RESTRICTING THE USE AND SALE OF SINGLE-USE PLASTIC DISPOSABLE FOODWARE (EACP-16)

The Committee is in receipt of the following:

1. County Communication 18-430, from Councilmember Elle Cochran, transmitting a proposed bill relating to restricting the use and sale of single-use plastic disposable foodware.
2. Correspondence dated February 11, 2020, to the Department of the Corporation Counsel, transmitting a proposed bill entitled, "A BILL FOR AN ORDINANCE AMENDING CHAPTER 20.26, MAUI COUNTY CODE, RELATING TO THE SALE AND USE OF PLASTIC DISPOSABLE FOODWARE." The purpose of the proposed bill is to promote public health, reduce litter, and limit harmful materials from entering the environment by regulating and limiting the use and sale of plastic disposable foodware, and to encourage the use of environmentally preferred alternatives.

The Committee may discuss matters relating to the current use of plastic disposable foodware, the impacts the proposed bill may have on Maui County, and similar legislation enacted by other government agencies. The Committee may also consider whether to recommend passage of the proposed bill on first reading, with or without revisions, consider the filing of County Communication 18-430, and other related action.
