This does not preclude a State official whose salary is supported with NHTSA funds from engaging in direct communications with State or local legislative officials, in accordance with customary State practice, even if such communications urge legislative officials to favor or oppose the adoption of a specific pending legislative proposal.

## **CERTIFICATION REGARDING DEBARMENT AND SUSPENSION**

### **Instructions for Lower Tier Participant Certification**

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below and agrees to comply with the requirements of 2 CFR parts 180 and 1200.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

4. The terms *covered transaction*, *civil judgment*, *debarment*, *suspension*, *ineligible*, *participant*, *person*, *principal*, and *voluntarily excluded*, as used in this clause, are defined in 2 CFR parts 180 and 1200. You may contact the person to whom this proposal is submitted for assistance in obtaining a copy of those regulations.

5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR Part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled "Instructions for Lower Tier Participant Certification" including the "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion — Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions and will require lower tier participants to comply with 2 CFR parts 180 and 1200.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR Part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant is responsible for ensuring that its principals are not suspended, debarred, or otherwise ineligible to participate in covered transactions. To verify the eligibility of its principals, as well as the eligibility of any prospective lower tier participants, each participant may, but is not required to, check the System for Award Management Exclusions website (<https://www.sam.gov/>).

8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR Part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension or debarment.

***Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion — Lower Tier Covered Transactions:***

1. The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participating in covered transactions by any Federal department or agency.

2. Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

**BUY AMERICA ACT**

The APPLICANT will comply with the Buy America requirement (23 U.S.C. 313) when purchasing items using Federal funds. Buy America requires a State, or Applicant, to purchase with Federal funds only steel, iron and manufactured products produced in the United States, unless the Secretary of Transportation determines that such domestically produced items would be inconsistent with the public interest, that such materials are not reasonably available and of a satisfactory quality, or that inclusion of domestic materials will increase the cost of the overall project contract by more than 25 percent. In order to use Federal funds to purchase foreign produced items, the State must submit a waiver request that provides an adequate basis and justification for approval by the Secretary of Transportation.

**PROHIBITION ON USING GRANT FUNDS TO CHECK FOR HELMET USAGE**

The APPLICANT will not use 23 U.S.C. Chapter 4 grant funds for programs to check helmet usage or to create checkpoints that specifically target motorcyclists.

**PROBLEM STATEMENT**

**Maui County, Prosecutor's Office - 2021 IMPAIRED DRIVING**

**Grant No: AL-21-02 (05-M-01)**

Identify the traffic safety related problem or deficiency that the proposed grant is intended to correct.

The County of Maui consists of the islands of Maui, Molokai, and Lanai with an estimated population of 167,207 in 2018 according to the U.S. Census Bureau. The U.S. Census Bureau estimates the growth increase in the population of Maui County was 8% overall since April 1, 2010. This growth rate inevitably means more drivers on our highways and roads, which in turn affects traffic patterns and traffic safety.

Hawaii is currently ranked the fourth highest in the nation for impaired driving-related fatal crashes, according to the 2019-2024 Hawaii Strategic Highway Safety Plan. Furthermore, the number of drivers in Hawaii involved in fatal crashes who tested positive for having only drugs in their system is outpacing the number of drivers testing positive for having only alcohol in their system. This will likely continue as the trend towards medical marijuana dispensaries and eventual legalization of marijuana continues.

In Maui in 2019, there were 15 alcohol/drug-related fatalities. Impaired driving incidents are 100% preventable. The District Court Division of the Maui Department of the Prosecuting Attorney proposes to prioritize their efforts in prosecuting offenders charged with "operating a vehicle under the influence of an intoxicant" (OVUII) by making a concerted effort to partner with other agencies and stakeholders to maximize resources and improve prosecution of OVUII-related offenses. The goal is to continue increasing and maintaining the rates of conviction to deter OVUII offenders from traveling on our roads, and reduce preventable deaths.

## SUPPORTING DATA

### Maui County, Prosecutor's Office - 2021 IMPAIRED DRIVING

Grant No: AL-21-02 (05-M-01)

Identify and gather appropriate data relevant to the problem. Collision/fatalities data appropriate to the identified problem and a brief analysis of the data is required. When available, three years of data should be presented and analyzed. When identifying the problem, take into consideration changes in population, traffic patterns and other demographic dynamics that may affect traffic safety.

(Place graphs and charts here)

FISCAL YEAR	OVUII CASES RECEIVED	OVUII CASES CHARGED	OVUII CASES CONVICTED
2019	563	545	~506
2018	625	606	445
2017	687	665	432
2016	711	689	426
2015	902	837	587
2014	942	917	500
2013	1066	962	439
2012	973	834	494
2011	894	786	406

The District Court Division of the Maui Department of the Prosecuting proposes to prioritize their efforts in prosecuting offenders charged with "operating a vehicle under the influence of an intoxicant" (OVUII) due to the high number of OVUII cases as compared to other types of court offenses. The average number of OVUII cases received from 2011 to 2015, is 955. From 2011 to 2013, OVUII cases received have increased by 8% from 2012, and 9% in 2013. In 2014 and 2015, OVUII cases received decreased by 8% and 1% respectively. Conviction rates increased in 2014 with 55% and 2015 with 70%. Conviction rates in 2018 and 2019 were in the 90% percentile range. The goal is to continue increasing the rate of conviction to keep OVUII offenders off the highways and roads to ensure public safety.

## GRANT GOALS

### Maui County, Prosecutor's Office - 2021 IMPAIRED DRIVING

Grant No: AL-21-02 (05-M-01)

*Goals serve as the foundation upon which the grant is built. Goals are what you hope to accomplish by implementing a traffic safety grant and represent an end result. Grant goals should be stated in measurable terms (i.e., a percent reduction), be concise and deal with a specific item, be realistic with a reasonable probability of achievement, and be related to a specific time frame (a "by" date). Please notate baseline from which the reduction/increase will result.*

The goal for the Department of the Prosecuting Attorney, District Court Division in Maui County, is to increase the rate of conviction from 2020 fiscal year baseline of 93% to 95% by September 30, 2021.

## GRANT OBJECTIVES

### Maui County, Prosecutor's Office - 2021 IMPAIRED DRIVING

Grant No: AL-21-02 (05-M-01)

*Objectives are tasks or activities conducted in order to accomplish the grant goal(s) (e.g., develop permanent fitting stations for child restraints, enforcement activities, educational activities, etc.). Grant objectives should be stated in measurable terms (i.e., a percent reduction, number of training to be held, number of roadblocks, etc.), be concise and deal with a specific item, be realistic with a reasonable probability of achievement, and be related to a specific time frame (a "by" date). Please notate baseline from which the reduction/increase will result.*

Our department will work in collaboration with the Maui Police Department's goals of increasing the rate of OVUII arrests and increasing the Department of the Prosecuting Attorney, District Court Division's rate of conviction of OVUII cases. We will work to increase the effectiveness of prosecution, through the following objectives:
