Ms. Kathy Kaohu, County Clerk  
County of Maui  
200 South High Street  
Wailuku, Hawaii 96793

Dear Ms. Kaohu:

**SUBJECT: BILL NO 18 (2021) DRAFT 1, BILL NO. 19 (2021),  
AND BILL NO. 20 (2021)**

At its meeting of March 19, 2021, the Council of the County of Maui passed Bill No. 18 (2021) Draft 1, Bill No. 19 (2021), and Bill No. 20 (2021) relating to the acquisition of 6.3 acres at 100 Mahalani Street, Wailuku, Maui, Hawaii on second and final reading.

The Council, upon its approval of the Bills, added a condition to the appropriation that reads, "The Maui County Council must be granted an additional floor in the Kalana O Maui building of at least nine thousand square feet and at least thirty parking spaces within two years or when the renovations of the property are complete."

Pursuant to Section 4-3(2) of the Revised Charter of the County of Maui (1983), as amended ("Charter"), "if any bill is presented to the mayor appropriating money, the mayor may veto any items or portions thereof by striking out or reducing the same. Such veto power shall extend to conditions, limitations or restrictions imposed with respect to the disbursement of any appropriation. In the case of such a veto, the mayor shall append to the bill at the time of signing it a statement of the items or portions thereof to which the mayor objects and the reasons thereof..."

I object to the condition and striking it from Bill 18 (2021) Draft 1, Bill 19 (2021), and Bill 20 (2021) for the following reasons:

**COUNTY COMMUNICATION NO. 21-185**

RECEIVED  
2021 APR -1 PM 3:43  
OFFICE OF THE  
COUNTY CLERK

1. The condition specifically states, "The Maui County Council must be granted..." As identified in Section 3-1 of the Charter, the Council is "composed of nine members who shall be elected-at large." Therefore, I am concerned that adherence to the condition language included in the bill may restrict the additional space from being utilized by the Office of Council Services and the Office of the County Clerk, as may be required.
2. The condition restricts the additional floor of at least nine thousand square feet to be in the Kalana O Maui Building. This restriction does not allow for the flexibility of utilizing the Kalana Pakui Building or any other county-owned facility as an option to fulfill the requirement. For example, one option to expand the space for the Office of Council Services on the seventh floor would be providing the County Clerk's office with space on the first floor of the Kalana Pakui building. This would provide easier accessibility to the public, loading/unloading of election equipment/supplies, etc.
3. The condition requires "at least thirty parking spaces." As we are all aware, parking is very limited at or around the Kalana O Maui campus. There is a parking sign-up list for all employees working at the Kalana O Maui Campus. Councilmembers have one reserved parking stall each and one parking permit each for their respective office staff; and three reserved stalls and six parking permits for the Office of Council Services and Office of the County Clerk that are exempt from the sign-up list. Currently, employees have waited over ten years to obtain a parking stall. Therefore, in good conscience, I cannot allow an additional thirty parking stalls to be given to the Maui County Council and bypass all other employees eagerly awaiting their turn for a parking stall.

Furthermore, abiding by the condition for the Maui County Council to have an additional floor in the Kalana O Maui Building may require moving other Departments or Divisions from non-leased office space to leased office space. This does not achieve the goal of reducing the amount of leases the County currently pays.

As I have stated previously, I am committed to working with the Council Chair to resolve the space issue that not only exists on the seventh and eighth floors of the Kalana O Maui Building, but throughout this building. It is my hope that the Council will collaboratively work with the Administration to develop a

solution that will be for the betterment of all employees situated at the Kalana O Maui campus.

As required by the Charter, I am returning Bill No. 18 (2021), Draft 1; Bill No. 19 (2021); and Bill No. 20 (2021), which indicates the item that I have objected to. This item has been stricken or reduced from the three Bills accordingly.

Sincerely,
