RE: Resignation from Commission on Children and Youth

Dear Mayor Victorino:

For personal reasons, I hereby resign as a member of the Commission on Children and Youth to be effective upon receipt of this letter.

I look forward to serving on another Maui County Board or Commission in the future when the coronavirus pandemic crisis is over and normal personal meetings can be held. As an octogenarian, I am not comfortable "attending" virtual meetings.

Although I have not seen you in person since the coronavirus pandemic crisis began, I would be remiss if I did not congratulate you for doing a commendable job in handling the once in a lifetime pandemic crisis. Although the coronavirus has had a tremendous negative impact on our economy, education, health, housing, transportation, and businesses large and small, I see great post-pandemic challenges and opportunities for Hawaii, and especially Maui, to improve the quality of our life and environment. I look forward to sharing some of my thoughts and ideas in the coming months as our elected officials, hopefully, begin to hold personal hearings and community meetings on various issues facing our residents and community.

Thank you for all that you are doing to continue to raise the bar to keep Maui the best place to live next to heaven.

Aloha & Mahalo,

William T. Kinaka
