The Committee is in receipt of County Communication 21-419, from Councilmember Yuki Lei K. Sugimura, relating to the management of county-owned parking in high access areas.

The Committee may receive a presentation from the Department of Management on the PARK MAUI Master Plan and discuss related matters. PARK MAUI is a parking asset management program that strives to implement forward-thinking solutions for parking at beach parks, in business districts, and on streets throughout Maui Island's most heavily utilized areas. No legislative action will be taken.
