WAILUKU CIVIC COMPLEX (BFED-76)

The Committee is in receipt of County Communication 20-596, from the Chair of the Cost of Government Commission, transmitting a report entitled "COUNTY OF MAUI, COST OF GOVERNMENT COMMISSION REPORT ON FINANCING OF THE WAILUKU PARKING STRUCTURE, November 2020." The report reviews the Federal Opportunity Zone tax incentive program and recommends the County issue a Request for Proposals to determine whether there is any investor or investor group interested in constructing and operating the Wailuku Parking Structure for ten or more years as an Opportunity Zone investment.

The Committee may receive a presentation from the Cost of Government Commission on the report and discuss related matters. The Committee may also consider whether to recommend the filing of County Communication 20-596 and other related action.
