Michael P. Victorino Mayor

Sananda K. Baz Managing Director

APPROVED FOR TRANSMITTAL

Michael P. Vit 4/21/21

#### OFFICE OF THE MAYOR

COUNTY OF MAUI 200 S. HIGH STREET WAILUKU, MAUI, HAWAII 96793 www.mauicounty.gov

April 27, 2021

Honorable Michael P. Victorino Mayor, County of Maui 200 South High Street Wailuku, Hawaii 96793

For Transmittal to:

Honorable Keani N.W. Rawlins-Fernandez, Chair Budget, Finance, and Economic Development Committee 200 South High Street Wailuku, Hawaii 96793

Dear Chair Rawlins-Fernandez:

SUBJECT: FISCAL YEAR ("FY") 2022 BUDGET (BFED-1)

As it relates to the Department of Public Works, I am transmitting information relating to the Lahaina Flood Protection Project. The Department will be receiving \$1,229,230 from the United States Department of Agriculture Natural Resource Conservation Service for the project.

The project is necessary to alleviate flooding in Lahaina Town. The flood control system is intended to divert floodwaters from watershed areas south of Lahainaluna Road to the existing outlet near Puamana Park.

To add the project to the FY 2022 Budget, the following revisions are needed:

- 1. Amend Appendix A, Part I by adding an appropriation entitled "USDA Natural Resource Conservation Service Lahaina Watershed Flood Protection Project" for \$1,229,230.
- 2. Amend Appendix C, Department of Public Works, West Maui Community Plan Area by adding the following: "CBS-1026", "b. Lahaina Watershed Flood Protection Project", "\$1,229, 230", and

adding a project description to read, "To conduct an environmental and planning study to review the existing project plans, examine the existing drainage conditions in the watershed, evaluate the project need and feasibility, develop design alternatives, conduct stakeholder and public outreach, select a design alternative, and produce a final report that will support the next phase of the project."

- 3. Amend the Capital Program Bill by adding the drainage project under the West Maui Community Plan Area and updating totals accordingly.
- 4. Create a project sheet for CBS 1026, Lahaina Watershed Flood Protection Project.

Thank you for your consideration of the revisions. Should you have any questions, please contact me at ext. 7212.

Sincerely,

MICHELE M. YOSHIMURA

**Budget Director**

### County of Maui Fiscal Year 2022-2027 Capital Improvement Program

CBS No: CBS-1026

Project Name: Lahaina Watershed Flood Protection Project

Department: Department of Public Works

District: West Maui Project Type: Drainage Anticipated Life: 30 years

<b>Prior Years</b>	Appr	Ensuing		Sul	bsequent Yea	rs		Total
Expend/Encb	FY 2021	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	FY 2027	6-Year

#### PROJECT DESCRIPTION

This phase of the project is to conduct an environmental and planning study to review the existing project plans, examine the existing drainage conditions in the watershed, evaluate the project need and feasibility, develop design alternatives, conduct stakeholder and public outreach, select a design alternative, and produce a final report that will support the next phase of the project.

#### PROJECT JUSTIFICATION

Lahaina Watershed Flood Protection Project is necessary to alleviate flooding in Lahaina Town. The flood control system is intended to divert flood waters from watershed area south of Lahainaluna Road to existing outlet near Puamana Park.

#### STRATEGIC PLAN ALIGNMENT

Department's Strategic Plan

**Countywide Priority Results** 

A Suitable Public Infrastructure A Prepared, Safe, and Liveable County A Healthy and Sustainable Community

#### **Operating Impact Narrative**

Project requires staff time to manage the consultant contract and oversee the project.
