Aloha Mayor Victorino,

Stable Road Foundation, on behalf of myself, Ed Freedman, is honored to donate to your 2021 Back to School Supply Drive. As some may be progressing in these post-pandemic times, I am certainly aware that we have neighbors, family members, friends, and community members that continue to be in need of basic necessities, such as school supplies. From nā kupuna to nā keiki, I personally want to be a part of giving to the community when the opportunity arises. I believe that through this donation, we will be able to build a relationship in future partnerships and giving back to the community.

After a year of on-line and distance learning, nā keiki will finally be returning to the classroom and I understand the need for school supplies. I am donating 504 17" backpacks in six (6) assorted colors, 504 fifty (50) piece school supply kits, and 566 glue sticks, with a total cost of \$6,136.63 for the calendar year 2021.

Nā keiki is our future. As a member of the community, it is important for me to see our keiki flourish through its educational tiers and being equipped with the proper school supplies is a part of that step.

I look forward to partnering with the County of Maui in future endeavors and helping when and where I can.

Mahalo for the opportunity.

Edward Freedman
