Subject: GREAT Meeting 11/02/21

Good Morning,

Here are some stats I pulled regarding fireworks, by year:

	2016	2017	2018	2019	2020	2021
Calls for service	271	503	359	545	476	51
Reports generated	29	51	46	156	135	17

The search criteria was for anything related to fireworks.

In 2018 there was one police documented incident which resulted in an injury. However this does not take into account any individuals who sought medical treatment on their own at the hospital.

In 2019 there were two investigations which resulted in the recovery of imported fireworks.

Thank you,

Gregg Okamoto
