Supplemental Statement to Board and Commission Application Form

Over the past few years, our country has become increasingly disunited. Contrary to what we may see on social media and in the news, Maui residents share distinct values with each other that supersede the various "causes" of division that we are seeing on the mainland and more frequently in our own state and county.

I believe it is the job of our local government to help strengthen these values and ties between all residents while also continuing to work to improve relations between our residents and government officials. I am interested in serving on a Board or Commission to assist other link-minded individuals to achieve these goals.

Through my work as an attorney, I have garnered skills that will allow me to contribute to the Boards or Commissions I have listed in the preferences section below. I believe that each Board requires a different set of skills and knowledge that I believe I can bring to the table and would be happy to provide further information related to each specific Board and Commission upon request.

I have been fortunate to work as a Legal Aid attorney exclusively in the area of civil rights and fair housing, a family law attorney, and at present a personal injury attorney. Through each step of my professional career, I have gained experience working with various industries, government agencies, and most importantly with common and pressing areas of concern amongst our general public. I am looking forward to one day using my skills and knowledge to better Maui county and all residents, hopefully beginning with a position on a Maui County Board or Commission.

I have a very diverse business, community service, and cultural background. My ongoing involvement with multiple non-profit community organizations has shown me the value of Hawaii's diversity. My life experience entails working in the insurance and banking industry, and with non-profits as an organizer of special events. I think any governmental body regulating alcohol should impanel members with an impeccable business reputation and direct experience relating to the benefits and hazards of alcohol consumption at special events. I believe I have these qualities and the perspective to make fair judgments in such matters.

I was born and raised on Maui, went to college at UH Manoa, and returned to Maui immediately after graduation. In total, I have spent 31 of my 35 years of life as a Maui resident. I love Maui, and am a product of it's educational system, community values, and aloha spirit. In addition to my love of Maui, I believe I have the business and real estate background to bring a balanced perspective to any Board or Commission that I would be lucky enough to serve on. I also have experience serving on non-profit and community Boards and Committees. I currently serve as the Vice President of the Nisei Veterans Memorial Center, and have served as a member of the State of Hawaii Office of School Facilities Stakeholder Advisory Committee
