**Committee**  
**Report No. \_\_\_\_\_**

Honorable Chair and Members  
of the County Council  
County of Maui  
Wailuku, Maui, Hawaii

Chair and Members:

Your Planning and Sustainable Land Use Committee, having met on July 22, 2021, makes reference to County Communication 20-484, from the Planning Director, transmitting comments from the Maui Planning Commission and Lānaʻi Planning Commission on the following:

1. A proposed bill entitled “A BILL FOR AN ORDINANCE AMENDING CHAPTER 19.64, MAUI COUNTY CODE, RELATING TO BED AND BREAKFAST HOMES”; and
2. A proposed bill entitled “A BILL FOR AN ORDINANCE AMENDING CHAPTER 19.65, MAUI COUNTY CODE, RELATING TO SHORT-TERM RENTAL HOMES.”

The purpose of the proposed bills is to reduce the number of Bed and Breakfast Homes (“B&B”) and Short-Term Rental Homes (“STRH”) in the Lānaʻi community plan area, by:

- Limiting permits of each type to 21;
- Prohibiting on-street parking by B&B guests, operators, service, or delivery vehicles at any time;
- Limiting density to no more than one type within a 300-foot radius and no more than one type per block;

- Increasing notification requirements to include current residents of adjacent properties and those located across the street of a B&B or STRH; and
- Requiring Lānaʻi Planning Commission review all permit renewal applications for the island of Lānaʻi and allow approval for up to five years.

Your Committee notes the Council’s Planning and Sustainable Land Use Committee (2019-2021 Council term) previously met on this matter on October 13, 2020, and December 3, 2020.

The Planning Director said there is one B&B permit and 17 STRH permits, and no pending STRH permit applications on Lānaʻi.

Your Committee supported permit caps on Lānaʻi, but expressed concern for ensuring fairness for existing permit holders and those with pending permit applications.

Your Committee agreed that B&B and STRH permits in effect upon enactment of an ordinance establishing new caps would remain valid until the permit’s expiration date, unless revoked under Chapter 19.65, and could be renewed if criteria were met.

Your Committee revised the proposed bills to establish a cap of 15 B&B and STRH permits each for the Lānaʻi community plan area after carefully considering additional recommendations made by the Department.

Your Committee notes establishing the proposed caps would advance the Lānaʻi Community Plan, which includes as one of its policies, “support the growth of permitted B&Bs, small inns, guest houses, and other alternative lodging units.”

- Policy F.1.h: Encourage businesses that promote the health and well-being of the residents, produce value-added products, and support community values.
- Policy J.1.c: Limit the number of visitor-accommodation units and facilities in Community Plan Areas.
- Policy J.1.d: Maintain a sustainable balance between the resident, part-time resident, and visitor populations.
- Policy J.4.b: Ensure that new development projects requiring discretionary permits demonstrate a community need, show consistency with the General Plan, and provide an analysis of impacts.
- Policy K.3.b: Simplify and clarify the permitting process to provide uniformity, reliability, efficiency, and transparency.
- Policy K.3.d: Ensure that laws, policies, and regulations are internally consistent and effectuate the intent of the General Plan.

Your Committee voted 8-0 to recommend passage of the revised proposed bills on first reading and filing of the communication. Committee Chair Paltin, Vice-Chair King, and members Johnson, Lee, Molina, Rawlins-Fernandez, Sinenci, and Sugimura voted “aye.” Committee member Kama was excused.
