

Dear Councilmember Johnson, 9/2/2021

Please place Public Right to Housing
AH-14(2) and Public Right to Shelter
AH-14(1) on your agenda for discussion
and action. I strongly urge you to approve
the Plan and meet the goal of the Maui
County Council to build 5,000 homes in the
next 5 years.

Today is Queen Lili'uokalani's 181st birthday.
I think she would be heartbroken to see that
local people cannot afford to live in the
land of their birth. Please help us!
