LICENSING OF ANIMALS OTHER THAN DOGS (HHT-33)

The Committee is in receipt of a Miscellaneous Communication, dated May 23, 2016, from the County Clerk, referring the matter relating to licensing animals, other than dogs to: 1) explore whether health, safety, or other community benefits would result from licensing other household pets; 2) review the extent to which these animals create demands on animal rescue or other public services; and 3) determine whether the County should collect fees for associated costs.

The Committee may discuss the matter. No legislative action will be taken.
