### BEACH PARKS VULNERABILITY AND ADAPTATION STUDY PHASE I - EXECUTIVE SUMMARY (HCP-51)

The Committee is in receipt of County Communication 22-13, dated January 10, 2022, from the County Clerk, transmitting BEACH PARKS VULNERABILITY AND ADAPTATION STUDY PHASE I - EXECUTIVE SUMMARY NOVEMBER 2021. The study is part of a long-term strategy to link long-term planning to capital improvement projects. The study provides information to guide decisions on capital projects in the county's beach parks.

The Committee may receive a presentation on the findings of the study from the Department of Parks and Recreation and Tetra Tech, Inc., and discuss related matters. No legislative action will be taken.
