Mayor Michael Victorino
County of Maui
200 South High St., 8th Floor
Wailuku, HI 96793

Aloha Mayor Victorino,

My name is Ian Smith, a local resident residing on Stable Road. I'm fortunate to be able to donate to your 2021 Back to School Supply Drive. Our keiki are our future, and the last year of COVID has been very difficult on them and their ability to learn. The appropriate school supplies are a necessity to help them achieve their goals and be successful. I personally want to be a part of giving to the community when the opportunity and need arises. My hope is that through this donation, we will be able to build a relationship in future partnerships with the goal of giving back to the community.

After a year of online and distance learning, nā keiki will finally be returning to the classroom and I understand the need for school supplies. I am donating two hundred sixty four (264) 17" backpacks in six assorted colors, along with bulk school supplies to go with the backpacks. The total cost is approximately \$2,500. Due to the amount I'm donating, we have been notified that the shipping is slightly delayed but we have every confidence they will arrive in time for the keiki to put them to good use.

I look forward to partnering with the County of Maui in future endeavors and helping when and where I can.

Mahalo for the opportunity.
