, Assisted Transportation and Congregate Meals facilitated by Kaunoa Senior Services. Maui County enables our seniors to experience their later years as the "best years."

Operations

DHHC works in collaboration with various Federal, State and County agencies to accomplish its mission. DHHC is an active participant in statewide initiatives, meetings, and dialogue groups such as the Early Learning Council, State Homeless Continuum of Care-Bridging the Gap (BTG), Hawaii Interagency Council on Homelessness (HICH), the Executive Office on Aging, Housing Directors' and Administrators' Council, United States Citizenship and Immigration Services (USCIS), and State Department of Health - Alcohol and Drug Abuse Division (ADAD).

External Factors Description

The demographics of Maui County continue to be a challenge as we embrace and always keep in mind not only Maui island, but Molokai and Lanai as well. We are also cognizant of our Hana community that has unique needs.

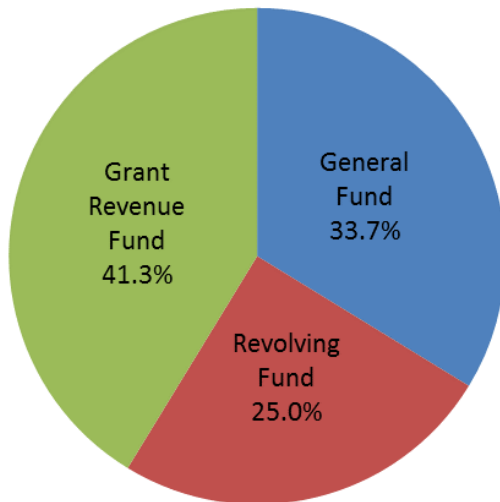

DHHC continues to be up against economic constraints as Federal and State funds are being cut, deliverables/programs are faced with increasing costs, and travel has become more of a challenge. In the face of the COVID-19 pandemic, service delivery and other operational changes have been made to keep the public and Department staff safe. Demand for services has increased exponentially, and the Department has had to develop nimble, often-times technology based solutions, to meet needs in the best way possible. DHHC agrees that human contact is the preferred way to do business, however, COVID-19 has compelled us to change and adapt.

The Department's priorities for funding human service needs are food, shelter, and safety. As non-profits continue to seek more County support, they are encouraged to collaborate with other funding sources to strive for the sustainability of their various programs.

Administration Program

Program Description

The Administration Program is responsible for the overall process of organizing, directing, and overseeing of the Department's resources effectively to ensure high performance and morale within the Department. The Administration is responsible for representing the Department at all official County Council meetings and manages the Department in accordance with approved operating and capital budgets.

Countywide Outcome(s)

The Administration Program supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- A Strong, Diversified Economy
- An Environmentally Responsible and Sustainable Community
- A Prepared, Safe, and Livable County

Population Served

This program serves the Housing and Human Concerns Programs, as well as the Animal Management Program.

Services Provided

The Administration acts as the liaison between the Mayor's Office and its eight divisions, as well as providing oversight to the Animal Management Program. It provides strong guidance through necessary policies, procedures, personnel directives, and other actions to ensure quality services within its overall operations. Administration manages the ever-changing landscape of housing and human concerns pro-actively and collaborates with the State of Hawaii on pertinent initiatives and measures. The Administration acts as an advisor to Divisions' leadership regarding employee disciplinary actions. Administration is the final signatory on all grants impacting the Divisions' operations, and therefore is cognizant of all budgetary matters relating to the Department.

Grant Award Description**Strategic Prevention Framework Partnership for Success**

Funds to be used to coordinate County prevention services that will build capacity to enhance the substance abuse prevention system within the County and Statewide to address underage drinking.

Housing Program

Program Description

The Housing Program is responsible for the administration and oversight of grants provided to the County by the U.S. Department of Housing and Urban Development (HUD), including the Section 8 Housing Choice Voucher Program (Section 8 Program), Section 8 Homeownership Option Program, Section 8 Family Self-Sufficiency Program, the HOME Investment Partnerships Program, and the National Housing Trust Fund. In addition, Housing administers and provides oversight for the County Affordable Housing Fund Program and several other County-funded grants, as well as oversight of three County-owned rental projects. The Housing Program is also responsible for monitoring the affordable housing conditions/requirements imposed by the County, providing technical and financial assistance in the development of affordable housing projects, and promoting fair housing.

This program also consists of the following activities funded by Revolving Fund:

- Affordable Housing Fund
- Experimental and Demonstrative Housing Projects Fund

Countywide Outcome(s)

The Housing Program supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- A Strong, Diversified Economy
- An Environmentally Responsible and Sustainable Community
- A Prepared, Safe, and Livable County

Population Served

Extremely low-income families to above-moderate-income families; special needs groups that include the elderly.

Services Provided

Rental/homeownership assistance; process, administer, and monitor grants or loans to developers building affordable housing units or agencies providing assistance in an affordable housing program; process and monitor affordable housing agreements; review and certify eligibility for tenants and homeowners of affordable housing units; provide technical assistance to developers planning affordable housing projects; provide resource and referrals to County residents with questions or concerns about housing laws including landlord tenant code and fair housing; and monitor affordable housing units for safety, security, and sanitary conditions.

Housing Program

Key Activity Goals & Measures

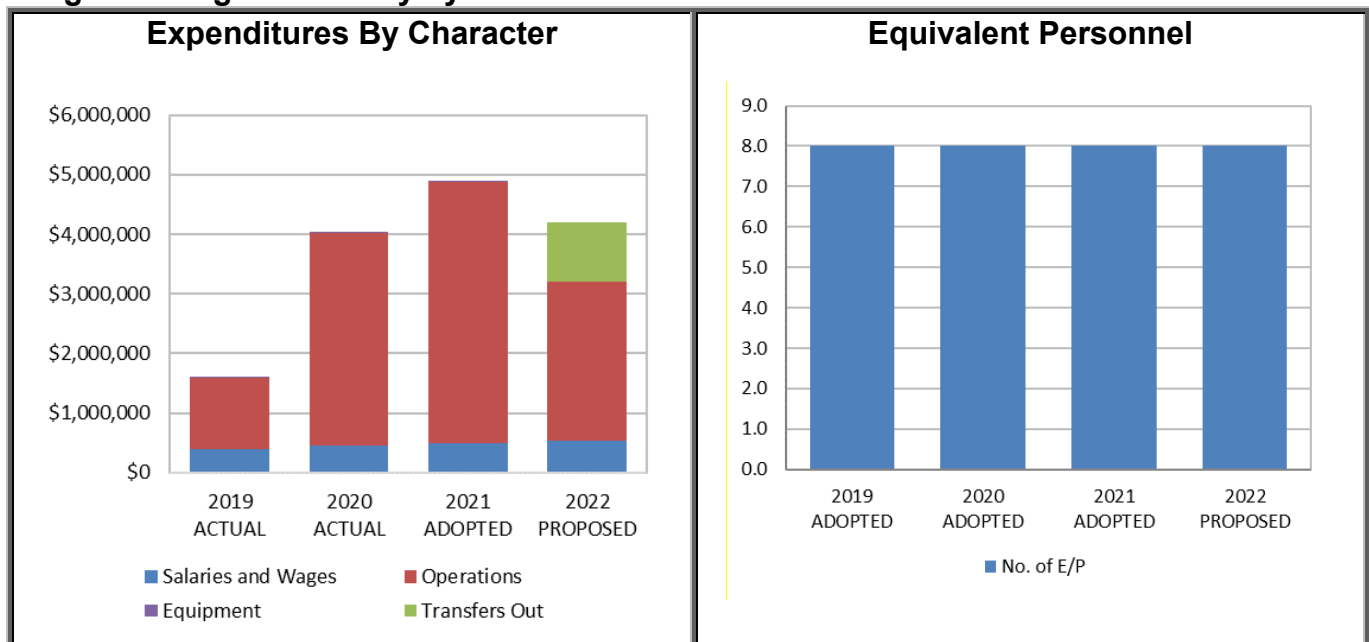

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Assist very low and low-income families under the Section 8 Housing Choice Voucher Program by providing financial assistance for rent, utility payments, mortgage loan payments or down-payment assistance.</i>				
1. Administer the Section 8 Housing Choice Voucher Program in accordance with U.S. Department of Housing and Urban Development ("HUD") requirements	% of vouchers utilized vs. total vouchers allocated to the county	96%	90%	95%
	% of HUD's approved budget under the Section 8 Housing Choice Voucher Program expended	100%	95%	95%
2. Maintain a rating as a high-performer in Section 8 Management Assessment Program rating	Section 8 Management Assessment Program rating of 75 or higher from HUD (60-89 = Standard; 90 = High-Performer)	N/A	95%	95%
3. Obtain a high performance rating on Housing Quality Standards ("HQS") quality control inspections	% of HQS cases sampled showing corrected deficiencies within HUD/PHA time requirements	100%	98%	98%
<i>Goal #2: Increase opportunities for County residents to actualize affordable housing rental and homeownership opportunities.</i>				
1. Improve Department outreach to Developers regarding funding resources for affordable housing development	# of project proposals received for Affordable Housing Fund and Experimental and Demonstration Housing Projects Fund	10	9	8
2. Increase the County's inventory of affordable housing units	# of housing projects that receive technical assistance in planning affordable or workforce units (as related to Section 2.96, and 2.97, MCC, Section 201H-038 HRS, etc.)	27	25	25
3. Increase the homeownership opportunities for First-Time Home Buyers	# of First-Time Home Buyer clients who purchase a home with County Down Payment Assistance	40	66	33

County Grant Subsidy Program Description

Affordable Rental Housing Programs***Family Life Center, Inc.***

Provide housing assistance and rental supports for low income, needy and/or homeless persons in Maui County.

Ka Hale A Ke Ola HL Resource Centers, Inc.

Provides direct rental assistance payments, supplemented by counseling and case management to individuals and families moving from emergency shelter or transitional housing to permanent housing.

Maui Economic Opportunity, Inc.

Provide rental assistance to families to prevent homelessness.

Housing Program

County Grant Subsidy Program Description (Cont'd) Affordable Rental Housing Programs (Cont'd)

Women Helping Women

Support victims of domestic violence in Maui County by providing one-time rental assistance, back rent, subsidized rent, security deposits, and utilities assistance.

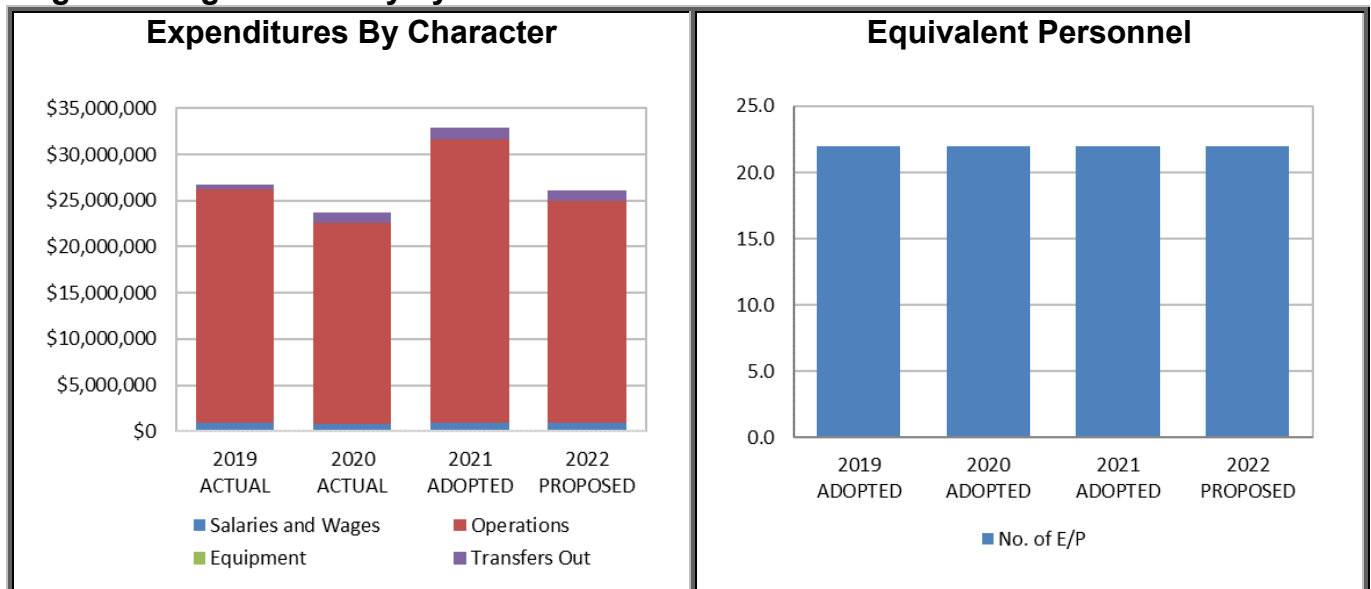

Hale Mahaolu for Homeowners and Housing Counseling Program

Assists Maui County residents with counseling, education, and homebuyer classes for first-time homebuyers; those seeking foreclosure prevention aid or assistance applying for loan modifications; and Department of Hawaiian Home Lands' lessees facing lease cancellations.

Hawaii Community Foundation for Housing Affordability Initiatives

The program will increase the pipeline of qualified renters and homebuyers, build political and community support for more housing, grow knowledge base of decision-makers on affordable housing issues and opportunities, enhance existing data collection and reporting capabilities, and demonstrate a model that can be replicated to eliminate Hawaii's housing crisis.

Grant Award Description

Section 8 Housing Program

The Section 8 Housing Assistance Payments Program is a rental assistance program funded by HUD. Under an annual contributions contract with HUD, the County of Maui is authorized to issue vouchers for approximately 1,464 very low income families in Maui County or 100% of budget authority to assist with their rent payments.

Family Self Sufficiency (“FSS”) Program Coordinator Grant

The FSS Coordinator grant helps support the salary and training needs of the FSS Program Coordinator. The FSS Coordinator is the principal front-line staff responsible for implementation of the FSS Program. The FSS Program Coordinator develops strategies to connect participating families to public and private resources to increase their earned income and financial empowerment, reduce or eliminate the need for welfare assistance, and make progress towards economic independence and self-sufficiency.

Ohana Zone – Kahului Affordable Housing for Homeless Families

Funding to be used to implement services related to a rental housing program for families transitioning out of homelessness, including security and property management, voluntary case management and employment support.

Housing Program

Program Description

The Affordable Housing Fund was established and created through Chapter 3.35, Maui County Code (“MCC”).

Purpose of the Fund:

- A. There shall be deposited into the affordable housing fund all monies paid to the County in lieu of providing residential workforce housing units, any Council appropriations to the fund, and all monies donated to the County for affordable housing projects. The revenues and unencumbered balance in the fund shall be used for the provision, protection, and expansion of affordable housing and suitable living environments for residents of very low to gap income, including the rehabilitation of existing structures, land purchase, or other acquisition of land or property entitlements, planning, design, and construction.
- B. In adopting FY 2008 through FY 2021’s annual operating budgets and capital improvement programs, the Council shall appropriate a minimum of two percent of the certified real property tax revenues to the affordable housing fund. Beginning FY 2022, this percentage shall increase to three percent. Any appropriations to this fund shall not substitute, but shall be in addition to, those appropriations historically made for the purposes stated in Chapter 3.35, MCC.
- C. The revenues and unencumbered balance in this fund shall not be used for any purpose except those defined in Chapter 3.35, MCC.
- D. On an annual basis, no more than three percent of this fund shall be used for administrative expenses.

Administration of the Fund:

- A. The Director of Finance shall establish a separate account to record revenues and supplemental transfers credited to, and expenditures made from, the fund.
- B. Any unencumbered balance in the fund at the end of each fiscal year shall not lapse, but shall remain in the fund, accumulating from year to year.
- C. The Director of Housing and Human Concerns shall administer the fund.
- D. The Director of Housing and Human Concerns and the Director of Finance may adopt administrative rules necessary to carry out the purposes of Chapter 3.35, MCC.
- E. Revenues received from a developer to partner with a nonprofit organization or community land trust are deemed appropriated upon receipt and are authorized to be expended for the purposes of the fund.

Use of Fund:

The Council may make appropriations from the affordable housing fund for the following:

- A. To increase the supply of affordable, rental, and owner-occupied housing;
- B. To acquire interests in real property for purposes set forth in Chapter 3.35, MCC;
- C. For planning, design, or construction of affordable rental or owner-occupied housing for residents within income-qualified groups;
- D. To provide housing for elderly, disabled, and homeless residents lacking a permanent home;
- E. To provide grants or loans to any nonprofit or community land trust that complies with Section 501(c) of the Internal Revenue Code and any other requirement under Federal, State, and County law regulating the conduct of charitable or nonprofit organizations, provided that the purpose of any grant or loan shall be for the purposes set forth in Section 3.35.010, MCC;

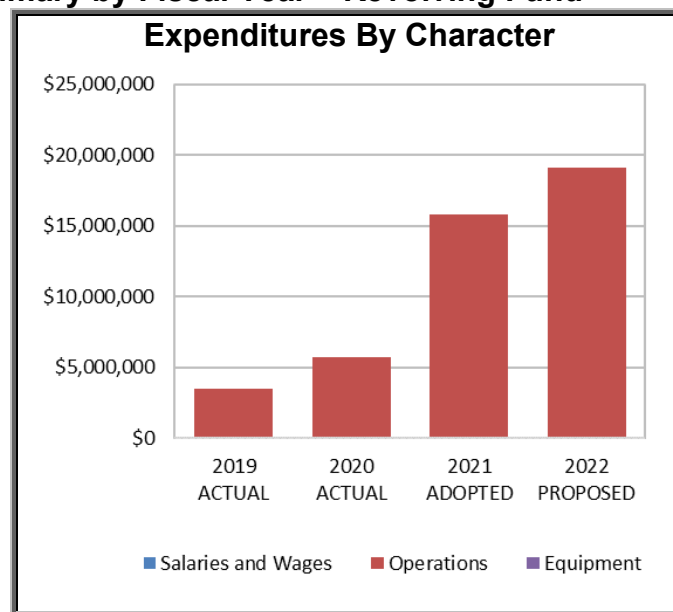

Housing Program

Program Description (Cont'd)

- F. To leverage funds provided by Federal, State, non-profit, or for-profit organizations and other non-County entities to further expand affordable housing opportunities;
- G. To acquire existing housing or cooperative units for rehabilitation as affordable rental or owner-occupied housing, or both; or
- H. To increase investment in public infrastructure in connection with related affordable housing projects.

For information relating to the selection of grant or loan proposals, grant or loan requirements, the affordable housing fund annual plan, annual report and project expenses, please refer to the Maui County Code website: <http://library.municode.com/index.aspx?clientId=16289>.

County Grant Subsidy Program Description

Food, Shelter and Safety Grants***Aloha House, Inc. - Residential Substance Abuse Treatment***

To prevent or reduce the severity and disabling effects related to alcohol and other drug use, abuse and dependence by providing effective, accessible evidence-based treatment services designed to empower individuals and communities to make health-enhancing choices regarding the use of alcohol and other drugs.

Ka Hale Pomaikai – Co-occurring Disorder/Substance Abuse Treatment

Provide services to individuals suffering from both mental health disorders and substance abuse.

Malama Na Makua A Keiki - Substance Abuse Services for Women

To prevent or reduce the severity and disabling effects related to alcohol and other drug use, abuse and dependence for women, pregnant and parenting women, and their children.

Maui AIDS Foundation, Inc. - HIV/HCV/STI Rapid Testing Prevention and Counseling Program

To educate and support Maui County residents who may be at risk of HIV, HCV, and STI.

Human Concerns Program

County Grant Subsidy Program Description (Cont'd)

Food, Shelter and Safety Grants (Cont'd)***Maui Economic Opportunity, Inc. – Independent Living for Persons with Disabilities***

Provide outreach services to disabled individuals to remove barriers and empower persons with disabilities to be fully engaged in all aspects of life and live independently.

Mediation Services of Maui, Inc. - Mediation Services Conflict Resolution and Training

Provide mediation services and community education that includes core services provided by MSM, which are mediation by volunteers, Case Management by staff, Conflict Resolution & Youth Trainings by consultants and staff.

Molokai Community Service Council, Inc. - Hale Ho`omalua Domestic Violence Shelter

Provides safe housing for victims of domestic violence as well as supportive services including assistance with petitions for TRO's, case management, and group sessions.

Molokai Community Service Council, Inc. - Kapili Umbrella Program

Provides fiscal and managerial support for the Friendly Isle United Fund, fiscal sponsorship for non-profit projects that need a 501(c)(3) tax exemption to raise funds, and technical support to other non-profit organizations on Molokai.

Parents and Children Together - Maui Programs

Provides domestic violence intervention and support services for survivors, adult offenders, and youth involved in juvenile justice or exposed to domestic violence. The Center helps them develop skills, knowledge, and behaviors necessary for a violence-free life.

Roman Catholic Church of the State of Hawaii – Hale Kau Kau

Free hot evening meals to men, women, and children who do not have the resources to meet their basic need for food, deliver free evening meals to the elderly, sick, and disabled of South Maui; and help provide free emergency food supplies to the families and individuals who are in need of assistance.

County Grant Subsidy Program Description

Early Childhood Programs***Maui Family Support Services - Early Childhood Resource Center and Subsidy Program***

Give families of young children, from all geographic areas of Maui County, access to the community resources and supports necessary for them to gain economic stability and move towards self-sufficiency. The Maui County Early Childhood Resource Center provides essential resources that help bring stability to families of young children: childcare subsidies; parenting classes; a meeting space for community partners to convene and collaborate to expand and strengthen early childhood services and resources in Maui County; Early Childhood Literacy hub; and a lending library of books and materials for young children, parents, childcare providers and early childhood professionals.

Maui Family Support Services – Family Literacy Program

Implement a family literacy program that will stimulate the interest in shared family reading and support young readers, and increase the number of children ages 0-5 in Maui County that have access to quality developmentally-appropriate books. The program that is designed will have the ultimate goal to improve children's development, strengthen families and attachment, school readiness and improve the academic achievement of young children and their parents. Additionally, the organization implementing the family literacy program will create the framework and infrastructure needed to secure funding from other private and public sources in order to implement an early childhood lending library and the Dolly Parton Imagination Library, through which each child in Maui County could receive a developmentally-appropriate book every month until they turn 5 years old at no cost to the child or family.

People Attentive to Children - Early Childhood Family Literacy LENA Program ("LENA")

In partnership with Early Childhood Action Strategies, the Family Literacy LENA program will continue to pilot the Words Matter initiative. LENA provides technology-based programs to accelerate the language development of children birth to three and close opportunity gaps.

Human Concerns Program**County Grant Subsidy Program Description (Cont'd)****Early Childhood Programs (Cont'd)*****People Attentive to Children- Licensed Childcare Recruitment, and Retention Program***

Provide a training and technical assistance program to improve the health and safety practices of those caring for young children, to expand the capacity of child care programs in Maui County, to foster a family childcare professional development and support network and assist providers in effectively and efficiently meeting licensing regulations and retaining licensure and work toward National Association of Family Child Care accreditation.

Imua Family Services – Teddy Bear Corner Program (Molokai)

To promote protective factors within the community which have shown to prevent child abuse and neglect as well as to contribute to positive outcomes for the island's youngest children. Through its various activities, the program will promote knowledge of parenting and of child and youth development, parental resilience, social connections, concrete supports for parents, and social and emotional competence of children.

Imua Family Services – Infant and Early Childhood Services

Provide services to children 0-6 years' old who do not meet the age-appropriate developmental milestones and fall outside the scope of Early Intervention Services or DOE special education services. The needs of each child are met through professional therapeutic services to help them thrive.

E Malama I Na Keiki O Lanai Preschool

Provide a learning and care program that attends to the whole child and seeks to enrich each enrolled child's experience for children on the island of Lanai at little cost to families that demonstrate need through providing subsidy assistance.

Imua Family Services – Inclusion Preschool

Provide a preschool program for children with developmental concerns and special needs together with typically developing children in an inclusive classroom environment that meets all the children's needs at a reduced rate or little cost to families that demonstrate need through subsidy assistance.

Maui Economic Opportunity, Inc., for Head Start Afterschool Programs

Provide full-day wrap-around services for Head Start families (155 children) so their parents can work, go to school, or attend training. Provide extended day services which enhance school readiness skills and transition success into kindergarten.

Maui Economic Opportunity, Inc., for Head Start Summer Programs

Provide summer session for Head Start children so families can work, go to school, or attend training while their children experience continuity of care. The program targets focusing on strengthening the social and emotional foundations young children need in order to have an optimal early learning experience.

Maui Economic Opportunity, Inc., for Infant/Toddler Care Program

Provide full-day infant and toddler center-based care to 15 children of working parents or parents attending school, at little cost to families that demonstrate need through subsidy assistance.

Human Concerns Program

County Grant Subsidy Program Description (Cont'd)
Maui Family Support Services, Inc.***Early Head Start Program***

Provide year-round home visiting and center-based services to income-eligible families or children six weeks to 36 months old and expectant mothers. The program promotes school readiness by enhancing the child's cognitive, social, and emotional development and through family services targeting health, educational, nutritional, social, and other services that are determined based on a family needs assessment to be necessary.

Kane Connection Early Childhood Fatherhood Involvement Program

Provide support for fathers and father-figures who have children under the age of six. The fatherhood involvement program will promote responsible fatherhood and healthy relationships through parenting education and skill-building, knowledge of child development, support groups and resource referral and utilize an evidence-based curriculum. It also provides male-centered case management and care coordination. Men can get support, develop practical and effective parenting skills, learn how to enhance their child's development, and share important resources while learning successful strategies for navigating the social service system. Male involvement especially in the early years, sets a solid foundation for lifelong learning and success.

Partners in Development Foundation

Due to the high cost of living, as well as the high cost for child care in Hawai'i, many families turn to the grandparents for child care. Parents may also opt for one parent to stay at home and care for their keiki because the salary that they earn would only go to pay for child care. Families understand that an early childhood education is critical to prepare their keiki for kindergarten and life success; however, there are not many resources that they can turn to. The Tutu and Me Traveling Preschool (Tutu and Me), a program of Partners in Development Foundation (PIDF), is one proven solution. Since 2001, Tutu and Me has touched the lives of over 30,000 keiki and their caregivers by preparing them to be ready for school. Additionally, the program equipped caregivers to be their keiki's first and foremost teacher with assessment results that have demonstrated their effectiveness.

County Grant Subsidy Program Description

Kumpang Lanai - Coalition for a Drug-Free Lanai

Seeking to reduce the risk factors and increase protective factors for substance use and misuse in 80% of the program participants.

Maui Economic Opportunity, Inc. - MEO Best Reintegration Program

Provide services to persons who are presently or formerly incarcerated, addressing challenges faced in returning to the community.

Maui Economic Opportunity, Inc. - MEO Underage Drinking Prevention Campaign

Intended to delay the age when youth begin drinking, and to reduce alcohol use among young people. Program activities and curriculum embrace various cultures and target youth ages 12-17.

Substance Abuse Program***Aloha House, Inc. - Medically Monitored Detoxification Program***

To safely withdraw people from substances on which they are physically dependent which then facilitates assisting them to enter treatment to further recovery from substance dependence.

Community Clinic of Maui, Inc. - Substance Abuse Program

Provides substance abuse treatment services to under-served Maui residents unable to access services elsewhere due to ineligibility, service unavailability (long wait lists, sobriety required or non-existent), or cost. The purpose of the program is to help Maui residents in all stages of substance use recovery.

Ka Hale Pomaika'i - Reducing Addiction through Food, Shelter, and Safety for Molokai

To reduce the severity and harmful effects related to alcohol and other drug use, abuse and dependence within the Molokai Community using a culturally respectful approach to improve total wellness by having a continuum of treatment service modalities and/or harm-reducing prevention strategies available on Molokai.

Human Concerns Program**County Grant Subsidy Program Description (Cont'd)**
Substance Abuse Program (Cont'd)***Maui Family Support Services, Inc. - Teen Voices Program***

Teen Voices is a primary prevention and early intervention service and support to help teens avoid teen pregnancy and challenges of effectively parenting as teen parents. The objective of the program is to prevent child abuse and neglect.

Mental Health Kokua - Homeless Outreach for Mental Health Empowerment and Psychosocial Rehabilitation

To provide drug/alcohol services, case management, social welfare, and crisis services for homeless individuals with severe and persistent mental illness and to provide drop-in service Monday through Friday for homeless adults with mental illness. Activities include: breakfast and lunch, daily living skills, assistance with recovery, connection with health care, access to social services, and mutual social support.

Ohana Makamae, Inc. – Mental Health Services

Provide an array of accessible mental health services such as counseling (individual and family), crisis intervention, and family intervention in a relevant, professional, and culturally competent manner.

Lokahi Pacific – Ho’oulu Na Kamali’i Program

Provide Hawaiian cultural program, agriculture, and supplemental education program for kids and youth to assist with the development of necessary skills to become productive students and avoid the pitfalls of substance use and misuse.

Youth Alcohol Education Awareness

Program is for the Prevention of Underage Drinking. Building on a community-based risk and protective factors approach to prevention, the focus is not only on reducing the risk and limiting access, but also fostering positive youth development and changing social norms to discourage underage drinking.

Paia Youth Council, Inc. – Paia Youth & Cultural Center Malama Pono Project Venture

Implementing outdoors adventure-based experiential activities while relying on Hawaiian culture and traditional values to help youth develop positive self-concepts, effective social skills, a community service ethic, internal locus of control and increased decision-making, and problem-solving skills needed to avoid peer pressure and substance abuse.

Boys and Girls Club of Maui– Teen Expo

Host an alternative alcohol and drug-free event for youth to attend. Service providers have the opportunity to interact with youth, and collect survey data. Promote a lifestyle free from the negative effects of alcohol and drug use.

County Grant Subsidy Program Description

Feed My Sheep

Provide a healthy, balanced diet of good quality food which includes protein, carbohydrates, and fresh produce.

Habitat for Humanity Maui – Safety Repairs for Disabled and Low Income Elderly

Provide one-time home improvement and repairs for qualifying disabled and low income elderly to allow them to live at home safely.

Hale Mahaolu Personal Care Program

Provide in-home personal care services to frail elderly, disabled, and chronically ill adults (18 years of age and older), including cognitive and/or emotional problems, which impair the individual's ability to perform activities of daily living (ADLs) and/or instrumental activities of daily living (IADLs).

Hale Makua Health Services – Physician Services

Provides a physician who is able to admit patients to and attend patients at Hale Makua nursing homes when the patient does not have a physician in the community.

Homeless Program***Family Life Center, Inc. – Case Management***

Provide case management services to homeless individuals that access Family Life Center's Emergency Shelter Services or Shelter Plus Care Program.

Human Concerns Program

County Grant Subsidy Program Description (Cont'd)

Homeless Program (Cont'd)

Family Life Center, Inc. – Emergency Operations Program

To provide outreach and engagement services to unsheltered homeless individuals on the island of Maui.

Ka Hale A Ke Ola Homeless Resource Centers - Central & West Operations

Operating two homeless service facilities on Maui in which the development and operation of these facilities involves transitioning homeless families and individuals from structured emergency shelter and transitional housing to independent permanent housing. This is done by providing intensive case management coupled with supportive services and programs aimed at eliminating barriers to self-sufficiency and housing security.

Ka Hale A Ke Ola Homeless Resource Center, Inc.–Ka La Hiki Ola Mobile Hygiene Unit

Providing service and a drop-in center for homeless individuals in South Maui to initiate contact and begin services program.

Legal Aid Society of Hawaii – Holistic Legal Services for Maui County's Most Vulnerable

Provide legal services to individuals in need of court documents for custody of minors, landlord-tenant issues, and those vulnerable to unfavorable outcomes due to lack of legal advice.

Teens on Call – Homeless Site Cleanups

Cleaning up of community by removing objects left behind by homeless populations.

Hui Laulima O Hana - Hana Dialysis Home

Provides a lifesaving service for members of the East Maui Community suffering from renal failure.

Hui Malama - Breaking Barriers

Maui Hui Malama supports at-risk youth to successfully transition to adulthood through customized personal pathways for youth, and families to develop character, discipline, work ethic and self-reliance as community contributors. Hui Malama provides intensive assessment, connections to resources and services, on-going coaching/assessment activities both internally and through close private/public partnership to break the intergenerational patterns of poverty, crime, homelessness and other social dysfunction. (Program name changed)

Lanai Community Health Center ("LCHC") – Integrated Behavioral Health ("BH") Program

To provide comprehensive BH services to the entire community, including routine screening of LCHC patients for depression and substance abuse (with a focus on alcohol and tobacco) in order to better identify and refer patients in need of BH services and to provide early preventive and treatment services.

Lanai Kinaole – Lanai Kinaole Home Team

The non-profit group is dedicated to providing healthcare and in-home supportive services to Lanai seniors and individuals with health compromise in their own home. Lanai Kinaole currently services 100 of the island's most vulnerable residents.

Human Concerns Program**County Grant Subsidy Program Description (Cont'd)****Maui Adult Day Care Center for Senior Citizens and Disabled, Inc.- Maui Adult Day Care Centers and Hale Hulo Mamo**

Provides a social memory care, therapeutic/respite daytime program for frail, elderly individuals with Alzheimer's/ Dementia and adults who are physically and mentally impaired as well as providing support and training to clients' families/caregivers.

Maui Food Bank, Inc.- Hunger Relief

Collects and distributes, with the help of community partners, food to needy residents in all Maui County communities, including Hana, Molokai, and Lanai.

Maui Economic Opportunity, Inc.- MEO Enlace Hispano Program

To provide resources and education to the Hispanic community.

Maui Economic Opportunity, Inc. MEO Planning & Coordinating Senior Coordinator

To promote, coordinate, organize, and support over 40 senior clubs throughout Maui County.

The Maui Farm, Inc. – Family Strengthening Program

Provide transitional housing and essential services for families who are homeless or at-risk of homelessness due to domestic violence and economic challenges, and collaborate with community-based partner agencies to support families in making a successful transition to self-sufficient living.

Mental Health Association in Hawaii, Inc. – Mental Health Substance Abuse Education, Advocacy, and Family Support

Provide education, advocacy, intervention, and family support while collaborating with other agencies in order to alleviate the chronic emotional pain, suffering, and stigma of mental illness and substance abuse throughout Maui County including the rural area of Hana, and the islands of Lanai and Molokai.

Mental Health Kokua

Funds will be used for the Maui Safe Haven program which provides shelter to homeless adults with mental illness who may have untreated psychiatric, psychotic symptoms, and would otherwise be a burden to local businesses, police, and emergency rooms. Maui Safe Haven provides psychiatric services helping homeless adults transition to stable housing.

Molokai Child Abuse Prevention Pathways

Provide services to children and family to prevent childhood abuse and neglect.

National Kidney Foundation of Hawaii – Maui County Chronic Kidney Disease (CKD) Epidemic Prevention, Intervention and Eradication

To increase efforts to end the silent, deadly and spiraling CKD epidemic which impacts more than 50% of Maui County's residents. This effort will include major CKD public awareness and outreach campaign, free public early CKD detection screenings, prevention and intervention education workshops, and CKD classroom training for youth, grades 3-6, to help Maui County residents avoid, stop or slow the progression of CKD to reduce kidney failure, dialysis, and death.

Human Concerns Program

County Grant Subsidy Program Description (Cont'd)**The Salvation Army – Homeless Outreach Program**

A front-line provider working with the homeless population of Maui County to provide an avenue of hope and change leading to greater stability, self-sufficiency, and housing.

Self - Sufficiency Programs***Maui Family Support Services - Child Care Subsidy***

Provide childcare subsidy funds to “gap group” families. Also provide resource and parenting information for quality early childhood care.

The Maui Farm, Inc. – Stipend Program

Provide stipends to families enabling them to work at The Maui Farm site and engage in more program services and be closer to family.

Grant for Services to the Frail and Elderly***Hale Mahaolu - Maui Adult Day Care – Ho`okele Caregivers Maui – Care Options - Na Pu`uwai Personal Care***

Provide personal assistance such as grooming and bathing to ensure safety.

Maui Adult Day Care - Na Pu`uwai - Adult Day Care

Personalized care for dependent elders in a supervised, protective, and congregate setting during some portion of the day.

Maui Adult Day Care – Na Pu`uwai - Adult Day Care Respite

Respite for caregivers of dependent elders in a supervised, protective, and congregate setting.

Grandparents Raising Grandchildren Respite – Agency TBD by RFP

Respite for Grandparents who have assumed full-time care of grandchildren in a licensed, supervised, protective, and congregate setting.

Maui Adult Day Care - Family Caregiver Support

Services offered to assist caregivers in making decisions and solving problems relating to their care-giving roles.

Hale Mahaolu, Inc. - Ho`okele Caregivers Maui – Care Options – Na Pu`uwai - Homemaker

Provide assistance such as routine housework, preparing simple meals and shopping for personal items.

Hale Mahaolu, Inc.- Care Options- Chore

Provide assistance with heavy cleaning needs such as apartment/house cleaning to maintain safe and sanitary living conditions.

Na Pu`uwai (Molokai) In-Home Respite

Provide services which temporarily substitute support or living arrangement for care recipient in order to provide brief period of relief or rest for caregivers.

Human Concerns Program

County Grant Subsidy Program Description (Cont'd)
Grant for Services to the Frail and Elderly (Cont'd)***EnhanceFitness®***

EnhanceFitness® is an exercise program that improves cardiovascular fitness, strength, flexibility, and balance. The program helps build relationships among participating seniors and creates an exercise environment that is fun and friendly. Moreover, it has been scientifically-tested and has been shown to improve health and reduce health care costs among regular participants.

Hale Kau Kau – Home - Delivered Meals

Provide nutritious home-delivered meals to frail elders living outside of Kaunoa Home-Delivered Meals Program service delivery boundaries.

Special Olympics Hawaii, Inc. – Special Olympics Maui County

Provide year-round sports training and athletic competition for children and adults with intellectual disabilities, giving them opportunities to develop physical fitness, demonstrate courage and participate in the sharing of skills and social interaction with other Special Olympics athletes, families, and the community.

Women Helping Women (“WHW”) – Emergency Shelter, Hotline & Support Programs

Provides emergency shelter and support programs for victims of domestic violence (hotline, direct services following a crisis, assistance with transition into non-abusive living environments). WHW seeks to end domestic violence through advocacy, education, and prevention.

County Grant Subsidy Program Description

Best Buddies International – Maui County Inclusion Project

Matching intermediate and high school students with intellectual and developmental disabilities (IDD) in one-to-one friendships with their typical peers. Friendships formed as a result of Best Buddies programs represent an important step towards promoting lifelong acceptance of people with disabilities and their inclusion in all aspects of society.

Big Brothers/Big Sisters of Hawaii Maui, Inc. - Maui Community School-Based Mentoring Program

Maintain services matching at-risk children and youth with positive role models on Maui through Community-Based Mentoring, School-Based Mentoring to expand services to youth in the Hale Makana neighborhood through the Mentor Center program. Goals are to help youth avoid risky behaviors, embrace higher aspirations and succeed in school.

Boys & Girls Club of Maui – Central, Haiku, Upcountry, Paukukalo, Kahekili Terrace, West Maui Clubhouses

The Boys & Girls Clubs of Maui provide a safe, secure, nurturing, supervised and supportive environment where youth members can be themselves, learn, have self-esteem-building experiences, and have fun!

Hana Youth Center, Inc. – Hana Youth Center

Provides programs and activities that are fun and that develop and improve health, moral and social habits of Hana youth, inspiring them to make wise choices now and into their future.

Hawaiian Kamali'i, Inc. – Hawaiian Kamali'i Program

Provide youth with an environment rooted in traditional Hawaiian values that promotes personal growth, character development and achievement in physical fitness.

Human Concerns Program

County Grant Subsidy Program Description (Cont'd)**Kihei Youth Center, Inc.- Kihei Youth Center Services, Inc.**

Provide a comprehensive range of age-appropriate integrated youth development programs and activities aimed at promoting and supporting positive protection factors that address negative at-risk behaviors for youth between the ages of 8 and 18 years old throughout the year.

Lahaina Intermediate School Education Foundation – Lahaina Tutoring Project

Lahaina Complex after-school enrichment tutor project serving four public schools in grades 3-11.

Lana`i Youth Center, Inc.- Lana`i Youth Center

Provides activities that offer youth the opportunity to achieve proficiency in basic educational skills, promote healthy lifestyle choices (including alcohol, tobacco, and other drug prevention education), help to increase youth awareness, have appreciation for Lana`i's and Hawaii's diverse culture, and provide alternative recreational activities.

Maui Economic Opportunity, Inc., for Youth Services

Provide after-school/out-of-school positive youth development activities for youth 6th to 12th grade.

Molokai Community Service Council, Inc. - Molokai Youth Center

Provides a safe and nurturing place for children ages 8 to 17. The Center's programs include recreation, leadership, and community service activities, and help with homework.

Paia Youth Council, Inc. - Paia Youth & Culture Center

To keep open and maintain a safe and nurturing drop-in center where young people (9 to 18 years old) can socialize, play, learn, and participate in program activities.

Project Graduation

Support high school graduation programs to provide fun, safe, drug-free, and alcohol-free post-graduation celebrations for students in Maui County.

Youth Programs***Lokahi Pacific- Teens-on-Call***

Provides meaningful hands-on work and life skills training including the promotion of good character values in a variety of trades to at-risk teens ages 13 to 19 years old.

Human Concerns Program – Early Childhood Resource Program**Program Description**

The Early Childhood Resource (“ECR”) Program seeks to improve and enhance the availability, affordability, and quality of early care, learning, and development services through the promotion of shared goals, partnerships, and resources. The ECR Program guides and supports the development and implementation of a coordinated system of early childhood services for young children from birth to eight years old in Maui County. The mission of the ECR Program is to coordinate, support, mobilize, and leverage partnerships and funding, including early childhood grants as appropriate; and identify, provide and share resources for families and professionals, moving toward implementing a coordinated system of early childhood services for your children from prenatal to kindergarten entry in Maui County.

Population Served

This program serves providers and families engaged in meeting the needs in early childhood care and learning in Maui County, specifically for children ages prenatal to kindergarten entry.

Services Provided***For Families:***

- Maui County Childcare Subsidy – Working families who meet income guidelines can apply to receive help to pay for childcare.
- Coordination of Parent Workshops – Feedback and parental requests determine parent education class topics.
 - Topics will Include:
 - Positive Discipline
 - Family Literacy
 - Early Childhood Development
- Resource & Referral via phone – Families are helped to navigate and connect with early childhood programs and services, parental supports; and state benefits.
 - 3 Top areas of focus will be:
 - Financial assistance for childcare
 - Food & Housing assistance resources
 - Finding assistance for special circumstances
- Resource Lending Library - The Early Childhood lending library provides access to books, children’s books, videos, and information.

For Professionals:

- Early Childhood Education & Care Networking – Provide opportunities for early childhood providers to network and address service and resource gaps.
- Professional Development Information & Support
- Resource Lending Library - The Early Childhood lending library provides access to books, children’s books, videos, and information.

For Programs & Agency Service Providers:

- Provides technical assistance and guidance.

Human Concerns Program – Early Childhood Resource Program

Services Provided (Cont'd)***For the Community:***

- State / Community advisory, linking and feedback loops.
- Community Events - The ECR Center takes part in early childhood community events through planning, on site provision of resources and information, and funding.
 - Events include:
 - Annual Celebrations,
 - Program Family / Provider Engagement events
 - Network & Information Fairs for families and the early childhood workforce
 - parent education training,
 - Workforce training or conferences.

Grant Management:

- The ECR Coordinator monitors and provides technical assistance to programs and administers grant funding.

Key Activity Goals & Measures

Human Concerns Program – Grants Management

Program Description

The Grants Management Division (“GMD”) is responsible for the administration of DHHC grants appropriated for a wide range of community social service programs. Effective grants management services provide critical collaboration and support for organizations receiving grant funding and ensures an appropriate level of accountability for public funds.

Population Served

This program serves members of the community in need of core social service programs through the administration of grant agreements with contracted community service organizations.

Services Provided

GMD provides technical assistance, information, and administrative oversight for organizations funded under line-item grant appropriations. The GMD administers approximately \$8 million dollars of line-item grant appropriations, which fund social service programs provided by private non-profit organizations to address a variety of critical community areas of need.

Key Activity Goals & Measures

Human Concerns Program – Homeless Program

Program Description

In collaboration with service providers, Federal, State, and County agencies, the Homeless Program will continually develop ongoing strategies to end homelessness adhering to the Continuum of Care mission. By developing, utilizing, and maintaining the Maui County Coordinated Entry System (“CES”) along with the utilization of the Homeless Management Information System (“HMIS”), the Homeless Program will act as the County’s key coordinator for the planning and implementation of Federal Department of Housing and Urban Development (HUD) funding and its designations. The Homeless Program will also research, assess, and make recommendations for new programs which address housing needs and gaps relating to the assistance for the homeless. The Homeless Program will act as the point of contact between County and State departments, law enforcement, and social service agencies in addressing homelessness issues within the County. In addition, the Program will address homeless impacts, prevention, and educate the public on homeless issues.

Population Served

This program serves the County’s homeless population and those that are at-risk of becoming homeless. For the general public, the program will conduct outreach and education and address concerns pertaining to health and safety-related issues on homeless topics.

Services Provided

In support of the Housing First approach adopted by HUD that utilizes the CES, the Homeless Program will serve as the central point for participating service providers and agencies to assess and prioritize the acuity of qualified clientele for receiving services with the focus on attaining and maintaining permanent housing. The Homeless Program works in close collaboration with partnering agencies that are contracted to perform direct services to the homeless population.

The Program will provide strategic planning, coordination, and interagency communication and collaboration to improve services for the homeless; to support the development of permanent supportive housing to decrease homelessness; to coordinate and implement compassionate response to homelessness in key areas where public health and safety are concerned; and to provide outreach and information to the general public regarding issues related to homelessness.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: The Homeless Division is tasked with convening the Coordinated Entry System (CES) and case conferencing, and is responsible for managing and maintaining the master client list of homeless individuals and families awaiting housing placement. The Division will ensure effective coordination between the homeless service providers that share common clientele to ensure clients receive appropriate services in a timely manner.</i>				
1. Addressing and solving issues between partnering homeless service providers that have common clientele	% of partnering agencies that are satisfied with the results of each Case Conferencing (via follow-up email survey to service providers)	N/A	98%	95%

Human Concerns Program – Immigrant Services

Program Description

The Immigrant Services Division (“ISD”) provides a broad spectrum of assistance to immigrants, migrants and citizens, including employment eligibility, citizenship, family-based petitions, and referrals to other services.

Population Served

This division serves citizens, lawful permanent residents, non-immigrants (including, but not limited to visitors and Compact of Free Association (COFA) migrants) of all ages and income levels.

Services Provided

ISD provides assistance for obtaining immigration benefits, applying for citizenship, maintaining lawful permanent residence, employment eligibility, family reunification, finding interpretation and translation services, reducing impediments to integration, deferring action for childhood arrivals and making referrals to community-based organizations. Also, offers assistance with complex matters in a broad range of areas integral to status, individual, family and community safety.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Improve the process for identifying and supporting the needs of Maui County residents who request assistance with navigating U.S. Citizenship and Immigration Services (“USCIS”) or applying for an immigration benefit.</i>				
1. Maintain number of people screened and assisted with applying for a USCIS immigration benefit(s) or relief	# of people screened	N/A	1,200	1,200
	% of people screened and deemed appropriate for ISD’s assistance	N/A	95%	95%
<i>Goal #2: To ensure the population served has access to the forms and application assistance necessary to maintain lawful immigration status (renew/replace a green card, renew DACA, adjust or remove conditional status), maintain employment eligibility, and meet document validity requirements.</i>				
1. Ensure people receive assistance with USCIS applications necessary to maintain lawful immigration status	# of people assisted with lawful status	437	675	495

Human Concerns Program – Senior Services

Program Description

Senior Services Division provides a wide spectrum of programs and services for well, active, frail and homebound senior citizens of Maui County to enable them to remain in their homes as they age and to experience their later years as the “best years.”

The Division is also funded by the Kaunoa Senior Services Leisure Program Activities Revolving Fund, which enables Kaunoa Senior Services to collect fees from participants to help recover the costs for certain special events, activities, and excursions.

Population Served

Programs funded by the Older Americans Act of 1965 (The Assisted Transportation, Congregate Meals and Home-Delivered Meals Programs) serve adults 60 and older. Leisure/Wellness and the Retired & Senior Volunteer Programs serve older adults 55 and older.

Services Provided

Services provided include Assisted Transportation Services, Congregate Meals, Home-Delivered Meals, Leisure/ Wellness classes, activities, events, nutrition lectures, exercise sessions, social and fellowship activities, Retired & Senior Volunteer Opportunities, and safety checks on the well-being of homebound citizens.

Key Activity Goals & Measures

Human Concerns Program - Office on Aging

Program Description

The mission of the Maui County Office on Aging (“MCOA”) is to promote and protect the well-being of older adults in Maui County and to ensure that Maui’s older adults are able to live independently in their homes for as long as possible. The MCOA serves as Maui County’s federally-designated Area Agency on Aging, as mandated by the Older Americans Act. MCOA has made significant progress towards re-balancing the long term supports and services framework in order to achieve status as a fully functioning Aging and Disability Resource Center (“ADRC”), thereby more efficiently assisting not only older adults, but also individuals of all ages with disabilities.

Population Served

MCOA provides a full array of home and community-based services to older adults, grandparents raising grandchildren, family and informal caregivers, and a limited offering of home- and community-based services to persons of all ages with disabilities.

Services Provided

MCOA provides, through direct or contracted services the following: Information and Referral, Assistance, and Outreach; Public Education; In-home Assessments; Case Management; Transportation; Assisted Transportation; Chore; Homemaker; Attendant Care; Friendly Visiting; Telephone Reassurance; Personal Care; Home-Delivered Meals; Congregate Meals; Legal Assistance; Family Caregiver Support Groups; Family Caregiver Counseling; Medication Management; Nutritional Counseling; Adult Day Care; Adult Day Care Respite; In-home Family Caregiver Respite; Money Management Assistance; Health Education/Promotion; simple Home Modifications; Enhance@Fitness™; Powerful Tools for Caregivers (PTC); Community Living Program; and Veterans-Directed Care (formerly known as Veterans-Directed Home and Community-Based Services).

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Empower older adults to stay healthy, active, and socially engaged by providing direct services, public education, outreach programs, and answers on aging.</i>				
1. Program participants will meet or exceed National Standards of improvement as evidenced by scheduled fitness measurements in the areas of strength, stretching and flexibility, aerobic stamina, and balance	A minimum of 75% of EF participants will demonstrate maintenance or improvement as evidenced by routine fitness checks	84%	80%	80%
2. Provide high-quality, relevant information that meets immediate needs of seniors during outreach events and public education sessions	A minimum of nine of ten seniors surveyed will support relevance and applicability of informational and outreach material	98%	90%	90%

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #2: Enable older adults to live in their homes according to individual choice through the provision of home- and community-based services, including support for family caregivers.</i>				
1. Older Adults who wish to do so will continue to live at home with appropriate levels of informal and formal supports after initial determination of being At-Risk for Institutionalization	Older Adults actively receiving services will remain in their homes for an average of twelve months after scoring At-Risk for Institutionalization	20 Months	20 Months	20 Months
2. Family caregivers will experience reduced levels of day-to-day caregiving stress	Nine of ten caregivers will report reduced stress upon annual reassessment.	84%	90%	90%
<i>Goal #3: Ensure Maui's ADRC serves as a highly visible and trusted place and provides support, services, and answers on aging to adults regardless of age, income and disability.</i>				
1. Individuals and family caregivers receive information, relevant materials, and appropriate referrals and services from the ADRC	Nine of ten recipients of ADRC services will indicate a positive overall perception of assistance received	97%	90%	90%
2. Provide older adults and family caregivers the opportunity to increase safety and self-sufficiency in the home and in the community	Nine of ten program participants will demonstrate an increased sense of safety and self-sufficiency as evidenced by the Overall Status Indicator in the Core Assessment and/or the Quality of Life Indicators in the Support Plan	96%	90%	90%

Human Concerns Program – Volunteer Center

Program Description

The Volunteer Center mobilizes volunteers to meet community needs, builds capacity of organizations to effectively engage volunteers, and inspires support for community service. Additionally, the Volunteer Center is a resource for volunteer leaders and managers to increase their knowledge of volunteer management best practices. We are a partner with the HandsOn Network, an enterprise of Points of Light Foundation, the largest network of 250 volunteer centers that extends to 16 countries around the world.

Population Served

This program serves residents, visitors, non-profit agencies, community organizations, corporations, schools, and government agencies.

Services Provided

The Volunteer Center coordinates programs that increase public awareness of the importance of volunteering; plans and implements publications, events, and projects to assist agencies with their volunteer programs; administers and acts as a virtual Volunteer Center for hundreds of agencies and individuals; provides capacity-building trainings throughout the year for community agencies; and maintains and promotes an online directory of volunteer opportunities. The Volunteer Center encourages community recognition of volunteers with an Annual Recognition Celebration. Additionally, we assist individuals to find quality volunteer opportunities.

Grant Award Description**Aging & Disability Resource Center ("ADRC") Expansion**

The State Department of Health provides funding to establish a highly visible, trustworthy and fully functioning ADRC that is easily accessible to the public, and responsive to their needs for information and linkages to long term-care options.

A&B Kokua Giving Contribution

Alexander and Baldwin provides support to Kaunoa Senior Services' Congregate Nutrition Program to assist with operating expenses.

Assisted Transportation Program

The Assisted Transportation Program provides one-on-one assistance to older Americans (ages 60 and older) whose physical, mental, or other disability or language barrier restricts their use of buses or taxis, or who lack access to alternative transportation, including personal or family resources. Due to their limitations, they require help negotiating stairways and ramps, as well as needing close supervision, advocacy and individualized attention.

Care Transition Program

The Care Transition Program ensures that individuals with long-term support needs are offered services and support to return home safely from a hospitalization and avoid preventable re-hospitalizations. The primary target group includes individuals that are at least 60 years of age, including Medicaid enrollees and persons not enrolled in Medicaid.

Congregate Meals Program

The Congregate Meals Program provides older Americans (ages 60 and older) with nutritionally balanced meals in culturally appropriate settings that encourage rewarding, enriching experiences, and socialization. Health and wellness education and related activities are regularly promoted at the sites. There are 19 congregate meal sites located throughout the County of Maui.

Healthy Aging Partnership – Empowering Elders

The funds for this program are provided by the State Department of Health to implement the State's project entitled "Empowering Older People to Take More Control of their Health, Evidenced-Based Prevention" through embedding and replicating the Stanford Chronic Disease Self-Management Program and Enhance@Fitness through the Area Agency on Aging as well as community service providers.

Human Concerns Program**Grant Award Description (Cont'd)****Home-Delivered Meals Program**

The Meals on Wheels Program provides hot, nutritious meals to frail and homebound elderly, ages 60 and older. These meals assist older Americans in retaining their dignity by remaining independent in their own homes. It helps delay institutionalization of those unable to shop or to prepare their own meals due to debilitating health. Meals on Wheels will provide a daily check on the well-being of its clientele and is an important source of social contact that reduces the isolation that may come with living alone.

Kupuna Care Program

Kupuna Care is a state-sponsored program that meets the needs of frail older adults who cannot live at home without adequate help from family and/or formal services.

Kupuna Caregivers Program

Kupuna Caregivers Program is a state-sponsored program that meets the needs of working caregivers and enables them to remain in the workforce by providing necessary home and community-based services to their loved ones.

Matson Foundation Contribution

Matson provides support to Kaunoa Senior Services Congregate Meals (Nutrition) Program to assist with operating expenses.

Medicaid Administrative Federal Financial Participation

This grant allows the Area Agency on Aging to receive federal financial participation from the federal government for costs associated with the efficient and effective administration of the Medicaid program. It is expected to reimburse up to 28% of the operating costs for administering Medicaid administration activities, which includes outreach and enrollment, case management, provider monitoring, planning and development, network development, auditing, and quality improvement activities.

Nutrition Services Incentive Program ("NSIP")

The NSIP provides subsidy reimbursement for each meal served to eligible participants. These funds are used by the area agency and its subcontractor to purchase U.S. agriculture commodities and other foods for their nutrition projects.

Private Donations

Throughout the year, the Department often receives private contributions from businesses, organizations, and foundations. Donations may be in the form of cash, services, supplies, or equipment.

Retired Senior Volunteer Program

The Retired Senior Volunteer Program (RSVP) provides senior citizens ages 55 and older with high-quality volunteer experiences, with a priority placed on volunteer projects and placements that address community problems and needs in Maui County.

State Health Insurance Assistance Program (SHIP)

SHIP is a program that offers one-to-one counseling and assistance to people with Medicare and their families via telephone calls, face-to-face meetings, and public education presentations and programs.

Human Concerns Program**Grant Award Description (Cont'd)****Title III Programs**

The grant revenues for Title III Programs of the Federal Older Americans Act ("OAA") provides administrative and program funds to be expended for the well-being of older Americans (ages 60 and older) through the Maui County Office on Aging. In recent years, the OAA has required that services be targeted to frail older adults who are homebound, have low income and are minority persons. The Year 2000 amendments to the OAA established a new program, the National Family Caregiver Support Program, designed to assist the increasing number of family members caring for older loved ones who are ill or have disabilities.

Veteran-Directed Care (formerly the Veteran-Directed Home Community-Based System)

The Veterans Administration will provide funding to assist veterans of all ages to access the participant-directed options of the Hawaii Community Living Program.

Volunteer Center Program

The Volunteer Center Program supports and promotes the engagement of all residents and visitors in volunteerism to enhance the community. The Center initiates and/or supports a variety of community-based volunteer activities, including National Make A Difference Day, Volunteer Leadership Trainings and Volunteer Recognition events. Grant revenues are generally in the form of donations from businesses and organizations to support specific projects such as a National Day of Service or Volunteer Recruitment Fair.

Voluntary Contributions

Throughout the year, the Department often receives voluntary contributions from the general public for the special services provided by the Department. Voluntary contributions may be for a specific purpose or for a specific element of the Department. The voluntary contributions may be in the form of cash. Voluntary contributions are required by Federal Title III regulations to be re-programmed into the service for which they were collected.

Animal Management Program

Program Description

The Animal Management Program on Maui is managed by the Maui Humane Society which operates an open admission (accepts all unwanted and stray domestic animals) animal shelter and adoption center. The agency also enforces laws and regulations governing animal control and animal management. This program provides assistance, education, and other programs and services that assist with the goals related to animal management. On Molokai and Lanai, mandated animal management services regarding enforcement and sheltering utilize an Animal Control Officer and are managed by the Maui Police Department.

Countywide Outcome(s)

The Animal Management Program supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- A Prepared, Safe, and Livable County

Population Served

This program serves the residents, visitors, and domesticated animals on the island of Maui.

Services Provided

Sheltering of stray and surrendered animals; adoptions; reclaims; dog licensing; investigation and enforcement of animal-related laws; pick up of deceased animals; responding to injured animals and animal-related emergencies; humane education; and other public assistance and community service programs, including low or no cost spay/neuter, disaster preparedness and first response, humane trap loan program, and end of life services for the community.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Find homes for all healthy and treatable pets by exploring new strategies and creating/expanding programs to increase adoptions, reclaims, and transfer options.</i>				
1. Achieve at least a 90% Live Release Rate (LRR) for dogs and a 75% LRR for cats	% of live released dogs and cats via increased adoptions, reclaims and/or transfers	97% Dogs 84.3% Cats	92% Dogs 85% Cats	92% Dogs 85% Cats
<i>Goal #2: Promote responsible pet ownership through community outreach and education and provide spay/neuter programs to assist pet owners with preventing unwanted litters.</i>				
1. Continue our expanded efforts to reach people with educational messaging via our multiple social media efforts along with electronic and printed newsletter	# of people reached	6,786	13,500	30,000
2. Educate our community's children through Animal Camp programs, Education in the Schools and other appropriate venues	# of children served	45	120	500

County Grant Subsidy Program Description**Maui Humane Society**

Administration of the Animal Management Program for the island of Maui, including managing and responding to animal-related issues, investigation and enforcement of animal-related laws and the operation of Maui's only open admission animal shelter.

Animal Enforcement Program

To administer and implement animal management enforcement program. Program will provide: (1) the enforcement of laws and regulations regarding animal sheltering, dispositions, and cruelty prevention; (2) emergency after-hours services for injured animals; and (3) public education on these topics.

Molokai Humane Society

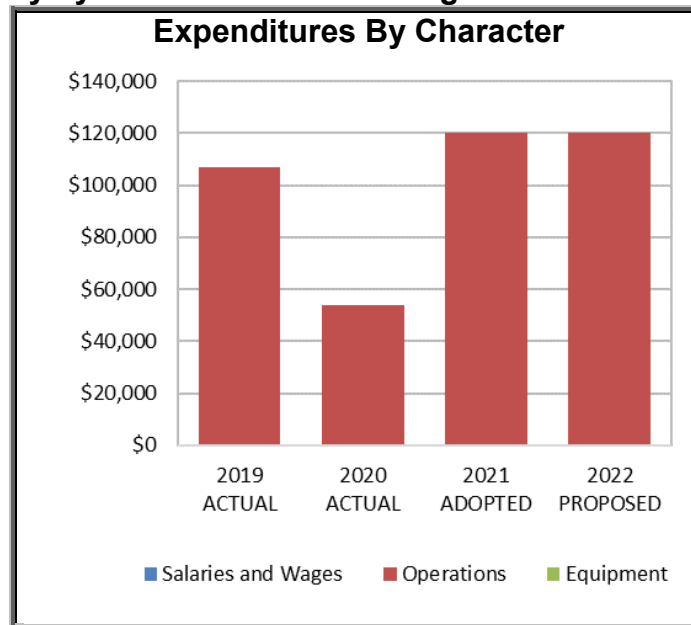

The Molokai Humane Society is committed to strengthening the bonds between the people of Molokai and animals through education, advocacy, and the humane sheltering and veterinary care of animals. Molokai's large stray and feral population, as well as domestic pets and farm animals, are one of the major challenges facing the organization's limited resources.

Spay Neuter Program

To promote the availability of and to provide low/no-cost spay/neuter services for Maui County animals, including dogs and cats. Surgeries will be performed in Maui Humane Society's veterinary clinic by a licensed veterinarian.

Equivalent Personnel Summary – Revolving Fund

The Animal Management Program does not have equivalent personnel funded through the Revolving Fund.

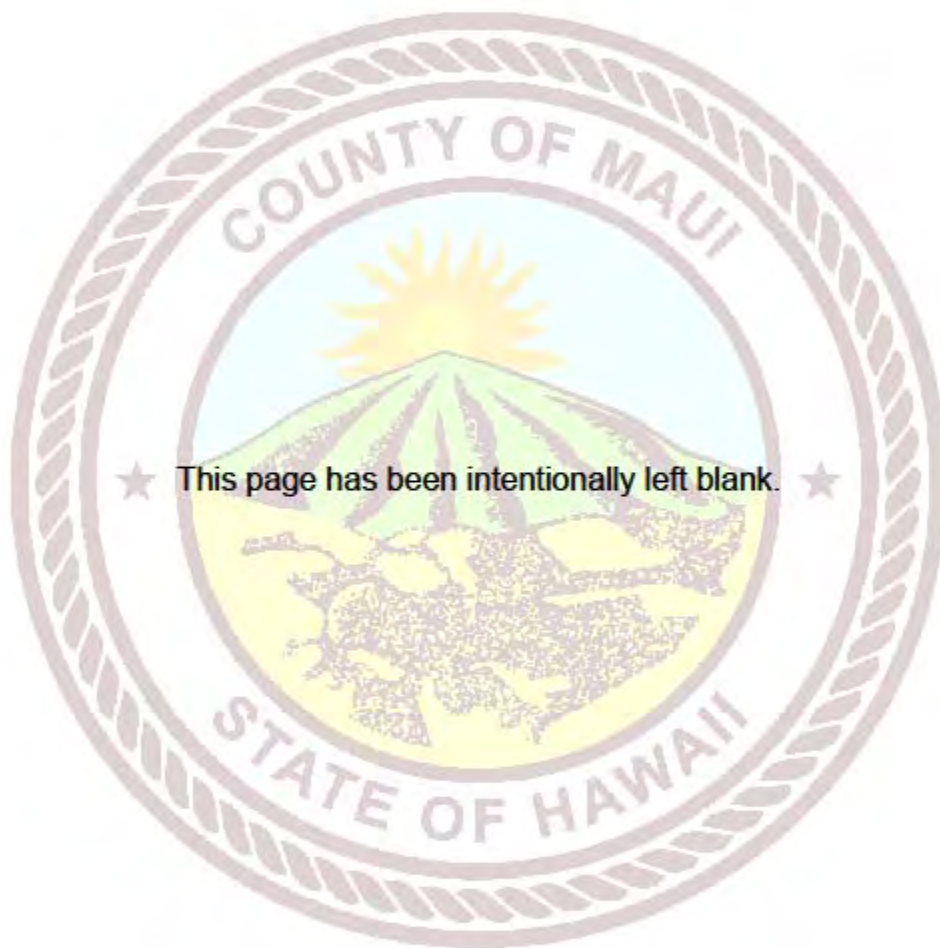

★ This page has been intentionally left blank. ★

Liquor Control

Mayor's Proposed Budget
FY 2022

★ This page has been intentionally left blank. ★

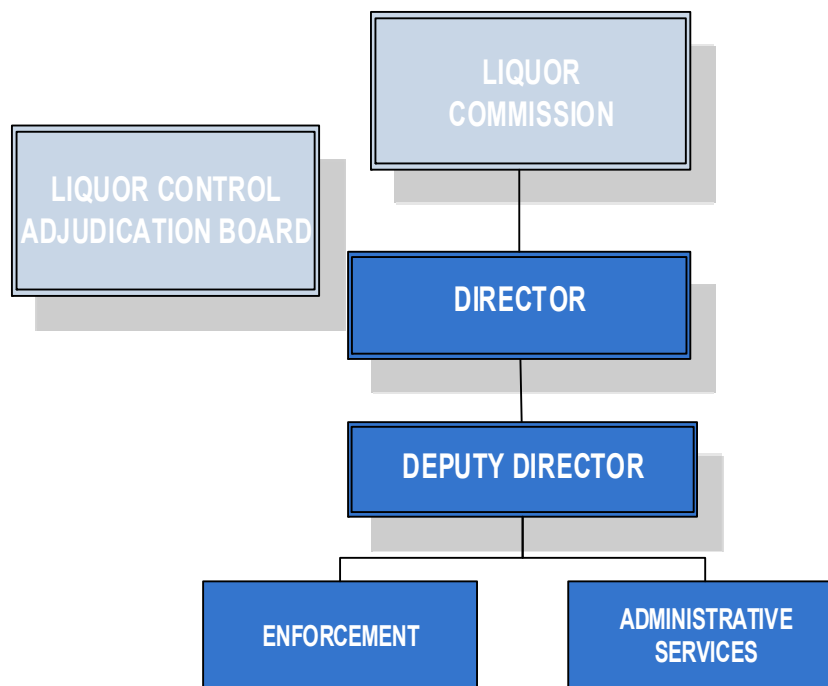

Department Summary**Mission**

The mission of the Department of Liquor Control is to protect the health, safety, and welfare of the general public by regulating and controlling the liquor industry in the importation, manufacture, sale, and service of alcoholic beverages, and to provide a safe and healthy environment for the people of Maui County.

Countywide Outcome(s)

The Department of Liquor Control supports the following countywide outcome(s):

- A Prepared, Safe, and Livable County

Organization Chart**Strategies**

The Department of Liquor Control is responsible for the regulation and control of the importation, manufacture, sale, and service of alcoholic beverages by providing services in liquor license and permit applications, licensees' education, and enforcement of liquor laws and rules.

Operations

Maui County's Liquor Commission ("Commission"), consists of nine members appointed by the Mayor and confirmed by the County Council. The Commission has the authority to grant, refuse, suspend, and revoke any license for the manufacture, importation, and sale of liquors in the County of Maui. The Commission also has the responsibility of requesting annual appropriations for the operation of the Department, promulgating rules and regulations for the administration of liquor control, and appointing a Director.

Department Summary**Operations (Cont'd)**

The Liquor Control Adjudication Board ("Board") functions as a quasi-judicial body whose primary responsibility is to hear administrative complaints of the Director regarding violations of liquor laws and rules, and to impose penalties for violations thereof, as may be provided by law.

The Director is the administrative head of the department and is responsible for administering the day-to-day operations of the Department and provides the necessary administrative support services to the Commission and Board. The Director appoints the Deputy Director, who serves as the administrative head of the Department in the absence of the Director, ensuring the continuity of the Department's mission, goals, and objectives.

External Factors Description

The system of licensing procedures and controls over those licensed to conduct business in the liquor industry must always be in place to assure the public receives the highest standards of integrity and responsibility set forth in the Hawaii Revised Statutes and Rules of the Liquor Commission, County of Maui, to ensure the health, safety, and welfare of the community we serve.

The impacts of COVID-19 were felt almost immediately within the liquor industry. As an agency that is responsible for the regulation and enforcement of liquor laws and rules, the department immediately implemented procedures and protocols to comply with the Governor's Emergency Proclamation and the Mayor's Public Health Emergency Rules.

Consequently, contact with the public was reduced and a work environment that allowed for social distancing was established. In-person meetings with applicants, licensees, and the general public were replaced by teleconference and email. Commission and Board meetings continued to be held via teleconference. The Department also experienced cancellation of all educational workshops and conferences.

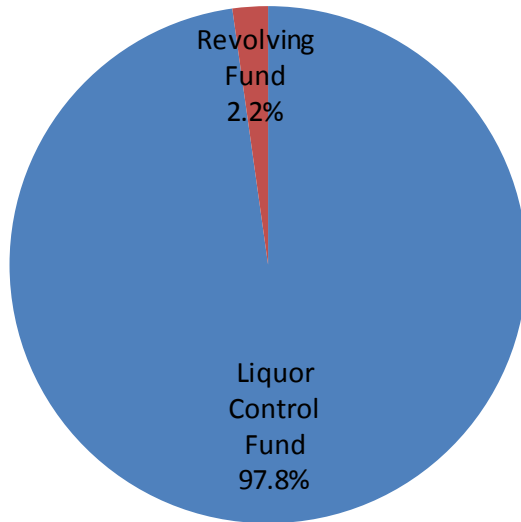

Certification exam and educational sessions for the licensees were halted throughout the county. The Department is looking into implementing future exams and educational sessions electronically due to social distancing and the increase of COVID cases.

Liquor Control Officers of the Enforcement Division were authorized to enforce emergency rules at licensed establishment pursuant to Chapter 281, Hawaii Revised Statutes ("HRS"). The Liquor Control Officers worked alongside the Maui Police Department and the State Department of Health to assist in the prevention and mitigation of the spread of COVID-19 throughout Maui County. The Department remains flexible as COVID-19 continues to evolve and affect the businesses.

Liquor Control Program

Program Description

The Department of Liquor Control consists of one program. The Liquor Control Program is mandated by Chapter 281, Hawaii Revised Statutes ("HRS"). The program's core functions are regulating and controlling the liquor industry in the importation, manufacture, sale, and service of alcoholic beverages to provide a safe and healthy environment for the people of Maui County. All funding for the operation of the Department is derived solely from liquor license fees. This program also administers the Liquor Education Revolving Fund, pursuant to Chapters 281-16, 281-17(2), and 281-17(3), HRS. Revenue deposited to the Fund are derived from the assessment of fines imposed on the liquor licensees.

Countywide Outcome(s)

The Liquor Control Program supports the following countywide outcome(s):

- A Prepared, Safe, and Livable County

Population Served

This program serves the liquor licensees, associations representing licensees, neighborhood boards, other governmental agencies, and the public. It addresses and resolves various concerns while ensuring the health, safety, and welfare of the public.

Services Provided

The Liquor Control Program provides services in liquor license and permit applications, licensees' education, and the enforcement of liquor laws and rules.

Equivalent Personnel Summary – Revolving Fund

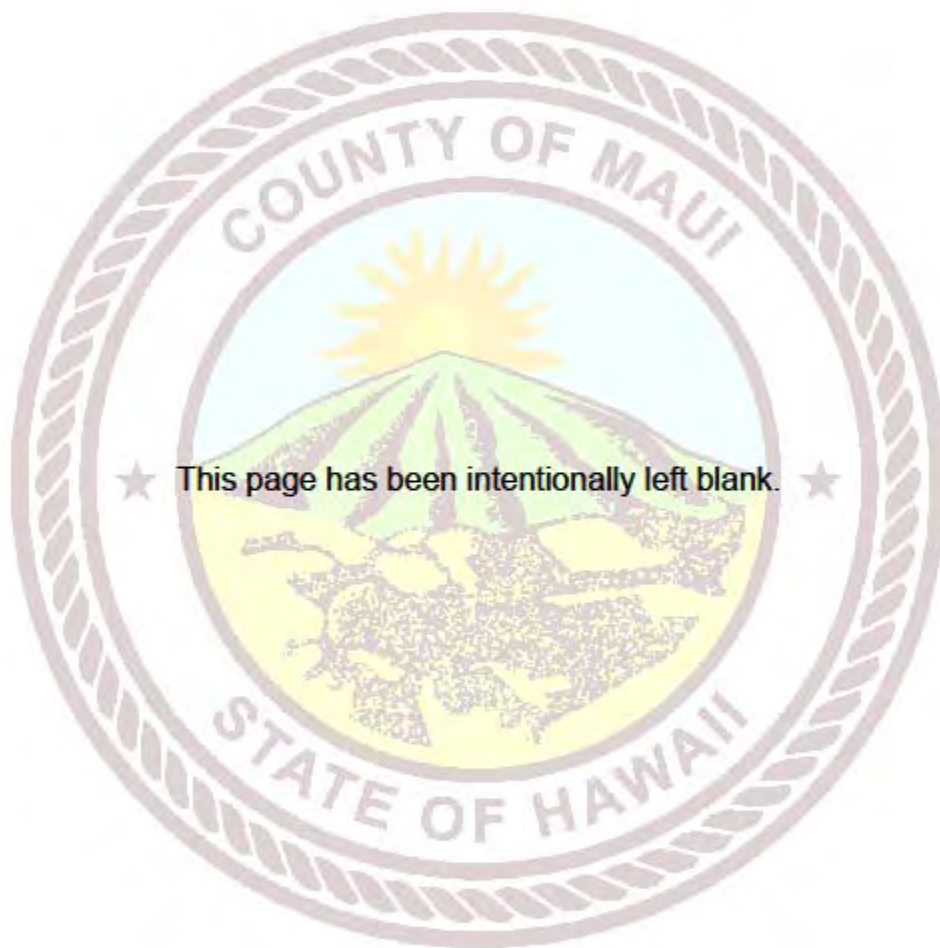

The Liquor Control Program does not have equivalent personnel funding through the Revolving Fund.

Management

Mayor's Proposed Budget
FY 2022

★ This page has been intentionally left blank. ★

Department Summary**Mission**

Section 8-1.3 of the Revised Charter of the County of Maui (1983), as amended, provides specific mandates for the Department of Management. It states that, “the managing director shall:

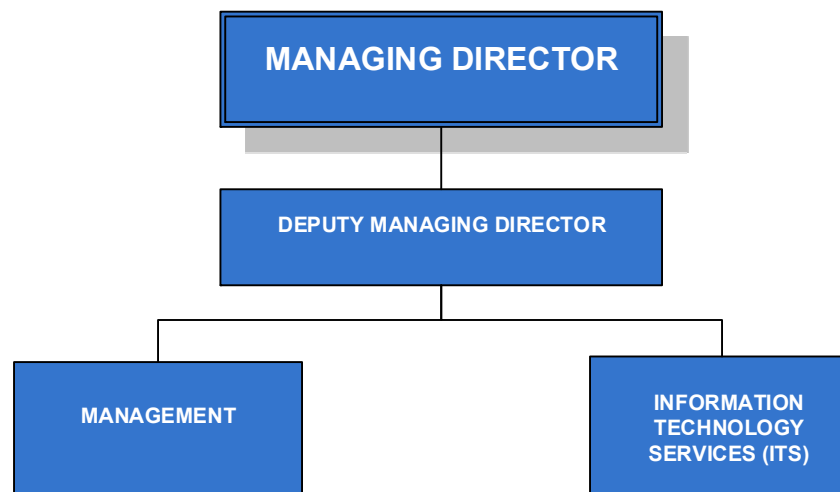

1. Act as the principal management aid to the Mayor.
2. Supervise the administrative functions of those agencies, departments, boards and commissions assigned by the Mayor.
3. Evaluate the management and performance of each agency.
4. Prescribe standards of administrative practice to be followed by all agencies under his or her supervision.
5. Supervise and coordinate those functions described in Subsections 7-5.6, 7-5.7, and 7-5.8.
6. Perform all other duties and functions required by this charter or assigned by the Mayor.”

Guided by these mandates, the Department’s mission is to: develop an effective and responsive County government that aims to create a strong and diversified economy; continue to focus on providing suitable public infrastructure and core services for our residents and visitors; ensure that our communities are prepared, safe, and livable; and, protect our future by creating a healthy and sustainable Maui County.

Countywide Outcome(s)

The Department of Management supports the following countywide outcome(s):

- Affordable/Attainable Housing
- Economic Diversity
- Climate Change Response & Mitigation
- Infrastructure Improvement
- Disaster Management & Mitigation

Organization Chart

Department Summary

Strategies

The Department of Management uses a variety of accepted management practices to assure that all operating departments are fulfilling their Charter-mandated responsibilities safely and responsibly, and providing core services to the public in the most efficient and cost-effective way possible. These strategies include:

- Establishing and maintaining effective working relationships and communication with department heads, deputies, employees, boards, commissions, and other agencies.
- Identifying, developing or upgrading, and implementing necessary organizational policies and procedures.
- Monitoring and evaluating the overall effectiveness and efficiency of the departments.
- Utilizing a performance-based form of management to promote efficiency, accountability, transparency, and productivity in county government.

Operations

In keeping with the Charter mandates, the Department of Management's primary operational objective is to manage and provide management support and oversight for all county departments and agencies through actions that are measured and tracked. Management's secondary operational objective focuses on implementing the Mayor's vision and priorities through the departments while also assuring compliance with budgetary requirements.

The Department, in striving to provide direct services to the County, also oversees and manages the following programs and activities:

- Americans with Disabilities Act (ADA) Compliance
- Capital Improvement Projects (CIP) Countywide Coordination
- CIP Project Management
- Community and Constituent Satisfaction
- Equal Employment Opportunity/Affirmative Action (EEO/AA) Compliance
- Fleet Management System
- Information Technology (IT) Services (ITSD) Division
- Geospatial Data Services through Enterprise GIS Section
- Legislative Tracking
- Performance Management Program Administration
- Departmental Organization and Management Reviews
- Vehicle Use Policy Administration
- Violence in the Workplace Action Plan Administration

Providing a comprehensive and detailed description of the Department of Management's operations and program would be time-consuming and constrained by page-limits. However, a summary of key actions, projects, and initiatives undertaken during the fiscal year include:

Accountability, Effectiveness, and Efficiency

- **Management.** Management works closely with Department Directors, Deputies and their staff, in managing the day-to-day operations of County Departments. This includes facilitating inter-departmental operations and communication to foster cooperation between departments in working together towards common goals, and managing in a way that promotes responsiveness, effectiveness, and efficiency through accountability and collaboration initiatives.

Department Summary

Accountability, Effectiveness and Efficiency (Cont'd)

- **Performance-based management.** Management's efforts on performance measures and performance-based management resulted in the County of Maui being one of only 19 jurisdictions awarded the prestigious Certificate of Achievement by the International City/County Management Association (ICMA). As part of its ongoing assessment of process and procedures, management:
 - Continued working with Departments on updating and implementing performance measures.
 - Evaluated countywide strategic planning initiatives, working with the Mayor's vision and mission for the executive branch.
 - Set strategic priorities for Departmental implementation.
 - Assisting Departments in aligning vision, mission and priorities to the Department's goals and objectives.
- **Annual Organizational/Functional Reviews.** Review of organizational and functional charts of all 16 Departments in the Executive Branch (as enumerated in Article 8 of the County Charter) are performed annually by Management and approved by the Managing Director. These charts:
 - Provide a diagram and description of the structure of operations at position-level detail relating to the functional distribution of responsibilities, reporting hierarchy and relationships among positions within each County Department;
 - Serve as a critical administrative tool to both management and employees by helping the departments meet their operational missions and objectives as defined by the Charter, and ensuring that resources are efficiently and effectively deployed pursuant to the Council-approved budget details; and,
 - Communicate structural and functional relationships to enable the visualization of a complete organization, while preserving historical record for future review and analysis.

During FY 2020, unprecedented challenges were encountered by the County Departments with the Coronavirus 2019 Disease (COVID-19). Despite these challenges, the Departments were diligent in meeting its organizational requirements. The Department of Management was largely able to complete the FY 2020 Department organizational reviews of all departments and reorganization evaluations, and furthermore, resolved the backlog of FY 2019 organizational reviews. For the period of FY 2020, the evaluation of 25 departments' annual organizational and functional charts were completed. This included the review and approval of FY 2020 (fifteen departments), FY 2019 (nine departments) and FY 2018 charts (one department). In FY 2020, all prior years' charts for the Departments were evaluated which fulfilled the annual requirement.

- **Reorganization Proposals - Evaluation and Approval.** Management is responsible for closely examining all proposed changes to the approved organizational structure, including position placement and reporting hierarchy, and any changes must be approved by the Managing Director. Written guidelines were established by Management to ensure that organizational charts and re-organizational proposals are complete, consistently prepared, and address critical factors for decision-making. Management's review includes:
 - Conceptually evaluating all requested reorganizational proposals for their alignment and fulfillment of the countywide priorities and the department's mission and objectives.

Department Summary**Accountability, Effectiveness and Efficiency (Cont'd)****➤ Reorganization Proposals (Cont'd)**

- Consideration of the relevancy and reasonableness of its justification; whether it would improve operational economy, effectiveness and efficiency in the performance of the Department's objectives; and, whether it reflects sound management practices warranting changes to the approved organizational structure.

➤ Vehicle Use Evaluation and Management. The Department of Management is responsible for monitoring and enforcing the County's Motor Vehicle Policy. Implemented county-wide in 2012, this policy sets guidelines and procedures for the allowable uses of County vehicles, eligible operators and types of assignments of County and non-County vehicles to conduct official County business. It also addresses the acquisition, replacement and disposal, and record-keeping of County vehicles.**➤ Fleet Management System.** In 2013, the Department of Management contracted with Networkfleet Inc. to more effectively and efficiently manage its vehicle fleet. The fleet management system ("FMS") has enhanced the County's operations by providing technology to better manage and protect County assets. The FMS maximizes the utilization of vehicles, reduces fuel consumption, limits the need to purchase new vehicles, enhances management oversight, monitors "wear-and-tear" on vehicles, and notifies appropriate personnel when items need to be replaced along with manufacturer recalls. In the event a problem occurs, a Roadside Service Assistance Plan is provided to include jump starts, tire changing, locksmith services, fuel delivery, and towing.

In FY 2020, 590 vehicles had GPS units installed and departments established 283 "geofences" to help monitor vehicle activity. Management is evaluating the program's use, effectiveness, and benefits and is proposing to continue using the Fleet Management System for FY 2021.

Cost Savings

- The team of the Office of the Mayor, Management Department, and Budget Office, have established many cost savings measures to identify ways to reduce government spending and increase efficiency, especially with the anticipation of reduced revenue due to COVID-19. A few of the key areas identified for continued evaluation and follow-through include:
 - **Travel.** Management continues to work closely with the Budget Office and Department of Finance's Purchasing Division since including travel as a focus point for cost reduction. As part of our efforts, we have: (a) overhauled the existing travel policy and made significant revisions to it; (b) revised and updated the travel request form; and, (c) implemented a travel review by the team to scrutinize all out-of-state travel requests.
 - **Overtime.** Management worked closely with the Mayor to develop and issue an organization-wide "overtime directive" which requires that: (a) overtime be pre-approved; (b) departments maintain records of all overtime; and, (c) established Workday executive reports that are easily accessible for directors and management to review overtime and other personnel related financial information.

Technology

- Consistently searching for ways to reduce cost while improving the delivery of services to our internal and external customers through technology. Ongoing projects include:

Department Summary**Technology (Cont'd)**

- Maui's Automated Permitting and Planning System (MAPPS) - cross-departmental, enterprise-wide replacement project for the existing KIVA land use and permitting system. Includes enhancements to permit processing, review procedures, GIS and other segments of the organization.
- HR/Payroll System Replacement – an enterprise-wide replacement for the existing antiquated, non-intuitive, and inflexible system with an easy-to-use, intuitive, and flexible system that will meet the needs of the County well into the future.
- Computer Aided Dispatch/Records Management System (CAD/RMS) - replacement of an existing system that no longer meets the needs of the organization. This project involves all segments of public safety and aims to improve user's ability to perform day-to-day first responder-related tasks.

County Capital Improvement Project ("CIP") Coordination

- **CIP Coordination.** Management houses a CIP team to support Countywide CIP coordination and project management of construction projects, including the Wailuku Civic Complex and the new Service Center in Kahului. The Countywide CIP Coordinator is responsible for the review and coordination of capital improvement projects across all departments. Meeting regularly with project managers throughout the County, they review ongoing and proposed CIP as a way to increase awareness, reduce conflict, and improve accountability among departments. They also provide review and support to the Budget Office for projects proposed for funding.
- **Service Center.** The construction of the County's new Service Center has been completed and the first floor opened to the public in January 2021. Work on the interior offices on the second floor continues and is expected to be completed and departments moved in by April 2021. This project will provide 56,000 square feet of space for current and future County operations. The service center will house six departmental operations.

Coronavirus Disease 2019 (COVID-19)

- **Health and Safety.** The COVID-19 pandemic has had major impacts on Maui County, including to the health and safety of the community, and economy. Management has played a key role in responding to the pandemic, including the support and implementation of various health and safety measures/projects, and planning for future recovery efforts.

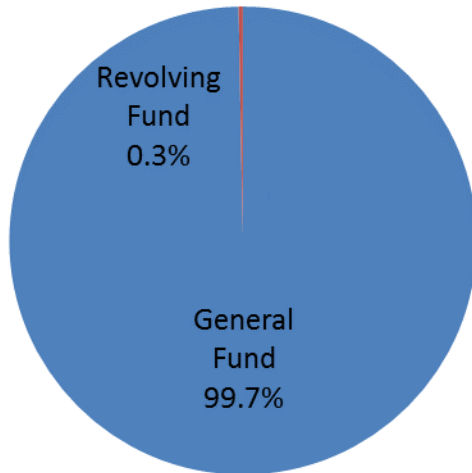

External Factors Description

There are a number of external factors that impact our operations. However, the primary external factor that has affected, and continues to affect the Department of Management, is the COVID-19 pandemic. The County has been working with the State, as well as the nonprofit and business communities to reduce the impact on our residents from the pandemic. The Department of Management has taken a significant role in this effort and that has made it a challenge to provide the degree of management, oversight, and support to County departments and agencies necessary to address efficiency, effectiveness, and cost-saving opportunities that may exist throughout the organization. Additionally, while our efforts to maintain a healthy community and restoring the economy are many, the continuing effects of the COVID-19 pandemic for the upcoming fiscal year are unknown. There may be constraints on our ability to maintain operations at existing levels. We regularly evaluate the demand for services with the ability to meet those demands with limited resources.

Management Program

Program Description

The Management Program provides executive-level management and oversight to the operating departments, agencies, boards and commissions of the County of Maui, as assigned by the Mayor. The Managing Director provides direct supervision and sets the course for each County operating unit through the appropriate Department Director and Deputy. Using both internal and external resources, the Managing Director ensures that all non-legislative county entities comply with the Maui County Charter, Maui County Code, Hawaii Revised Statutes, and U.S Federal statutes.

The Management Program also oversees redevelopment activities that correct and prevent slum, blight, and disinvestment conditions that can create economic or social liabilities. Work in this area includes strategic land planning, development, property acquisition, and program coordination.

Countywide Outcome(s)

The Management Program supports the following countywide outcome(s):

- Affordable/Attainable Housing
- Economic Diversity
- Climate Change & Mitigation
- Infrastructure Improvement
- Disaster Management & Mitigation

Population Served

This program manages all non-legislative aspects of County operating departments, agencies, boards and commissions, as assigned by the Mayor. This program also provides direct support to County operations through its Informational Technology Services Program (ITS), Capital Improvement Project Coordination, and energy and countywide security services, regardless of governing authority.

The current focus of the redevelopment activities in this program is centered on Wailuku Town, which is the seat of government and effectively services the entire population of Maui County.

Services Provided

The Department of Management provides organizational and operational oversight and coordination, strategic management and direction, budgetary oversight and coordination, Capital Improvement Program coordination, EEO/AA and safety compliance, ADA Compliance, countywide security, economic and community development, and administration of countywide policies & procedures through the Managing Director and staff.

The Management Program also provides long range and strategic planning for the redevelopment areas including development packaging, infrastructure coordination, propose policy and legislative amendments, and encourage private sector investment. The program will staff the Maui Redevelopment Agency, review development projects, and facilitate permitting. The program will coordinate the development of the Wailuku Civic Hub project and all communications and mitigating programs associated with its construction.

Management Program

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Evaluate the management and performance of each agency.</i>				
1. Conduct evaluations on the management and performance of each agency on an annual basis	% of Departments evaluated during the fiscal year	100%	100%	100%
	% of Directors that feel that performance management can help them achieve their goals, missions and objectives	100%	100%	100%
2. Determine if the Departments are being effectively managed	Combined average grade of 90% or greater for all agencies	100%	100%	90%
	% of Directors and Deputies evaluated for performance annually	N/A	100%	100%
<i>Goal #2: Provide strategic management and improve operational effectiveness for each department, agency, boards, and commissions, as assigned by the Mayor.</i>				
1. Improve executive management capacity by providing advanced management training to all Directors and Deputies each fiscal year	% of Directors and Deputies provided with at least one advanced executive-level training course within the fiscal year	100%	100%	100%
	% of management attending at least one webinar or web-based training per year	100%	90%	90%
2. Project executive management to all levels of county operations by doing random on-site visits at county operating facilities and operations locations	% of county facilities and job sites assessed	90%	75%	75%
3. Ensure clear and effective communication between executive level and all operational units	% of bi-weekly reports received and reviewed	100%	90%	90%

Information Technology Services Division**Program Description**

The mission of the Information Technology Services Division (“ITSD”) is to serve the goals and objectives of the County of Maui through a focus on Information Technology (“IT”) Service excellence.

The Program’s Vision:

“The Information Technology Services Division provides outstanding IT services in support of the County of Maui’s goals and objectives. ITSD works closely with its business partners to deliver services that enable the County of Maui to improve services and enhance its customer perception through consistent and timely identification, selection, implementation and sustainment of appropriate technologies.

ITSD achieves this goal guided by the principles of collaboration and transparency, stability and innovation and efficient use of resources.”

Countywide Outcome(s)

The Information Technology Services Program supports the following countywide outcome(s):

- Infrastructure Improvement
- Disaster Management & Mitigation
- Focus on Outstanding Customer Service

Population Served

The ITS Program provides a catalog of 32 business-focused services to 2,400 customers in the County of Maui and many more in the general public.

Services Provided

The ITS Services Catalog is organized in three primary categories: Corporate Application Support Services, ITS Technical Services, and ITS Professional Support Services. Details about the ITS Services Catalog can be found on the County of Maui Intranet. These Information Technology (IT) Services are delivered by ITS staff organized in 8 major sections: Customer Services and Support; Application and Information Management Services; Technology Operation Services; Public Safety Support Services; Information Security Services; Enterprise Geographic Services; Project and Portfolio Management Services; and Service Assurance Support. In FY 2019, over 12,500 requests tickets were opened – 54% for new services or equipment, 43% for fixes, and 3% for system changes. In addition, the Division has a workload of over 30 active and requested projects.

Key Activity Goals & Measures

The 2019 refresh of the 2019-2023 Strategic Plan provides guidance for the Division’s efforts to position itself to meet the County of Maui’s needs and expectations. The Plan’s Strategic Roadmap has the Division, in the near term (one to two years), focus on improving engagement with its Business (Departmental) Partners, improving IT Governance, and achieving a balance of Supply and Demand. These efforts go hand-in-hand.

Furthermore, the Division’s Service Management and Accountability, together with the maturity of its Organizational Capabilities, will be increased. Ongoing efforts to Modernize Applications will continue in FY 2021, as will the Division’s efforts to expand Financial Management and Valuation Capabilities.

Information Technology Services Division

Key Activity Goals & Measures (Cont'd)

Leveraging the move to the cloud for a number of the County's information systems, the Division will expand system support agreements to the level of managed services. The Division will seek to shift gradually from technical system management to service vendor management, which will allow staff to become more engaged with the County's Lines of Business and do so at an earlier stage of a Department's development of strategic IT needs.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE

Office of the Mayor

Mayor's Proposed Budget
FY 2022

Department Summary

Mission

To provide an effective and responsive government that creates a strong and diversified economy; provide the necessary infrastructure and care services for all residents and visitors to Maui; and ensure a safe and livable community for a healthy and sustainable Maui County.

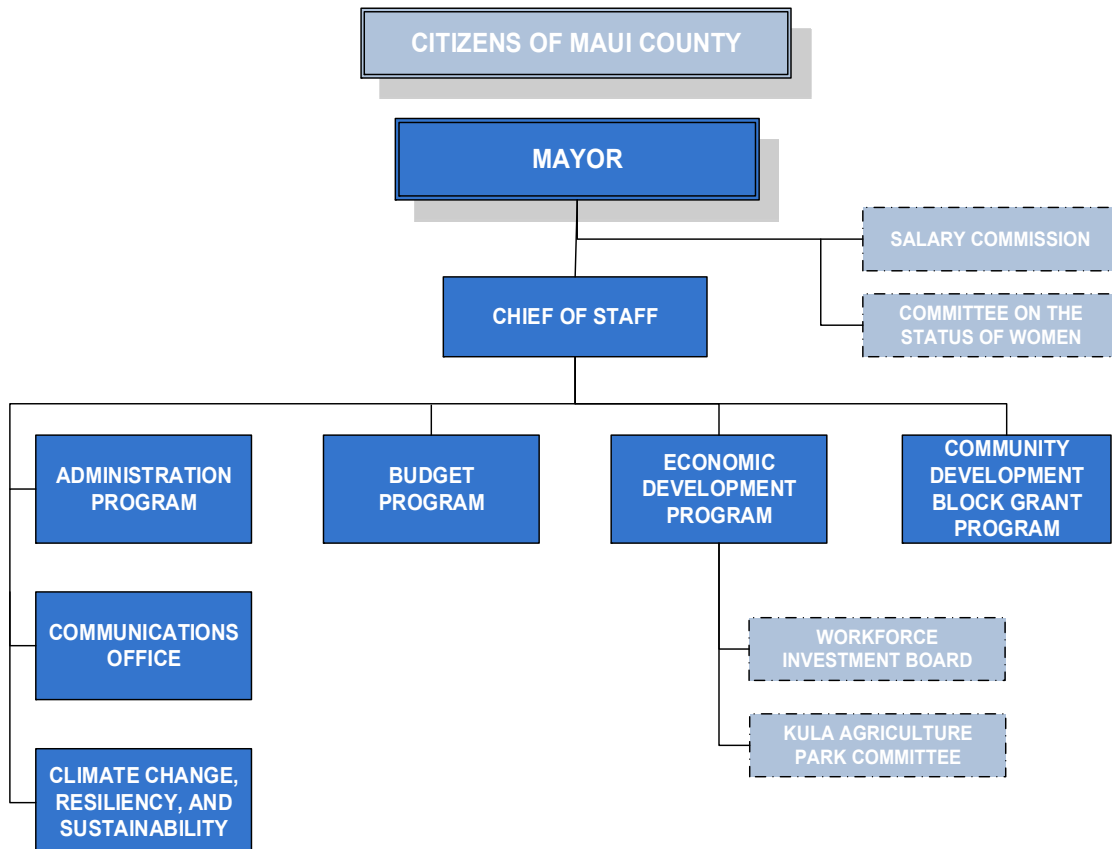

The Office of the Mayor is comprised of four programs: Administration; Office of Economic Development (“OED”); the Community Development Block Grant (“CDBG”) Office; and the Budget Office.

Countywide Outcome(s)

The Office of the Mayor supports the following countywide outcome(s):

- An Efficient, Effective, Customer Service-Oriented Government
- An Affordable, Healthy, and Thriving Community
- A Community that Balances Strong Environmental Stewardship with the Development of Attainable Housing and Sustainable Economic Development
- Well-Planned, Community-Focused Public Infrastructure - including roads, water, and wastewater systems
- Strong and Diversified Economy
- Environmentally Responsible and Sustainable Community
- Collaboration with County Council, State, Federal, Private Sector, and Non-Profit Partners
- Prepared, Safe, and Livable County

Organization Chart

Department Summary**Strategies**

- The Office of the Mayor adheres to an “open door” policy, ensuring constituents can engage with County government. Staff members are available to receive and resolve inquiries from the public.
- The Office of the Mayor maintains accessibility and transparency through various modes of communication and engagement with constituents. This includes walk-in visits, phone calls, emails, Facebook, Instagram, Twitter and written correspondence.
- Through its communications office, the Office coordinates information dissemination through social media, news agencies, newspapers, radio, and television.
- The Mayor’s Chief of Staff provides administrative oversight for the Office of the Mayor and regularly meets with program directors and staff to provide support and direction.
- The Office coordinates the Mayor’s (or his designee’s) participation at various community meetings and events.
- Promotes local environmental, energy, agricultural, social, and cultural resiliency through its Climate Change, Resiliency, and Sustainability office.

Operations

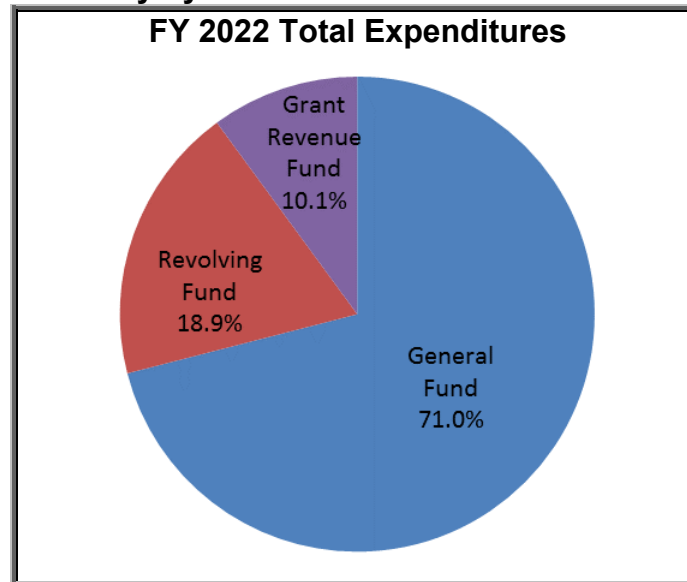

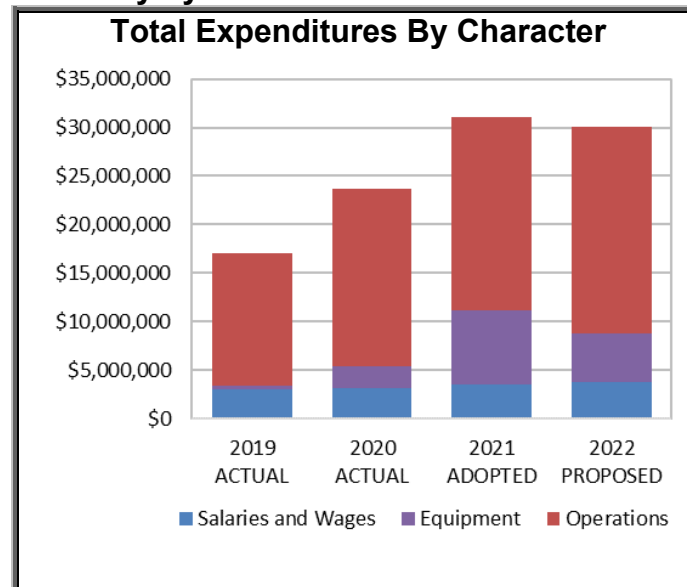

The Office of the Mayor’s primary objective is to gather information from the community and coordinate with the Mayor, the Managing Director, and departmental heads, to continuously improve County government and public services. The Mayor provides direction, through the Chief of Staff, to Community Liaisons, Energy and Environmental Specialists, and Communications personnel, who directly interact with the public and assigned departmental heads. The Support Team consists of the Office Manager, secretarial staff, and clerical staff, who ensure day-to-day operations are handled efficiently. The Chief of Staff also regularly meets with the Economic Development Director and CDBG Program Manager, to align goals and objectives.

External Factors

Many external factors impact the Office of the Mayor, including legislative action, operational mandates by the County Council, changes demanded by formal public action such as initiatives or recalls, current community challenges, and emergencies. Challenges related to the COVID-19 pandemic have resulted in operating changes to ensure community and employee safety, and modifying daily operations and long term goals in accordance with ensuing financial impacts. The need to work and communicate effectively with State and other County government officials was amplified as a result of the pandemic, to ensure consistent efforts toward statewide goals in regards to travel and other restrictions, testing, vaccinations, reopening the islands, and revitalizing the local economy. With the help of Federal CARES Act funds, the Office of the Mayor spearheaded financial assistance programs and events to help those in need in our community such as small business and agricultural grants, micro-business loans, mortgage and rental assistance programs, food drives, etc.

Administration Program**Program Description**

The Administration Program supports Mayor Victorino in fulfilling his vision for Maui County. The Community Liaisons receive communications from the public requesting assistance -- ranging from simple information to more complex issues. Liaisons conduct research on the matter and communicate with the Departments and Management. Each Liaison is assigned to a specific district and department, along with various subject matters and projects. The Community Liaisons play a critical role by assisting the Mayor, through the Chief of Staff, in a fast-paced and high-pressured environment. The Mayor's administrative staff reviews and processes all documents which require the Mayor's approval. Meetings and events are coordinated through the Mayor's executive staff.

Appointments to Boards and Commissions are handled through this program by recruiting nominees, vetting and selecting qualified individuals, and preparing Council resolutions for consideration of the Mayor's selections. The Administration Program is also responsible for disseminating information to the general public through the Communications Office.

Countywide Outcome(s)

The Administration Program supports the following countywide outcome(s):

- An Efficient, Effective and Customer Service-Oriented Government
- A Healthy Community that Balances Strong Environmental Stewardship with the Development of Attainable Housing and a Sustainable Economic Development
- Reliable, Community-Focused Public Infrastructure - including roads, water and wastewater systems
- A Healthy and Sustainable Community
- Collaboration with County Council, and State, Federal, Private Sector and Non-Profit Partners

Population Served

As the liaison between the public and County Government, the Administration Program serves all facets of our community, residents and visitors alike. Individuals may call the Mayor's office for appropriate assistance and responses. In addition, mass communications are conveyed to the community through social media, press releases, and coordination with local news outlets.

Services Provided

In addition to its direct service to the public, the Administration Program provides leadership and organizational guidance to departmental operations in conjunction with the Department of Management. It identifies the key objectives, vision, mission, and goals to guide the creation of the County budget, and day-to-day County operations.

The Administration Program plans and executes programs that are in line with its goals and objectives, such as economic events that benefit the community, multi-department initiatives, and communication systems to keep the public well-informed. The program provides representation for the County of Maui for State, Federal and International matters.

Administration Program

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Encourage public accessibility to County government.</i>				
1. Provide assistance to constituents with concerns or issues relating to County government	# of correspondences (phone calls, letters, emails, etc.) from the public	8,129	7,500	7,500
	# of constituent outreach events (Budget meetings, community meetings, forums, open houses etc.)	N/A	20	20
<i>Goal #2: Effectively disseminate accurate and relevant information to the public.</i>				
1. Develop a working relationship with news agencies and provide timely information for dissemination to the public.	# of press releases drafted and submitted to news agencies	803	500	600
	# of social media engagements (Facebook, Twitter, Instagram, COM Connect)	46,533 Facebook 42,586 Twitter 7,375 Instagram	28,000	30,000
	# of direct communications to the public (Newspaper columns, radio show, TV programs)	N/A	75	125
<i>Goal #3: Recruiting and vetting qualified individuals to become members of various boards and commissions.</i>				
1. Recruit and attract individuals to serve on boards & commissions	# of individuals who applied to become potential members of boards & commissions	193	80	100
2. Conduct a comprehensive review of applicants for qualifications and ability to fulfill their duties as board members & commissioners	# of appointees transmitted to the Maui County Council	78	35	45
	# of Mayoral appointees confirmed by the Council	77	35	45
	% of Mayoral appointees successfully confirmed by the Maui County Council	100%	100%	100%
<i>Goal #4: Maintain relationships with other governmental entities (local, State, Federal and International Governments).</i>				
1. Foster relationships with government entities.	# of communications with sister cities and other International governments	15	25	20

Administration Program – Climate Change, Resiliency, and Sustainability**Program Description**

The Climate Change, Resiliency, and Sustainability (“CCRS”) Section, under the Office of the Mayor, is responsible for managing and facilitating the development, implementation, and monitoring of local government policies, programs, and initiatives that promote local environmental, energy, agricultural, social, and cultural resiliency. This office serves as the central point for gathering information and working with internal and external stakeholders on issues related to climate change, resiliency, and sustainability issues throughout the County.

CCRS will work to address climate change and the climate challenge by making a concerted effort to reduce emission, mitigating environmental impacts of our economic and energy systems, and promote indigenous land based solutions. Rebuilding these systems to deliver sustainable prosperity and economic health will ensure the equitable transition to sustainable practices for the benefit of all in our society. CCRS serves as a nexus to promote the right practices towards economic security, affordable energy and transportation services, healthier communities, and opportunities for all.

The CCRS sub-program is a combination of the Environmental Protection, Renewable Energy, and Energy Efficiency sub-programs previously under the Office of Economic Development.

Countywide Outcome(s)

The Climate Change, Resiliency, and Sustainability Office the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- A Strong, Diversified Economy
- An Environmentally Responsible and Sustainable Community
- Well-planned Public Infrastructure
- A Prepared, Safe, and Livable County
- Supports the County of Maui Strategic Plan: Climate Change Response and Mitigation to Promote Environmental Protection, Transition to Renewable Energy, Food Sovereignty, and Cultural Resiliency

Population Served

Island communities are the most vulnerable to intensifying wildfires, floods, rising seas, diseases, coral bleaching, droughts, and extreme weather. Island and indigenous communities are among the first to face the direct consequences of climate change, owing to their dependence upon and close relationship with the environment and its resources. Maui County, being comprised of four islands, sees similar challenges. Climate change exacerbates the difficulties already faced by vulnerable and indigenous communities, including political and economic marginalization, loss of land and resources, human rights violations, discrimination, and unemployment. CCRS works to address these challenges Countywide.

Services Provided

CCRS develops and implements sustainability and resiliency programs and policies within the County, relating to reducing the environmental footprint of the County and the community. CCRS oversees environmental policy development and implementation, including the Maui County Resiliency Strategy and Climate Action Plan.

Administration Program – Climate Change, Resiliency, and Sustainability

Services Provided (Cont'd)

Services aim to increase coordination, accountability, and collaboration among economic health, environmental services, and social sustainability functions. Combining these three functions together, known as the “the Triple Bottom Line,” allows the County to make decisions in a holistic, long-term oriented way, rather than just focusing on the economic bottom line. The Triple Bottom Line will be used both in planning and daily-decision making. It allows the Office of the Mayor to prioritize areas of focus, based off of the potential impact of those three areas. These activities will effectively optimize the delivery of services to the community in an efficient, healthy, economically, and environmentally viable way.

Duties and Functions:

1. Seek local information from scientists; track climate change science and potential impacts on County properties, facilities, and operations.
2. Coordinate actions and policies of Departments within the County to:
 - a) Increase community preparedness and advance equity for disproportionately impacted communities;
 - b) Protect fiscal security and economic activity;
 - c) Protect the coastal areas and beaches;
 - d) Develop resilient infrastructure in response to the effects from climate change.
3. Develop or coordinate County policies and programs that will improve environmental performance of County operations and advance environmental priorities.
4. Integrate sustainable and environmental values into County plans, programs and policies.
5. Promote resiliency of communities and coastal areas.
6. Ensure long-term recovery planning to increase resiliency in the wake of natural and other disasters.
7. Coordinate with Federal, State and other local government agencies regarding climate change, sustainability and the environment.
8. Report to the Mayor and Council annually, at a minimum, regarding overall performance in meeting sustainability and environmental targets and objectives.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Work with all County Departments, State, and International agencies to address climate action, sustainability, and resiliency at multiple levels.</i>				
1. Disseminate climate action resources to each Department	Number of resources provided	N/A	40	40
2. Coordinate monthly inter-departmental meetings for collaboration and breaking down silos	Number of networking meetings	N/A	12	15
3. “Crosswalk” and compare plans and departmental efforts	Number of inter-departmental efforts	N/A	10	10
4. Participate in inter-governmental collaborations	Number of collaborative efforts and meetings	N/A	30	30

Note: The Office of Economic Development's ("OED") Environmental Protection, and Renewable Energy and Energy Efficiency sub-programs have been transferred to the Climate Change, Resiliency, and Sustainability ("CCRS") sub-program under the Office of the Mayor. The County Grant Subsidy Detail FY 2021 Adopted and FY 2022 Proposed amounts are shown under the Office of the Mayor Administration Program, historical data is shown under OED.

Administration Program**County Grant Subsidy Program Description****Akaku Boards & Commission Meetings**

Funds are used to support the community's access to government through the video recording, production, broadcast, and distribution of County board, commission, and other significant meetings. Funding increased to allow for more coverage of Boards and Commissions.

Renewable Energy Programs

Support for renewable energy and energy efficiency programs for Maui County.

Environmental Protection

Support various environmental initiatives to address invasive species, restoration, conservation, and education.

Coqui Frog Eradication Project

To stop the spread of coqui frogs on Maui and Molokai by detecting new infestations, prevent further spread, eradicate, and reduce infestation levels across Maui, and engage the community in detection and control methods.

Little Fire Ants

To maintain survey and detection operations for Little Fire Ants ("LFA"), working towards eradication of all populations, and prevent additional introductions through education and outreach activities.

Eradicate Miconia/Other Invasive Species

To conduct Countywide detection, rapid response, control, education, and outreach of the highest-priority invasive species on Maui, Molokai, and Lanai, in order to protect the islands' environment, agriculture, economy, and quality of life.

Maui Nui Marine Resource Council

To support ongoing coastal water quality monitoring to include data collection on changes in sediment, nutrients, and pollutant levels along South Maui's coast. Funds will also be used to protect the Kihei reef track, which shelters south Maui's coastal areas from storm waves, provides habitat for marine life, and food for our residents.

Maui Soil/Water Conservation District

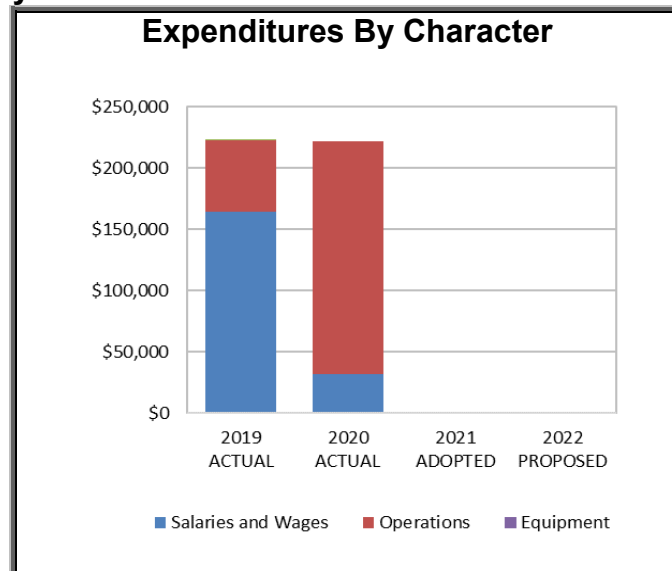

For clerical and technical support for the four Maui Soil and Water Conservation Districts (West Maui, Central Maui, Olinda-Kula and Hana), to carry out Soil and Water Conservation District programs.

Soil/Water Conservation Districts – Molokai and Lanai

For clerical and technical support for the Molokai-Lanai Soil and Water Conservation District to fulfill their responsibilities to the islands of Molokai and Lanai.

Budget Program

Program Description

The mission of the Budget Office is to provide timely and accurate budget information and analysis to the Mayor, County Council, and Departments, including forecasting and fiscal policy recommendations.

Population Served

The Budget Office serves the citizens of Maui County and all Departments/agencies within the County, including the Office of the Mayor and County Council.

Services Provided

The Budget Office coordinates budget activities countywide, including developing the Mayor's proposed budget, finalizing the Council adopted budget details and program, generating budget amendments, grant revenue monitoring, and grant agreement review. The Office collaborates with Departments to create the Capital Improvement Program (CIP); provides budgetary support and guidance to Departments; performs budgetary forecasting and analysis; and engages in long-range financial planning. The Budget Office reviews all out-of-state travel requests, unbudgeted equipment purchases, and manpower requests.

The Budget Office did not escape the impacts of COVID-19. Throughout the year, the Budget staff stepped forward to assist with the implementation of CARES Act funding by assisting the Department of Finance with monitoring and reporting of the use of the funds. The Budget staff also stepped up to assist with the MEO HELP program and Kokua Maui County Small Business Recovery and Relief Fund program, along with food drives and special events for Halloween and Christmas. The Budget Office was awarded the Distinguished Budget Award from the Government Finance Officers Association ("GFOA") for FY 2021. During the fourth quarter of FY 2021, the Budget Office will begin planning for the implementation of the Central Square budget module for the FY 2023 Budget proposal.

Economic Development Program**Program Description**

The Office of Economic Development (“OED”) promotes and nurtures sustainable economic development within Maui County, consistent with the community's needs and priorities. The Economic Development Program is divided into the following sub-programs: Administration; Grant Awards; Grants Management; Agriculture; Film Industry; Technology Initiatives; Business Development; Workforce Development; Grant Writing; and two Business Resource Centers (on Maui and Molokaʻi). OED is currently staffed by 17 employees: One Director; three staff members in the Maui County Business Resource Center/Maui American Job Center; two staff members in the Kuhaʻo Business Center (Molokai); an agricultural specialist; a business development specialist; a film commissioner; a grants manager and two grants specialists; a technology specialist; a grant writer; a Workforce Investment Opportunity Act (WIOA) Executive Director and Fiscal Specialist; and an Office Manager.

Countywide Outcome(s)

The Administration Program supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- A Strong Diversified Economy
- An Environmentally Responsible and Sustainable Community
- A Prepared, Safe, and Livable County

Population Served

OED serves Maui County businesses, non-profits, all people involved in the film industry, various agriculture sectors, job seekers and employers, business development, economic development and diversification projects, and organizations producing cultural and arts events.

Services Provided

OED provides business education & development, promotion, events, and networking services. It assists with special events (with appropriate safety protocols) and opportunities to enhance businesses and non-profit organization events that fit with the mission of this division. OED provides grant funding for cultural and arts events, and assumes the role as agriculture advocate, film industry advocate, technology industry advocate, and provides business development assistance and consultation. OED also seeks outside funding via grant applications and provides permitting assistance to those seeking approval for film production.

External Factors

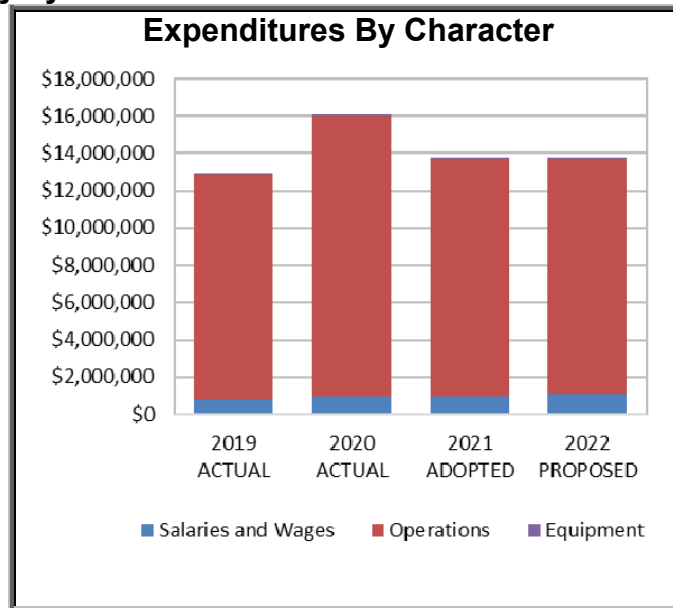

COVID-19 continues to have a devastating impact on our economy, affecting both our local businesses and residents throughout Maui County. OED established numerous programs in 2020 to assist small businesses, farmers, ranchers, workforce development, job seekers, and employer assistance. OED's efforts need to continue to assist and support our businesses modify their operations to remain/stay open; assist our farmers and ranchers to seek innovative programs and adapt to doing business in a new economic time; assist our workforce with re-training, upskilling and job searches; matching job seekers with employers to build a healthy and strong workforce; and a marketing campaign to encourage residents and visitors alike to “Buy Local/Shop Local.”

Economic Development Program**Grant Award Description****Workforce Innovation and Opportunity Act (WIOA)**

The Federal Workforce Innovation and Opportunity Act (WIOA) was signed into law by President Barack Obama on July 22, 2014 and replaces the Workforce Investment Act of 1998. WIOA is designed to help job seekers access employment, education, training, and support services in order to support a job-driven public workforce system that seeks to link talents in the community with local businesses. WIOA also incorporates the Rapid Response program as an element of service delivery. WIOA brings together, in strategic partnerships at the Maui American Job Center, thirteen stakeholders that include Maui Economic Opportunity, Job Corps, several divisions of the Hawaii State Department of Labor, the Hawaii State Division of Vocational Rehabilitation, and the Hawaii State Department of Education.

Economic Development Program – Grant Awards

Program Description

OED's Grant Award program is a sub-program under the Economic Development Program. This sub-program has our grant writer finding external funding (outside of the County of Maui) to support OED's economic development (small business, agriculture, technology, workforce development and training) initiatives.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Obtain external funding from grants and other sources for OED initiatives.</i>				
1. Initiate grant applications	# of grant applications submitted	N/A	10	10
	# of grant applications successfully awarded	N/A	3	4
	Total \$ value of grants awarded	N/A	\$250,000	\$500,000

Economic Development Program – Grants Management

Program Description

Grants Management under the Economic Development Program is responsible for administering and managing grants funds in an efficient and timely manner, to enable grantees to carry out their projects effectively. These projects add or stimulate economic development in their respective areas or throughout Maui County.

This program also includes efforts to support small businesses, as well as provide workforce development programs to assist the youth, job seekers, and employers in Maui County. Technology Economy Initiatives are also promoted to strengthen the technology based segment of Maui County's economy, by focusing on workforce development trends, and working with stakeholders in targeted industries and the Maui Economic Development Board, Inc.

Population Served

OED's Grants Management serves Maui County businesses, non-profit business organizations, non-profit community organizations, environmental organizations, culture and the arts organizations, and industry related agencies.

Services Provided

OED's Grants Management provides grant administration, management services, and training on grant application, county invoicing, payment, and reporting procedures. The table below details Total County Grant Subsidies from the Economic Development Program, by year.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Creating a process that awards strong, relevant projects to organizations that positively impact Maui County's economy.</i>				
1. Educate potential grant applicants on OED grant funding guidelines and procedures	# of OED grants workshops offered annually to the public	0	5	3
	Average processing days for grant execution	66	50	60
<i>Goal #2: Provide support to grantees to ensure contract compliance and program monitoring.</i>				
1. Provide assistance, troubleshooting, intervention, and grantee consultation.	# of new grants executed in the fiscal year	125	115	115
<i>Goal #3: Foster technology job creation within Maui County</i>				
1. Initiate a stakeholder group	# of stakeholders	N/A	10	5
2. Establish a "recruiting database" of former Maui County residents in technology	# recruits in database	N/A	50	50

TOTAL BUSINESS DEVELOPMENT & TECHNOLOGY	\$2,643,127	\$3,269,853	\$4,159,000	\$4,704,000

County Grant Subsidy Program Description**Business Research Library (BRL)**

Funds will be used to support the operations of the HBRL of the Hawaii Small Business Development Center through expenditures for salaries and wages, fringe benefits, rentals, space, and equipment in order to promote sustainable economic development and to produce the Maui County Data Book and the Monthly Maui Economic Indicators Report. (Grantee: University of Hawaii)

Council for Native Hawaiians

Funds will be used to support the “Pop-Up Makeke” program and help small businesses throughout Maui County market their products in Hawaii and world-wide.

East Maui Economic Development and Cultural Programs

Funds are used for events, festivals, and other opportunities in East Maui that focus on culture, arts, and economic development for the region.

Friends of Old Maui High School

Funds will be used to preserve and maintain the historic campus and school buildings at Old Maui High School in Hamakuapoko, Maui.

Haiku-Paia-Upcountry Economic Development and Cultural Programs

Funds are used for events, festivals, and other opportunities in the Haiku, Paia, and Upcountry areas that focus on culture, arts, and economic development for the island.

Ka Ipu Kukui Fellows Leadership

A homegrown leadership program, which provides significant help in training future leaders of Maui County.

Kahului Economic Development and Cultural Programs

Funds are used for events, festivals, and other opportunities in the Kahului area that focus on culture, arts and economic development for the region.

LahainaTown Action Committee

Funds will be used to support 4th of July, Lahaina Town Parties, Halloween (Lahaina and Central Maui), and other activities focused on economic development.

Lanai Economic Development and Cultural Programs

Funds are used for events, festivals, and other opportunities on Lanai that focus on culture, arts and economic development for the island.

Economic Development Program – Grants Management**County Grant Subsidy Program Description (Cont'd)****Ma Ka Hana Ka Ike, Inc.**

Funds will be used to provide job skills and training for at-risk Hana youth, while helping improve the lives of our kupuna and community members in need.

Made in Maui County Festival

Funds will be used to produce the annual Made in Maui County Festival, an event that highlights and promotes locally made product companies. The funds will also be used to promote the new www.madeinmauicounty.com website, which is a local product directory.

Maui Economic Development Board, Inc.

Funds will be used to support business development, workforce development, and civic engagement to facilitate diversification of our economic base. Funding also supports the Energy Conference and Small Business Conference.

Maui Economic Development Board, Inc. for STEMworks AFTER School

Funds will be used to support the program for 600 students at five middle schools. Federal funding lapsed in June 2019.

Maui Economic Development Board Healthcare Partnership

As coordinating partner of the Maui County Healthcare Partnership, Maui Economic Development Board will lead a mentoring and Career Awareness Building program.

Maui Economic Development Board, Inc. for Maui High School Program Model

Funds will be used to support a community-based effort to sustain teaching methods, assuring an automotive-credentialed and industry-experienced instructor expands the program, and provide successor instructor training.

Maui Economic Opportunity, Inc. for Microenterprise Program

Funds to be used to facilitate economic development in Maui County by providing entrepreneurial education and micro lending to support and provide capital for start-up and expanding businesses.

Molokai Economic Development and Cultural Programs

Funds are used for events, festivals, and other opportunities in Molokai that focus on culture, arts, and economic development for the island.

Pukalani-Kula-Ulupalakua Economic Development and Cultural Programs

Funds are used for events, festivals, and other opportunities in the Pukalani, Kula and Ulupalakua areas that focus on culture, arts, and economic development for the region.

Small Business Promotion

Funds are used to promote Maui's small towns and businesses, and supports small business events, trade shows, workshops, and other economic development activities that support small businesses island wide.

South Maui Economic Development and Cultural Programs

Funds are used for events, festivals, and other opportunities in South Maui that focus on culture, arts, and economic development for the region.

Economic Development Program – Grants Management**County Grant Subsidy Program Description (Cont'd)****Sports and Events Programs**

Funds will be used for sports and events, including workshops and promotions, to help support and stimulate economic development for Maui County.

Technology Business Promotion

Funds are used for opportunities that focus on technology based economic development for Maui County.

UH Maui College Cooperative Education Program

Work-based learning program that provides internships and field experiences for UHMC students.

Wailuku Economic Development and Cultural Programs

Funds are used for events, festivals, and other opportunities in the Wailuku area that focus on culture, arts, and economic development for the region.

West Maui Economic Development and Cultural Programs

Funds are used for events, festivals, and other opportunities in West Maui that focus on culture, arts, and economic development for the region.

County Grant Subsidy Program Description**Festivals of Aloha**

Funds will be used for development, operations, and implementation of events for the islands of Lanai, Maui, Molokai, and the community of Hana.

Hui No'eau Visual Arts Center

Art with Aloha preserves, honors, and perpetuates traditional Hawaiian arts with skilled practitioners teaching workshops to the public and educators.

Hui No'eau Visual Center Youth and Family Art Outreach Program

Provides youth and family art outreach programs in schools, at seasonal camps, and on field trips.

Lahaina Boat Day

Funds will be used to help with expenses for meeting, greeting, and entertaining visitors that arrive through Lahaina Harbor from cruise ships.

Maui Arts and Cultural Center ("MACC")

Funds will support operational activities of the MACC, which helps to keep events more affordable for residents.

Maui Arts and Cultural Center Capital Improvements

Funding for the Maui Arts & Cultural Center to address aging infrastructure.

Maui Arts & Cultural Center for Arts in Education and Innovative Programs

Strengthen and connect Maui County by bringing together our diverse communities through creative 21st century learning and engagement in the arts and cultural experiences that are innovative and transformative.

Economic Development Program – Grants Management

County Grant Subsidy Program Description (Cont'd)**Maui Community Theater**

Funds will be used for repair and restoration, as well as safety and aesthetic improvements, to the 85-year-old Historic Iao Theater

Maui Film Festival

Funds go to support marketing and logistics to produce Maui's premiere film festival.

Sister City Program

Funds will be used to reinvigorate and expand our international relationships and to support, encourage, and host exchanges with our Sister Cities and their representatives.

Culture and Arts Programs

Funds will be used to support cultural and art events, workshops, festivals, and other opportunities in Maui County.

Halau Ke'alaokamaile

Funds will be used to help build a cultural education center to perpetuate the Hawaiian tradition, culture, and heritage through its arts, beliefs, dance, language, and agriculture.

Economic Development Program – Environmental Protection**County Grant Subsidy Program Description****Agriculture Promotion**

Funds are used to support agriculture workshops, solutions to problems in agriculture, and other agriculture initiatives that arise.

Agricultural Technology Programs

Funds will be used to help the industry diversify and advance to remain competitive in the industry.

Food Security Hawaii – Ohana Garden Project

The Ohana Garden project is a countywide backyard garden initiative to provide materials, education, and support needed to help households grow an increasing amount of food for their households and neighbors, as a key strategy for long term food security, saving money, and learning new skills.

Hawaii Farmers Union United Four Maui Chapters

Apprentice program provides education, skills, and a support network that beginning farmers need to be successful in their agriculture enterprises.

Hawaii Farmers Union United – Mentoring Program

Hawaii Farmers Union United Educational Outreach Network and Farm Apprentice Mentoring program provides education, skills, community linkages, and a supportive specialized network that family farmers need in order to be successful.

Hawaii Taro Farm

Program seeks to promote rural farming prosperity and job creation in the new economy through engagement with the community and the innovative use of energy conservation and technology.

Maui County Farm Bureau

Funds will be used to provide marketing and promotional campaigns, educational and professional development programs, and the Agriculture Festival to help strengthen agriculture in Maui County. Additional funds provided are to repair and renovate the Vacuum Cooling Processing Plant to benefit the farmers and their products preparing to go to market.

MEO Agricultural Micro Grants Program

Funding to provide grant payments of up to \$25,000 to farming operations on Maui, Molokai, and Lanai. Grants to assist with: farm infrastructure upgrade; packaging materials and products; processing and storage equipment and machinery; farm equipment; marketing services; and professional development.

Maui Nui Botanical Gardens

Funds will be used to operate and maintain Maui Nui Botanical Gardens and to promote and conserve Native Hawaiian and Polynesian-introduced plant species featured at this unique coastal botanical garden.

Maui School Garden Network

The Maui Farm-to-School Network works to create garden-based education experiences that connect Maui's keiki to their food, environment, and culture.

Economic Development Program – Environmental Protection**County Grant Subsidy Program Description (Cont'd)****Molokai and Lanai Agriculture Production**

Funding used to assist agriculture projects and support farmers on the islands of Lanai and Molokai.

Molokai Livestock Cooperative

Funds will be used to further the co-op's goal of being a sustainable and profitable business that services the islands' livestock producers, provides fresh product to the local market outlets, and provides an opportunity for the local livestock producers to sell their product within the islands. This includes the purchasing of equipment to enable the production of value added products to increase economic development.

University of Hawaii CTAHR

Funds will be used to support activities in Maui County in the area of agriculture, research, and assistance to the farming community.

Economic Development Program - Business Resource Centers

Program Description

Maui County has two Business Resource Centers: the Maui County Business Resource Center ("MCBRC"), located on Maui, and the Kuha'o Business Resource Center ("KBRC"), located on Molokai. They provide support for entrepreneurs and small businesses with resources to start and grow their businesses through the collaboration of government services and non-profit partners. In addition, the MCBRC houses the Maui American Job Center ("AJC"). This One-Stop Service Job Center is funded in part by the U.S. Dept of Labor.

Population Served

OED's Business Resource Centers serve Maui County businesses and any member of the public needing business advice, start-up information or business resources. The AJC serves all Maui County job seekers and employers.

Services Provided

OED's Business Resource Centers provide services such as business education, promotion, events, networking, and assistance for people who want to start a business or are in business. The Centers offer opportunities to enhance business support organizations, members, and businesses, and house the SCORE (Service Corps of Retired Executives) of Maui's Mentoring Program and provides it with administrative support. The MCBRC also houses the State DLIR Workforce Development Division, Maui Economic Opportunity, and several other State agencies to serve as a resource to users of the Center.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Have MCBRC become the "Top-of-Mind" one-stop shop for business startups and business training for the island of Maui.</i>				
1. Market and promote services and training	# of workshops offered annually	38	80	50
	# of clients served per year	4,496	8,000	8,000
<i>Goal #2: MCBRC to host the SCORE of the Maui program and assist counselors with scheduling.</i>				
1. Increase the number of one-on-one consulting services available to business.	# of SCORE counselors registered	10	12	10
	# of SCORE clients served	149	160	140
<i>Goal #3: Have Kuha'o Business Center become a one-stop shop for business resources and business training for the island of Molokai.</i>				
1. Provide excellent business services to our community	# of clients served per year	733	800	600
2. Provide business workshop and training opportunities	# of workshops and trainings held	1944	18	14

Economic Development Program - Film Industry

Program Description

The Maui County Film Office ("MCFO") provides economic opportunity for local film makers, persons in the film trades, and all those in the creative industries. It is also responsible for promoting Maui County as a film destination at strategically selected tradeshows and film festivals throughout the world.

Population Served

The Maui County Film Office serves Maui County businesses and individuals involved with the film, television, and creative industries, as incoming projects and producers choose to film in Maui County.

Services Provided

The Maui County Film Office provides services necessary to establishing an effective film industry. This includes, but is not limited to, assisting with policy decisions, fostering business relationships, and creating the necessary infrastructure to enable a thriving film industry in Maui County through strategic partnerships. The Film Office also lends guidance, support, education, and assistance with obtaining County, State and Federal permits.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Create and nurture jobs in the film, television, and new media industries.</i>				
1. Assist in bringing film/TV/new media productions to Maui County, keeping current crew members working and helping non-union crew members to earn hours toward becoming union eligible.	# of International Alliance of Theatrical Stage Employees (I.A.T.S.E.) Local 665 Union crew members registered in Maui County	44	50	55
<i>Goal #2: Expand film, television and new media productions in Maui County.</i>				
1. Create a comprehensive approach to drawing studios, producers, directors, and networks	# of in-county productions with County permits annually	39	65	65
	# of hotel room nights booked by productions	1,185	5,000	6,500

Economic Development Program - Workforce Development

Program Description

On July 22, 2017, President Obama signed into law the Workforce Innovation and Opportunity Act ("WIOA"), H.R.S. 803. The enactment of WIOA provides an opportunity for the creation of a One-Stop Delivery System which is job-driven and responds to the needs of job seekers and employers to assist in job placement. Programs supported under WIOA are the Adult, Dislocated Worker, Youth, and Rapid Response Programs. These federally funded programs increase occupational skills, employability, job retention, and earnings through training, support services, tuition, and the ability to increase marketable skills through assessments and individualized education plans.

Population Served

WIOA increases access to high quality workforce services for a range of targeted populations, preparing them for long-term careers. These populations include individuals with disabilities, youth, veterans, military spouses, farm workers, dislocated workers, individuals with a history of unemployment because of a variety of barriers, Native Hawaiians, Native Americans, and other underserved minorities. WIOA also assists businesses in need of services by matching employees with employers, through lay-off aversion and support during incidents resulting in immediate and unforeseen unemployment.

Services Provided

The American Job Center ("AJC"), with guidance and oversight by the Maui County Workforce Development Board ("WDB"), administers WIOA funding to enable the selected providers to service its Adult, Dislocated Worker, Youth, and Rapid Response programs. These providers support workers and businesses with training and case management counseling to enable WIOA participants to have the necessary skills to be work ready for high-demand occupations.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE

Community Development Block Grant Program**Program Description**

The Community Development Block Grant (“CDBG”) Program, a division within the Office of the Mayor, is directly responsible for the administration and management oversight of the CDBG funds allocated by the U.S. Department of Housing and Urban Development (“HUD”) to the County of Maui.

Created by Title I of the Housing and Community Development Act of 1974 (Public Law 93-383), which became effective January 1, 1974, the CDBG Program is the Federal government’s primary program for promoting community revitalization throughout the nation. One of four formula programs administered by HUD, annual CDBG grants are provided on a formula basis to local governments to develop viable communities by promoting integrated approaches that provide decent housing, a suitable living environment, and expanded economic opportunities for low- and moderate-income persons.

The County’s CDBG Program is administered to meet major objectives in four categories based on the Consolidated Plan. These objectives are as follows:

- Public Facilities and Infrastructure Improvements
- Public Service
- Economic Development
- Planning and Program Administration

The range of activities that may be undertaken with CDBG funds include, but are not limited to, acquisition, construction and rehabilitation of public facilities and improvements, provision of public services, rehabilitation of housing, removal of architectural barriers, activities of economic development, and planning for community development. Annually, the County’s short-term (one year) objectives are aligned with the long-term goals of the Consolidated Plan through a competitive application process (Request for Proposals) that govern the review, evaluation, and selection of projects proposed for funding by the CDBG Program.

The CDBG program will continue to focus on public facilities, public service, and economic development programs to support low- and moderate-income individuals and families, as well as government safety equipment to areas that are designated as “Area Benefit” (Hana and Molokai), where 51 percent of the area is low-and moderate-income.

Countywide Outcome(s)

The Community Development Block Grant Program supports the following countywide outcome(s):

- Affordable, Healthy, and Thriving Community
- Strong and Diversified Economy
- Environmentally Responsible and Sustainable Community
- Well-planned Public Infrastructure
- Prepared, Safe, and Livable County

Population Served

The CDBG Program serves citizens in Maui County who are of low- to moderate- income as defined by HUD.

Services Provided

The CDBG Program provides funding to develop viable communities, which provide decent housing, a suitable living environment, and expanded economic opportunities for low- to moderate- income persons.

Community Development Block Grant Program

External Factors

The Coronavirus pandemic has impacted CDBG projects in several ways. The working guidelines/rules to protect the building trades personnel changed the way they do business, such as having less workers on the job site to insure proper distance among the workers, wearing of masks, travel restrictions, and coping with delays in receiving materials from out-of-state. Sub-recipient agreements were amended to extend project completion dates.

The County of Maui received several rounds of the Coronavirus, Relief and Economic Security ("CARES") Act funding in 2020, of which \$3,678,460 is being managed by the CDBG program. These funds will continue to provide temporary relief for rental/mortgage assistance for low- and moderate-income individuals and families in our County. The rental and mortgage assistance programs are administered by the Family Life Center and Maui Economic Opportunity, Inc.

Key Activity Goals & Measures

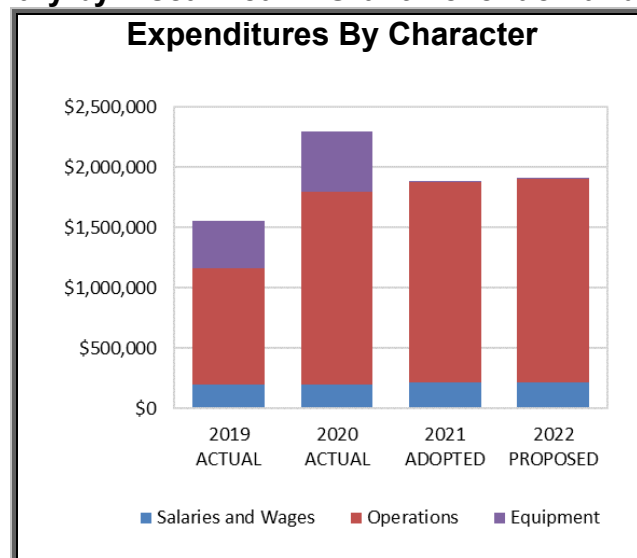

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Comply with pertinent Code of Federal Regulations ("CFR") that stipulates the required distribution of resources among activities funded. Evaluate, select and monitor projects to ensure funding performance is achieved.</i>				
1. Ensure that the grant amount awarded to the CDBG Program is used for activities that will benefit low- and moderate-income persons	% of grant amount awarded to low- and moderate- income persons ($\geq 70\%$)	88%	80%	80%
2. Ensure that grant amount awarded to the CDBG Program is used for public service activities	% of grant amount awarded to public service activities ($\leq 15\%$)	7%	15%	15%
3. Ensure that grant amount awarded to the CDBG Program is used for planning and program administration activities	% of grant amount awarded for planning and program administration activities ($\leq 20\%$)	11%	20%	20%
<i>Goal #2: Comply with pertinent CFR that stipulate the County's timely and proper expending of the CDBG grant amount. Monitor projects' activities and financial progress.</i>				
1. Ensure that sub-recipients expend CDBG funds in a timely manner	Grant balance is < 1.5 times the grant amount received	1.1	1.5	1.5

Community Development Block Grant Program

Key Activity Goals & Measures (Cont'd)

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #3: Comply with pertinent CFR that stipulates the proper submission of required reports by ensuring that all required reports contain the pertinent required information and is submitted to HUD within the required timeframe.</i>				
1. Collect, analyze, and evaluate pertinent monitoring and performance information from sub-recipients, and compile reports to include all information to satisfy Federal reporting requirements (Annual Action Plan (AAP); Consolidated Plan (ConPlan); and Comprehensive Annual Performance Evaluation Report (CAPER))	% of compiled reports satisfying all federal reporting requirements	100%	100%	100%
2. Ensure timely submission of required HUD reports (AAP, ConPlan and CAPER)	% of HUD reports submitted 45 days before start of the program year	100%	100%	100%
	% of ConPlan submitted 45 days before start of the program year	100%	100%	100%
	% of CAPER submitted 90 days after the program year	100%	100%	100%

Grant Award Description

Community Development Block Grant (CDBG) Program

The sole source of funding of the CDBG comes from the United States Department of Housing and Urban Development – Community Planning and Development (HUD-CPD).

⁵ The Office of the Mayor does not report equivalent personnel. The position titles listed on this table are for informational purposes only. Disbursement for salaries and premium pay is not restricted by Section 5 of the General Budget Provisions.

Open Space, Natural Resources, Cultural Resources, and Scenic Views Preservation

Program Description

The Open Space, Natural Resources, Cultural Resources, and Scenic Views Preservation Fund was established for the purpose of purchasing or otherwise acquiring lands or property entitlements for land conservation purposes in the County of Maui for the following purposes:

1. Public outdoor recreation and education;
2. Preservation of historic or culturally important land areas;
3. Protection of significant habitat or ecosystems, including buffer zones;
4. Preserving forests, beaches, coastal areas and agricultural lands;
5. Protecting watershed lands to preserve water quality;
6. Conserving land for the purpose of reducing erosion, floods, landslides and runoff; and
7. Improving disabled and public access to, and enjoyment of, public land, open space and recreational facilities.

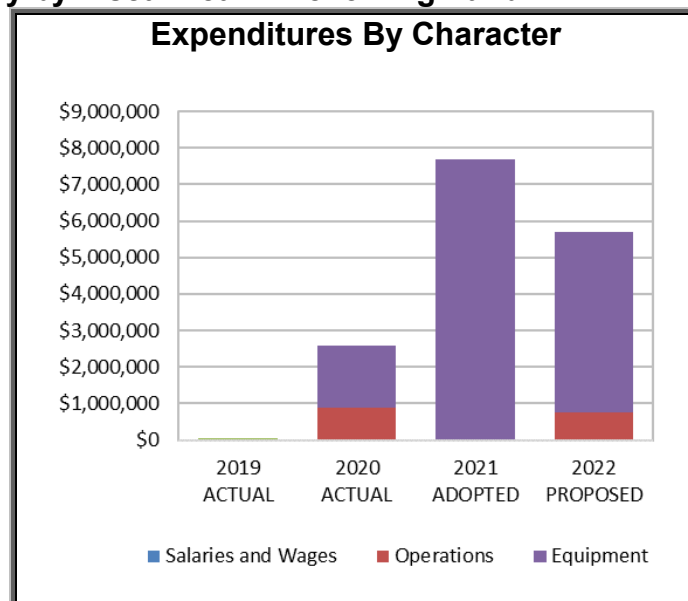

In adopting each fiscal year's budget and capital program, the Council shall appropriate a minimum of one percent of the certified real property tax revenues to the Open Space, Natural Resources, Cultural Resources, and Scenic Views Preservation Fund. Any balance remaining in this fund at the end of the fiscal year shall not lapse, but shall remain in the fund, accumulating from year to year. The appropriations to this fund shall not substitute, but shall be in addition to, those appropriations historically made. The revenues in this fund shall not be used for any purpose except those listed above. No revenues in this fund shall be used for maintenance of lands acquired.

Countywide Outcome(s)

The Countywide Cost Program – Open Space support the following countywide outcome(s):

- A Well-planned Public Infrastructure
- A Strong and Diversified Economy
- A Prepared, Safe and Livable County
- An Environmentally Responsible and Sustainable Community

Emergency Fund**Program Description**

The Emergency Fund was established for the purpose of funding a public emergency that threatens the life, health, property, or economic viability of the County.

In adopting each fiscal year's budget and capital program, the Council may make appropriations to the fund. Any balance remaining in this fund at the end of the fiscal year shall not lapse, but shall remain in the fund, accumulating from year to year. The revenues in this fund shall not be used for any purpose except those listed above.

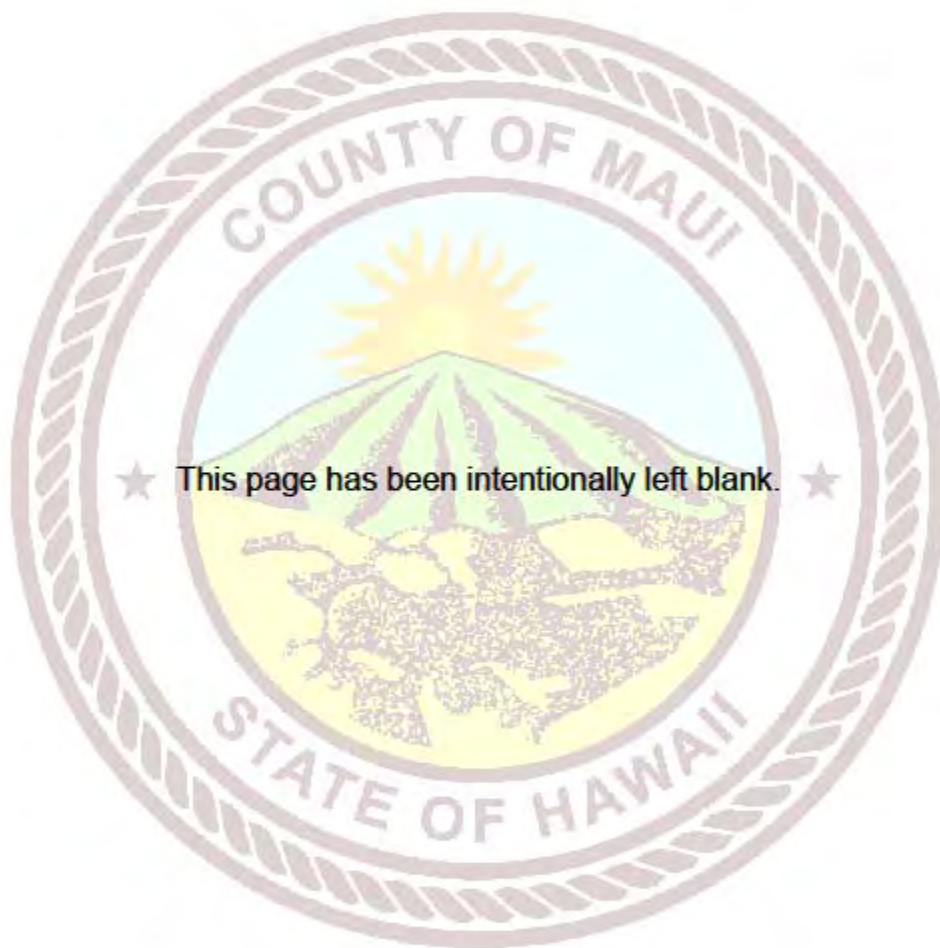

In FY 2020, four million dollars (\$4,000,000) was appropriated from the Emergency Fund to address challenges resulting from the COVID-19 pandemic.

Parks and Recreation

*Mayor's Proposed Budget
FY 2022*

★ This page has been intentionally left blank. ★

Department Summary

Mission

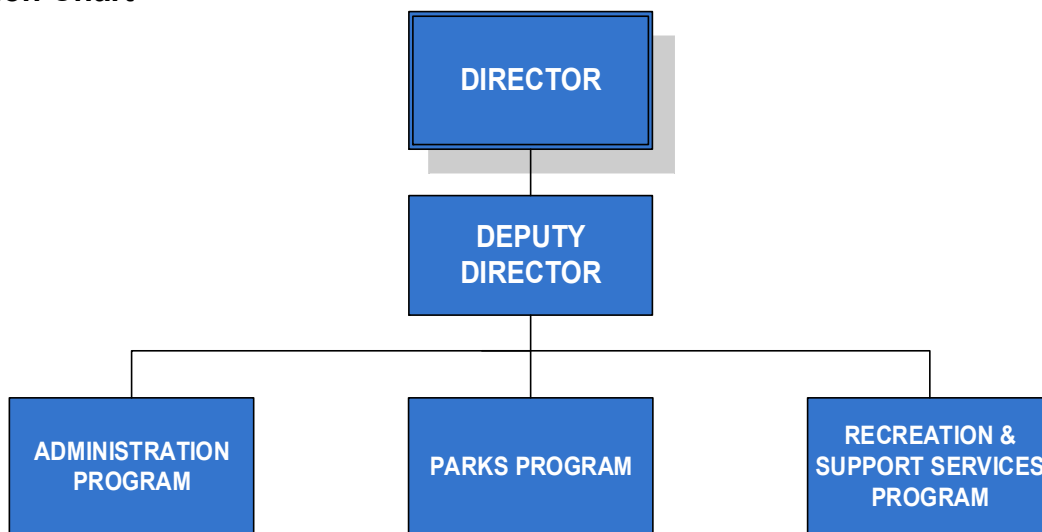

The purpose of the Department of Parks and Recreation (“Department”) is to provide safe, satisfying, and cost-effective recreational opportunities for the residents of and visitors to Maui County.

Countywide Outcome(s)

The Department of Parks and Recreation supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- A Strong, Diversified Economy
- An Environmentally Responsible and Sustainable Community
- A Well-planned Public Infrastructure
- A Prepared, Safe and Livable County

Organization Chart

Strategies

In Fiscal Year 2022, the Department of Parks and Recreation will continue to develop, rebuild, and strengthen its organizational and operating systems. These include:

- Delivery of current key commitments
 - Facility Maintenance
 - Preventative Maintenance
 - Permitting
 - Safety in Parks Facilities
- Identify plans for new strategic initiatives
 - Recreation Programming
 - CIP Planning
 - Increase rounds played at the Waiehu Municipal Golf Course

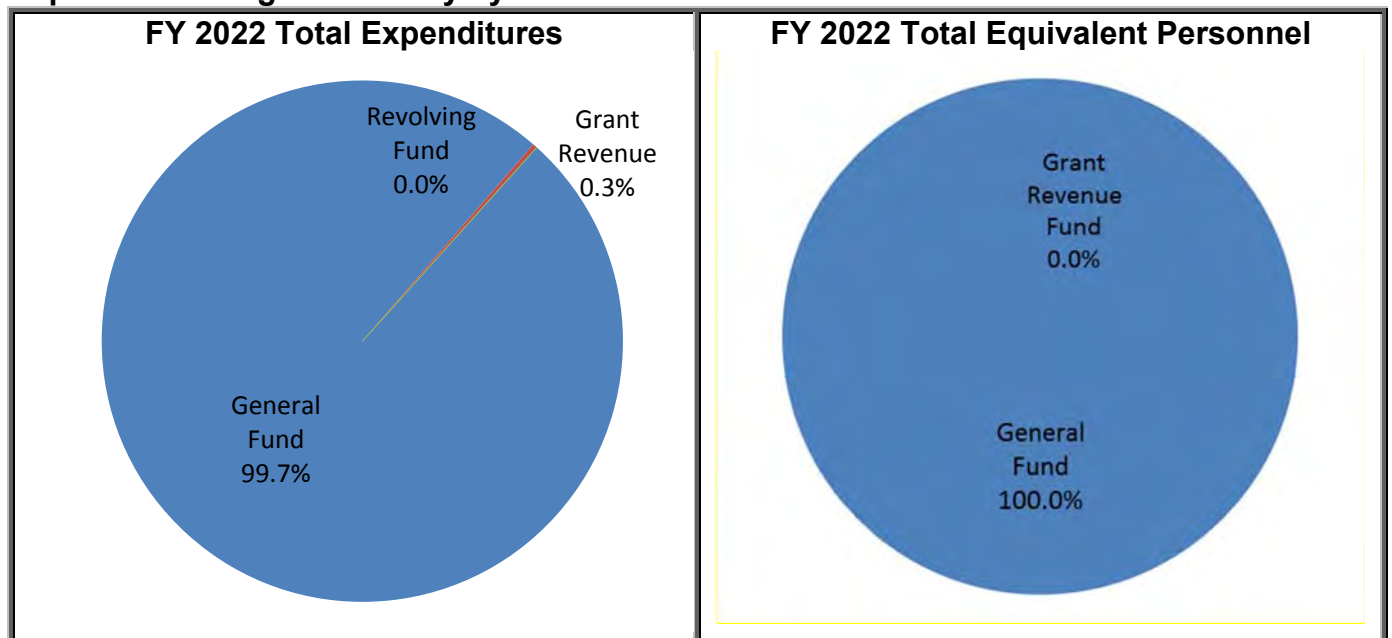

Department Summary**External Factors Description**

The COVID-19 pandemic has presented numerous challenges and opportunities for growth and change, as the Department adjusted to new working environments, physical distancing, and health and safety guidelines. Maintaining a healthy and safe environment for our community and employees continues to be the Department's priority while recognizing an increase in labor and operational costs for the additional best practices implemented because of the pandemic.

We recognized the limited use of facilities during these challenging times has confirmed the need for expansion and modification in recreation programming and permitting. We have adapted to the changing preferences of our diverse residents and visitors while continuing to adhere to the public health emergency rules. The implementation of new virtual recreational programs and outdoor sports guidelines help to keep our communities physically active and safe.

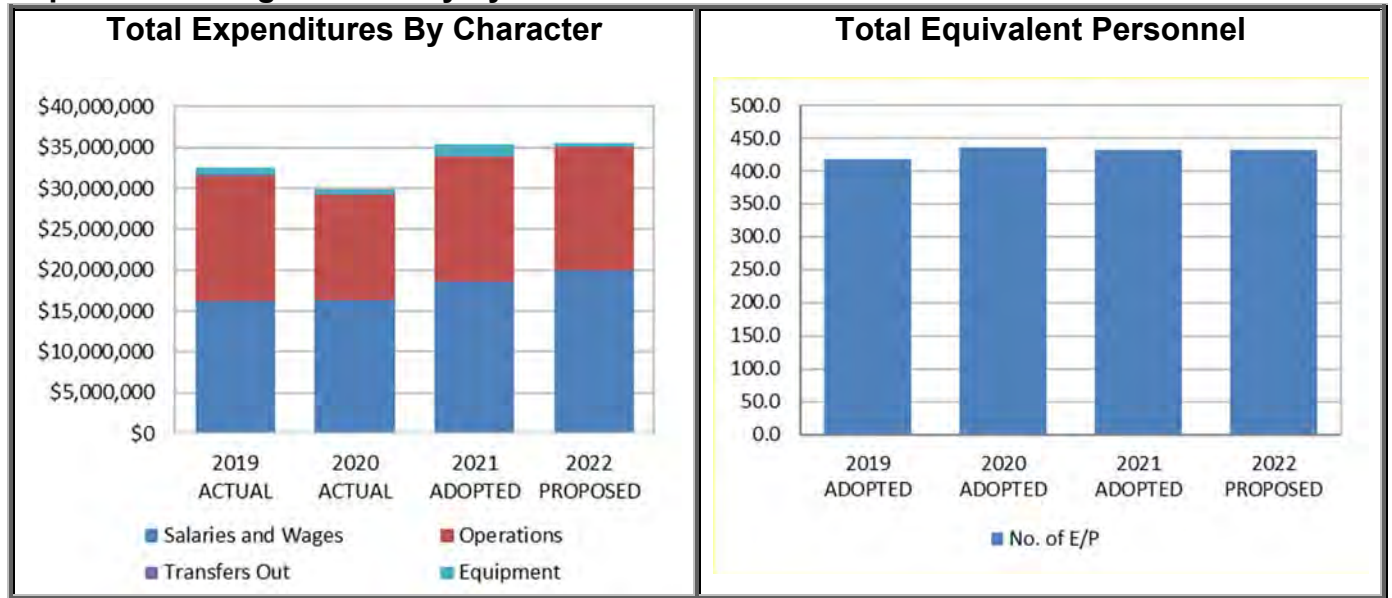

The Play and Learn Sessions ("PALS") Program was also impacted greatly by the COVID-19 pandemic. In an effort to provide assistance to our youth, as well as our working families, the Department worked with the local Young Men's Christian Association ("YMCA") branch to offer alternative programs for Summer and Winter PALS through the YMCA. Distance learning, as well as day care services, were provided through these programs.

Environmental issues such as climate change and sea level rise continue to be impactful factors affecting how the Department designs, builds and maintains its parks and facilities. The Department's vulnerability study of coastal properties, currently in progress, will assess these impacts and recommend policies and adaptation options for each unique beach park once completed.

Administration Program**Program Description**

The Administration Program ("Program") is responsible for overseeing the overall operation of the Department, provides support services to all programs, oversees enforcement of all pertinent parks rules, oversees issuance of parks permits, and monitors Commercial Ocean Recreational Activities ("CORA"). In addition to these responsibilities, this Program also provides: safety training; coordination of grant, licenses and leases; and master planning of parklands and facilities. The Program's team consists of the Director's Office, Permits and Enforcement Section, Safety Specialist, Grant Coordinator, Planner VI, and Administrative Office staff.

Permit and Enforcement Section

The Permits and Enforcement Section is comprised of five district permit offices, two satellite offices, and a park security unit. The permitting staff works with the public to coordinate, oversee, administer, monitor, and review the issuance of County park use permits. This includes the input of permit application requests into permitting software, maintenance of digital files, collection of applicable fees and charges, and the explanation and review of required permitting documents from various County agencies, including Fire and Public Safety Department's Fire Prevention Bureau and Ocean Safety, Department of Planning, Department of Liquor Control, Department of Public Works, and the Department of Police. The Department also works with the State Department of Land and Natural Resources and Department of Health. Permitting staff also serve as the communication liaison between permit applicants and other departmental personnel to ensure the proper set-up, review, and monitoring of thousands of permits issued annually. Some of the various permit types issued are for activities such as camping, league practices and games, non-profit fundraisers, filming, tournaments, private parties, concerts, and other large special events.

The security and code enforcement portion of this section is comprised of Park Security Officers ("PSOs"). The purpose of the unit is to promote the safety and welfare of community members and visitors who utilize the Department's parks and facilities. The PSOs address park permit and enforcement issues, working closely with the Maui Police Department and other County and State regulatory agencies. The initiative is to: educate park users first; when necessary, take enforcement action to achieve compliance; and, do so with the goal of enriching the experience for park users as a whole. This unit also initiates communication with other departmental staff to ensure that safety hazards, such as repair needs or health and safety risks, are addressed as quickly as possible.

Finally, the Permit and Enforcement Section makes recommendations regarding amendments needed to existing park ordinances, rules, regulations, policies and procedures governing the use of parks and recreational facilities to ensure that residents and visitors to the County of Maui can continue to safely recreate.

Safety Section

The Safety Specialist provides a framework of safety concepts in the form of classroom and field safety training to ensure the safety of all employees. The training covers a variety of topics that adhere to the health and safety of the Maui County safety program. In addition, professional training is sought to augment the expertise and skills of the staff in several areas: First Aid/CPR/AED; mowing (zero turn and tractor mowers); skid steer equipment; forklift; and scissor lift operation. The Safety Specialist also establishes and updates written safety programs such as the Department's Hurricane Response and Evacuation programs.

The Department's safety program is comprised of annual inspections of twelve Department areas located throughout the islands of Maui, Moloka'i, and Lana'i. This task encompasses inspecting, reporting, and

Administration Program**Safety Section (Cont'd)**

recommending improvements to safety practices for compliance with Occupational Safety and Health Administration ("OSHA") guidelines. The areas of inspection include base yards, offices, and equipment storage sites. Several documentation forms and kits are provided to facilitate workplace self-inspection as performed by the supervisors. In addition, the Safety Section provides Department staff with required safety protection in the form of Personal Protection Equipment (PPE) as well as oversees the Department's Safety Committee.

Grants Management Section

The Grants Management Section works to develop partnerships with the Community's non-profit organizations to improve the Department's park lands, facilities and recreation programs. Grants previously awarded to community partners include the Maui Inline Hockey Association for the replacement of the Kalama Park hockey rink's dasher boards and lights, the Bahay Kubo Foundation for the repair of the traditional bahay kubo at the Kepaniwai Heritage Gardens, and the Lahaina Restoration Foundation who assists the Department with the preservation and maintenance of the parks within the Lahaina Historic District. The Grants Management program also reviews grant applications for completeness, executes leases of park lands and monitors the use of the Department's public lands held in lease or license by our non-profit partners.

Master Planning

Master Planning for the Department is handled by the Planner VI. This position is responsible for identifying critical issues that need to be addressed in the master plan, preparing a scope of work for all master plans, managing these projects and the consultant teams, organizing community engagement events, and administering the contracts. Currently, the Planner is responsible for twelve master plan projects, of which two are complete. For larger regional projects that often involve other agencies and organizations, the Planner represents the Department of Parks and Recreation to ensure that its interests and goals are considered. Examples include the Kaahumanu Transit Oriented Development (TOD) Project and community plans for West and South Maui.

Administrative Office

The Administrative Office provides support services to the Director and Deputy along with all of the Department's Sections and Divisions. Section staff include the Administrative Officer, Personnel Assistant II, Personnel Assistant I, Pre-Audit Clerk II, Accountant II and our Staff Services Assistant. This team manages and directs all departmental programs and provides personnel, payroll, budget, management services, inventory oversight, vehicle compliance, health insurance information and processing, Worker's Compensation and Temporary Disability Insurance (TDI) compliance and assistance. This section also coordinates with other County departments and governmental agencies on issues relating to personnel and fiscal management.

Administration Program

Countywide Outcome(s)

The Administration Program supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- A Strong, Diversified Economy
- An Environmentally Responsible and Sustainable Community
- A Well-planned Public Infrastructure
- A Prepared, Safe and Livable County

Population Served

Maui County's de facto population of approximately 167,417 is allowed access to facilities and parks supported by the Parks Program.

Services Provided

The Administration Program provides support services to the other divisions, safety programs and training, enforcement of parks rules, issuance of parks permits, contract management, and the management of Department grants, licenses and leases.

TOTAL COUNTY GRANT SUBSIDY - ADMINISTRATION PROGRAM	\$510,399	\$341,000	\$308,000	\$308,000

County Grant Subsidy Program Description

Lahaina Restoration Foundation

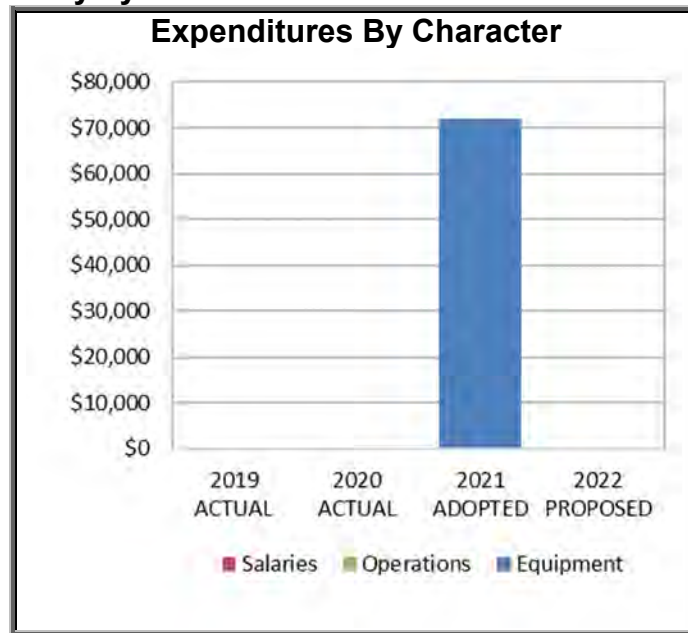

The grant provides funding to maintain and preserve the Lahaina Historic District and provide maintenance and grounds keeping to areas not serviced regularly by normal, routine County programs. It includes the daily removal of garbage, the maintenance of trash receptacles, removal of graffiti, repair and maintenance of sprinkler systems, cleaning of sidewalks and gutters, and ongoing improvements to historic signs and displays within the historic district, as approved and recommended by the Maui County Cultural Resources Commission. In addition, lawn upkeep and planter maintenance, tree trimming and pruning, and maintenance of lighting systems within parks and public areas are provided.

Maui Community Correctional Center Workline Program

The Maui Community Correctional Center ("MCCC") Workline Program prepares inmates for reintegration back into society. The MCCC Workline program promotes teamwork, job safety and responsibility, respectfulness, and work ethic, which become the foundation of an inmate's successful reintegration to the community. The Program's goal is to teach the inmate to become a more responsible and contributing member to the community while learning job skills.

Administration Program

Program Description

The Ocean Recreational Activity Fund was established and created for the collection of fees for the review of applications and issuance of permits submitted under Article VII, Commercial Ocean Recreational Activity ("CORA"), Chapter 13.04A, Maui County Code ("MCC"). Funds may be expended for purposes relating to the implementation of Article VII, including, but not limited to, the provision of salaries, the purchase of equipment, and the maintenance of County property. The CORA Fund is appropriated annually during the budget process.

Countywide Outcome(s)

The Administration Program supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- A Strong, Diversified Economy
- An Environmentally Responsible and Sustainable Community
- A Prepared, Safe and Livable County

Population Served

Maui County's de facto population of approximately 167,417 is allowed access to facilities and parks supported by the Parks Program.

Services Provided

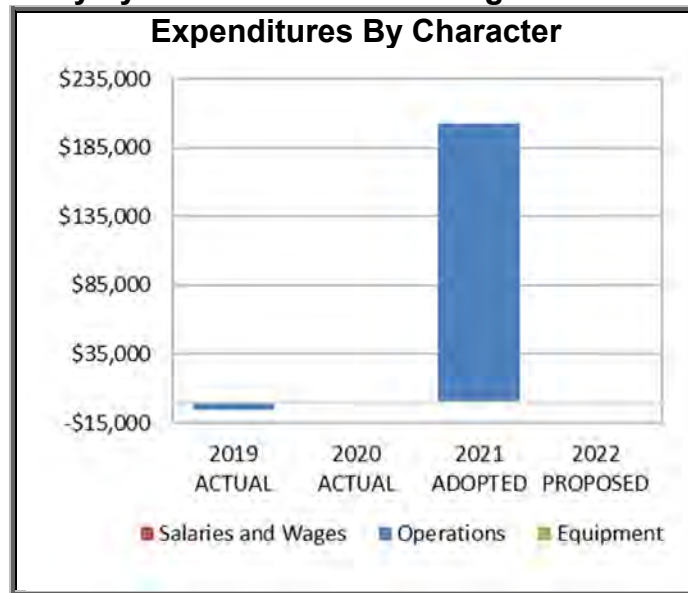

The CORA Fund assists in facilitating educational opportunities through efforts of the permits office and park enforcement staff working with CORA operators, clients, and beach goers alike. The fund has historically provided for instructional opportunities, vehicles, and other equipment to assist efforts in reaching permit holders and impacted beach parks on a consistent basis.

The Administration Program does not have equivalent personnel funded through the Revolving Fund.

Parks Program

Program Description

The Parks Program includes the Beautification and Construction Maintenance Sections, the Waiehu Municipal Golf Course, and the Planning and Development Division.

The Beautification Section is responsible for turf management, greenways landscaping, and tree maintenance in parks. The section is comprised of Nursery Workers, Automatic Sprinkler System Repairers, Heavy Equipment Operator, Laborers, and Chemical Treatment Workers.

The Construction Maintenance Section is responsible for repair and improvement projects such as, but not limited to, plumbing, electrical, swimming pool, building, equipment, welding, and fencing. Their team is comprised of the General Construction Maintenance Supervisor II, Electrician-Electronic Equipment Repairers, Pump Mechanics, Automotive Mechanics, Carpenter-Cabinet Makers, Painters, Building Maintenance Repairers, and Heavy Equipment Operators.

The Waiehu Municipal Golf Course is responsible for managing greens, fairways, tee boxes, and providing a healthy, relaxing, and affordable round of golf. This team is made up of the Golf Course Superintendent, Maintenance Supervisor, Groundskeepers, Automatic Sprinkler System Repairer, Chemical Treatment Worker, Power Mower Repairers, Janitor, and Golf Course Operations Clerks.

The Planning and Development Division initiates, schedules, and implements the Department's Capital Improvement Program ("CIP") to support the recreational and leisure needs of Maui County residents and visitors. This work encompasses the coordination of planning, land acquisition, budgeting, design, permitting, construction, and management of all Department CIP projects.

The Division also reviews all new subdivision and building permit applications, and community development projects, for compliance with Section 18.16.320, MCC, and for optimum location and adequate acreage of park spaces to accommodate the projected population's future recreational endeavors.

Countywide Outcome(s)

The Parks Program supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- A Strong, Diversified Economy
- An Environmentally Responsible and Sustainable Community
- A Well-planned Public Infrastructure
- A Prepared, Safe and Livable County

Population Served

Maui County's de facto population of approximately 167,417 is allowed access to facilities and parks supported by the Parks Program.

Services Provided

The Parks Program maintains park recreational facilities, parks trees, as well as oversees the operations of the Waiehu Municipal Golf Course, and provides services relating to the completion of the Department's capital projects.

Recreation and Support Services Program**Program Description**

The Recreation and Support Services Program provides recreational and daily maintenance support services for the 2,543 developed park acres expanded across six districts in the County of Maui. A variety of recreation programs are provided at beach parks, community parks, community centers, gymnasiums, sports fields, tennis and outdoor basketball courts, playgrounds, skate parks, pools, and picnic areas. This Program also provides pool guard services, including rescues, first aid, and water safety awareness programs at county swimming pools while facilitating aquatics-oriented recreational programs such as Learn-to-Swim, exercise and therapeutic classes, and water safety and first aid certification classes. This program also oversees and conducts in-service training for County pool guards to keep water safety skills and certifications up-to-date.

Programs and Operations:Play and Learn Sessions (PALS) Section

The PALS Section of our Recreation and Support Services Division offers quality cultural, sport, recreational and learning programs for children ages 5 to 12 during the summer and intersession periods throughout Maui County. Seasonal staff are employed to manage the 21 PALS sites on Maui and Molokai. The PALS Food Service Program is federally funded through the U.S. Department of Agriculture (USDA) and administered by the Department of Education (DOE), Office of Hawaii Child Nutrition Programs.

Pools Section

The Pools Section is responsible for providing trained pool guard staff at the nine County pools. Staff also provide aquatic programs at these pools. Participants of these programs learn to swim, get fit in our water aerobics or lifeguarding courses, and reduce stress by lap swimming at one of the community pools.

Recreation and Support Services – Administration Staff

The Recreation and Support Services Program Administrative staff provides specialized assistance and oversees all sections within the program. This section also assists the Department in planning, developing, and directing the implementation of recreation and inclusion programs.

Recreation and Support Services – Districts

This section is comprised of six districts: East/Hana, West/Lana'i, South, Wailuku, Central, and Moloka'i. Each district is responsible for the daily maintenance and operations of the parks and facilities within their area. District staff also organize, direct, and oversee the recreational programs for each of their unique communities.

Countywide Outcome(s)

The Recreation and Support Services Program supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- A Strong, Diversified Economy
- An Environmentally Responsible and Sustainable Community
- A Well-planned Public Infrastructure
- A Prepared, Safe and Livable County

Population Served

Maui County's de facto population of approximately 167,417 is allowed access to facilities and parks supported by the Recreation and Support Services Program.

Recreation and Support Services Program

Services Provided

The Recreation and Support Services Program provides a variety of active and passive recreational opportunities for the community. Cultural, inclusive, and adaptive programming activities are also available. Players of all ages looking to participate in a variety of sports leagues and tournaments will find an abundance of programming coordinated by the Department's recreation staff at our various fields and gyms. The Pools Section provides water programs at selected pools and lifeguard services at all County pools. The PALS Section provides a high valued, safe, and nurturing recreation program for the children of Maui County that address the physical, social, cultural and educational needs of our keiki. The Recreation and Support Services Program also provides maintenance and custodial services that includes general landscaping, janitorial duties, facility preparation, and field lining. Timely and quality customer service to enhance and preserve the beauty and safety of our parks facilities, services and programs for all youth, adults, senior citizens and participants with disabilities are what drive and define this Program.

Key Activity Goals & Measurements

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Delivery of current key commitments.</i>				
1. To provide quality park facilities for the community	% of quarterly facility inspections completed	N/A	80%	85%
	% of satisfied users with facility surveys	92%	96%	96%
<i>Goal #2: Identify plan for new strategic initiatives</i>				
1. To provide additional recreation opportunities through innovative and creative programming with new programs	Update existing or implement new recreation programs	7	8	8
	% of children's satisfaction level at or above satisfactory in district recreation programs	94%	85%	85%
	% of children's satisfaction level at or above satisfactory in the PALS programs	96%	96%	96%
	% of parents' satisfaction level at or above satisfactory in the PALS program	96%	96%	96%
	# of other participants in Aquatics program.	36,924	29,500	29,500

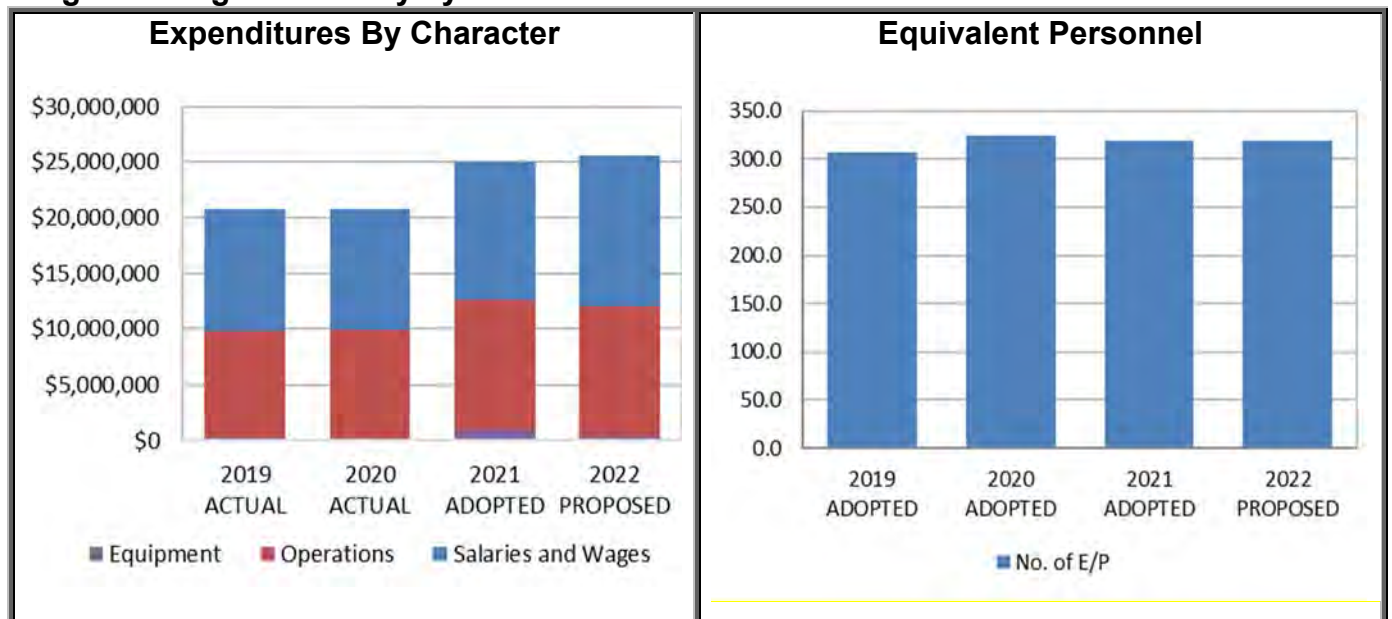

Recreation and Support Services Program

Key Activity Goals & Measurements (Cont'd)

Goal #3: Improve pro-active communication with key stakeholders within and outside of the Parks Department.

1. Provide pertinent training and professional development for program staff	% of Pools personnel who maintain their American Red Cross Lifeguard, first aid, cardio-pulmonary resuscitation and American Red Cross Emergency Medical Responder certifications	100%	100%	100%
	% of Pools personnel who maintain their Certified Pool Operator certification	50%	50%	50%
	# of annual training hours provided for Recreation staff	740	N/A	800

Grant Award Description

PALS Food Service Program

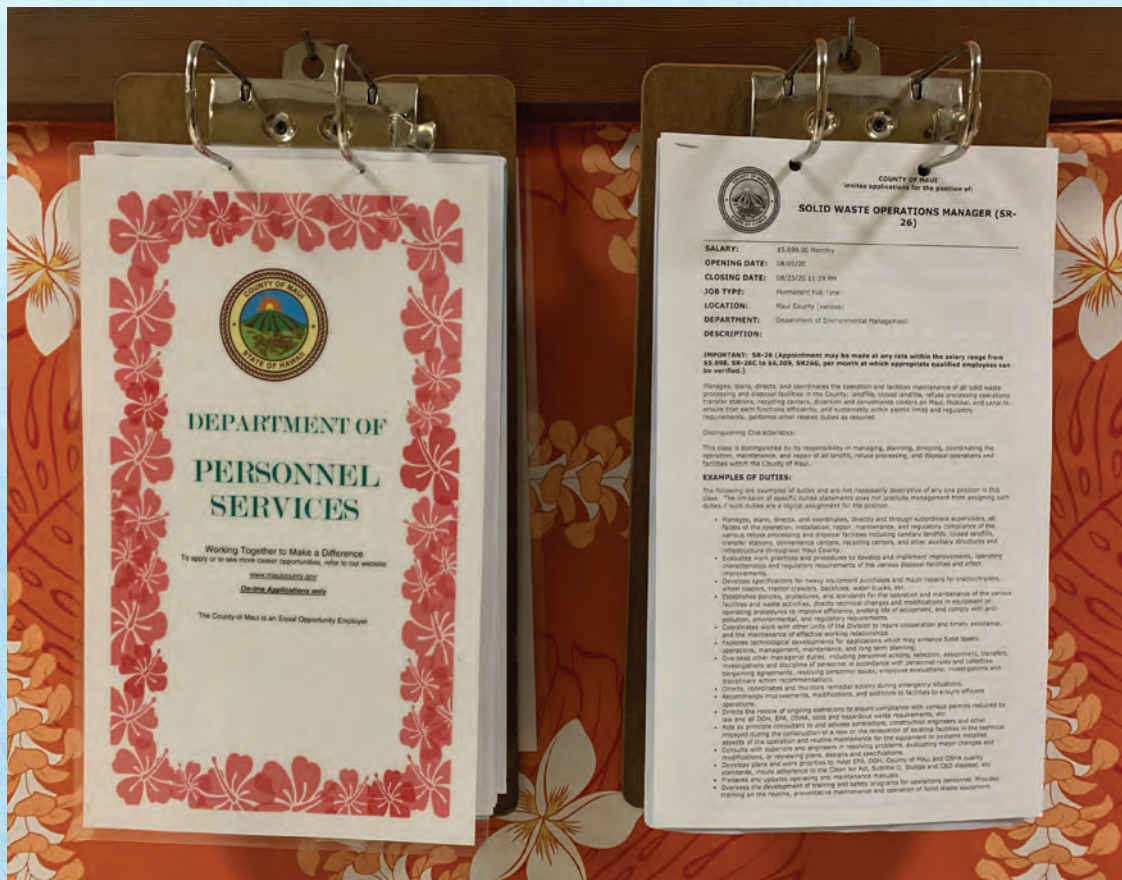

PALS participates in the Department of Education's (DOE) Summer Food Service Program. This program is available to areas with at least 51% of school-aged children receiving reduced-cost or free school lunches. The County is reimbursed for the meals and for administrative expenses.

No Kid Hungry

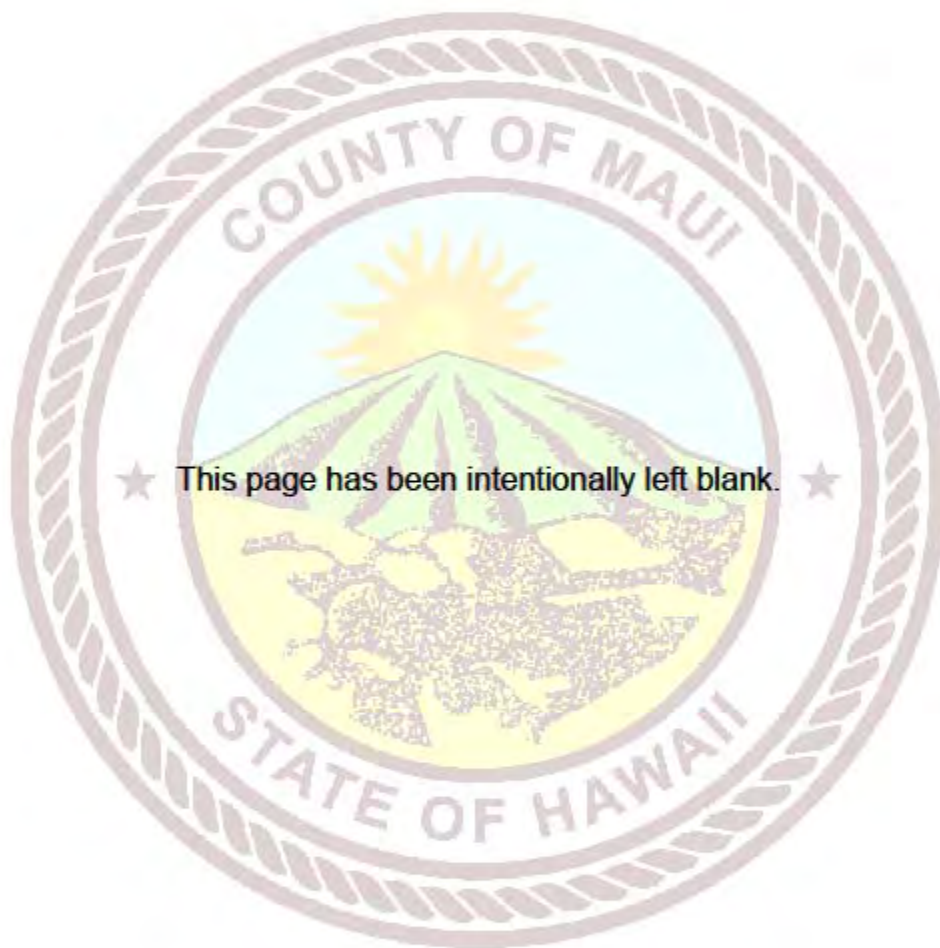

The No Kid Hungry grant has been discontinued.

Personnel Services

Mayor's Proposed Budget
FY 2022

★ This page has been intentionally left blank. ★

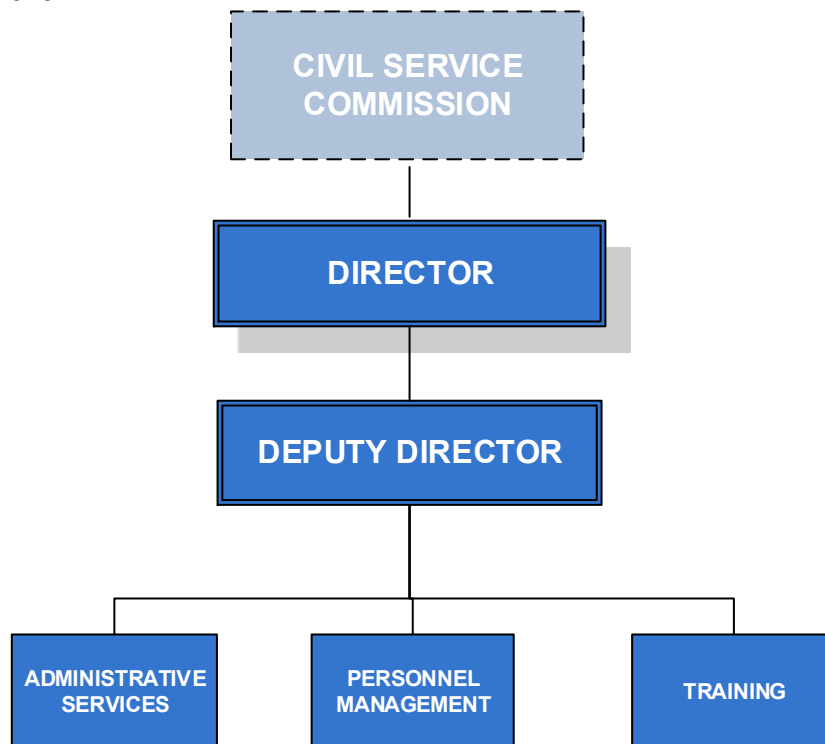

Department Summary**Mission**

The mission of the Department of Personnel Services (DPS) is to contribute to the attainment of countywide goals by attracting, developing and retaining a professional workforce, and by contributing to the establishment of the best possible work environment.

Countywide Outcome(s)

The Department of Personnel Services supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- A Strong, Diversified Economy
- An Environmentally Responsible and Sustainable Community
- Well-planned Public Infrastructure
- A Prepared, Safe, and Livable County

Organization Chart**Strategies**

The strategies of the Department of Personnel Services are to:

- Attract, value, support, and retain a fully-staffed, qualified, diverse workforce;
- Continually improve the effectiveness of individual employees and the County as a whole;
- Anticipate and meet the changing needs of the workforce and community;
- Support and encourage career and professional development;
- Create and enhance strategic partnerships; and
- Enhance the quality and delivery of services through technology.

Department Summary**Operations**

Position Classification and Compensation Services provides and monitors a competitive and equitable compensation system. It also maintains a standardized classification plan that supports employee career development, which enables the County to hire and retain qualified employees.

Labor Relations Services provides guidance, training, and recommendations on managing performance, issues of conduct, and contract interpretation; resolves complaints at the lowest level; and negotiates timely and fiscally responsible agreements.

Recruitment and Examination provides innovative, responsive, fair, and consistent recruitment and examination services to County departments, employees, and job applicants. It ensures the County employs a qualified and diverse workforce that delivers essential services to the public.

Employee Training and Development Services creates, promotes, and fosters individual and organizational effectiveness by developing and offering an array of innovative and diverse programs in support of the organization's commitment to employee development, partnerships, and organizational enrichment.

Human Resource Strategic Support provides responsive and innovative leadership, financial analyses and reporting, Information Technology, Human Resource Systems, and support services for County employees, departments, community partners, and the public to promote individual and organizational excellence.

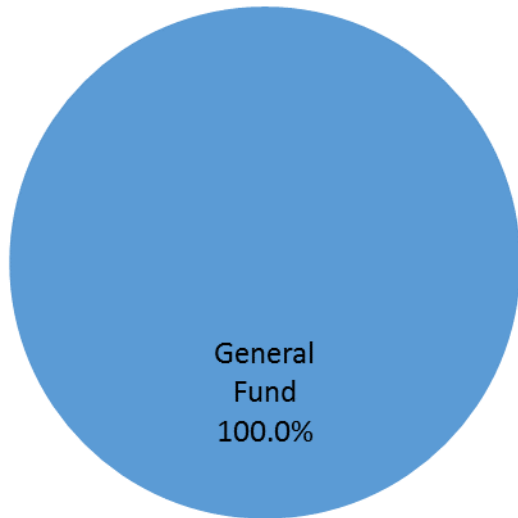

External Factors Description

A great deal of the workload of the department is driven by response to factors beyond the Department's control. Events such as a strike or other degradation in the relationship with labor organizations, significant changes in the State or Federal regulatory framework, or the addition or modification of County initiatives, could impact the ability of the Department to achieve its goals. In addition, some projects undertaken by the Department, such as projects highly dependent on information technology, require a significant commitment of resources from other County departments. The inability to secure or maintain these resources could impact the Department's ability to achieve goals associated with those projects. Furthermore, it is impossible to predict what the continuing effects of the COVID-19 pandemic will be in this fiscal year. Significant operational and fiscal constraints may persist into this fiscal year, and new initiatives may be required. Reduction in resources, or redirection to other initiatives, may also impact the Department's ability to achieve its current goals.

Administration and Management Support Services Program**Program Description**

The function of the Personnel Administration and Management Support Services Program is to classify positions, recruit qualified applicants, train employees, and handle labor relations issues in a timely, efficient, economic, and judicious manner. The Civil Service Commission adjudicates appeals from any action taken by the Chief Executive (i.e., the Mayor), the Director of Personnel Services, or an appointing authority (i.e., the director of a department) relating to recruitment and examination, classification, initial pricing of classes, and other employment actions taken against civil service employees, including those who are excluded from collective bargaining. The Civil Service Commission also advises the Mayor and Director of Personnel Services on issues concerning personnel administration.

Countywide Outcome(s)

The Administration and Management Support Services Program supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- A Strong, Diversified Economy
- An Environmentally Responsible and Sustainable Community
- Well-planned Public Infrastructure
- A Prepared, Safe, and Livable County

Population Served

This program serves County employees, department directors, managers and supervisors, the Mayor and other members of the Administration; and the general public.

Services Provided

- Maintains a standardized, equitable classification plan that supports employee career development; provides and monitors a competitive and equitable compensation system within statutory and negotiated framework to enable the County to hire and retain qualified employees.
- Provides innovative, responsive, fair, and consistent recruitment and examination services to County departments, employees, and job applicants to ensure the County employs a qualified and diverse workforce that delivers essential services to the public.
- Creates, promotes, and fosters individual and organizational effectiveness by developing and offering an array of innovative and diverse programs in employee development, partnerships and organizational enrichment.
- Provides guidance, training, and recommendations on managing employee performance and issues of conduct; a collective bargaining contract interpretation; resolves internal complaints and collective bargaining grievances at the lowest level possible; and negotiates timely and fiscally responsible labor agreements.
- Provides strategic and staff support for the Civil Service Commission, which adjudicates appeals from any action taken by the Mayor, the Director of Personnel Services, or an appointing authority relating to recruitment and examination, classification, initial pricing of classes and other employment actions.
- Provides responsive and innovative leadership, analysis and reporting, information technology, and support services for County employees, departments, community partners, and the public to promote individual and organizational excellence.

Department Summary

Mission

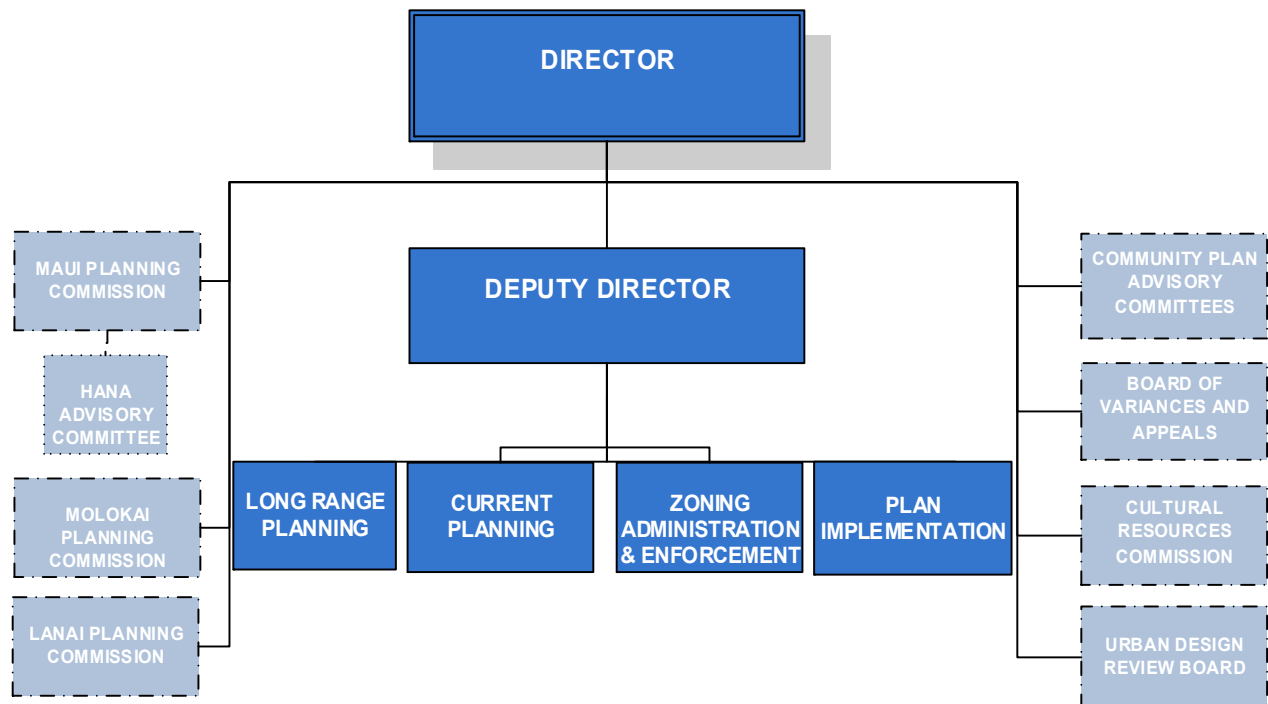

The purpose of the Department of Planning (“Department”) is to manage growth in a sustainable manner that balances our economy, culture, and environment.

Countywide Outcomes

The Department supports the following countywide outcomes:

- An Affordable, Healthy, and Thriving Community
- A Strong, Diversified Economy
- An Environmentally Responsible and Sustainable Community
- Well-planned Public Infrastructure
- A Prepared, Safe, and Livable County

Organization Chart

Department Summary

Strategies

The Department utilizes four primary strategies to accomplish its mission to enhance the quality of life for the citizens of Maui County:

- Prepare long-range plans and regional community plans to advance and implement the Countywide Policy Plan and Maui Island Plan. The development of these plans is an open public process with extensive community participation and involvement, as these plans will guide and direct development and growth for many years.
- Administer, track and implement long-range plans by taking initiatives assigned to the Department, such as drafting proposed ordinances, and tracking other departments' assigned actions.
- Review and process applications for a wide variety of developments, from small bed-and-breakfast operations to large commercial or industrial projects. Applications are carefully considered with respect to their surrounding uses, potential impacts, community benefit and support, and consistency with long-range plans.
- Administer and enforce zoning and other land use regulations to ensure that all applicable laws and rules are being followed through applications such as building permits and subdivisions. Enforcement is generally complaint-based so that the Department can effectively respond to concerns raised by the public.

The Department aims to provide quality service to the public by offering accurate and timely information in a friendly and professional manner.

Operations

In order to accomplish its strategies, the Department follows the mandates of the State and County land use laws that it is charged with administering, primarily Chapters 205 and 205A, Hawaii Revised Statutes ("HRS") and Title 19, Maui County Code ("MCC").

The Department advises the Mayor and the County Council on all land use planning issues. It also staffs and administers seven boards and commissions: Maui, Molokai, and Lanai Planning Commissions; the Hana Advisory Committee ("HAC"); the Cultural Resources Commission ("CRC"); the Board of Variances and Appeals ("BVA"); and the Urban Design Review Board ("UDRB"). Additionally, the Department staffs the Community Plan Advisory Committees ("CPAC"s). Most of these agencies have final approval authority on many development applications, such as variances, special management area use permits, and County special use permits. Most also make recommendations to the Maui County Council on actions that are approved by ordinance, such as changes in zoning and conditional permits.

The Department is comprised of five divisions: The Administration Division oversees all operations of the Department and is responsible for drafting updates to the zoning code and administrative rules. The Current Planning Division ("CPD") is responsible for processing administrative permit applications, as well as development applications that are reviewed by the planning commissions and County Council. The CPD is also responsible for providing staff support to the three planning commissions as well as HAC and UDRB. The Long Range Planning Division ("LRD") is responsible for drafting comprehensive plans; maintaining the department's geographic information system ("GIS") database and preparing maps in support of all planning functions; and providing staff support to the CRC as well as the CPACs when they are empaneled. The Plan Implementation Division ("PID") is responsible for tracking and implementing long-range plans. The Zoning Administration and Enforcement Division ("ZAED") processes administrative permits such as special management area exemptions and flood and sign permits; reviews subdivision, building, and other construction permits; enforces zoning and land use

Department Summary

Operations (Cont'd)

regulations; responds to routine development inquiries; processes discretionary variance applications and appeals; and provides staff support to the BVA. ZAED continues to be responsible for administering the County's flood hazard ordinance, which includes processing flood development permits.

All of the Department's divisions are located at One Main Plaza in Wailuku. Administration is located in Suite 315, ZAED is located in Suite 335, LRD is located in Suite 601, CPD is located in Suite 619 and PID is located in Suite 640.

External Factors Description

There are several key external factors that generally impact the Department's operations:

Changes in State or County land use law can impact the types of uses that are permitted in different land use or zoning districts, and can impact the development applications that are required for a project and the parameters for their approval. Therefore, the number and types of applications that are submitted to the Department can change with changes in State or County land use law.

Downturns and upturns in the economy also impact the number and types of development applications that are submitted to the Department for processing. In a down economy, projects can be fewer and smaller than in a robust economy.

The State's and County's affordable housing crisis puts pressure on the Department to process housing development applications and building permits quickly, while community concerns about overdevelopment and potential impacts to infrastructure, natural and cultural resources, and quality of life put pressure on the Department to slow down. Either way, projects must be appropriately reviewed and analyzed, though balancing these different interests can be challenging. The housing crisis, coupled with the gig economy and the proliferation of "hosting platforms" such as VRBO and AirBnB, also places demands on the Department's enforcement of illegal vacation rentals and its administration of zoning codes that allow lawful vacation rentals.

Climate change and sea level rise have resulted in a greater need for pro-active planning, especially along the shoreline, where homes, resorts, roadways, public infrastructure and other types of development are threatened by a variety of coastal hazards.

During the end of FY20 and throughout FY21, the Department has been impacted by the COVID-19 pandemic, like others throughout the community. Most notably, all of the boards and commissions that the Department supports have transitioned to meeting via videoconference. On one hand, this has been detrimental because of the loss of personal interaction and the understanding that comes with it; on the other hand, it appears that more members of the public are able to participate in these meetings than they did before, likely because of the convenience.

Supporting these meetings has been an evolution, again with advantages and disadvantages. Initially, there was a learning curve in making presentations, providing information to board and commission members, assisting and educating the public with submitting testimony, and creating meeting minutes. With those procedures now in place, there are efficiencies and conveniences to video conferenced meetings.

Department Summary**External Factors Description (Cont'd)**

The LRD has had to begin the community engagement phase of the South Maui Community Plan update without in-person meetings, which has been a notable difference from prior community plan updates. It appears that most, if not all, of this process will need to be conducted virtually, which has presented huge challenges that have required innovation and extra effort. Ultimately, it has gone well and has the potential to involve more and different segments of the community than it might have otherwise.

Additionally, all internal staff meetings are conducted by videoconference, as well as meetings with applicants, members of the public, colleagues from the Administration, and Councilmembers and staff. Again, the benefits of personal interaction are lost with these meetings, but it is important for all to take steps to stay safe.

The Department also assisted with airport screening of incoming passengers to ensure compliance with the Governor's Emergency Proclamations and the Mayor's Public Health Rules, and has assisted with drafting some Mayoral directives. With the impacts of tourism and COVID requirements, some of the Department's enforcement efforts have been redirected toward COVID violations relating to accommodations, which has been similar to prior illegal vacation rental enforcement.

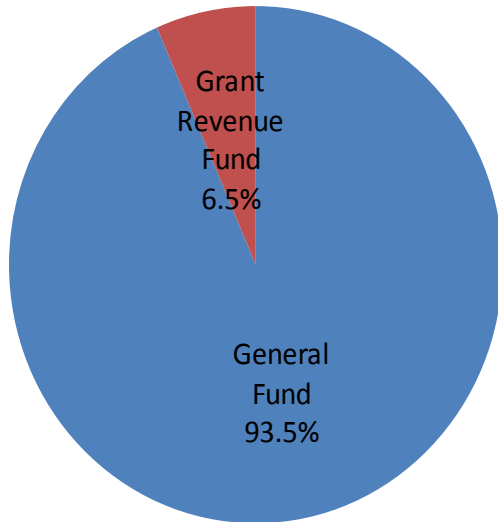

In general, the Department has shifted to a rotating work-from-home schedule, where most employees work one day in the office and then two days from home, so that each office is always staffed but with fewer employees to maintain social distancing. Initially, there were delays in work production while the kinks were worked out of connecting to office computers from home, but now it runs smoothly. This has also required adjustments in how supervisors manage their subordinates and keep track of their work. Drop boxes are still available outside of all offices, and staff is reminded to return all phone calls and emails promptly, in order to maintain quality customer service and keep the public and staff safe. The Department has contracted with a cleaning company to provide midday cleaning of communal and "high touch" areas of all offices, such as door handles and copiers, as well as the restrooms, so employees who are in the office are protected.

These measures will remain in place as long as necessary, likely well into FY22.

Administration and Planning Program

Program Description

The Department of Planning functions as one program with the general responsibilities of processing permit applications, preparing and implementing long-range plans, and enforcing land use regulations. Its responsibilities are defined by the Revised Charter of the County of Maui (1983), as amended, Article 8, Chapter 8, including serving as technical advisor to the Mayor, Council and Planning Commissions on all planning matters; recommending revisions to the General Plan and community plans; administering and enforcing a cultural resources program, administering and enforcing land use laws and regulations; and reviewing capital improvement projects. Additionally, the Charter describes the Department as including the three Planning Commissions and the BVA, and describes their duties and functions.

The Department's boards and commissions are further described in Title 2, Maui County Code, relating to County Departments. Many of the Department's duties and its authority are incorporated in Title 19, Maui County Code, relating to Zoning.

Countywide Outcomes

The Administration and Planning Program supports the following countywide outcomes:

- An Affordable, Healthy, and Thriving Community
- A Strong, Diversified Economy
- An Environmentally Responsible and Sustainable Community
- Well-planned Public Infrastructure
- A Prepared, Safe, and Livable County

Population Served

With such broad responsibilities, the Administration and Planning Program serves the entire population of Maui County.

Services Provided

The Planning Program processes permit applications, including special management area permits, changes in zoning, conditional and special use permits, short-term rental home permits, bed-and-breakfast permits, variances, appeals, sign permits, and comprehensive signage plans. The program also reviews most building permits and subdivision applications for consistency with land use regulations; manages the process for updating all of the County's community plans; implements various community long-range and master plans; maintains a GIS database and provides mapping services to support planning functions; and provides zoning enforcement.

Key Activity Goals & Measures

County Grant Subsidy Program Description

University of Hawaii Sea Grant – Coastal Hazards Specialist

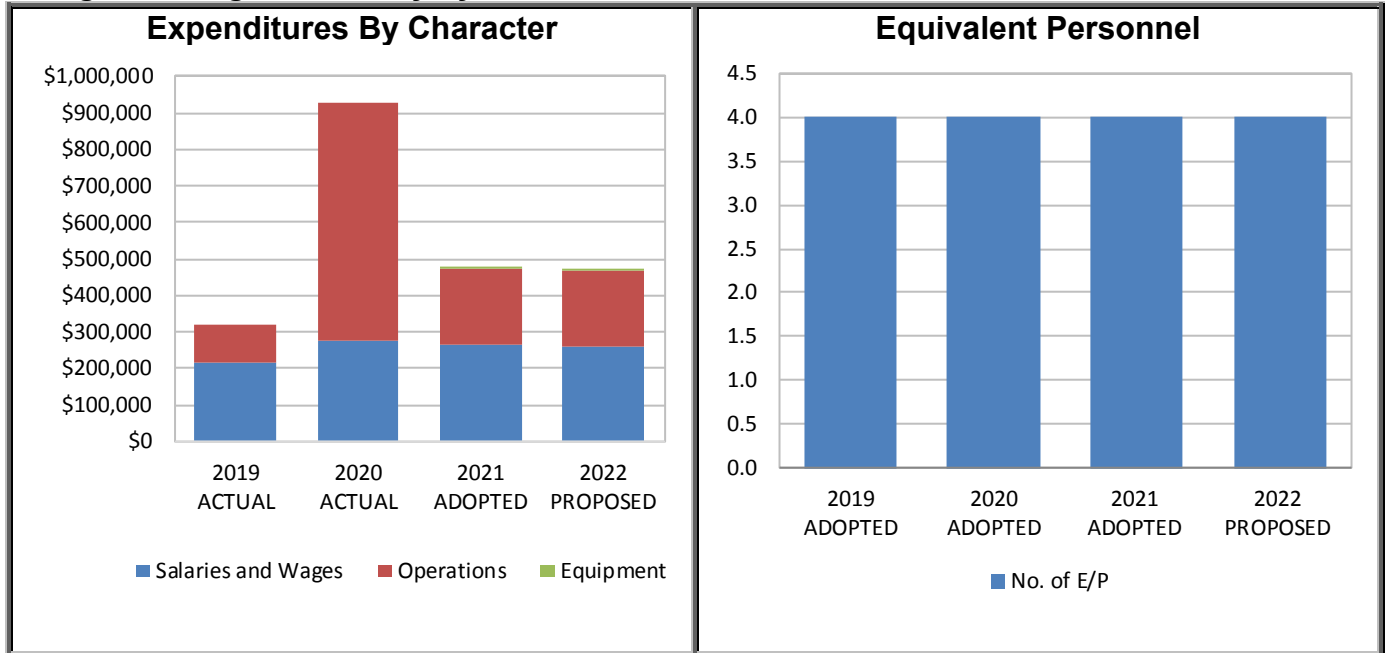

Prior years' grant funding provided 80% of the salary, 35% employee fringe and nominal indirect costs (3.5%) for the University of Hawaii Sea Grant extension agent on Maui, who essentially works full-time with the Planning Department's shoreline planners and assists with the County's compliance with State Coastal Zone Management (CZM) Law (Chapter 205A, HRS) for a period of 12 months. In FY 2021, the budget was increased to allow for 15 months of grant funding in order to align the grant agreement with the federal fiscal year, since the origin of the grant funds is a federal appropriation. FY 2022 returns to a budget for 12 months.

University of Hawaii Sea Grant – Dune Management and Public Shoreline Access Coordinator

This is a continuation from FY 2021's grant funding for a second University of Hawaii Sea Grant extension agent, to provide leadership and coordination for maintaining and possibly expanding the longstanding and very successful program that has previously been run by volunteers; it would also facilitate public coastal access such as improving existing shoreline access points and recommending new locations. As with the other Sea Grant position, FY 2021 funding was for a 15-month period in order to coincide with the federal budget cycle. FY 2022 proposes funding for 12 months.

Grant Award Description

Certified Local Government (CLG) Program

The Certified Local Government Program is administered by the Department of Land and Natural Resources State Historic Preservation Division. It provides federal funding for projects sponsored by counties with historic and cultural resources preservation programs that meet applicable standards.

Coastal Zone Management (CZM) Program

The CZM Program administers a sub-grant with the State. It is responsible for administering County and State czm regulations that protect shoreline and coastal resources and ensure public access to beaches, recreation areas, and natural reserves.

Department Summary

Mission

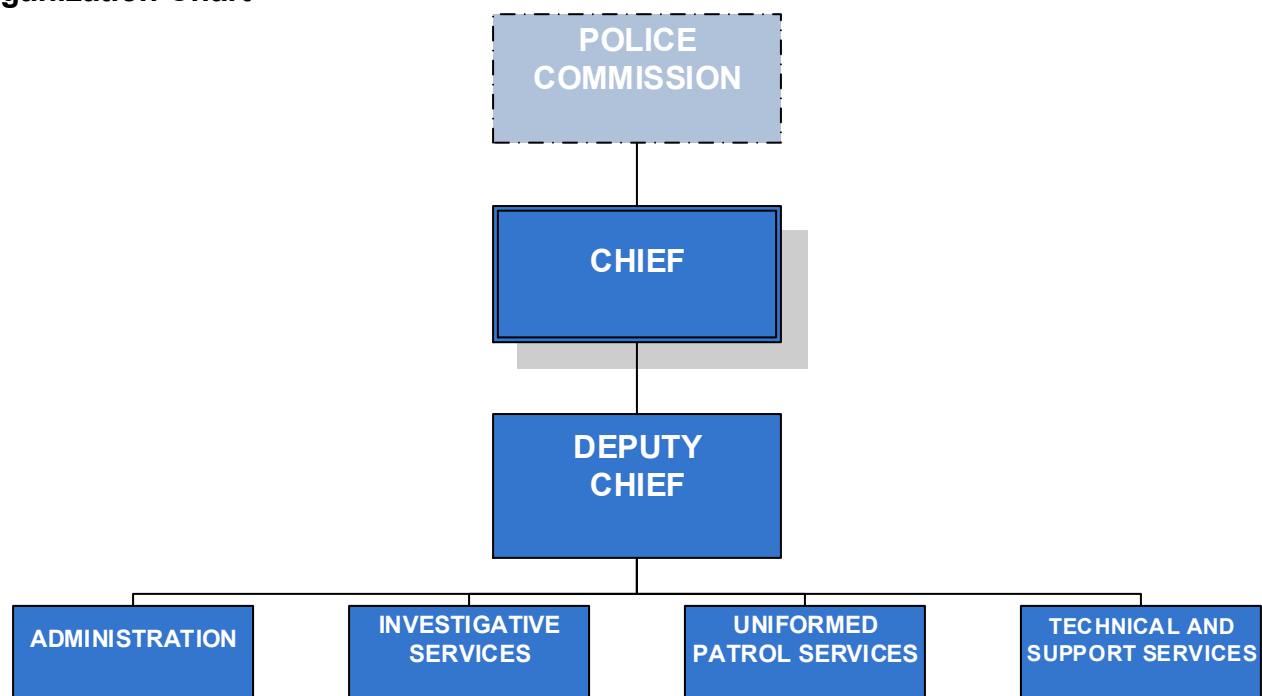

The purpose of the Maui Police Department ("MPD") is to ensure a safe community through the preservation of public and domestic peace, prevention of crime, detection and arrest of offenders of the law, protection of personal and property rights, and the enforcement of all Federal and State laws and County ordinances.

Countywide Outcome(s)

The Department of Police supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- A Well-planned Public Infrastructure
- A Prepared, Safe, and Livable County

Organization Chart

Strategies

- Enhance personnel development by maintaining a versatile and disciplined Police Department to meet the rising demands of law enforcement. Strategies include: effective leadership, planning, education, training and compliance with accreditation standards; developing and sustaining a sufficient and effective workforce through diligent and selective hiring practices; and providing support for employees and their families during and after critical incidents and traumatic events.
- Advocate fiscal management by ensuring fiscal accountability and successful budget management. Advocate energy efficiency by increasing energy efficiency measures and the use of renewable energy sources.

Department Summary

Strategies (Cont'd)

- Reduce crime and increase public safety through strategic planning, effective investigative practices, use of technology, and the efficient delivery of law enforcement services. Provide highway and roadway safety through effective enforcement strategies and public education.
- Enhance quality of life by ensuring excellence in service, with each individual deserving the highest quality of police service.
- Promote emergency preparedness toward homeland security and man-made/natural disasters through: inter-operable communications; intelligence/information sharing; providing first responders with specialized clothing and equipment for protection against health and safety hazards; conducting vulnerability assessments; providing training and exercises; planning; and emergency backup power/communications.
- Foster outside agency and community partnerships by promoting community involvement; build partnerships through community policing; provide instruction in crime prevention and safe neighborhoods; invest in youth-development strategies for our schools and children; and develop and maintain partnerships with County, State, and Federal law enforcement agencies as well as other agencies/organizations that benefit the community.

Operations

The MPD includes four programs: Administration; Investigative Services; Uniformed Patrol Service; and Technical and Support Services.

- The Administration Program provides effective overall administration of the Department in the management and direction of its employees. It establishes priorities and directs operations toward the preservation of public peace, prevention of crime, detection, and arrest of offenders of the law, protection of the rights of persons and property, and the enforcement of State laws and County ordinances.
- Investigative Services consists of five investigative components: Juvenile Crime Prevention Division, which investigates crimes involving juveniles and offers youth crime prevention and diversion programs through educational curriculum and counseling opportunities; Criminal Investigation Division, which investigates all major crimes, usually felonies and crimes defined by the Uniform Crime Reporting methodology; Domestic Violence Unit, which investigates Abuse of Family Household Member offenses and offers professional counseling for children of domestic violence; Vice Division, which investigates narcotic, gambling, and morals offenses; and Special Response Team/Career Criminal Unit, whose purpose is to regularly train for critical incidents requiring a tactical response.
- Uniformed Patrol Services plans, directs, and coordinates the operation of all field uniformed patrol units in the prevention of crime, enforcement of Federal, State, and County laws, and the apprehension and custody of violators.
- The Technical and Support Services Program plans, directs, and coordinates clerical, technical, and logistical support for other law enforcement units. Components include the Technical Services Section (Records, Motorpool, Radio Shop, and Building Maintenance), Communications Section,

Department Summary

Operations (Cont'd)

Plans and Training, Research and Development Section, Community Relations Section, and Information Technology Section.

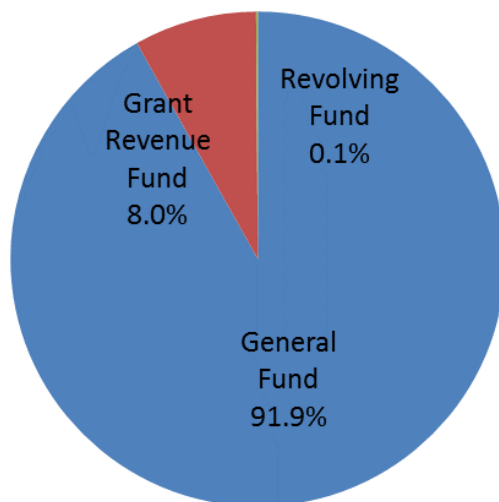

External Factors Description

The majority of our expenditures are for salaries and wages. External factors that impact salaries and wages include agreements with government employee unions, having personnel available to respond to natural and man-made disasters, and all other major events and activities requiring police presence. In addition, compliance with new laws and regulations may also require hiring of additional personnel. External factors that impact other expenditures include the variation in the cost of gasoline, utilities, maintenance agreements, rental agreements, vehicles, and replacement equipment.

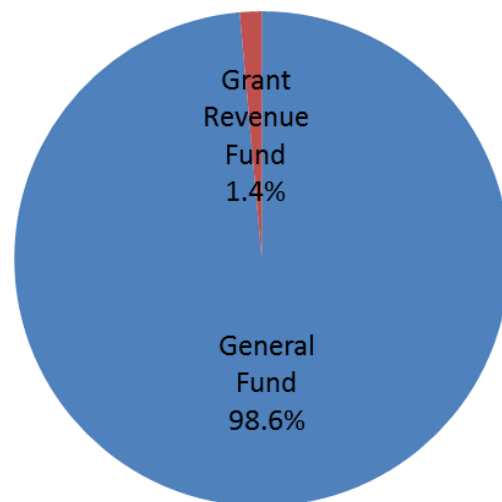

The MPD began to take progressive measures in the prevention of COVID-19, and also took action in support of the Governor's Emergency Proclamations and the Mayor's Public Health Emergency Proclamations and Rules. Some of these measures included assisting with the roadblock on Hana Highway, ensuring social distancing and mask compliance, enforcing violations of rules and orders, and assisting with airport details for incoming travelers. These efforts incurred additional overtime costs for the Department, for which a majority was reimbursed via the CARES Act.

Administration Program

Program Description

The Administration Program provides effective overall administration of the MPD in the management and direction of its employees. It establishes priorities and directs operations toward the preservation of the public peace, prevention of crime, detection and arrest of offenders of the law, protection of the rights of persons and property, and the enforcement of State laws and County ordinances.

Countywide Outcome(s)

The Administration Program supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- A Well-planned Public Infrastructure
- A Prepared, Safe, and Livable County

Population Served

The Administration Program serves Department personnel, the Police Commission, and the citizens and visitors to the islands of Maui, Lanai, and Molokai.

Services Provided

The Administration Program is comprised of the Office of the Chief, the Police Commission, Administrative Services, Criminal Intelligence, Internal Affairs, and Quality Assurance.

The Police Commission receives, reviews, and investigates any charges by the public against the conduct of the Department and its members, and submits a report of its findings and recommendations for disposition to the Chief of Police. The Police Commission also reviews the Department's annual budget request and is responsible for the appointment of the Chief of Police.

Administrative Services prepares and manages the Department's operating budget and accounting functions. Administrative Services also administers personnel matters, including those related to collective bargaining agreement compliance, personnel actions, payroll compensation, employee benefits, worker's compensation, and leave benefits. In addition, Administrative Services is responsible for the procurement function, travel related functions, and the financial reporting and monitoring of grants.

The Criminal Intelligence Unit provides information related to organized crime and other criminal activity, and disseminates that information to the appropriate departmental personnel and allied law enforcement agencies.

Internal Affairs conducts a variety of investigations including background checks, inquiries, and external complaint reviews.

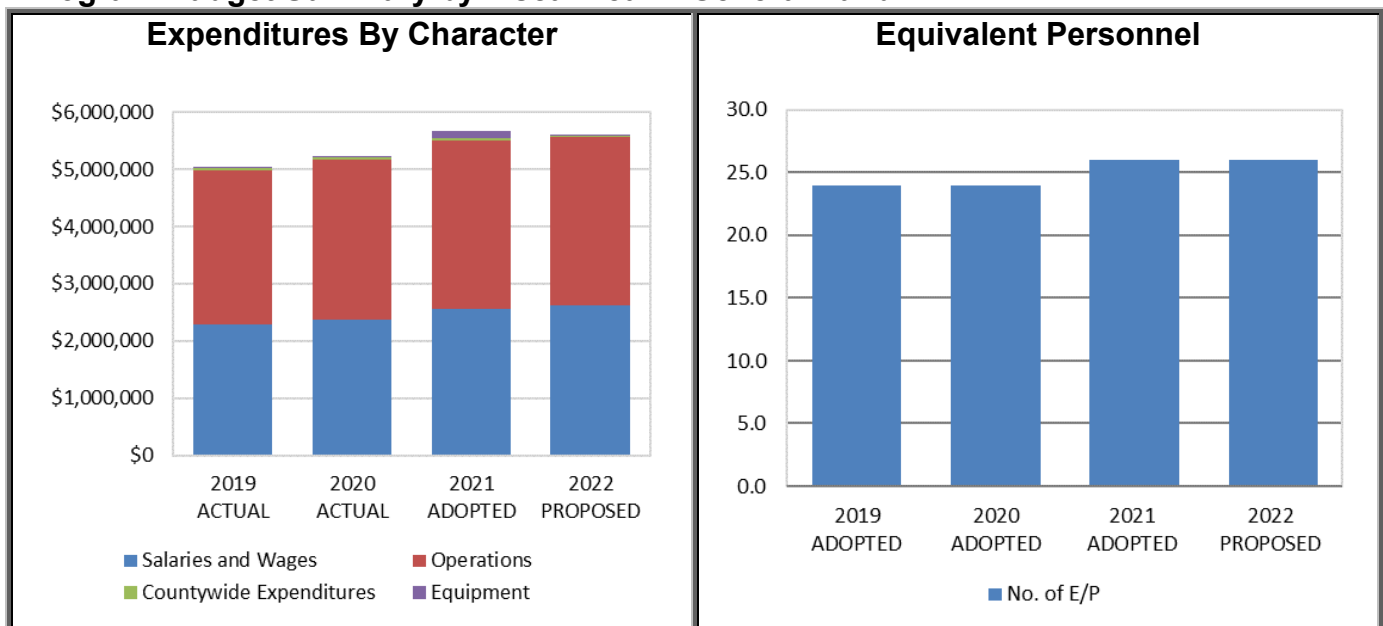

Quality Assurance conducts staff inspections and monitors the level of compliance with standards for law enforcement agencies established by The Commission on Accreditation for Law Enforcement Agencies ("CALEA"). This unit also includes the Department's intelligence and research analysis function.

Grant Award Description

State and Federal Assets Forfeiture Program

Pursuant to United States Code, Title 21, Section 821 and Chapter 712A, Hawaii Revised Statutes, the MPD is authorized to acquire a share of forfeited funds and/or property seized in accordance with Federal and State asset forfeiture programs. These assets and or proceeds may be used for law enforcement purposes to complement, but not supplant, the funding normally appropriated for such purposes.

Investigative Services Program

Program Description

The Investigative Services Program consists of five components: Juvenile Crime Prevention Division (JCPD), which investigates crimes involving juveniles and offers youth crime prevention and diversion programs through educational curriculum and counseling opportunities; Criminal Investigation Division (CID), which investigates all major crimes; Domestic Violence Unit, which investigates Abuse of Family Household Member offenses and offers professional counseling for children of domestic violence; Vice Division, which investigates narcotic, gambling, and morals offenses; and Special Response Team (SRT) Career Criminal Unit, whose purpose is to regularly train for critical incidents requiring a tactical response.

Countywide Outcome(s)

The Investigative Services Program supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- A Prepared, Safe, and Livable County

Population Served

The Investigative Services Program serves the citizens and visitors of the islands of Maui, Lanai, and Molokai.

Services Provided

The Investigative Services Program plans, organizes, and coordinates activities of the Criminal Investigation Division, Vice Division, Juvenile Crime Prevention Division, and the Special Response Team.

The CID investigates cases involving murder, robbery, sexual assault, aggravated assault, arson, theft, auto theft, forgery and fraud, financial crimes, domestic violence, and white collar crimes. Forensic Evidence Specialist provides technical support in the search, recovery, preservation, and analysis of evidence at crime scenes. The CID's Automated Fingerprint Identification System (AFIS) records and compares fingerprints to identify suspect individuals.

The JCPD investigates crimes involving juveniles and offers education, crime prevention, and intervention programs. The School Resource Officer (SRO) Program is a specialized unit of uniformed officers assigned to various schools, they partner with the Department of Education to provide prevention and intervention programs within our schools.

The Vice Division conducts investigations and enforces the laws that lead to the disruption of organizations involved in illegal drugs, prostitution, and gambling. The Criminalist function examines and analyzes a variety of physical and chemical substance, materials, liquids, and other evidence in accordance with prescribed standard methods and techniques.

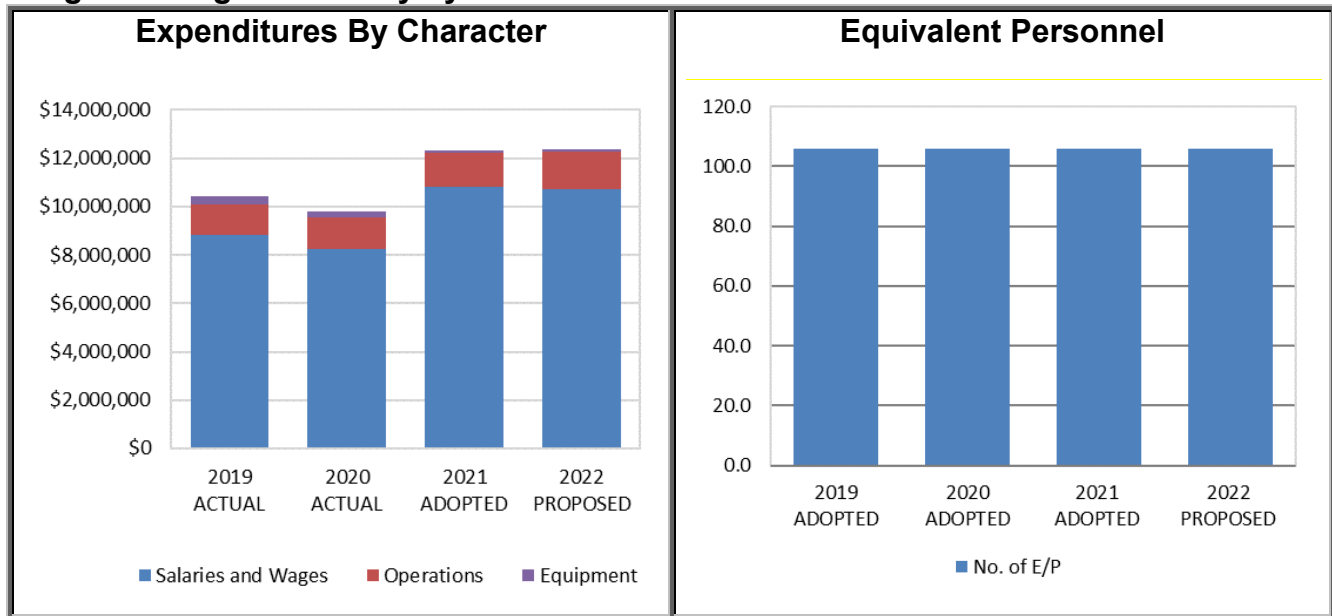

The Special Response Team (SRT) provides special weapons and tactical support to the Department in high risk situations.

Grant Award Description**Department of Health**

Grants from the Department of Health include the following:

Alcohol Sales to Minor – Department of Health (DOH)

The State Department of Health, Alcohol, and Drug Abuse Division provides funding for the enforcement of the state law prohibiting alcohol sales to minors.

Tobacco Sales to Minors Prevention Grant

The State Department of Health, Alcohol, and Drug Abuse Division allocates funding to enforce the state law prohibiting tobacco sales to minors.

Edward Byrne Memorial Justice Assistance Grants

Grants from the Department of Justice through the State Attorney General's (AG) Office include the following:

Statewide Multi-Jurisdictional Drug Task Force (SMDTF) – The AG allocates funding to disrupt the flow of drugs through the coordination of operations, drug seizures, and the sharing of information, personnel, and resources. The purpose is to reduce drug availability, drug crime,

Investigative Services Program***Statewide Multi-Jurisdictional Drug Task Force (SMDTF) (Cont'd)***

and drug use. The apprehension of mid to high-level distributors importing and distributing illegal narcotics into and within the State of Hawaii will be of high priority.

Cybercrime Unit Enhancement – This grant provides additional funding to help the MPD obtain specialized tools and equipment to increase the Department's digital forensic capabilities as well as to provide the ability to self-sustain digital forensics abilities in the event of federal equipment being recalled. It also helps obtain software and hardware components necessary to implement a digital evidence management system.

Other - Any other grant provided by the State AG's Office that is unknown at this time.

High Intensity Drug Trafficking Areas

As a key initiative of this grant, the Hawaii Interagency Mobile Police Apprehension Crime Task Force (HI IMPACT) is set up to dismantle, disrupt, arrest, and prosecute drug trafficking organizations, drugs, gangs, and organized crime groups involved in drug distribution, drug manufacturing, money laundering, and other drug-related crimes. Priorities shall include crystal methamphetamine, cocaine, heroin, marijuana, and ecstasy. Each county will organize its own IMPACT team in cooperation and consultation with the three other counties. They will work to develop cooperating witnesses and informants.

Office of Youth Services

Grants from the State Department of Health Office of Youth Services include the following:

Positive Outreach Interventions (POI)/Juvenile Accountability Incentive Block Grant (JAIB) - The State Department of Human Services Office of Youth Services allocates funding pursuant to the Federal Juvenile Accountability Block Grant Program or State funding to promote greater accountability in the juvenile justice system, which helps reduce the recidivism rate of juvenile offenders.

KALO Program – The KALO Program seeks to involve and engage parents and guardians, as well as youths, referred for services in a comprehensive four-week program incorporating the spirit and values of Aloha.

Violence Against Women Act (VAWA) – State AG

Domestic Violence Sex Assault - The State AG allocates funding to develop and strengthen effective law enforcement and prosecutorial strategies and victim services in cases involving crimes against women. It is part of Hawaii's Violence Against Women Formula Grant Program.

Other - Any other grant provided by the State AG's Office through the VAWA program that is unknown at this time.

Paul Coverdell Forensic Sciences Improvement Act

The Paul Coverdell Forensic Science Improvement Grants Program awards grants to help improve the quality and timeliness of forensic science and medical examiner services. It must be used for one of three purposes: To carry out all or a substantial part of a program intended to improve the quality and timeliness of forensic science or medical examiner services in the State; to eliminate a backlog in the analysis of forensic science evidence; or to train, assist, and employ forensic laboratory personnel as needed to eliminate such a backlog.

Uniformed Patrol Services Program

Program Description

The Uniformed Patrol Services Program plans, directs, and coordinates the operation of all field uniformed patrol units in the prevention of crime, enforcement of Federal, State, and County laws, and the apprehension and criminal charging of violators.

Countywide Outcome(s)

The Uniformed Patrol Services Program supports the following Countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- A Prepared, Safe, and Livable County

Population Served

The Uniformed Patrol Services Program serves the citizens and visitors of the islands of Maui, Lanai, and Molokai.

Services Provided

The Uniformed Patrol Services Program, commonly referred to as the “backbone of the police department,” consists of all field uniformed patrol units, including the Traffic Section and Crime Reduction Units. This program consists of six patrol districts: Wailuku, Lanai, Hana, Lahaina, Molokai, and Kihei. These patrol districts are responsible for providing services for the preservation of public peace, prevention of crime, and protection of life and property. The Traffic Section provides services in the enforcement of laws and ordinances pertaining to vehicular and pedestrian traffic on public highways. The Traffic Section also conducts criminal investigations of fatal and near-fatal motor vehicle crashes. The Crime Reduction Unit works with all patrol districts in identifying and combating specific crime trends.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Reduce crime and increase public safety with prevention methods.</i>				
1. Conduct special operations to prevent and suppress criminal activity by executing search warrants	% of USB search warrants cleared by arrest	88%	75%	75%
2. Provide highway and roadway safety through effective enforcement strategies	# of Operating Under Influence (OUI) arrests annually	489	1,000	1,000
	# of OUI sobriety checkpoints conducted annually	151	150	150
	# of drug and/or alcohol-related traffic fatalities annually	11	12	12

Grant Award Description

Department of Transportation Highway Safety

Child Restraint Program - The State Department of Transportation (DOT) provides funding to reduce motor vehicle - related crash injuries and/or fatalities in the areas of speed, occupant protection, and pedestrian and bicycle safety by conducting safe community activities. These include speed demonstrations, child safety seat inspections, ensuring proper use of child restraints and booster seats, pedestrian and bicycle safety workshops, and the development of additional safe community groups on Maui.

Distracted Driving Enforcement Grant - The goal of the grant is to reduce the number of drivers using electronic mobile devices while operating a motor vehicle, through education and enforcement.

Roadblock Enforcement/Youth Deterrence - The State DOT provides funding to: conduct Driving Under the Influence (DUI) checkpoints, which can reduce motor vehicle collision injuries and fatalities caused by alcohol and/or drug impaired drivers; and increase enforcement of the liquor laws pertaining to possession, consumption, and purchasing of alcohol by underage individuals.

Seat Belt Program/Occupant Protection Program - The State DOT provides funding to help reduce fatalities and injuries to all occupants of motor vehicle collisions by increasing seatbelt and child restraint usage through education.

Speed Enforcement Program - The State DOT provides funding to reduce speeding-related motor vehicle collision injuries and/or fatalities through speed enforcement programs, including selective enforcement and working with community groups in speed awareness programs.

Traffic Data Records Program - The State DOT provides funding to develop and maintain data as well as increase the accuracy of motor vehicle crash reports on a timely basis by acquiring personal computers, peripherals, and training to perform such tasks.

Traffic Services/Traffic Reconstruction Program - The State DOT provides funding to improve the efficiency of traffic investigations for fatal or near-fatal motor vehicle crashes.

The Uniformed Patrol Services Program does not have equivalent personnel funded through the Alarm System Revolving Fund.

Technical and Support Services Program

Program Description

The Technical and Support Services Program plans, directs, and coordinates clerical, technical, and logistical support for other law enforcement units. Components include the Technical Services Section (Records, Motorpool, Radio Shop, and Building Maintenance); Communications Section; Community Relations Section; and the Plans, Training, and Research and Development Section.

Countywide Outcome(s)

The Technical and Support Services Program supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- A Well-planned Public Infrastructure
- A Prepared, Safe, and Livable County

Population Served

The Technical and Support Services Program serves all Department personnel and the public.

Services Provided

Technical and Support Services is responsible for providing clerical, logistical, and technical support for the entire Department. The Technical Services Section maintains records of all legal instruments and reported incidents requiring police services; administers the permitting and registration of firearms; manages evidence; manages the maintenance and repair of all Department vehicles; maintains the public safety communications infrastructure; manages capital improvement projects and facility maintenance; and maintains the public safety two-way radio communications for Police, Fire, Ocean Safety, Public Works, and other county agencies who depend on reliable communications day-to-day and during crisis events.

The Communications Section is comprised of Dispatch and the Receiving Desk. Dispatch receives all calls for assistance for police, fire, and ambulance, and dispatches the appropriate personnel to assist while providing radio communications to field units. The Receiving Desk is the central booking and holding facility for all arrests.

The Community Relations Section develops and maintains rapport with the community by designing programs to provide students and people of the community with meaningful experiences related to functions of the law, and identifying and defining problems between police and the community. The Commander of the Community Relations Section also acts as the Public Information Officer for the Department.

The Plans, Training, and Development Section (PTD) provides recruit training, annual recall training, and other specialized training for Department personnel. The PTD is also responsible for new equipment and techniques, reviewing and evaluating training needs of the Department, as well as the development of immediate and long-range training programs.

The Records Section is the designated repository for all criminal and civil reports and investigations. This section is also responsible for firearms acquisition and registration, covered offender registration logging and maintaining criminal warrants, and retaining and storage of evidence. It services the public and other agencies with providing police reports and all motor vehicle accident reports.

Technical and Support Services Program

Services Provided (Cont'd)

The Technical Services Unit was established in FY 2014 with three Police Officers to support the use of the computerized Jail Management System and the Records Management System. This unit is responsible for training personnel on the use of computer systems, coordinating user interfaces with the Hawaii Criminal Justice System, and coordinating equipment replacements with the County of Maui's Information Technology Section.

The Motor-Pool Section is responsible for the continuous operations of the Department's fleet of vehicles. The unit develops specifications for vehicle purchases and services, and maintains all vehicles.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Enhance personnel development.</i>				
1. To maintain a versatile and disciplined police department necessary to meet the rising demands of law enforcement through effective leadership, planning, education, training and compliance to accreditation standards	# of specialized training sessions attended by department personnel annually where the employee rated the training to be satisfactory or above	416	25	25
2. Promote diversity through effective recruitment to match the workforce population	A minimum of two directed recruitment drives are conducted annually	16	2	2
3. Measure community satisfaction for police programs and determine the level of unreported and under-reported crime bi-annually. The bi-annual survey will assist the Department in determining how much confidence citizens have in asking the police for help	A Citizen's Survey is conducted every two years to measure community satisfaction with police services and programs	1	1	1
<i>Goal #2: Promote emergency preparedness.</i>				
1. Provide first responders with specialized clothing and equipment for protection against health and safety hazards	% of body armor replaced annually (sworn officers)	15%	20%	20%

Technical and Support Services Program

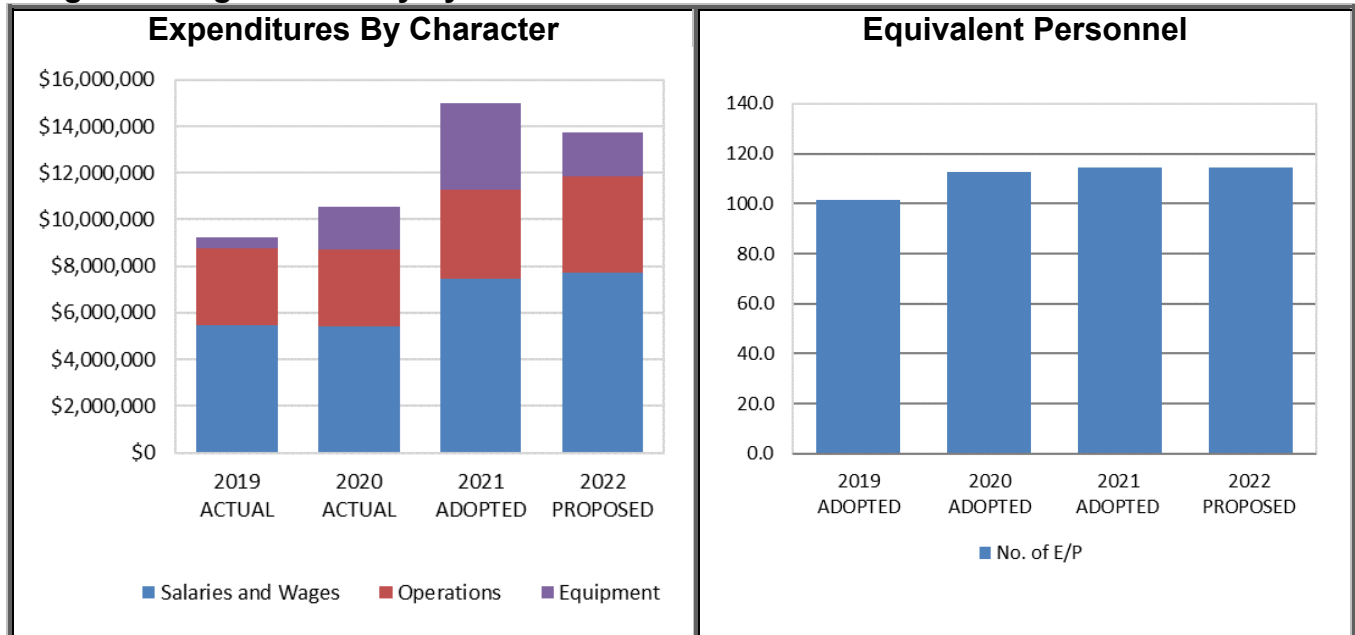

Key Activity Goals & Measures (Cont'd)

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #2: Promote emergency preparedness. (Cont'd)</i>				
2. Conduct vulnerability assessments and participate in training and exercises	An average of one Emergency Preparedness exercise (EPIC) conducted each month ¹	31	24	24
3. Prepare and maintain the MPD's capabilities to address homeland security and man-made/natural disasters through interoperable communications	% of mobile and portable radios maintained annually	87%	90%	90%
<i>Goal #3: Foster outside agency and community partnerships.</i>				
1. Invest in youth development strategies for our schools and our children	# of Drug Abuse Resistance Education (DARE) classes conducted	111	230	230
2. Support community programs and activities by promoting community involvement and providing instruction in crime prevention and safe neighborhoods	# of new Neighborhood Crime Watch programs established	4	5	5
	# of community outreach activities and programs participated in annually	89	12	12

¹The EPIC Awareness Program offers community organizations and institutions the opportunity for the Maui Police Department to come to their location and conduct an active shooter scenario. The purpose of the exercise is to provoke thought for community organizations and institutions to implement policies and procedures for an active shooter or terrorist type incident. Through the EPIC Awareness Program, a bridge of awareness and preparedness is created between the Maui Police Department and our Community Partners. That bridge is the bridge to a stronger community.

Grant Award Description

Community Oriented Policing Services (COPS) Program

The COPS program was developed by the U.S. Department of Justice to facilitate the hiring of new police officers devoted to community policing. It provides grant funding for the total salary and benefits for each community police officer over a period of three years. The County must then keep the position funded for an additional 12 months after the end of the grant.

Department of Health

911 Emergency Medical Service Dispatch Program: The State Department of Health provides funding for five full-time police radio dispatcher positions and a centralized 911 emergency receiving and dispatch communications center. They also support requests requiring emergency medical ambulance service.

Technical and Support Services Program**Grant Award Description (Cont'd)****Bulletproof Vest Partnership (BVP) Program**

The Bureau of Justice Assistance Bulletproof Vest Partnership program provides funding for the purchase of armored vests in compliance with the National Institute of Justice requirements.

Edward Byrne Memorial Justice Assistance Grant

The Department of Justice allocated monies for the County of Maui. This grant is shared between the Police Department and the Prosecutor's Office.

Edward Byrne Memorial Justice Assistance Grant - Competitive

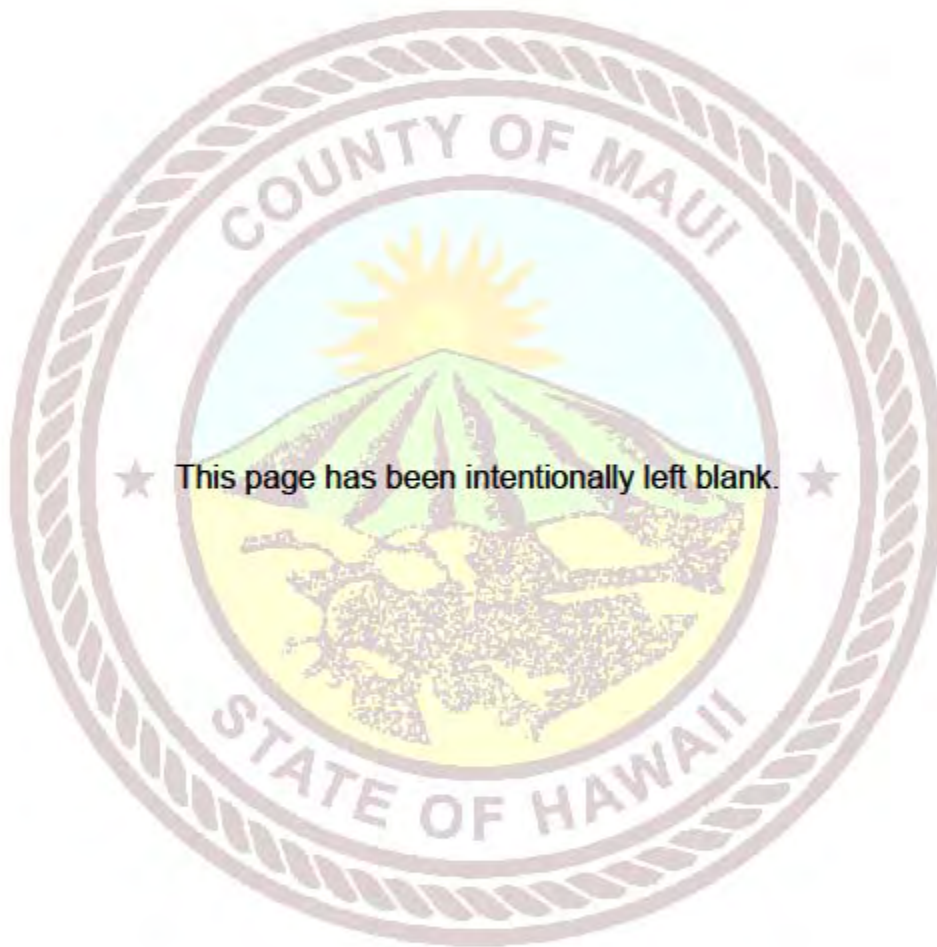

Grants provided by the State Attorney General's Office that is unknown at this time.

State E911 Wireless Commission

The MPD will be receiving an annual amount from a surcharge collected by the State's E911 Wireless Commission from wireless phone users as described in Act 159. The monies are earmarked to cover deployment and operating costs. In addition, they are funding a 6-year contract between the MPD and Pictometry International Corporation to provide a Pictometry Photographic System.

State Farm Neighborhood Assist Grant

The fields of interest for this grant are safety, community development, and education. The purpose of this program would be to boost participation in Neighborhood Crime Watch programs on Maui.

Department Summary

Mission

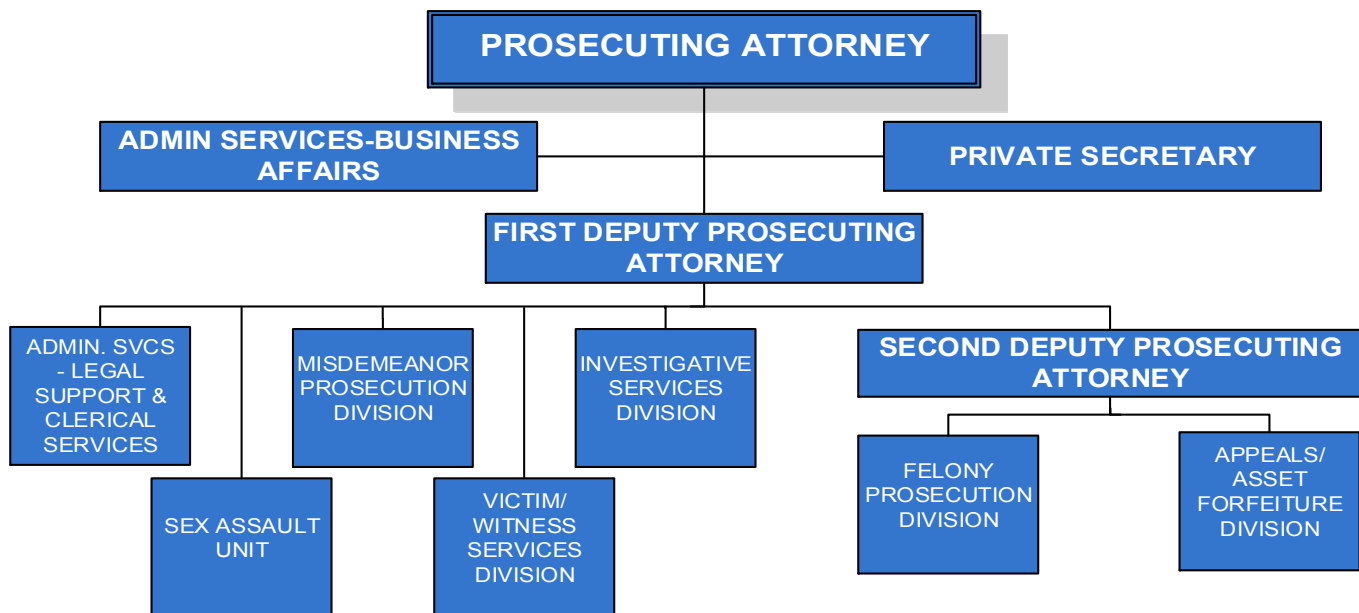

The Department of the Prosecuting Attorney's mission is to seek justice. Through competent leadership and integrity, the Prosecuting Attorney ensures that the pursuit of justice is done in a fair, effective, and efficient manner through a victim-centered approach in prosecution.

Countywide Outcome(s)

The Department of the Prosecuting Attorney supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- A Strong and Diversified Economy
- An Environmentally Responsible and Sustainable Community
- A Prepared, Safe, and Livable County

Organization Chart

Strategies

- Seek justice by prosecuting all cases through a victim-centered approach.
- Increase crime prevention and community collaboration through dedicated community engagement and community prosecution method. This multi-disciplinary team approach through public awareness of the criminal justice system, victimization, and prevention, helps to empower our communities and decrease fear of the system.
- Implement evidenced based models to better serve the County of Maui to better steward resources, honor community, and reduce and prevent crime through innovative programs and services.
- Recommend appropriate trainings to improve staff skills and knowledge for high performance outcomes.
- Seek and apply for state and federal grants to supplement Department's need for additional staff to assist in various units of the Department, and to purchase needed technological equipment to improve presentations in court as well as the filing of legal documents.

Department Summary**Operations**

- All prosecutors in the different units of the Department adhere to prosecuting cases through a victim-centered approach, with vertical prosecution in certain cases for consistency through all phases of the judicial process and for positive prosecution outcomes. This model ensures the safety of the victims, witnesses, and the community.
- Prosecutors and clerical support prepare and submit accurate and appropriate documents that meet court deadlines. Prosecutors must also be fully prepared to appear in court upon their scheduled court appearance.
- To reduce crime rates and build awareness of crime activities, select administrative staff and prosecutors from each unit provide community crime prevention trainings and participate in crime prevention panels and boards.
- Employees in the Department are responsible for attending trainings recommended by the administration, in order to improve their skills and knowledge.
- Implementation of projects is dependent upon grant awards; administration must comply with timelines for the submittal of progress reports to the grantor to continue receiving grant funds.

External Factors

The COVID-19 pandemic has not only drastically affected the physical, economic, and social well being of our county and state, but also our Department's ability to provide justice to our citizens in a victim-centered way. Based on the latest Hawaii Supreme Court mandate requiring the release of all prisoners who are not being held for crimes of violence or present a safety risk, we have been working diligently to minimize the danger that these released prisoners may have in the community. Because of this mandate, the Department has been unable to screen and charge hundreds of routine cases involving property and drug crimes. The pandemic has required distancing requirements, travel restrictions, and has suspended jury trials. This has created an enormous backlog of jury trials within the courts and has left many of our victims and families without the opportunity for justice and to be heard in court.

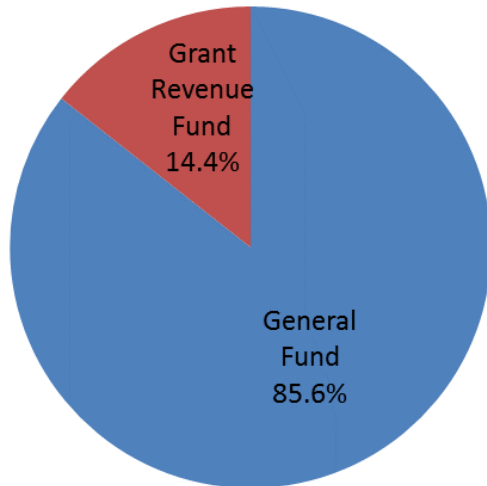

Support staff, investigators, counselors, and attorneys will be required to work longer hours to catch up with the backlogged screening cases and to prepare and present the dozens of backlogged jury trials.

The pandemic has severely impacted the economy and there is the uncertainty of state and federal grant funding. Agencies have imposed restrictions on grant awards. Grant revenue provides funding for personnel that are essential to assisting units in the Department. Additional grant funds awarded are used to provide training as well as purchase equipment and software to enhance prosecution efforts.

General Prosecution Program

Program Description

The General Prosecution Program includes Administrative Services, and the divisions and units by crime type: Appellate, Asset/ Forfeiture, Felony Prosecution, Screening Unit, Drug Unit, Family Court (Adult), Sexual Assault Unit, Special Prosecution (Career Criminal), Misdemeanor Prosecution, and Family Court - Juvenile Unit, Investigative Services Division, and Victim/Witness Services Division. The Administrative Services section provides fiscal, personnel, and management services for the Department. The General Prosecution Program provides essential support and tools for employees to perform their tasks effectively to achieve the Department's goals and objectives.

Countywide Outcome(s)

The General Prosecution Program supports the following countywide outcome(s):

- Affordable, Healthy, and Thriving Community
- Strong and Diversified Economy
- An Environmentally Responsible and Sustainable Community
- Prepared, Safe, and Livable County

Population Served

This program serves the Department's employees, the various county and state agencies, law enforcement agencies, private organizations, and citizens and visitors of Maui County.

Services Provided

The General Prosecution Program provides the legal and support staff to receive, screen, charge, and prosecute cases through the criminal justice system with the assistance of the Victim/Witness Services Division staff. It ensures the safety and protection of the victims, witnesses, and the community. This program also provides fiscal, personnel, and management services to divisions within the Department. It is responsible for maintaining quality control by ensuring that staff members are highly qualified and accountable to carry out their duties efficiently in prosecuting criminals fairly and with integrity, and that justice is served for the safety of Maui County.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Promote fair, impartial, and expeditious prosecutions in all units.</i>				
1. Continue to vertically prosecute sexual assault and homicide related crimes	% of national conviction rate	100%	80%	80%
2. To provide and educate victims/witnesses with support and information during the prosecution process.	% of victims/witnesses who utilized programs offered by our Victim Witness Program	100%	90%	90%
3. Continue the rate of adult charging decisions that are completed within set deadlines.	% of charging decisions made within the deadlines for Felony, Family Adult, Misdemeanor, and Juvenile Units	42%	80%	65%

Grant Award Description

The Department of the Prosecuting Attorney receives grant revenue funds that provide for personnel that are essential to assist units within the Department. The funds awarded are also utilized to provide training as well as purchase equipment and software to enhance prosecution.

Asset Forfeitures Program

This program provides for the use of asset forfeiture funds for law enforcement expenditures. Proceeds in this program are used according to federal and state guidelines to supplement law enforcement efforts.

Career Criminal Program

This state-mandated program strives to quickly identify, prosecute, and convict those persons who are habitual offenders or career criminals. The more experienced and highly skilled attorneys handle these cases, seeking maximum sentencing and increased bail. The state has defunded this program for FY 2022 and FY 2023, due to impacts from COVID-19.

General Prosecution Program**Grant Award Description (Cont'd)****Defendant/Witness Trial Program**

This program provides for the reimbursement to the county for expenditures relating to the prosecution of criminal cases.

Domestic Violence Investigations Program

This program provides for the salary of a full-time investigator assigned to provide follow-up services to attorneys prosecuting domestic violence cases. Examples of follow-up services are: victim voluntary statements, medical releases, photographic evidence, and copies of 911 tapes.

Edward Byrne Memorial Justice Assistance Grant

Federal funding supports technical assistance, training, equipment, supplies, contractual support, and information systems for criminal justice for the purpose of prosecution and court programs.

Food Stamp Fraud Prosecution Program

Fully investigated cases by the State Department of Human Services of food stamp fraud, within Maui County, are referred to the Department for prosecution. This program provides reimbursement to the county for services relating to the prosecution of food stamp fraud cases.

Highway Safety Grant Program

This program provides for the prosecution of intoxicated drivers to keep them off Maui County roads and highways for public safety.

Special Needs Advocacy Program

This program provides additional resources to assist victims of major violent crimes with crisis and support counseling, advocacy, social referral, case information, court testimony preparation, and accompaniment. The victims served (residents and visitors) are primarily those impacted by serious felony offenses such as homicide, negligent homicide, sexual assault, child abuse, and domestic violence. The program differs from Victim/Witness Assistance in that it is limited to direct services to victims alone and cannot include expenditures for such items as public education (excluding the training of volunteers) and non-victim witness management.

Victim/Witness Assistance Program

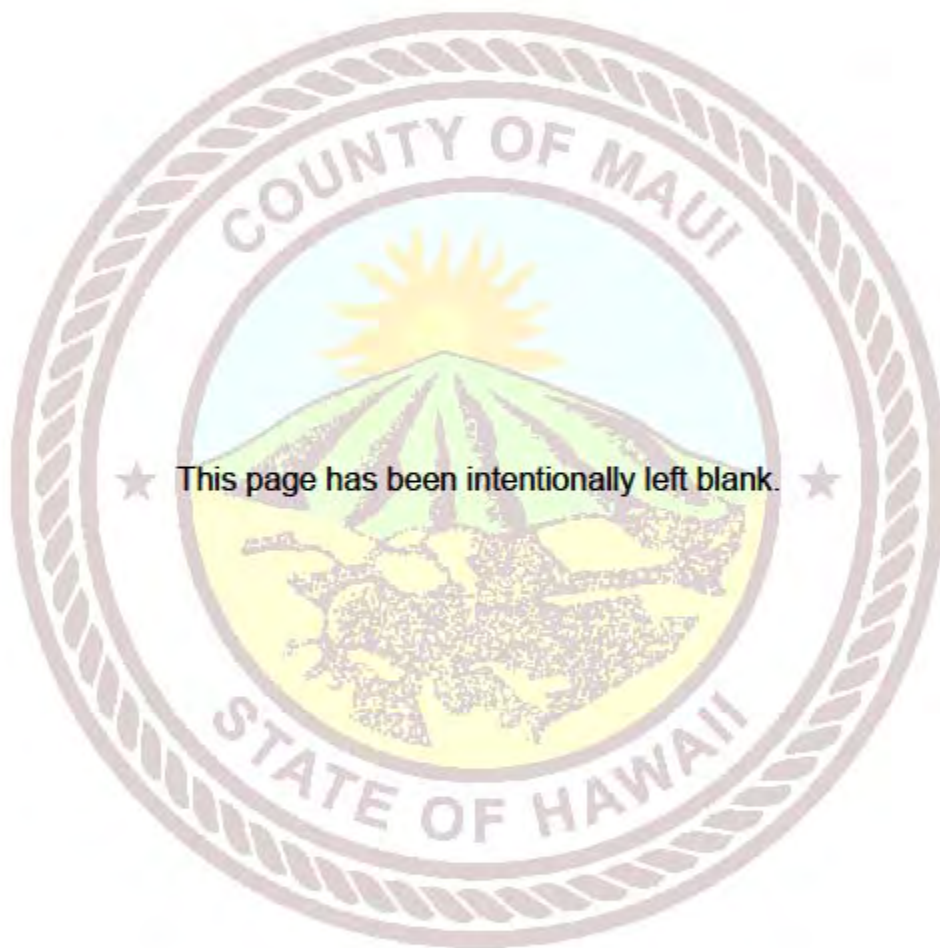

This program concentrates resources to assist victims of major violent crimes with crisis and support counseling, advocacy, social referral, case information, court testimony preparation, and accompaniment. The victims served (residents and visitors) are primarily those impacted by serious felony offenses such as homicide, negligent homicide, sexual assault, child abuse, and domestic violence. The state has defunded this program for FY 2022 and FY 2023, due to impacts from COVID-19.

Public Works

Mayor's Proposed Budget
FY 2022

★ This page has been intentionally left blank. ★

Department Summary

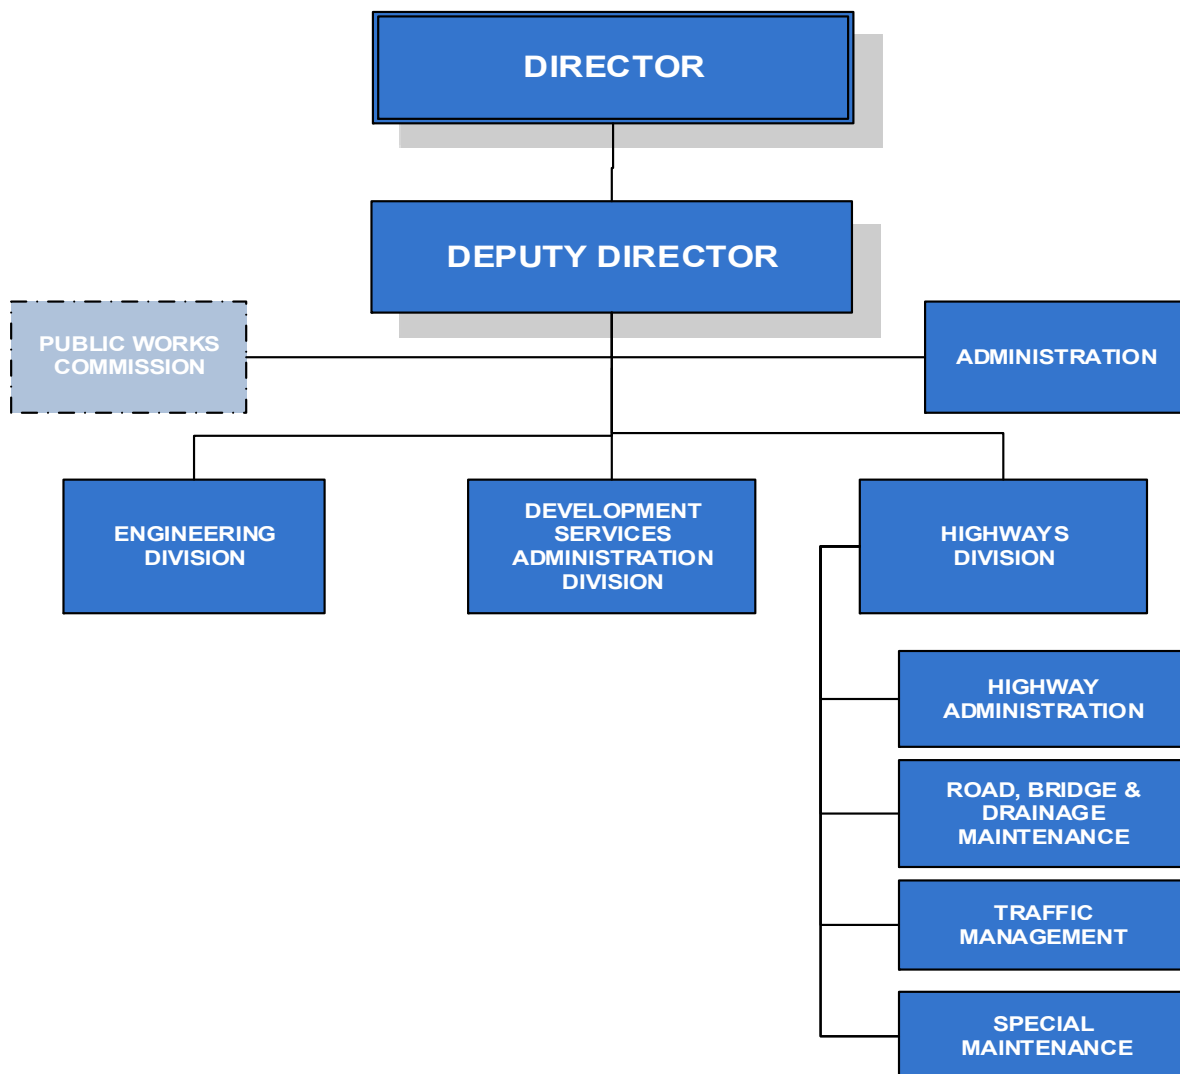

Mission

The Department of Public Works ("DPW") protects and enhances the quality of the public's health, safety, property and environment while promoting a strong and diversified economy by developing and operating the County's road, drainage and bridge systems, and by administering its building codes.

Countywide Outcome(s)

The DPW supports the following countywide outcome(s):

- Affordable, Healthy, and Thriving Community
- Strong and Diversified Economy
- Environmentally Responsible and Sustainable Community
- Well-planned Public Infrastructure
- Prepared, Safe, and Livable County

Organization Chart

Department Summary

Strategies

The Maui County DPW will pursue the following strategies to meet the demands of growth, changes in technology and population, and new regulatory mandates, while caring for the well-being and protection of our residents and visitors:

➤ **Retain, Develop and Recruit a Capable, Motivated and Diverse Workforce**

The DPW will develop a strategy to provide employees with a safe, healthy and supportive work environment, ensuring that each employee is valued and respected. Public Works Administration will work with each division to encourage staff participation in continuing education and training opportunities to enhance the effectiveness and skills of our employees.

➤ **Strengthen Community Partnerships**

The Department acknowledges the issues and opportunities that affect the quality of life of our residents and visitors in Maui County. DPW will continue to seek opportunities for the joint sponsorship and coordination of infrastructure development in our communities, and to develop private sector/public sector partnerships to further develop the Department's mission.

➤ **Maintain and Enhance Functional and Sustainable Roads, Bridges, and Drainage Facilities**

DPW will work with the County Administration and with the County Council to develop a strategy for funding needed repair and maintenance of our County roads, bridges, and drainage facilities. Funding for Capital Improvement Projects ("CIP") that maintain and enhance existing infrastructure as well as new infrastructure necessary to support future growth will also be sought during this budget request. These projects are necessary to enhance the quality of life of our residents and visitors. An in-house pavement preservation crew is utilized to provide cost-effective pavement maintenance in an effort to optimize the amount of work that can be done within budget and to keep costs at a minimum.

➤ **Increase Education and Public Participation**

The Department seeks to work with the community in developing solutions that benefit and meet the public's expectations. DPW intends to do this by providing community groups and organizations with information exchange sessions and presentations, and educating the community about DPW's responsibilities, its funding sources, and upcoming projects, while learning more about the community's needs and concerns. The Department will also work with the County's Communications Office to disseminate information regarding the initiatives and work being accomplished by the Department via social media networks, the County of Maui website, newspaper and radio agencies, and other media venues.

➤ **Providing Quality Customer Service**

Employees in every division of the DPW interact with residents and visitors on a daily basis. DPW will strengthen its delivery of customer service by developing strategies to increase efficiency and response times in processing permit applications, responding to requests for service, communication with the public, and our ability to transition smoothly from routine operations to emergency operations during times of need.

Operations

The Department of Public Works' Administration Program oversees and manages a department of three divisions: DSA, Engineering, and Highways. Each division is responsible for distinct functions within the County of Maui.

Department Summary**Operations (Cont'd)**

The Development Services Administration ("DSA") oversees activities related to development from the subdivision of land, to the inspection of buildings for conformance to codes. This division also provides staff support for the Public Works Commission and the Board of Variances and Appeals. DSA's responsibilities are distributed amongst eight sections as follows:

- Administration
- Subdivisions
- Civil Construction
- Building Permits
- Building Plans Review
- Building Inspections
- Electrical
- Plumbing

The Engineering Division plans, designs, manages, and inspects various types of Public Works improvements, such as roadways, bridges, drainage facilities, buildings, and other structures. In addition, the Division maintains engineering drawings, maps and data; approves street lights and street names for County roadways; administers the budget and operations of janitorial and grounds keeping services for the Kalana O Maui building, its annex, the Old Wailuku Courthouse and other Government facilities; and oversees the Department's CIP process, which is used to fund major infrastructure projects such as bridge replacement, road reconstruction, and federal-aid highway projects. To accomplish these responsibilities, the division is divided into five sections:

- Administration
- Land Management
- Planning and Design
- Engineering Services
- Construction and Building Maintenance

The Highways Division is responsible for the maintenance of County roadways, drainage systems, flood-control facilities, and appurtenant structures such as sidewalks and guardrails. Roadway maintenance includes the application of pavement preservation techniques such as crack seals, slurry seals, and mill & fill pavement resurfacing. The Division also constructs minor road improvements; enforces the removal of obstructions within road right-of-ways; installs, replaces and upgrades sign posts and signs; re-stripes pavement markings; repairs and maintains all traffic signal lights under the County's jurisdiction; acquires, inspects, and maintains all County vehicles and construction equipment, with the exception of the Departments of Police, Water and portions of Fire and Public Safety; operates and maintains three Veterans cemeteries (Maui, Molokai and Lanai); maintains the Hana Civic Center; coordinates the County's MS4 storm water management program; maintains all County street trees through the County arborist; and assists other agencies as approved by the Mayor and/or Director of Public Works.

To accomplish these responsibilities, the Division is divided into six districts: Wailuku, Makawao, Lahaina, Hana, Molokai, and Lanai. Each district oversees its own road, bridge and drainage maintenance program, as well as its own garage services. Countywide services are provided for traffic signs and markings, traffic signals, asphalt pavement preservation, MS4 storm water management, and street tree maintenance.

Department Summary**External Factors Description**

The following critical forces and trends were identified as having great impacts to the Department's everyday functions.

➤ **Regulations and Increasing Costs for Maintenance Activities**

The development of new Federal/State/County regulations that are sometimes unfunded pose a challenge to our organization's ability to maintain County-owned facilities and rights of ways, and carry out or review projects in a timely and cost-effective manner. Additionally, increasing costs for inputs such as parts, supplies, fuel, equipment, and professional services, combined with flattening revenue projections resulting from declining fuel and electricity consumption by consumers, impact our ability to deliver services and meet the demands of the public. As a four-island county, we also experience duplication of services and staffing, as well as increased shipping costs associated with the movement of shared equipment between districts. The Covid-19 pandemic has also had a significant impact on all of the Divisions within DPW. Requirements for social distancing and smaller groups/gatherings have resulted in less efficient work environments, which has negatively impacted our ability to provide a high level of customer service in a timely fashion. The pandemic has also caused a significant decrease in fuel tax revenue, which is a key funding source for the Highway Fund. This revenue decline decreases the volume and size of Capital Improvement Projects that the Department is able to fund using internal resources, causing delays in projects or the need to use borrowed funds (bond funding) to supplement the available County funding.

➤ **Aging Infrastructure**

Aging, deteriorating, and obsolete infrastructure, along with rising expectations for the delivery of infrastructure improvements, challenge our ability to meet public expectations. The cost to maintain, repair, and replace infrastructure is projected to rise. Deferring maintenance of our infrastructure not only increases maintenance costs, but also shortens the life cycle of the infrastructure.

➤ **Population Growth and Increased Service Requests**

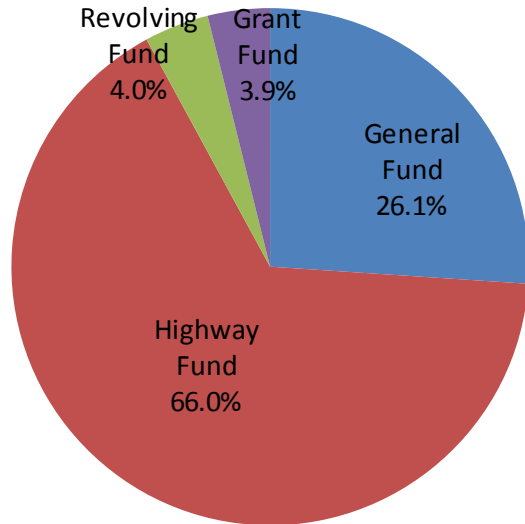

As growth occurs within our communities, more roadways, facilities and an increase in service needs affect our Department's ability to provide basic services.

The Department is not only charged with the development and maintenance of the County's road, drainage, bridge systems, and the administration of the County's building codes, but also provides support and services to other departments. The wide range of services that the Department provides will require greater technology to monitor and track service requests, updated equipment to provide those services, and a well-trained and well-staffed workforce to provide efficient and effective services.

Administration Program

Program Description

The Public Works' Administration Program oversees and manages a Department of three divisions with 299 full-time positions.

Countywide Outcome(s)

The Administration Program supports the following countywide outcome(s):

- Affordable, Healthy, and Thriving Community
- Strong and Diversified Economy
- Environmentally Responsible and Sustainable Community
- Well-planned Public Infrastructure
- Prepared, Safe, and Livable County

Population Served

The Administration Program serves Maui County residents and Department employees.

Services Provided

The Administration Program works with staff to identify staffing and equipment needs, to clarify existing regulations and examine modifications to departmental policies, and to work with staff in enhancing existing programs to better serve the public.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Provide ethical and professional direction as well as training to employees so that they perform their responsibilities effectively and efficiently.</i>				
1. Train and monitor employees annually so that the Department has a highly qualified and competent staff that meets the expectations of the public and the demands of the employees' profession	% of staff attending training relating to Equal Employment Opportunity, Workplace Violence, and the County of Maui's Policy Against Discrimination	N/A	N/A	95%
	% of Department employees completing two National Incident Management System (NIMS) and Incident Command System (ICS) courses	85%	95%	95%

Grant Award Description

Private Donations

The Department is anticipating to receive private contribution from the Kaiaulu O Kupuohi Traffic Mitigation Fee, Maui Lani Parkway, and Kamehameha Avenue Intersection Improvements projects.

Engineering Program

Program Description

The Engineering Program provides engineering and inspection services to plan, design, and construct highway, drainage, and bridge improvements for the County of Maui. The program implements drainage and traffic master plans for the County, performs survey and land acquisition functions, and reviews subdivision and construction plans.

Countywide Outcome(s)

The Engineering Program supports the following countywide outcome(s):

- Strong and Diversified Economy
- Well-planned Public Infrastructure
- Prepared, Safe, and Livable County

Population Served

The Engineering Program serves the residents, visitors, and businesses of the County of Maui.

Services Provided

Provides surveying and land-related services; master plans for roadway and drainage systems; provides technical advice to other Public Works divisions and other County departments; develops design standards for roadway and drainage improvements within the County; and administers the National Bridge Inspection and Replacement Program. The Engineering Program also operates and maintains the janitorial and groundskeeping services for the Kahului Service Center, Kalana O Maui building, and its annexes.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Establish an eco-friendly transportation system to enhance non-motorized transportation infrastructure, which will promote health and wellness and reduce the County's dependence on fossil fuel.</i>				
1. Increase and improve access to non-motorized modes of transportation	# of new sidewalks installed in lane feet ("LF") annually	3,181	1,000	3,100
	# of bike lanes/paths constructed in LF annually	5,048	1,000	2,200
	# of wheelchair ramps installed annually	4	10	4
<i>Goal #2: Provide routine maintenance by resurfacing, reconstructing, rehabilitating, or preserving County roads, bridges, and drain lines to ensure accessibility and a safe riding surface.</i>				
1. Rehabilitate and maintain county road, bridge, and drainage infrastructure on a regular basis to maximize lifespan of such infrastructure	# of lane miles reconstructed, rehabilitated, and resurfaced annually	17	24	22
	# of lane miles preserved annually	0	0	0

Grant Award Description

Federal Highway Administration, Federal-Aid and Other Transportation Grants

Federal Highway Administration ("FHWA") appropriations are administered by the State of Hawai'i Department of Transportation to construct or rehabilitate roadway infrastructure for the County. The balance of the cost is reimbursed to the County. It is a multi-modal transportation improvement program that is developed utilizing existing transportation plans and policies, and current highway, transit and transportation programming processes. The Statewide Transportation Improvement Program (STIP) delineates the funding categories and the federal and local share required for each project. The Maui Metropolitan Planning Organization (Maui MPO) creates the constrained Maui Transportation Improvement Program (Maui TIP) for Federal Fiscal Years 2019-2022 utilizing asset management system priorities and performance criteria.

¹ These grant awards are not included in the totals shown in the Department Summary section; these Grant Revenues are allocated for capital projects and presented in the Capital Improvement Program section of the budget book.

Engineering Program**Grant Award Description (Cont'd)****State of Hawaii Department of Transportation - Safe Routes to School Program Special Fund**

The Safe Routes to School Special Fund is administered by the State of Hawaii Department of Transportation to be used for infrastructure and non-infrastructure (education, equipment, etc.) improvements that benefit elementary and intermediate school students, encourage walking and bicycling to school or reduce traffic around schools. The program makes funding available for a wide variety of infrastructure and non-infrastructure projects, from building safer street crossings to establishing programs that encourage children and their parents to walk and bicycle safely to school.

Special Maintenance Program

Program Description

The Special Maintenance Program provides janitorial and groundskeeping services for the Hana Civic Center; operates and maintains three Veterans cemeteries (Maui, Molokai and Lanai) and seven County cemeteries; provides preventative maintenance and repair for all County vehicles and construction equipment with the exception of the Departments of Police, Water and portions of Fire and Public Safety; manages the fuel and maintenance budgets for General Fund vehicles and construction equipment; coordinates the County's MS4 storm water management program; maintains all County street trees through the County arborist; administers the payment of State Dam Inspection and Impound fees; and provides reimbursement to the Highway Fund for personnel and equipment utilized on non-Highway Fund activities such as assisting other departments or outside organizations.

Countywide Outcome(s)

The Special Maintenance Program supports the following countywide outcome(s):

- Environmentally Responsible and Sustainable Community
- Well-planned Public Infrastructure
- Prepared, Safe, and, Livable County

Population Served

The janitorial and groundskeeping services provided through the Special Maintenance Program serves visitors of the Veterans and County cemeteries, as well as visitors to the Hana Civic Center. The garage services provided by this program serve all County agencies except the Departments of Police, Water and portions of Fire and Public Safety. The storm water management and street tree maintenance activities of the program serve all residents and visitors of Maui County.

Services Provided

The Special Maintenance Program provides janitorial and groundskeeping services; vehicle and equipment maintenance and repair services including oil change, battery/tire replacement, engine repair and body/fender repair; street tree maintenance; and storm water management services.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Provide timely services to County facilities and equipment under Department's jurisdiction.</i>				
1. Respond to all cemetery work order requests within 24 hours	% of cemetery work order requests responded to within 24 hours	100%	100%	100%
<i>Goal #2: Provide ethical, professional direction, and training to employees so that they perform their responsibilities effectively and efficiently.</i>				
1. Training for all Garage Services mechanics in diagnosing and repairing vehicles and equipment	% of garage mechanics trained each year	80%	50%	50%
	# of training hours offered each year per garage mechanic	46	40	40

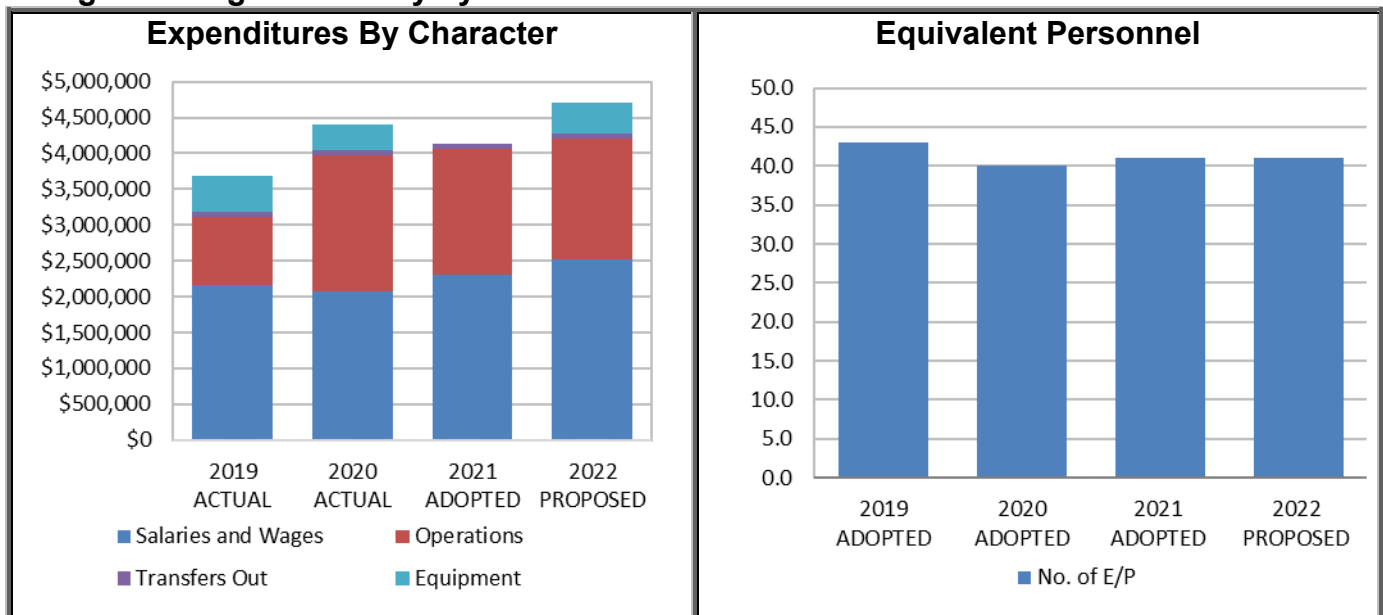

Special Maintenance Program

Key Activity Goals & Measures (Cont'd)

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #3: Provide fleet services in a timely, efficient, and cost-effective manner.</i>				
1. Control and reduce vehicle operating costs by providing regular servicing and maintenance	% of time spent on scheduled preventive maintenance as opposed to unscheduled repair of motor vehicles	36%	40%	40%
	% of time spent on scheduled preventive maintenance as opposed to unscheduled repair of heavy equipment	37%	75%	50%
2. Ensure that expenditure trends support long-term sustainability	Average maintenance cost per light vehicle	\$274	\$100	\$200
	Average maintenance cost per heavy equipment vehicle	\$580	\$300	\$400

*To be determined by analysis/estimates from special maintenance.

The Special Maintenance Program does not have equivalent personnel funded through the Revolving Fund

Development Services Administration Program

Program Description

The Development Services Administration (“DSA”) Program is primarily responsible for the administration of subdivision, building, electrical, plumbing, grading, driveway, roadway and other construction codes. It also provides staff support for the Public Works Commission and the Board of Variances and Appeals.

Countywide Outcome(s)

The DSA Program supports the following countywide outcome(s):

- Affordable, Healthy, and Thriving Community
- Strong and Diversified Economy
- Environmentally Responsible and Sustainable Community
- Well-planned Public Infrastructure
- Prepared, Safe, and Livable County

Population Served

The DSA Program serves applicants for subdivisions and DSA-issued permits (such as building, electrical, plumbing, grading, driveway, roadway, etc.), as well as the general public through Requests for Service (“RFS”).

Services Provided

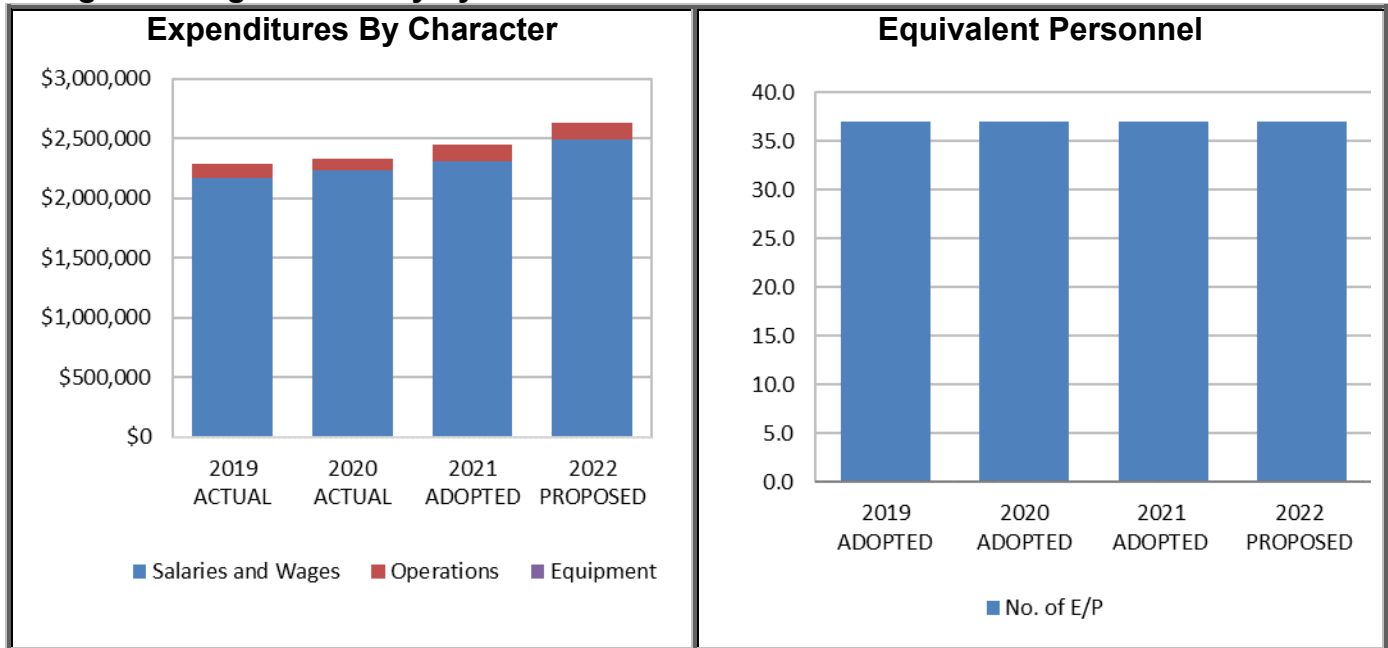

The DSA Program provides services relating to code enforcement and the issuance of permits under the jurisdiction of DSA.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Respond to public inquiries efficiently.</i>				
1. Minimize the # of business days taken to create an RFS submitted in person or by mail	# of business days (median) taken to create a RFS submitted in-person or by mail	1	1	1
2. Conduct investigations for grading and drainage issues and compliance with building, electrical and plumbing codes as requested through RFS within five business days from the day of receipt	# of business days (median) taken to conduct an initial site assessment	2	5	2
3. Furnish copies of Building Permits and Certificate of Occupancy as requested via RFS within five business days or less from the date of request	# of business days (median) taken to furnish copies of requested documents	17	5	9

DSA – Building Permit Program

Program Description

The DSA-Building Permit Program collects a plan review fee from each building permit applicant. The fees are used to facilitate the building permit process. The program performs plan check and inspection services, as well as permit clerk services, which include distribution, monitoring of permit status and maintaining the permit tracking system.

Countywide Outcome(s)

The DSA – Building Permit Program supports the following countywide outcome(s):

- Affordable, Healthy, and Thriving Community
- Strong and Diversified Economy
- Environmentally Responsible and Sustainable Community
- Well-planned Public Infrastructure
- Prepared, Safe, and Livable County

Population Served

The DSA – Building Permit Program serves the applicants for building, electrical and plumbing permits.

Services Provided

The DSA – Building Permit Program issues building, electrical and plumbing permits, and performs building, electrical and plumbing inspections.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Process building, electrical, and plumbing permit applications efficiently.</i>				
1. Review building permit applications for building code compliance and respond to applicants with concise and clear information within 15 business days or less	# of business days taken to review building permit applications for building code compliance for new, single-family dwellings	14	5	12
	# of business days taken to review building permit applications for building code compliance for residential additions and alterations	16	7	13
	# of business days taken to review building permit applications for building code compliance for new commercial buildings and tenant improvements	14	5	11

Highways Administration Program

Program Description

The Highways Administration Program provides policy guidance, administrative oversight, and support services to the Road, Bridge, and Drainage Maintenance Program, Garage Services Program, and Traffic Management Program of the Highways Division, and provides emergency management services to the County of Maui that would protect life, property, and the environment.

Countywide Outcome(s)

The Highways Administration Program supports the following countywide outcome(s):

- Affordable, Healthy, and Thriving Community
- Strong and Diversified Economy
- Environmentally Responsible and Sustainable Community
- Well-planned Public Infrastructure
- Prepared, Safe, and Livable County

Population Served

The Highways Administration Program provides policy guidance, administrative oversight, and support services to the employees of the Highways Division. Emergency management services are provided to the resident and visitor population of the County of Maui.

Services Provided

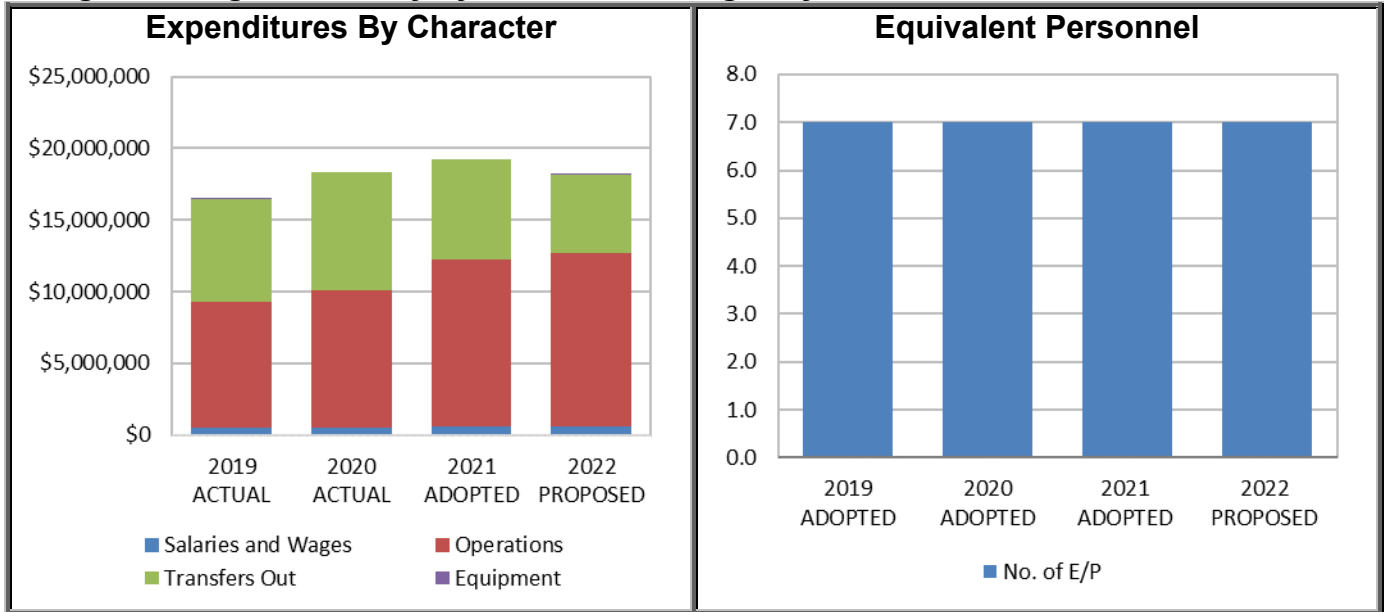

The Highways Administration Program provides policy guidance, administrative oversight, support services, and emergency management services.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE

Road, Bridge, and Drainage Maintenance Program

Program Description

The Road, Bridge, and Drainage Maintenance Program protects the public's investment in its highway infrastructure by providing a program of pavement preservation, cleaning, and maintaining drainage facilities, and by supporting the maintenance of its bridges. In doing so, the program protects the public's health, safety, and property.

Countywide Outcome(s)

The Road, Bridge and Drainage Program supports the following countywide outcome(s):

- Affordable, Healthy, and Thriving Community
- Strong and Diversified Economy
- Environmentally Responsible and Sustainable Community
- Well-planned Public Infrastructure
- Prepared, Safe, and Livable County

Population Served

This program serves the residents, businesses, and visitors of the County of Maui.

Services Provided

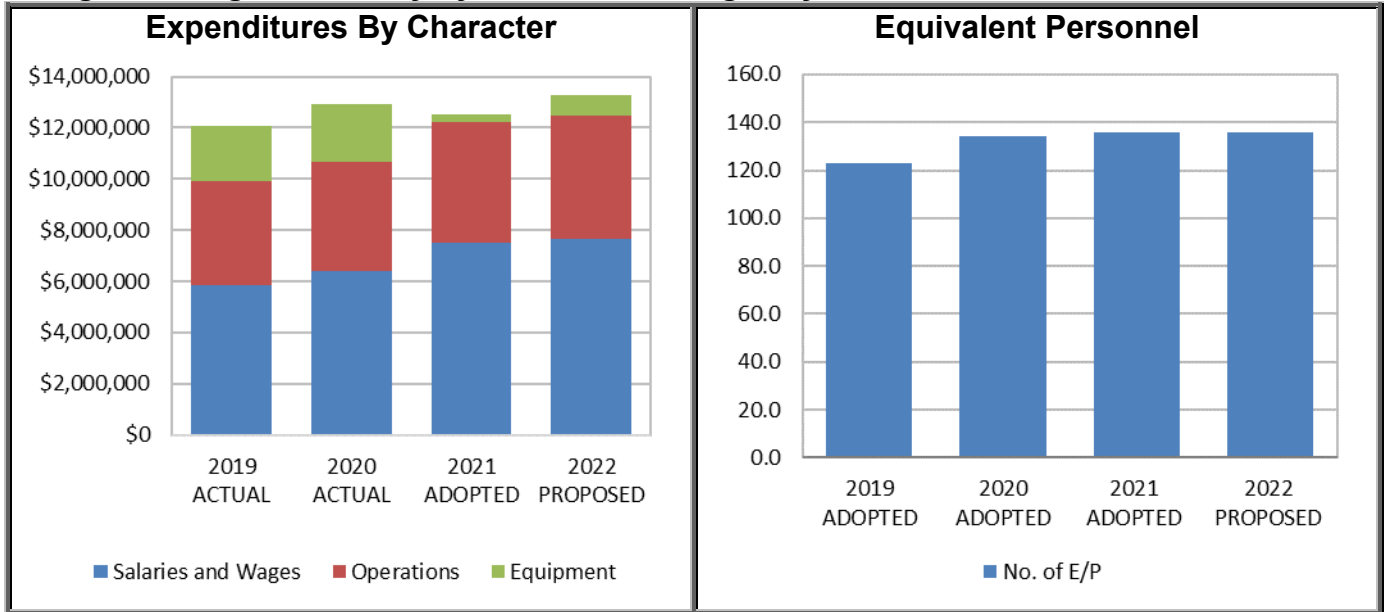

The Road, Bridge, and Drainage Maintenance Program provides road, bridge, and drainage maintenance, in addition to disaster response, mitigation, and recovery assistance. Services are provided through six district offices, which include: Wailuku, Makawao, Lahaina, Hana, Molokai, and Lanai.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Effectively maintain County streets and drainage facilities and develop sustainable roadways to extend pavement lifespan and minimize capital improvement costs.</i>				
1. Extend the lifespan of county streets and drainage facilities	# of lane miles of roads slurry sealed (microsurfaced) in-house (countywide) annually	15	15	15
	# of lane miles of roads re-surfaced in-house (countywide) annually	10	5	7
<i>Goal #2: Improve effectiveness and efficiency of program's service by providing timely response to service requests.</i>				
1. Respond to requests to repair potholes within 24 hours	% of potholes reported that have been repaired within 24 hours	95%	95%	95%

Traffic Management Program

Program Description

The Traffic Management Program provides for the safety of the traveling public by establishing and maintaining clear directions and controls on the use of roads through its traffic signs, pavement markings, and traffic signals.

Countywide Outcome(s)

The Traffic Management Program supports the following countywide outcome(s):

- Affordable, Healthy, and Thriving Community
- Well-planned Public Infrastructure
- Prepared, Safe, and Livable County

Population Served

The Traffic Management Program serves the residents, visitors, and businesses of the County of Maui.

Services Provided

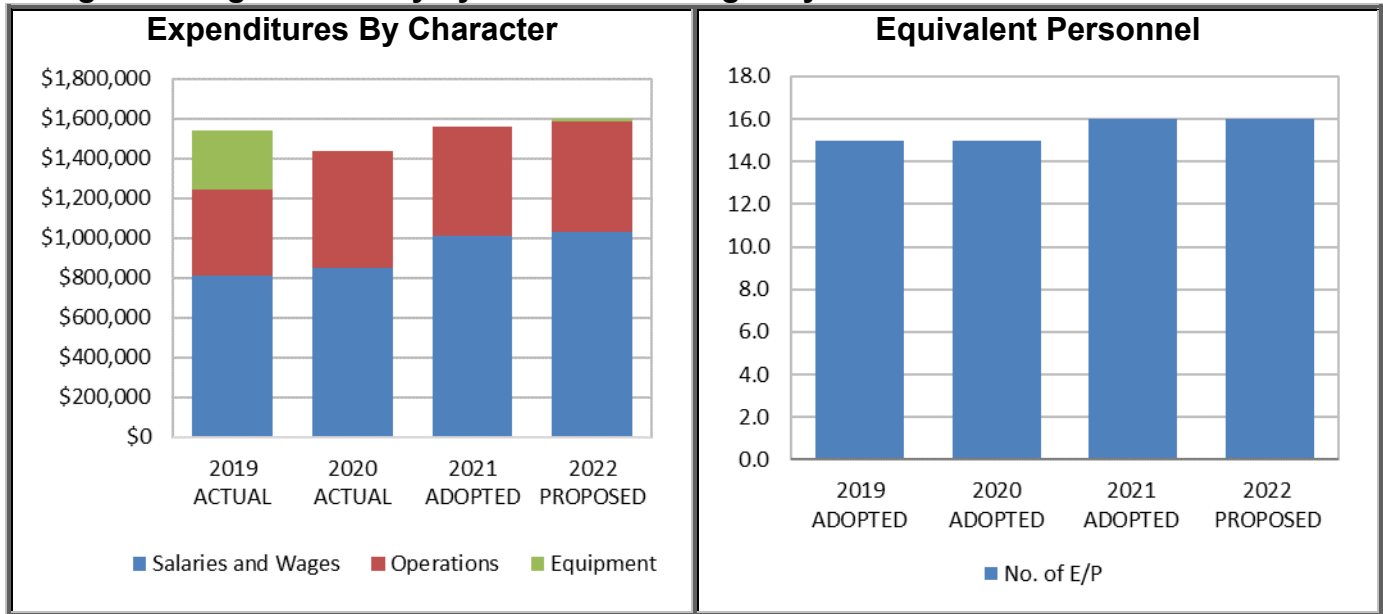

The Traffic Management Program installs, replaces, and upgrades sign posts and signs in accordance with the Manual of Uniform Traffic Control Devices ("MUTCD") and re-stripes pavement markings as required. Repairs and maintains all traffic signal lights under the County's jurisdiction. Repairs and maintains roadside solar-powered emergency call boxes, Rectangular Rapid Flash Beacon (RRFB), Speed Limit/Stop Flashers, school speed radar, and municipal parking lots.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Enable the safe and efficient use of County transportation systems and public spaces by repairing and maintaining County traffic signs, markings, and signals in a timely manner.</i>				
1. Complete the repair and maintenance of County traffic signs and markings to fully comply with the 2009 MUTCD retro reflectivity standards in the next 10 years	% of compliance each year	40%	20%	20%
	# of lane feet restriped each year	47,800	40,000	40,000
	# of crosswalks repainted each year	68	10	20
2. Inspect each of the County's thirty-five signalized intersections at least once per year.	# of traffic signal inspections completed each year	28	35	35

★ This page has been intentionally left blank. ★

Department Summary

Mission

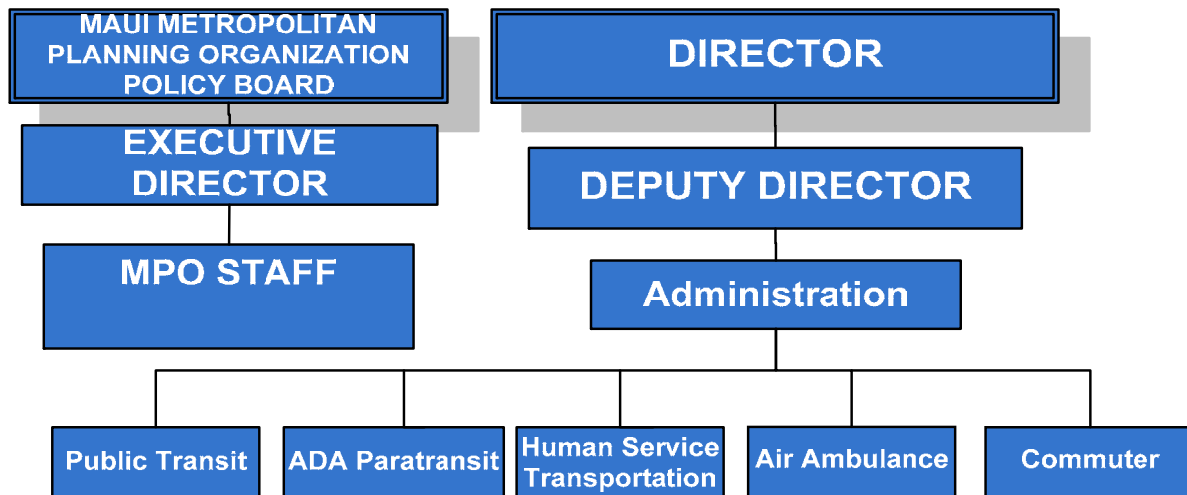

The principle mission of the Maui Department of Transportation (“MDOT”) is to oversee and support transportation systems that facilitate the movement of people throughout Maui County, including public transit, commuter, paratransit, human services transit, and air ambulance in a safe, efficient and cost-effective manner.

Countywide Outcome(s)

The Department of Transportation supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- A Strong, Diversified Economy
- An Environmentally Responsible and Sustainable Community
- Well-planned Public Infrastructure
- A Prepared, Safe, and Livable County

Organization Chart

Strategies

Administration Program:

- Plan and build Federal Transportation Administration (“FTA”)/ Americans with Disabilities Act-compliant transit amenities.
- Congress requires agencies to report to the National Transportation Database (“NTD”) under Title 49 U.S.C. 5335(a): The NTD requires agencies to provide a summary of transit characteristics, including financial and operating statistics through extensive detailed monthly and annual reports.
- Utilize reservation and scheduling software programs for both the ADA paratransit and human services transportation programs to provide accurate reporting for the NTD.
- Utilize Syncromatics CAD/AVL system for the fixed route system to address the NTD reporting requirements.
- FTA is requiring MDOT to become a direct recipient due to its urbanized status. Directive will require additional staff.
- Annually review fleet replacement schedule and initiate purchases as funding permits.
- Continue with departmental education on all levels for any new and existing staff members.

Department Summary**Strategies (Cont'd)**

- Prepare Requests for Proposals for necessary services and equipment based on available funds.
- Administratively assist the Maui Metropolitan Planning Organization ("Maui MPO").
- MDOT has moved forward with the Maui Bus Rates and Fee Study that will help the department establish policies and procedures as outlined in the Council's audit on the department as well as make recommendations on a fare structure based on community feedback and industry standards. The study is expected to be completed in early 2021.
- Continue to review the Maui Short Range Transit Plan and to propose and make changes based on community feedback and as funding permits.

Human Services Transportation Program:

- Assist the service provider in meeting the needs of the NTD requirements and riders that fall into a "gap" group in an efficient and cost-effective manner.

Air Ambulance Program:

- Place the amount of funding needed annually in the MDOT budget proposal and ensure a similar match is continued by the State of Hawaii.

Paratransit Program:

- Continue implementation of efficiencies and address NTD reporting requirements within paratransit program while improving quality of service to ridership.
- Insure compliance with NTD and new ADA requirements, and provide educational support to paratransit riders.

Public Transit Program:

- Work with our transportation specialist and vendors to adjust routes to maintain on-time performance, increase ridership and reliability of service.
- Collaborate with community partners and the community at large to increase participation in transit-related forums, educational classes and public outreach to enhance level of service.
- Pursue goals and objectives identified in the Maui Short Range Transit Plan and insure continued FTA compliance.
- Keep a social media presence by updating the public with the latest updates, news and media campaigns regarding the Maui Bus system.

Commuter Program:

- Continue program implementation and evaluate performance as a component of overall public transit.
- Continue to work with hotel association leaders and employer groups to determine transit needs and priorities and implement changes when required.

Department Summary

Strategies (Cont'd)

Maui Metropolitan Planning Organization (Maui MPO):

- 23 United States Code (“U.S.C.”) §§ 134-135, and 49 U.S.C. §§ 5303-5304, as amended, federal regulations adopted pursuant thereto, and other federal laws, require that a Metropolitan Planning Organization (“MPO”) be designated based on a qualifying population threshold, to act as a decision-making agency and receive certain funds to carry out a “continuing, cooperative, and comprehensive” transportation planning process (3-C Planning Process).
- Chapter 279D, Hawaii Revised Statutes (“HRS”), require the State to coordinate the statewide transportation planning process for metropolitan planning areas (MPAs).
- Based on the 2010 United States Census, the geographic area encompassing Kahului, Wailuku, and Paia was found to have a population greater than 50,000 individuals, thus qualifying as an “urbanized area,” eligible for designation as an MPO.
- The County of Maui Department of Transportation through its administrative supplemental agreement administratively supports the Maui MPO.
- The Maui MPO is responsible for developing four primary planning and programming work products as follows:
 - The Maui Long Range Transportation Plan (MLRTP)
 - The Transportation Improvement Plan (TIP)
 - The Unified Planning Work Program (UPWP)
 - The Public Participation Plan (PPP)

Operations

The legislative directives that have helped to frame the County’s Department of Transportation strategies are taken directly from the County Charter; the County of Maui Short Range Transit Plan (updated in FY 2016); the Focus Maui Nui priority to improve transportation by working to reduce traffic, improve goals, and/or adopt public transportation; and the Key Priorities established by the Mayor, which are to provide well-planned public infrastructure and provide for a prepared, safe and livable county.

Maui County’s Department of Transportation administers safe, efficient, integrated, and cost-effective transit systems and is firmly established throughout Maui County as an integral part of each community in their contributions to the overall quality of life for residents and visitors alike. MDOT personnel operate as a team and are continuously engaged in finding creative and cost-effective solutions to the challenges that are posed in a multi-modal transportation delivery system that serves a multi-island community with diverse and changing needs.

- Continue to apply for grants as well as explore all funding options under the Urban Zone Area designation and Fixing America’s Surface Transportation Act (FAST Act) programs in cooperation with our Washington, D.C. liaison.
- Continue to access Rural Transit Assistance Program (RTAP) funds to attend conferences to better educate and train the department on new cost-effective technologies and systems.
- Continue to seek the maximum matching funds and access new funding through FTA’s small urban zone area formula programs.
- Continue capital projects included in the county’s Capital Improvement Plan (CIP) to design, implement and the construction of transit amenities and most recently a Central Maui Transit Hub.
- Continue to provide administrative support with the Maui Metropolitan Planning Organization (Maui MPO).

Department Summary**External Factors Description**

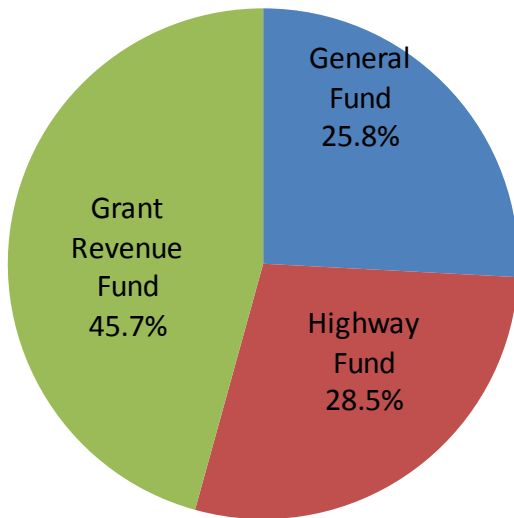

Some challenges still remain for the department in achieving its goals and objectives. The largest challenge is the lack of staff that is required to address the current and new increased federal reporting requirements (Public Transportation Safety Program, Title VI, Disadvantaged Business Enterprise (DBE), FTA Asset Management, Limited English Proficiency (LEP), Public Participation Plan (PPP), National Transit Database (NTD), Drug & Alcohol Reporting, Federal Financial Report (FFR), Milestone Progress Reports (MPR) and most recently becoming a FTA Direct Recipient. Becoming a FTA Direct Recipient is required to continue to receive FTA 5307 urban funds as the State will no longer access those funds for the County. These various programs require monthly, quarterly and annual reporting which includes contractor oversight as well as a triennial review. The department has slowly been moving towards converting from paper data collection to electronic systems to address the higher NTD specifications. In addition, the requirements by the FTA in forming an MPO have necessitated additional workload for our existing staff.

COVID-19 has had major impacts to Maui County and public transit was no exception. From school closures, to hotel closures, to massive furloughs, the Department readjusted its services. Maui's first COVID-19 case was announced on March 15, 2020. As the Mayor of the County of Maui established the Public Health Emergency Rules, it limited the usage of public transit services for essential travel only. After monitoring the decrease in ridership, the department suspended some of its Maui Bus Fixed Route and Commuter routes. For the health and safety of our transit drivers and riders, the department placed hand sanitizers in all fixed route, paratransit, commuter and human services transportation vehicles. The department also initiated enhanced cleaning of all fixed route buses actively on the road three times a day while they are on layover at the perspective hubs. All fixed route vehicles get thoroughly cleaned at its end of shift. For paratransit and human services vehicles, the drivers assigned to the vehicles do wipe downs between clients and those same vehicles are also thoroughly cleaned at the end of the night. As facemasks are required to ride public transit, the department has been providing masks to drivers and riders. While many drivers and riders already have masks there are riders who may not have access to masks. It was important to have availability of masks for riders as public transit is a lifeline for many. The department continues to work closely with its contractors as it relates to COVID-19 response.

Administration Program**Program Description**

The Department of Transportation's Administration Program is currently comprised of six employees. These staff members oversee and manage the five programs within the department: Public Transit Program; Commuter Service Program; Paratransit Program; Human Service Transit Program; and Air Ambulance Program. The department also provides administrative support to the Maui MPO.

The department oversees the bus replacement and fleet management operations, which includes securing and monitoring FTA grant funds and working with the State Department of Transportation to access needed capital. The department is responsible for a public transit fleet of 62 vehicles (32 fixed-route and 30 paratransit) and monitors the useful life of each vehicle to ensure they are safe and reliable. The average age of the fixed-route fleet is 7 years with an average mileage of 352,000 miles. The average age of the paratransit fleet is 6 years with an average mileage of 186,000 miles.

The department oversees its Capital Improvement Program ("CIP"), which involves the review of all bus stop determined whether ridership meets the designated threshold for a shelter. If so, then the department will move forward with the design and construction of bus shelter amenities throughout Maui. While not all stops will be eligible for a shelter, some may qualify for site improvements such as ADA improvements and seating. Of the 211 existing Maui Bus stops, 45 shelters have been built. The department has broken ground for the construction of the Central Maui Transit Hub. The County has committed planning, design and construction funds and the State has committed some construction funds through the Hawaii Housing Finance and Development Corporation (HHFDC). The anticipated relocation of its current Transit Hub from the Queen Ka'ahumanu Shopping Center to the new Central Maui Transit Hub at Vevau Street will be in mid FY2022.

Based on the 2010 United States Census, the geographic area encompassing Kahului, Wailuku, and Paia was found to have a population greater than 50,000 individuals, thus being designated as an urban zone area (UZA). With this designation, a Metropolitan Planning Organization needed to be established. The Maui MPO is administratively attached to MDOT based on the administrative supplemental agreement between MDOT and the Maui MPO. Any and all Federal and matching funds spent by the Maui MPO passes through MDOT. Along with the department needing to support the MPO, more detailed reporting is now required by the National Transit Database (NTD).

The Administration Program is funded by both General and Highway Funds. The General Fund provides appropriation for the Administration Program's salaries and wages, premium pay, operations and on-going lease equipment. It also provides appropriations for bus procurement, while the Highway Fund provides appropriations for the Public Transit Program. The Program Summary, Budget Details, and Changes from FY 2021 Adopted Budget sections for this program are separated by fund and presented on the following pages.

This program also includes Grant Revenue Programs. Funding from Grant Revenue Programs will continue to be received from the FTA under the Fixing America's Surface Transportation Act (FAST Act) and the Urbanized Area Formula programs. These include Statewide Transportation Planning Program 5305, Urbanized Area Formula Program 5307, Section 5339 Rural Formula Funds (formerly 5309), Section 5339 Small Urban Formula Funds, Section 5311 Non-Urbanized Area Formula Program, and Section 5311 Rural Transit Assistance (RTAP) Program. Also included in Grant Revenues is the Federal Highway Administration (FHWA) planning funds for the Maui MPO. The total amount of anticipated funding is approximately \$10.7 million, which also includes existing awards that are slated for receipt in FY 2022.

Administration Program

Program Description (Cont'd)

The objectives and success measurements reported in this budget narrative focus on metrics the department feels are important to track quarterly and performance they can influence on a quarterly basis. In addition to the performance measures reported in this budget narrative, the department plans to track additional metrics on an annual basis to ensure that the services are meeting the six department goals of:

- **Service Delivery:** Deliver efficient, frequent, and accessible service
- **Customer Service:** Provide welcoming, friendly, and helpful customer service
- **Safety:** Provide safe service for Maui Bus riders
- **Financial Health:** Operate cost-effective service and plan for future financial needs
- **Maintenance:** Maintain reliable fleet and facilities
- **Community Connection:** Equitable connect Maui people and places with transit service

Countywide Outcome(s)

The Administration Program supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- A Strong, Diversified Economy
- An Environmentally Responsible and Sustainable Community
- Well-planned Public Infrastructure
- A Prepared, Safe, and Livable County

Population Served

The Administration Program serves the department staff, contractors, citizens, and visitors of the County of Maui.

Services Provided

The Administration Program oversees and manages the Public Transit Program, Commuter Service Program, Paratransit Program, Human Service Transit Program, and the Air Ambulance Program.

TOTAL COUNTY GRANT SUBSIDY – ADMINISTRATION PROGRAM	\$175,000	\$0	\$0	\$0

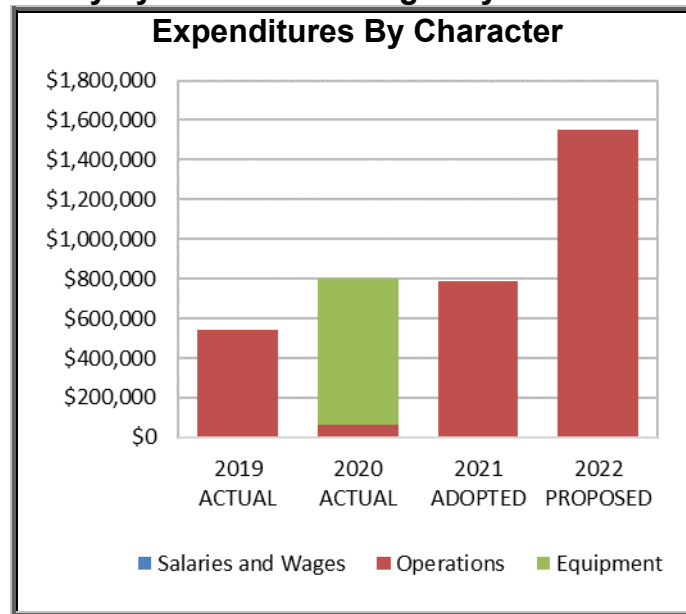

County Grant Subsidy Program Description

Grant to Queen Kaahumanu Shopping Center

The Maui Bus system currently utilizes the Queen Kaahumanu Shopping Center (“QKC”) as its transit hub. The County of Maui Department of Transportation has a license to occupy QKC. QKC requested the County contribute to repair asphalt at the entrances of Onehee Avenue and Kea Street, since County buses utilize those areas to enter and exit the property.

Grant Award Description

At present, all grant revenues for the Department of Transportation come from the FTA. Most require a 20%/80% (capital and planning) match but a few are a 50%/50% (operational) match. Formula Funds are calculated based on FTA's apportionment formulas that takes into account population and passenger miles traveled. Population is based on the US Census Data and the passenger miles traveled is based on NTD reporting.

Federal Transportation Administration (FTA) and Other Transportation Program Grants for Maui MPO

This program provides funding and procedural requirements for multimodal transportation planning in metropolitan areas and states that are cooperative, continuous, and comprehensive, resulting in long-range plans and short-range programs of transportation investment priorities. The planning programs are jointly administered by FTA and the Federal Highway Administration (FHWA), which provides additional funds. Funds can be used to develop transportation plans and programs; plan, design and evaluate a public transportation project; and conduct technical studies related to public transportation.

Transportation Program Grants

This program funds other transportation initiative-related grants, including FTA Low or No Emissions (Low-No) Funds, and Other Transportation Grants.

Federal Transportation Administration (FTA) Section 5311 Rural Transit Assistance (RTAP) Program

(Formula Fund) – This program provides funding for state and national training and technical assistance through the Rural Transportation Assistance Program for areas with populations less than 50,000.

Federal Transportation Administration (FTA) Section Rural/5339 Formula Funds Program

(Formula Fund) – The Grants for Buses and Bus Facilities program (49 U.S.C. 5339) makes Federal resources available to states and designated recipients to replace, rehabilitate, and purchase buses and related equipment, and to construct bus-related facilities including technological changes or innovations to modify low or no emission vehicles or facilities. Funding is provided through formula allocations and competitive grants. These federal funds are distributed through the Hawaii State Department of Transportation. The annual allocation is divided among Maui, Hawaii, and Kauai counties.

Administration Program**Grant Award Description (Cont'd)****Federal Transportation Administration (FTA) Section Small Urban/5339 Formula Program**

(Formula Fund) - The Grants for Buses and Bus Facilities program (49 U.S.C. 5339) makes Federal resources available to states and designated recipients to replace, rehabilitate, and purchase buses and related equipment, and to construct bus-related facilities including technological changes or innovations to modify low or no-emission vehicles or facilities. FTA apportions a discretionary component and a small urban population 50,000 to 199,999 formula component to each state.

Federal Transportation Administration (FTA) Section 5311 Non-Urbanized Area Formula Program

(Formula Funds) – This program provides capital, planning, and operating assistance to states to support public transportation in rural areas with populations less than 50,000, where many residents often rely on public transit to reach their destinations.

Urbanized Area Formula Program 5307

The County of Maui Department of Transportation receives this funds through the State of Hawaii Department of Transportation. These funds are available to urbanized areas for transit capital and operating assistance, and for transportation related planning in urbanized areas. An urbanized area is a Census-designated area with population of 50,000 or more as determined by the U.S. Department of Commerce, Bureau of the Census.

Human Service Transportation Program

Program Description

The Human Service Transportation Program consists of a variety of specialized transportation services provided by Maui Economic Opportunity ("MEO") to riders throughout Maui County.

Countywide Outcome(s)

The Human Service Transportation Program supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- Well-planned Public Infrastructure
- A Prepared, Safe, and Livable County

Population Served

The Human Service Transportation Program serves riders with specialized needs such as seniors, youths, and those who require transportation assistance to maintain their quality of life.

Services Provided

The Human Service Program provides transportation services to those who are unable to be accommodated by other transit services. Services include dialysis, special needs, events, senior services transit, and group transit (youth and seniors) services for Lanai, Molokai, Hana, and other areas throughout the County of Maui not served by public transit.

MEO utilizes a reservation and scheduling system that allows for better resource management when it comes to operations. This system allows MEO to provide actual computerized data needed for the National Transportation Database (NTD) reporting. Now that the system has been implemented and with additional training, MEO's on-time performance has increased to the ninetieth percentile while the complaints have decreased.

Air Ambulance Program

Program Description

The Air Ambulance Program is for the Medivac Helicopter Program for emergency medical evacuation services and consists of county matching funds to the State of Hawaii.

Countywide Outcome(s)

The Air Ambulance Program supports the following countywide outcome(s):

- A Prepared, Safe, and Livable County
- An Affordable, Healthy, and Thriving Community

Population Served

The Air Ambulance Program serves the citizens and visitors throughout Maui County.

Services Provided

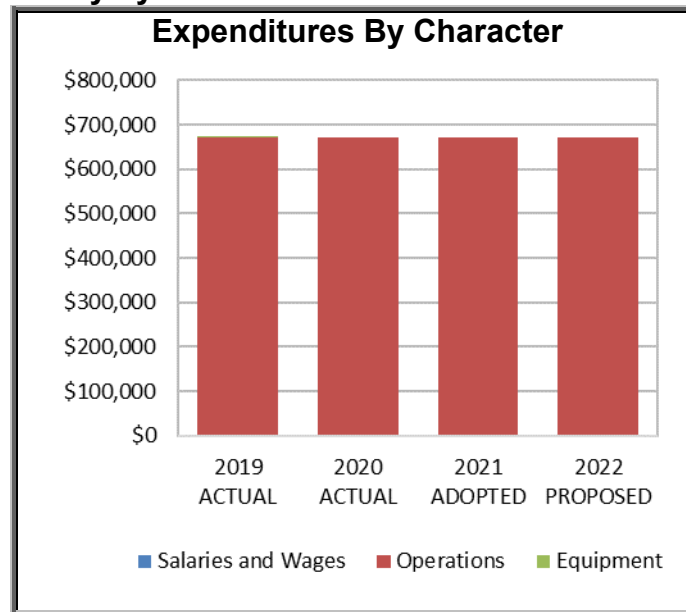

The Air Ambulance Program provides emergency medical evacuation service to the appropriate medical facility through the use of a helicopter owned and operated by a third party and contracted by the State of Hawaii.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Deliver efficient, frequent, and accessible service.</i>				
1. Provide residents and visitors emergency air ambulance service	Percent of complete trips utilized by residents	82%	82%	82%
<i>Goal #2: Operate cost effective service and plan for future financial needs.</i>

Public Transit Program

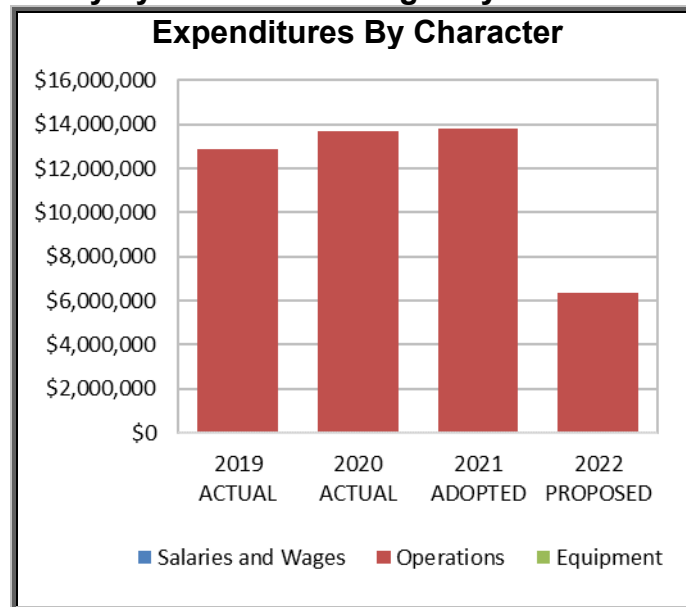

Program Description

The Public Transit Program is divided into the following services:

- Paratransit Services per the Americans with Disabilities Act (“ADA”);
- Fixed routes of the Maui Bus System; and
- Maui Bus Commuter service.

With the many bus stop shelters and bus stops throughout the Island of Maui, the Department maintains a shelter and bus stop maintenance and cleaning program to make sure that the bus stops are clean for the riding public.

The program description, population served, services provided, and key activity goals and measures for each service are presented in the next few pages, separately.

Public Transit Program -Paratransit Service

Program Description

The Paratransit Services Program consists of transit services in line with the Americans with Disabilities Act ("ADA"). This program is complementary to the Maui Bus Fixed-Route System.

Countywide Outcome(s)

The Paratransit Services Program supports the following countywide outcome(s):

- Well-planned Public Infrastructure
- A Prepared, Safe, and Livable County
- An Affordable, Healthy, and Thriving Community

Population Served

The Paratransit Service Program provided 74,232 passenger boardings in FY2020 to residents and visitors.

Services Provided

The Paratransit Service Program provides complimentary services to ADA-qualified passengers within a 3/4-mile radius of the fixed route portions of the Maui Bus system.

The Paratransit system utilizes an automated scheduling system that allows for better resource management and trip scheduling. The actual data collected is done automatically through the system. This data is required and reported to the National Transportation Database (NTD). On-time performance for this services is in the ninetieth percentile.

A Paratransit Advisory Committee meets every other month to assist with communication between riders, MDOT, and the service provider.

1. Maximize vehicle life through preventative maintenance	Miles between paratransit major mechanical system failures	N/A	30,000	30,000

Public Transit Program – Fixed Route Service**Program Description**

The Public Transit Program provides services on fixed routes of the Maui Bus System.

Countywide Outcome(s)

The Public Transit Program – Maui Bus System supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- Well-planned Public Infrastructure
- A Strong, Diversified Economy
- A Prepared, Safe, and Livable County

Population Served

The Public Transit Program provided 1.37 million passenger boardings in FY 2020 to residents and visitors.

Services Provided

The Public Transit Program provides transportation services throughout the island of Maui. This program currently operates fourteen fixed routes requiring eighteen (18) buses daily, which includes routes in Kahului, Wailuku, Upcountry, Haiku, Lahaina, Ka'anapali, Napili, Kihei, Waihe'e, and Kula.

Maui Bus fixed-route riders have the ability to track the bus in real-time. The Maui Bus app enables users to track buses live on a map and get accurate arrival predictions for their regular stops. This puts riders in control of their schedule by minimizing the wait time and avoiding anxiety over missed buses. The app also allows for riders to submit feedback and receive announcements with regards to route detours and service interruptions. The free "Maui Bus" app generates over 64,000 hits per month.

With the increased reporting requirements to the National Transportation Database, a computer-aided dispatch / automatic vehicle locator system (CAD/AVL) was installed utilizing federal and county matching funds on the Maui Bus fixed-route buses. The Syncromatics system tracks passenger miles traveled, unlinked passenger trips, average trip length, vehicle revenue hours, deadhead hours, deadhead miles and vehicles operating in maximum service, to name a few. This system collects a lot of data (going from manual to automated) that provides schedule adherence, ridership, driver performance, fare count (including wheelchair, bicycle, and service animal boardings), and NTD reports, allowing the department to make educated decisions on how to improve the fixed-route system. The system includes automatic passenger counters (APC), headsign integration, and remote access to our REI DVR camera systems. Automatic voice annunciators (AVAS) have also been installed to meet the ADA regulations. The AVAS system announces the upcoming stops as well as public service announcements in the buses.

Public Transit Program – Fixed Route Service

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Deliver efficient, frequent, and accessible service.</i>				
1. Operate productive service	Number of fixed route passengers per revenue hour	15	22	22
2. Provide ADA accessible service	Percent of vehicles equipped with working lifts/ramps	100%	100%	100%
<i>Goal #2: Provide welcoming, friendly, and helpful customer service.</i>				
1. Increase ridership on fixed-route	Number of annual fixed-route passenger boardings	1,372,935	1,700,000	1,800,000
2. Maintain reliable on-time performance	Percent of on-time performance	99%	95%	95%
<i>Goal #3: Operate cost effective service and plan for future financial needs.</i>				
1. Operate with a sustainable farebox recovery ratio	Percent of fixed-route annualized farebox returns	9%	15%	26%
2. Maintain low cost per passenger trip	Cost per fixed-route passenger trip	\$5.80	\$4.59	\$4.08
<i>Goal #4: Maintain reliable fleet and facilities.</i>				
1. Maximize vehicle life through preventative maintenance	Miles between fixed-route major mechanical system failures	N/A	5,000	5,000

Public Transit Program – Commuter Service

Program Description

The Commuter Program will continue as a sub-program under the Public Transit Program. The Maui Bus Commuter service is designed for early-morning and evening commuters. This service augments the existing Maui Bus service and does not replace it.

Countywide Outcome(s)

The Public Transit Program – Maui Bus System supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- A Strong, Diversified Economy
- Well-planned Public Infrastructure
- A Prepared, Safe, and Livable County

Population Served

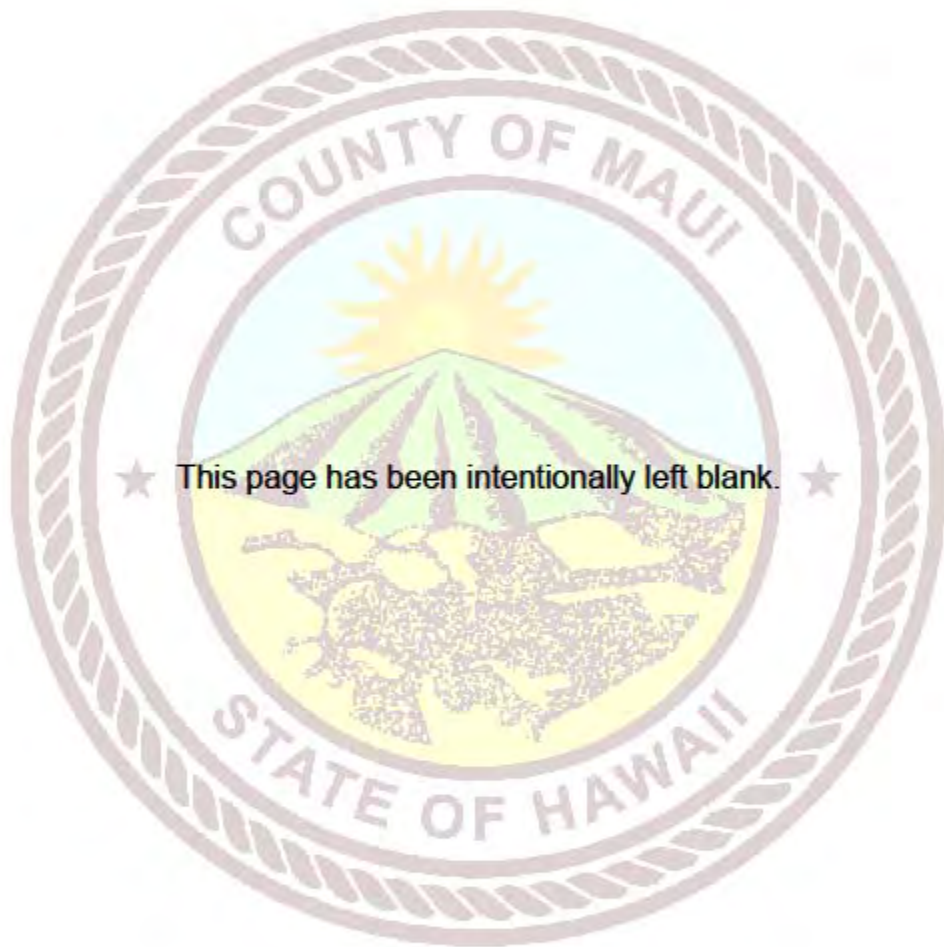

The Commuter Program provided 131,733 passenger boardings in FY2020 to Maui's workforce.

Services Provided

The Commuter Program provides four commuter routes throughout Maui. Daily services ranging from Haiku to Wailea, Makawao to Kapalua, Wailuku to Kapalua, and Kihei to Kapalua, with return service.

Key Activity Goals & Measures

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Deliver efficient, frequent, and accessible service.</i>				
1. Operate productive service	Number of commuter passengers per revenue trip	30	30	30
<i>Goal #2: Provide welcoming, friendly, and helpful customer service.</i>				
1. Increase ridership on commuter	Number of annual commuter passenger boardings	131,733	185,000	185,000
<i>Goal #3: Operate cost effective service and plan for future financial needs.</i>				
1. Operate with a sustainable farebox recovery ratio	Percent of commuter annualized farebox returns	9%	15%	15%
2. Maintain low cost per passenger trip	Cost per commuter passenger trip	\$10.68	\$7.38	\$7.38
<i>Goal #4: Maintain reliable fleet and facilities.</i>				
1. Maximize vehicle life through preventative maintenance	Miles between commuter major mechanical system failures	N/A	7,000	7,000

Water Supply

Mayor's Proposed Budget
FY 2022

★ This page has been intentionally left blank. ★

Department Summary

Mission

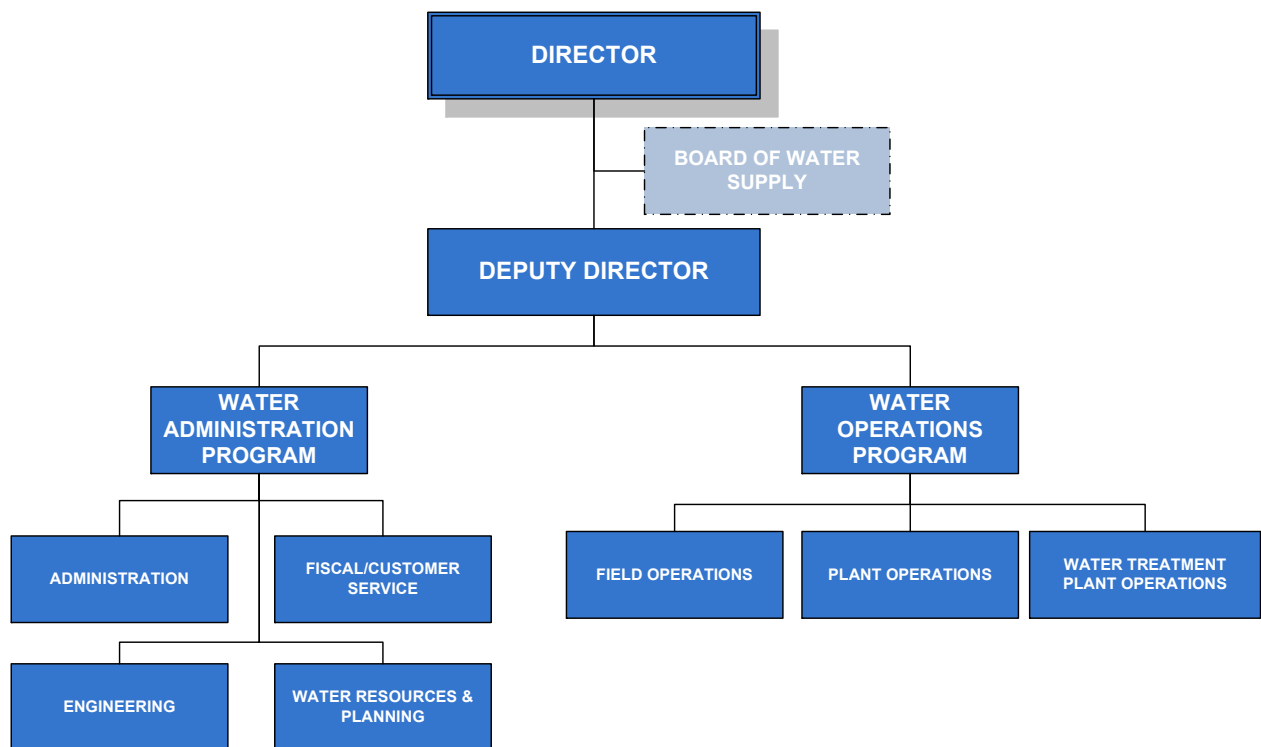

The Department of Water Supply's ("DWS") mission is to efficiently provide clean water.

Countywide Outcome(s)

The Department of Water Supply supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- A Strong, Diversified Economy
- An Environmentally Responsible and Sustainable Community
- Well-planned Public Infrastructure
- A Prepared, Safe, and Livable County

Organization Chart

Strategies

The DWS's strategies are as follows:

- Develop new and reliable sources, both independently and through public-private partnerships
- Produce high quality water at the lowest possible cost
- Prepare compliance strategy to meet or exceed current and future water quality regulations
- Reliability of existing facilities 99.9997% over the long term at the lowest possible cost

Operations

DWS is under the authority of the Mayor. The Board of Water Supply acts as an advisor to the Director, the Mayor, and the County Council in all matters concerning the County's water system. Nine of the

Department Summary

Operations (Cont'd)

eleven Board members are appointed by the Mayor and approved by the County Council; the other two ex-officio non-voting members are the Director of Planning and the Director of Public Works.

DWS is subject to the rules and regulations of the U.S. Environmental Protection Agency's Safe Drinking Water Act, which is enforced by the Hawaii State Department of Health Safe Drinking Water Branch. Each year, the DWS Laboratory tests thousands of water samples to ensure that the water provided is of the best possible quality. The Water Treatment Facility operators also take thousands of samples each year to ensure high-quality water from the surface water treatment plants.

DWS faces the multi-faceted challenge of satisfying its customers, following local government rules, and complying with Federal and State water quality rules and requirements.

External Factors Description

Designation of the Iao Aquifer in July 2003 by the Hawaii State Commission on Water Resource Management ("CWRM") has raised concerns about the adequacy of supply for the Central Maui water system.

The U.S. Environmental Protection Agency's Safe Water Drinking Act rules become stricter every year. We are significantly impacted by Ground Water Rules, Surface Water Treatment Rules, Disinfection Byproduct Rules, and the Unregulated Contaminant Monitoring Regulation.

In March 2008, the CWRM designated Na Wai Eha (Waihee, Waiehu, Iao, and Waikapu Streams) for surface water management. The decision may impact the Department's future use of surface water. Future use of this water may also be affected by the June 2010 CWRM decision to amend the interim stream flow standards for Na Wai Eha.

The September 2008 and May 2010 decisions by the CWRM to amend the interim stream flow standards for 27 East Maui streams may also impact the Department's future use of surface water.

The COVID-19 pandemic has created additional obstacles for the Department. As the Department is considered essential, operations must continue uninterrupted. Necessary safety precautions and physical distancing have made daily operations, acceptance of payments, and many other tasks more challenging.

To meet the challenges presented by COVID-19, the Department has encouraged customers to call with questions or electronically mail forms and documents. The Engineering Division has scheduled phone appointments as no walk-ins are allowed. The Fiscal Division encourages customers to transact business on-line through a variety of payment options and transmit business documents for new service or transfers by electronic mail. Wherever possible, such as in the Planning Division, some employees are working remotely. Fiscal and Planning Divisions have also installed plexiglass in front of windows that serve the external customers.

The Operations Program also continues to work as safely as possible in the COVID-19 environment. Employees have adapted to sanitizing, masking, and distancing protocols as best as they can. They continue to do a great job of keeping both themselves and the public healthy and safe.

Department Summary

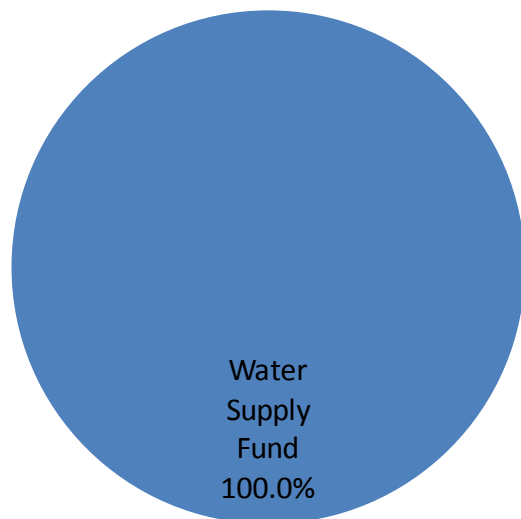

External Factors Description (Cont'd)

Department meetings are virtual or on line via Blue Jeans or Zoom. Another challenge that the Department encountered was to get enough personal protective equipment for employees. This was resolved very quickly and operations continue uninterrupted.

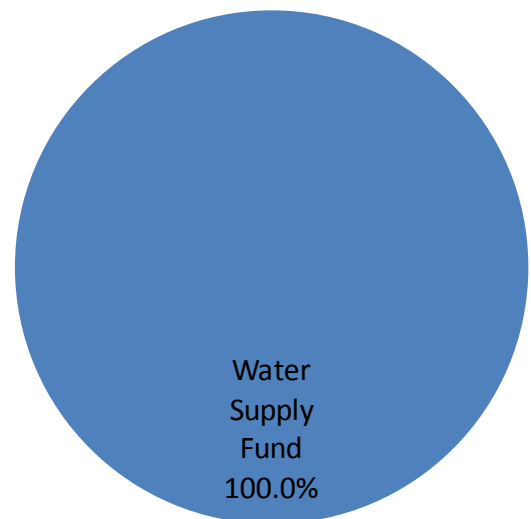

Overall, the Department continues to efficiently provide clean water.

Water Administration Program

Program Description

The Water Administration Program ensures that the Department's long-term plans meet the capital, operational, and economic needs of the Department and County, while remaining equitable for stakeholders and maintaining water sustainability and quality.

Currently, this program consists of the Director's Office, Fiscal/Customer Service Division, Engineering Division, and Water Resources and Planning Division.

Countywide Outcome(s)

The Water Administration Program supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- A Strong, Diversified Economy
- An Environmentally Responsible and Sustainable Community
- Well-planned Public Infrastructure
- A Prepared, Safe, and Livable County

Population Served

The Water Administration Program serves the County of Maui except for Lanai, Kaanapali, Kapalua, parts of Kahakuloa, and Molokai.

Services Provided

The Water Administration Program is responsible for overall management of the Department, expenditures and revenues, and administering the water user charge system. This program monitors compliance with Maui County Code provisions, Department rules and regulations, and water system standards, and reviews and approves building permits, subdivision applications and water service requests. The Water Administration Program identifies, plans, and constructs water infrastructure to support community plans. Human resources, water conservation, safety and community outreach are also functions of the Water Administration program.

Key Activity Goals & Measures

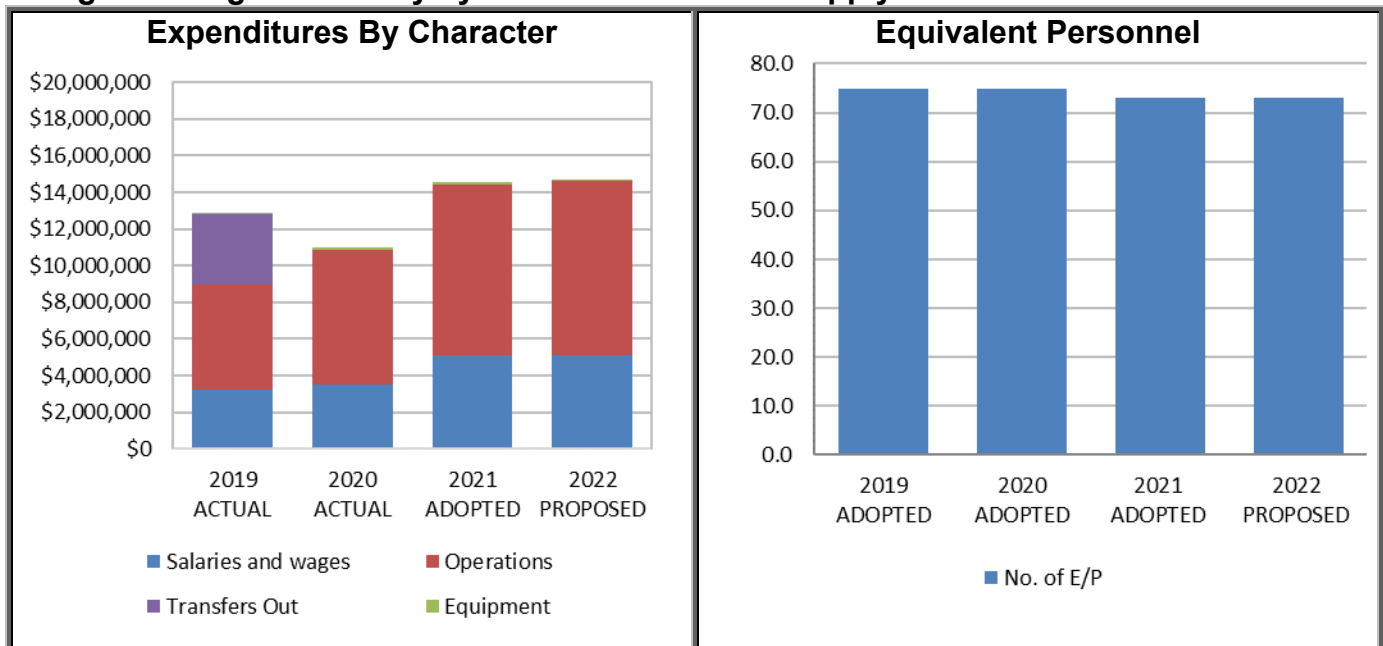

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Provide reliable, top quality water service at a reasonable cost.</i>				
1. Plan, design, fund, and construct CIPs in a timely manner	% of CIP design projects with bid opening before deadline	60%	100%	100%
2. Maintain affordable and equitable rates and fees	% of maintaining a three month operations reserve fund	100%	100%	100%

Mauna Kahalawai Watershed Protection	\$450,000	\$473,470	\$600,000	\$624,000
TOTAL COUNTY GRANT SUBSIDY - WATER ADMINISTRATION PROGRAM	\$2,753,854	\$2,313,968	\$2,848,800	\$2,718,099

Water Administration Program**County Grant Subsidy Program under COVID-19**

Due to COVID-19 safety precautions for social distancing, DWS Grantees are facing serious cutbacks to volunteering and community-based tree planting, weed control and other field work. These are guided by project staff and can be crucial for the success of the project. Unfortunately, this may continue until State and Federal mandates supports normal operations without social distancing.

County Grant Subsidy Program Description**Auwahi Forest Restoration Project (AFRP)**

Auwahi has become one of the most successful, world-renown, native forest restoration projects in Hawaii. They continue to restore dry forest lands on leeward Haleakala, assess the effects of native forest restoration on soil moisture dynamics and potential aquifer recharge, support hydrological research, and continue to provide a successful, expanding, community-based volunteer forest restoration and outreach component. The project also continues to exclude grazing animals, control non-native kikuyu grass, and plant closely-spaced, rapidly growing native shrubs in fenced areas. This project provides three (3) demonstration sites for policy makers to understand a best management practice (BMP) of how to successfully reforest Maui.

Countywide Watershed Protection

Funds will be used to support various watershed preservation and restoration efforts in Maui County including, but not limited to, ungulate control, weed management, fencing and fence repairs, re-planting, monitoring, demo projects, support hydrological research and best management practices, and educational events.

\$75,000 will fund the Hawaiian Agriculture Research Center ("HARC") project called "Developing Disease Resistant Ohia for Watershed Protection on Maui." HARC will locate different mother ohia tree species of the *M. polymorpha* or *M. waialealae* variety to collect and screen candidate seeds for a new network of sites to grow ohia trees that are resistant to a disease commonly referred to as Rapid Ohia Death ("ROD"), which was recently detected on Maui. When they are available, HARC also plans to disburse ROD resistant ohia seeds throughout different watershed eco-regions.

East Maui Watershed Protection (EMWP)

The East Maui Watershed consists of approximately 120,000 acres and provides the largest harvested source of surface water in the state. This watershed services Upcountry residents and farmers from Haiku to Kanaio. Ongoing efforts to protect the watershed include fencing, ungulate control, invertebrate and small mammal control, weed management, rare species protection, removal of invasive species, monitoring, education, public outreach and volunteer recruitment to repair and install fencing, and plant native species. This project also works closely with another DWS Grantee, the Waikamoi Upcountry East Maui Source Protection under The Nature Conservancy (TNC), to preserve and protect ten (10) major stream headwaters that supply the Ko'olau and Hana aquifers sectors.

East Molokai Watershed Protection (EMoWP)

The East Molokai watershed is approximately 18,500 acres. Major problems in the area include feral animals, invasive weeds, and fire. Ongoing efforts include ungulate control, weed sweeps, fencing and fence maintenance, re-planting, erosion control, monitoring and mapping.

Water Administration Program**County Grant Subsidy Program Description (Cont'd)****Hawaii Agriculture Research Center (HARC)– Developing Wilt Resistant Acacia Koa**

With major land use change and declines in sugarcane, pineapple, and cattle production, there is an opportunity and keen interest in utilizing native koa in reforestation and restoration efforts, especially in watershed rehabilitation. Moderate to high mortality rates caused by *Fusarium oxysporum* f.sp. koae in many plantings have impeded past efforts. The reintroduction of koa on a landscape level will directly benefit the long-term sustainability of Maui County's water supply in high priority watersheds. HARC continues to develop a network of sites to establish wilt resistant koa seed orchards in multiple eco-regions. The koa seeds collected at these sites are intended to be distributed amongst watershed partners and other organizations to help replant wilt-resistant koa trees throughout Maui.

Honokowai/Wahikuli Watershed Management (TNC)

The Honokowai and Wahikuli watersheds, located within the Kapunakea Preserve in West Maui, have been designated priority watersheds Hawaii Department of Health (DOH), the Environmental Protection Agency (EPA), and the National Oceanic and Atmospheric Administration (NOAA). The project area encompasses a perpetual conservation easement of 1,264 acres. Feral ungulates and invasive weeds are major threats to these watersheds. Axis deer have greatly expanded their range on Maui. Control efforts, including replacement and retrofit of 1.1 miles of fence from 6" to 8", are currently underway.

Mauna Kahalawai Watershed Management (TNC)

This project works closely with the Mauna Kahalawai Watershed Partnership ("MKWP") to combat these threats and to help preserve the pristine mauka headwaters of the Honokowai and Wahikuli watersheds. Included in their efforts are community outreach, nursery maintenance, and coordinating ROD efforts amongst all watershed partners.

Leeward Haleakala Water Restoration Project (LHWRP)

The mission of LHWRP is to protect and restore dry forest lands on leeward Haleakala and examine impacts on moisture-holding to improve both recharge and water quality in the area. Other goals are to protect and recover important forest species, install expansion fencing, reintroduce native species, broadcast seeds, conduct biological surveys, and recruit volunteers to help with an intensive labor effort in cooperation with local, state and private stakeholders. The performance of this project is currently being re-evaluated to determine the viability of future funding.

Miconia Containment and Removal

Maui Invasive Species Committee ("MISC") continues to monitor and remove the spread of miconia over a thousand acres in the Hana forest that are hard to access on foot. Core efforts include repeated removal, treatment of existing areas of growth, and prevention of seed dispersal. MISC also conducts public outreach events and works with other watershed partners to help manage other invasive weeds including pampas grass, fountain grass, ivy gourd, giant reed, rubber vine, Jerusalem thorn, malabar malestome, downy rose myrtle, ruby salt bush, and others. Survey work includes detecting, identifying, and controlling potential problem weeds before they become difficult to control in remote, inaccessible areas.

Pu'u Kukui Watershed Preserve (PKW)

Over 8,600 acres of the Pu'u Kukui Watershed Preserve is one of the most pristine and wettest places on earth. DWS contributes to ongoing efforts that include ungulate control through fencing, trapping and surveying, invasive plant control, rare species protection and research, and water quality testing. These tasks are required to maintain the biodiversity that keeps Pu'u Kukui Watershed Preserve resilient to climate and ecological change so it remains efficient in increasing aquifer recharge. Other

Water Administration Program**County Grant Subsidy Program Description (Cont'd)****Pu'u Kukui Watershed Preserve (PKW) (cont'd)**

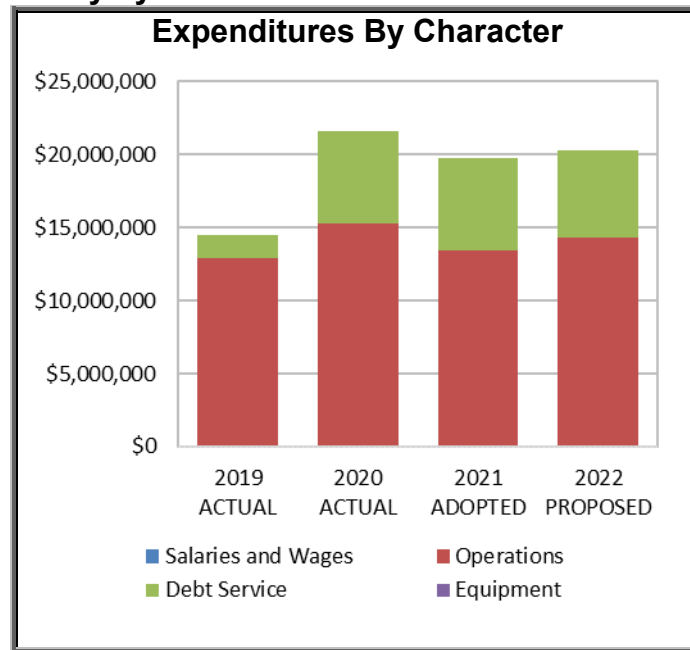

important work includes sedimentation prevention, stabilizing riparian buffers and gulches, and strong public outreach to educate and recruit volunteers for watershed conservation and protection efforts

Mauna Kahalawai Watershed Partnership (MKWP)

Over 47,321 acres of the West Maui Mountains is being protected and preserved by MKWP because it is crucial for maintaining efficient recharge and groundwater supply being utilized by DWS and the community in the West and Central Maui areas. MKWP continually combats feral ungulates, invasive weeds, human disturbances, and wildfires in a coordinated effort with Maui Land and Pineapple Company (MLP), The Nature Conservancy (TNC), Maui Invasive Species Committee (MISC) and the Plant Extinction Prevention Program (PEPP) under the Pacific Studies Cooperative Unit (PCSU). Ongoing efforts include expanding and maintaining ungulate fencing, retrofitting and conducting regular trap checks, weed management, plantings, continuous monitoring, and human activities management through outreach, education, and curbing use of the area. With the discovery of ROD on Maui, MKWP is also now planning with other partners to find viable ways to stop the spread of ROD.

Water Operations Program

Program Description

The Water Operations Program is responsible for the management, operation, and repair of county water collection, transmission and processing infrastructure, and related facilities.

Countywide Outcome(s)

The Water Operations Program supports the following countywide outcome(s):

- An Affordable, Healthy, and Thriving Community
- A Strong, Diversified Economy
- An Environmentally Responsible and Sustainable Community
- Well-planned Public Infrastructure
- A Prepared, Safe, and Livable County

Population Served

The Water Operations Program serves the island of Maui and Kaunakakai, Molokai.

Services Provided

The Water Operations Program is responsible for the process control; safety and training; regulatory reporting and compliance; laboratory analysis; preventive maintenance; and efficient operation of the collection, transmission, and processing activities.

Key Activity Goals & Measures

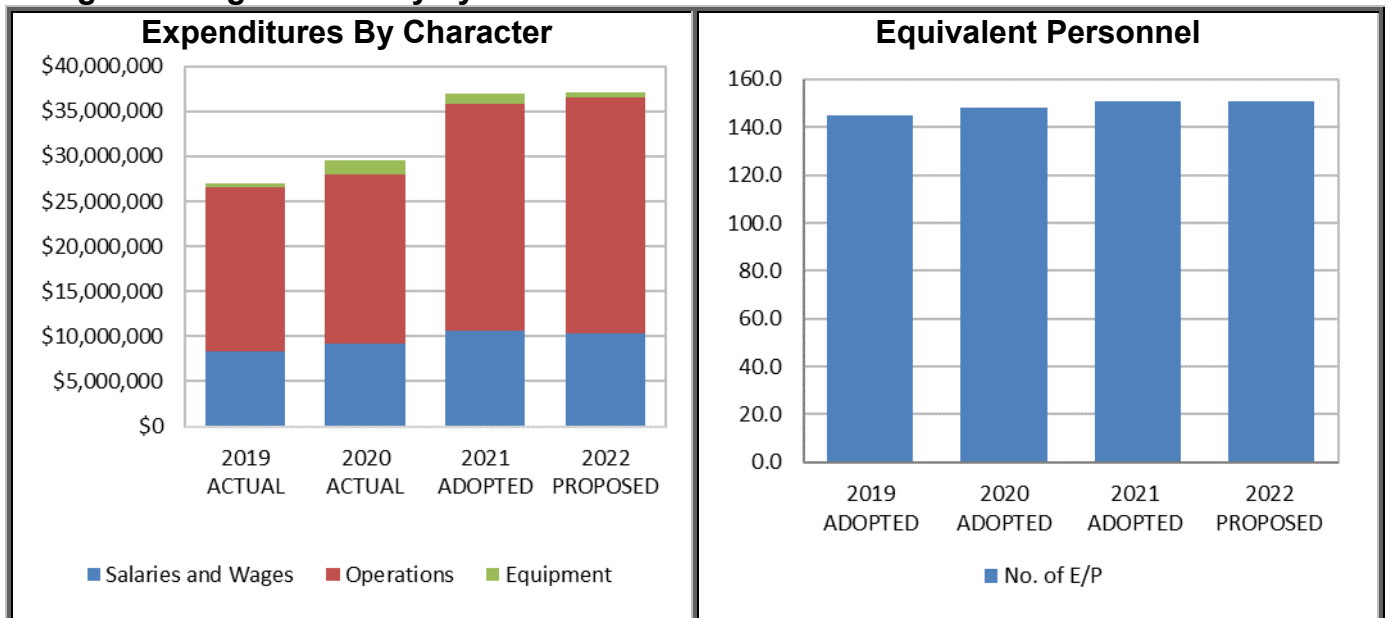

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #1: Economically produce the highest quality potable water that meets or exceeds all State and Federal water quality standards in sufficient quantity to meet the needs of the customers.</i>				
1. Minimize adverse impacts to the water system	# of system outages or water restrictions due to facility shutdown or deficient water quality	0	0	0
2. Identify and review regulatory compliance requirements that will impact operations and optimize performance to meet Environmental Protection Agency (EPA) and State of Hawaii Department of Health regulatory standards	# of water quality violations received	1	0	0
3. Meet State and Federal sampling requirements	# of samples analyzed to meet regulatory requirements	14,330	17,000	15,000

Water Operations Program

Key Activity Goals & Measures (Cont'd)

GOALS/OBJECTIVES	SUCCESS MEASUREMENTS	FY 2020 ACTUAL	FY 2021 ESTIMATE	FY 2022 ESTIMATE
<i>Goal #2: Operate and maintain the collection, transmission, and processing infrastructure in an efficient manner to ensure that our customers receive the maximum useful life from their facility investment.</i>				
1. Optimize, maintain, or replace facilities' electrical equipment, motors, and switch gear for the most reliable and efficient use of electrical energy	Cost of repair and maintenance	\$178,809	\$500,000	\$500,000
2. Replacement of four well pumps and two booster pumps per year	# of well pumps replaced	5	4	4
	# of booster pumps replaced	2	2	2
<i>Goal #3: Water loss prevention to ensure service lines are efficient and reliable in ensuring minimal interrupted service.</i>				
1. Minimize water loss	# of feet of mainline inspected for leaks	7	25,000	36,000
	# of mainline breaks repaired	308	150	300
2. Upgrade system	# of feet of mainline replaced	4,176	2,500	5,000

Mayor's Proposed Budget
FY 2022

★ This page has been intentionally left blank. ★

Capital Program

Capital Budget Summaries

This section provides a description of the County of Maui's Capital Budget; summaries of the proposed FY 2022 Capital Budget by major fund, department, district, funding type and project type; six-year proposed Capital Improvement Program (CIP) plan, also referred to as "Capital Program" budget; impacts of the capital projects on the operating budget; and capital budget policies and guidelines. Detailed information relating to the capital projects with proposed funding in FY 2022 can be found in the Department Capital Project Sheets section of this budget book.

Definition of Capital Program and Capital Project

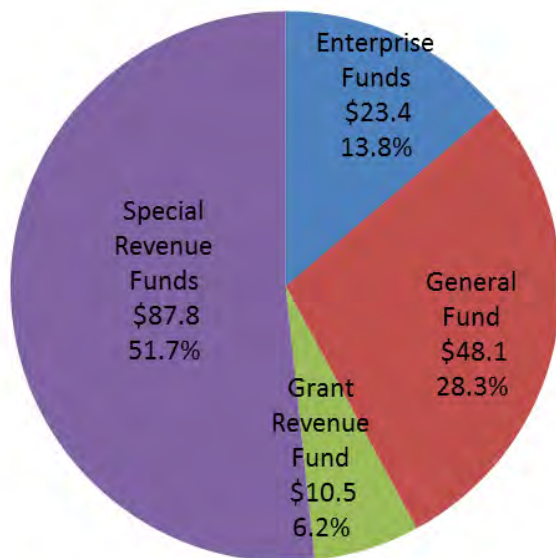

The County of Maui's CIP plan is a six-year plan that outlines the public infrastructure needs of the community. The CIP plan provides the citizens of Maui County with a list of capital projects planned for the ensuing fiscal year and the next succeeding five years. While the CIP plan covers a 6-year planning horizon, the plan is updated annually to reflect ongoing changes as projects are added, existing projects are modified, completed, and/or withdrawn from the CIP plan. The County Council only appropriates funding for capital projects planned in the ensuing fiscal year.

Chapter 3.04.010, Maui County Code, defines a capital improvement as "*a permanent improvement or betterment as distinguished from ordinary repair or current maintenance.*" A capital project is a project to construct either new facilities; significant, long-term renovation to existing facilities; or purchase specialized, long-life equipment. Many grants made by non-county entities (i.e. state, federal, or private) to fund capital projects for the county are also included in the capital budget.

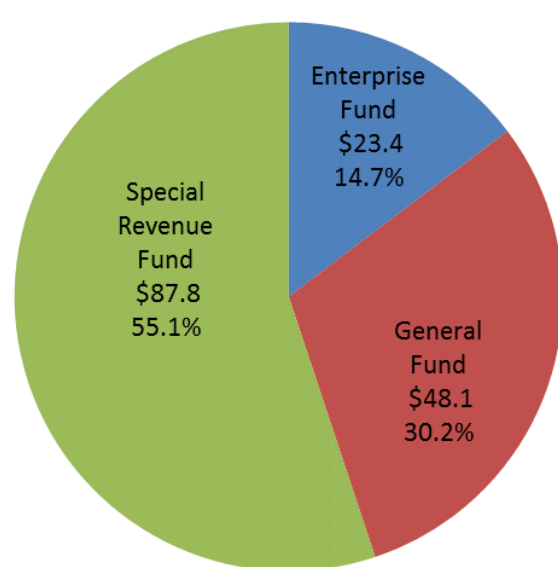

The County Charter and County Code do not provide provisions on a monetary threshold for projects to qualify as a capital project. However, there are many factors that affect how a capital project is funded and administered. Depending on its cost, size and scope, a project may be funded in the department's operating or capital budget. Bonds or loans may only be used to fund capital projects.

FY 2022 Capital Budget Overview

Capital Program

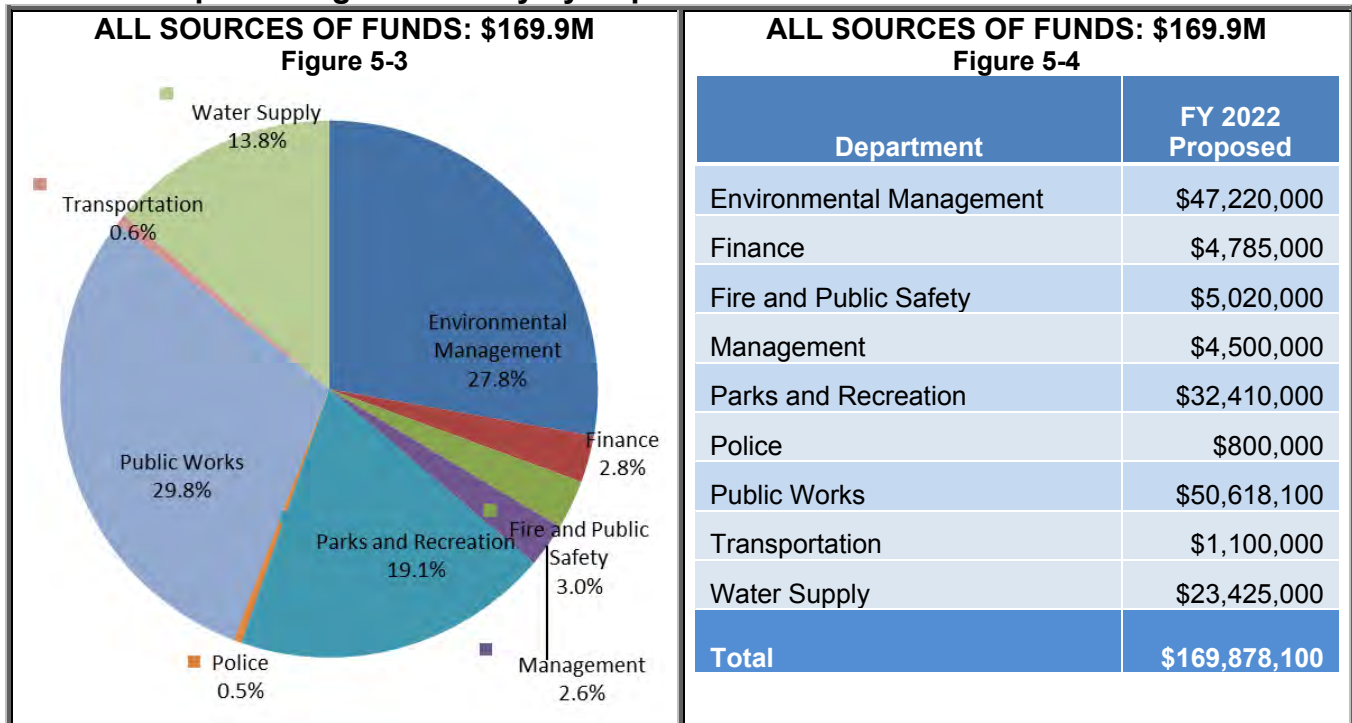

Capital Budget Summaries

FY 2022 Capital Budget Overview (Cont'd)

As shown in the charts on the prior page, the proposed FY 2022 CIP Budget totals \$169.9 million. This total includes capital projects funded through the County and Grant Revenue Funds. The FY 2022 CIP Budget funded by County Funds is \$159.3 million, an increase of \$19.5 million from the FY 2021 Adopted Budget.

The following sections include graphs and tables detailing the FY 2022 Proposed Capital Budget from All Sources of Funds by department, district, fund type and project type:

FY 2021 Capital Budget Summary by Department

As shown in Figure 5-3, the Department of Public Works capital projects make up 29.8% or \$50.6 million of the total FY 2022 Capital Budget. These capital projects consist of road and related improvements, beautification, sidewalks, bike paths, drainage, bridge repairs and maintenance, safety and utilities, and accessibility for persons with disabilities. The most notable projects planned in FY 2022 are: Countywide Federal Aid Program for \$15.1 million; \$10.1 million for Countywide Road Resurfacing and Pavement Preservation; \$7.5 million for the Haiku Road Slope Stability Improvements; \$4.4 million for the Countywide Drainline Replacement Program; and \$4.3 million for the Kalepa Rockfall Repairs.

Capital projects under the Department of Environmental Management represent the second largest percentage of the total proposed FY 2022 Capital Budget at 27.8% or \$47.2 million of the total FY 2022 Capital Budget. Projects listed under this department include those planned under both the Solid Waste and Wastewater Divisions. This year's funding includes: \$13.0 million for West Maui Recycled Water System Expansion; \$10.5 million Lahaina Wastewater Reclamation Facility R-1 Process Expansion; \$4.0 million for Napili Wastewater Pump Station No. 3 Modifications; \$2.3 million for Kihei Wastewater Pump Station No. 9 Modification/Upgrade; and \$8.5 million for improvements mandated by the Environmental Protection Agency (EPA) and State of Hawaii Department of Health permit requirements.

Capital Program

Capital Budget Summaries

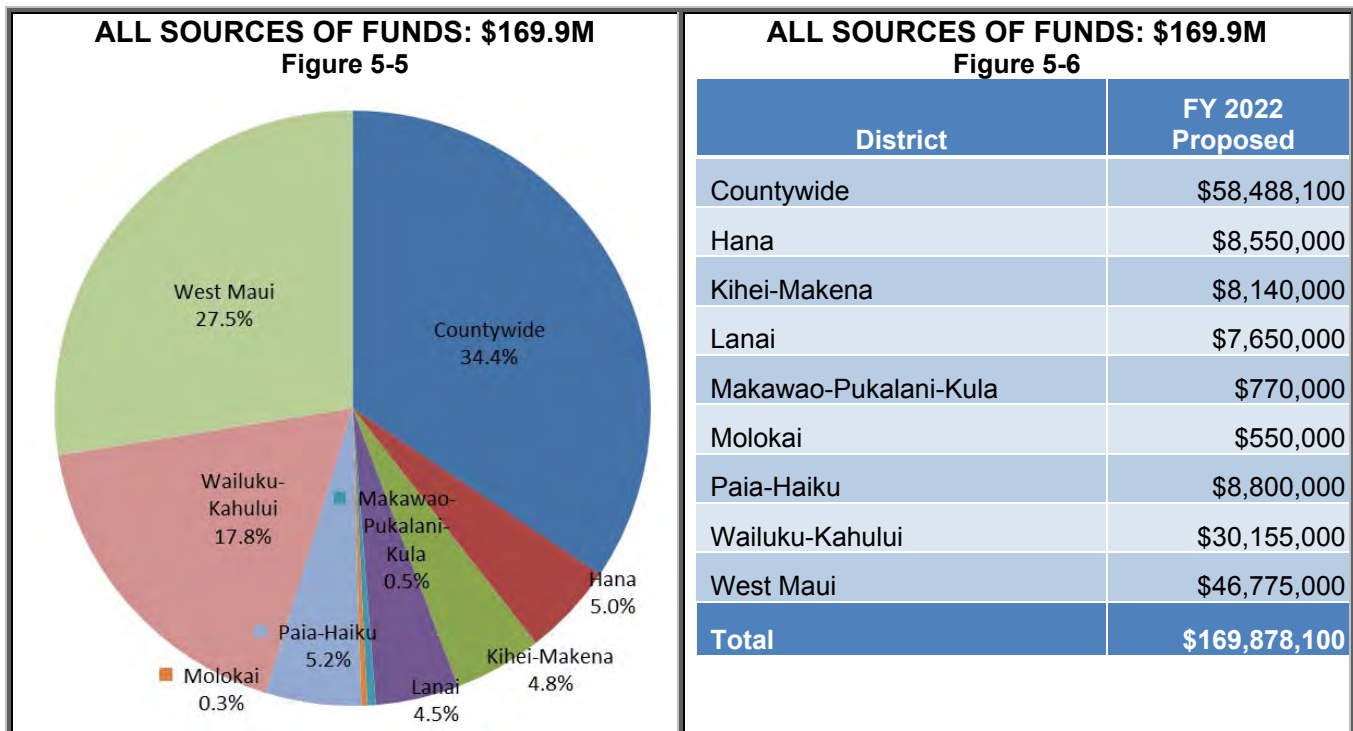

FY 2022 Capital Budget Summary by Department (Cont'd)

This year's funding for the Department of Parks and Recreation represents the third largest percentage of the total proposed FY 2022 CIP Budget at 19.1% or \$32.4 million. These capital projects include: \$15.0 million for War Memorial Gym Building Improvements; \$4.0 million for the Lanai Youth Center and Skate Park; \$3.0 million for Old Hana School Improvements; \$2.1 million for improvements at the Velma McWayne Santos Center; \$1.5 million for the Lihikai School Park Site Improvements; and \$1.3 million for Helene Hall Improvements.

Assuring the availability of water is sufficient to meet the community's needs is a high priority for the Administration. This year's funding for the Department of Water Supply represents \$23.4 million or 13.8% of the total FY 2022 CIP Budget and includes: \$14.05 million for West Maui Reliable Capacity; \$4.6 million for Countywide Upgrades and Replacements; \$2.0 million for Acquisition of Wailuku Water Company Water System; and \$1.05 million for Countywide Facility Improvements.

The CIP funding for the Department of Fire and Public Safety represents \$5.02 million or 3.0% for the total FY 2022 CIP Budget. These projects include: \$2.6 million for Lanai Fire Station Improvements; and \$0.8 million for the design of the Haiku Fire Station.

The FY 2022 Capital Budget for the Department of Finance and the Department of Management are \$4.8 million (2.8%) and \$4.5 million (2.6%), respectively. The funding will be used for equipment, and for renovations to newly acquired buildings. The remaining 1.1% of the total capital budget, include projects that will be managed by the Department of Transportation (0.6%) and the Department of Police (0.5%). These capital projects include funding for Countywide Police Facilities; the Central Maui Bus Hub; and Bus Stops and Shelters.

FY 2021 Capital Budget Summary by District

Capital Program

Capital Budget Summaries

FY 2022 Capital Budget Summary by District (Cont'd)

As shown in Figure 5-5, the largest percentage of the CIP Budget for FY 2022, 34.4%, is allocated \$58.5 million for the Countywide Capital projects. The Countywide category includes projects that are used in more than one district. This year's planned countywide projects include: Countywide Federal Aid Program at \$15.1 million; Countywide Road Resurfacing and Pavement Preservation at \$10.1 million; Countywide Upgrades and Replacements at \$4.6 million; Countywide Equipment at \$4.8 million; Countywide Drainline Replacement Program at \$4.4 million; and Countywide Environmental Protection Agency (EPA) Compliance Wastewater Reclamation Facility Renovation Projects at \$4.0 million.

The West Maui district CIP is proposed at \$46.8 million or 27.5%, which makes up the second largest percentage of the total FY 2022 Proposed Capital Budget. Major capital projects in this district include \$14.1 million for the West Maui Reliable Capacity; \$13.0 million for West Maui Recycled Water System Expansion; \$10.5 million for the Lahaina Wastewater Reclamation Facility R-1 Process Expansion; \$4.0 million for Napili Wastewater Pump Station No. 3 Modifications; and \$2.0 million for West Maui Environmental Protection Agency (EPA) Compliance Sewer Rehabilitation projects.

The third largest percentage of this year's proposed capital budget of \$30.2 million or 17.8%, is allocated for the Wailuku-Kahului district. Some of the major capital projects include the War Memorial Gym Building Improvements, \$15.0 million; Building renovations for 60 North Church Street, \$2.5 million; Velma McWayne Santos Center Improvements, \$2.1 million; Wailuku-Kahului Environmental Protection Agency Compliance Sewer Rehabilitation, \$2.0 million; and 100 Mahalani Street Buildings Renovations, \$2.0 million.

The Paia-Haiku district represents \$8.8 million or 5.2% of the total FY 2022 Proposed Capital Budget. The capital projects in this district include \$7.5 million for the Haiku Road Slope Improvements; \$0.8 million for the Haiku Fire Station; and \$0.5 million for the Alfred Boteilho Sr. Gym Improvements.

The Hana district is proposed for \$ 8.6 million or 5.0% of the total FY 2022 Proposed Capital Budget. The major capital projects in this district include \$4.3 million for the Kalepa Rockfall repairs; \$3.0 million for Old Hana School Improvements; and \$1.3 million for Helene Hall Improvements.

The Kihei-Makena district makes up \$8.1 million or 4.8% of the total FY 2022 Proposed Capital Budget. The major capital projects in this district include: \$2.3 million for Kihei Wastewater Pump Station No. 9 Modification/Upgrade and \$1.0 million for Kihei No. 8 Force Main Replacement.

The Lanai district represents 4.5% which is \$7.7 million, of the FY 2022 proposed Capital Budget. The capital projects on Lanai are comprised of the \$4.0 million for the Lanai Youth Center and Skate Park and \$2.6 million for the Lanai Fire Station Improvements.

The Makawao-Pukalani-Kula district has a proposed budget of \$770,000 for the Makawao Fire Station Renovation/Addition.

The Molokai district has a proposed capital budget of \$550,000 for the Hoolehua Fire Station Renovation/Addition.

Capital Program

Capital Budget Summaries

FY 2022 Capital Budget Summary by Fund Type

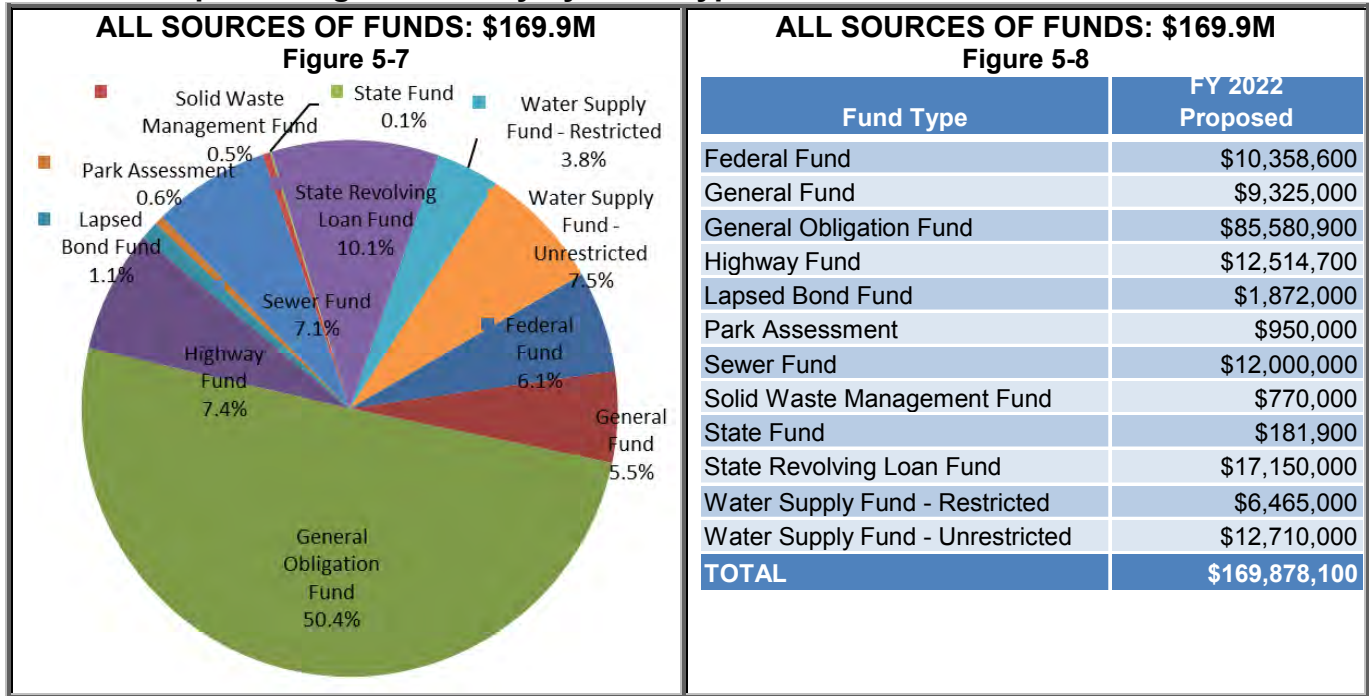

Figure 5-7 details distribution of the capital budget, by funding type. The largest source of funding for capital projects planned in FY 2022 is the General Obligation Fund at 50.4% of the total. The next largest source of funding are the State Revolving Loan Fund at 10.1%, Water Supply Fund – Unrestricted at 7.5%, Highway Fund at 7.4%, and Sewer Fund at 7.1%.

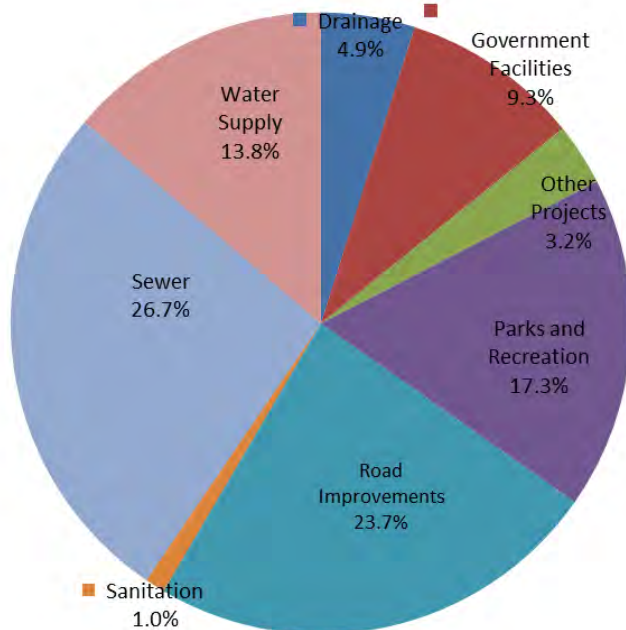

Capital Program

Capital Budget Summaries

FY 2022 Capital Budget by Project Type

ALL SOURCES OF FUNDS: \$169.9M

Figure 5-9

ALL SOURCES OF FUNDS: \$169.9M

Figure 5-10

Project Type	FY 2022 Proposed
Drainage	\$8,300,000
Government Facilities	\$15,860,000
Other Projects	\$5,485,000
Parks and Recreation	\$29,410,000
Road Improvements	\$40,278,100
Sanitation	\$1,770,000
Sewer	\$45,350,000
Water Supply	\$23,425,000
TOTAL	\$169,878,100

As shown in Figure 5-9, Road Improvements and Sewer capital projects make up the two largest project types at 23.7% and 26.7% respectively. Parks and Recreation projects makes up the third largest project type at 17.3%, followed by Water Supply at 13.8%.

Major capital projects under Road Improvements include: Countywide Federal Aid Projects at \$15.1 million; Countywide Road Resurfacing and Pavement Preservation at \$10.1 million; Haiku Road Slope Stability at \$7.5 million, and Kalepa Rockfall Repairs at \$4.3 million.

The largest projects under the Wastewater project type are: the West Maui Recycled Water System Expansion at \$13.0 million; Lahaina Wastewater Reclamation Facility R-1 Process Expansion at \$10.5 million, Napili Wastewater Pump Station No. 3 Modifications at \$4.0 million; Countywide Environmental Protection Agency (EPA) Compliance Wastewater Reclamation Facility Renovation Projects at \$4.0 million, and Kihei Wastewater Pump Station No. 9 Modification/Upgrade at \$2.3 million.

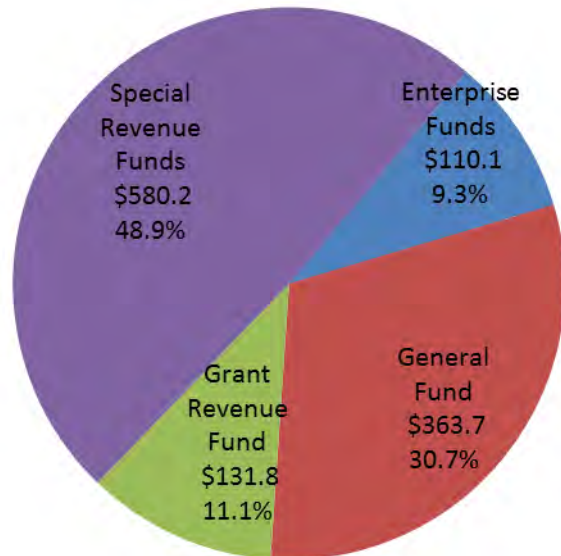

Capital Program

Capital Budget Summaries

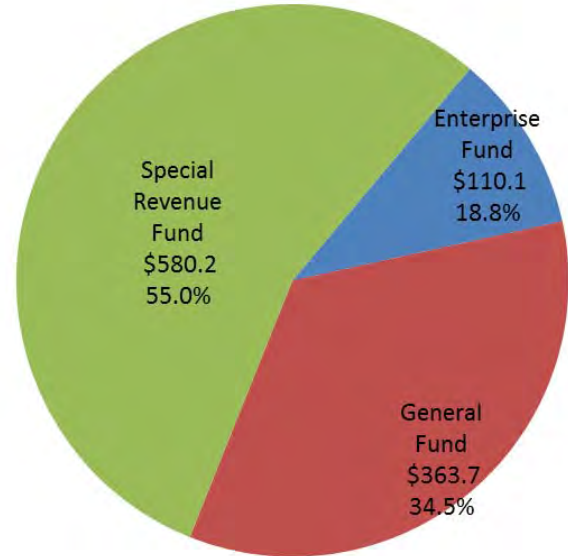

Six-Year Capital Budget Summaries

Figures 5-11 to 5-14 summarize the planned CIP Budget for FY 2022 through FY 2027 by Major Fund Type and Total Capital Projects from All Sources of Funds and County Sources of Funds. Detailed information relating to the six-year CIP plan is presented in the Capital Budget Ordinance and is accessible on the County's website: www.mauicounty.gov.

Capital Program

Capital Budget Summaries

Impact on the Operating Budget

Identifying the impact of the planned capital projects on the operating budget and quantifying the costs associated with funding capital projects is an integral part of the CIP plan. Incurring future operating expenses is expected of most capital projects. The total anticipated impact on the operating budget for FY 2022 is \$1.5 million and \$0.8 million for the next succeeding years. For FY 2022, capital projects for Transportation (41.9%), Water Supply (42.1%), Finance (15.8%), and Environmental Management (0.1%) will incur the largest amount of operating expenses.

Debt service or the cost of financing capital projects funded by G.O. Bonds significantly impacts the operating budget. The allocation of G.O. Bonds to individual projects is reflected in the Funding Details and Methods of Financing sections in the individual project sheets.

These operating impacts are presented in the CIP plan through the inclusion of anticipated impacts in the Operating Impact Narrative section of the individual project sheets, which can be found in the Department Capital Project Sheets section of the program budget. The operating budget may include costs associated with additional staffing, maintenance, other non-maintenance, and non-capital equipment.

Figure 5-15 below provides a summary of the capital projects' impact on the annual operating budget for the next six years by department as reported to the Budget Office by County departments:

Capital Improvement Impact on the Operating Budget
Figure 5-15

Department	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	FY 2027	6-Year Total
Environmental Management	\$1,000	\$1,000	\$1,000	\$0	\$0	\$0	\$3,000
Finance	\$364,355	\$0	\$0	\$0	\$0	\$0	\$364,355
Transportation	\$160,854	\$160,854	\$160,854	\$160,854	\$160,854	\$160,854	\$965,124
Water Supply	\$970,465	\$0	\$0	\$0	\$0	\$0	\$970,465
TOTAL	\$1,496,674	\$161,854	\$161,854	\$160,854	\$160,854	\$160,854	\$2,302,944

Project Prioritization

The prioritization method utilized by the County allows for a capital expenditure strategy that enables the county to provide appropriate facilities for its employees and customers and to manage future costs.

All capital projects recommended for inclusion in the six-year CIP plan are initially prioritized by the department before being further analyzed by the Budget Office based upon various criteria. This assessment is designed to measure both the overall need for a project, the relative urgency of a project, and available funding sources. It is not a substitute for the decision-making process undertaken by the Mayor and the County Council. It is however, an attempt to define some basic evaluation criteria that can be applied against competing countywide requests and become one of the many factors in the overall decision-making process.

Pursuant to Section 8-8.3 of the Charter, the proposed capital improvement projects are also reviewed by Planning Director in relation to the Maui Island Plan and community plans.

PROJECT DESCRIPTION

This project will provide design, construction, and related services to address environmental compliance opportunities and operational improvements at all County Solid Waste Management facilities in alignment with state and federal requirements.

PROJECT JUSTIFICATION

This project will allow the Solid Waste division to address emergency design, construction, construction management, unplanned regulatory compliance improvements at all county landfills and enable operational enhancements for environmental regulatory requirements. This includes mechanical, electrical, and civil design and construction services throughout the county.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan	Countywide Priority Results
Environmental and regulatory compliance. Promotes environmental sustainability.	A Suitable Public Infrastructure A Strong, Diversified Economy An Efficient, Effective, and Responsive Government A Prepared, Safe, and Liveable County A Healthy and Sustainable Community

Operating Impact Narrative

The improvements made as a result of this project, will enable efficient and reliable monitoring and operation of county landfill environmental compliance systems.

PROJECT DESCRIPTION

The purpose of this project is to provide a program for design and construction, renovation or upgrade of equipment at the Wastewater Reclamation Facilities as required by the 20-Year Rehabilitation & Replacement Plan developed under the 1999 Consent Decree. Projects for FY2022 include: Kahului Injection Well rehabilitation/replacement, Lanai WWRF process improvements, Kihei warehouse development, Wailuku Wastewater Pump Station electrical improvements and other minor projects.

PROJECT JUSTIFICATION

Failure to provide for the programmed renovation, improvements & upgrade of all wastewater reclamation facilities/wastewater pump stations could result in continuous degradation and failures of equipment and process units. This might result in possible raw wastewater spills and additional fines from the EPA/DOH. Lab process and stored equipment must be protected from the elements to maintain reliability.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan

Sustain Reliable Wastewater Infrastructure
Ensure Facilities Meet Future Needs
Provide Reliable Wastewater Service

Countywide Priority Results

A Suitable Public Infrastructure
A Strong, Diversified Economy
An Efficient, Effective, and Responsive Government
A Prepared, Safe, and Liveable County
A Healthy and Sustainable Community

Operating Impact Narrative

No impact on staffing or operating budget anticipated.

PROJECT DESCRIPTION

Additional funding to be used only as required for projects where construction/design bids exceed the funding appropriation. Bid amount overruns have occurred in recent years with the strong construction climate in Maui County and global uncertainty of material and energy prices.

PROJECT JUSTIFICATION

The result of not establishing this project fund may be to postpone required infrastructure projects or to increase all project estimates and lose the flexibility of placing funds where needed in order to accomplish the division's mission.

STRATEGIC PLAN ALIGNMENT

PROJECT DESCRIPTION

The Environmental Protection Agency (EPA)/Department of Health (DOH) issued a Consent Decree (CD) dated November 8, 1999. The CD required the County of Maui to conduct numerous studies, investigations, and to prepare identified plans. Based on these documents additional rehabilitation and construction projects are developed and executed. The scope of current projects include CCTV of existing lines, obtaining current wet and dry weather flow data to update the hydraulic model and additional assessments/repairs as required.

PROJECT JUSTIFICATION

Damaged or deteriorated lines require greater maintenance and pose the threat of potential blockages or total failure which may cause wastewater spills, damage to property and the environment, and increase operational costs due to call out of personnel. Scheduling the repair or replacement of deficiencies noted during recent evaluations is a requirement of the 1999 Consent Decree.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan

Sustain Reliable Wastewater Infrastructure
Ensure Facilities Meet Future Needs
Provide Reliable Wastewater Service

Countywide Priority Results

1,681,776	2,000,000	900,000	0	0	0	0	0	900,000

PROJECT DESCRIPTION

Rehabilitation of Pump Station and replacement of a 5,073 foot long, 6" diameter force main within Makena and Wailea Alanui Drives. This line was originally constructed in 1983 and is nearing the end of its useful life. Design includes new alignment in order to keep infrastructure farther from the ocean. Construction will be challenging with rocky soils and curvi-linear alignment.

PROJECT JUSTIFICATION

This project is necessary to replace the facility in order to avoid a costly failure of the line, major sewage spill to the adjacent resorts, beach and ocean, as well as possible fines.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan	Countywide Priority Results
Sustain Reliable Wastewater Infrastructure Ensure Facilities Meet Future Needs Provide Reliable Wastewater Service	A Suitable Public Infrastructure An Efficient, Effective, and Responsive Government A Prepared, Safe, and Liveable County A Healthy and Sustainable Community

PROJECT DESCRIPTION

Replacement of a dual 4,289 foot 20" diameter ductile iron pipe force main originating at Kalama Park and ending at the Kihei WWRF. The line was constructed in 1991 and is within South Kihei Road, Kapuna Street and easements.

PROJECT JUSTIFICATION

This is the largest force main in Kihei and is nearing the end of its useful life. This project is necessary to replace the facility in order to avoid a costly failure of the line, major sewage spill to roadways, private properties, beaches and ocean, as well as possible fines. Part of phased force main replacement schedule.

Project Name: Kihei Wastewater Pump Station No. 7
Relocation

Department: Department of Environmental Management

District: Kihei-Makena

Project Type: Sewer

Anticipated Life: 20 years

Prior Years	Appr	Ensuing	Subsequent Years					Total
Expend/Encb	FY 2021	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	FY 2027	6-Year
0	0	800,000	0	8,000,000	0	0	0	8,800,000

PROJECT DESCRIPTION

The purpose of this project is to relocate this station (last rehabilitated in 1995) in a new location away from the beach area. This station needs to meet area capacity requirements and be standardized to be similar in design and operation as other Kihei area pump station facilities. Construction includes pump station facilities and force main additions.

PROJECT JUSTIFICATION

This facility is reaching the end of its useful life and is in a sea level rise exposure area. Failure of the pump station would result in wastewater spills directly into public streets, storm drains and the ocean.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan

Sustain Reliable Wastewater Infrastructure
Ensure Facilities Meet Future Needs
Provide Reliable Wastewater Service

Countywide Priority Results

A Suitable Public Infrastructure
A Strong, Diversified Economy
An Efficient, Effective, and Responsive Government
A Prepared, Safe, and Liveable County
A Healthy and Sustainable Community

Operating Impact Narrative

No significant long term impact on staffing or operating budget is anticipated. Short term effects will be slightly lower operation and maintenance costs.

PROJECT DESCRIPTION

The purpose of this project is to design and construct upgrades (pumps, motors, generators, etc.) and required modifications (building, piping, electrical) to the existing pump station originally constructed in 1995. This station needs to meet area capacity requirements and be standardized to be similar in design and operation as other Kihei area pump station facilities.

PROJECT JUSTIFICATION

This facility is reaching the end of its useful life. Acquiring critical spare parts has become difficult and the reliability of the equipment is beginning to be in question. Modifications are required to maintain reliable service, reduce maintenance costs and prevent possible sewage spills. Failure of the pump station would result in wastewater spills directly into access driveway, storm drains and the ocean.

Project Name: COM Greenwaste and Biosolids Management

Department: Department of Environmental Management

District: Wailuku-Kahului

Project Type: Other Projects

Anticipated Life: 10 years

Prior Years	Appr	Ensuing	Subsequent Years					Total
Expend/Encb	FY 2021	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	FY 2027	6-Year
0	0	100,000	0	0	0	0	0	100,000

PROJECT DESCRIPTION

The current processing area for greenwaste, biosolids, and fats, oils and grease requires relocation, as well as further evaluating processing options. This project proposes a preliminary engineering report to provide options for future management of these commodities by providing an overview of requirements to manage these materials, consulting with the public and private stakeholders, provide benefit to cost analysis and complete a Request for Proposal to solicit proposals from private industry.

PROJECT JUSTIFICATION

Greenwaste and biosolids comprise a significant share of Maui's waste stream and consumes valuable landfill airspace. This project will evaluate potential options for recycling, waste to energy, and/or landfill diversion and ensure that the most cost effective and environmentally conscious method(s) for management of these materials continues into the future.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan

Countywide Priority Results

Environmental protection and protection of public health and safety meet the Department's Strategic Plan goals.

A Suitable Public Infrastructure
A Strong, Diversified Economy
An Efficient, Effective, and Responsive Government
A Prepared, Safe, and Liveable County
A Healthy and Sustainable Community

Operating Impact Narrative

This work is contracted out so staff impacts are minimized.

0	0	100,000	500,000	0	0	0	0	600,000

PROJECT DESCRIPTION

This project will provide required infrastructure improvements to manage stormwater at the landfill.

PROJECT JUSTIFICATION

In accordance with Hawaii Administrative Rules Chapter 11-58.1, solid waste management facilities are required to install and maintain stormwater run-on and runoff control systems to prevent discharge of pollutants into state waterways. This project is being commissioned to fulfill these regulatory requirements.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan

Responsibly manage stormwater in accordance with state and federal regulations. Minimize risk to human health and the environment.

Countywide Priority Results

A Suitable Public Infrastructure
An Efficient, Effective, and Responsive Government
A Prepared, Safe, and Liveable County
A Healthy and Sustainable Community

Operating Impact Narrative

The new stormwater management systems will need to be periodically inspected and maintained.

PROJECT DESCRIPTION

The new landfill cell built on the floor of Phase III-A lays back onto the existing closed landfill slope of Phase II. This work installs a Department of Health approved liner system at the lay back slope of Phase II allowing for landfill gas collection and leachate collection and drainage, as well as protection of the slope from the placement and compaction of new municipal solid waste placed onto it.

PROJECT JUSTIFICATION

The proposed alternative liner design and construction is required by the Department of Health.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan

This project will ensure the protection of public health and safety.

Countywide Priority Results

A Suitable Public Infrastructure
 An Efficient, Effective, and Responsive Government
 A Prepared, Safe, and Liveable County
 A Healthy and Sustainable Community

Operating Impact Narrative

The new liner system will need to be periodically inspected and maintained.

0	0	320,000	2,000,000	0	0	0	0	2,320,000

PROJECT DESCRIPTION

Landfill gas management is a regulatory requirement for the Central Maui Landfill (CML). Evaluate the existing gas collection infrastructure, develop design, and prepare bid package for construction improvements.

PROJECT JUSTIFICATION

As landfilled waste decomposes, methane gas is generated. Methane is a greenhouse gas, 20 times more harmful than carbon dioxide; therefore State and Federal regulations require its management. The current gas collection system at CML has been in place for fifteen years. This study will provide understanding of long term system reliability and/or replacement recommendations. Failure to operate the gas collection system may result in penalties of up to \$10,000 per day per violation.

STRATEGIC PLAN ALIGNMENT

PROJECT DESCRIPTION

Rehabilitation of major gravity sewer lines that have reached the end of their useful life and/or have been found to be damaged or in disrepair via video investigation or other means. Evaluation and project definitions are ongoing. FY2022 Scope: Design/Construct/Repair of required replacements. Projects to include: Liko Place (Wailuku Village Subdivision) Sewer Replacement; Spreckelsville Manhole Rehabilitation; Liholiho Street Easement Line Replacement; Happy Valley Sewer Replacement; and Kahului Effluent Techite Replacement

PROJECT JUSTIFICATION

Damaged or deteriorated lines require greater maintenance and pose the threat of potential blockages or total failure which may cause wastewater spills, damage to property and the environment, and increase operational costs due to call out of personnel. Scheduling the repair or replacement of deficiencies noted during recent evaluations is a compliance requirement initiated by the 1999 Consent Decree.

PROJECT DESCRIPTION

In order to increase the usage of R-1 treated effluent, the current distribution system requires several phases of upgrades, modifications and additions. This phased project has constructed additional UV disinfection facilities so that all water processed at the Lahaina WWRF reaches R-1 quality before reuse or disposal. FY2022 includes upgrade reservoir rehabilitation, piping, and force main improvements.

PROJECT JUSTIFICATION

Changing permit requirements will necessitate increased water recycling and an expanded and reliable distribution system. Expansion of R-1 usage for irrigation and other uses is a desire of the community and the administration.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan	Countywide Priority Results
Sustain Reliable Wastewater Infrastructure Ensure Facilities Meet Future Needs Provide Reliable Wastewater Service	A Suitable Public Infrastructure A Strong, Diversified Economy An Efficient, Effective, and Responsive Government A Prepared, Safe, and Liveable County A Healthy and Sustainable Community

Operating Impact Narrative

Significant increased costs in electrical power and maintenance anticipated due to R-1 production, pumping and distribution system maintenance. Additional staff may be warranted upon completion of Phase 1 construction.

PROJECT DESCRIPTION

Rehabilitation of major gravity sewer lines that have reached the end of their useful life and/or have been found to be damaged or in disrepair via video investigation or other means. FY 2021-22 project to replace sewer between the Hyatt Force Main and the Lahaina No. 2 WWPS.

PROJECT JUSTIFICATION

Damaged or deteriorated lines require greater maintenance and pose the threat of potential blockages or total failure which may cause wastewater spills, damage to property and the environment, and increase operational costs due to call out of personnel. Scheduling the repair or replacement of deficiencies noted during evaluations is a compliance requirement initiated by the 1999 Consent Decree.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan

Sustain Reliable Wastewater Infrastructure
Ensure Facilities Meet Future Needs
Provide Reliable Wastewater Service

Countywide Priority Results

PROJECT DESCRIPTION

Replacement of a 3,000 foot long, 20 inch diameter ductile iron pipe force main within Lower Honoapiilani Road (between Kameeui Place and the Lahaina WWRF headworks). This facility was constructed in 1985 and is nearing the end of its useful life.

PROJECT JUSTIFICATION

This project is necessary to replace the facility in order to avoid a costly failure of the line, major sewage spill to roadways, beach and ocean, as well as possible fines. Part of phased force main replacement schedule.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan

Sustain Reliable Wastewater Infrastructure
 Ensure Facilities Meet Future Needs

0	0	550,000	0	5,500,000	0	0	0	6,050,000

PROJECT DESCRIPTION

The purpose of this project is to design and construct upgrades (pumps, motors, generators, etc.) and required modifications (building, piping, electrical) to the existing pump station originally constructed in 1985. This station needs to meet area capacity requirements and be standardized to be similar in design and operation as other West Maui pump station facilities.

PROJECT JUSTIFICATION

This facility is reaching the end of its useful life. Acquiring critical spare parts has become difficult and the reliability of the equipment is beginning to be in question. Modifications are required to maintain reliable service, reduce maintenance costs and prevent possible sewage spills. Failure of the pump station would result in wastewater spills directly into public streets, storm drains and the ocean.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan	Countywide Priority Results
Sustain Reliable Wastewater Infrastructure Ensure Facilities Meet Future Needs Provide Reliable Wastewater Service	A Suitable Public Infrastructure A Strong, Diversified Economy A Prepared, Safe, and Liveable County A Healthy and Sustainable Community

Operating Impact Narrative

No significant long term impact on staffing or operating budget is anticipated. Short term effects will be slightly lower operation and maintenance costs.

PROJECT DESCRIPTION

The design and construction of flow equalization basins, additional filters, ultraviolet disinfection equipment and new process channels to handle peak flows at the facility.

PROJECT JUSTIFICATION

The Lahaina WWRF is currently undergoing modifications to reliably treat an average flow of 9.0 mgd and a peak flow of 20.7 mgd. The current UV/filter facilities can handle a 9.0 peak and needs to be modified/updated to treat potential peak flows and comply with the EPA Consent Agreement.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan	Countywide Priority Results
Sustain Reliable Wastewater Infrastructure Ensure Facilities Meet Future Needs Provide Reliable Wastewater Service	A Suitable Public Infrastructure A Strong, Diversified Economy An Efficient, Effective, and Responsive Government A Prepared, Safe, and Liveable County A Healthy and Sustainable Community

PROJECT DESCRIPTION

Purchase of large, costly and long life equipment for the following in FY 2022:

Department of Environmental Management (Solid Waste Management Program): \$2,455,000: (1) dozer for the Hana Landfill; (1) wheel loader, (1) dump truck, and (1) manual rear loader for the Molokai Landfill; (1) mini manual refuse truck for West Maui; (1) Sitework GPS System, (1) Roll-off truck, and (1) loader backhoe for the Central Maui Landfill.

Equipment purchase for the Department of Fire and Public Safety: \$2,330,000: (1) 1500 Gallons-Per-Minute (GPM) Pumper for the Kula Fire Station; and (1) 1500 GPM Pumper for the Lanai Fire Station

PROJECT JUSTIFICATION

Bond issuance is a suitable and economic method of financing capital assets that are too expensive to fund from just one fiscal period, and that have useful lives to justify the issuance of mid-term bonds. Financing of large, costly and long life equipment can allow for more efficient use of available funds by analyzing a number of factors, such as:

1. General obligation bonds generally have lower interest rates than municipal leases.
2. Bond issues match only actual capital needs
3. Guaranties fixed payments regardless of local economy cycles.
4. Bond term is limited to 10 years to prevent payments exceeding useful life of equipment.
5. No pay-off required at lease term end.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan	Countywide Priority Results
Various	A Suitable Public Infrastructure An Efficient, Effective, and Responsive Government A Prepared, Safe, and Liveable County

Operating Impact Narrative

Operating impact includes debt service payments for principal and interest.

PROJECT DESCRIPTION

Design, renovation/rehabilitation of Countywide Fire Facilities for FY22 to include:

1. Fire station painting for Hoolehua, Hana, Lanai, Wailea
2. Kahului Fire Station steel stairwell repair/refinish
3. Lanai Fire Station window replacements

PROJECT JUSTIFICATION

1. Preventative maintenance to extend the useful life of these facilities.
2. The present condition of the steel stairway is poor due to corrosion issues. Repairs and refinishing will assure safety of personnel using this stairway.
3. Replace jalousie type windows with storm rated windows to provide for safety of personnel during high wind events. New windows will also provide better insulation to reduce energy costs for air conditioning.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan

Sec 2:1 improve the departments response times to emergencies;
 Sec 7:1 Ensure the department meets all applicable OSHA Standards; Sec 6:5 Develop a facility rehab plan.

PROJECT DESCRIPTION

Hoolehua Fire Station Renovation/Addition. Design and construction of an apparatus bay, including storage and maintenance work space.

PROJECT JUSTIFICATION

Construction of an additional apparatus bay will allow for the current housing of a utility vehicle and also allow for future expansion should the need arise for a fully enclosed bay to house a full sized relief or front line fire apparatus. This bay will also allow room for more storage as well as a maintenance work space.

Project Name: Haiku Fire Station

Department: Department of Fire and Public Safety

District: Paia-Haiku

Project Type: Government Facilities

Anticipated Life: 50 Years

Prior Years	Appr	Ensuing	Subsequent Years					Total
Expend/Encb	FY 2021	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	FY 2027	6-Year
0	0	800,000	15,660,000	0	0	0	0	16,460,000

PROJECT DESCRIPTION

Planning and design of a new fire station in Haiku. Work may also include grading, grubbing, and demotion of existing structures.

PROJECT JUSTIFICATION

Fire protection and emergency responses are currently provided by the Paia or Makawao Fire Stations. Response times from Paia and Makawao is inadequate. The investment in a new fire station will improve the physical environment for our employees and citizens. It will be more energy efficient, compliant with ADA and gender regulations and have a more pleasing physical appearance. Building a new fire station represents economic vitality, a safe and secure community and an effective local government. Failure to add a fire station and staffing will result in continued response time increases countywide. The result will be significant delays in the intervention of critical medical care resulting in increased suffering and death. The goal is to intervene before a fire reaches flashover point, or a patient is no longer able to be resuscitated.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan	Countywide Priority Results
Goal #1: Deliver prompt and effective emergency services including suppression, extinguishment of all hostile fires, search and rescue on land and sea, and emergency medical services.	A Suitable Public Infrastructure An Efficient, Effective, and Responsive Government A Prepared, Safe, and Liveable County A Healthy and Sustainable Community
Goal #2: Prevent, mitigate, and stabilize hazardous materials incidents.	
Goal #3: Develop and support an effective organization.	

Operating Impact Narrative

Operating impact will include staffing and operational needs. 15 (fifteen) additional personnel will increase the salaries and wages by approximately \$1,100,000.00.

PROJECT DESCRIPTION

Design, construction, and construction management for renovation of existing buildings housing Parks Department offices and various other agencies and tenants at the old Hana school.

PROJECT JUSTIFICATION

The buildings are very old. They are in need of immediate attention to prevent further deterioration. A survey of the existing conditions was recently completed detailing an order of priority repairs and associated costs.

FY2021 funds were for Phase 1 which consists of hazardous material remediation at buildings A,B,C,D, and E

FY2022 budget request is for the construction of building renovations to buildings A, D, and E.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan

Expend/Encb	FY 2021	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	FY 2027	6-Year
531,007	0	1,300,000	800,000	0	0	0	0	2,100,000

PROJECT DESCRIPTION

Design, construction and construction management of improvements to the hall to include, a new wastewater treatment system, improvements to the kitchen, replacement of fixtures and finishes in the restrooms, replacement of windows, resurfacing of hall floor, painting of interior, acoustic ceiling, replacement of lighting, and other needed improvements.
FY2022 funding request is for the construction of the new wastewater treatment system.

PROJECT JUSTIFICATION

The hall is the only community gathering place in the Hana Bay area and is in need of a major cosmetic facelift and required systems upgrades.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan

Countywide Priority Results

To respond to the needs of a community by acquiring, developing, and maintaining safe, quality recreational facilities.

A Suitable Public Infrastructure
A Prepared, Safe, and Livable County
A Healthy and Sustainable Community

Operating Impact Narrative

It is not anticipated that there will be substantial impact to operating expenses.

PROJECT DESCRIPTION

Construct new Lanai Youth Center. Design and construct Lanai Skate Park

PROJECT JUSTIFICATION

The current Lanai Youth Center, housed in (very old) portable buildings, has outgrown the space limitations and is need of an upgrade to meet the needs of the community and expand it services to the youth.

There is presently a high demand for and no availability of a skate board park or area on Lanai

\$4,000,000 is requested for the Youth Center and \$650,0000 is requested for the skate park.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan

Countywide Priority Results

To respond to the needs of a community by acquiring, developing, and maintaining safe, quality recreational facilities.

A Prepared, Safe, and Livable County

Operating Impact Narrative

It is not anticipated that there would be substantial change in the cost of operations as the youth center would be leased to a private entity

1,917,786	0	500,000	4,000,000	0	0	0	0	4,500,000

PROJECT DESCRIPTION

Design and construction for replacement of existing metal roofing and roof structural support system (Phase 1). Design, construction management, and construction of additional structural repairs including walls and floor framing. Replacement of bleachers. (Phase 2) FY2022 design funding requested for structural upgrades including walls and floor support structure.

PROJECT JUSTIFICATION

Phase 1 (funded in FY2020) The roof leaks and repairs are no longer feasible due to the age of the roof material. Roofing replacement requires compliance with current energy codes and substantial structural upgrades.

Phase 2: FY2022 budget request is for the phase 2 design and construction management. Phase 2 will correct additional structural deficiencies including adding a lateral force resisting system and replacing the floor support system to adequately support expected bleacher and facility loads.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan

To respond to the needs of a community by acquiring, developing, and maintaining safe, quality recreational facilities.

Countywide Priority Results

A Suitable Public Infrastructure
A Prepared, Safe, and Liveable County

Operating Impact Narrative

The project is not anticipated to have significant effect on facility operating expenses.

PROJECT DESCRIPTION

Improvements to the existing Kanaha Beach Park as determined through the master plan process. FY2020 funding request was for the environmental assessment to include a cultural impact assessment (currently in progress). FY2022 - integration of a DWS designed graywater reuse system into the overall project master plan.

PROJECT JUSTIFICATION

The park is heavily used, and improvements are needed to the basic infrastructure in order to maintain a safe and inviting environment for the community and visitors.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan

To respond to the needs of a community by acquiring, developing, and maintaining safe, quality recreational facilities.

Countywide Priority Results

A Suitable Public Infrastructure
A Strong, Diversified Economy
A Prepared, Safe, and Livable County
A Healthy and Sustainable Community

Operating Impact Narrative

Additional funds will be needed for added utilities as well as additional manpower for maintenance in future years.

519,551	1,000,000	15,000,000	10,000,000	0	0	0	0	25,000,000

PROJECT DESCRIPTION

Design, permitting, construction, and construction management of repairs and renovations throughout the facility. Repair to building structural elements and exterior finish, coating of roof surfaces, upgrade of building electrical and visual fire alarm systems, accessibility improvements at restrooms and locker rooms. Installation of air conditioning in the gym and to meet current code requirements in office spaces. Replacement of gym wood flooring, bleachers and other necessary ancillary improvements. Also, the addition of a PV system and structural and facility upgrades as needed to meet the Enhanced Hurricane Protection Area (EHPA) requirements for a Category 3 hurricane shelter.

PROJECT JUSTIFICATION

The gym building is currently in a state of disrepair and in need of immediate attention for health and safety reasons as well as to prevent further deterioration to the facility from environmental elements. Additionally, there are accessibility deficiencies that are required to be corrected.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan

Countywide Priority Results

To respond to the needs of a community by acquiring, developing, and maintaining safe, quality recreational facilities.

A Suitable Public Infrastructure
A Prepared, Safe, and Livable County

0	0	425,000	0	0	0	0	0	425,000

PROJECT DESCRIPTION

Renovate the existing tennis court restroom building including replacement of the roof and all toilet fixtures, partitions, and new interior finishes

PROJECT JUSTIFICATION

Roof is leaking and in need of replacement. Fixtures are near the end of their life and require replacement.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan

Countywide Priority Results

To respond to the needs of the community by acquiring, developing, and maintaining safe, quality recreational facilities.

A Suitable Public Infrastructure
A Prepared, Safe, and Livable County
A Healthy and Sustainable Community

Operating Impact Narrative

Will reduce operations costs due to less maintenance.

CBS No: CBS-6652

Project Name: Napili Park Improvements

Department: Department of Parks and Recreation

District: West Maui

Project Type: Parks and Recreation

Anticipated Life: 25 years

Prior Years	Appr	Ensuing	Subsequent Years					Total
Expend/Encl	FY 2021	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	FY 2027	6-Year
0	0	350,000	0	0	0	0	0	350,000

PROJECT DESCRIPTION

Design, permitting, and construction of a replacement batting cage, a new swing set and fall surfacing, and related ADA access improvements at Napili Park. \$75k is requested for the design and permitting and \$275k is requested for construction.

PROJECT JUSTIFICATION

The existing batting cage is at the end of its design life and needs replaced. The youth sports community has expressed the urgent need for this replacement. Adding a swing set will also add play options for the growing West Maui Community. ADA access will be provided as outlined in the DPR ADA transition plan and as required by federal and state guidelines.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan

To respond to the needs of a community by acquiring, developing, and maintaining safe, quality recreational facilities.

Countywide Priority Results

A Suitable Public Infrastructure
A Prepared, Safe, and Liveable County

Operating Impact Narrative

This project is not anticipated to have significant operational cost impacts. The new batting cage should reduce maintenance costs due to less repairs being needed.

Expend/Encb	FY 2021	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	FY 2027	6-Year
2,025,410	0	800,000	1,500,000	3,500,000	0	0	0	5,800,000

PROJECT DESCRIPTION

Expansion/Renovation of Countywide Police Facilities to include for FY2022:

- 1) Automated Entry / Exit Gate at the Kihei Police Station (\$100,000)
- 2) Consultation costs for Wailuku Station Car Wash replacement (\$250,000)
- 3) Replacement of Air Conditioning system at the Lanai Police Station (\$200,000)
- 4) Forensic Facility Renovations: air conditioning, flooring, consultation (\$250,000)

PROJECT JUSTIFICATION

The gate at the Kihei station has become inoperable due to the weight of the gate being unsupported causing strain on the motor after numerous years. This project for the Kihei station gate will be for a new motor and for a secondary support structure. This will increase the security to the station and prevent unauthorized entry onto the back of the property; The current back-up chiller is over 10 years old (life expectancy) and there are leaks in the coils; The consultant for the car wash system will assist in drafting specifications in accordance with MS4 requirements; The Lanai station A/C is 16 years old and in need of replacement to avoid costly repairs and maintenance;

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan	Countywide Priority Results
In accordance with our goal to Advocate Fiscal Management and Energy Efficiency, the Maui Police Department seeks to maintain our infrastructure through scheduled renovation projects to ensure that operational readiness exists at all times for all of our police facilities. Operational readiness of our facilities provide for fast, reliable police intervention and assistance as needed for citizens and visitors alike. It provides for the safety and security of our employees as well as the public who utilize	A Suitable Public Infrastructure An Efficient, Effective, and Responsive Government

Operating Impact Narrative

These project would provide additional operational safety and security measures for the police facilities. The gates would further restrict traffic to having access to secured locations would reduce incidences of theft, vandalism, or worse. It will provide additional safekeeping of equipment and of personnel that are located behind the secured gate; the renovations in the forensic facility include the replacement of flooring which is peeling and cracking, upgrade in refrigeration system.

PROJECT DESCRIPTION

Funding for land acquisition, planning, design, construction, and construction management to support ongoing County CIP bridge and drainage projects and programs and for the following FY2022 projects:

1. Countywide Bridge and Drainage Improvements - funding for storm response, drainage improvements to mitigate flooding in areas without adequate infrastructure, and for emergency repairs to damaged or failing assets that pose a hazard to public safety. \$2,500,000 HF
2. Iao Bridge Repairs - Design to repair existing Iao Bridge near Kepaniwai Park. \$300,000 GB
3. Wailuku Heights Drainline & Outlet Repair - Design to reroute Wailuku Heights Unit 1 runoff away from Wailuku Water Reservoir 10 to a new detention basin based on alternative analysis. \$200,000 HF
4. Puuhaoa and Alaaula Bridge Repairs - Design to repair existing Puuhaoa and Alaaula Bridges in Kipahulu. \$400,000 GB
5. Waiale Road Drainage Improvements at Waikapu Gardens - Construct a subsurface drainage system to eliminate ponding on Waiale Road. \$100,000 GB
6. Drainage Improvements at Kahoma Stream Flood Control at Kahua Street - Construct outlet structure to Kahoma Stream Flood Control Project. \$400,000 GB

PROJECT JUSTIFICATION

Priority listing and method of improvement established by bridge management software program, bridge inspection and evaluation reports and drainline assessment reports with field inspections and recommendations performed by consultants, Highways and Engineering Division staff.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan	Countywide Priority Results
Goal #2: Provide routine maintenance by resurfacing, reconstructing, rehabilitating or preserving county roads and bridges to ensure accessibility and a safe riding surface.	A Suitable Public Infrastructure A Prepared, Safe, and Liveable County A Healthy and Sustainable Community

Capital Improvement Program

Objective 1: 1. Rehabilitate and maintain county road and bridge infrastructure on a regular basis to maximize lifespan of such infrastructure.

Operating Impact Narrative

No impact on staffing or operating budget anticipated.

PROJECT DESCRIPTION

Funding for assessment, planning, repair, replacement, and construction management to support County CIP drainline repair/replacement projects and the following FY 2022 projects:

1. Central Maui Drainline Replacement - Repair and replacement of deteriorated drainlines in Central Maui, with a focus on the Waiehu Heights Subdivision. \$1,700,000 GB
2. West Maui Drainline Replacement - Repair and replacement of deteriorated drainlines in West Maui, with a focus on the Wahikuli House Lots Subdivision. \$2,000,000 GB
3. South Maui Drainline Assessment - Mapping and creation of a GIS inventory of the South Maui Drainage System, and field evaluation of those systems with corrugated metal pipes over 20 years old which are at-risk of failure. \$700,000 HF

PROJECT JUSTIFICATION

The condition of the County's drainage system needs to be assessed in order to program repair and replacement projects. Loss of structural integrity at metal drainlines may result in pavement failure and sinkholes. Preservation of the drainage system is critical to keeping roadways and properties safe from flooding and damage.

PROJECT DESCRIPTION

Funding for planning, design, construction, and construction management to support ongoing County CIP facility maintenance projects and the following FY 2022 projects at the Kalana O Maui Campus, the County Service Center, the Ueoka Building, the Hawaiian Telephone Building, and Highways district baseyards. The projects include but are not limited to the following:

1. Countywide Facilities Maintenance - Emergency repairs to damaged or failing equipment and building components and to supplement existing building projects as needed. \$215,000 GF
2. Kalana O Maui Elevator Upgrades - replace obsolete control panels to improve reliability and ease of maintenance. Upgrade elevator fans to improve circulation, purify air flow, and reduce dust accumulation. \$100,000 GF
3. Kalana O Maui, Kalana Pakui, and Old Courthouse - install Global Plasma System (bi-polar ionization) into the air handlers to purify the air and these "ions" kill mold, bacteria, and viruses in building air and on surfaces. Also replace/repair A/C drain pans to reduce the corrosion and leaking from the air handlers. \$325,000 GF
4. Makawao Base Yard Fuel Tank - replace existing fuel tank. \$500,000 GB
5. New County Service Center - Installation of an awning at the front entrance to prevent rain intrusion and flooding.

PROJECT JUSTIFICATION

Maintenance of County facilities is necessary to preserve the structure and to protect building occupants by ensuring clean and safe place to work.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan

Countywide Priority Results

Goal #4: Provide maintenance services to county facilities and equipment under department's jurisdiction so that all facilities are safe and attractive.

An Efficient, Effective, and Responsive Government
A Prepared, Safe, and Livable County
A Healthy and Sustainable Community

Operating Impact Narrative

No impact on staffing or operating budget anticipated.

Capital Improvement Program

CBS No: CBS-5022

Project Name: Countywide Federal Aid Program

Department: Department of Public Works

District: Countywide

Project Type: Road Improvements

Anticipated Life: 30 - 50 years

Prior Years	Appr	Ensuing	Subsequent Years					Total
Expend/Encb	FY 2021	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	FY 2027	6-Year
6,595,731	26,546,000	15,066,500	6,877,000	6,910,000	17,400,000	18,678,000	15,095,000	80,026,500

PROJECT DESCRIPTION

Funding for land acquisition, planning, design, construction, and construction management services to support ongoing and the following Federal Aid (FAP) projects relating to road, bridge, drain, and bikeway improvements that are approved to receive federal funding:

1. Makawao Avenue Pavement Reconstruction – begin reconstructing the existing pavement and install shoulder improvements between the Eddie Tam Memorial Center and Apana Rd. \$2,108,400 GB
2. Papalaua Avenue and Wainee Avenue Traffic Signal Improvements - begin replacement of outdated traffic signal system. \$1,560,500 GB
3. Onehee Avenue Improvements - begin reconstruction of pavement and construction of safety improvements. \$639,000 GB
4. Lower Honoapiilani Road Rehabilitation - begin design to rehabilitate Lower Honoapiilani Road from Honoapiilani Highway to Hoohui Road. \$400,000 HF

PROJECT JUSTIFICATION

Projects to construct and maintain roadway infrastructure on eligible federal-aid routes within Maui County. Cost share for the construction phase is 80% Federal funds and 20% County matching funds. County share for construction management services is 100%.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan

Countywide Priority Results

Goal #2: Ensure that County roads and bridges meet or exceed applicable standards for accessibility and maintenance. Objective 2.1: Rehabilitate and maintain County road and bridge infrastructure to maximize lifespan and minimize maintenance costs. Objective 2.2: Ensure compliance with County standard details and specifications.

A Suitable Public Infrastructure
A Strong, Diversified Economy
A Prepared, Safe, and Livable County
A Healthy and Sustainable Community

PROJECT DESCRIPTION

Funding for planning, design, and construction to support ongoing County CIP traffic operations and safety projects, and for the following FY 2022 projects:

1. Safety Improvements – Respond to public requests for safety improvements, address roadway concerns by installing guardrails, signs, striping, traffic signals, street lighting, speed humps and other traffic calming devices, shoulder widening, road realignment, and other improvements at intersections, crosswalks, and along County roadways. Projects include Eha-Waena Intersection Improvements, Rectangular Rapid Flashing Beacon installations, Haliimaile Town traffic calming, Countywide annual traffic calming program. Locations in the annual traffic calming program include: Lower Honoapiilani Rd, South Alu Rd, East Kuiaha Rd, Kauhikoa Rd, Ulumalu Rd, Kapakalua Rd, Pulehu Rd, Makani Rd and applications for speed humps approved by 6/30/2021. \$1,158,200 HF
2. Safe Routes to School County Program. \$\$181,900 ST
3. Traffic Signal Modernization – funding to continue design and begin construction of upgrades to existing traffic signal systems at County intersections, FY2022 focuses on Kahului area traffic signals. \$\$454,500 HF
4. Evaluation & design of sidewalk repairs for Piilani Village in Kihei. \$202,000 HF

PROJECT JUSTIFICATION

Program will provide primary and supplementary funding for projects as necessary during all phases.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan	Countywide Priority Results
Engineering Program: Goal 1: Establish an eco-friendly transportation system to enhance non-motorized transportation infrastructure which will promote health and wellness and reduce the County's dependence on fossil fuel. Goal 3: Identify and resolve traffic congestion and safety issues to address capacity and circulation issues.	A Suitable Public Infrastructure A Strong, Diversified Economy An Efficient, Effective, and Responsive Government A Prepared, Safe, and Livable County A Healthy and Sustainable Community

Operating Impact Narrative

Operating impact includes debt service payments for principal and interest.

PROJECT DESCRIPTION

This project is to continue the implementation of planning, design and infrastructure construction to provide safe, comfortable and convenient transit amenities and facilities for the safety of the members of the community who use public transportation.

Bus stops are reviewed to determine if it meets the minimum qualifications for a bus stop improvement. The improvement is either installing a bus stop shelter with transit amenities or making site improvements for ADA compliance which may or may not include benches, solar lighting or other transit amenities. Based on Maui Bus Stop Planning and Design Services study done by KFH Group, bus stops with ridership equaling or exceeding 25 boardings per day are priority candidates for new shelters.

PROJECT JUSTIFICATION

This project will help remove barriers and possible risks associated with bus stops and increase the overall ridership of public transit. The infrastructure will also address the ADA requirements that are needed at the existing bus stops. The cost of improving each bus stop will vary based on its unique set of conditions.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan

The legislative directives that have helped to frame the County of Maui Department of Transportation strategies are taken directly from the County Charter, the County of Maui Short Range Transit Plan, the Focus Maui Nui priority to improve transportation by working to reduce traffic, improve goals, and/or adopt public transportation and also the Key Priorities established by the Mayor which are to provide suitable public infrastructure and provide for a prepared, safe and livable county.

Countywide Priority Results

A Prepared, Safe, and Liveable County
A Healthy and Sustainable Community

Operating Impact Narrative

Overall, this would add to the departments operations budget which would include maintenance and repair. Operating impact includes debt service payments for principal and interest.

Capital Improvement Program

CBS No: CBS-5021

Project Name: Central Maui Transit Hub

Department: Department of Transportation

District: Wailuku-Kahului

Project Type: Government Facilities

Anticipated Life: 25 Years

Prior Years	Appr	Ensuing	Subsequent Years					Total
Expend/Enchb	FY 2021	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	FY 2027	6-Year
4,848,379	2,300,000	500,000	0	0	0	0	0	500,000

PROJECT DESCRIPTION

The County of Maui Department of Transportation will be relocating its current Transit Hub from the Queen Ka'ahumanu Center (QKC) onto State land near Kane Street & Vevau Street in. Its new location will be across the street from QKC. MDOT and QKC have extended its License to Occupy to allow time for the construction of its new hub. Per the 2016 Maui Short Range Transit Plan (MSRTP), the new location and concept plan to replace the transfer center located at QKC Kahului should be given the highest priority. This location is already over capacity to support existing services and according to the MSRTP, more space is needed to accommodate additional buses at the transit hub. The proposed transit hub would have a ticket and security office along with ADA accessible restrooms, covered seating, bike racks, trash and recycle cans, and lighting.

The HHFDC, DAGs and the County are currently working together to explore the feasibility of a mixed use rental housing project (SCR 145, SLH 2017). With the new Maui Bus transit center being built near senior and affordable housing and future government services, the public transit network will link the Wailuku-Kahului region to outlying regions which has major implications on commerce and qualitative aspects of the region's urban environment.

FY2022 projects include: Utility connections; Installation of Security Camera System; Restoration of QKC facilities once the bus hub has been relocated; and a community requested Art Project for the new bus hub facility.

PROJECT JUSTIFICATION

MDOT is moving forward with the relocation of the transit hub from the Queen Ka'ahumanu Shopping Center to the new site off of Vevau Street in Kahului. County funds have been allocated for the planning, design and construction. The State has allocated construction funds as well. As the project moves forward with the build out, there is a need for additional construction funds.

It is imperative that the new transit hub gets built as there is a deadline on when the bus hub needs to be completely out of QKC. QKC has been very gracious and has been working with the department during this time of transition.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan

This project is listed in the Maui Short Range Transit Plan.

Countywide Priority Results

- A Suitable Public Infrastructure
- A Strong, Diversified Economy
- An Efficient, Effective, and Responsive Government
- A Prepared, Safe, and Livable County
- A Healthy and Sustainable Community

Capital Improvement Program

Operating Impact Narrative

The current Queen Ka'ahumanu Center (QKC) transit hub is the heart and keystone of the current system. Due to its hub and spoke system, this allows for riders to transfer between routes when the buses arrives at the transit hub. A new location is needed to be as close as possible in order to create minimal disruption to the existing bus service's hub and spoke system.

PROJECT DESCRIPTION

The Countywide Facilities Improvements project supports improvements that address critical infrastructure and facility issues at water treatment plants (WTP), well sites, water tank sites, booster pump station sites, and other DWS facilities. FY2022 anticipated projects include 1) Olinda WTP Underdrain System, 2) Lahaina WTP Finish waterline to Kahana Tank, 3) Sanitary Survey deficiencies issued by the State Department of Health, and 4) funding for any unforeseen projects critical to maintaining system operations and reliability.

PROJECT JUSTIFICATION

The Countywide Facilities are necessary to address critical infrastructure and facility issues to insure reliable and efficient water service to customers, and address Sanitary Survey deficiencies.

STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan

Countywide Priority Results

Goal: Ensure facilities meet future needs.
Objective(s): Minimize adverse impacts to the water system.

PROJECT DESCRIPTION

The Countywide Upgrades and Replacements project supports improvements that sustain the reliable operation of existing water infrastructure or mitigate inadequacies for existing and future demand with projects at water treatment plants (WTP), well sites, booster pump stations, tank sites, and waterlines. FY2022 anticipated projects include the Lower Kula Booster #1 Pump/Motor Replacement; Wailea Tank #2 Booster 1 and 2 Pump/Motor Replacement; Kula Ag Park Reservoir B Booster #2 Pump/Motor Replacement; Wailea Booster #2 Pump/Motor Replacement; Kamole WTP High Lift Booster Motor Replacement; Kepaniwai Well Pump/Motor Replacement; Kupaa Well Pump/Motor Replacement; Keanae Well #2 Pump/Motor Replacement; Napili Well A Pump/Motor Replacement; Kanaha Wells Motor Control Center Upgrade, Waipuka Wells Motor Control Center Upgrade, Kenolio Road Waterline Replacement/Upgrade, Wili Place Waterline Replacement/Upgrade and funding for any unforeseen projects critical to maintaining system operations and reliability..

PROJECT JUSTIFICATION

The Countywide Upgrades and Replacements are necessary to provide water for existing and future demands, provide reliable and efficient service, and prevent any potential health and safety issues.

PROJECT DESCRIPTION

The Countywide Water System Modification supports all projects, including prior fiscal year, ensuing fiscal year, and unforeseen or emergency projects to efficiently provide clean and safe drinking water to customers. An effective CIP program demands an ability to respond to unanticipated planning, design, and construction issues in a timely manner.

PROJECT JUSTIFICATION

Funding of unanticipated planning, design, and construction issues in a timely manner is critical to prevent project delays and potential added cost due to delays in funding.

Glossary

Mayor's Proposed Budget
FY 2022

★ This page has been intentionally left blank. ★

Glossary

Accrual Basis of Accounting	Method of accounting that recognizes the financial effect of transactions, events, and interfund activity when they occur, regardless of the timing of related cash flows.
Affordable Housing Fund	A Charter established fund used for the provision, protection and expansion of affordable housing and suitable living environments for residents of very low to gap income.
Agency	Any department, office, board, commission or other governmental unit.
Anticipated Life	The projected useful life (number of years) of a capital project.
Appropriation	An authorization granted by the legislative body of a government, which permits officials to incur obligations against and to make expenditures of governmental resources. Appropriations are usually made for fixed amounts and granted for a fiscal year period by the County Council.
Arbitrage	In the context of government finance, the reinvestment of the proceeds of tax-exempt securities (bonds) in materially higher-yielding taxable securities.
Assessed Value	The value placed on real and other property as a basis for levying property taxes.
Assets	Resources with present service capacity that the government presently controls.
Assigned Fund Balance	The portion of the net position of a governmental fund that represents resources set aside by the government for a particular purpose.
Authorized Positions	The maximum number of positions approved in the adopted operating budget.
Balanced Budget	As required by Charter, the Mayor must submit and the County Council must adopt a balanced budget by purpose of public expenditures. The County defines a balanced budget as “the total estimated revenues (from taxes, fees, and assessments, and other sources) shall equal the total appropriations (operating and capital expenditures).”
Bikeway Fund	All fees collected as authorized by HRS 249-14 and 249-14.5 for use in bikeway and related projects.
Bonds – General Obligation	A funding tool that is a written promise to pay a specific sum plus interest in the future, used to fund capital projects. A general obligation bond is secured by the county’s full faith and credit.
Bonds Rating	An evaluation of a bond issuer’s credit quality and perceived ability to pay the principal and interest on time and in full. Three agencies regularly review county bonds and generate bond rating: Fitch Ratings, Moody’s Investors Service and Standard and Poor’s Ratings Group.

Glossary

Budget	A plan of financial operation for a given period of time which is comprised of authorized expenditures (appropriations) and the proposed means of financing them (estimated revenues and available reserves).
Budget (Proposed and Adopted)	The Mayor submits a proposed budget to the County Council that reflects the expenditure and revenue levels for the coming fiscal year. When the Mayor and County Council have formally endorsed the expenditure and revenue levels, the proposed budget becomes the adopted budget, appropriating funds and establishing legal expenditure limits.
Budget Calendar	A schedule of key dates and milestones that a government follows in the preparation and adoption of the budget.
Budget Ordinance	The official enactment by the county creating an adopted budget to establish legal authority for county officials to expend and obligate resources.
Budgetary Basis of Accounting	The method of accounting applied to the budgetary accounts and the process used to determine when revenues and expenditures are recognized for budgetary purposes.
Budget Message	A message from the Mayor that includes general discussion of the budget presented in writing as part of the budget document. The budget message explains the principal issues against the background of financial trends and the priorities set forth in the budget.
Capital Improvement Project	Governmental effort involving expenditures and funding for the creation, expansion, renovation, or replacement of permanent facilities and other public assets having relatively long life. Expenditures within capital projects may include costs for the planning, design, and construction management; land; site improvements; utilities; construction; and the initial furnishings and equipment required to make a facility operational.
CBS No.	Unique identification number assigned to a project for tracking and Capital Budget System (CBS) purposes.
Capital Budget	A financial plan of capital project expenditures for the fiscal year beginning July 1. It incorporates anticipated revenues and appropriations included in the first year of the six-year Capital Improvement Program (CIP). It is adopted by the County Council as a part of the annual county budget.
Capital Expenditure	An amount expended for fixed asset acquisitions and improvements.
Capital Improvement Program (CIP)	A 6 year financial plan of capital improvement projects, their timing and cost. The CIP is designed to meet county infrastructure needs in a responsive and efficient manner with funding from a variety of sources.

Glossary

Carryover Savings	Unappropriated revenue and unencumbered balances of any appropriation in a fund at the end of the fiscal year. For budget purposes, this amount is included in the revenue estimates for the ensuing fiscal budget year. See also <i>Fund Balance</i> .
Charter	Charter of the County of Maui (1983), as amended
Committed Fund Balance	The portion of the net position of a governmental fund that represents resources whose use is subject to a legally binding constraint that is imposed by the government itself at its highest level of decision-making authority and that remains legally binding unless removed in the same manner.
Community Development Block Grant (CDBG)	Grant funds allocated by the federal government to the County of Maui to use for the prevention and removal of slum and blight, and to benefit low- and moderate-income persons. The county disburses these funds through an annual application process open to all nonprofit organizations and county departments.
Comprehensive Annual Financial Report (CAFR)	An audited and printed copy of the county's financial statement at the end of each fiscal year.
Countywide Costs	Includes costs such as insurance, debt payments, interfund transfers and employee benefits.
Debt Service	The interest and principal payments on bond issues and loans used to finance capital improvement projects.
Debt Service Requirement	The amount of money required to pay interest and principal on outstanding debt and the required contributions to accumulate monies for future retirement of long-term bonds.
Department	An operational and budgetary unit designated by the Charter to define and organize county operations, or a group of related operations within a functional area.
District	One of eight community districts within Maui County: Hana, Paia-Haiku, Makawao-Pukalanai-Kula, Wailuku-Kahului, Kihei-Makena, West Maui, Lanai and Molokai. A designation of Countywide indicates the capital project money benefits or is used in more than one district.
Effectiveness Measure	A criterion for measuring the degree to which the objective sought is attained.
Efficiency Measure	The degree to which an entity, program, or procedure is successful at achieving its goals and objectives with the least use of resources. This

Glossary

	indicator reflects inputs used per unit or output and is typically expressed in terms of cost per unit or productivity.
Employees' Retirement System (ERS), State of Hawaii	The Hawaii Employees' Retirement System provides retirement, disability and survivor benefits for all state and county employees.
Employer-Union Trust Fund (EUTF), Hawaii	A statewide entity that provides health and other benefit plans to state and county government employees and retirees.
Encumbrance	Legal commitments related to unperformed (executed) contracts and purchase orders for goods and services. At year-end, encumbrances represent a reservation on fund balance.
Enterprise Fund	A fund established to finance and account for the acquisition, operation, and maintenance of governmental facilities and services that are wholly or partially supported by user charges/fees.
Equipment	The cost of new and replacement equipment. Capitalized equipment includes equipment that costs more than \$1,000, and capital leases, vehicles and computers.
Equivalent Personnel (E/P)	A part- or full-time position converted to the decimal equivalent of a full-time position. Employee hours are translated into an equivalent full-time position. For example, one full-time person = 1.0 E/P and one half-time person = 0.5 E/P. A full-time position is equal to 2,080 scheduled hours of work during the fiscal year. Also known as Full-Time Equivalent (FTE)
Estimated Revenue	The budgeted projected revenues, which are expected and realizable during the budget fiscal year, to finance all or part of planned expenditures.
Expansion	An increase in the scope of a program that results from enhanced or a new service or activity.
Expenditure	The outflow of funds paid, or to be paid, for goods and services received during the current period. Note: an encumbrance is not an expenditure; rather it represents a reservation on fund balance.
Federal Aid	Funds received from the federal government, usually related to highway and public transportation system projects. Generally, federal funds are provided at the rate of 80% to 20% county match for qualifying projects.
Federal Funds	Funds provided to the county by the federal government.
FICA	Federal Insurance Contributions Act, a payroll expenditure representing Social Security tax. Medicare payments are made through the EUTF.

Glossary

Fiduciary Fund	A category of funds used to report assets held in a trustee or agency capacity for others and which therefore cannot be used to support the government's own programs. The fiduciary fund category includes investment trust funds, private-purpose trust funds, and agency funds.
Fiscal Year	The 12-month period to which the annual operating budget applies, at the end of which a government determines its financial position and the results of its operations. The County of Maui operates on a fiscal year from July 1 through June 30.
Fixed Asset	Assets of a long-term character that are intended to continue to be held or used. Examples of fixed assets include items such as land, buildings, machinery, furniture, and other equipment.
Fringe Benefits	Payments made by the county to cover social security, retirement, health insurance, workers' compensation, and other benefits for its employees and retirees.
Full-Time Equivalent (FTE)	The standardized unit of measurement of staffing equal to 2,080 hours of work per year. Also known as Equivalent Personnel (E/P)
Fund	An accounting devise established to control the receipt and disbursement of revenues for the purpose of implementing specific activities or achieving certain objectives in accordance with special regulations, restrictions, or limitations, and constituting an independent fiscal and accounting entity. There are three major fund types: governmental, proprietary, and fiduciary.
Fund Balance	For this budget purpose, fund balance is defined as any unappropriated revenue and unencumbered balance of any appropriation in the respective funds at the end of the fiscal year that is available for appropriation. The fund balance at the end of the fiscal year immediately preceding the ensuing fiscal year is transferred to estimated revenues as carryover savings in the ensuing fiscal year, as the County Charter provides that such funds shall be available for appropriation for the succeeding year or years. See also <i>Carryover Savings</i> .
General Fund	The primary operating fund of a governmental organization that accounts for activities and services not required to be accounted for in another fund, and traditionally associated with governments, such as police and fire service, which are financed primarily through tax, intergovernmental and other non-exchange revenues.
General Obligation Bond Fund	Funds for major capital projects provided by a bond secured by the pledge of the county's full faith, credit, and taxing power.
Generally Accepted	Uniform minimum standards and guidelines for accounting and reporting.

Glossary

Accounting Principles (GAAP)	These standards govern the form and content of the annual financial statements of an entity.
Goals	Goals are broad statements of intent linked to the accomplishment of the overall countywide mission. They define the department's customers and its response to their needs and wants.
Government Finance Officers Association (GFOA)	Organization whose purpose is to enhance and promote the professional management of governments for the public benefit by identifying and developing financial policies and best practices and promoting their use through education, training, facilitation of member networking and leadership.
Governmental Accounting Standards Board (GASB)	The primary authoritative body on the application of GAAP to state and local governments.
Governmental Fund	A major fund type generally used to account for tax-supported activities. Governmental funds use the modified accrual basis of accounting.
Grants / Grants Revenue	A financial contribution by the county, state, federal or private organizations to support a particular purpose. The county receives as well as distributes grants. Grant funds are legally restricted to expenditures for specific purposes and provide a cost sharing alternative for programs and projects.
Hawaii Revised Statutes	Laws and statutes, as established and amended governing the State of Hawaii, its people and political jurisdictions such as the County of Maui.
Highway Fund	Funding provided by the county's fuel tax, public utility franchise tax, and the motor vehicle weight tax. These taxes may be used for highway and mass transit related projects and services.
Inflationary Factor	Ratio applied to prior actual expenditures for Water, Sewer, Electricity, Gasoline and Diesel Fuel to more appropriately budget for the upcoming fiscal year. Application can either increase or decrease the budget from the previous budget year. See Reader's Guide to the Budget section for current factors.
Infrastructure	Public domain fixed assets such as roads, bridges, wastewater systems, sidewalks and drainage systems.
Interfund / Interdepartmental Transfer	Governmental accounting transfers of revenue between funds. These transfers include overhead, fringe benefits and debt service charges as well as supplemental transfers from the General Fund for special fund operations and CIP.

Glossary

Keiki	A Hawaiian term meaning child or children.
Lapse	The automatic termination of the authority to expend money or incur obligations granted earlier by an appropriation. Except for continuing or indefinite appropriations, an appropriation is made for a certain period of time. At the end of that period, any unexpended or unencumbered balance thereof lapses unless otherwise provided by law.
Lapsed Bond Funds	Proceeds from a prior issuance of general obligation bonds that have lapsed and have been made available for appropriation.
Liability	Debt or other legal obligations arising out of transactions in the past that must be liquidated, renewed or refunded at some future date. Note: the term does not include encumbrances.
Major Fund	Governmental fund or enterprise fund reported as a separate column in the basic fund financial statements and subject to a separate opinion in the independent auditors report.
Mandate	Legislation passed by the state or federal government requiring action or provision of services and/or programs. Examples include the Americans with Disabilities Act (ADA), which requires actions such as physical facility improvements.
Mauka	A Hawaiian term used in giving directions, mauka means toward the mountains or on the mountain side of the road.
Mission Statement	A mission statement defines the purpose of work and calls attention to what is important. It forms the foundation for the management plan and makes possible clear and realistic goals and objectives. It is the foundation for priorities, strategies, performance and results.
Modified Accrual Basis of Accounting	The basis of accounting used by the County in which revenues are recognized when they become both “measurable” and “available to finance expenditures of the current period.” Expenditures are recognized when the related fund liability is incurred except for inventories, prepaid insurance, certain employee benefits, and principal and interest.
Non-spendable Fund Balance	The portion of the net position of a governmental fund that cannot be spent either because the underlying resources are not in spendable form or because the government is legally or contractually required to maintain the resources intact.
Object Code	A numeric code that is used to categorize the expense or revenue type of a transaction.

Glossary

Objective	Quantified, outcome-based statements of what will be accomplished during the budget year. These annual performance goals are specific, measurable, time-bound, and realistic, yet challenging. Objectives cover day-to-day activities as well as one-time initiatives.
Ohana	A Hawaiian term meaning family.
Operating Budget	A financial plan for the operation of government and the provision of services for the fiscal year. Excluded from the operating budget are funds appropriated in the capital budget.
Operating Deficit	The deficiency of operating revenues under expenditures during a single accounting period.
Operating Impact Narrative	Defines the potential project and describes the major benefits or reasons why this project is required.
Operating Surplus	The excess of operating revenues over operating expenditures during a single accounting period.
Operations	Those costs, other than expenditures for personnel costs and capital outlay, which are necessary to support the operation of the organization, such as materials and supplies, contracted services and other miscellaneous costs.
Operations Special Costs	Expenditures such as grants, contracts, or interfund transfers which have been reported separately from the normal operating expenditures of a department for informational purposes.
Ordinance	A law established by the County. The County's budget is adopted by ordinance.
Other Fund	Funds sources for capital projects which are not included other fund types, including private grant funds.
Other Post-Employment Benefits (OPEB)	The GASB adopted Statements 43 and 45 which require state and local governments to account for the value of liabilities accrued over an employee's working lifetime and for the values of those benefits to be reported annually on the CAFR. OPEB includes medical, prescription drug, dental, vision and life insurance benefits.
Park Assessment Fund	Derived from park assessments in lieu of land, that is paid to the county as a condition of the approval of a subdivision. The funds may be used for the purpose of providing parks and playgrounds to the specific community district that the fund derived from.

Glossary

Performance	Term commonly used to describe both the doing of work and what is achieved or accomplished.
Performance Measure	The use of program indicators, including output and outcome measures, and other program data to assess the efficiency and effectiveness of program activity.
Position	A post of employment. Positions are categorized as Permanent, Temporary, or Contract and includes employment appointments that are civil service and non-civil service.
Prior Appropriation	Funding for a capital project appropriated in any prior year. Amounts for prior appropriation may not be reflected in yearly recurring projects.
Program	A group of activities, operations or organizational units organized to accomplish specific purposes, goals or objectives. It is a distinct functional and budgetary unit within a department, consisting of a significant service provided using county resources.
Program Budgeting	A method of budgeting that focuses on services provided to customers at the functional (or program) level.
Program Measure	The end result of a program. They are specific data that give the program a way to measure the program's progress towards achieving its goals and objectives.
Project Description	Description of the capital project, the type of work will be done and other relevant information regarding the project.
Project Phase	Estimated capital project costs in including: Acquisition-land or Building, Planning, Design, New Construction, and Renovations.
Project Type	One of eight types of capital projects including: Drainage, Government Facilities, Other, Parks and Recreation, Road Improvements, Sanitation, Sewer, and Water Supply.
Proprietary Fund	Funds that focus on the determination of operating income, changes in net position (or cost recovery), financial position, and cash flows. There are two types of proprietary funds: enterprise funds and internal service funds.
Real Property	All land and the improvements upon it including buildings, other structures, fences and any fixtures attached to them which cannot be removed without substantial damage to such land and improvements.
Recurring Expense	Normal expenses that are incurred in normal day-to-day operations occurring periodically.

Glossary

Reserves	Accumulated funds legally restricted or otherwise designated by administration and/or County Council for specific purposes.
Resolution	A special or temporary order of legislative body; an order of a legislative body requiring less legal formality than an ordinance or statute.
Resources	Amount available for appropriation including estimated revenues, interfund transfers and unreserved fund balances.
Restricted Fund Balance	The portion of the net position of a governmental fund that represents resources subject to externally enforceable constraints.
Restricted Water Supply Fund	Established for the water system development fees collected from new users. This is a fees imposed on applicants for new services to fund a portion of costs to construct water system improvements or to recover the cost of existing water systems made from anticipation of additional demand on the systems.
Results Based Budgeting	Management approach focused on achievement results and improving performance.
Revenue	Receipts received from various sources used to finance expenditures. Major sources include real property tax, the transient accommodations tax, fuel tax, utility charges and various user fees.
Revenue Bond	A bond sold to construct a project that will produce revenues pledged for the repayment of principal and related interest.
Revolving Fund	A fund used to finance certain goods and services provided by county agencies on a self-supporting basis. It is used to pay for the cost of goods and services and is replenished through charges made for those goods or services or through transfers from other accounts or funds.
Salaries	A character of Expenditure. The amount budgeted or paid to county employees. The amounts may include regular pay, overtime and other premium pays as required by statute and collective bargaining agreements.
Special Assessment	A charge made against certain properties to help pay for all or part of the cost of a specific capital improvement project. Includes park land or a monetary assessment fee received from new developments.
Special Revenue Fund	Resources which are dedicated or set aside by law for a specified object or purpose, but excluding the general fund and revolving and trust funds.
Solid Waste Fund	Funding provided by fees associated with landfill disposal and refuse

Glossary

	collection.
Start/End Date	Dates each capital project phase is anticipated to be started and completed.
State Fund	Funding received from the state agencies as grant awards or contracts.
State Revolving Loan Fund	Funding available from State Revolving Fund program administered by the State Department of Health that provides low interest loans to fund construction of drinking water and wastewater infrastructure projects to achieve or maintain compliance with federal Clean Water and Drinking Water acts.
Strategic Plan Alignment	The linkage of a proposed project to the department's strategic plan, the Mayor's vision, and the county's General Plan or Island Plans.
Transient Accommodations Tax (TAT)	A tax on gross rental or gross rental proceeds derived from the furnishing of transient accommodations. Applicable only to rental of such accommodations for less than 180 days. Also known as the hotel room tax.
Trust Fund	A fund used to account for assets held by the county as a trustee or agent for individuals, private organizations, other governmental units, and/or funds and which was created or established by a gift, grant, contribution, devise, or bequest that limits the use of the fund to designated objects or purposes.
Unassigned Fund Balance	The residual classification for the government's general fund and includes all spendable amounts not contained in the other classifications.
Unrestricted Fund Balance	The difference between total fund balance in a governmental fund and its non-spendable and restricted components. Includes committed, assigned and unassigned amounts.
Unrestricted Water Supply Fund	Established to set aside water revenues for services provided to fund capital projects related to system repairs, maintenance and facility replacements.
User Fees	Fees for a public service paid for the use of the service.
Wastewater Fund	Funding provided by sewer assessment and user fees and can only be used for wastewater-related operations and capital projects. Also known as Sewer Fund.
Vision	View of the County's strategic direction and desired future. It is a guiding concept for what the County is trying to do and to become.
